MEASURE(S) SUBMITTED TO THE VOTERS / MEDIDA(S) SOMETIDAS A LOS VOTANTES STATE / ESTADO

1A

"RAINY DAY" BUDGET STABILIZATION FUND. Changes the budget process. Could limit future deficits and spending by increasing the size of the state "rainy day" fund and requiring above-average revenues to be deposited into it, for use during economic downturns and other purposes. Fiscal Impact: Higher state tax revenues of roughly \$16 billion from 2010-11 through 2012-13. Over time, increased amounts of money in state rainy day reserve and potentially less ups and downs in state spending.

FONDO DE ESTABILIZACIÓN PRESUPUESTARIA PARA TIEMPOS DE NECESIDAD. Cambia el proceso presupuestario. Podría limitar los futuros déficits y gastos al aumentar el tamaño del fondo del estado para los tiempos de necesidad y requiere que se depositen recaudaciones superiores al promedio en ese fondo, para uso durante períodos de bajón económico y para otros propósitos. Impacto fiscal: Mayores recaudaciones impositivas para el estado de unos \$16 mil millones desde 2010-11 hasta 2012-13. A lo largo del tiempo, mayores cantidades de dinero en la reserva del estado para los tiempos de necesidad y potencialmente menos altibajos en el gasto del estado.

NO

1B

EDUCATION FUNDING. PAYMENT PLAN. Requires supplemental payments to local school districts and community colleges to address recent budget cuts. Fiscal Impact: Potential state savings of up to several billion dollars in 2009-10 and 2010-11. Potential state costs of billions of dollars annually thereafter.

FINANCIAMIENTO DE LA EDUCACIÓN. PLAN DE PAGO. Requiere pagos suplementarios a los distritos escolares y a las universidades comunitarias locales para enfrentar los recortes presupuestarios recientes. Impacto fiscal: Posibles ahorros para el estado de varios miles de millones de dólares en 2009-10 y en 2010-11. Posibles costos para el estado de miles de millones de dólares anuales a partir de entonces.

1C

LOTTERY MODERNIZATION ACT. Allows the state lottery to be modernized to improve its performance with increased payouts, improved marketing, and effective management. Requires the state to maintain ownership of the lottery and authorizes additional accountability measures. Protects funding levels for schools currently provided by lottery revenues. Increased lottery revenues will be used to address current budget deficit and reduce the need for additional tax increases and cuts to state programs. Fiscal Impact: Allows \$5 billion of borrowing from future lottery profits to help balance the 2009-10 state budget. Debt-service payments on this borrowing and higher payments to education would likely make it more difficult to balance future state budgets.

LEY DE MODERNIZACIÓN DE LA LOTERÍA. Permite que la lotería del estado sea modernizada para mejorar su desempeño mediante mayores pagos, mejor comercialización y administración efectiva. Requiere que el estado siga siendo propietario de la lotería y autoriza medidas adicionales de rendición de cuentas. Protege los niveles de financiamiento de las escuelas que proporcionan actualmente las recaudaciones de la lotería. Las mayores recaudaciones de la lotería se emplearán para reducir el déficit presupuestario actual y reducir la necesidad de aumentos impositivos adicionales y de recortes en programas estatales. Impacto fiscal: Permite que se tomen en préstamo \$5 mil millones de las ganancias futuras de la lotería para ayudar a equilibrar el presupuesto estatal para 2009-10. Los pagos del servicio de la deuda correspondientes a este préstamo y los pagos más elevados para la educación probablemente dificultarían equilibrar los presupuestos estatales futuros.

CHILDREN'S SERVICES FUNDING. Temporarily provides greater flexibility in funding to preserve health and human services for young children while helping balance the state budget in a difficult economy. Fiscal Impact: State General Fund savings of up to \$608 million in 2009-10 and \$268 million annually from 2010-11 through 2013-14. Corresponding reductions in funding for early childhood development programs provided by the California Children and Families Program.

FINANCIAMIENTO DE SERVICIOS PARA NIÑOS. Proporciona temporalmente mayor flexibilidad del financiamiento para preservar los servicios de salud y humanos para niños pequeños y, a la vez, ayudar a equilibrar el presupuesto estatal en una economía difícil. Impacto fiscal: Ahorros para el Fondo General del Estado de hasta \$608 millones en 2009-10 y de \$268 millones anuales a partir de 2010-11 hasta fines de 2013-14. Reducciones correspondientes en el financiamiento de programas de desarrollo de la primera infancia proporcionados por el Programa de Niños y Familias de California.

MENTAL HEALTH FUNDING. TEMPORARY REALLOCATION. Helps balance state budget by amending the Mental Health Services Act (Proposition 63 of 2004) to transfer funds, for two years, to pay for mental health services provided through the Early and Periodic Screening, Diagnosis, and Treatment Program for children and young adults. Fiscal Impact: State General Fund savings of about \$230 million annually for two years (2009-10 and 2010-11). Corresponding reduction in funding available for Mental Health Services Act programs.

FINANCIAMIENTO DE SALUD MENTAL. REASIGNACIÓN TEMPORAL. Ayuda a equilibrar el presupuesto estatal al enmendar la Ley de Servicios de Salud Mental (la Propuesta 63 de 2004) para transferir fondos, por dos años, para pagar los servicios de salud mental provistos a través del Programa de Detección Temprana y Periódica, Diagnóstico y Tratamiento para niños y adultos jóvenes. Impacto fiscal: Ahorros para el Fondo General del Estado de unos \$230 millones anuales por dos años (2009-10 y 2010-11). Reducción equivalente del financiamiento disponible para programas de la Ley de Servicios de Salud Mental.

ELECTED OFFICIALS' SALARIES. PREVENTS PAY INCREASES DURING BUDGET DEFICIT YEARS. Encourages balanced state budgets by preventing elected Members of the Legislature and statewide constitutional officers, including the Governor, from receiving pay raises in years when the state is running a deficit. Directs the Director of Finance to determine whether a given year is a deficit year. Prevents the Citizens Compensation Commission from increasing elected officials' salaries in years when the state Special Fund for Economic Uncertainties is in the negative by an amount equal to or greater than one percent of the General Fund. Fiscal Impact: Minor state savings related to elected state officials' salaries in some cases when the state is expected to end the year with a budget deficit.

SALARIOS DE FUNCIONARIOS ELECTOS. PREVIENE AUMENTOS DE SALARIOS EN AÑOS DE DÉFICIT PRESUPUESTARIO. Estimula los presupuestos estatales equilibrados al prevenir que los miembros de la Legislatura y los funcionarios constitucionales del estado electos, incluyendo al gobernador, reciban aumentos salariales en años en que el presupuesto estatal esté en déficit. Requiere que el Director de Finanzas determine si un año determinado es un año deficitario. Previene que la Comisión de Remuneración Formada por Ciudadanos aumente los salarios de funcionarios electos en años en que el Fondo Especial del estado para Incertidumbres Económicas esté en terreno negativo en una cantidad equivalente al, o mayor que, el uno por ciento del Fondo General. Impacto fiscal: Ahorros menores para el estado relacionados con los salarios de los funcionarios del estado electos en algunos casos en que se espere que el estado finalice el año con un déficit presupuestario.

CALIFORNIA ELECTIONS CODE §§18370, 18371

IMPARTIAL ANALYSIS OF MEASURE "A"

The City Council of the City of Desert Hot Springs has placed Measure "A" on the May 19, 2009 ballot to ask voters to consider increasing the existing Utility Users Tax ("UUT") and extending it for an additional eleven (11) years. Measure "A" would only become effective if approved by two-thirds of voters casting a vote on the Measure at the election.

The UUT was originally approved by popular vote in 2000 and is codified in Chapter 35 of the Desert Hot Springs Municipal Code. As approved, the tax was set at five percent (5%) of the cost of telecommunications, water, sewer, electric, gas, and cable utility services. Utility service providers collect the tax as part of the monthly service bill and remit the proceeds to the City. As a special tax, the revenue from the UUT is split evenly into two special funds that may be used only for debt reduction and public safety services. The UUT will expire on June 30, 2010.

If approved, Measure "A" would increase the existing UUT from 5% to 7% on all taxed services and extend the existing UUT for an additional eleven years, to June 30, 2020, at which time it would terminate automatically, unless extended by the voters of Desert Hot Springs.

The Measure will also amend the tax on telecommunications services to remove an exemption in Section 35.091(B) for telephone calls that are exempt from the Federal Excise Tax ("FET"). Since the initial approval of the UUT, the Internal Revenue Service has altered how it interprets the FET, expanding the scope of telephone calls that are exempt. That revision to the FET, if incorporated into the UUT, would result in the UUT not being applied to telephone calls that were intended to be taxed when the UUT was initially approved. The elimination of the exemption will ensure that the IRS revision and future changes to the FET will not affect the telephone services subject to the UUT.

Currently, the UUT generates approximately \$1.75 million annually. The rate increase is expected to generate an additional \$700,000 per year, all of which will be used only for public safety. Lewis Partners, after conducting a management audit in the Spring of 2007, recommends that a city the size of Desert Hot Springs have 38-42 sworn police officers. The City presently has 29. If Measure "A" is not approved, the City will have to identify another funding source to increase the number of officers to the recommended level.

By placing Measure "A" on the ballot, the City complies with Article XIII C of the California Constitution (adopted by Proposition 218), which requires the voters to approve an amended ordinance which affects amount of the tax, the manner of collection, and other related matters. The above statement is an impartial analysis of Measure "A". If you desire a copy of the measure, please call the elections official's office at (760) 329-6411 ext. 103 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE "A"

Keep Desert Hot Springs safe and fiscally responsible - **Vote YES on "A"**.

Vote Yes on "A" to protect **OUR LOCAL** community. **Vote Yes on "A"** to keep **OUR LOCAL** dollars!

Desert Hot Springs has the highest crime rate of Inland Empire cities below 100,000, but our City has fewer officers today than in 2006. **Yes on "A"** hires 4 more police officers for Desert Hot Springs, increasing neighborhood patrols and allows our City to better coordinate anti-drug/anti-gang operations. California continues releasing more registered sex offenders and parolees into Desert Hot Springs - **YES on "A"** keeps our community safe by monitoring these violent criminals and reducing 911 response times.

Yes on "A" renews existing revenue to protect/improve our police and firefighters services -- ALL money stays in Desert Hot Springs; NO money goes to Sacramento or D.C.

YES on "A" because Sacramento is cutting funding to solve their budget crisis. Maintaining this funding prevents deep cuts to vital City services, including public safety.

YES on "A" continues to ensure your Desert Hot Springs dollars are fiscally accountable. All expenditures are subject to independent annual audits. The public can review city expenditures at local libraries. **YES on "A"** ensures that Desert Hot Springs maintains a balanced budget and reduces its decades-old bankruptcy debt.

In tough economic times, crime often increases. We must provide local police with the resources they need to keep our community safe. We need Measure "A" to guarantee funding for our local needs. That's why we're all supporting Measure "A".

There are several State Measures on your May 19th Special Election Ballot. Whatever you do, support Desert Hot Springs by **Voting LOCAL - YES on "A"!**

Join Desert Hot Springs Police Officers, Firefighters, business leaders, and residents from all walks of life - **Vote Yes on "A"** to keep us safe. For more information, visit www.cityofdhs.org
