Election News **UPDATE**

Top-Two Open Primary Act

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for local offices.

Redistricting

New electoral district boundaries are drawn every 10 years, in order to equalize district populations. Boundaries for the congressional, state legislative, county supervisorial, and county board of education districts are now different. To see the new district maps, visit the Registrar of Voters website at www.voteinfo.net.

Elections in California

**NEW LAW
Took Effect
January 1, 2011**

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for local offices.

California law requires that the following information be printed in this pamphlet.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Redistricting

New electoral district boundaries are drawn every 10 years in order to equalize district populations. Boundaries for the congressional, state legislative, and county supervisorial districts are now different. Boundary changes also apply to any city, school district, or special district that votes by trustee areas or divisions. To see the new district maps, visit the Registrar of Voters website at www.voteinfo.net.

HOW TO MARK YOUR PAPER BALLOT

Please refer to the following instructions on how to properly complete your official ballot:

- ▶ Connect the head and tail of the arrow that points to your choice like the example provided.
- ▶ Check both front and back of ballot for voting contests.
- ▶ Use a black ball point pen. Do not use felt tip, red or gel ink.
- ▶ One line connecting the arrow is preferred.
- ▶ Vote for no more than the number of votes allowed in each contest (e.g. vote for one, vote for no more than two, etc.).
- ▶ Please keep the vote-by-mail ballot folded the same way you received it.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
41ST CONGRESSIONAL DISTRICT**

MARK TAKANO, Democratic **AGE: 53**
OCCUPATION: United States Representative / Teacher
EDUCATION AND QUALIFICATIONS:

Dear Neighbor,

Congress is broken, and I have used my first term in office fighting for the commonsense reforms we all know it desperately needs.

As your Representative, I have fought for the middle class, worked to create good paying jobs in the Inland Empire, and stood up to the leaders of both parties to protect Social Security and Medicare.

Over the past two years, my office has secured more than \$1 million in benefits owed to veterans and held several town hall meetings to understand local priorities. I introduced legislation to strengthen and improve school curriculum, increase business participation in job training programs, make it easier for veterans to go back to school, and support the creation of advanced manufacturing jobs.

I will continue to fight for the middle class by supporting job-creating local investments like the UC Riverside Medical School and I'll stand up against tax cuts for billionaires and corporations who want to ship American jobs overseas.

Prior to being elected to the House of Representatives, I dedicated my life to public service as a high school teacher and Riverside Community College Trustee. Those roles prepared me to be an effective advocate for local schools, businesses, veterans, seniors, and middle class families.

I am proud to have the support of the California Democratic Party and local leaders from throughout Riverside, Moreno Valley, Jurupa Valley, and Perris.

I respectfully ask for your vote on June 3rd so we can continue to grow our economy and fix Congress.

41ST CONGRESSIONAL DISTRICT**

VERONICA FRANCO, Democratic
OCCUPATION: Healthcare Administrator
EDUCATION AND QUALIFICATIONS:

AGE: 34

I come from a hard working, low middle class family with strong moral values. I have worked for more than 15 years in the health care system as a receptionist and advanced to an administrator. I know how difficult it is to pay bills and to take care of the family. This has motivated me to run for Congress in order to improve our political system and create a greater opportunity for all Americans. Though the economy is still recovering from the worst recession since the great depression, the country faces critical economic/national security challenges throughout the world. California needs a proven leadership in U.S. Congress to show it's prepared to meet those challenges. My first priority will be to bring stability to Californians and Riverside's 41st District. I support payroll cuts, raising the minimum wages, refinancing help for homeowners, working for higher paying jobs / more funds for infrastructure in the 41st District. I support higher salaries for teachers / first responders, as they are the "backbone" of our society. The Healthcare and Immigration Reform is my top priority. Also cut the tuition fees for students, increase doctors, dentist insurance enumeration fees. The tax credits for employers to hire veterans, I'm deeply committed to protecting social security and Medi-Care programs for seniors. I'll fight to develop energy resources / other alternative methods to reduce gas prices. I'm not a career politician but working mom. Our best days are ahead of us. Please vote for me to keep the American dream alive.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
41ST CONGRESSIONAL DISTRICT**

STEVE ADAMS, Republican

AGE: 61

**OCCUPATION: Councilman / Retired Policeman
EDUCATION AND QUALIFICATIONS:**

As a Riverside resident since 1958, I've seen a great deal of change in the Inland Empire. It hasn't all been positive change.

Over-regulation from Congress and Washington politicians is restraining economic growth, stifling job creation, and hurting the residents of the 41st District. Out of control government spending has us on the brink of default, and facing a nearly \$18 trillion debt. I want to go to Congress to help broker real solutions and break the gridlock and partisanship that has plagued this country for the past six years.

As a three-term Riverside City Councilman, I've been intricately involved in working toward the betterment of our communities. I've always been a strong believer in giving back, and it's been an honor to serve.

The Riverside area has experienced tremendous growth over the years, putting strain on our infrastructure and roadways. As a major cargo pass-through for both the ports of Los Angeles and Long Beach, we are strategically located and primed for economic development opportunities. The Inland Empire is unique in our roll as a major transportation hub, and as such, we need a strong voice in Washington to ensure that our needs are being met. With your support, I will be that strong voice, fighting for us.

Frankly, considering the serious issues that we face with a stagnant economy, high unemployment and a burdensome tax environment, we need and deserve better than single-issue politicians who are preoccupied with an extreme agenda.

EDUCATION AND QUALIFICATIONS:**

Are you better off today? I ask you, "What kind of America do you want, and who should you elect to get you there?" Sovereignty lies with "We the People," the employers of those sent to Washington. Harsh treatment of Veterans, along with elected officials ignoring their constituents, is commonplace in Congress. The foundation of America is faith, family, and freedom. Unfortunately, our freedom and safety are no longer guaranteed, due to severe reductions in the military. Let's hit the reset button. Elect a Veteran. Two million Veterans reside in California, with a total of 21.8 million Veterans nationwide. Veterans can change the course of America. Today, fewer Veterans are serving in Congress and, as a result, Veteran Services and military funding are rapidly declining. Veterans can be counted on to make common sense decisions that strengthen America, and understand that we were created to lead, not follow. I am a Veteran, the wife and mother of actively serving military members, ready to work on your behalf. I have a Bachelor's degree in Political Science, graduate coursework in administration, business management experience, and awarded California's Civilian Achievement Medal as a Military Family Volunteer after 9/11. I ask for your vote today. Contact my campaign at website <https://fundly.com/yvonne-girard-yvonne-girard-for-congress>, mailing address: P.O. EDUCATION AND QUALIFICATIONS:

Every American voter should have a choice for the best candidate to serve their community. My candidacy offers you that choice.

My background includes 19 years as a small business owner, 15 years in banking/finance, 10 years in transportation, 14 years in education and 20 years of community service.

I've served 14 years as a board member in the Val Verde Unified School District which covers Moreno Valley, Perris and the unincorporated area of Riverside County.

The bureaucracy in Sacramento hampered too many businesses that suffered greatly through endless red tape, additional taxes and laws during the worst economic times since the great depression. It needs to stop.

As a board member, my goal was to improve student academics and to build beautiful schools for our community. Today, we celebrate State, National and International recognition of our students achievements.

These accomplishments are the results of strong leadership careful planning and a vision that reflects how community leaders are in touch with their constituency.

Riverside County must create a business friendly environment to enhance job growth to reduce the unemployment rate, support our educational system to provide the workforce needed to sustain our economy, protect our citizens and address our transportation needs to support our commuters and commerce.

It's time for Riverside County to take charge with new leadership in Sacramento.

I ask for your Vote and your support.

Thank you,

D. Shelly Yarbrough

LEONARD J. CRAVENS

AGE: 55

**OCCUPATION: Attorney at Law
EDUCATION AND QUALIFICATIONS:**

My name is Leonard Cravens. I am running for Superior Court Judge, Seat 3, Riverside County. I have college degrees in Computer Science and Information Systems, as well as my Law Degree. I worked many years as a computer programmer & systems analyst. Because of that work, I am uniquely qualified to implement changes in procedures at the court that respect YOU and your TIME.

Customer Service at Riverside Superior Court needs to respect YOU and your TIME. Cases (including detailed results of hearings) such as Criminal, Traffic, and Civil should be available to be viewed on the court's website without paying a fee. Papers should be able to be filed at any courthouse, not just the courthouse where the case was filed. You should be able to "Walk In" to any courthouse to see a judicial officer about your traffic or misdemeanor warrant case that same day! I propose that if you arrive at any courthouse by 3:00PM, you are guaranteed to see a judicial officer that same day to resolve your traffic ticket or misdemeanor warrant.

If you want the Riverside Superior Court to respect YOU and your TIME, vote Leonard Cravens for Judge. I HEAR YOU!

MARK A. COPE

AGE: 55

**OCCUPATION: Superior Court Judge
EDUCATION AND QUALIFICATIONS:**

I've been honored to serve the people of Riverside County as a judge since 1995. Riverside County deserves a judge with experience, integrity, and a commitment to justice.

EXPERIENCE. Since leaving a career as a prosecutor over two decades ago, I have presided over thousands of hearings in cases of all types - criminal, family, civil, traffic, small claims, juvenile and others. My experience even includes teaching other judges.

INTEGRITY. Judges are not elected to make law. My record shows my firm commitment to the rule that a judge cannot allow outside influences to affect decisions, nor let personal views overrule the will of the people.

COMMITTED TO JUSTICE. As Presiding Judge, I've worked hard to ensure access to justice for all. Riverside County has not had its fair share of judges and funding for court services. Together with others, I have fought for change, and we are winning. Riverside County now more fairly receives resources to open doors to courthouses that have been closed, and let people who need services have their day in court.

Please join every current Riverside County judge, numerous Presiding Judges from other courts, retired judges, law enforcement officials, and your friends and neighbors. Vote to re-elect Judge Mark Cope.

**OCCUPATION: Attorney at Law
EDUCATION AND QUALIFICATIONS:**

Our courts need change. Our courts need to be more efficient and more accessible. Our courts should serve the people. I believe that the way to accomplish this is to elect the most qualified candidate. I believe I am that candidate.

I am dedicated to protecting the public. I have worked to protect women, children and seniors. Through my work at domestic violence clinics; minor's attorney; helping grandparents obtain guardianship of their grandchildren; and, volunteering to help victims of human trafficking.

I have over twenty years of experience as an attorney. I hold a Bachelor's in Business-Economics. I have volunteered for and worked on legal projects and clinics where I learned to implement legal programs with efficient and "best practice" standards and models.

Judges are often assigned to various courtrooms where a broad knowledge and background in the law is vital. I am ready to serve in a variety of judicial assignments.

The role of a superior court judge effects our lives and communities in many ways. That's why it's important to elect the most qualified candidate to sit as a superior court judge. I believe I am the most qualified candidate and I respectfully ask for your vote.

**OCCUPATION: Judge of the Superior Court
EDUCATION AND QUALIFICATIONS:**

As a sitting Judge in Riverside County, I believe one of the most important qualities a Judge can have is respect. Respect for the rule of law, respect for justice, and respect for victims of crime.

In my courtroom, I successfully manage a current caseload of over 1,000 cases, including jury trials, by making tough decisions and delivering justice. As a Judge, I use the educational knowledge I gained earning a B.A. from Stanford University and a law degree from Stanford Law School; the professional knowledge learned from dedicating years of my life to protecting Riverside County's children from criminal abuse and neglect; and the practical knowledge from being a mother.

It is because of my deep commitment to justice and to uphold our laws that I have earned the endorsement of Riverside County Sheriff Stan Sniff, all five Riverside County Supervisors, the Deputy District Attorney Association, Judges from every Court in Riverside County, Justices and Judges throughout the State, Superintendent of Riverside County Schools Kenneth Young, County Counsel Pamela Walls, members of the Riverside County Bar Association, and many others.

I am committed to continue serving you as a Judge and would be honored to have your vote.

I was born in Chicago, IL to wonderful parents. I was raised by my widowed mother who taught me the principals set forth in the Constitution, that all men and women are created equal and endowed with unalienable rights and freedoms. However, freedom is not free.

I believe we need a society where law enforcement officials are treated with respect because they have earned it, that our families must feel safe in our homes and neighborhoods by enforcing victim's rights, not the rights of offenders.

I love the United States of America and Riverside County. I will do my absolute best to promote the principles of Life, Liberty and the Pursuit of Happiness.

MARION ASHLEY

AGE: 78

**OCCUPATION: Riverside County Supervisor
EDUCATION AND QUALIFICATIONS:**

Public safety is my top priority. That's why I've authorized more Sheriff's Deputies to safeguard our neighborhoods to stop gangs and drug trafficking and why we're building new fire stations. And that's why the Sheriff, District Attorney and CalFire Firefighters all support my re-election.

My vision for Riverside County includes more good-paying jobs, free-flowing highways, accessible health care, and quality education and recreation opportunities for our young people.

I've been working to make this vision a reality by successfully attracting new businesses and jobs; by widening I-215 and Highway 60; by enlarging interchanges like Van Buren, 4th Street, Ramona Expressway and the Moreno Valley Interchange; by making safety improvements on the Ramona Expressway, Gilman Springs Road and Highway 60 through the Badlands; by extending the Perris Valley MetroLink Line to Moreno Valley, Perris and Menifee; by adding 96 new buses to RTA; and by building Community Centers, Child Care Centers, Libraries and Parks in Cabazon, Menifee, and Perris, including Big League Dreams and the Perris-Menifee Aquatic Center.

Sacramento's prison realignment and raids on County budgets make for challenging times. I ask for and appreciate your vote so I can continue making our vision for Riverside County a reality. Thank you.

I'm proud to be endorsed by all five members of the Board of Supervisors, Sheriff Stan Sniff, police chiefs throughout Riverside County, and the California Police Chiefs Association.

AGE: 46

OCCUPATION: Riverside Sheriff's Lieutenant
EDUCATION AND QUALIFICATIONS:

With over 20 years of public service fueled by passion, determination, and INTEGRITY, I have devoted my career to making a positive difference in the safety of our community. I've patrolled our streets, worked the jails, managed personnel and budgets, and led the nation's most successful sting operation televised on NBC's "To Catch a Predator," taking 51 child sexual predators off the streets. Riverside County residents deserve a leader with experience they can trust and who will DELIVER RESULTS.

As Sheriff, I will:

- ✓ ADD 350 DEPUTIES to patrol stations while saving taxpayers \$10-15 million per year through operational efficiencies
- ✓ Expand efforts to PREVENT EARLY RELEASE of inmates
- ✓ Collaborate with community leaders, clergy, and educators to create opportunities and provide positive direction for our youth
- ✓ CREATE and IMPLEMENT a "community oriented policing" program to proactively combat crime in our county. I wholeheartedly believe the success of law enforcement is dependent on a relationship with the community.

**ANSWER TO STATEMENT OF REASONS FOR RECALL OF
CITY COUNCIL MEMBER, TOM OWINGS**

DON'T SIGN THIS PETITION. There are NO valid reasons for this Recall. Nothing has happened since the November Election to justify the recall of Mayor Owings – a mere six months ago. It is the ANTI-JOB recall supporters' unfounded allegations which are embarrassing and shameful.

DON'T LET THEM STOP OUR MAYOR. The Mayor was candid with voters and did what he said he would do. He has delivered on his promises to create new jobs, balance the budget, increase graduation rates, and appoint new management with new vision at City Hall. The Mayor may be too blunt or too passionate for some but that's not a reason to remove him from office.

VOTERS NEED TO STOP THIS INSANITY! No elected official should ever be fearful of taking a firm stance or making an unpopular decision for fear of being removed from office by a frivolous and costly Recall.

VOTERS SHOULD REFUSE TO SIGN this Recall Petition and demand supporters stop this dishonest recall.

This is something we should all be able to agree on - - because it is the right thing to do and because it is the fair thing to do!

STATEMENT OF OFFICER BEING RECALLED

MAYOR TOM OWINGS

OCCUPATION: Mayor of Moreno Valley / Business Owner

PROMISES MADE – Prior to becoming mayor, Moreno Valley lost 9,000 jobs and stood on the brink of bankruptcy. I promised to help employers create jobs, balance the budget, keep neighborhoods safe and restore city services without raising taxes.

PROMISES KEPT – I have helped create over 2,200 permanent new jobs and thousands of construction jobs by incentivizing companies like Amazon, Aldi Foods and Proctor & Gamble to locate in Moreno Valley. The budget is balanced for the first time since 2008. City services have been restored and crime is down across the city.

YOU ELECTED ME – Only 6 months into my job as mayor, out-of-town special interests who oppose Moreno Valley having its own police department have mounted this recall. Now you must choose who will decide our city's future: the special interests or you the voters.

I HAVE THE COURAGE TO DO WHAT'S RIGHT FOR MORENO VALLEY – We can't go back to the days of high unemployment and multi-million dollar budget deficits. We deserve more jobs and a financially stable city in which we can thrive and raise our families.

VOTE NO – Stand up for Moreno Valley! Help me defeat the recall and use the foundation we've built to keep Moreno Valley moving forward.

EQUALLY IMPORTANT IS PUBLIC SAFETY - We must create our own police department before the high costs and pensions bankrupt our City. Nearly 80% of our tax dollars already goes to public safety. We can't afford to make it 100%. We must keep Moreno Valley from becoming the next San Bernardino.
