RAUL RUIZ, Democratic AGE: 45 OCCUPATION: Congressman / Emergency Physician EDUCATION AND QUALIFICATIONS:	KIMBERLIN BROWN PELZER, Republican AGE: 57 OCCUPATION: Small Business Owner EDUCATION AND QUALIFICATIONS:
Washington is a disaster, filled with career politicians focused on petty partisan politics and their own perks and privileges.	Small Business Owner – Honorary Co-Chair of the Gas Tax Repeal Campaign – Supporter of Term Limits & No Budget, No Pay for Congress
I'm not a career politician, and I never will be. I'm an emergency physician who grew up here and ran for office to serve people in our communities. That's what I've done my entire adult life.	Politicians love to tell us all the great things they'll do for us when elected. They hope we'll forget their promises because they never follow through. We need new, principled leaders who are not afraid to say what they mean and stick with it.
As a doctor, I'm trained to put people first. That's why I'm working across party lines to find solutions to tough problems:	That's why I'm running for Congress. I have firm, conservative principles. I'm not afraid to be "politically incorrect" and stand up for the Constitution, conservatism, and American exceptionalism.
STANDING UP FOR MEDICARE AND SOCIAL SECURITY: I promised that I would never vote to cut Medicare or Social Security, and I've kept	My principles:
my promise. I will continue to do so. And, I passed a bipartisan bill to help protect Medicare.	I. <u>Put defense first.</u> Congress must keep Americans safe at home and abroad.
STANDING UP FOR VETERANS: I sponsor an annual "Veterans University" to help local vets get health care and assistance, and to connect them with local employers. And, I've helped hundreds of veterans	II. <u>Build sound finances.</u> Washington must be held fiscally accountable: start to pay off the national debt and no new taxes.
cut through red tape to get the benefits they deserve.	III. <u>Protect the vulnerable.</u> People paid into Social Security and Medicare – we must make sure they are solvent, effective, and efficient programs.
OPPOSING PERKS FOR POLITICIANS: I oppose any pay raises for Congress, and I am fighting for legislation prohibiting Congressmembers from using taxpayer money to fly first class.	IV. <u>Grow the Middle Class.</u> Congress needs to stop working for Special Interests and Lobbyists and start working for us.
FIGHTING TO ENSURE FAMILIES HAVE ACCESS TO AFFORDABLE HEALTH CARE: As a physician, I understand the importance of health care. That's why I voted to prevent insurance companies from denying coverage to people with pre-existing conditions. And, I'm working to make premiums and prescription drugs more affordable.	I'm a proud wife, mother, and successful entrepreneur. I've been blessed with a daytime television career. My husband and I have built several successful businesses, including a sports fishing and marina rental business and a design company. We employ over 100 Californians.
Let's fight back against partisan gridlock in Washington. I'd be honored to have your support.	Congress should live by the same rules they place on the rest of us, have term limits, and not get paid if they don't pass a budget. I would be honored to have your vote. www.KimberlinforCongress.com

Aja's Grandparents served in the U.S. Military. Her Grandfather was a veteran of WWII, Korea, and Vietnam. Her great uncle was a Tuskegee Airman pilot.
My office has secured more than \$2.5 million in benefits owed to veterans and held regular town hall meetings to understand local priorities.	Aja Smith's top priorities are:
introduced legislation to strengthen our schools, rein in the abuses of the for-profit college industry, make it easier for veterans to transition back into our community, and support the creation of advanced manufacturing jobs in our region.	National Defense: As a Veteran who understands National Security, Aja will ensure our National defense and Homeland security has the resources it needs to confront future threats. In Congress she will work to give our defense the resources that they need to keep Americans safe.
I will continue to work for our community by promoting investments in local job creators, by supporting comprehensive immigration reform, and by opposing tax cuts for billionaires and corporations who want to ship American jobs overseas.	Veterans: Aja fully understands the needs and sacrifices of our service members and their families. She understands the commitment to our military service members does cease when they retire/separate from service and caring for our veterans must remain a top priority in Congress.
Prior to being elected to Congress, I dedicated my life to public service as a high school teacher and Riverside Community College Trustee. Those roles prepared me to be an effective advocate for local schools, businesses, veterans, seniors, our military, and middle-class families.	Economic Recovery and Tax reform: Aja understands the impact of a stagnant job market and knows that small business are the backbone of job growth in our country. By advancing long-term, pro-growth policies will get our economy growing.
I am proud to have the support of local leaders from throughout Riverside, Moreno Valley, Jurupa Valley, and Perris.	Website: www.ajaforcongress.com

It's an honor to represent Riverside County in Congress.	There is room for everyone in the American Dream.
As a former small business owner, I know what it's like to sign the front of a paycheck and how much those paychecks mean to hardworking families. I will continue to support policies that create jobs and grow wages.	My name is Julia Peacock. I am here to be your voice for finding practical solutions to today's real problems without raising taxes on low- and middle-income families.
I supported tax cuts because you deserve to keep more of your hard earned money. I also voted to eliminate job killing red tape so American businesses can better compete in the global economy. These votes resulted in a growing economy, higher wages, and investments to expand small businesses.	We must build an economy that goes beyond unemployment rates and the stock market to quality, well-paying jobs with sick time and benefits so working families can plan for the future and not just live paycheck to paycheck.
We need a healthcare system that gives families more options to find care that fits their needs. I voted for the 21st Century Cures Act to help accelerate medical product development and bring new innovations and advances to patients faster.	We must revisit the American spirit of discovery and embrace the future. Right now, our largest employer is a prison. We need our largest employers to be small businesses and green energy. We can do this by establishing a local economic council with industry leaders, economists, and business owners to help shift our economy from detention and retail to innovation.
I oppose California's gas tax hike and voted to defund Jerry Brown's high- speed rail boondoggle. We need to prioritize transportation projects that actually reduce congestion. BILL ESSAYLI, Republican OCCUPATION: Federal Prosecutor EDUCATION AND QUALIFICATIONS:

I spent my career fighting for you in the courtroom, now I want to fight for you in Sacramento.

California taxes are simply too high. I am the only candidate running who opposes the \$52 billion gas and car tax hike, which costs the average family an extra \$800 per year. I support repealing it. I also oppose Jerry Brown's high-speed rail boondoggle.

I served as a Deputy District Attorney in Riverside County, and later as an Assistant United States Attorney prosecuting federal criminal violations.

The dangerous policies of AB 109, Proposition 47, and Proposition 57 are jeopardizing the safety of our community and we are seeing crime rates rise. Instead of fixing the problems, the legislature just passed a law making it easier for criminals to avoid jail. I will support policies that keep criminals in jail and off our streets.

I will defend Prop 13 protections and oppose new payroll taxes to pay for a government-run health care system.

I will work with job creators to enact policies to help them grow. I want to bring high paying jobs to Riverside County and address California's affordability crisis.

I was raised in Riverside County by parents who legally immigrated from Lebanon to escape a violent civil war. I graduated from Centennial High School and successfully completed the AVID program. I was the first in my family to graduate from college, and eventually law school.

The only way to change the direction of Sacramento is to send new leadership up there. I humbly ask for your vote!

MARIE WALDRON, Republican OCCUPATION: Businessowner / Assemblymember EDUCATION AND QUALIFICATIONS:

I SUPPORT:

Hardworking families and businesses struggling every day by creating economic opportunity and jobs,

Expanding our roads and freeways to relieve traffic congestion,

Quality Education for career technical job training and success.

Proven Taxfighter: Californians are over taxed: the highest in the nation! I support the middle class who has been forgotten in our state. I oppose gas taxes and fees that directly hurt our poor and middle class.

I Mean Business: My husband and I have owned our small business for 24 years and understand the impact of burdensome government regulations and fees. Business growth means success, jobs and employment; a pathway from poverty to independence.

Education dollars must be spent in the classroom helping teachers do their job for student success – not on bureaucrats.

Proven Record: As an Escondido city councilmember for 14 years, I supported a balanced budget, water affordability and protecting individual liberties. Increased water storage capacity is critical for our prosperity as a region.

As a parent, I'm concerned about our childrens' future and safety. Endorsed by law enforcement because of my tough stance on crime, I will protect our traditional family values and our Veterans benefits, housing and healthcare.

Active over 30 years supporting many local civic organizations, Little League parent and a member of the YMCA. My husband and I work to create the successful "Cruisin' Grand" hotrod event in Escondido for 19 years. I will be honored to keep fighting for you as your State Assemblymember.

I need your vote. I am the best qualified candidate running for Riverside Community College (RCC) Board of Trustees. I am a former RCC Board member who successfully helped lead the college out of the recent terrible recession. My colleges had so much confidence in me, that they voted me secretary of the board. I represented Riverside County Supervisor Marion Ashly on the Advisory Committee for Drug and Substance Abuse. I was a University professor at Cal State San Bernardino and Cal Baptist University. I also served in the war as a Combat Medic. Educational achievements include Texas Southern Undergrad, Loma Linda school of Public Health and Loma Linda Dental school. I have ideas. RCC should form a partnership with the correctional system to train immates a realistic occupation. They should also offer classes in "Renewable Energy". Riverside Community College should have its own Broadcast station on the Radio. I Need Your Vote	EDUCATION AND QUALIFICATIONS: Community colleges are changing! We must have leaders who understand the need to prepare students for today's workforce. We must continue to expand Career Technical Education programs. We must strengthen partnerships with employers and apprentice programs to ensure that our instructional programs connect to quality jobs in our communities. My name is Tracey Vackar. I am a parent and professional educator. I have been a teacher, an administrator, adjunct college potessor, and your Moreno Valley trustee for the Riverside Community College District for the last four years. I have brought my experience in workforce development and job training to our district, and Moreno Valley College is thriving! A high-quality community college district starts with superior faculty and staff as well as effective student support programs. With this in mind, 1 will continue to listen and communicate with students, families, and the community to ensure continued improvement. I promise to protect Riverside Community College District's commitment to an "affordable and accessible education for all in the community" while always exercising responsible fiscal management. I am honored to have earned the endorsement of Riverside Community College District's instructors and staff. It would be an honor to continue service to Moreno Valley College, Riverside Community College District, students, and our community. I respectfully ask for your vote! Tracey Vackar

 "Our Kids, Our Future." I have been in education and an advocate for children for 20 years. My wife Melissa and I have lived in the Alvord Unified School District for 15 years and have two children in the school district. As a parent of children in Alvord I will work tirelessly to ensure the success of our students and the professionals that teach and support them. If elected to the school board I will serve our community and families by pledging to: Ensure that funds are allocated to support the academic success of our kids so that we will see them get into top universities, colleges and trade schools. Set high expectations of our schools to be the most excellent performing schools in our state demonstrated by awards and recognitions. Ensure that our students have access to the latest technology to prepare them for success in the 21st century. Invest time in the preparation of our schools being safe and providing the necessary counseling and mental health support to our kids and families to combat bullying and depression. Build strong community and local business relationships to help fund music and athletic programs. 	As a graduate from Norte Vista High School, Dr. Joanna Dorado is a proud product of the Alvord Unified School District. She knows first hand what a quality public education can do for our students. After receiving a full ride college scholarship and graduating with a doctorate degree in education, Dr. Dorado is more than qualified to meet the needs of our students. Dr. Dorado has the critical knowledge to evaluate the education decisions that are being made by the district. She is prepared and committed to keeping our schools safe and students competitive for the future. As a high school counselor, Dr. Dorado knows how to guide our youth to be successful in a competitive world. As a mother and homeowner, Dr. Dorado is invested in this community and will pay close attention to the programs and the curriculum that will be adopted by the district. As a product of this community, a taxpayer, an educator, and most importantly a parent who wants the best possible public education and outcome for our future: our youth of this community. Dr. Dorado makes an exceptional candidate for the Alvord Unified School District School Board. Vote Dr. Joanna Dorado, your neighbor!

ROBERT ORTIZ GARCIA OCCUPATION: Quality Assurance Manager EDUCATION AND QUALIFICATIONS:

AGE: 49

Four years ago, I promised to represent you, in decisions with the goal of benefiting all our students in Jurupa Valley. My top priority, increasing graduation rates. My own three children graduated within the district. My goal is simple and accomplished in these steps.

 Communication: Stakeholder communication and transparency

 Board members are accessible to the public and communicate as a whole, by providing clearer direction to the district of doing business.

2. Education: Focus on Science, Technology, Engineering and Mathematics (STEM) and Arts/Humanities

a. STEAM programs have been implemented across the district and are a priority. Jurupa Valley High School Innovation Center, Del Sol Academy, and Pacific Avenue Academy of Music, among others.

3. Parent Involvement: Involve parents early and build a lasting foundation

a. Parent Involvement and Community Outreach department created by offering more than a dozen programs through the district, giving parents the tools necessary for their students' success.

Through these efforts, graduation rates have increased almost 20% in the past four years. Students are more prepared for college/career and receiving a well-rounded education.

I would be honored to receive your vote, once again, to continue the important work of educating the leaders of tomorrow.

Serving the community through public education has been my lifelong passion. I am a retired school teacher with more than 30 years in public education, a longtime volunteer with the Boys & Girls Club of Menifee Valley and an active patent of three high school students at Paloma Valley. I have also served as a school board member in Menifee Union for 10 years. My desire in running for the PUHSD Board of Trustees is to continue this service to our community, students, parents, teachers and support staff.	I served in Education for 18 ½ years as a teacher, coach, assistant principal and principal at comprehensive high schools. What an honor it was to serve in those capacities. I hold a Bachelor's Degree in Special and Elementary Education and a Master's Degree in Educational Leadership with an Administrative Services credential. I have served in all capacities from athletics to Special Education and from budgeting to scheduling classes. I have served on consortiums to provide programs for all ages to enhance success.
If elected, I'll work diligently to recruit and retain highly qualified teachers, and to create more opportunities for students with rich curriculum, diverse electives, and advanced placement, career technical and vocational courses. I will ensure campus safety and security remains a top priority in our schools. As a longtime member of the campaign committee to bring another high school to Menifee, I'll work hard to ensure this school is built in a timely manner, thereby relieving the existing overcrowding at our existing schools. I will also remain an active supporter for unification of Menifee schools.	I am the Father of six children. Two of which have graduated from Paloma Valley High School and two currently attending Paloma Valley High School. I have a vested interest in the betterment of our high schools and the direction in which they are going to ensure success for our students. I am for the unification process but I will ask the difficult questions and make sure that the process is done correctly and fiscally responsibly that taxes stay low enough to not hurt individuals and families.

AGE: 46

I'm a 14-year Menifee resident and father of two boys who attend school in Menifee. My wife has been a teacher in the Menifee School District since 2006. My vocational skills include being a Firefighter and EMT in which I have served the citizens of Southern-California since 1994. My experience as a Contract Negotiations Representative gives me knowledge and experience which I can use to effectively serve as a Menifee school board member. Several changes need to occur in the Menifee Union School District. Security and the right for students to learn in a safe environment should be a number one priority. Student transportation, quality curriculum, fairly compensated teachers, and increased parent involvement are also areas I would like to improve. The need for responsible decision making, and the availability of information should be more transparent to the community than it has been, especially since it involves the future of our children. One of the best qualities of this district are the school teachers and support staff. I want to better support these individuals as they are the backbone of this school district. The Menifee Union School District NEEDS a leadership change within its school board. It's my passion to help lead this change and I seek your vote in the November election.

many ways, it has become increasingly clear that there are issues that need to be addressed. My priorities on school board are to address school safety plans and procedures (bullying, emotional-health, busing), district financial decisions (money follows the student), and special education concerns. I am a 15-year Menifee resident, parent of children who attend Menifee schools, and advocate for special needs families. I serve as a local business and community leader. I am married to a 21-year veteran, Menifee teacher. I have witnessed questionable changes over the past 5 years in the management of our schools; such as loss of curriculum and busing, deteriorating school buildings, budget cuts for teachers, lack of supplies, and loss of qualified veteran teachers. Also, Measure Q, a bond added to our property taxes, was passed to build new schools while the board approved an over \$17 million District Office building (funds which could have been used to repair existing and build new schools). It is time for a change. I propose a change in redirecting funds away from District offices and top-heavy management, and back to students' curriculum, schools, the arts, and teachers. Our children deserve the best in materials and teachers, a safe learning environment, safe transportation, and safe and maintained schools. As the only candidate with Menifee Teachers Association endorsement for Area 5, I ask for your vote that I may begin this change for the better for our families, our teachers, and our community.	As a parent of two children, I understand how busy you are, taking care of your family. I ask you for your vote to provide the best education for our children. LAW ENFORCEMENT IS CHANGING New challenges demand new technology and better education. We have <u>modernized operations</u> , combatting crime more effectively by improving communications, fielding 1,000 body worn cameras, and using high-tech tablets in patrol cars. Despite years of budget constraints, we cracked down on drug and gang activity, and <u>reduced violent crimes by 8.8% in 2017</u> . Due to prudent fiscal management, we are <u>hiring more deputies</u> , decreasing response times, and <u>expanding our jails</u> . <u>ACCOUNTABILITY MATTERS</u> My approach to the office – that <u>all who serve you must be accountable</u> – has irked union leadership, which poured over \$1 million into a campaign to replace me. I believe union bosses hope to restore "the good old days" of rampant cronyism, where some are above the law. <u>TRAINED TO SERVE</u> Riverside County deserves the most qualified person to lead one of the largest law enforcement agencies in California. I bring over 40 years of law enforcement experience across all our operations, with half that experience in senior executive positions. I graduated from UC Riverside, hold an M.A. in management, and graduated from the FBI National Executive Institute. I am a Veteran and a retired Army colonel with 30 years of service. I am against raising trash, water, waste water and electricity rates.
I would like to see a sports park built along Wilson St. as part of the Butterfield home project by Pardee Homes. The park would give Banning children and adults more and badly needed recreation opportunities. This housing project needs to be expedited as soon as possible to generate more money for the general fund and for our utilities without raising rates and taxes. Pardee should pay for all its own infrastructure improvements to Butterfield, not the current residents of Banning.
I would like to put a stop to the revolving door in our city staff by employing
well qualified professionals and allowing them to do their job without harassment or intimidation. A new city manager every six months benefits no one.

I have lived in District 5 my whole life and know the needs of this district. I am a retired Childcare worker and I am running for City Council to bring the city and the community together to put us on the same page. If we stay positive, plan ahead, and work together, we can accomplish so much. I will make myself available to the citizens of Banning and I will answer questions honestly and candidly. I will strive for a cooperative government that remembers its primary role is to serve the citizens of Banning. I promise to listen with an open mind and analyze the facts, before reaching a decision. As the representative on the City Council, I will focus on preserving our quality of live while, maintaining a balanced budget, securing jobs, supporting our schools, and reducing the blight in District 5.	I have lived in Banning for over 40 years, am married and have raised 3 children here. I have been a Sales Consultant for several decades and have served our community as Chairman of the Planning Commission as well as a member of the Stagecoach Days Committee. Over the 4 decades I've lived in Banning, there were times when I saw Banning prosper, but during the last decade our city has been in a steady decline. Our Police Department cannot afford hiring all the officers it needs to protect us. Water and electric rates have risen to truly unaffordable levels. These problems are the result of mismanagement, reckless spending and corruption on our city council. The Riverside County Grand Jury has determined that our city leaders gave away free utilities to their friends and made all of us pay for it. The Grand Jury also discovered that there were undocumented handshake agreements, used to do special favors for friends of a council member. This needs to stop. Good-old-boy politics must end and accountability must be restored. As a council member, I will always put the interest of Banning first. I am asking for your vote on November 6th.

The Electric Utility is one of the City's greatest assets. With my insight into its operations, I will help ensure that your rates remain stable and that you receive the best service possible.	
Law enforcement must be a priority. Our families should feel safe in their community and having a well-funded and well-staffed police department will help keep it that way.

MICHAEL LARA AGE: 58 OCCUPATION: Building Official EDUCATION AND QUALIFICATIONS:	LLOYD WHITE OCCUPATION: Incumbent EDUCATION AND QUALIFICATIONS:
I ran for office four years ago because I had concerns about a place I have called home my entire life, the City of Beaumont. At the start of my term, it was apparent what a mess our city was in due to poor oversight by previous elected officials.	After the voters honored me with your trust in 2014, we immediately began to uncover the City's true financial condition resulting in search warrants, arrests, convictions, and fines.
Our City had been insolvent for years, budgets were ignored, your Mello- Roos monies weren't properly accounted for and a court judgment against the City made our City eligible for bankruptcy. The past four years on the City Council, we've worked hard for you, the community members and tax payers, to resolve issues by negotiating a favorable resolution to the \$43 million judgment, returning our City to solvency, lowering Mello-Roos taxes for thousands of homeowners, and finding money to start tackling our over-crowded road system. However, I want to make sure our City follows through by fixing our road/sewer systems, building a fire station on the west side, increasing retail opportunities so citizens don't leave town to purchase necessities, completing the Potrero Overpass Project, and improving traffic around Highland Springs. I would be honored to have your vote in order to continue serving our community.	Then we successfully reached a settlement of a \$43 million judgement related to the Western Riverside Council of Governments (WRCOG), which had threatened bankrupting Beaumont. We eliminated deficit spending; replaced management, improving the quality and efficiency of civic operations. We lowered Mello-Roos (CFD) payments by over \$4 million, ending unnecessary expenses for more than 80% of homeowners in M-R developments. Settling the WRCOG lawsuit resulted in sales tax dollars for road repairs and we established Beaumont's first-ever street maintenance team. We've launched an aggressive plan to repair the city's major thoroughfares. Beaumont's future is the brightest it's been in years. We now have an honest, stable government which is attracting new businesses, and generating local jobs. We've assembled an outstanding leadership team and staff. There is still much work left to repair the damage done over past decades. I am asking you, my neighbors, to grant me the privilege of continuing to serve our community, and finish what voters started four years ago.

VICTOR ALCANTARA AGE: 41 OCCUPATION: Business Owner EDUCATION AND QUALIFICATIONS:	JOSIE GONZALEZ AGE: 54 OCCUPATION: Social Worker EDUCATION AND QUALIFICATIONS:
l believe in Coachella's future.	My name is Josie Gonzalez. I was born and raised in Coachella. I'm on this ballot requesting to represent you on the Coachella City Council.
I'm running for City Council so that I can contribute more fully to the growth, vitality and quality of life in our community. For the past five years, I have been very active with the young people of Coachella in my capacity as a Soccer coach. I believe the youth of Coachella are the future leaders of our community. I pledge to work every day to ensure that our City's development is thoughtful, well planned, and in the best interest of all Coachella residents, especially our young people and seniors. My platform is straightforward. I support increased law enforcement and public safety, a balanced City budget and long-term planning in all City endeavors. Coachella is on the brink of a new era of expansion and diversity. We need City Councilmembers who thoughtfully consider all opinions and strategies and then aggressively pursue the implementation of those plans. With your support and vote, that is what I will do. If we have not yet met, please contact me at (760) 609-2084 or at Victor4CoachellaCityCouncil.com. I look forward to hearing from you.	 I've dedicated my life to public service. For 10 years, I worked in legal services advocating for those in need of defending. For the last 20 years, I have worked in social services providing resources to families and keeping children safe. Our city is growing. Every day, new projects are being introduced and others realized. Open space and agriculture fields are being converted to new residential communities, commercial developments and resort projects. It's crucial that our elected officials consider the environmental impacts and the social consequences on such growth. As your elected official, I will work to ensure that our local people participate and benefit from this change. I value the importance of a healthy and clean community. However, code enforcement laws should never result in displacing our families from their homes. I will always stand for the hardworking families of Coachella. I will always defend those that can least defend themselves - our children and our seniors. Thank you all for your consideration and support. I would be honored to gain your vote.

JIM STEINER AGE: 53 OCCUPATION: Retired Fire Captain EDUCATION AND QUALIFICATIONS:	
For 30 years, my wife Beth and I have made Corona our home, raising our three children here. I've made protecting our city my life's work as a Captain in the Corona Fire Department where my focus has been on solving problems, sometimes when seconds count. I was honored as Firefighter of the Year twice and in 2014 the Corona Chamber of Commerce named me Citizen of the Year for my dedication to children with special needs.	
Now retired, I'm prepared to devote my energies to protect our quality of life by serving on the city council. My grass roots campaign has a broad base of support that recognizes my experience, leadership ability, community involvement and commitment to accountability. I will be fair, listen to all viewpoints and thoroughly analyze issues before making common sense decisions that serve taxpayers, not special interests.	
Corona faces many challenges: significant growth, traffic congestion, real estate development, downtown revitalization, homelessness and keeping our budget in line. I value teamwork and will set priorities to address immediate problems and develop strategies for longer term issues, rejecting a business as usual approach.	
I would appreciate your vote.

CANDIDATE STATEMENT FOR
MAYOR, CITY OF DESERT HOT SPRINGS
SCOTT MATAS OCCUPATION: Incumbent EDUCATION AND QUALIFICATIONS:
Scott Matas for Mayor is the choice for experience, integrity, and leadership.
As your Mayor, Scott has stabilized the city council with a fair and professionally ran meeting, supported the budgeting process to keep a financially healthy city, created jobs, and helped enhance the image of Desert Hot Springs.
Scott spent 20 years volunteering as a firefighter, and worked hand and hand with the police department. This experience has strengthened his support for public safety helping to reduce crime and putting fire services as a priority. He has recognized fire services need to be expanded in the next 2 years to meet the needs of our community.
Scotts' dedication to enhancing youth programs is shown by his 15+ years as a Little League coach, umpire, and board member, and his continued support for all of the schools with donations to sports programs, choir programs, and supporting our local teachers with charitable donations and recognition.
Senior programs have been enhanced, along with quality of life programs, and senior assistance in the past 2 years as your Mayor.
Scott is dedicated to a safe, clean, and professional city. Re-Electing Scott Matas for Mayor will strengthen Desert Hot Springs for another 2 years.

Hello, my name is Chris Hook. I've lived in Eastvale for 12 years with my son, Wyatt. I own Hook Security and volunteer security for our schools most days of the week. I've dedicated and devoted myself to making the community a better place for all residents in the City of Eastvale. I was a former member of Eastvale's Public Safety Commission for 2 years, serving as Vice Chairman and Chairman. I've also volunteered at many city events.	
Public safety is my number one priority. The City of Eastvale residents deserve a safe place to live. Eastvale has become target for thieves and I'm here to do something about that. Throughout my line of work in security within the City of Eastvale. I've obtained experience and knowledge to implement a strategy that our City needs for an increased level of protection and safety.	
My goal is to work on increasing the budget for a more effective policing of our city. Also, an increase of traffic officers around our schools especially at drop-off and pick-up times. Crossing guards are also needed at a number of intersections around our schools.	
Together and with your vote, we can guard this City we all call Home.

We are a city on the rise. Eastvale is in need of a distinct economic engine rooted in local small businesses; adequate funding for public safety; and our own library. By having more dining options and small businesses, residents can shop and dine locally, allowing us to invest our hard-earned tax dollars in our own city. As an advocate for public safety, I have volunteered to serve as a neighborhood watch captain, ensuring the safety of our families. Committed to enhancing the quality of life of our residents. I have initiated the process of implementing Friends of the Library in Eastvale to provide additional revenue for our own library. As a public servant, I have helped seniors and families navigate and access the complexities of our government. I have also provided support to small businesses and nonprofit organizations in obtaining additional funding and federal grants. I am pursuing my master's degree in government at Harvard Extension. As a Christian mother of four, and grandmother, I want my family to live in a safe, family friendly, and thriving community. As a resident of Hemet for 31 years, I have grown to appreciate the beauty of this community. However, I will do this. I will listen, and I will collaborate to make those changes. I have dedicated myself to solutions for the homeless crisis in our city. I am the founder of Project Hope II, a 501c3 homeless outreach ministry, co-founder of the Homeless Outreach Team endorsed by the City of Hemet, and for 2; years I served on the City of Hemet Schoreston and the professionally. I have been a Residential Manager for 31 years, where I have predominantly worked with senior communities to promote a safe, and inviting environment.	The presence of antagonistic panhandlers and criminal vagrants discourages customers from shopping and contributes to declining business. This is unacceptable! With community support represented by passage of Measure U, Hernet is fighting back to become a cleaner, safer city again. These funds are helping rebuild and fully staff our Police and Fire Departments. We are on the right track, but much work is needed. We must grow our economy with jobs and new retail. These are among my top priorities. I oppose the Caltrans plan to insert a seven-mile raised center median down Florida Avenue. It is not the answer to enhance traffic safety and will instead impede public safety response times. I am a retired Police Captain with a strong history of community service through Red Cross, Kiwanis, VFW, American Legion, PTA and youth sports. My wife of 43 years, and I moved to Hemet to 2006. I am President of Four Seasons HOA, and I was appointed to fill a City Council vacancy February, 2017. I am a retired 21-year USMC enlisted-to-officer with 12 years of private- sector business experience as a production supervisor, utility-equipment branch manager, defense contractor, independent contractor, training and development specialist, and currently a 7-year adjunct professor of leadership and organizational behavior.	This election is about Public Safety and Hemet's Survival. I was part of the majority vote of the Hemet City Council to maintain strong, locally controlled Public Safety Services. With the passage of Measure U it is critical that the promise of the Council to use Measure U funds only for Police and Fire be kept.
I earned an MA in Management and MBA from the University of Redlands, a BS in Workforce Education and Development from SIU, and a certificate in plant-based nutrition from Cornell University.	We must continue to build on what we have achieved - 22% reduction in violent crime, 16 additional police personnel, paramedic staffing at all fire stations and the provision of important safety services demanded by the public.
I have lived and traveled throughout the US and globally, which has opened my mind and provided me with many diverse perspectives and insights. As a 12-year Hemet resident, I have not witnessed significant or compelling economic, social, or reputational progress and I believe my talent for solving problems and leading change, through my ability to listen actively, lead with trust and humility, and challenge the status quo through healthy debate, will help provide an inspiring vision, increased economic, social, and cultural prosperity, and improved safety, services, and infrastructure to the City of Hemet. Indeed, together we can accomplish amazing things and polish our wonderful diamond in the valley. Please vote for Doug Arent on Election Day, Tuesday, November 6, 2018	I am a retired business owner and Financial Manager who understands the importance of a vibrant economic development plan to provide jobs and shopping opportunities. I will continue to recruit companies like Forest River, Hobby Lobby, Tractor Supply, Les Schwab Tire, Horizon Solar Power, Sizzler Restaurant, Jimmy John's, Circle K, and Tommy's Carwash. We must take control and ownership of Florida Avenue and not allow Caltrans to install a median divider which will seriously harm our business community. Promises Made MUST be Promises Kept. With your vote I will continue to do just that.

 OCCUPATION: Incumbent EDUCATION AND QUALIFICATIONS: It has been my honor and privilege to serve on the Indian Wells City Council for the past 3½ years, including one year as Mayor Pro Tem and one year as Mayor. In addition, I served as Chairman and/or Vice Chairman of important regional organizations such as the Riverside County Transportation Commission ("RCTC"), the Riverside County Division of the League of California Cities and the Coachella Valley Association of Governments ("CVAG"). I am proud of what the Council and I have accomplished, as a team with city staff, including the following: <u>FINANCIALLY SOUND</u>: Last fiscal year Indian Wells had a General Fund budget surplus of about \$3,000,000. In addition, according to State Senator John Moorlach, our unrestricted net cash position places us as #4 among all the cities in California for fiscal soundness; and, if you only count cities with populations over 5,000, we are #1! <u>PUBLIC SAFETY</u>: Public Safety has always been the City's top priority. Despite ever-increasing costs, we have maintained our outstanding fire, police and paramedic services. We are currently retrofitting our Indian Wells fire station to ensure rapid response times for many years to come. <u>ECONOMIC DEVELOPMENT</u>: Our Economic Development program is strong. We approved a new hotel and condominum complex at the corner of Miles and Hwy 111 and developers will soon break ground for 18 new homes on Warner Trail. <u>RESIDENT AMENITIES</u>: The City offers our residents unparalleled amentities such as side or back yard garbage pickup (no unsightly trash cans in the street), 24/7 emergency ambulance services, underground utilities, free tickets to the BNP Paribas Open Tennis Tournament and the Desert Town Hall series, discounted spa, dosd and non-alcoholic beverages at our fabulous resort hotels, discounted golf, resident appreciation nights at The Vue, Wild Lights at the L	OCCUPATION: Executive EDUCATION AND QUALIFICATIONS: I was elected to the Indian Wells City Council in 2014 and I'm seeking reelection. During my four-year tenure on the City Council much has been accomplished. The Indian Wells Golf Resort went from deficit earnings to positive earnings wiping out years of losses. The financial policies were overhauled and streamlined to improve transparency and communication. Studies were conducted on land uses resulting in the sale of the Warner trail property to a private developer who is building 18 new homes to fit in with the Warner Trail neighborhood, the sale of land to the Tennis Gardens which included the extension of our sponsorship commitment and resident ticket availability. The City successfully paid off its unfunded pension liability saving millions of dollars going forward. The City Council has worked very well together to increase the surplus in the general fund. Many challenges still face the city such as rising public safety cost, limited revenue growth going forward, challenging retail market and a no growth golf market. There are of course other issues such as short term rental regulations and enforcement, noise and traffic issues to name a few. I have 45 years of business experience, an accounting degree and MBA. Proud parents and grandparents (17!), my wife Gina and I have lived in District 2 for 13 years. I love the City of Indio and the people that live here.
Indio is the largest City in the Coachella Valley with nearly 100,000 residents and a budget of \$173 Million. Experience matters in the
governance of our City. My 22 years as a Firefighter for Cal Fire and 21 year service as a Councilmember has given me unique expertise and makes me the most gualified to represent you in District 2.
As the President of the Riverside County Division of the League of California Cities, Chairman of the East Valley Coalition and Chairman of
the Coachella Valley Association of Governments, I bring regional focus to the challenges and opportunities facing Indio.
My priorities include increasing Public Safety, new Economic Development that creates jobs and higher wages, Transportation and Infrastructure
repair and replacement, and improving the Quality of Life for all residents. I ask for your Vote for re-election on Nov. 6, 2018.

We completed a multiyear process leading to approval of our <u>Jurupa Valley</u> <u>General Plan</u> guiding us through the next decade. We established our ongoing community-driven <u>Healthy Jurupa Valley</u> <u>Initiative</u> focusing on quality of life issues bringing opportunities to our residents.	I've been community oriented wherever I've lived ever since I was a student at a rural boarding school. While I was a graduate student at UC Irvine, I helped organize and run the Associated Graduate Students. I participated in developing policies that were followed at UC Irvine for years.
Our future is bright as we prioritize good economic development and work toward securing a higher level of public safety as we continue to treasure our rural, animal-keeping lifestyle.	I lived in Irvine for 13 years. I was elected annually as the president of my homeowners association for a dozen years. The community liked me, because I listened to them, treated them well, and made sure that the community was run to their benefit.
Diversity of culture, lifestyle and topography create our unique and beautiful city. Our residents, our city's most precious resource, give back through volunteering, service and coming together to help others. This all combines to make Jurupa Valley a great place to live and raise a family.	I organized and ran a citizens group to work with the Irvine Company while they developed the sector of Irvine around us. We met monthly for 3 years and ended up with a plan that was in the best interests of us residents as a result.

As your Councilmember, I have been providing proactive leadership for La Quinta. My wife Charlotte and I are very active in our community. As parents of an energetic nine year old son, we feel a responsibility to protect our city for generations to come with thoughtful, well-planned growth. My number one priority is to continue to promote a safe and vibrant community. I hold a Master of Business Administration from Pepperdine University and a Ph.D. in Organizational Leadership from The Chicago School. As a businessman, and as a business educator, I believe in streamlining government processes and regulations to lessen the burden impacting both business owners and employees. Further, I'm a strong proponent of giving our law enforcement and public safety professionals the support and resources they need to protect our community. I strongly believe that a safe city is a prosperous city. I'm a common sense fiscally responsible businessman who gets things done. I pledge to continue working for all residents of La Quinta, not just a select few. Given my professional background, I will continue to provide the necessary leadership to turn challenges into opportunities. I respectfully ask for your vote on November 6th. Thank you. <u>Radi4LaQuinta@gmail.com</u>	My name is John Peña. It has been my honor to serve you the past four years as your city council representative and previously as your Mayor. I pledged four years ago to use my experience, education and my ability to listen and communicate to insure our city was responsible. We have an award-winning transparent finance department and I have been fiscally responsible with your tax dollars. Our city has a historically low crime rate and public safety remains a top priority. Our neighbors are more connected to the city because of our commitment to consistent communication, social media and meaningful civic engagement. The city council encourages citizen participation in our planning, finances and community services. I'm proud to say that we have a City Council that works well together, and La Quinta is one of the finest cities in the Coachella Valley. I have listened to your concerns and communicated with our business community to help make dealing with city hall easier. I am a life-long desert resident and have a passion for maintaining the quality of life we enjoy. I ask for your support, in electing me, John Peña to the La Quinta City Council.

MATTHEW LIESEMEYER **OCCUPATION:** Incumbant **EDUCATION AND QUALIFICATIONS:**

Having been the District 2 City Council Representative over the past 4 years, working with my Council Colleagues, much has been accomplished for our City. I would be honored to have your support, so that I may continue to achieve the goals I've established: Increased Public Safety Expanded Infrastructure and Economic Growth. Of course, none of this would be possible for me without the strong support of my wonderful wife and daughter.

My strong record as your District 2 Councilman reflects my commitment to my core values and principles that continue to make Menifee a strong community. As your representative I will continue to support and provide:

- Transparent City Government
- · Increased Public Safety
- · Greater Amenities & Resources for Residents
- Improved Roads and Infrastructure
- Preservation of the Rural lifestyle

Several goals I'd like to implement for continued growth, making Menifee one of the most desirable Cities in Southwest Riverside County. I am committed to identifying, proposing and implementing policies that continue to increase our job base and providing a more stable tax base so that the City can provide high quality services.

It would be a privilege to continue serving you.

Please vote for me, Matt Liesemeyer on November 6th.

Respectfully, Ulises Cabrera <u>www.cabreraforcouncil.com</u>	As a lifelong Inland Empire resident; I grew up in the neighboring city of Riverside and have lived in Moreno Valley for over the last decade. Serving this community as a Social Worker has been one of my greatest honors, which has provided me with a unique experience. I have fostered relationships within the community and I promise to advocate on behalf of the residents to address the issues in our community. I will advocate for the continued investment in our community through youth and senior programs. As well as better economic opportunities that will invest in our community and create jobs. I will continue to address the problem of homelessness in our city. I will keep an open-door policy where all residents will be able to discuss their concerns and ideas. Every resident deserves to have a voice and be heard. Let me be that voice by voting for Cheylynda Barnard for City Council.

HARRY RAMOS OCCUPATION: Small Business Owner EDUCATION AND QUALIFICATIONS:

I am running to streamline the process for new businesses in the city, fight the rising crime, and to address the increased homeless population within our community.

I am a proud veteran who joined the military after 9/11 as a United States Marine Intelligence Analyst. During this time, I served in both Operations Desert Shield and Desert Storm. I am a small business owner, married and father to five wonderful children.

During my time as Mayor in Murrieta, I fought to balance the budget without tapping into reserves, vehemently opposed raising fees and taxes, and Murrieta was one of the top ten safest cities in the nation throughout my time in office.

I am humbly asking for your support and vote. For more information about myself and my platform, please visit me at harryramos.com.

RYAN HAGGERTY OCCUPATION: Business Owner / Producer EDUCATION AND QUALIFICATIONS:

When presented the question of why the City of Murrieta should vote for me, I was thrilled to be given the opportunity to not only provide voters with how I've been looking ahead to the change I can potentially implement, but to speak on behalf of myself and all that I have done for the city that has been dubbed the future of Southern California. Over the course of the time I have spent being a small business owner in Murrieta, I have had some amazing chances to integrate myself not only into the community, but into the lives of the people and families that it consists of.

Over nine years of owning Ryan's Comics, we have managed to donate over a quarter of a million books to the community, sparking new interest in young minds and I'm hoping to use my influence to remind kids that just how important reading really is. Not only that, but Ryan's Comics has also donated comic books to the Murrieta Public Library, grabbing the interests of children and showing them that their imagination is our future. In the realm of cultivating creative energy and potential, I have also created a platform for over a hundred artists local to the Inland Empire, providing a venue to showcase their art.

I created monthly art shows, providing a place for artists to showcase their work and interact directly with those who were interested in commissioning them for special pieces, who wanted to buy their work, and simply fans who were interested in supporting them. It caused an influx amongst those in the community who had wanted to get involved in the art scene, but who didn't know how. From it stemmed the free art lessons offered at Ryan's Comics, encouraging kids to stop by and learn how to draw and paint from those same professional artists.

Why should you vote for me? Not only have I provided the community with a place for them to expand and cultivate their creative potential, I have created a group within that community that recognizes the importance of change and innovation. Murrieta is the future of Southern California-- and if you vote for me, I can be the future of Murrieta.

JOSH KNIGHT AGE: 41	CHRISTI WHITE
OCCUPATION: County of Riverside Deputy Public Defender	OCCUPATION: Businesswoman / Murrieta Commissioner
EDUCATION AND QUALIFICATIONS:	EDUCATION AND QUALIFICATIONS:
My name is Josh Knight and I am running for Murrieta City Council.	As I listen to my neighbors and in District 2, there is a consistent message.
Murrieta has been my home for 10 years.	Even with our continued population growth, Murrieta's citizens want:
 I have always been interested in local politics, giving back to the community and making Murrieta enjoyable for residents and attractive to businesses. Over the past decade, I have attended several council meetings and have successfully advocated on behalf of my neighbors and family. As a coach for Murrieta Youth Soccer League and the father of three girls, I have become familiar with Murrieta's children and parents. Each day I try to make Murrieta a better place to call home and model the way I want my children to treat our community by picking up trash in the neighborhood, and doing little things to make sure our hiking trails and beautiful parks can be enjoyed by everyone. I want to share my love for Murrieta by serving the community at large. I believe I have what it takes to represent our district successfully. I have devoted my career to public service and advocacy, serving as a Deputy Public Defender since 2005, first in Kern County and currently, in Riverside County. While in law school at the University of Oregon, I was Co-Director of the Native American Law Students Association and worked with student government to bring the Navajo Supreme Court to our school. My fondness and appreciation of local politics continued to develop when I worked for the Santa Cruz County Elections Department, where I had the privilege of overseeing voting precincts. I also have expertise on what attracts businesses to a region, from my experience with the United States Embassy in Berlin helping American businesses get a foothold in the German economy. Based on my experience, I am confident that I can serve the people of District 2 with honor. Every day, whether at work, walking my dog, or on the soccer field, I interact with members of our community to address their concerns, evaluating situations to provide solutions for pressing problems. My legal background, coupled with my love for the community and desire to make Murrieta a great place to live and work, make me an ideal candidate. I	a safe city with excellent response times, officials who will fight for funding to improve our highways and local roads to reduce traffic congestion, and, a strong economic development plan that continues to attract new businesses to our City. I am running for City Council because I am passionate about my home and my fellow citizens in Murrieta. Murrieta faces big challenges ahead. With both private and public sector experience, let me put my talents and tenacity to good use to improve and protect our community. I believe in limited government. My sincere desire is to contribute to Murrieta's citizens as a local area public servant. I know what it means to live within a budget and make wise decisions using common sense, 25 years of business experience, and conservative principles. As your District 2 City Councilmember, with your support, we will work together to build on the wonderful foundation that exists now. We must support our Murrieta Police and our Murrieta Fire and Rescue Departments. I will continue the fight to make public safety a top priority and ensure our police and fire have the resources necessary to keep our neighborhoods safe. Join me in working towards building a bright future and an excellent quality of life in Murrieta. I would be honored to earn your vote and humbly ask for your support. SCOTT R VINTON OCCUPATION: Civil Engineer EDUCATION AND QUALIFICATIONS:

Protecting Murrieta's future has never been more important. Murrieta is one of the premier and safest cities in the state, and we must keep it that way by continuing to build on that success. Public Safety, Fiscal Responsibility, Local Jobs, Responsible Development, and Parks/Open Space will be my top priorities.

Our beautiful city has been the recipient of multiple awards that highlight our quality of life and is recognized as a leader in job creation and retention. It will only continue in that way with strong leadership and community involvement. As your council member, I intend to bring enthusiasm and be a positive influence for our city.

I am a 16-year resident of Murrieta, family man, civil engineer, former city commissioner, community volunteer, and board member of a non-profit organization serving our valley. I have a myriad of experience and expertise in areas of public safety, land use, infrastructure planning, and public trust.

I want to hear your concerns. I will serve and represent YOU with integrity, accountability, and transparency.

My name is Scott Vinton. I am dedicated and committed to working with the residents, City staff, public safety representatives, and the rest of the Council Members to keep Murrieta a great place to grow. I appreciate your vote and look forward to serving as Council Member of the 5th District.

ROB KOZIELAGE: 65OCCUPATION:Contractor / Restaurant OwnerEDUCATION AND QUALIFICATIONS:	GREG NEWTON OCCUPATION: City Council Member EDUCATION AND QUALIFICATIONS:
At it's best, Norco was a great City! We had the July 4 th Jamboree, Christmas tree-lighting ceremony, Mayor's Prayer Breakfast, our own Fire Department, City Hall worked Mon-Fri, No three-minute speaking rule at Council meetings, the plunge swimming pool was open, horse riding stables at the river for visitors, 5-acre minimum lot size in the hills, built a gas station and restaurant in less than 30 days, no street lights on 6 th street, operated City budget in the black, large amount of reserve monies, and NO new taxes. Unfortunately, all this and more are gone now! The majority of Council was business people and now it's not. Ask yourself are you better off now than you were 20 years ago? Common sense will tell you NO! It's time to drain the swamp! It's time to take Norco back. I was on the Norco city council and the mayor 20 years ago. We treated people right and with respect. You don't see that from all the city staff now, staff does exactly what the city council allows. I am a business owner in Norco we need to operate the city as a business and that means NO NEW TAXES.	 Serving on City Council is a responsibility that requires significant time, energy, effort and commitment to properly represent Norco residents. Throughout my first term as your City Council Member, nine years as a Planning Commissioner, and over 15 years as a volunteer, I believe I have demonstrated my dedication to the community. During my tenure, I have acquired the necessary experience and knowledge to effectively navigate through bureaucratic processes in order to make positive change and serve the residents. I am a qualified, experienced, and proven leader. As a construction project manager, I tactfully manage multi-million dollar budgets, and I will continue to exhibit that same business sense in my role as your City Council Member. I will continue to diligently audit City expenses, ask important questions and seek proper answers. I will continue to prioritize public safety, advocate for senior programs and services, support community outreach initiatives, restore and maintain infrastructure, and strengthen economic development strategies so that local businesses can thrive. I will continue to be a champion for the community, and I will continue to protect the City of Norco's unique animal-keeping lifestyle. Thank you for your support. I am running for City Council to bring this town back. Since early 2000s this town has slowly lost its feel. I see so much potential in many departments in the city. We need this town to come together and thrive. I have had the pleasure to first come to Norco with Rich and Kathy who owned a miniature horse ranch. I lived with them while working and going to school full time. My grandma and grandpa raised my mom and aunt here as well. I now get to share this with my beautiful daughters which are nine and two. My daughters are my driving force and would love to show them what this town is about. I believe there is a lot of work to be done to make this town amazing once again. Anything is possible especially with the community we have here. I want to protect the Rural and Equestrian lifestyle, the public safety, and create the best solutions for development. I don't think raising taxes is the fix to all the problems going on. I want to work on the permit process and new businesses getting licenses. In 2013, a committee of over 100 residents and stakeholders met for nearly a year, and defined what the City of Palm Desert will look like in 20 years. The City embraced that "Vision," which is now incorporated into our General Plan.	I hold a Bachelor's degree and a Master of Public Administration degree. I have over seven years professional staff experience in local government; working in the areas of economic development, environmental planning and grant management.
 These are some of the major goals: The highest level of public safety possible. A robust and diversified economy. A new, vibrant downtown city core. A range of housing that is attractive and affordable. Excellence in education, from preschool to post-graduate. Parks, open space, and recreational opportunities. We are now at the early stages of implementation. To achieve these goals, it is critical that we have leadership in place that can turn the Vision into reality. I have the insight, the skills, and the enthusiasm that will help us achieve these goals. 	I would like to develop and implement programs in economic development, community building and ethics. The goal of my economic development efforts is continue to work with the universities to expand programs and perhaps develop research centers that would assist in attracting businesses and diversifying the economy in the valley. I also would like to start the redevelopment of the Hwy 111 corridor. The goal of community building is to use technology to engage the citizens and to give them the opportunity to actively participate in the public policy- making process. The end-result would be a conveyance of ownership in the city. The goal of an ethics program is to ensure that the city council and staff do not continue to violate ordinances in the administration of the city. Through
these goals, including over 30 years of service on City committees, commissions, and most recently, the City Council. I know how to get things done. This experience, coupled with my financial background as a CPA, makes me uniquely qualified to navigate our City forward, towards a bright future. As special as our City is, together, we can make it even more amazing. BRIAN DALE REASER AGE: 64 EDUCATION AND QUALIFICATIONS:	JOEL LOPEZ AGE: 32 OCCUPATION: Business Owner EDUCATION AND QUALIFICATIONS:
I graduated from SJHS 1972, attended MSJC 2 years, and one year at BYU in Utah. I bring a historical overview of the City of San Jacinto, its direction and impact on the lives of it citizens, that very few have. To this end I will exert all my energy in making the City of San Jacinto a better place to live and raise our families.	Many of the issues facing our city are symptoms of greater disease: The mismanagment of this city by a chosen, priviliged few, who have always been and will not only address these symptoms. I will rid the city of the disease itself and ensure that this great city is mismanaged no longer.
	As the owner of a small business and concerned citizen, I belive my critical thinking skills, record of fiscal responsibility, ability to accurately manage projects within a budget, accountability to the public, and penchant for working with others under a common goal will help adress the key issues San Jacinto must resolve to become the great city it should be to its citizens.
	If elected, I will address the following: the housing crisis, homelesness, the economy, public safety, hope for our youth, street lighting, and our quality of life.
	My plan addresses these issues with detailed, data driven solutions, as opposed to nebulous platitudes and political cliches. Demand more

As a Councilmember since 2010, I have worked to build up San Jacinto and create community for our residents. I have been Mayor one time and Mayor pro-tem two times during my 8 years on the City Council. I have worked hard to stabilize the City during our down economic times. I have been chairman of the Riverside Transit Agency and have brought additional bus routes and stops into our community. I have been part of the economic development team that is working to bring in new businesses to provide places to shop. Aldi, Starbucks, Sonic, Mason Jar Ranch Bistro and some small businesses are all new businesses that I worked on approving. The City needs more places like this to shop and things to do and I am working to do that. I have recommended and voted to fix more sidewalks and pave more streets and fix infrastructure. I voted to increase our police and our code enforcement team to help clean up our community and keep us safe. Please vote for me in November to keep improving San Jacinto and keep it safe for all of our residents. I always vote for a better San Jacinto.	CONTINUED ON NEXT PAGE

I started a non-profit organization to assist veterans and first responders that were suffering from PTSD and other job-related stressors. I earned a Master of Social Work from the University of Southern California, becoming a Municipal Consultant that works with our city's homeless population.	Your vote counts more than ever! Temecula's reputation as a safe city, with good schools and a small community feel, are reasons why families move here. Success did not just happen; it was initiated during incorporation and will continue when you vote Michael "Kaizen" McCracken, through seasoned leadership, documented record of success and a decade serving Temecula. It is not work when you love what you do! Council member confidence in my leadership abilities was validated when four out of four seated Council members selected me to fill the vacant Council member seat over 24 highly competitive candidates.
I'm a husband and father with three children currently in the Temecula School District. I'm the President and coach of our community's non-profit roller hockey league.	As your neighbor, former Commissioner and Council member, I am honored to be included in Temecula's success stories; as a family man, 24-year military service member and small business owner, I am vested in Temecula's future!
I'm running for City Council to serve you! We are a commuter city; most of us, myself included, have to suffer 'Traffecula' but I have a plan that will cut down on your commute.	Priorities:
Our veterans deserve to be better served. Our proximity to military installations creates a large, unserved, and unrepresented military population. I desire	Public safety, fiscal responsibility, family-focused, community-centered, and business-friendly city

Temecula is a wonderful place to live, work, and raise a family. That was true when our family moved here in 1988. It is true today, and we must ensure it is true tomorrow. As your city council member and past mayor, I'm proud of the safe, beautiful, and vibrant city Temecula is today.	
Through meticulous planning, Temecula maintains a balanced budget with a healthy emergency reserve. We must continue to plan wisely and spend responsibly with full transparency.	
As Temecula matures, public safety must continue to be our highest priority with zero tolerance for crime, gangs and graffiti. Exceptional schools and excellent amenities like our two libraries, community theater, 41 beautiful parks, and our high quality of life will continue to attract outstanding employers that create local jobs. Temecula's new Mt. San Jacinto College campus, expanded Temecula Valley Hospital, the completed Butterfield Stage Road and the new Temecula Parkway Interchange will meet the needs of our thriving community.	
As your current council member I share your pride in our beautiful city built on personal responsibility and entrepreneurship. Temecula is a very special place and I would be honored to represent you for another term on the city council.

CITY OF WILDOMAR, DISTRICT 1
BEN J. BENOIT AGE: 38
OCCUPATION: Mayor / Businessman EDUCATION AND QUALIFICATIONS:
Thank you for trusting me to serve you on our City Council over the past eight years. In that time we have accomplished much together, including:
•Controlling spending at City Hall.
•Securing funding for vital infrastructure projects, such as the Bundy Canyon improvements that will be coming soon.
•Keeping tax dollars local by restoring our Vehicle License Fee revenue, which the State had taken away.
If re-elected, I will continue to focus on the issues most critical to preserving our quality of life:
FISCAL LEADERSHIP
I remain committed to maintaining a balanced budget, keeping spending in check, not taking on unnecessary debt, and investing prudently in the projects, improvements, and services that residents expect.
RESPONSIBLE GROWTH
To prosper as a community, we must have a business-friendly environment that encourages economic growth. We must also be smart about how we grow, being careful to protect the unique rural nature of our community.
PUBLIC SAFETY
Public safety is local government's top priority. We have stepped-up our investment in public safety, and I will continue to work hard to ensure that Wildomar remains a safe place to live.
I would be honored to continue serving you.

We have raised our three children and now have 2 new grandchildren living in our community. We plan on retiring here as well. I've watched Wildomar grow, and strongly support the goals of the current city council and the policies it has put in place to help our community grow in the right direction. The city's best interests have been my top priority in all city business, activities, and policy decisions. I support healthy growth in our city, and at the same time I looked forward to keeping our small-town-feel which is loved by so many people who live here. We need to keep encouraging business development which will help our property values increase while also maintaining a clean, healthy community. I believe my common sense conservative approach has helped promote a healthier, more prosperous community. I have worked closely with our city staff, and I know they truly love our community and want the best for us all. Thank you for your consideration. Timothy Walker	 My wife Grace and I have lived in Wildomar since buying a home in Windsong Valley in 2001; we love our community. We've watched the area go from county to a city, and from about 15,000 people to more than 35,000. Our children went to the local schools. Once the kids were out of the house, we became more active in the community. I've attended nearly every city meeting during the last five years. I'm looking to help our city improve in a few areas that need attention. KEY ISSUES INCLUDE Strengthen code enforcement, making the city safer and a source of pride. Preserving natural open space is a must. At the same time, well-planned development is necessary too. Balancing the two will be my mission. I'll go out and physically look at any project in person before casting any votes. Hold quarterly town hall meetings, which will be opened to all residents of the city. Kenneth McLaughlin has over 18 years experience as a director overseeing the water quality, parks, sewer, and district budgets. Representing the people within the Jurupa Community Services District, Ken has developed a wealth of knowledge and experience in water district services. A lifelong resident and anchor in the community, Ken values his historical knowledge of the area while welcoming the innovation of new technologies to support our community. As an experienced director of public works, Ken brings his daily involvement in major public works projects to the board of directors. Ken has always been an individual who listens to the voice of the people from all parts of the community and cares about the areas' needs. His service quality, customer service and safety mindset began in his early career as a Glen Avon volunteer firefighter and general foreman with the facilities, construction and engineering division at Disneyland. Ken holds a bachelor's degree in business administration and continues his education through the Association of California Water Agencies (ACWA) in the areas of water management and budget & finance. Ken asks for your vote so our community can continue its progress in the areas of water conservation and park and recreation programs.	Friends, Neighbors, Consumers and Fellow Taxpayers: I am asking for your vote to represent you on the Jurupa Community Services District (JCSD) Board of Directors. I was raised in the Jurupa Valley. I retired from JCSD in 2015 after almost 30 years of service. During my time at JCSD I earned my way through the ranks, from a landscaper to Water Operations and Facilities Manager. Currently, I work with the Chino Basin Desalter Authority, an agency responsible for treating contaminated groundwater, producing high-quality drinking water from an otherwise lost resource. I wholly embrace a culture of true public service; as board members, we are here to work for YOU, the community, for which we are entrusted with your hard-earned dollars to provide community services and safe, reliable water. As your representative, I will always strive to balance the needs of today's and future ratepayers. Through collaboration and cooperation with other local agencies, we will continue to develop and grow the relationships to serve the needs of the communities within JCSD's services area. I have what it takes to ensure your water is secured, the environment is protected, and your dollars spent responsibly. Thank you for your trust and the honor to serve you.

CANDIDATE STATEMENT FOR DIRECTOR, DESERT HEALTHCARE DISTRICT, ZONE 4

SHELLEY KAPLAN EDUCATION AND QUALIFICATIONS:

As a Council Member for Cathedral City and Treasurer of the Cathedral City Senior Center I am acutely aware of need for quality, equitable and accessible health services in the valley. We face a shortage of physicians, specialists and nurses. We need better wellness education programs, support for healthy eating programs, and additional facilities for easier access to health services critical to our population. Recent survey information shows the need for expanded pediatric services, improved health insurance coverage, better access to hospitals and clinics, dental coverage and expanded mental health services. The Desert Health Care District's mission is to connect Coachella Valley residents to health and wellness services and programs through resources and philanthropy, health facilities, information and community education, and public policy. I believe that I can help the Board achieve this vision and improve the availability of quality health services to our residents.

I have attended the monthly district and hospital board meetings for more than a year, and I have a family member who has twice been a patient of the hospital, so I am fully aware of the challenges and opportunities facing our hospital. Healthcare has been my profession for more than 23 years including strategic growth balanced with strong financial performance. My experience spans business operations of physician groups and hospitals collaborating to overcome the challenges of affiliations, growth and adopting new technologies while achieving financial strength in the face of changing regulations and insurance. I hold a bachelor's degree of Industrial Engineering from Cal Poly, Pomona and an MBA from the University of Illinois, both with honors. San Gorgonio Memorial Hospital needs to be a beacon of light in this community, providing services to meet the needs of all the residents and working collaboratively with all the physicians, holding staff and doctors to the highest standards of quality and compassion. I will work collaboratively within the board as a director of the healthcare district to ensure that our expanding community is well-served by a high-quality, responsive, thriving hospital for long into the future.

CANDIDATE STATEMENT FOR COMMISSIONER, **IDYLLWILD FIRE PROTECTION DISTRICT** AGE: 69 **RHONDA L. ANDREWSON OCCUPATION:** Retired Business Professional **EDUCATION AND QUALIFICATIONS:** Twenty-one years ago February 14, 1997 my husband Don and I came to Idyllwild for a getaway weekend, we returned for our anniversary in April, made the decision to move here permanently in September and we have never looked back. Although my background is Medical and Business Administration I began working in the banking and real estate industries all the while becoming deeply bonded to our community. In 2010 I was chosen to be the Administrative Assistant to the Fire Chief. Local government proved to be challenging and rewarding, however, I wanted to do more and strive to make a difference, I joined the Idyllwild Volunteer Fire Company, what an amazing experience and announced my candidacy for a Board position in 2013 and was elected as one of your Board of Commissioners. I have proudly served my first term and the past two years as your Board President; it has been my honor and privilege to diligently work on the behalf of the people of Idyllwild. There is much more to be done therefore I am asking for your continued support and confidence in the November 6, 2018 election. Working Together, Your Voice, Your Vote!
