**CANDIDATE STATEMENT FOR
GOVERNING BOARD MEMBER,
RIVERSIDE UNIFIED SCHOOL DISTRICT**

GAYLE CLOUD

OCCUPATION: Incumbent

EDUCATION AND QUALIFICATIONS:

Although these are challenging times for public education, Riverside has met the challenge directly: remaining financially stable and academically vigorous. I will continue to support our award-winning schools, teams and students—in academics, sports, fine arts and technology innovation.

We have succeeded in keeping our focus on academic growth even though we've had to make painful cuts in many areas. We are offering real choices with programs such as: Dual Language Immersion; Core Knowledge and a STEM (Science, Technology, Engineering and Technology) academy, among other options. I am committed to establishing challenging programs which meet the needs of our students and community. Student learning is my top priority.

I have a B.A. in English and an elementary teaching credential from Chapman University. I am involved in the Riverside community through the YMCA and the Path of Life Ministry Board and their homeless outreach. All six of my children have graduated from Riverside high schools and five have graduated from local universities. And my grandchildren will soon begin attending RUSD schools. Because I believe that education opens the door of opportunity to life's advantages, I am passionate about opening that door to the students of Riverside Unified.

**CANDIDATE STATEMENT FOR
GOVERNING BOARD MEMBER,
RIVERSIDE UNIFIED SCHOOL DISTRICT**

TOM HUNT

AGE: 56

OCCUPATION: School Boardmember / Businessman

EDUCATION AND QUALIFICATIONS:

Dear Friends.

Four years ago you the voters of the Riverside Unified School District entrusted me to represent you on the Board of Education. Thank you for your vote of confidence.

Despite three years of unprecedented reductions to RUSD's Budget, our District is financially sound, scores across all grade levels are improving, and we now offer parents choice in their children's education, such as the new STEM academy and Dual Immersion programs.

We must continue the task of reshaping how we "deliver" K-12 education. Our children's future's, our District's and community's prosperity will be determined by the quality of our labor.

You have my continuing commitment to:

- Engage parents, our educators, and local leaders for strategic solutions to the critical issues confronting the District.
- Keep accountability within all District workings a priority.
- Continue to develop parent choice "programs"
- Maintain RUSD's progress as a national leader in technology implementation for the classroom.
- Establish active partnerships with our colleges and regional businesses fostering expanded learning and career training opportunities for our students.
- Ensure safe campuses.

This November 8th, I ask for your ongoing support in re-election to the RUSD Board of Education.

Respectfully,

Tom Hunt

TONI G. SANDELL

OCCUPATION: Educator

EDUCATION AND QUALIFICATIONS:

I have been an educator for over 40 years (32 in California) with experience in regular and special education at all levels. For 28 years, I taught at a high school for at-risk students. I know the public school system and curriculum very well, and I know what does and does not work to help students succeed. After retiring in June, 2010, I began teaching citizenship classes for Catholic Charities. I have a BA in English and an MS in Special Education.

I also have an MBA with a concentration in finance. I am comfortable analyzing financial documents. Under current budget conditions, it is extremely important that every dollar be spent with an eye on how it impacts student progress. I believe we need a better emphasis on career technologies to prepare students for today's workplace.

My education and experience provide a unique perspective on students of all ability levels, what they may need to reach their potential and the skills to maximize the use of every available resource toward that goal.

My website at <http://www.tonisandell.com> gives more details about my vision for Riverside City School District and how a vote for me will move it forward.

IMPARTIAL ANALYSIS OF MEASURE "I"

The City of Riverside administers the City's public library system. The published mission of the Riverside Public Library is to foster the growth of an informed community by providing books and other library resources, promoting personal competency in seeking and evaluating information and presenting quality programs in a welcoming environment.

The Library is primarily funded by a combination of property tax revenues, the City's general fund and library parcel tax funds from the existing \$19 parcel tax approved by voters in 2002. The parcel tax approved in 2002 will expire in 2012 if not renewed. If the voters of the City of Riverside approve the measure described below, the annual \$19 special tax would continue to be levied on each parcel of real property within the City of Riverside to generate funds for the exclusive use of the Library.

This measure will authorize the City Council of the City of Riverside to renew the annual levy of a special tax on or with respect to parcels of property in an amount not to exceed \$19 per parcel for a period of 10 years. The funds generated would be solely used to provide additional funding to the Library to maintain the operating hours of the public library's current eight branches, maintain after-school programs for children and service more than 350 public computer stations.

The Riverside County Tax Collector, using the property tax rolls, would collect the special tax from the 2012-2013 fiscal year to the 2021-2022 fiscal year. State law would require the Riverside County Treasurer to place all funds collected in a special trust account for Public Library purposes. The Treasurer must then make a special annual report on the trust account. The City of Riverside estimates that the proposed measure would generate approximately \$1,430,000 each year. When this money is transferred to the City, the funds will be segregated from other funds of the City and will not be part of its general fund. Under state law, the City could use the funds generated only for the Public Library purposes outlined above and would be audited annually.

This impartial analysis is hereby submitted to the elections official in conformance with Section 9280 of the Elections Code of the State of California.

City Attorney

ARGUMENT IN FAVOR OF MEASURE "I"

The Riverside Public Library is a vital part of our community, offering lifelong learning opportunities, extensive resources and highly valued programs to every resident.

Children, teens and their families benefit from afterschool and summer programs, including homework assistance. Neighborhood libraries provide our community's youth with safe, quiet places to read and study.

Riverside libraries provide books, specialized programs and free access to computers and the Internet, enriching the lives of seniors and the visually and hearing impaired.

Over the past years, with the support of this community, our library has grown and improved to better serve all residents.

Measure "I" will preserve afterschool programs for children and teens, replace, upgrade and purchase new books, maintain free access to computers and the Internet, provide adult literacy and job search programs, continue library services for seniors, and retain librarians.

Measure "I" is not a tax increase. Measure "I" will renew the \$19 library parcel tax overwhelmingly approved by local voters in 2002, ensuring Riverside neighborhood branch libraries can continue for another ten years to provide adequate hours, valued programs and resources to our community. Every Riverside library will benefit.

State budget cutbacks further threaten local library funding, making the need for a reliable source of funding more critical than ever. Without increasing current taxes, Measure "I" will provide approximately \$1.4 million annually to benefit our library and cannot be taken by the State or used for other services. Funds will be audited annually and sunset in ten years.

If Measure "I" is not approved, library hours and staff, as well as programs, books and computers for children, teens, adults, and seniors will be severely reduced or eliminated.

Our community and the quality of life we value are enriched by our libraries. We respectfully urge your yes vote for Measure "I".
