Election News **UPDATE**

Top-Two Open Primary Act

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for local offices.

Redistricting

New electoral district boundaries are drawn every 10 years, in order to equalize district populations. Boundaries for the congressional, state legislative, county supervisorial, and county board of education districts are now different. To see the new district maps, visit the Registrar of Voters website at www.voteinfo.net.

Elections in California

**NEW LAW
Took Effect
January 1, 2011**

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for local offices.

California law requires that the following information be printed in this pamphlet.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Redistricting

New electoral district boundaries are drawn every 10 years in order to equalize district populations. Boundaries for the congressional, state legislative, and county supervisorial districts are now different. Boundary changes also apply to any city, school district, or special district that votes by trustee areas or divisions. To see the new district maps, visit the Registrar of Voters website at www.voteinfo.net.

HOW TO MARK YOUR PAPER BALLOT

Please refer to the following instructions on how to properly complete your official ballot:

- ▶ Connect the head and tail of the arrow that points to your choice like the example provided.
- ▶ Check both front and back of ballot for voting contests.
- ▶ Use a black ball point pen. Do not use felt tip, red or gel ink.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

RAUL RUIZ, Democratic

OCCUPATION: Congressman / Emergency Physician

EDUCATION AND QUALIFICATIONS:

Washington is broken. There's too much partisan bickering and too many career politicians who only care about their own interests.

I am not a career politician, and never will be. I'm an emergency physician who ran for office to serve people in our communities, just like I have for my entire adult life.

As a doctor, I'm trained to focus on what matters and to put people first:

I STOOD UP AGAINST EFFORTS TO CUT SOCIAL SECURITY AND MEDICARE: I promised that I will never vote to cut Medicare benefits, and I've kept my promise. And I've held workshops and town halls throughout the area to help prevent fraud against seniors.

I STOOD UP FOR VETERANS: I introduced legislation to speed up claims for veterans' benefits, make it easier for veterans to find jobs, and improve the quality of life for disabled veterans. And my office helped deliver over \$1 million in delayed benefits to local veterans.

I FOUGHT TO END GRIDLOCK: I voted for fiscal responsibility and a bipartisan budget to protect the economy and prevent another government shutdown.

I FOUGHT TO MAKE SURE FAMILIES HAVE ACCESS TO AFFORDABLE HEALTH CARE. As a physician, I understand the importance of health care. That's why I voted to prevent insurance companies from denying coverage to people with pre-existing conditions, and to help people keep their existing policies under the new health care law.

We can't afford more partisan gridlock in Washington. That's why I would be honored to have your support.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

RAY HAYNES, Republican
OCCUPATION: Small Businessman
EDUCATION AND QUALIFICATIONS:

AGE: 59

For fourteen years, I represented Riverside County in the State Legislature as a member of the State Assembly and the Senate. I served as the Republican Whip in the Senate, the Assistant Republican Leader in the Assembly, as Chair of the Senate Constitutional Amendments Committee, and Vice Chair of the Senate Health and Human Services Committee. In the year 2000, I was elected National Chair of the American Legislative Exchange Council, a national organization of State Legislators that prepares model legislation from a free market, less tax, smaller government perspective. As the Senate Republican Whip, I analyzed legislation for over 4000 bills per year, and was re-elected to that position 3 times by my Senate Republican colleagues.

During my service, I received the Legislator of the Year award from the California Rifle and Pistol Association. I helped pass the "Three Strikes and You're Out" legislation, which within a year after its passage helped reduce California's crime rate by nearly 50%, and I introduced, and ultimately co-authored the legislation that cut California' car tax by 67%, which saved the taxpayers of California over \$50 billion in the 10 years after its passage.

I will continue to fight in Washington DC for an agenda of small government and less taxes, just as I did in Sacramento. My Republican colleagues elected me to leadership because they trusted that my recommendations on legislation would lead to less taxes and smaller government. You will be able to trust me as well.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

BRIAN NESTANDE, Republican
OCCUPATION: State Representative
EDUCATION AND QUALIFICATIONS:

I am running for Congress to help reignite the American Dream and move our country in the direction of growth and prosperity.

My wife Gina and I have a family and we are working hard to provide a better future for our children. But Washington is making it harder for middle class families to get ahead.

Every year Congress keeps spending more money. Our national debt is now over \$17 trillion. And this debt will be handed down to future generations.

That's why I'll sponsor a Balanced Budget Amendment to the U.S. Constitution – to stop the reckless spending.

I will vote to replace Obamacare with needed healthcare reform that costs less, and allows patients and doctors to make healthcare decisions, not Washington bureaucrats.

Let's focus on protecting and enhancing what Americans really want:

- Policies that encourage businesses to expand and promote so we have high quality, full time, good paying jobs.
- Secure funding for Medicare and Social Security.
- A strong national defense that keeps us safe, and doesn't interfere with individual liberties.
- To provide teachers and parents with the necessary resources and tools. Our children deserve the best education in the world.

I am committed to moving America in the right direction.

I would be honored to have your vote.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
28TH SENATORIAL DISTRICT**

GLENN A. MILLER, Republican **AGE: 50**
OCCUPATION: City Councilmember / Businessman
EDUCATION AND QUALIFICATIONS:

As your State Senator I will bring back local control from Sacramento and its special interests. I am not a Sacramento insider or a career politician, but an independent leader working for you to get the resources needed to solve issues at the local level. That is what I have done as a Councilmember for over 6 years.

My first priority is to create more jobs and work to improve our economy. As a small business owner, I believe in cutting government "red tape", reducing business fees and lessening the burden of over regulation that impacts both employers and employees.

I will protect Proposition 13 from efforts in Sacramento to change it to create a \$6 billion tax increase and will work to improve our schools by moving resources back to teachers in the class room.

My endorsements include Mayors and Councilmembers from: Murrieta, Palm Desert, Palm Springs, Lake Elsinore, Indio, Rancho Mirage, La Quinta, Cathedral City, Indian Wells, Wildomar, Blythe, Desert Hot Springs and California Highway Patrolmen, Palm Springs Police Officers Association, Indio Police Officers Association, CDF Firefighters and Cathedral City Fire Management Association.

I'm a common sense, fiscally responsible, endorsed local leader that gets things done. Please vote Glenn Miller.

Thank You.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
28TH SENATORIAL DISTRICT**

ANNA NEVENIC, Democratic

OCCUPATION: Registered Nurse / Author

EDUCATION AND QUALIFICATIONS:

I'm a nurse, educator and a community activist. I value honesty, integrity and compassion. I believe that

California's best days are ahead of us if we change the status quo and public policies that have failed us. As your senator I will stand up to wealthy special interest and fight for the bold solutions that are going to bring positive change to our state. Tax cuts for the reach have bankrupted America. The middle class pays: more for education, healthcare, broken schools, closed parks and courts. Talented students cannot afford tuition, threatening our future. I'm solution oriented and I pledge to protect my special interest; children, seniors and families in my district. I have detailed plans for creation of well-paid jobs, cleaning up our environment, and providing job training for displaced workers and students. Creation of sustainable, well-paying jobs is possible. Offer tax incentives to foster innovation, and attract investments in local industry. There is no better place for clean-tech industries than in our district. We must provide first-rate education and tools to drive our economy forward. Support policies that empower teachers, not politicians and bureaucrats. I believe in equal rights and in women right to choose. We must educate our youth; prevent crime, drug use, poverty and teen pregnancy. My campaign is people driven. Stand up with me! Together we will bring change that we need. Please share our fight with your friends.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
28TH SENATORIAL DISTRICT**

BONNIE GARCIA, Republican
OCCUPATION: Small Business Woman
EDUCATION AND QUALIFICATIONS:

California is broken - Taxes are high, criminals are being released early, property owners are losing their rights and our court system continues to allow environmental extremists to stop development that push jobs out of state.

During my six years as your Assemblywoman, I didn't support a single tax increase or reckless spending and voted to adopt a rainy day fund. My stance earned me the support of every Republican State Senator and Four Riverside County Supervisors.

I'm from a law enforcement and Military family, value freedom and understand personal sacrifices. The Gun Owners of California endorsed me because I fought to protect your 2nd Amendment rights and will never jeopardize your right to protect your family.

I'm a strong advocate of Public Safety and opposed the Governor's plan to allow hardened criminals to leave prison early. That's why I earned the support of The California Police Chiefs' Association and Crime Victims United.

The California Small Business Association support me because I created thousands of jobs, expanded opportunities for veterans and secured funding for small businesses. I understand a strong workforce is more important than senseless regulations.

With your support I will continue to use my experience and degree in Workforce Development and Education to promote a broad array of conservative priorities - sound fiscal policies, quality schools, safer communities and protecting the value of every life.

Experience and ethics matter.

I would be honored to have your vote.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
28TH SENATORIAL DISTRICT**

JEFF STONE, Republican **AGE: 58**
OCCUPATION: Riverside County Supervisor / Small Business Owner
EDUCATION AND QUALIFICATIONS:

As a Riverside County Supervisor and longtime small business owner, I'm proud to be running for the Senate with the support of local taxpayers, seniors and small business owners.

I'm also honored to be the choice of Law Enforcement leaders, including Riverside County Sheriff Stan Sniff, District Attorney Paul Zellerbach and the Riverside Sheriffs Association.

Over 3,200 law enforcement officers and investigators in Riverside County endorse me because they know I will **OPPOSE EARLY RELEASE** of dangerous prisoners and work to keep our neighborhoods, schools and homes safe.

I signed the NO NEW TAXES pledge because taxpayers already pay too much for a broken, dysfunctional state government. As a local official, I successfully lowered taxes without cutting vital services. I'll work to do the same in Sacramento.

My priorities are: JOB CREATION and Improving the Business Climate; No New Taxes, Balance the Budget, Stop Early Release of Prison Inmates. I support the 2nd Amendment and believe in limited government.

I'm supported by Riverside County Supervisor Kevin Jeffries, who said: "Jeff Stone is a true citizen-politician who will bring strong conservative values to the State Senate."

Special interests in Sacramento are spending massive sums of money to influence your vote. Ask yourself: do you want a Senator who will be a voice for the special interests; or one who will be a voice for you?

I'd be honored to receive your vote and represent you in the State Senate. Please visit www.JeffStone2014.com to read more. Thank you.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
71ST ASSEMBLY DISTRICT**

BRIAN W. JONES, Republican

OCCUPATION: Assemblymember

EDUCATION AND QUALIFICATIONS:

As a member of the Assembly, I am working hard on behalf of this district and region to grow jobs, protect public safety, and reduce the influence of Sacramento in your daily life.

Lower Taxes — I have consistently voted against tax increases proposed in the legislature, and I will continue fighting to maintain the integrity of Proposition 13, which protects property owners.

2nd Amendment — I authored AB 871, which would protect your 2nd Amendment rights by making California a “shall issue” state for those who wish to hold a concealed carry permit.

Public Safety — I stood up for public safety by working to reverse the governor’s dangerous realignment plan, which has led to the early release of criminals.

Business Friendly Policies — I introduced the “Made in America” bill, AB 890, which would conform state law with federal rules when it comes to labeling products as “Made in America.” This bill helps California manufacturers. In addition, I have worked with my colleagues to advance business-friendly policies while fighting unnecessary regulations.

I have also worked on behalf of this district by opposing the unconstitutional fire tax, striving to reduce the impact of drought, and steering resources toward our region.

With your support, I will continue fighting against Sacramento politicians and bureaucrats whose policies have only driven businesses, jobs, and families out of California.

If you believe your State Assemblyman should continue to be a strong voice for this district, then re-elect Brian Jones for Assembly.

JUDGE OF THE SUPERIOR COURT,
OFFICE NUMBER 3**

LEONARD J. CRAVENS

AGE: 55

**OCCUPATION: Attorney at Law
EDUCATION AND QUALIFICATIONS:**

My name is Leonard Cravens. I am running for Superior Court Judge, Seat 3, Riverside County. I have college degrees in Computer Science and Information Systems, as well as my Law Degree. I worked many years as a computer programmer & systems analyst. Because of that work, I am uniquely qualified to implement changes in procedures at the court that respect YOU and your TIME.

Customer Service at Riverside Superior Court needs to respect YOU and your TIME. Cases (including detailed results of hearings) such as Criminal, Traffic, and Civil should be available to be viewed on the court's website without paying a fee. Papers should be able to be filed at any courthouse, not just the courthouse where the case was filed. You should be able to "Walk In" to any courthouse to see a judicial officer about your traffic or misdemeanor warrant case that same day! I propose that if you arrive at any courthouse by 3:00PM, you are guaranteed to see a judicial officer that same day to resolve your traffic ticket or misdemeanor warrant.

If you want the Riverside Superior Court to respect YOU and your TIME, vote Leonard Cravens for Judge. I HEAR YOU!

JUDGE OF THE SUPERIOR COURT,
OFFICE NUMBER 3**

MARK A. COPE

AGE: 55

**OCCUPATION: Superior Court Judge
EDUCATION AND QUALIFICATIONS:**

I've been honored to serve the people of Riverside County as a judge since 1995. Riverside County deserves a judge with experience, integrity, and a commitment to justice.

EXPERIENCE. Since leaving a career as a prosecutor over two decades ago, I have presided over thousands of hearings in cases of all types - criminal, family, civil, traffic, small claims, juvenile and others. My experience even includes teaching other judges.

INTEGRITY. Judges are not elected to make law. My record shows my firm commitment to the rule that a judge cannot allow outside influences to affect decisions, nor let personal views overrule the will of the people.

COMMITTED TO JUSTICE. As Presiding Judge, I've worked hard to ensure access to justice for all. Riverside County has not had its fair share of judges and funding for court services. Together with others, I have fought for change, and we are winning. Riverside County now more fairly receives resources to open doors to courthouses that have been closed, and let people who need services have their day in court.

Please join every current Riverside County judge, numerous Presiding Judges from other courts, retired judges, law enforcement officials, and your friends and neighbors. Vote to re-elect Judge Mark Cope.

JUDGE OF THE SUPERIOR COURT,
OFFICE NUMBER 18**

MICHAEL J. HARRINGTON

AGE: 53

**OCCUPATION: Attorney at Law
EDUCATION AND QUALIFICATIONS:**

Our courts need change. Our courts need to be more efficient and more accessible. Our courts should serve the people. I believe that the way to accomplish this is to elect the most qualified candidate. I believe I am that candidate.

I am dedicated to protecting the public. I have worked to protect women, children and seniors. Through my work at domestic violence clinics; minor's attorney; helping grandparents obtain guardianship of their grandchildren; and, volunteering to help victims of human trafficking.

I have over twenty years of experience as an attorney. I hold a Bachelor's in Business-Economics. I have volunteered for and worked on legal projects and clinics where I learned to implement legal programs with efficient and "best practice" standards and models.

Judges are often assigned to various courtrooms where a broad knowledge and background in the law is vital. I am ready to serve in a variety of judicial assignments.

The role of a superior court judge effects our lives and communities in many ways. That's why it's important to elect the most qualified candidate to sit as a superior court judge. I believe I am the most qualified candidate and I respectfully ask for your vote.

**CANDIDATE STATEMENT FOR
JUDGE OF THE SUPERIOR COURT,
OFFICE NUMBER 18**

S. SUZANNE SYKES

**OCCUPATION: Judge of the Superior Court
EDUCATION AND QUALIFICATIONS:**

As a sitting Judge in Riverside County, I believe one of the most important qualities a Judge can have is respect. Respect for the rule of law, respect for justice, and respect for victims of crime.

In my courtroom, I successfully manage a current caseload of over 1,000 cases, including jury trials, by making tough decisions and delivering justice. As a Judge, I use the educational knowledge I gained earning a B.A. from Stanford University and a law degree from Stanford Law School; the professional knowledge learned from dedicating years of my life to protecting Riverside County's children from criminal abuse and neglect; and the practical knowledge from being a mother.

It is because of my deep commitment to justice and to uphold our laws that I have earned the endorsement of Riverside County Sheriff Stan Sniff, all five Riverside County Supervisors, the Deputy District Attorney Association, Judges from every Court in Riverside County, Justices and Judges throughout the State, Superintendent of Riverside County Schools Kenneth Young, County Counsel Pamela Walls, members of the Riverside County Bar Association, and many others.

I am committed to continue serving you as a Judge and would be honored to have your vote.

Sole Practitioner since 1995.

Member of Board of Ability Counts, Inc. a 501(c)(3) charitable workshop that employs approximately 500 disabled individuals giving them meaningful work opportunities and social interaction.

Former Riverside Legal Research Attorney and Volunteer Pro Tem Judge

I was born in Chicago, IL to wonderful parents. I was raised by my widowed mother who taught me the principals set forth in the Constitution, that all men and women are created equal and endowed with unalienable rights and freedoms. However, freedom is not free.

I believe we need a society where law enforcement officials are treated with respect because they have earned it, that our families must feel safe in our homes and neighborhoods by enforcing victim's rights, not the rights of offenders.

I love the United States of America and Riverside County. I will do my absolute best to promote the principles of Life, Liberty and the Pursuit of Happiness.

If you believe, as I do, that the United States should have a government of the people, by the people and for the people, I would greatly appreciate your vote.

Dear Voters:

When I became the Riverside County Superintendent of Schools in 2007, my top priorities were to:

1. Raise our county's high school graduation rate.
2. Increase the number of high school students gaining career and technical skills training.
3. Increase our county's college going rate.

Yet, we still have much work to do. As your County Superintendent, I pledge my very best efforts to continue strengthening our public school system to ensure the success of all students.

PAUL E. ZELLERBACH

OCCUPATION: District Attorney
EDUCATION AND QUALIFICATIONS:

When I became your district attorney in 2011, I promised to make fighting violent crime my highest priority. I'm proud to report that violent crime is down 16% in Riverside County – we are safer today than we were three years ago.

Under my leadership, the conviction rate at trial has increased significantly. I've saved taxpayer dollars by balancing the budget, while taking a 20% funding cut.

I have committed the last 36 years of my life to ensure your safety – 25 years as a prosecutor and 11 years as a Superior Court Judge.

I prosecuted more than 50 murder trials, was named Riverside County Felony Prosecutor of the Year and was selected California's Outstanding Prosecutor of the Year. My primary goal has always been to keep our communities safe and to lock up dangerous criminals.

I'm proud to be endorsed by all five members of the Board of Supervisors, Sheriff Stan Sniff, police chiefs throughout Riverside County, and the California Police Chiefs Association.

Our county is safer; our court system is working better. Justice is being served.

We still have work to do. I need your vote in order to continue the tremendous progress we've made.

CHAD BIANCO

AGE: 46

OCCUPATION: Riverside Sheriff's Lieutenant
EDUCATION AND QUALIFICATIONS:

With over 20 years of public service fueled by passion, determination, and INTEGRITY, I have devoted my career to making a positive difference in the safety of our community. I've patrolled our streets, worked the jails, managed personnel and budgets, and led the nation's most successful sting operation televised on NBC's "To Catch a Predator," taking 51 child sexual predators off the streets. Riverside County residents deserve a leader with experience they can trust and who will DELIVER RESULTS.

As Sheriff, I will:

- ✓ ADD 350 DEPUTIES to patrol stations while saving taxpayers \$10-15 million per year through operational efficiencies
- ✓ Expand efforts to PREVENT EARLY RELEASE of inmates
- ✓ Collaborate with community leaders, clergy, and educators to create opportunities and provide positive direction for our youth
- ✓ CREATE and IMPLEMENT a "community oriented policing" program to proactively combat crime in our county. I wholeheartedly believe the success of law enforcement is dependent on a relationship with the community.

Real community change requires more than just a political figurehead. I am a motivated leader, actively engaged in the daily operations of the Sheriff's Department, and fully committed to your safety.

As your Sheriff we have made major gains in keeping our communities safe. We have decreased crime, increased our patrol service levels, and improved our response times.

I have raised the morale of the deputies who protect our neighborhoods and we have kept our county safer through innovative crime-fighting techniques and by collaboration with our criminal justice partners that have aggressively dealt with the threat of gangs, sexual predators, dangerous felons and our overcrowded jails.

I have kept very tight control of our precious tax dollars, maintained a balanced budget in the face of steep across-the-board cuts, and obtained much needed grant funding.

Under my guidance, the Sheriff's Department has become much more accessible to all Riverside County residents, more diverse, more transparent, more supportive of crime victims, and improved the professionalism of our deputies.

My leadership as your Sheriff is supported by our police chiefs, the Board of Supervisors, and by community leaders all across Riverside County.

IMPARTIAL ANALYSIS OF MEASURE "D"

Water Code section 30730 allows a water district to submit to the voters the question of how the water district's board of directors is elected. CVWD's Board of Directors placed Measure "D" on this year's ballot.

Currently the Coachella Valley Water District (CVWD) is divided into five directorial divisions, and though each director must live in a different directorial division, each director is elected by all CVWD voters.

A "Yes" vote on Measure "D" will mean that only the voters of the directorial division where the candidate lives will be able to vote for that candidate. Candidates will not be able to receive votes from people in directorial divisions that they do not directly represent.

A "No" vote on Measure "D" will mean that any voter may vote for any candidate to CVWD's board of directors. Candidates will be able to receive votes from people in directorial divisions that they do not directly represent.

Measure "D" will be approved if a majority of the voters vote "Yes."

If Measure "D" passes in the June Statewide Primary Election it will become effective starting in the November 2014 General Election.

By: Gerald D. Shoaf and M. Eli Underwood
Legal Counsel
Coachella Valley Water District

NO ARGUMENTS FILED IN FAVOR OR AGAINST MEASURE "D"
