Election **REMINDER**

Elections in California

There are two different types of primary elections in California. The results of the primary election determine the candidates who will run in the general election in November. The types of primary elections are:

Presidential (Party-Nominated/Partisan Office)

- Office on the ballot: U.S. President
- Who can vote: Only voters who registered with the same political party as the candidate (the Democratic, American Independent, and Libertarian parties allow voters who registered with no party preference to vote in their primary).
- Result: The candidate who moves on to the general election is the candidate nominated by their national political party and may not be the candidate that was elected by popular vote in the California primary election.

California Open Primary (Voter-Nominated Offices)

- Offices on the ballot: U.S. Senate, U.S. House of Representatives, statewide offices, and state legislative offices
- Who can vote: Any voter may vote for any one candidate in each contest, regardless of party preference.
- Result: The top-two candidates, regardless of party preference, who receive the most votes in each primary contest move on to the general election. After a top-two primary, a general election must be held even if one candidate receives a majority of the vote (at least 50 percent +1) and even if there is only one candidate in the primary election.

California's open primary system does not apply to candidates running for U.S. President, County Central Committee, or local offices. Non-partisan offices (such as judges, county supervisors, city council members, and school board members) remain open to all eligible voters.

Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent +1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

Superintendent of Public Instruction is a nonpartisan office. If a candidate for Superintendent of Public Instruction were to receive a majority of the vote (at least 50 percent +1) at the primary election, then that candidate would be elected, and no general election would be held. Additional information on nonpartisan offices can be found below.

California law requires the following information to be printed in this guide.

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county Voter Information Guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

HOW TO USE THIS SAMPLE BALLOT

1. **POLITICAL PARTY PREFERENCE:** If you are not sure about your political party preference, look at the front of this booklet or at the address label on the back cover. You may also check your political party preference on our website at www.voteinfo.net or by calling (951) 486-7200. If you chose a political party preference when registering to vote you will be issued an official ballot which will include that political party's U.S. Presidential and central committee candidates. Voter-Nominated and Nonpartisan contests will also be included.
2. **NO PARTY PREFERENCE AND NONPARTISAN:** If you did not indicate a political party preference or you registered with an unqualified political party, then you will be issued the **No Party Preference / Nonpartisan** ballot. Your ballot will include congressional, state legislative, and nonpartisan contests, **not U.S. Presidential Candidates**. However, for this election, three parties are allowing cross over voting for their Presidential Candidates. You may request one of the following ballots:

American Independent Party

Democratic Party

Libertarian Party

3. PARTISAN OFFICES IN THE SAMPLE BALLOT

Look at the sample ballot pages that follow. Find the sample ballot pages for the appropriate political party, in order to review your official ballot choices for partisan offices. If you are a no party preference voter and you choose to vote the nonpartisan ballot, you will not find any of the presidential candidates on your ballot.

4. VOTER-NOMINATED AND NONPARTISAN SAMPLE BALLOT PAGES

All voters are eligible to vote on the voter-nominated and nonpartisan portion of the ballot. Following the party sample ballot pages are the voter-nominated and nonpartisan offices, and state and local propositions and measures. The exact issues and offices on your ballot correspond to the location of your residence address, according to what jurisdictions have seats to fill and/or questions to ask.

HOW TO MARK YOUR PAPER BALLOT

Please refer to the following instructions on how to properly complete your Official Ballot:

- Completely fill in the oval next to your choice, like the example provided. Check both front and back of ballot for voting contests.
- Use a black ink pen or marker. Do not use red ink.
- Completely filling in the oval is preferred.
- Vote for no more than the number of votes allowed in each contest (e.g., vote for one, vote for no more than two, etc.).
- Please keep the ballot folded the same way as you received it.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
42ND CONGRESSIONAL DISTRICT**

KEN CALVERT, Republican

AGE: 66

OCCUPATION: U.S. Representative

EDUCATION AND QUALIFICATIONS:

As a lifelong Inland Empire resident, it is my honor and privilege to represent you in the United States House of Representatives.

My focus is on the issues most important to our community. I am committed to improving our roads so commuters can spend more time with their families. Recently, I worked with local officials to secure a \$50 million federal grant to reduce congestion on our local freeways.

I am concerned by the explosion of homelessness resulting from Democrat policies that essentially legalized drug use and petty theft, making it tougher for communities to address the crisis.

I have delivered essential resources to fight our state's wildfires, create a life-saving earthquake early warning technology, and improve our air quality.

Spurred by lower federal taxes and reduced regulations, our economy has delivered record low unemployment and higher wages. I oppose efforts by Democrats to raise taxes on families to pay for a massive government expansion, including their scheme to force you into government run healthcare.

We must be a nation that enforces the rules of law. I support construction of the border wall and making E-Verify mandatory.

As the top Republican on the Defense Appropriations Subcommittee, I proudly support pay raises for our troops as well as the vital missions at our Navy base in Norco and March Air Reserve Base. We must ensure our military remains the strongest in the world.

I am eager to continue working for you and your family. I humbly ask for your vote.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
42ND CONGRESSIONAL DISTRICT**

WILLIAM "LIAM" O'MARA, Democratic
OCCUPATION: University Professor / Historian
EDUCATION AND QUALIFICATIONS:

AGE: 45

I'm Liam O'Mara, a former longshoreman and frycook, and currently a professor of history. I do not come from a privileged background, and understand the struggles we face in the Inland Empire.

Wages have been stagnant for decades, the price of housing and of healthcare have skyrocketed, and jobs are being automated away. I am running for Congress because, as a historian, I know how we got here, and what we can do about it.

Expanding roads and freeways can help with traffic, but not solve it -- for that we must develop our local economy. In Congress I will work to help small businesses, to attract new investments, and to get a public university in district to reduce commuter traffic and make more affordable the training we need for the jobs of tomorrow.

We deserve better jobs now, as well, not more warehousing work that will soon be lost to robots. Half the Inland Empire earn less than a living wage, and in Congress I will fight to expand opportunities so that our children have a better future.

We can lower the cost of living and keep more of what we earn, and ensure everyone has adequate healthcare, a good education, and a place to live. We do that by addressing corruption in Washington, and ending policies that have seen the bottom 50% lose a trillion in wealth.

It's time we had a Congressperson to represent all of us, not just a few. I humbly ask for your vote.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
42ND CONGRESSIONAL DISTRICT**

REGINA MARSTON, Democratic
OCCUPATION: President
EDUCATION AND QUALIFICATIONS:

AGE: 59

I earned a Bachelor of Science degree in communications from the University of Florida. Over the last 30 years, I have held senior level management roles in health insurance, homebuilding, development & infrastructure, utilities, and clean energy in California, and nationwide. I'm an entrepreneur who has developed solutions to many issues that impact District 42.

My experience taught me valuable negotiating, communication, stakeholder engagement, regulatory, and policymaking skills that I will use in Congress. I understand the importance of having a representative who will work for the "people" when interacting with local, state, and federal government. Many times, government is focused on developing a strong tax base for maintaining the "status quo" and not for the benefit of the community. As the endorsed AFL-CIO candidate, I will be a champion for the people, not the powerful.

CA 42 is the growth center for the next 20+ years. This will mean increased traffic, additional strain on our energy and water infrastructure, a negative impact on our air quality, increased demand on our school districts, and police/fire resources. My vision is to protect the constituents and work with our local, state, and federal governments to create solutions for sustainable growth that don't raise taxes beyond the ability of our residents to pay.

To ensure our region has the resources needed to meet the challenges ahead, we need a leader who has the experience to hit the ground running on day one. Put me to work for you in CA 42. Thank you.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
23RD SENATORIAL DISTRICT**

LLOYD WHITE, Republican

AGE: 58

OCCUPATION: Councilman / Business Analyst

EDUCATION AND QUALIFICATIONS:

California is headed in the wrong direction and the problem starts in Sacramento. The Legislature spends its time passing crazy laws like plastic straw bans, while real problems like high taxes, traffic congestion, homelessness and underperforming schools go unaddressed.

I am proud to be the locally endorsed candidate for State Senate – the candidate Sacramento fears most. With your vote, I will fight to reverse the liberal, high tax policies that have made California too expensive for working families, seniors and business.

I offer a proven track record as a Citizen Tax Fighter who took on City Hall, rooted out corruption, reformed spending and lowered property taxes. I'll bring this same dedication and focused leadership to the State Capitol as our next Senator.

My experience as a Councilman and Business Analyst will help me attack the broken system in Sacramento, where special interests and political insiders cut budget-busting backroom deals to enrich themselves at our expense.

As the first to take the No New Tax Pledge, I believe Inland Empire families already pay too much. I'll fight to protect Prop. 13 and stop property tax hikes. I'll fight to lower the fees and regulations that make building homes in California so expensive.

My local endorsements include: Conservative Riverside County Former Senator Jeff Stone and more than 20 City Councilmembers and elected officials from our district.

I'd be honored to receive your vote and fight for you in Sacramento.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
23RD SENATORIAL DISTRICT**

ROSILICIE OCHOA BOGH, Republican

OCCUPATION: Businesswoman / School Boardmember

EDUCATION AND QUALIFICATIONS:

I have lived in the Inland Empire for 29 years since moving here while in high school. In that time, I have raised a family with my husband of 23 years, built a business, and been given the opportunity to serve our community.

I have served on the Yucaipa-Calimesa School Board helping our children receive the education they need to succeed. My time on school board has shown me the passion I have for representing the needs of my neighbors and opened my eyes to the larger questions facing the Inland Empire.

As your State Senator, my driving motivation will be representing and supporting the interests and needs of Senate District 23's constituents. Our communities here in the Inland Empire have provided the opportunity of so many families like my own to attain the American dream of good jobs, home ownership and building strong families.

This remains true today but the increasing affordability and homelessness crises across the state are threatening to make it impossible for families to reach these dreams. Governor Newsom and legislators in Sacramento have ensured that reasonable solutions to these problems are not enacted and they will continue making it harder for Californians to succeed if significant changes are not made.

I am the best candidate to act as a coalition builder in Sacramento and enact solutions to these and other problems facing the constituents of district 23 and all Californians.

I am proudly endorsed by State Senator Mike Morrell. Learn more at ochoaboghforsenate.com

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
42ND ASSEMBLY DISTRICT**

DENIANTIONETTE MAZINGO Esq., Democratic
OCCUPATION: Attorney At Law
EDUCATION AND QUALIFICATIONS:

I always put the community first. As Commissioner for Women, I established a program educating young people about the dangers of human trafficking. I petitioned the Hemet Valley Medical Center to resume operating the Rape Crisis Center.

I am a member of Soroptimist International, living out our mission aiding women and girls, leading to social and economic empowerment, Rotary International, Hemet Woman's Club, AAUW, VFW Auxiliary, Las Amigas, Incorporated, National Council of Negro Women, defending the rights of people of color.

I initiated a street ministry to serve the homeless by providing meals, clothing, and information about benefits. Was named 'Woman of The Year' by CA Senator Mike Morrell in 2016.

We need a strong voice for the 42nd District representing all residents, no matter where they reside. As Assembly member for this district, I will speak for those without a voice, seniors, single mothers struggling to care for their children, veterans surviving in a country they were willing to give their life for us to continue enjoying our freedoms, the LGBTQ community who deserves the same benefits as any resident.

Children deserve a decent education in order to compete as future leaders, and everyone deserves affordable universal healthcare.

We must create competitive jobs, clean air and water to ensure quality of life, programs to the most vulnerable among us, ensure affordable housing.

Therefore, I am humbly requesting your support and ask for your vote to allow me to be the voice of the people.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
42ND ASSEMBLY DISTRICT**

CHAD MAYES, No Party Preference
OCCUPATION: Member of the State Assembly
EDUCATION AND QUALIFICATIONS:

AGE: 42

Although we live in complicated times, my belief in us gives me hope and optimism for the future.

Sure, news travels at the speed of sound, political gamesmanship dominates both political parties, and their failures have left our community to fend for itself.

Yet, when we remain united, we can accomplish great things together.

For 5 years now, we have worked together to define who we are as Americans, what unites us as neighbors, and what drives us to make our community better.

I am once again asking for your continued trust to allow me to serve as your voice in Sacramento.

By listening to all points of view, we've brought the best Republican and Democratic policies together and delivered results that improved the lives of many of our neighbors.

For example, Republicans were proud that I authored a law that cut taxes and eliminated needless regulations and Democrats cheered when we delivered \$10 million toward fighting homelessness in our community.

The work is not done. We have so much more to do.

We must restore S.T.E.M educational programs to prepare our graduates for our changing economy, promote policies to make California affordable, guard our Rainy-Day reserve fund to protect taxpayers, and reduce the cost of health care.

We've made sense of these complicated times by working together and remaining true to our optimistic vision for our community. With your trust and vote, I'd be honored to continue serving as your State Assemblyman.

MEASURE “B” - BEAUMONT UNIFIED SCHOOL DISTRICT

FULL TEXT BALLOT PROPOSITION OF THE BEAUMONT UNIFIED SCHOOL DISTRICT BOND MEASURE ELECTION MARCH 3, 2020

The following is the full proposition presented to the voters by the Beaumont Unified School District.

To improve student safety and security systems, replace roofs, plumbing, electrical systems, construct, furnish and equip classrooms, science labs, school and career technical education facilities for Science, Technology, Engineering, Arts, and Math (STEAM) programs, and add facilities for growing enrollment, shall the Beaumont Unified School District measure be adopted authorizing \$98,000,000 in bonds at legal rates, and an estimated levy of \$50 per \$100,000 assessed value raising \$6,000,000 annually while bonds are outstanding, with citizen oversight, independent audits?

PROJECT LIST FOR THE BOND MEASURE

Description of Projects. The Board of Trustees of the Beaumont Unified School District has evaluated the facility needs for the District's schools. The Board has determined that facilities needs exist at all of its schools, and that additional school facilities will need to be constructed as the District enrollment increases as further described below.

Existing Facilities. The Board has established a list of projects to be financed at the District's existing schools and facilities. The projects to be financed by the bonds to be issued by the District include the construction, rehabilitation, acquisition, equipping and furnishing of the following existing schools and facilities listed below:

Anna M. Hause Elementary School
Brookside Elementary School
Palm Innovation Academy
Starlight Elementary School
Sundance Elementary School
Three Rings Ranch Elementary School
Tournament Hills Elementary School
Mountain View Middle School
San Gorgonio Middle School
Beaumont High School
Glen View High School
21st Century Learning Institute
Beaumont Adult School
District Educational Support and
Transportation Facilities

The projects to be financed at each of the school facilities and locations listed above include the following and may be completed either through new construction or the reconstruction, rehabilitation or replacement of existing improvements and will include furnishings and equipment as needed for classrooms and other facilities:

- Safety and security improvements including security fencing, cameras, emergency communications, alarms, sprinklers, keyless entry, electronic locks and window protection.
- Classrooms, science labs, career technical education and skilled trade facilities, auditoriums, multipurpose rooms, cafeterias, kitchens, restrooms and other facilities.
- Roofs, plumbing, lighting, electrical, sewer, water and fire alarm systems and building exteriors.
- Replacement of portable classroom space with new portable, modular or permanent classrooms for current and future program needs.
- Site improvements including lunch and shade structures, playground areas and equipment, fields and hard courts, parking improvements, concrete walkway rehabilitation and replacement, and improvements to meet Americans for Disability Act (ADA) access requirements.
- Energy efficiency improvements including solar, heating, ventilation and air conditioning installation and replacement, and window replacement to improve classroom environments.
- Removal of hazardous materials such as asbestos and lead paint.
- Added space for school support programs, including dedicated offices, conference rooms, family resource centers and other support areas.
- Technology improvements and equipment for all classrooms, libraries, laboratories and other facilities including hardware and wireless systems, internet connectivity and software for instruction in math, science, engineering and technology.

Whenever specific items are included in the list above, they are presented to provide an example and are not intended to limit the generality of the broader description of authorized projects.

New School Facilities. The projects to be financed with bond proceeds also include the construction, site acquisition, equipping and furnishing of new schools, and the renovation and rehabilitation thereof, to provide facilities as enrollment increases. These projects include all elements of new schools including, but not limited to, classrooms, career technical education facilities, science and computer labs, auditoriums, gymnasiums, fields and stadiums, cafeterias, administration and support facilities, parking, playgrounds, hardscape, energy efficiency improvements, landscaping, furnishings and equipment.

Implementation of Construction and Bond Program. Listed projects will be completed only as needed and the above order in the listing of projects does not imply a particular prioritization among projects. Decisions regarding the scope, timing, prioritization or other facets of project implementation will be made solely by the Board of Trustees by subsequent action. Projects may be done in phases, based on Board of Trustees priorities. Listed projects may be completed at any and all District schools, sites and education buildings where such projects are determined necessary by the Board of Trustees. Where terms such as "rehabilitation" and "replacement" are used in the foregoing Project List for the Bond Measure, the Board of Trustees shall determine the best method for accomplishing the project's objective. For any listed project involving renovation of all or a portion of a building, the District may proceed with new replacement construction instead (including any necessary demolition), if the District determines that replacement and new construction is more practical than renovation, considering the building's age, condition, expected remaining life, comparative cost, and other relevant factors.

Each project financed will include its share of architectural, engineering, and similar planning costs, program management, project or construction management, a contingency for unforeseen circumstances, offsite/utility connection costs, and interim housing. Projects also may include the payment of the costs of preparation of all facility planning, facility assessment reviews, environmental studies, construction documentation, plan check, inspection and permit fees and costs for temporary facilities, furnishings and equipment necessary in connection with construction activities.

The projects may include the acquisition of improvements on the project list that are financed by the District on an interim basis through temporary loans, leases, lease-leaseback, or lease-purchase arrangements.

The District intends to apply for State matching funds for all eligible projects to be financed. In the absence of such funding, the District may not be able to undertake some of the projects listed above. Approval of this proposition does not guarantee that the proposed projects that are the subject of this proposition will be funded beyond the local revenues generated by this proposition. The District's receipt of matching State funds will be subject to appropriation by the Legislature and approval of a statewide bond measure.

The budget for each project is an estimate and may be affected by factors beyond the District's control. The final cost of each project will be determined as plans are finalized, construction bids are awarded and projects are completed. Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed.

FISCAL ACCOUNTABILITY REQUIREMENTS

The provisions in this section are specifically included in this proposition in order that the voters and taxpayers in the District may be assured that their money will be spent only to address specific facilities needs of the District in compliance with the requirements of Article XIII A, Section 1 (b)(3), of the State Constitution and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Education Code Sections 15264 and following.)

Evaluation of Needs. The Board hereby certifies that it has evaluated safety, class size reduction and information technology needs in developing the project list contained in this ballot proposition.

Independent Citizens' Oversight Committee. The Board shall establish an Independent Citizens' Oversight Committee pursuant to Education Code Section 15278 and following to ensure bond proceeds are expended only on the projects listed in this ballot proposition. The committee shall be established within 60 days of the date when the results of the election appear in the minutes of the Board.

Performance Audits. The Board shall conduct an annual, independent performance audit to ensure that the bond proceeds have been expended only on the projects listed in this ballot proposition.

Financial Audits. The Board shall conduct an annual, independent financial audit of the bond proceeds until all of those proceeds have been spent for the projects listed in this ballot proposition.

Special Bond Proceeds Account: Annual Report to Board. Upon approval of this proposition and the sale of any bonds approved, the Board shall take actions necessary to establish an account in which proceeds of the sale of bonds will be deposited which will be a Building Fund to be held by the Riverside County Treasurer, as required by the California Education Code. As long as any proceeds of the bonds remain unexpended, the Superintendent of the District shall cause a report to be filed with the Board annually stating (1) the amount of bond proceeds received and expended in that year, and (2) the status of any project funded or to be funded from bond proceeds. The report may relate to the calendar year, fiscal year, or other appropriate annual period as the Superintendent shall determine and may be incorporated in the annual budget, audit, or another appropriate routine report to the Board.

ADDITIONAL SPECIFICATIONS

Terms of the Bonds. The bonds may be issued and sold in several series in accordance with the financing plan determined by the Board of Trustees. Bonds may be issued pursuant to the Education Code or the Government Code at the discretion of the Board of Trustees with final maturity dates and at interest rates not exceeding the legal limits set forth therein.

Limit on Use of Bond Proceeds. Proceeds from the sale of bonds authorized by this proposition may be used only for the construction, reconstruction, rehabilitation or replacement of school facilities including the furnishing and equipping of school facilities or acquisition or lease of real property for school facilities and not for any other purpose, including teacher and administrator salaries.

Approval of Measure B does not guarantee that the proposed project or projects in the Beaumont Unified School District that are the subject of bonds under Measure B will be funded beyond the local revenues generated by Measure B. The District's proposal for the project or projects may assume the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

MEASURE "B" - BEAUMONT UNIFIED SCHOOL DISTRICT

**TAX RATE STATEMENT
REGARDING PROPOSED**

**\$98,000,000
BEAUMONT UNIFIED SCHOOL DISTRICT
GENERAL OBLIGATION BOND MEASURE**

An election will be held in the Beaumont Unified School District (the "District") on March 3, 2020, to authorize the sale of up to \$98,000,000 in bonds of the District to finance school facilities as described in the measure. If such bonds are authorized and sold, principal and interest on the bonds will be payable only from the proceeds of *ad valorem* tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400-9404 of the Elections Code of the State of California.

Based upon the foregoing and projections of the District's assessed valuation, the following information is provided:

1. The best estimate from official sources of the average annual tax rate which would be required to be levied to fund this bond issue over the entire duration of the bond debt service, using a projection of assessed valuations based on experience within the District available at the time of filing of this statement, is 5 cents per \$100 of assessed valuation (or \$50 per \$100,000 of assessed value). The final fiscal year in which the tax is anticipated to be collected is 2049-50.
2. The best estimate from official sources of the highest tax rate which would be required to be levied to fund this bond issue, using a projection of assessed valuations based on experience within the District, is 5 cents per \$100 of assessed valuation (or \$50 per \$100,000 of assessed value). It is estimated that such rate would be levied starting in fiscal year 2020-21 and following.
3. The best estimate from official sources of the total debt service, including the principal and interest, that would be required to be repaid if all the bonds are issued and sold is approximately \$179,328,947.

The attention of all voters is directed to the fact that the foregoing information is based upon projections and estimates only, which amounts are not maximum amounts and are not binding upon the District. The actual debt service, tax rates and the years in which they will apply may vary from those used to provide the estimates set forth above, due to factors such as variations in the timing of bond sales, the par amount of bonds sold and market interest rates available at the time of each sale, actual assessed valuations over the term of the bonds, and other factors. The date and amount of bonds sold at any given time will be determined by the District based on the need for project funds and other considerations. The actual interest rates at which the bonds will be sold will depend on conditions in the bond market at the time of sale. Actual future assessed valuations will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process and could be more or less than those projected in preparing this tax rate statement depending on a number of economic and other factors outside the control of the District.

By: Terrence Davis, Superintendent
Beaumont Unified School District

IMPARTIAL ANALYSIS OF MEASURE “B”

The Board of Trustees (“Board”) of the Beaumont Unified School District (“District”) by adopting Resolution No. 2019-20-13 (“Resolution”), elected to call an election pursuant to Section 18 of Article XVI and Section 1 of Article XIII A of the California Constitution and Section 15100 and 15264 *et seq.* of the California Education Code to obtain authorization to issue and sell general obligation Bonds (“Bonds”) in the aggregate amount principal amount of ninety eight million dollars (\$98,000,000).

This Measure was placed on the ballot by the Board of the District.

The Bonds would be used by the District to renovate, upgrade, and repair aging infrastructure and construct buildings, classrooms, and school labs. The Bonds may be used for school facilities projects such as modernizing classrooms, buildings and career-technical education facilities for Science, Technology, Engineering, Arts and Math (STEAM) programs, and upgraded security and safety measures. The Bonds would not be used to fund the salaries, pensions or benefits of any board members, administrator, and/or teachers or for other school operating expenses.

An ad valorem tax would be levied and collected on property within the boundaries of the District to pay the principal and interest on the Bonds. The best estimate of the average annual tax rate at this time is approximately \$0.05 per \$100 per assessment (or \$50.00 per \$100,000) of assessed value. The final year in which the tax is anticipated to be collected is 2049-2050.

The Resolution provides that the maximum interest rate on the Bonds will not exceed the maximum statutory interest and the maximum term of the Bonds, or any series thereof, will not exceed the maximum statutory term. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all of the bonds are issued and sold is \$179,328,947.

Conditional Voter Registration

Did you forget to register or update your voter registration? No Problem! A new law allows you to register to vote and vote until 8:00 p.m. on Election Day at your county elections office or at any vote center or polling place in your county. This process is called Conditional Voter Registration (CVR) and is commonly referred to as Same Day Voter Registration. Here's how it works:

1. Visit the Registrar of Voters office located at 2720 Gateway Drive, Riverside, CA 92507.
2. Complete a voter registration card or register online at RegisterToVote.ca.gov.
3. Vote your ballot at your county elections office, vote center, or polling place.
4. Once the county elections official processes your registration and determines you are eligible, you will be registered to vote and your ballot will be counted.

To learn more about Conditional Voter Registration, visit vote.ca.gov.

If you have questions regarding Conditional Voter Registration, please call (951) 486-7200 or toll free (800) 773-VOTE (8683).

You may check the status of your voter registration at www.voteinfo.net/AmIRegistered.

California Motor Voter

The California Motor Voter program is making registering to vote at the California Department of Motor Vehicles (DMV) more convenient and secure. All eligible individuals completing driver license or ID card or change of address transactions at the DMV will be registered to vote with the California Secretary of State unless they "opt out" of automatic voter registration.

The California Motor Voter program applies to Californians who are 18 years or older and meet the following criteria:

- A United States citizen and a resident of California.
- Not currently in state or federal prison or on parole for the conviction of a felony.
- Not currently found mentally incompetent to vote by a court.

Note: Voter pre-registration is available for those 16 and 17 years of age. Their voter registration will become active automatically when they turn 18.

Before visiting a DMV field office, we recommend making an appointment. Visit <https://www.dmv.ca.gov/portal/dmv/detail/portal/foa/>. You can also use DMV online services (<https://www.dmv.ca.gov/portal/dmv/dmv/online/vcs>) to renew your driver license or ID card or change your address.

If you indicate you're eligible to vote, once you complete your driver license or state ID renewal form transaction online, by mail or in person at the DMV, your voter information is then transmitted securely and electronically to the California Secretary of State.

Please note that drivers with an AB 60 driver's license are not eligible to participate in the California Motor Voter program and are not eligible to vote.

For more information, visit MotorVoter.sos.ca.gov.

Tips for California's Military and Overseas Voters

Taking part in elections is more convenient than ever for Californians serving in the military or living outside the United States. It begins when you register to vote as a military or overseas voter and receive election materials by mail, fax, or email.

- **Start early.** California's county elections officials begin sending ballots to military and overseas voters 60 days before Election Day. Fill out a voter registration application early at RegisterToVote.ca.gov to ensure that you receive your voting materials in time.
- **Know your options.** When registering to vote as a military or overseas voter, you can choose to have your ballot mailed, faxed, or emailed to you. You may return your voted ballot to your county elections official by mail or, in certain circumstances, by fax. If you meet the requirements to return your ballot by fax, you must also fax the Oath of Voter form (available from your county elections official) waiving your right to a confidential ballot.
- **Stay in touch.** Once you register as a military or overseas voter, you will continue to receive a ballot and election materials from your county elections official before each election. We encourage you to update your registration each year, if needed; however, you *must* re-register to vote if you change your address, your name, or your political party preference, or if you do not participate in four consecutive statewide general elections. Visit www.sos.ca.gov/elections/voter-registration/military-overseas-voters/ for more election resources designed especially for you.

Dates to remember:

February 18: last day to register to vote and request your ballot

February 25: last day to update or change how you want to receive your ballot

March 3: Election Day. Mailed ballots must be postmarked on or before Election Day **and** received by your county elections office no later than March 6. Faxed ballots must be delivered to your county elections office by close of polls, no later than 8:00 p.m. Pacific Standard Time, on Election Day.
