HOW TO USE THIS SAMPLE BALLOT BOOKLET

1. **PARTY AFFILIATION:** If you are not sure about your party affiliation, look at the front of this booklet or at the address label on the back cover. You may also check your party affiliation on our website at www.voteinfo.net or by calling (951) 486-7200.

If, when you registered to vote, you chose to affiliate with a qualified political party, then you will be issued the official ballot for that party.

If, when you registered to vote, you declined to state a party affiliation or registered with an unqualified political party, then you will be issued the **NONPARTISAN** official ballot for the primary election. But, you have **A CHOICE**. The law allows you to request and vote the ballot for any party that has chosen to allow it. For this election, you may request one of the following ballots:

NONPARTISAN

DEMOCRATIC PARTY*

REPUBLICAN PARTY*

***Each of these two qualified parties will allow you to vote their ballot except for central committee contests.**

2. **PARTISAN OFFICES** in the **SAMPLE BALLOT**

Look at the sample ballot pages that follow. Find the sample ballot pages for the appropriate party, in order to review your official ballot choices for partisan offices.

If you are a nonpartisan voter and you choose to vote the nonpartisan ballot, you will not find any of the partisan offices on your ballot.

3. **NONPARTISAN SAMPLE BALLOT PAGES**

All voters are eligible to vote on the nonpartisan portion of the ballot. Following the party sample ballot pages are the nonpartisan offices, and state and local propositions and measures. The exact issues and offices on YOUR ballot correspond to the location of your residence address, according to what jurisdictions have seats to fill and/or questions to ask.

4. **VOTER PAMPHLET — INFORMATION FOR ALL VOTERS**

Candidates have the option of submitting a statement of their qualifications. Each Candidates's Statement is printed at the expense of the candidate unless otherwise determined by the governing body. You will find statements submitted by candidates appearing within your precinct's particular combination of ballot contests.

State legislative candidates now have the option of printing a candidate statement in this voter pamphlet if they pledge to abide by voluntary campaign spending limits. At the beginning of the voter pamphlet information section there is a list of the candidates who have endorsed this pledge for this election.

The Secretary of State will provide a State Pamphlet that will contain all State Information also appearing within your precinct's particular combination of ballot contests.

5. **REQUESTING SPECIFIC MATERIALS**

This booklet contains the tools you need in order to participate fully in this election.

Early Voting will be available in the Registrar of Voters' office. You may vote in our office between the dates of May 10 and June 7, Monday through Thursday, from 7:30 a.m. to 6:00 p.m., excluding every Friday, weekends and Holidays. On June 8, Election Day hours are 7:00 a.m. to 8:00 p.m.

If for any reason you cannot vote in person in our office or at your local polling place on Election Day, you can complete the Vote-by-Mail application on the back of this pamphlet. All Vote-by-Mail applications must be mailed to reach the Registrar of Voters office no later than 6:00 p.m. on June 1, 2010.

For a demonstration on marking your ballot you can visit our website at www.voteinfo.net

**REGISTRAR OF VOTERS
COUNTY OF RIVERSIDE**

Dear Riverside County Voter:

The Consolidated Primary Election is June 8th. Your ballot may contain contests for federal, state, and local offices as well as statewide or local measures. Information in this Sample Ballot and Voter Information Pamphlet will assist you in making informed choices when marking your ballot. You may mark your selections on your sample ballot and take it with you to the polls for reference to easily and quickly complete your official ballot. Whether you go to the polls or use a vote-by-mail ballot, the paper ballot is the same. One electronic accessible voting unit will be available at each polling location for any voter's use.

Below is additional information to ensure your ballot is counted promptly and accurately.

Modified Closed Primary

California currently has a *modified* closed primary system that requires voters to cast a ballot of the qualified political party they chose to affiliate with when they registered to vote. **Your registered party affiliation is presented on the front cover of this Pamphlet.** If you would like to change your party affiliation and vote another party's ballot, you may do so by reregistering and selecting another party by Monday, May 24th.

Voters who choose not to affiliate with a qualified political party when they registered to vote will receive a nonpartisan ballot containing only nonpartisan candidates and measures or they may request a Democratic or Republican ballot to vote.

If you desire to change your political party affiliation to be effective for this election, you must reregister to vote and select a different party no later than May 24th. You can check your registration status and party affiliation at www.voteinfo.net.

Your Polling Place May Have Changed

Your assigned polling place location is printed on the back cover of this Pamphlet. Voting at your assigned polling place will ensure your ballot is counted promptly.

Vote-by-Mail

Any voter may request to vote-by-mail. An application to request a vote-by-mail ballot is on the back cover of this Pamphlet. All vote-by-mail ballots must reach the Registrar of Voters no later than 8 p.m. on Election Day. Ballots received by mail after Election Day cannot be counted. Ballots can be dropped off at any Riverside County polling place on Election Day, at the Registrar of Voters office during business hours, or deposited in the 24 hour drop box outside the front entrance.

Should you have any questions concerning this Consolidated Primary Election, please use the contact information at the top of this letter to reach our office.

15 CALIFORNIA FAIR ELECTIONS ACT.

Repeals ban on public funding of political campaigns. Creates a voluntary system for candidates for Secretary of State to qualify for a public campaign grant if they agree to limitations on spending and private contributions. Each candidate demonstrating enough public support would receive same amount. Participating candidates would be prohibited from raising or spending money beyond the grant. There would be strict enforcement and accountability. Funded by voluntary contributions and a biennial fee on lobbyists, lobbying firms, and lobbyist employers. Fiscal Impact: **Increased revenues (mostly from charges related to lobbyists) totaling over \$6 million every four years.** These funds would be spent on public financing for campaigns of Secretary of State candidates for the 2014 and 2018 elections.

LEY DE CALIFORNIA DE ELECCIONES EQUITATIVAS. Deroga la prohibición del financiamiento de campañas políticas con fondos públicos. Crea un sistema voluntario para que los candidatos a Secretario de Estado cumplan con los requisitos para recibir un subsidio de campaña pública si acuerdan cumplir con límites de gastos y de contribuciones del sector privado. Cada candidato que demuestre tener suficiente apoyo público recibiría mismo monto. Los candidatos participantes tendrían prohibido recaudar o gastar fondos que superaran el monto del subsidio. Habría estricto acatamiento y rendición de cuentas. Financiado con contribuciones voluntarias y por una cuota bienal cobrable a los cabilderos, a las firmas de cabildeo y a los empleadores de cabilderos. Impacto fiscal: **Mayores recaudaciones (procedentes principalmente de los cargos relacionados con los cabilderos) que ascenderían a más de \$6 millones cada cuatro años.** Estos fondos se gastarían en el financiamiento público de las campañas electorales de los candidatos a Secretario de Estado en las elecciones de 2014 y 2018.

Requires two-thirds voter approval before local governments provide electricity service to new customers or establish a community choice electricity program using public funds or bonds. Fiscal Impact: **Unknown net impact on state and local government costs and revenues-unlikely to be significant in the short run-due to the measure's uncertain effects on public electricity providers and on electricity rates.**

KEN CALVERT, Republican
OCCUPATION: U.S. Representative
EDUCATION AND QUALIFICATIONS:

AGE: 56

I'm a proven conservative working for lower taxes, creating jobs, balanced budgets, and less government spending and intrusion. Born, raised and educated in southern California I started, grew and ran my own and family businesses. With an Economics degree from San Diego State University and decades of community leadership and business experience, I understand what it means to sign the front of a payroll check, and what that paycheck means to families.

Past President/Chairman of: Corona Chamber of Commerce; Corona Rotary; Riverside County Lincoln Club; Asset Leasing (Bond Authority); Riverside County Republican Party; and am the Honorary Chairman/Founder of STEP (Science, Technology and Education Partnership).

I have earned the Chamber of Commerce "Spirit of Enterprise" award for 17 years and a 97% lifetime score from the Chamber as well as an 89% lifetime rating from the American Conservative Union and a 90% rating from Americans for Tax Reform and am endorsed by the Young Republicans of Riverside County. I created the E-Verify program to bar illegal aliens from American jobs. I oppose federal funding of abortion and moving enemy combatants now in Gitmo to American soil — the first responsibility of government is national security.

I opposed: TARP II; the Stimulus; the Obama budget; Pelosi's 2009-2010 excessive spending bills; the Auto Bailout; Cap-and-Trade; Obama-Pelosi Health Care; and the Democrats' debt limit increase. I voted to defund ACORN.

I have proudly represented both Riverside and Orange Counties the past seven years and humbly ask for your vote.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
37TH SENATORIAL DISTRICT**

BILL EMMERSON, Republican

AGE: 64

OCCUPATION: Assemblymember, Educator

EDUCATION AND QUALIFICATIONS:

Fed up with Sacramento's irresponsible budget deficits? Join Bill Emmerson's fight to stop out-of-control spending, fraud and corruption.

As a Riverside County Assemblyman, Bill fought to cut waste and save billions of tax dollars by:

- Making pay raises for politicians **ILLEGAL** during budget deficits and voluntarily cutting his own pay by 11%.
- Co-authoring a measure to **CAP STATE SPENDING** to prevent future state budget deficits.
- Co-authoring John Benoit's legislation to save California \$750 million by **REQUIRING WASHINGTON TO PAY FOR INCARCERATING ILLEGAL IMMIGRANT PRISONERS**.
- Enacting welfare reform **SAVING \$5 BILLION** while protecting children, elderly and the disabled.
- Requiring fingerprinting checks for service providers and aid recipients to save millions and **STOP FRAUD**.

Assemblyman Emmerson **OPPOSES** higher taxes and **OPPOSES** balancing the state budget on the backs of working families and retirees.

A former Riverside County small business owner, Bill will work to strengthen the Riverside County economy by recruiting new employers to our community and reducing the regulatory burden on those who will create new jobs.

An Assistant Professor, Bill will demand excellence from our schools and fight to protect our schools by guaranteeing them full funding once the economy recovers.

Named **LEGISLATOR OF THE YEAR** four times by the State Sheriffs' Association, Bill Emmerson is endorsed by Supervisor John Benoit, local educators, and the Howard Jarvis Taxpayers Association.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
37TH SENATORIAL DISTRICT**

MATT MONICA, American Independent
OCCUPATION: School Board Member
EDUCATION AND QUALIFICATIONS:

AGE: 65

My name is Matt Monica, an American Independent who has the skills, training and background to bring the necessary leadership and unify the 37th Senate District. The Legislature in Sacramento is broken. Partisan politics inhibit legislation daily. Voters are no longer considered important. Too much government has led to the worst recession in the history of California. Sacrifices must start in Sacramento, I will donate 50% of my Senate salary back to the 37th District's economic recovery.

You have a choice. You will know where I stand on issues. We must emphasize economic recovery, a balanced budget, job creation, public safety and funding for education. Restructuring the tax system is necessary to keep corporations and small businesses from leaving California. We can save billions of dollars by cutting wasteful spending in Sacramento, including 25% in health, welfare and human services. Privately run state prisons will also save millions. I am an advocate for pro-life, traditional marriage and responsible animal welfare.

I am 65 years old, a Marine Corps Veteran and Rotarian. I have been married 42 years to MaryAnn. We have two sons, Matt and Joseph. I have served on the Desert Sands School Board for 24 years and understand how to balance a budget. I hold Associate's, Bachelor's and Master's Degrees. I am a retired Educator having served for 33 years as Coordinator, Counselor and Instructor.

I don't want your money, I want your vote. Together we will make the 37th the Lighthouse Senate District.

JUSTIN BLAKE, Democratic
OCCUPATION: School Board Member
EDUCATION AND QUALIFICATIONS:

AGE: 56

You and I know the hardship caused by Sacramento's bad decisions.

We need honest, innovative leaders working together for solutions to difficult problems. It's time to put people ahead of corporations; value honor over greed.... time to invest more in our children than in special interests and big oil.

In this historic special election for the 37th Senate District, voters have an opportunity to choose a new approach. We must set aside strict party allegiance and gridlock to better serve California's citizens.

I am a small business owner, a teacher and director of a non-profit organization. I am in my fifth year of service on the Board of Education of Palm Springs Unified School District. Balanced budgets and steadily rising test scores have resulted from my proven skill cutting costs while preserving essential service.

Public schools have been forced to cut 18% of their budgets while serving the same number of students. Last year, prisons got a 2% raise. Our priorities are clearly wrong.

High paying clean energy jobs and quality education will save our economy, not termed-out politicians who have proven their inability to do the job.

Government by the people cannot survive if it is always "us and them." I ask for your vote not to become one of them, but for the honor of serving as one of you.

Visit www.justinblakeforsenate.com. Voting is the most patriotic thing we do. Thank you for your good citizenship.

**CANDIDATE STATEMENT FOR
JUDGE OF THE SUPERIOR COURT,
OFFICE NUMBER 21**

STEVE COUNELIS

OCCUPATION: Deputy District Attorney

EDUCATION AND QUALIFICATIONS:

For 16 years I have been privileged to serve as a Deputy District Attorney.

I have successfully prosecuted murder, assault, batteries, sexual offenses, grand theft, burglaries, and consumer fraud cases. I have specialized in prosecuting identity theft and computer-related crimes, like "network hacking," online auction fraud, "phishing," and cyber-stalking.

I believe it is important for a judge to fairly administer justice without any bias or favoritism. Those convicted of crimes must be sentenced according to the law. The rights of crime victims must be protected. The innocent must set free. All rulings must be based on the rule of law - not on anyone's personal political agenda.

Riverside County is my home. My wife and I are raising our family here. We want our community to be kept safe and for the people to trust the integrity of their courts.

Because of my knowledge of the law, courtroom experience, and commitment to justice I am supported by many Riverside County law enforcement professionals, including District Attorney Rod Pacheco, Sheriff Stan Sniff, the Association of Riverside County Chiefs of Police, and Riverside County's Deputy District Attorneys.

I would be honored to have your vote and to serve you as Judge.

OCCUPATION: Senior Deputy District Attorney

AGE: 44

EDUCATION AND QUALIFICATIONS:

For the last 19-years, I have served the people of Riverside County as a prosecutor in the District Attorney's Office.

As a Senior Deputy District Attorney, with a Law Degree from UCLA Law School, I have litigated over 100 cases involving Homicides, Three-Strikes, and other Serious and Violent Crimes in the Superior Court, Court of Appeal and Supreme Court. I firmly support Victim's Rights.

I currently supervise 21 multi-agency teams throughout Riverside County that work with at-risk youth engaged in drugs, gangs, prostitution and other destructive behaviors to stop crime before it starts. For nearly 10-years, I've also served as a Judge for the Lake Elsinore and Temecula Youth Courts.

Recently, I was honored by the Riverside County Board of Supervisors and the Riverside County Commission for Women as the "Third District - Woman of the Year."

My candidacy for Judicial Seat #21 is endorsed by Judges in every Jurisdiction of Riverside County, law enforcement officials, police officers, public education leaders and teachers.

SUPERINTENDENT OF SCHOOLS**

KENNETH M. YOUNG AGE: 55
OCCUPATION: Riverside County Superintendent of Schools
EDUCATION AND QUALIFICATIONS:

As Riverside County Superintendent of Schools since 2007, I am pleased to report that our county's high school graduation rate is 80.5 percent and climbing, school safety continues to improve, our students consistently outperform those from comparable counties on state and national tests, and the number of students prepared for college is going up each year.

Our County Office of Education is also fighting unemployment: over 33,000 young people are being educated in our workforce training courses each semester and we've enlisted successful business partners to ensure our students get the skills they need to succeed in the real world.

California has been ravaged by economic recession. Our schools are caught in this riptide. My staff and I are delivering the financial oversight and support needed to make sure school districts remain fiscally solvent. We're also working with school principals and teachers to help turn things around in the classroom. My public education and private industry leadership experience and finance background have given me the skills needed to meet these challenges.

As Riverside County Superintendent of Schools, I will continue working to strengthen our public school system and involve parents to ensure the success of all students.

**CANDIDATE STATEMENT FOR
RIVERSIDE COUNTY
SUPERINTENDENT OF SCHOOLS**

DALE KINNEAR AGE: 55
OCCUPATION: Principal, Administrator, Teacher
EDUCATION AND QUALIFICATIONS:

Dear Voters,

You have a choice. In these difficult times, our schools need a Superintendent with first-hand experience leading successful school reform.

For 30+ years I have been serving public education as a teacher and administrator at some of Riverside County's largest schools: Indio, Coachella Valley, and Poly High Schools and for the past 18 years, as Principal at North High in Riverside.

Currently, North is ranked in the top 5% of high schools in the United States by Newsweek, academic gains for students living in poverty have risen 170+ points, and more than 53% of our students meet UC/CSU course requirements. I was recognized as California High School Principal of the Year and received national recognition in Washington, D.C.

My priorities will be:

- expand career vocational courses;
- return of local control to schools and districts;
- increase graduates who are prepared for college or work force;
- provide public accountability for RCOE dollars spent and outcomes achieved; and
- oppose expansion of county office bureaucracy.

I am endorsed by the Riverside County Office Teacher's Association, school board members countywide, PTA members, police organizations, elected officials, business and community leaders. We believe that it is time for a change in leadership.

I respectfully request your vote.

CANDIDATE STATEMENT FOR COUNTY SUPERVISOR, 2ND SUPERVISORIAL DISTRICT	CANDIDATE STATEMENT FOR COUNTY SUPERVISOR, 2ND SUPERVISORIAL DISTRICT
JOHN F. TAVAGLIONE AGE: 61 OCCUPATION: County Supervisor / Businessman EDUCATION AND QUALIFICATIONS: As your County Supervisor my top priorities are keeping neighborhoods safe, reducing traffic congestion, and balancing the budget without raising taxes. By focusing on these vital areas much progress has been made. Our neighborhoods are safer and crime is dropping. The County jail system is being expanded to ensure that criminals do time and are not let out early. Riverside County leads the state in new freeway and road construction. I am working hard to add needed lanes to the 91, 60, and 15 freeways. Using smart financial policies, Riverside County built up a rainy day reserve fund during the good years. This prevented drastic cuts to vital services during this downturn. But the biggest issue facing us today is job creation. Too many people are out of work. The wasteful spending of Sacramento and Washington, D.C. is costing us jobs. This must stop. I have been a leader in the fight against the state taking your local tax dollars to balance its budget. Your money is better used here to pay for firefighters, deputy sheriffs, transportation improvements, and County hospital services. I would again be honored to have your vote for County Supervisor.	HERB HIGGINS AGE: 66 OCCUPATION: Safety Director EDUCATION AND QUALIFICATIONS: Married eight years to Doris; raised 24 foster children. Worked for State Corrections in lock up units and response team commander; Veteran of Vietnam; Business Management Degree; Working as a Safety Director/Trainer. Eight years on the Norco City Council, twice as Mayor. I understand government, how it works and doesn't work for you. I believe in term limits to control government, and bring new life to a system that has become broken. I want a system that cares about citizens first not last. Have you had enough? I asked myself that question when I ran for council in 1999. I believe in voting the will of the people. I support Propositions, the majority of the citizens passed, I don't second guess; I vote to enforce them. I have always supported Public Services, Seniors, Fire, Police, Jails, District Attorney Personnel, Schools, and Teachers all mandated as primary support by the Constitution. I will continue to support these valuable departments. I am a Masonic Past Master, Hiram Award Recipient, and Member of the Eastern Star, Scottish Rite, LEAP, Knights Templar, Lions Club, Horseman's Association, Rural, and an active member of Crossroads Church in Corona. Vote; let them hear your voice. WWW.HERBHIGGINSFORSUPERVISOR.COM

JUSTINE K. QUIÑONES

OCCUPATION: Certified Public Accountant

EDUCATION AND QUALIFICATIONS:

I am a credentialed CPA and have earned my MBA in Operational Management. I have been in management positions in three departments of Riverside County over a 22 year career that followed working in private industry as a corporate accountant, tax preparer and financial auditor.

As the economy recovers my philosophy of "Simple Changes Bring the Greatest Return" is as appropriate and as necessary as it was 20 years ago. During my County career I developed a centralized year-end accounting system, improved a ten-year cash projection report, and created a medically indigent services payment system which also created jobs in the County. These tools are still in use today.

I believe in honest work based on doing the right thing economically, leading and living by example, while communicating clearly to others the need to demonstrate accountability and responsibility.

As your County Auditor, I will work with departments to create policy and procedures that are both effective and efficient while promoting cross-department cooperation, initiatives and insight. I believe that policies and processes built on these stepping-stones protect you, the taxpayer, from waste and fraud which saves County resources.

I ask for your vote for Auditor of Riverside County.

EDUCATION AND QUALIFICATIONS:

Our nation, our state, and our county are in a deep economic crisis unlike any we have seen. Protecting taxpayers and their money must be one of our top priorities. I believe in balanced budgets that do not raise taxes or increase our debt.

I'm running for the Office of Auditor-Controller for Riverside County to hold county government accountable for how it spends your tax dollars. My professional experience in finance, auditing, debt management, and investments uniquely qualifies me to serve as your Auditor-Controller during these difficult times.

I've lived in Riverside County for over 30 years. I have my Accounting Degree from La Sierra University and my Masters Degree in Public Administration from Cal State San Bernardino. I am certified as a Financial Manager by the Association of Government Accountants.

Professionally it has been my privilege to serve the people of Riverside County for 25 years. I've served you as the Assistant Auditor-Controller, Finance Director of the Flood Control District, and Chief Financial Officer of the Riverside County Transportation Commission.

**CANDIDATE STATEMENT FOR
RIVERSIDE COUNTY
DISTRICT ATTORNEY**

ROD PACHECO

AGE: 51

**OCCUPATION: District Attorney
EDUCATION AND QUALIFICATIONS:**

As your District Attorney, Riverside County has achieved a 93.2% felony conviction rate and we're the second safest county in Southern California, according to the Attorney General.

We're aggressively prosecuting gangs, sex offenders and violent career criminals, making it clear they're not welcome here. We've created task forces to monitor and prosecute gang members and sexual predators. And we're working with the U.S. Attorney to prosecute and deport illegal immigrant gang members.

We've convicted corrupt politicians who have abused the power of their office. We're currently prosecuting dishonest developers and a majority of the San Jacinto City Council in the largest political corruption case in Riverside County's history.

In addition to protecting your safety, I'm protecting your tax dollars. I've improved efficiency and cut spending by over \$11 million the past two years. That's why I'm supported by the Riverside County Taxpayers Association.

With the state planning to release thousands of dangerous inmates from prison, I'll continue waging a tough, aggressive fight against crime to protect the safety of your home and family – a job I take very seriously.

I'm honored to have the support of Riverside County's Sheriff, Police Chiefs, and Deputy District Attorneys. I'd be honored to have your vote.

**CANDIDATE STATEMENT FOR
RIVERSIDE COUNTY
DISTRICT ATTORNEY**

PAUL E. ZELLERBACH

AGE: 56

**OCCUPATION: Superior Court Judge
EDUCATION AND QUALIFICATIONS:**

As your district attorney I will be tough on crime and smart in spending your taxpayer dollars.

Riverside County Superior Court statistics show that for the last three years the conviction rate of criminal cases at trial is below 45% of all charges filed. This figure is totally unacceptable. By being more efficient and effective, I will substantially increase the conviction rate, keeping our citizens safer.

Having been a prosecutor in the Riverside County District Attorney's Office for 22 years and a Riverside Superior Court Judge for 10 years, I have always been tough on crime.

As a senior prosecutor, I created and supervised the Homicide Unit and supervised the Gangs, Economic/Environmental Crimes, and Career Criminal units.

Because I was tough on crime, I was named "Riverside County Felony Prosecutor of the Year" and California's "Outstanding Prosecutor of the Year."

I am not a politician. But as an experienced prosecutor and judge, I will continue to be tough on crime. I will lead an office of prosecutors who will fight for justice with toughness and tenacity, thereby keeping our communities safer.

And, I will reduce the budget by 10%, saving taxpayers more than \$9 million a year.

I have kept very tight control of our precious tax dollars, maintained a balanced budget in the face of steep across-the-board cuts, reduced overtime, and obtained much needed grant funding.

Under my guidance, the Sheriff's Department has become much more accessible to all Riverside County residents, more diverse, more supportive of crime victims, and improved the professionalism of our deputies.

As Chief of Police in Desert Hot Springs for six years, Frank Robles worked in an environment where money was always a concern. Every year Frank turned in a budget that allowed the police department to get the job done efficiently, effectively and still protect the public they served.

When Frank Robles joined the Riverside County Sheriff's Department in 1990, he employed those same budgetary skills and as a sheriff's captain and then chief deputy sheriff, Frank was always at or under budget. MEASURES "A" & "B"

Local Agency Formation Commission of Riverside County

RESOLUTION NO. 01-10

APPROVING THE REORGANIZATION TO INCLUDE INCORPORATION OF THE
CITY OF EASTVALE AND CONCURRENT DETACHMENT FROM THE RIVERSIDE
COUNTY WASTE RESOURCES MANAGEMENT DISTRICT, AND
ORDERING SUCH REORGANIZATION SUBJECT TO
CONFIRMATION BY THE VOTERS
LAFCO NO. 2008-18-2

BE IT RESOLVED AND DETERMINED by the Local Agency Formation Commission in regular session assembled on January 21, 2010, that the Reorganization to Include Incorporation of the City of Eastvale and Concurrent Detachment from the Riverside County Waste Resources Management District, as more particularly described in Exhibit "A", attached hereto and made a part hereof, is approved subject to the terms and conditions set forth herein.

BE IT FURTHER RESOLVED, DETERMINED AND FOUND that:

1. Proceedings were commenced by Petition of Registered of Voters.
2. The distinctive short form designation of the proposed reorganization is LAFCO 2008-18-2, Reorganization to Include Incorporation of the City of Eastvale and Concurrent Detachment from the Riverside County Waste Resources Management District.
3. Find that the Commission, as lead agency pursuant to CEQA, has prepared an initial study on the proposed reorganization. Based upon the entire record before the Commission, including the initial study, the Commission finds there is no substantial evidence that the proposal will have a significant effect on the environment. The Commission adopts a negative declaration and finds that the adoption of a negative declaration reflects the Commission's independent judgment and analysis as lead agency.
4. Based on the entire record of the Commission's proceedings, the Commission hereby makes the following findings and determinations.
 - a. Pursuant to Government Code Section 56720(a), find the reorganization including incorporation of the proposed City of Eastvale is consistent with the intent of the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, including but not limited to, the policies of Government Code Sections 56001, 56300, 56301 and 56377, and the policies of the Riverside County Local Agency Formation Commission.
 - b. The Commission has reviewed the spheres of influence of affected local agencies and finds the reorganization is consistent with those spheres of influence.
 - c. Find the Commission has reviewed the comprehensive fiscal analysis prepared pursuant to Section 56800.
 - d. Find the Commission has reviewed the Executive Officer's staff report and recommendations prepared pursuant to Government Code Section 56665 and the testimony presented at its public hearings.
 - e. Pursuant to Section 56803, the Commission accepts each of the findings and recommendations in the Executive Officer's report and the comprehensive fiscal analysis prepared pursuant to Government Code Section 56800, with exceptions noted and supported by additional findings herein.
 - f. Find the proposed city is expected to receive revenues sufficient to provide public services and facilities and a reasonable reserve during the first three fiscal years following incorporation. The Commission rejects the Executive Officer's finding that the incorporation is not financially feasible based on the following findings.
 - i. Despite the findings of the Executive Officer that staffing assumptions are below acceptable levels, the Commission finds that the minimum staffing levels provided in the CFA and during public testimony will nevertheless allow the city to provide a basic level of services.
 - ii. The ability of the new city to make revenue neutrality mitigation payments from a source outside of its general fund provides reasonable assurance that sufficient revenues will be available to provide basic services and facilities and a reasonable reserve.
 - g. The Executive Officer has found that the ability of two cities, Eastvale and Jurupa Valley, to successfully incorporate is a critical factor to consider in evaluating this proposal. Furthermore, the Executive Officer has found that there is insufficient revenue to support the existence of two cities. The commission rejects this finding based on the following findings.

- i. The successful incorporation of both cities is not a critical factor in the Commission's consideration.
- ii. The future incorporation of Jurupa Valley is not foreclosed by incorporation of Eastvale. Opportunity exists for significant commercial development in the future that could provide sufficient revenue to support incorporation.
- h. Pursuant to Section 56886, determine that existing agencies cannot provide needed services in a more efficient and accountable manner. Incorporation will allow for increased local accountability. Contracting services such as police and fire protection will still allow the city to take advantage of economies of scale associated with a large organization, while allowing public service levels and priorities to be established locally.
- i. Pursuant to Section 56810, determine the base year property tax to be transferred from the County General Fund to the City of Eastvale is \$1,620,345. The City shall also receive all Structural Fire Protection property taxes generated within the subject area. The base year amount shall be adjusted by the county auditor to the fiscal year in which the new city receives its initial allocation, in accordance with Revenue and Taxation Code Section 95 et seq.
- j. Determine that a provisional appropriations limit of \$13,938,809 is established pursuant to Government Code Section 56812. A permanent appropriations limit will be proposed by the city council and established by the voters of the new city at the first municipal election held following the first full fiscal year of operation.
- k. Pursuant to Section 56815(c), determine that the amount of revenue transferring from the county to the new city is substantially equal to the cost of services similarly transferred. Nevertheless, the negative fiscal impact shall be mitigated by the terms of an agreement approved by the Riverside County Board of Supervisors on October 20, 2009 as subsequently amended on January 12, 2010, providing for mitigation payment from the City of Eastvale to the County over a specified period of time. Furthermore, such agreement is incorporated by reference in the terms and conditions adopted by this Commission.
- l. The name of the city shall be the City of Eastvale.
- m. The City shall be incorporated as a general law city.
- n. The City shall be governed by a five-member city council elected at large.
- o. The City shall have the City Manager form of government with a five member city council elected at large at the same election as the incorporation question.
- p. The city council shall appoint a city manager, who shall appoint a city clerk and city treasurer.
- q. The question of incorporation, all related boundary changes, and all terms and conditions shall be presented as one question on the ballot and in accordance with Sections 57133 and 57134.
- r. Pursuant to Section 57118, the election shall be held within the entire territory proposed to be reorganized.
- s. Pursuant to Section 57116, the election to confirm the question of incorporation shall also present the question of whether members of the city council in future elections shall be elected by district, from district, or at large.
- t. Determine the proposed reorganization is legally inhabited.
- u. The reasons for the proposed reorganization include the following:
 - Increased local control and accountability for decisions regarding the community
 - Promote orderly government boundaries
 - Retain local revenues for use within the community
 - Increase opportunities for residents to participate in civic and government activities.
- v. The regular county assessment roll shall be utilized.
- w. The affected territory will not be taxed for any existing bonded indebtedness of any agency whose boundaries are changed as a result of this reorganization. Any existing bonded indebtedness of the County or any other affected agency whose boundaries are not changed shall remain in effect.
- x. A simple majority of votes cast shall determine the outcome of the election.
- 5. This incorporation shall be subject to the following terms and conditions:
 - a. The effective date of the incorporation shall be October 1, 2010.

b. The election and terms of office for members of the City Council shall be subject to Government Code Sections 57377-57379, inclusive.

c. The disposition of public facilities, land and fees shall be subject to negotiation between the County of Riverside and the new City.

d. Pursuant to Government Code Section 56815, the City shall be required to make payments in order to mitigate the impact of incorporation on the County. Payment shall be made as specified in the agreement approved by the Board of Supervisors on October 20, 2009, as subsequently amended on January 12, 2010, providing for mitigation payment from the City of Eastvale to the County over a specified period of time and incorporated by reference herein.

e. Pursuant to Government Code Section 57376, the City Council shall, immediately following its organization and prior to performing any other official act, adopt an ordinance providing that all County ordinances previously applicable shall remain in full force and effect as City ordinances for a period of 120 days thereafter, or until the City Council has enacted ordinances superseding them, whichever shall occur first. Enforcement of continuing County ordinances in the incorporated area shall be with the City, except insofar as enforcement services are furnished in accordance with Government Code Section 57384.

f. Pursuant to Section 57384, the County of Riverside shall continue to furnish all services provided to the area prior to incorporation. Such services shall be furnished for the remainder of the fiscal year during which the incorporation becomes effective or until the City Council requests discontinuance of the services, whichever occurs first. The new City shall be obligated to reimburse the County Riverside for the net cost of services provided in accordance with the provisions of Section 57384(b).

**IMPARTIAL ANALYSIS OF THE PROPOSED REORGANIZATION
TO INCLUDE INCORPORATION OF THE CITY OF EASTVALE
MEASURE "A"**

This is a ballot measure to determine if the voters in the unincorporated community of Eastvale want to incorporate as a city.

The boundaries of the proposed new city encompass approximately 13 square miles with an estimated population of approximately 41,500. The area of the proposed city is generally described as including territory north of the Santa Ana River, south of the Riverside–San Bernardino County line, east of the Cities of Chino and Ontario (San Bernardino Co.) and River Road and west of Interstate 15.

If approved by a majority of voters, the measure will:

- Establish Eastvale as a general law city effective October 1st, 2010, governed by a five-member city council elected at-large by voters on the same ballot as this measure.
- Provide for appointment of a city manager by the city council. The city manager would appoint a city clerk and city treasurer.
- Establish a provisional appropriations limit of \$13,938,809. Every new agency is required to have a temporary limit to constrain the amount of tax revenues that can be expended in a given year. This will neither increase nor decrease tax revenues. Voters will establish a permanent appropriations limit at a future election.

The City would assume responsibility from the County for certain local services, such as police, fire protection, road maintenance, street lighting, land use planning, building and safety, code enforcement and animal control. The council may choose to hire staff directly or contract with the County or other entity to perform these functions. County-wide services, such as administration of justice (courts, district attorney, probation, public defender, etc.), social services, public health, etc., will continue to be provided by the County. Services currently provided by special districts, such as water and wastewater, will continue to be provided by those agencies. Likewise, school district boundaries are not affected by this proposal.

As required by State law, the Local Agency Formation Commission (LAFCO) found the proposed city is expected to receive revenues sufficient to provide public services and facilities and a reasonable reserve during at least the first three fiscal years following incorporation. This finding was made based upon a comprehensive fiscal analysis of the incorporation reviewed by LAFCO and public testimony.

No new or increased taxes or assessments are proposed as part of this measure. The new city will receive some unrestricted revenues generated in the local area that currently accrue to the County, such as sales taxes, franchise fees and a portion of the property taxes. The new city will also receive new general purpose revenue directly from the State, most significantly, Motor Vehicle License Fee revenue. The State will also distribute Highway User Tax revenue to the new city for street and highway expenditures. Any new or increased assessments or taxes proposed in the future will be subject to ballot proceedings required under Proposition 218 (Article XIII C and D of the California Constitution).

Voters are encouraged to read the LAFCO Resolution approving the incorporation, which is included in the ballot materials. The resolution establishes specific terms and conditions for the incorporation, such as transfer of specific assets and responsibility for existing assessments from the County to the new city. Additional resources, such as the Executive Officer's report and the Comprehensive Fiscal Analysis, are available on the LAFCO website (www.lafco.org).

Approved by the Local Agency Formation Commission on February 25, 2010

ARGUMENT IN FAVOR OF MEASURE “A”

Voting Yes on Measure “A” will strengthen Eastvale by making our special community a great city today and for years to come!

Voting Yes on Measure “A” will protect Eastvale families by requiring voter approval for all tax hikes. Eastvale will become a city without creating any new taxes!

That is why taxpayer groups unanimously support Yes on Measure “A” - our best protection against local tax hikes!

Voting Yes on Measure “A” will help maintain a budget reserve three times greater than required by law, insuring that as Eastvale grows and prospers we can expand critical sheriff and fire protections including adding new stations.

That is why over five thousand Eastvale residents already support cityhood.

Voting Yes on Measure “A” means we have local control.

That is why businesses support Eastvale cityhood – they know it will help them expand and create jobs by cutting bureaucratic red tape.

Eastvale cityhood has been studied for three years with state, regional, county, and local agencies. Riverside County and regional agencies have voted five times unanimously in support of cityhood for Eastvale.

Please join your neighbors, elected leaders, and taxpayer advocates in voting Yes on Measure “A” on June 8th.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “A”

Eastvale *should* become a city as soon as we can afford it. But we’re not there yet. If Measure “A” passes, Eastvale will be an under-funded city that hands too much money over to the County, and has a severely limited ability to provide service improvements.

In fact, the “approved” cityhood model includes no improved services in the first 10 years over what the county already has planned for Eastvale.

Let’s get some other facts straight...

- Under California state law NO community is allowed to raise taxes in the first three years after incorporation without prior voter approval.
- Cityhood offers little or no protection against tax hikes because the state and county levy most sales and property taxes.

As part of Measure “A”, we are voting on 30-year agreements wherein Eastvale will have to:

- Pay County neutrality fees that are 30% higher than they should be.
- Hand over “local control” of ALL our Fire Fund taxes to the county.
- Deplete our general fund budget reserve year after year to pay the city’s bills.

How does a city grow and prosper under those conditions?

It’s your money. Get the facts, not hype at www.NotNOWEastvale.com.

Then decide if you think we can afford cityhood NOW under Measure “A”.

ARGUMENT AGAINST MEASURE “A”

It isn't NO on Eastvale...it's Not NOW Eastvale.

Few would dispute that cityhood is our common goal. We have a great community that will make a great city. Unfortunately, the terms of Measure “A” tie us to unfavorable commitments that compromise our ability to become a successful city.

We need to generate a bigger tax base. Eastvale's tax base isn't yet large enough to afford anticipated operating expenses. Becoming a city will not automatically bring us a larger tax base. Moving families into all those foreclosed homes, supporting local businesses, and attracting new businesses and customers to our community is what will increase the tax base.

We need to keep Eastvale Fire Funds in Eastvale. A single fire station with one engine and a crew of three is not enough to serve our community. Yet as part of Measure “A”, we are required to hand over to the County any surplus Eastvale Fire Funds for use in other communities.

We need to build Eastvale on solid fiscal principles and avoid borrowing money. Since 2002, new cities are required by law to reimburse counties for lost revenues resulting from their incorporation – “neutrality fees.” Under Measure “A”, Eastvale will be borrowing money from the County and taking money from our city Fire Fund to meet operating expense obligations, including these neutrality fees, for many years.

We can create a much stronger Eastvale if we reject the terms of cityhood under Measure “A”, take the time to negotiate more favorable agreements with the County, and put cityhood back on the ballot in a future election.

REBUTTAL TO ARGUMENT AGAINST MEASURE “A”

Each and every time cityhood for Eastvale has been examined by state, regional, and local agencies, the taxpaying families of Eastvale have earned the unanimous support of their elected boards. As LAFCO has stated, “The proposed city is expected to receive revenues sufficient to provide public services and facilities”.

Measure “A” makes sense because it improves the safety of our streets, our neighborhoods, while helping attract good jobs. It keeps our hard earned taxes here, protecting us, instead of being spent on other communities.

Measure “A” means that when a major disaster strikes, we will be protected because we will be able to make the investment in multiple fire stations, expanded sheriff patrols, and a state-of-the-art regional ‘mutual aid’ emergency response system.

Eastvale cityhood means that the safeguards taxpaying families in every neighboring community enjoy – the right to vote on taxes, the ability to go to City Hall to solve an issue, will be ours as well. That is why the Riverside County Taxpayers Association and the Eastvale Taxpayers Association urge a ‘YES’ vote on Measure “A”.

Don't let political insiders scare you so they can keep spending your taxes.

Measure “A” is our best way to keep our taxes here in Eastvale where we have control over the politicians.

Vote ‘Yes’ on Measure “A” on June 8th.

IMPARTIAL ANALYSIS OF MEASURE “B”

If Measure “A” passes, the City of Eastvale will be incorporated and five members of the City Council will be elected at-large. The law governing the incorporation of a new city requires that the voters be given the choice, for future elections, to decide whether members of the City Council are elected by-district, from-district or at-large.

By-district elections of members of the City Council would mean only the people who live in a particular district may run for a seat on the City Council to represent that district. Only the voters of that district may vote for a City Council representative for that district. The individual elected is the City Council representative for that district.

From-district elections of members of the City Council would mean only the people who live in a particular district may run for a seat on the City Council to represent that district. Voters of the entire city may vote for all City Council members running for election. The individual elected is the City Council representative for that district.

At-large elections of members of the City Council would mean that anyone who lives in the City may run for a seat on the City Council without regard to district boundaries. Voters of the entire City may vote for all City Council members running for election. The individuals elected are the City Council representatives for the entire City.

MEASURE “B” ARGUMENT IN FAVOR OF ELECTIONS AT LARGE

Vote ‘At Large’ on Measure “B” to keep Eastvale focused on spending our precious tax dollars on sheriff and fire protection. In the last year, cities that vote by district, like Oakland, cut vital protections because of infighting, mismanagement, and waste.

That is why taxpayer groups ask you to Vote ‘At Large’ on Measure “B”.

Vote ‘At Large’ on Measure “B” because as a small city, every family in Eastvale deserves the chance to vote on all five City Council members – From District only allows you to vote for one.

Don’t silence your own voice, don’t split neighborhoods apart, vote ‘at large’.

Hundreds of California cities do not use or have rejected ideas like By/From District because they know that cities like Los Angeles, which follow policies like that, spend too much time fighting and spending our taxes on pet projects.

Stop wasteful spending of our tax dollars by voting ‘At Large’ on Measure “B”.

By voting ‘At Large’ on Measure “B”, you keep your power, stop government waste, and protect sheriff and fire protection.

Make your voice heard to all five Council members. Vote ‘At Large’ on Measure “B” on June 8th.
