CALIFORNIA ELECTIONS CODE §§18370, 18371

CANDIDATE STATEMENT FOR MAYOR, CITY OF DESERT HOT SPRINGS ALEX WADE BIAS AGE: 61 OCCUPATION: Business Owner, Educator EDUCATION AND QUALIFICATIONS: WE are a small City that has the potential to be one of the most beautiful places to live in the world. However, to realize our dream we need "forward thinking leadership!" I opened the door of government to the people! I minimized "special interest" interference in our affairs. I consistently directed Desert Hot Springs toward becoming an eclectic leisure entertainment tourist destination. Encouraged the City to strive toward energy self-sufficiency via supporting "green energy production" development. Directed the developed & adoption of the City Urban Design Plan and I was instrumental in getting Riverside County Supervisors to build the 25,000 sq. ft. Medical Clinic Campus, south of Vons which now is near completion. Encouraged the City to participate in the Coachella Valley Multi Species Plan. I served on Riverside County Transportation Commissioner; California Association of Governments Executive Committee Member; Coachella Valley Association of Governments Transportation Committee Member; Southern California Association of Governments Transportation and Communication Committee Member representing CVAG; and a Board Member of the SunLine Transit Agency. B.A. Degree in Political Science from U.C.L.A. California Real Estate Broker. K-12 Substitute Teacher for PSUSD. Learn more: www.reelectmayorbias.com www.mayorbias.com	CANDIDATE STATEMENT FOR MAYOR, CITY OF DESERT HOT SPRINGS ROBERT M. BENTLEY AGE: 43 OCCUPATION: Hearing Representative / Reverend EDUCATION AND QUALIFICATIONS: Hometown Since 1977 19-Year Homeowner Fairness – Kindness - Transparency <u>Powerful Crusader for Regular Folks</u> We need sober leadership. The first step is admitting we have a problem. We deserve better than a drunken out of control binge. What message does that send to kids? The bullying and meanspirited suppression of differing opinions must end. Without discussions our dysfunctional city lurches from problem to problem. The problems are so enormous we can't talk about them. (Debt, Alcoholism, Festival...) The financially desperate wannabe real estate moguls see everything in terms of money. How is that different than a bank robber? Money is the measure of all things to them. Their motivations are identical. It's all just business to them. I value the beautiful flowers and little animals not the profits of local politicians who intend to build many thousand more low-quality "units". Heavy handed, brute force tactics are inappropriate in America. As an Airborne veteran I'm horrified when armed troops in armored military vehicles raid my hometown. That 's not the America I remember. No cameras should be the goal, not more cameras... a safe town pleasant to live in, not a town under siege. www.ILoveDHS.com
CANDIDATE STATEMENT FOR MAYOR, CITY OF DESERT HOT SPRINGS YVONNE PARKS OCCUPATION: Incumbent EDUCATION AND QUALIFICATIONS: I have been a resident of Desert Hot Springs since 1994 and your elected Mayor since 2007. Our City, despite the recession, has progressed in a positive direction in these past 4 years. 40 miles of street improvements, upgraded parks, upgraded Senior Center, Fire and Police stations. Our downtown facades, new streetscapes and beautified medians have greatly improved the looks of our downtown. A successful graffiti program which has our city virtually graffiti free. Completed the annexation to the I-10 and our long awaited overpasses at Palm and Indian are under construction. We have maintained public safety as our number one priority receiving statewide recognition and reduced crime by over 20% overall. Most recently our new Health and Wellness Community Center is under construction. When first elected to Mayor I promised to do everything possible to make progress and improve the image of our great city. I believe I have kept that promise. I recognize there is still more to be done. I am asking you for the opportunity to continue the work that has been started and continue the momentum and maintain the stability that investors are looking for. On November 8th, make the right choice. Re-elect Yvonne Parks, Mayor.	

**CANDIDATE STATEMENT FOR
CITY COUNCIL MEMBER,
CITY OF DESERT HOT SPRINGS**

KARL BAKER, JR.

OCCUPATION: Incumbent

EDUCATION AND QUALIFICATIONS:

Teamwork is a critical component for success. I have learned to play an important role as a member of the DHS governing team. I am proud of the accomplishments that have taken place in our City during the last four years:

Over 40 miles of newly paved streets with more to come,

Two New City Parks - a soccer park and a Little League park,

A police department with 36 officers - up from less than 20,

A balanced budget in each of the last four years,

A low/no cost medical clinic with a bigger clinic to come,

My extensive experience in the business world has given me the knowledge and practical skills necessary to run a City.

With a Masters in Education (Administration) and a Masters in Public Administration, I regularly use this academic background to guide me in making decisions.

In addition to the City Council, I serve on a number of local, State and National advisory boards or committees.

I ask that you vote to support me as I pledge to continue to move our City forward for another four years. Desert Hot Springs - "the little City that could."

**CANDIDATE STATEMENT FOR
CITY COUNCIL MEMBER,
CITY OF DESERT HOT SPRINGS**

RUSSELL BETTS

OCCUPATION: Businessman

EDUCATION AND QUALIFICATIONS:

Four years ago when I was elected to the Council: Graffiti was everywhere, shopping carts were strewn about the city, our streets were broken – some not paved in 15 years. Favors to big money interests left million dollar messes to clean up. Our police force was in decline. On the city budget, we faced a financial train wreck.

That picture has changed. Our city is virtually graffiti free. I put through an ordinance to keep shopping carts in the lots. We paved 37 miles of streets. This year we will pave more. I've been tenacious to expose and stop political favors. Our city budget is balanced.

We face more challenges. These are tough financial times. Higher taxes are not the solution – I beat back a proposal to raise your taxes and won. City Hall must get the same job done with less. All major city purchases must go out to bid – that's why I voted against the music festival and its no-bid contract. Taxpayers have no more to waste. Beautification of our city is an important next step. Clean, safe, prosperous is our goal. We can get there. I ask for your vote, Russell Betts. Learn more at electrussellbetts.com

CITY COUNCIL MEMBER,
CITY OF DESERT HOT SPRINGS**

ADAM SANCHEZ

AGE: 53

OCCUPATION: Corporate Manager

EDUCATION AND QUALIFICATIONS:

Adam and Faith Sanchez moved to Desert Hot Springs 14 years ago to raise their family. Adam has a Bachelors of Science Degree in Recreation Management from California State University Fresno, a certificate in Non-Profit Organizational Management, University of California, and a certificate in Leadership Management from the University of Clemson.

It's time for change. Our City Council has not performed due diligence. For example, \$1 million dollars lost purchasing the Jewish Temple, \$265,000 lost to a music festival, \$250,000 lost to a spa owner, \$250,000 given to the Coachella Valley Boys & Girls Club which had inherited \$650,000 in a merger deal and \$100,000+ paid to the city manager's assistant as severance pay.

Right now our families are seeing their jobs, savings and homes disappear. Families need food, shelter, health care, job training and educational support.

Desert Hot Springs needs vision, planning, transparency, and accountability. The Register of Demands must be published so residents can see how our tax dollars are spent.

CANDIDATE STATEMENT FOR DIRECTOR, DESERT WATER AGENCY TOM KIELEY III AGE: 61 OCCUPATION: Incumbent EDUCATION AND QUALIFICATIONS: As a native Palm Springs resident, I've watched our desert grow and prosper. My years of community leadership have taught me the value of listening to people. I currently serve as the Vice-President of the Desert Water Agency. While serving on this critical Board, I have worked hard to guarantee a continued reliable source of safe, high-quality and affordable drinking water. I'm proud this was accomplished while the DWA Board continued its broad infrastructure improvements and water conservation programs. During my service on the DWA Board, I helped provide strong consistent leadership with an emphasis on fiscal responsibility. As a passionate DWA Director, I've helped expand its state-of-the-art recycled water plant; upgraded hydroelectric resources; vastly improved its community sewer systems; installed a solar energy system for Agency operations; created water conservation community parks; assured future water resources by negotiating complex entitlement purchases. I was appointed by the Governor to serve on the Regional Water Quality Control Board. As you choose your DWA representative, please consider my extensive experience, leadership and understanding of the Agency. I ask for your vote on November 8, 2011, to allow me to continue serving as your Director on the Desert Water Agency.	CANDIDATE STATEMENT FOR DIRECTOR, DESERT WATER AGENCY CRAIG A. EWING AGE: 58 OCCUPATION: Director of Planning Services EDUCATION AND QUALIFICATIONS: The Desert Water Agency is responsible for providing safe, reliable water – a responsibility I have taken seriously since joining the Board in 2007. In that time, new wells have been constructed and new pipes have been laid. Our recycling plant has been expanded to produce more reclaimed water for golf courses and parks. We have secured water supply contracts to provide new sources of water and new resources for water conservation. We have worked with our state and federal officials to develop legislation focused water safety, reliability and affordability. Most significantly, we have explored how to assure that our customers are paying a fair rate for water. While other agencies have adopted complicated and, at times, punitive tiered rate structures, the DWA adopted a rate schedule that provides low cost, simplicity and long-term financial stability. It is my goal and desire to continue serving the community on the DWA Board so that our water future is secure. With twenty-seven years' experience as a public city planner and four years on the Board, I bring experience and perspective to assuring that each of us has access to clean, satisfying water. I seek your continued confidence and your vote. E-mail: ewing4dwa@aol.com
CANDIDATE STATEMENT FOR DIRECTOR, DESERT WATER AGENCY MICHAEL PAUL PADUANO AGE: 40 OCCUPATION: Realtor / Business Owner EDUCATION AND QUALIFICATIONS: We live in a desert. Water is a vital concern. We live in a time of economic unrest. Fiscally sound decisions are essential. We live in a world polluted by years of unreasonable practices and neglect. We need an eye to the future and to its generations. My commitment is fighting for water quality, fighting for water conservation, and fighting for our economy and jobs. I personally believe in the importance of giving back to the community in which I live. For the past ten years I have been actively involved in the community as a leader and volunteer. I am Michael Paduano. For ten years I have lived and worked in Palm Springs. I founded and am currently executive director of a local non-profit and serve on several advisory boards. I have worked at the state and local level for several years with the California Association of Realtors on the following communities: Local Government Relations, Legislation, and Property Management. With these experiences I served on committees helping set policies significantly impacting homeowners, protecting their investments and expenses. A vote for Michael Paduano is a vote for a new voice protecting water quality, job and economic growth and reasonable rates.	

**CANDIDATE STATEMENT FOR
DIRECTOR,
MISSION SPRINGS WATER DISTRICT**

JOHN H. FURBEE

OCCUPATION: Pharmacist

EDUCATION AND QUALIFICATIONS:

I have lived in this community for 42 years and am an incumbent Director. I was your pharmacist and drugstore owner for many years. As Director, I want to continue to serve you by maintaining the lowest possible rates; to protect and continue to serve our award-winning high quality water; to ensure that our water is abundantly available for future generations; and to improve on the service we provide to you!

I voted twice to reduce the proposed water rate increase. I must be convinced that we have done everything we can to reduce costs and I will refrain from any rate increases until we have community involvement in a Financial Master Planning process.

In my term, we received millions in grants to protect groundwater including two projects this year totaling \$12 million. Costs are down by millions while the infrastructure we are responsible for has increased by nearly \$60 million. We led the effort to develop two plans allowing the district a stronger voice in the management of our water.

With this experience and knowledge and along with your support, I can continue to improve the District. Thank you for this wonderful experience. Please vote November 8.

**CANDIDATE STATEMENT FOR
DIRECTOR,
MISSION SPRINGS WATER DISTRICT**

JOHN L. BROWN

OCCUPATION: Executive Director

EDUCATION AND QUALIFICATIONS:

In my four year tenure on the Board of Mission Springs Water District and currently as President, I have been undeterred in our effort to secure the funding needed to completely sewer our district and remove the threat posed by septic tanks to our ground water and naturally hot mineral water that our economy and jobs are dependent on. The continued effort to sewer our district and the hundreds of jobs this effort will create is my top priority. During the last four years I have worked with staff to make major cuts and reduce spending in every way possible to keep water usage and sewer rates low.
