**CANDIDATE STATEMENT FOR
GOVERNING BOARD MEMBER,
ALVORD UNIFIED SCHOOL DISTRICT**

CAROLYN WILSON

OCCUPATION: Incumbent / Businesswoman / Mother
EDUCATION AND QUALIFICATIONS:

I've been honored to serve as President of the Alvord Unified School District and I am seeking your support for re-election. I've brought the perspectives of both a Parent and a Businesswoman to my school board positions.

As a parent and school volunteer, I developed a keen insight into the individual needs of our teachers, students and their families. Our family has resided in the Alvord District for the past 21 years, and this year our daughter graduated from La Sierra High School.

During my 10 years as a businesswoman in the Publishing Industry, I held senior management positions, successfully developed and managed multimillion-dollar budgets and gained valuable experience that I brought to the school board.

My focuses are these key priorities:

~ Quality Education for Our Children

So each and every child receives the finest education, have their specialized and individual needs met and are prepared for a better future.

~ School Safety

Parents need to know our children are safe while attending our schools.

~ Enhanced Communication

~ Strengthening Our Financial Position

"I truly care and am committed to our Alvord Students and Families, our dedicated Teachers and District Employees".

*I thank you and would appreciate your vote,
Carolyn Wilson*

**CANDIDATE STATEMENT FOR
GOVERNING BOARD MEMBER,
ALVORD UNIFIED SCHOOL DISTRICT**

R. SCOTT JONES

AGE: 55

OCCUPATION: Businessman / Private Investigator
EDUCATION AND QUALIFICATIONS:

I was born and raised in Southern California, the youngest son in a military family. The last thirty years I have lived in Riverside within the Alvord District with my wife Lisa, raising our 6 children. We have 4 grandchildren currently in Alvord schools. I am 55, have a Business Administration Degree, and am a licensed private investigator. With help from friends who had faith in me, I started a legal support business in our kitchen and it has grown into three offices within the Inland Empire employing thirty people. I appreciate what it takes to meet a budget, build a business and succeed within an intense professional environment. It is a privilege to seek this office. I respect all of the other candidates, but I believe we need new ideas. I feel that I have special experience and the time to serve however long it takes to succeed. I know how to work with people who have strong opinions like me. I respect our teachers, administrators and support staff who have taught me as we have raised our children. I know there are difficult issues and I want to serve. If elected I will work harder than anyone.

**CANDIDATE STATEMENT FOR
GOVERNING BOARD MEMBER,
ALVORD UNIFIED SCHOOL DISTRICT**

BEN JOHNSON II

AGE: 46

OCCUPATION: Incumbent
EDUCATION AND QUALIFICATIONS:

I am honored to seek your support for another term on the Alvord School Board. When you first elected me I promised to put children first, address overcrowded classrooms; listen to the concerns of parents, teachers, and employees. My record shows I have kept my promises and directed my efforts towards initiating positive change.

As current economic constraints continue to affect school district budgets throughout California, I continue to work with my colleagues exercising responsible fiscal restraint, while protecting valuable staff and teacher jobs, and continue improving students' educational experiences.

All children are capable of success. Our test scores continue to rise.

Dropout rates continue to decline. College enrollment continues to increase.

BEN JOHNSON HELPED CREATE OPPORTUNITIES FOR ALL STUDENTS:

- The International Baccalaureate Program
- Increased vocational opportunities.
- AVID (Advancing at-risk children)

BEN JOHNSON CONTINUES TO IMPROVE SAFETY ON OUR CAMPUSES:

- Better Security through collaboration with law enforcement
- A no-tolerance drug policy
- Weapons intervention programs designed to prevent conflict.

I appreciate your support in the past and ask for your vote on November 8th. I promise to continue giving my best to our children and our schools.

CANDIDATE STATEMENT FOR CITY COUNCIL MEMBER, CITY OF RIVERSIDE, WARD 7 JOHN BRANDRIFF AGE: 55 OCCUPATION: Delivery Professional-Commissioner EDUCATION AND QUALIFICATIONS: Having spent most of my adult life in service to others in both my career, 29 years at UPS, and to Community organizations I have a unique perspective into people's expectations of City Leaders. I have a combined 18 years of leadership experience on six different Commissions, Boards and Community groups representing Ward7. Mine is a grassroots Campaign and I am not obligated to any Special Interest group. My goal is to represent the people of Ward7 and take your voice to City Hall. What I bring to this office is a new, fresh, dynamic approach to serving my constituents and I will: Always be accessible and will always listen. Commit to serving my full term without seeking another office. Defend your property against Eminent Domain abuse. Protect our open space laws. See that your tax dollars are spent wisely. Support our Schools and Community Groups. I have lived and raised my family in this Ward continuously since 1994; my residency is not politically motivated. When elected as your Council Representative I will work tirelessly to strengthen ethics, not vote against it, and create transparency and accountability for our residents. Vote for Change! I respectfully request your vote. www.JohnForWard7@gmail.com (951)313-3315	CANDIDATE STATEMENT FOR CITY COUNCIL MEMBER, CITY OF RIVERSIDE, WARD 7 STEVEN K. ADAMS AGE: 58 OCCUPATION: Councilman / Retired Policeman EDUCATION AND QUALIFICATIONS: I first moved to Riverside in 1958 and am a product of its public schools. My wife and I are proud residents of La Sierra. We have three daughters. For 15 years I served the people of Riverside as a Police Officer. It's been my honor these past few years to serve as your City Councilman. Working together we've accomplished much. More of our tax dollars are being invested in our community than ever before. This has repaved streets, added sidewalks, renovated parks, and is making railroad crossings safer and quieter. Our area once had Riverside's highest crime rates - now they're one of the lowest. The City's budget is balanced and has a reserve fund of over \$40 million. I voted to create Riverside's Code of Ethics to hold City officials accountable. I have never accepted a pay raise and cut City Council compensation 10%. If re-elected I will fight to: Bring good paying jobs to Riverside. Keep residents and families safe. Support our children and schools. Control city spending and fight new taxes. Ensure City Hall is accountable to the people. I'd be honored to have your vote and continue serving you on the City Council. (951) 790-7791 www.SteveAdamsforCityCouncil.com

IMPARTIAL ANALYSIS OF MEASURE "I"

The City of Riverside administers the City's public library system. The published mission of the Riverside Public Library is to foster the growth of an informed community by providing books and other library resources, promoting personal competency in seeking and evaluating information and presenting quality programs in a welcoming environment.

The Library is primarily funded by a combination of property tax revenues, the City's general fund and library parcel tax funds from the existing \$19 parcel tax approved by voters in 2002. The parcel tax approved in 2002 will expire in 2012 if not renewed. If the voters of the City of Riverside approve the measure described below, the annual \$19 special tax would continue to be levied on each parcel of real property within the City of Riverside to generate funds for the exclusive use of the Library.

This measure will authorize the City Council of the City of Riverside to renew the annual levy of a special tax on or with respect to parcels of property in an amount not to exceed \$19 per parcel for a period of 10 years. The funds generated would be solely used to provide additional funding to the Library to maintain the operating hours of the public library's current eight branches, maintain after-school programs for children and service more than 350 public computer stations.

The Riverside County Tax Collector, using the property tax rolls, would collect the special tax from the 2012-2013 fiscal year to the 2021-2022 fiscal year. State law would require the Riverside County Treasurer to place all funds collected in a special trust account for Public Library purposes. The Treasurer must then make a special annual report on the trust account. The City of Riverside estimates that the proposed measure would generate approximately \$1,430,000 each year. When this money is transferred to the City, the funds will be segregated from other funds of the City and will not be part of its general fund. Under state law, the City could use the funds generated only for the Public Library purposes outlined above and would be audited annually.

This impartial analysis is hereby submitted to the elections official in conformance with Section 9280 of the Elections Code of the State of California.

ARGUMENT IN FAVOR OF MEASURE "I"

The Riverside Public Library is a vital part of our community, offering lifelong learning opportunities, extensive resources and highly valued programs to every resident.

Children, teens and their families benefit from afterschool and summer programs, including homework assistance. Neighborhood libraries provide our community's youth with safe, quiet places to read and study.

Riverside libraries provide books, specialized programs and free access to computers and the Internet, enriching the lives of seniors and the visually and hearing impaired.

Over the past years, with the support of this community, our library has grown and improved to better serve all residents.

Measure "I" will preserve afterschool programs for children and teens, replace, upgrade and purchase new books, maintain free access to computers and the Internet, provide adult literacy and job search programs, continue library services for seniors, and retain librarians.

Measure "I" is not a tax increase. Measure "I" will renew the \$19 library parcel tax overwhelmingly approved by local voters in 2002, ensuring Riverside neighborhood branch libraries can continue for another ten years to provide adequate hours, valued programs and resources to our community. Every Riverside library will benefit.

State budget cutbacks further threaten local library funding, making the need for a reliable source of funding more critical than ever. Without increasing current taxes, Measure "I" will provide approximately \$1.4 million annually to benefit our library and cannot be taken by the State or used for other services. Funds will be audited annually and sunset in ten years.

If Measure "I" is not approved, library hours and staff, as well as programs, books and computers for children, teens, adults, and seniors will be severely reduced or eliminated.

Our community and the quality of life we value are enriched by our libraries. We respectfully urge your yes vote for Measure "I".
