Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes — regardless of party preference — move on to the general election. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

Superintendent of Public Instruction is a nonpartisan office. If a candidate for Superintendent of Public Instruction were to receive a majority of the vote (at least 50 percent +1) at the primary election, then that candidate would be elected, and no general election would be held. Additional information on nonpartisan offices can be found below.

California law requires the following information to be printed in this guide.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

HOW TO MARK YOUR PAPER BALLOT

Please refer to the following instructions on how to properly complete your Official Ballot:

- Connect the head and tail of the arrow that points to your choice like the example provided.
- Check both front and back of ballot for voting contests.
- Use a black ball point pen. Do not use felt tip, red or gel ink.
- One line connecting the arrow is preferred.
- Vote for no more than the number of votes allowed in each contest (e.g. vote for one, vote for no more than two, etc.).
- Please keep the Vote-by-Mail ballot folded the same way as you received it.

JULIA C PEACOCK, Democratic

OCCUPATION: Public School Teacher

EDUCATION AND QUALIFICATIONS:

Julia Peacock: *She's with me.* Endorsed by the California Democratic Party.

Public school teacher; elected delegate to the California Democratic Party and the National Education Association; and your next representative for the 42nd Congressional District.

My husband and I have been married for 23 years and have two amazing children. For 11 years, I've worked as an English teacher, dedicating my career to struggling learners in low-income schools.

As a 14-year resident of South Corona, I have watched our community grow and change, becoming more diverse and inclusive. Unfortunately, we haven't kept up with good jobs, infrastructure, pollution control, or traffic solutions. We have half the number of college graduates than the state average. 20% of our workforce commutes to other counties. We get an F on air quality. Changes to the Affordable Care Act put healthcare, our 4th largest growth sector, in jeopardy. Working families are priced out of the housing market. Tax-paying immigrants and Dreamers are isolated and vilified.

I can and will do better. Here's how: Tuition-free college for a highly-skilled workforce; Medicare for All for comprehensive healthcare; climate action and clean energy jobs to protect our children, our planet, and our future; fully-funded public schools; affordable housing; workers' rights; a path to citizenship; and more.

Throughout my life, I have defended what is right and just. I have advocated for students, parents, foster-youth and the LGBTQ community. As a congresswoman, I will stand with anyone committed to protecting democracy, civil rights, national security, and the American Dream.

We can do this together.

NORMAN QUINTERO, Democratic **AGE: 52**
OCCUPATION: Pastor / Psychotherapist / Entrepreneur
EDUCATION AND QUALIFICATIONS:

Like you, I'm also fed up. It is frustrating to watch our representative hide behind walls in Washington instead of ensuring vital services and solutions for our district.

My name is Dr. Norman Quintero, and I want to represent you in Washington DC. I will fight for jobs and living wages, economic stability, fiscal solvency, strong public education, reduction in crime, a healthy environment, senior services, affordable housing, and healthcare for all.

I will fight for accessibility to clean water for everyone.

We need to protect Social Security and Medicare. We need to protect Dreamers and provide a path to citizenship.

Our children should always feel safe in their homes and schools. We must do more to reduce gun violence.

I want to elevate your voice, but I need your vote. I hold multiple doctorate degrees and several professional licenses. My education, experience as a successful businessman, service as a pastor, and career as a trained psychotherapist give me a unique perspective in solving problems plaguing our community.

As a proven leader and community advocate, my work has impacted thousands of lives nationally. For the last 20 years, I have created and funded charitable programs that helped veterans, the homeless, children, and low-income families in countless communities in our great nation. Help me elevate the voice of this district to build an America of values, diversity, and inclusiveness and advocate for the benefit of our communities by joining our campaign at www.dnormanforcongress.com.

MATT WOODY, No Party Preference **AGE: 43**
OCCUPATION: Former Journalist and Small-Business Operator
EDUCATION AND QUALIFICATIONS:

America deserves better. Our elected officials have failed us time and again. Nearly all seem to prioritize partisan conflict above actually working for The People. Worse, they divide Americans to gain or maintain power for themselves. Enough!

Say no to Republican and Democratic leaders peddling extremism and more of the broken status quo. I'm a PRINCIPLED INDEPENDENT promoting honest, transparent democracy as our Founding Fathers intended, and UNIFYING Americans under our bedrock principles of liberty, equality, opportunity and shared responsibility. We only win TOGETHER.

George Washington famously was a political independent, and we can look to our first president for the path forward. Like him, I stand 100% behind the Constitution and our military, and will put the American people first and foremost – above special interests, corrupt lobbyists, and all enemies foreign and domestic.

We must reject the politicians responsible for the unprecedented divisiveness and corruption and our skyrocketing \$21 TRILLION DEBT. Instead, America's government needs INTEGRITY, common sense and compromise.

I'll never stop fighting for Riverside County values – for our civil liberties, fiscal responsibility, smaller government, free markets, taking care of seniors and veterans, and compassion and empathy for ALL American lives. Leave no one behind!

If you're sick of polarized politics or if your party has abandoned your values, then vote for me as the true alternative to the status quo and as a vote for AMERICAN UNITY. Don't choose red or blue in 2018, choose RED-WHITE-AND-BLUE!

KEN CALVERT, Republican **AGE: 64**
OCCUPATION: U.S. Representative
EDUCATION AND QUALIFICATIONS:

It's an honor to represent Riverside County in Congress.

As a former small business owner, I know what it's like to sign the front of a paycheck and how much those paychecks mean to hardworking families. I will continue to support policies that create jobs and grow wages.

I supported tax cuts because you deserve to keep more of your hard-earned money. I also voted to eliminate job-killing red-tape so American businesses can better compete in the global economy. These votes resulted in bonuses, higher wages, and investments to expand small businesses.

I created E-Verify through legislation and I'm leading the effort in Congress to make its use mandatory nationwide. The only way to fix our broken immigration system is by restoring the rule of law, securing our border, providing for robust interior enforcement and ending the cycle of amnesties.

We need a healthcare system that gives families more options to find care that fits their needs. We don't need a government-run system that puts medical decisions in the hands of D.C. bureaucrats who would ration care.

I oppose California's gas tax hike and voted to defund the high-speed rail boondoggle.

We must keep Americans safe from all threats. I support eliminating terrorist groups overseas before they threaten us at home. I stand with law enforcement who does an extraordinary job. I am committed to providing for our military and honoring our promises to veterans.

I thank you for the opportunity to represent you.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
60TH ASSEMBLY DISTRICT**

BILL ESSAYLI, Republican

OCCUPATION: Federal Prosecutor

EDUCATION AND QUALIFICATIONS:

I spent my career fighting for you in the courtroom, now I want to fight for you in Sacramento. I served as a Deputy District Attorney in Riverside County, and later as an Assistant United States Attorney prosecuting federal criminal violations.

The dangerous policies of AB 109, Proposition 47, and Proposition 57 are jeopardizing the safety of our community. Property crimes and mail theft are on the rise. Sanctuary state policies are protecting criminal illegal immigrants who should otherwise be deported. I will support policies that keep criminals in jail and our communities safe.

Our taxes are too high. California has the highest income tax, sales tax, and gas tax. The \$52 billion gas tax increase is a bad deal for Riverside County commuters. I will support repealing it. And, I will oppose the high-speed rail boondoggle.

I will defend Prop 13 protections and oppose new payroll taxes to pay for a government-run health care system.

I will work with job creators to enact policies to help them grow and be competitive. I want to bring high paying jobs to Riverside County and make California affordable again.

I was raised in Riverside County by parents who legally immigrated from Lebanon to escape a violent civil war. I graduated from Centennial High School and was the first in my family to attend college at Cal Poly Pomona, and eventually law school at Chapman University.

I humbly ask for your support in my effort to win back the 60th Assembly District. Together we will fight back against the failed policies of Sacramento.

JAVED KHAN

OCCUPATION: Retired Educator

EDUCATION AND QUALIFICATIONS:

My philosophy: When we educate an individual, we educate a generation. When we educate a generation, we educate a community and educated community is the root of peace and prosperity. As a retired Forensic Scientist/Educator from local college districts of Riverside County, I have participated in educating hundreds and thousands of students during my career. Most of the students were so poor that they struggled to buy textbooks. I founded a textbook club with some of my personal money. Appreciating my efforts, successful students from well-to-do-families -who passed the courses- donated their textbooks to the club for new students. Hundreds of students benefited and the club continuously helped students until the day I retired. In addition, I witnessed many poor brilliant students could not afford higher cost of university education so they dropped out. Many students were denied loan due to lack of credit history. My intention is to go on the other side of the fence as an elected official and find official assistance for our poor brilliant students towards higher education. This effort will create educated community. The educated community has less crimes and is financially stable that will bring peace and good revenue to the Riverside County.

As President/CEO of the Lake Elsinore Valley Chamber, it has been my passion to develop programs that support job shadowing and job exploration. In addition, I have been actively involved in several non profit organizations such as, Rotary Club Of Lake Elsinore (President 2016-17) Boys/Girls Club, and Cops For Kids Board Member. I administer a program that recognizes 7 high school seniors at a monthly luncheon and then awards over \$2,500 per student for 7 students of the year! Total operating budget for the program is over \$25,000 each year! As a Hospital Board Member with Southwest Healthcare I arranged for Temescal Canyon High School Students to Intern at the Hospital.

EDUCATION AND QUALIFICATIONS:

I am a passionate advocate for Riverside County schools; I take decision-making seriously. I am deeply humbled to be the only candidate to have the support and endorsement of our esteemed incumbent, Jeanie Corral. My focus is to ensure that our schools remain as safe, and academically competitive, as humanly possible!

I am a product of public school education. Public education has afforded me the opportunity to attend top public universities in California, and to provide comfortably for my family. As an Eastvale resident, my children attend public schools here in Riverside County.

As a current school district-level administrator in a neighboring county, I understand the importance of deep-listening, teacher-collaboration and shared governance.

I will work with all parties to support safe, high-achieving school sites.

I believe schools must be safe spaces for youngsters to be taught by highly skilled and compassionate educators, and to have children's unique talents, abilities and skills enhanced.

I strongly support anti-bullying efforts for all diverse student populations (special needs, race/ethnicities, cultural identities and religion).

I will use my voice to remain focused on what matters most – safe schools and quality instruction for our children!

OCCUPATION: Business Owner

EDUCATION AND QUALIFICATIONS:

I grew up and went to school here, graduating from Norco Intermediate and Norco High. This is my home, my family's home and where my children and grandchildren now live. I opened my business, right here, in Corona.

I love our community and I am dedicated to keeping it a great, safe place to live and raise a family. When local officials wanted to raise taxes and fees, making our city unaffordable to live in, I helped establish the Corona Taxpayers Association.

Six years ago, when you entrusted me to serve you in the State Assembly, I worked to honor your trust.

I opposed every tax that came before me and even stopped the original proposal to raise the gas tax. I fought against Sacramento's soft on crime policies, passed legislation increasing penalties on sex offenders and was named Legislator of the Year by Crime Victims United. I even passed legislation to protect Norco's volunteer police horses.

As your County Supervisor, I will demand fiscal responsibility and cut taxes. We will clean up our streets and deal with the homeless problem plaguing our neighborhoods. Our county will get tough on crime again, to protect families, not criminals.

MIKE GARDNER

EDUCATION AND QUALIFICATIONS:

Riverside has been my home for over 4 decades. I look forward to taking the successes we have had in the City of Riverside and implementing some of them at the county.

Riverside County is going through some very tough times and we have some very difficult decisions to make. The budget is not in good shape. Our elected leaders need to get creative when searching for solutions. I will do that.

In 2017, Time Magazine ranked Riverside as the number one city where millennials are moving. I have helped bring good paying jobs to the area which helps make the city attractive to all. I will do the same for our County.

I opposed the gas tax that has been forced upon us by Sacramento and am opposed to unnecessary regulations. We need to address our traffic issues with the resources we have.

Homelessness has become more visible everywhere in our community. We need to work with the faith community to move forward to help the people and protect our neighborhoods.

Leadership and results matter – I have a record of delivering on both. Join me in reforming Riverside County.

OCCUPATION: Educator / Nonprofit Director

EDUCATION AND QUALIFICATIONS:

I've lived in Riverside County most of my life. Over the last 40 years that I've been Executive Director of the Center for Community Action and Environmental Justice, I've had the privilege of working with families all over Riverside County to build healthy and safe neighborhoods.

I'm running for Riverside County Supervisor to answer a question - "Where are we going?"

Where is our long-term plan for development, transportation, and the future of Riverside County? Our county is experiencing poorly planned, rapid urbanization without investing in the necessary economic and physical infrastructure to maintain a high quality of life for our residents.

Did anyone ever ask you if this is the direction you wanted our community to go in? Are they listening to us, or campaign donors?

Power is out of balance in Riverside County. Outside developers and corporations have more influence on our leaders than we do, yet we are the ones who will have to live with the results of those decisions. I've been a teacher, community organizer, director of a successful nonprofit, and now I'm asking for your vote to become your Riverside County Supervisor from District 2. The residents of Riverside County deserve better, we can do better, and together, we will do better.

EDUCATION AND QUALIFICATIONS:

Lara graduated from Santa Clara University Law School, where she earned national awards, and studied International Law at Oxford University, England. She served both the Riverside County Counsel and Riverside Public Defender. As a court-appointed attorney, she tried serious and violent felony cases to verdict. Lara has worked on cases before the United States Supreme Court.

A fiscal conservative, Lara will reform our DA's office to make it more efficient, ethical and effective. She will fight to deliver true justice.

Efficiency. Every DA expenditure must achieve commonsense results. Prosecutions will be evaluated before launching into expensive trials. Lara will not sacrifice tough justice. She will punish violent offenders without wasting your tax dollars.

Ethics. A Harvard Law School study cited multiple counts of prosecutorial misconduct inside the Riverside County DA's office. She'll appoint an independent Ethics Officer to ensure the highest ethical standards.

Reform. Lara wants to end the criminalization of the mentally ill homeless and veterans, which is both costly and cruel. She'll lead a countywide effort to refocus resources toward proven programs, reclaiming our communities and assisting troubled veterans.

We deserve a tough and fair DA willing to lead. Vote Lara Gressley for District Attorney.

IMPARTIAL ANALYSIS OF MEASURE "A"

City of Jurupa Valley Ordinance No. 2016-13 prohibits all marijuana dispensaries and commercial marijuana activities in all zones of the City under the authority of "Proposition 64" adopted by the voters on November 7, 2016 and the State laws adopted by the Legislature to implement Proposition 64.

Measure A, which was placed on the ballot by a petition signed by the requisite number of voters, would provide marijuana dispensaries and businesses engaged in commercial cannabis activity, a limited exemption from enforcement for violations of the Municipal Code, if they are located in the Manufacturing-Service Commercial zone and meet certain operational requirements. "Commercial marijuana activity" includes the "cultivation, manufacture, distribution, processing, storing, laboratory testing, labeling, transportation, distribution, delivery or sale of marijuana and marijuana products."

Measure A's stated purpose is to provide "strict" regulations on the operations of commercial marijuana businesses and to provide an opportunity to raise revenue for the City. Measure A does not enact a City tax on marijuana dispensaries or commercial marijuana activity.

Marijuana businesses would apply with the City Clerk for "Priority Exemption" or "Non-Priority Exemption." If a business filed a Statement By Unincorporated Association that specifically contained the words "commercial cannabis" or "commercial marijuana" at the time of the initial statement was filed with the California Secretary of State on or before September 1, 2016 they are eligible for "Priority Exemption."

No discretionary permit is required to be issued by the City. If the application is deemed complete, the applicant can operate a marijuana dispensary or engage in commercial marijuana activity subject to the following regulations:

1. Comply with all State laws concerning commercial marijuana activity.
2. At least one security guard licensed by the State must be on site at all times that it is open for business;
3. Only one wall sign allowed in compliance with the Jurupa Valley Municipal Code and external or internal illumination prohibited;
4. Hours of operation from 8:00 a.m. to 10:00 p.m. daily;
5. No more than \$200 in cash reserves may be stored overnight;
6. No person under 21 shall be permitted anywhere at or upon a "non-medical exempted commercial marijuana facility;"
7. Provide name and phone number of on-site staff person for notification if there are operational problems;
8. Applicant shall meet the State's criminal background requirements related to commercial marijuana activity;
9. No dispensary or commercial marijuana facility shall be located within a 1,000-foot radius of two or more dispensaries or commercial marijuana facility authorized by Measure A;
10. No dispensary or commercial marijuana facility shall be located within a 600-foot radius of a school providing instruction in kindergarten or any grades one through twelve; and
11. The 600-foot radius restriction for schools shall not apply to day care centers or youth centers located in the City.

The above statement is an impartial analysis of Measure A. If you desire a copy of Measure A, please call the City Clerk's Office at (951) 332-6464 and a copy will be mailed at no cost to you.

City Attorney
City of Jurupa Valley

ARGUMENT IN FAVOR OF MEASURE “A”

Measure A finally creates a safe and sensible system for regulating marijuana businesses in the City of Jurupa Valley while protecting our children and community.

Marijuana is being sold across our City—but illegally, without any protections for children, without assurances of product safety, and without generating revenue for our local economy.

The majority of City voters approved Prop 64, legalizing adult use marijuana in California and setting forth a system of statewide production, distribution, and sales. Instead of working to locally implement that system, our City's out of touch politicians doubled down on their failed citywide prohibition of state-licensed marijuana businesses, which has proven just as ineffective and problematic as alcohol prohibition.

Alarming signs of poverty and blight loom over portions of our City—vacant shopping centers, boarded up storefronts, homeless camps spilling into public view, and streets littered with trash. The lack of local economic opportunity and resources is obvious, and that's why continuing to expend scarce City resources on an expensive game of Whack-A-Mole with illegal marijuana businesses is a shameful waste.

Sensible elected leaders in many nearby inland cities have brought skilled employment and economic development to their cities by locally regulating state-licensed marijuana businesses.

Here's just a few safeguards Measure A provides:

- Requires all marijuana businesses to be state-licensed and remain in strict compliance with all state regulations;
- Restricts marijuana businesses to the City's Manufacturing-Service Commercial Zone;
- Tough protections for children, requiring purchasers to be 21, banning signage depicting marijuana, and prohibiting marijuana businesses near schools.

Don't let the hysteria of a few stubborn politicians deceive you. We know our City's current approach toward marijuana doesn't make sense. It's time to put an end to our broken local marijuana prohibition, and implement proven reforms so marijuana will be safe, controlled, and locally taxable.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “A”

VOTE NO ON MEASURE A!

Measure A does not protect the health and safety of people in Jurupa Valley.

Measure A will not end illegal dispensaries. In cities allowing marijuana dispensaries, **illegal dispensaries still exist** and are the subject of abatement actions in court. Legal dispensaries have higher operating costs than illegal dispensaries due to state regulations and taxes.

Measure A will not promote economic growth in the City. Rather, economic growth and jobs are produced by the City's on-going programs to pave streets, remove trash and debris from public and private properties, increase Sheriff's deputies, and provide attractive zoning opportunities that encourages commercial and manufacturing growth.

Measure A **does not allow the City any discretion** in reviewing applications for marijuana dispensaries and businesses and **prohibits the City from imposing additional conditions** on marijuana businesses that would protect the health and safety of the community.

Measure A allows marijuana businesses to locate adjacent to or near **youth centers or day care centers** by eliminating any distancing requirement between marijuana businesses and these sensitive uses.

The Federal Controlled Substances Act makes it unlawful for any person to cultivate, manufacture, distribute or dispense, or possess marijuana.

ARGUMENT AGAINST MEASURE “A”

VOTE NO ON MEASURE A!

In compliance with State law (Proposition 64 and SB 94), all marijuana dispensaries, cultivation and other commercial marijuana activity is **currently illegal** under City ordinance in all zones, except limited cultivation of medical marijuana by qualified patients and the State mandated indoor cultivation of six marijuana plants for recreational use.

The Staff Report presented to the City Council on October 5, 2017 describes the problems with legalizing marijuana dispensaries and commercial marijuana businesses in the City under Measure A:

- Marijuana businesses have been known to attract crime and could divert law enforcement resources from other areas of the City;
- Existing illegal marijuana businesses operating within the City have imposed a heavy burden on local law enforcement and City resources;
- Measure A would likely require the City to hire additional staff and law enforcement at an estimated **cost of \$345,000 per year**;
- Marijuana businesses must be 600 feet from schools (K-12) but **not from youth centers or day care centers**; and
- The Federal Controlled Substances Act makes it unlawful for any person to cultivate, manufacture, distribute or dispense, or possess marijuana.

Measure A **does not allow the City any discretion** in reviewing applications for marijuana dispensaries and businesses and **prohibits the City from imposing additional conditions** on marijuana businesses that would protect the health and safety of the community.

In cities allowing marijuana dispensaries, **illegal dispensaries still exist** and are the subject of abatement actions because legal dispensaries have higher operating costs due to state regulations and taxes.

Measure A **does not establish any City taxes** on dispensaries and commercial marijuana businesses. The City will not receive any revenue from the new State marijuana tax and might only receive some sales tax from taxable marijuana sales.

REBUTTAL TO ARGUMENT AGAINST MEASURE “A”

Vote YES on Measure A to bring revenue, skilled employment opportunities, and economic development to our City.

Forbes has reported that **California's legal marijuana market will generate over FIVE BILLION dollars of revenue and ONE BILLION dollars in state taxes in 2018.**

Do not allow yourself to be fooled by the Failed War on Drugs propaganda that is being used by the small—but loud—group of anti-marijuana fanatics and feckless politicians to promote a continuation of their failed local prohibition on marijuana businesses.

No amount of hysteria can hide the fact that our **City's current approach towards marijuana businesses has been a dismal failure.**

End our City's insane prohibition by voting YES on Measure A, which will:

- Allow for our City to **share in the BILLIONS of dollars** in anticipated revenue;

IMPARTIAL ANALYSIS OF MEASURE “B”

The Jurupa Valley City Council has placed Measure B on the ballot asking voters to approve an ordinance prohibiting all commercial cannabis activity in the City. “Commercial cannabis activity” includes the “cultivation, manufacture, distribution, processing, storing, laboratory testing, labeling, transportation, distribution, delivery or sale of marijuana and marijuana products.” “Cannabis” is the term now used under State law for “marijuana.”

City of Jurupa Valley Ordinance No. 2016-13 prohibits all marijuana dispensaries and commercial marijuana activities in all zones of the City under the authority of “Proposition 64,” adopted by the voters on November 7, 2016 and the State laws adopted by the Legislature to implement Proposition 64. Measure B would continue that prohibition and make it unlawful to conduct or perform any commercial cannabis activity in the City.

Similar to Jurupa Valley Ordinance No. 2016-13, Measure B would make it unlawful for any person to:

1. Own, manage, establish, conduct, or operate, or to participate as a landlord, owner, employee, contractor, agent or volunteer, or in any other manner or capacity, in any commercial cannabis activity in the City; and
2. Cultivate cannabis outdoors or indoors for any use with two limited exceptions.

As mandated by State law, cultivation of cannabis is allowed indoors, for adult-use purposes in limited amounts. Under this exemption, persons 21 years of age or older may plant, cultivate, harvest, dry or process no more than six live cannabis plants within a single private residence or inside an accessory structure located upon the grounds of a private residence. The private residence or accessory structure must be fully enclosed and secured.

As currently permitted under Jurupa Valley Ordinance 2016-13, Measure B contains a limited exemption from enforcement for “qualified patients” or their “primary caregivers,” to cultivate no more than 12 cannabis plants for the qualified patient’s own medical use. The qualified patients, or their primary caregiver, must live in the single family home where the cannabis is cultivated. The cannabis plants must be reasonably secured and fenced to prevent access by minors or theft, set back 10 feet from the boundary line, and not be visible from any public right of way. Qualified patients shall have valid medical cannabis identification cards issued by the Riverside County Department of Public Health. The cannabis cultivation shall not be (1) within a multiple-family dwelling building; (2) upon any premises located within 1,000 feet of any school, community center or park; (3) upon any premises containing a child care center, church (religious facility) or youth-oriented facility; or (4) upon any premises where probationers or parolees reside, unless the probationer or parolee is authorized by a court to use medical cannabis while on probation.

The above statement is an impartial analysis of Measure B. If you desire a copy of Measure B, please call the City Clerk’s Office at (951) 332-6464 and a copy will be mailed at no cost to you.

Measure B **will preserve the City’s prohibition** of marijuana dispensaries, cultivation and other commercial marijuana activity with minor updates for clarity and to reflect recent changes in state law.

Measure B **will maintain the existing ability of qualified patients** to cultivate limited amounts of marijuana for **medical** purposes and the State-mandated exception for six plants.

Measure B **will prevent the problems** that occur with legalizing marijuana dispensaries and commercial marijuana activity in the City including:

- Marijuana businesses have been known to **attract crime and could divert law enforcement resources** from other areas of the City;
- Existing illegal marijuana businesses operating within the City have imposed a **heavy burden on local law enforcement and City resources**;

Conditional Voter Registration

Did you forget to register? No problem! Did you know that during the period of 14 days prior to Election Day through and including Election Day, you can go to the office of the Riverside County Registrar of Voters to conditionally register to vote and vote? This process is called Conditional Voter Registration (CVR). Here's how it works:

1. Visit the Registrar of Voters office located at 2724 Gateway Drive, Riverside, CA 92507
2. Complete a voter registration card or register online at RegisterToVote.ca.gov
3. Vote your CVR provisional ballot. **CVR ballots will only be issued at the office of the Registrar of Voters.**

Once the Registrar of Voters office processes the affidavit of registration, determines that you're eligible to register, and validates your information, the registration becomes permanent and your CVR provisional ballot will be counted.

If you have questions regarding Conditional Voter Registration, please call (951) 486-7200 or toll free (800) 773-VOTE (8683).

You may check the status of your voter registration at www.voteinfo.net/AmlRegistered.

California Motor Voter

The California Motor Voter program is making registering to vote at the California Department of Motor Vehicles (DMV) more convenient and secure. When the new program is launched all eligible individuals completing driver license or ID card or change of address transactions at the DMV will be registered to vote with the California Secretary of State unless they "opt out" of automatic voter registration.

The California Motor Voter program applies to Californians who are 18 years or older and meet the following criteria:

- A United States citizen and a resident of California.
- Not currently in state or federal prison or on parole for the conviction of a felony.
- Not currently found mentally incompetent to vote by a court.

Note: Voter pre-registration is available for those 16 and 17 years of age. Their voter registration will become active automatically when they turn 18.

Before visiting a DMV field office, we recommend making an appointment. Visit <https://www.dmv.ca.gov/portal/dmv/detail/portal/foa/welcome> to get started. You can also use DMV online services (<https://www.dmv.ca.gov/portal/dmv/dmv/onlinesvcs>) to renew your driver license or ID card or change your address.

If you indicate you're eligible to vote, once you complete your driver license or state ID renewal form transaction online, by mail or in person at the DMV, your voter information is then transmitted securely and electronically to the California Secretary of State.

Please note that drivers with an AB 60 driver's license are not eligible to participate in the California Motor Voter program and are not eligible to vote.

For more information, visit MotorVoter.sos.ca.gov.
