Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes — regardless of party preference — move on to the general election. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

Superintendent of Public Instruction is a nonpartisan office. If a candidate for Superintendent of Public Instruction were to receive a majority of the vote (at least 50 percent +1) at the primary election, then that candidate would be elected, and no general election would be held. Additional information on nonpartisan offices can be found below.

California law requires the following information to be printed in this guide.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

HOW TO MARK YOUR PAPER BALLOT

Please refer to the following instructions on how to properly complete your Official Ballot:

- Connect the head and tail of the arrow that points to your choice like the example provided.
- Check both front and back of ballot for voting contests.
- Use a black ball point pen. Do not use felt tip, red or gel ink.
- One line connecting the arrow is preferred.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

KIMBERLIN BROWN PELZER, Republican

AGE: 56

OCCUPATION: Small Business Owner

EDUCATION AND QUALIFICATIONS:

Small Business Owner – Honorary Co-Chair of the Gas Tax Repeal Campaign – Endorsed by the Republican Party of Riverside County

Politicians love to tell us all the great things they'll do for us if we elect them to office. They hope we'll forget their previous promises because they never follow through. We need new, principled leaders who are not afraid to say what they mean, and stick with it.

That's why I'm running for Congress. I have firm, conservative principles. I'm not afraid to be "politically incorrect" and stand up for the Constitution, conservatism and American exceptionalism.

My principles:

I. Put defense first. Congress must keep Americans safe at home and abroad.

II. Build sound finances. Washington must be held fiscally accountable: start to pay off the national debt and no new taxes.

III. Protect the vulnerable. People paid into Social Security and Medicare – we must make sure they are solvent, effective and efficient programs.

IV. Grow the Middle Class. Congress needs to stop working for Special Interests and Lobbyists and start working for the Middle Class.

I'm a proud wife, mother, and successful entrepreneur. I've been blessed with a daytime television career (there are some conservatives in Hollywood!). My husband and I have built several successful businesses, including a sports fishing and marina rental business and a design company. We employ over 100 Californians.

I'm the only candidate for Congress officially endorsed by the Republican Party of Riverside County. I would be honored to have your vote.

DAN BALL, Republican

AGE: 43

OCCUPATION: Journalist / Realtor

EDUCATION AND QUALIFICATIONS:

Congress's approval rating is at the lowest in decades. Many don't trust our elected officials because they've forgotten their mission in Washington, which is to serve the people.

I want to restore the trust by setting an example of service and sacrifice. I served my country in the Air Force, then our community as a journalist.

I've made four pledges that I hope other members of Congress will follow.

1. I'll push for Term Limits. Congress should not be a lifelong career.
2. I'll turn down a pension. I don't believe in paying members of Congress for life after only serving a few years.
3. I'll demand reform at the VA. To fix this broken agency, I'll be turning down the Cadillac health care plan that members of Congress receive. Instead, I'll use the VA to uncover the problems and find solutions.
4. I'll give back. I will donate 10% of my salary to charitable organizations that assist our Veterans, Active Duty Military, Police and First Responders.

I believe in: Smaller government, Lower Taxes, Balancing the Budget, Reducing the Debt, Strong Borders, a Well Funded Military, the 2nd Amendment and Equality for All.

I'm raising a daughter in the District and know firsthand the struggles that middle class families face. I'll fight for less regulation for business owners, better wages, affordable healthcare, better education and safe neighborhoods.

I'll say no to special interests and put the people first!

I humbly request your support.

#1 Priority = A Coachella Valley VA Medical Center. I WILL DO IT!

Only a veteran can understand. Only a veteran can win for veterans. I am determined!

I support President Trump 100%. Globalists fear a strong America. Reject mainstream media FAKE NEWS scumbags, and Hollywood perverts and pedophiles. American culture is under attack!

#1 Threat to America = The unholy alliance between radical Islam, feminist extremists, and Socialists/Communists. Antifa & BLM are terrorists groups. Support Police!

America is the greatest country that has ever been! America was too strong for direct attack. Our Constitution is not compatible with Islamic law. Our soldiers die fighting Islamic radicals over there, but liberals bring their so-called "refugees" here into our own nest, many military age men... It's a military invasion and a dangerous betrayal. Defeat radical Islam!

Globalists seek to cripple and enslave America with a carbon tax. Lower taxes... Less regulation... America Wins!

Prosecute George Soros, Hillary the Spirit Cooking Witch and the entire Clinton crime organization. Repeal Obamacare!

Gun rights are fundamental, predating the Constitution, and shall not be infringed.

BUILD THE WALL! Require voter ID at the polls. Repeal NAFTA. Sanctuary cities are harboring fugitives, a serious felony!

RAUL RUIZ, Democratic **AGE: 45**
OCCUPATION: Congressman / Emergency Physician
EDUCATION AND QUALIFICATIONS:

Washington is a disaster, filled with career politicians focused on petty partisan politics and their own perks and privileges.

I'm not a career politician, and I never will be. I'm an emergency physician who grew up here and ran for office to serve people in our communities, just like I have my entire adult life.

As a doctor, I'm trained to put people first. That's why I'm working across party lines to find solutions to tough problems:

I STOOD UP FOR SOCIAL SECURITY AND MEDICARE: I promised that I would never vote to cut Social Security or Medicare, and I've kept my promise. And, I passed a bipartisan bill to help protect Medicare.

I STOOD UP FOR VETERANS: I sponsor an annual "Veterans University" to help local vets get health care and assistance, and to connect them with local employers. And, I've helped hundreds of veterans cut through red tape to get the benefits they deserve.

I OPPOSED PERKS FOR POLITICIANS: I voted against any pay raises for Congress, and I wrote legislation to prohibit Members of Congress from using taxpayer money to fly first class.

I FOUGHT TO MAKE SURE FAMILIES HAVE ACCESS TO AFFORDABLE HEALTH CARE. As a physician, I understand the importance of health care. That's why I voted to prevent insurance companies from denying coverage to people with pre-existing conditions. And, I'm working to make premiums and prescription drugs more affordable.

Let's fight back against partisan gridlock in Washington. I'd be honored to have your support.

STATE SENATOR,
28TH SENATORIAL DISTRICT**

JEFF STONE, Republican

AGE: 62

OCCUPATION: State Senator / Pharmacist

EDUCATION AND QUALIFICATIONS:

It's an honor to represent you in the State Senate, and I'm proud to have served the men, women and families of Riverside County.

Public safety is our top priority, and that's why I've worked to change the law to once again put violent felons who prey upon and harm innocent victims behind bars.

I'm honored to have been endorsed by the Riverside Sheriff's Association.

California's taxes are too high, and that's why I've introduced legislation to eliminate state income taxes for any family making under \$200,000 per year.

I'm proud to have received an "A" rating from the Howard Jarvis Taxpayers Association and have been recognized for voting 100% in line with the National Federation of Independent Business.

Our disabled veterans deserve to stay in their homes, and I authored legislation to exempt wounded warriors who lost multiple limbs from property taxes on their principal residence.

If California is going to continue being the "Golden State," we need good paying jobs.

I've led the fight against special interests that file lawsuits against small businesses and make it harder for people to find work.

We need to CREATE jobs, and I'm proud to have received a perfect score from the California Chamber of Commerce.

California has a bright future, and I look forward to having the privilege of representing you in the Senate to work towards lower taxes, safer streets, and a better life for our families and our children.

I'd be honored to receive your vote.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
42ND ASSEMBLY DISTRICT**

GARY JEANDRON, Republican

AGE: 63

OCCUPATION: Retired Police Chief

EDUCATION AND QUALIFICATIONS:

I'm the only candidate to have the endorsement of the California Republican Assembly because of my core conservative values. I'm a lifelong Republican and I'm running to bring those principles to the State Assembly.

My entire life has been about public service. For 34 years I served the public, working my way up from records clerk to Chief of Police. I was awarded the Medal of Courage, Police Officer of the Year, and was shot in the line of duty chasing a violent criminal. I served my Community for 10 years as an elected board member of the Palm Springs Unified School District.

I grew up in the Banning Beaumont Pass, graduated from Hemet High School and live in the Coachella Valley. My roots are firmly planted in the District.

I signed the No New Tax Pledge; I will vote against tax increases and will fight to repeal the gas tax.

As your State Assemblyman, I will work to keep violent criminals off the streets and I will vote to protect the Second Amendment.

Senator Jeff Stone supports me stating, "We need people like Gary Jeandron in the Assembly who will stand up to special interests, protect taxpayers and fight for working families. The people of the 42nd District deserve an Assemblyman who will put the interest of the people ahead of the big money special interest that seems to run Sacramento and Gary Jeandron will make us proud."

I ask for your vote.

ANDREW F. KOTYUK, Republican

OCCUPATION: Veteran / Small Businessman / Councilman

EDUCATION AND QUALIFICATIONS:

U.S. Navy Veteran, successful small businessman, Andrew Kotyuk is a conservative family man with a background in finance and economics through Wharton School of Business. Andrew is running for Assembly to fight higher taxes, onerous regulations, and stop out of control spending.

He's done it before. As Mayor and Councilman, Andrew brought San Jacinto back from near bankruptcy after 4 councilmembers were indicted. He inherited a multi-million deficit and by reforming pensions and cutting waste, balanced the budget without raising taxes. San Jacinto is ranked in the top 9% of California cities for fiscal management with a fully funded budget reserve. He's had similar results as Chairman of Metrolink and the Riverside Transit Agency, saving millions of tax-payer dollars.

Experienced in public-safety, water, transportation, pensions, labor unions and education, Kotyuk is known for fixing organizations. As Charter School President at San Jacinto Valley Academy, he drove graduations rates to 100%.

A life member of the NRA and VFW, American Legion and Howard Jarvis Taxpayers Association member, Andrew is committed to protecting our values, oppose any new taxes, and signed the Taxpayer Protection Pledge.

California is broken: homelessness, crumbling infrastructure, bloated government pensions, and out of control taxes. Despite the highest revenues in the nation, we are the highest taxed in the nation. Our tax dollars are being used to fund illegal aliens, High-Speed Rail, and unnecessary government programs and regulations. It's time to reform our budget and cut the spending.

Join Supervisor Kevin Jeffries, Senator Joel Anderson, Assemblyman Randy Voepel, and former Senate Republican Leader Dennis Hollingsworth and Make California Golden Again, VOTE FOR ANDREW KOTYUK.

MEMBER OF THE STATE ASSEMBLY,
42ND ASSEMBLY DISTRICT**

CHAD MAYES, Republican

OCCUPATION: Member of State Assembly

EDUCATION AND QUALIFICATIONS:

I'm hopeful and optimistic that our best days are before us.

Standing together, we've risen above the negativity and shouting of today's politics and stayed true to the calling of a public servant and put people first.

I'm proud that we've kept our word and sought to provide people with more freedom, and not less.

Too many in our community don't have a high school education and have limited opportunity to improve their lives. By listening and applying conservative principals, my anti-poverty bill is now law and provides economic incentives to encourage people on welfare to get their education – better prepared to achieve their dreams.

Those dreams will be realized as long as California continues to lead through innovation. We extended - and expanded - the sales and use tax credit, so California companies can now purchase state-of-the-art manufacturing equipment and create tens of thousands of good paying jobs.

Instead of just talking about reducing harmful regulations that kill jobs; we actually rolled back regulations. For that reason as well as my commitment to protect Proposition 13, the California Chamber of Commerce awarded me a perfect 100% rating.

I don't have all the answers, but I've kept my word. I promised to cut taxes, reduce regulations, save California jobs and put people first. As your voice in Sacramento, we've done just that.

There's more work to do. I would be honored to have your continued trust and support.

STAN SNIFF

AGE: 68

OCCUPATION: Riverside County Sheriff
EDUCATION AND QUALIFICATIONS:

Independence, experience and results matter.

Despite budget constraints and state-mandated changes resulting in release of hundreds of state prison felons, I have maintained the safety and security of county residents, reducing the County's violent crime rate by 8.8% in 2017. That's why retired Sheriff Cois Byrd, retired District Attorney Grover Trask, and hundreds of our County's community and business leaders support my re-election.

I bring over 40 years of law enforcement experience across all facets of our operations, including patrol service across Riverside County, overseeing our jails, court and coroner operations, and working collaboratively with county government and our allied law enforcement agencies. I've served as Riverside County Sheriff since 2007, rising through the ranks over decades of service.

MEASURE "C" – CITY OF PALM SPRINGS

ORDINANCE NO. ____

AN INITIATIVE MEASURE TO BE SUBMITTED DIRECTLY TO THE VOTERS

In accord with applicable California law and Section 803 of the Charter of the City of Palm Springs, the People of the City of Palm Springs hereby ordain as follows:

SECTION 1: Business Regulations Code Amendment. Sections 5.25.020, 5.25.030 and 5.25.075 of Chapter 5.25 of the Palm Springs Municipal Code are hereby amended to read in their entirety as set forth below with changes shown in ~~strikeout~~ and underline:

A. Section 5.25.020 of Chapter 5.25 of the Palm Springs Municipal Code is hereby amended in its entirety to read as follows:

"5.25.020 Findings.

The City Council finds and determines as follows:

- (a) The primary use of single-family and multi-family dwelling units in the City of Palm Springs is the provision of permanent housing for full time and part time residents of the City who live and/or work in the City. Vacation Rentals and Homesharing are not uses specifically recognized in the City's Zoning Ordinance, nor are these uses expressly identified as uses permitted in single-family or multifamily zones. Vacation Rental and Homesharing are similar in character and use as hotels and other commercial short term uses and can only be permitted in ~~Single Family~~ or multi-family zones if such uses are ancillary and secondary to the multi-family residential use of property. This Ordinance confirms Vacation Rentals and Homesharing as ancillary and secondary uses ~~of for~~ privately owned individual multi-family dwelling units, including without limitation Condominiums, and prohibits them for R-1 zoned Single Family and rental Apartment residential property in the City.
- (b) The purpose of this Chapter is to establish a regulatory program for short term Vacation Rental and Homesharing lodging, with appropriate standards that regulate vacation rental of residential property, minimize adverse effects of Vacation Rental uses on surrounding residential neighborhoods, ensure that ~~vacation rental~~ Vacation Rentals and Homesharing are ancillary and secondary uses of privately owned multi-family residential dwelling units, including without limitation Condominium units, consistent with the provisions of the City's Zoning Ordinance, preserve the character of neighborhoods in which Vacation Rental and Homesharing uses occur, and provide an administrative procedure to preserve existing visitor serving opportunities and increase and enhance public access to areas of the City and other visitor destinations.
- (c) Limiting Vacation Rental and Homesharing lodging to ~~Single Family~~ privately owned multi-family dwelling units, including without limitation Condominium units subject to the regulations provided in this Chapter and prohibiting Vacation Rental in rental Apartments ~~and but allowing~~ Homesharing lodging in R-1 Single Family residences will safeguard, preserve, and protect residential housing stock in the City.
- (d) The adoption of a comprehensive code to regulate issuance of, and attach conditions to, Registration Certificates for Vacation Rental and Home Sharing lodging in privately owned multi-family residential dwelling units and to Registration Certificates for Homesharing lodging within Single Family residential neighborhoods and for rental Apartments and the related use of residential property preserves the public health, safety, and welfare. This Chapter provides a permitting process and imposes operational requirements consistent with the ancillary and secondary status of Vacation Rentals and Homesharing, for the purpose of minimizing the potential adverse impacts of transient uses in R-1 Single Family residential neighborhoods.
- (e) This Chapter is not intended to regulate hotels, motels, inns, time-share units, or non-vacation type rental arrangements including, but not limited to lodging houses, rooming houses, convalescent homes, rest homes, halfway homes, or rehabilitation homes."

Section 4. Amendment and Repeal

IMPARTIAL ANALYSIS OF MEASURE "C"

Prohibition of Vacation Rental of Single Family Residences

A group of private individuals presented a petition with enough signatures to qualify Measure C for placement on the ballot. If adopted, Measure C would modify the City of Palm Springs' regulations for "Vacation Rentals," prohibiting the vacation rental of single family residences in all "single family residential," or "R-1" zones. A vacation rental is the rental of a residential property for a period of twenty-eight (28) days or less. The City has regulated vacation rental since 2008. The City Council adopted the most recent revision to the vacation rental ordinance in 2017.

If passed, Measure C's prohibition of single family residences as vacation rentals would become effective in 2020, twenty-four (24) months after Measure C's effective date. Measure C would also maintain the City's existing prohibition on the vacation rental of apartments, but would allow condominiums, with homeowner association approval, as vacation rentals.

There is a conflict within Measure C as drafted by the proponents about whether "Homesharing," like vacation rental, will be prohibited or remain legal for R-1 single family residences. Homesharing occurs when a residential property owner lives at the residence and rents a portion of his/her home to another person for twenty-eight (28) days or less.

If the voters adopt Measure C, the City Council cannot change or amend its provisions. Measure C could only be amended or repealed through an election or legal action.

Passage of Measure C will eliminate an estimated 82% of all vacation rentals in the City. If the conflicting part of Measure C prohibiting homesharing of single family residences is enforced, that estimated number increases to 85%. The fiscal impact of Measure C passage will be the City's annual loss of an estimated \$6,500,000 in transient occupancy tax revenue, permit fees and enforcement-generated revenue. Measure C passage would leave the City unable to fund vacation rental enforcement at or near present levels, and result in the termination of the City's Vacation Rental Compliance Department as it currently operates.

The above is an impartial analysis of Measure C. A complete copy of the proposed ordinance appears on the City's website at www.palmspringsca.gov. If you want a copy of the proposed ordinance, please call (760) 323-8204 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE “C”

Measure C: A Citizens' Initiative

Palm Springs is a city out of balance. Short-term rentals (STRs) dominate many neighborhoods while our quality-of-life suffers. Many of us live on blocks overrun by these STRs, with fewer and fewer neighbors. Conversions of private homes into unsupervised hotels conflicts with our residential zoning code.

City records indicate that over 80% of vacation rental owners neither live nor vote here. For them, our neighborhoods are strictly cash registers. Our affordable neighborhoods have become gold-mines for out of town investors.

Everyone deserves a safe and secure place to call home. That's what neighborhoods are intended for. Using our single-family homes as commercial lodging deprives us of this right.

According to the City, 467,000 tourists stayed in STRs last year, in neighborhoods built to house about 28,000 residents. This alarming number affects all of us and it's on the rise.

Residential neighborhoods should never be used to generate business tax revenue. Our city continues to build new hotels — lost tax revenue should come from these hotels and not from our neighborhoods.

Dozens of cities limit STRs and are doing just fine. They have experienced no decline in home values.

Your YES vote means that some homes once used as STRs will be rented longer-term and some will be sold. All will be filled with residents that make up a neighborhood, a community.

Measure C:

- **Phases out** short-term vacation rentals less than 28 days a stay, in single-family neighborhoods, zoned R-1, over two years.
- **Allows** long-term and seasonal rentals of 28+ days. Up to 12 times a year.
- **Allows** home-sharing when the owner is present.
- **Allows** short-term rentals of condos, if the HOA permits them.

Save our Neighborhoods. **Vote Yes on C**

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “C”

Vote NO on Measure C

Palm Springs is thriving again!

Since the 1930's, vacation rentals (VR's) have always been a part of the mix of accommodations we offer our tourists.

Sadly, a handful of people want to ban 46% of our City's sleeping accommodations. Our beautiful, diverse hotels cannot now, or in the foreseeable future, make up for this tremendous loss of tourists. We need a mix of small hotels, larger hotels and vacation rentals to attract the tourists our town needs.

A regulation went into effect in April 2017 that must be strictly adhered to. With over 150 provisions and strict enforcement, the number of vacation rental permits have dropped from 2,135 to 1,994.

Talk about “out-of-town investors” and “cash registers” only contributes negativity and scare tactics within our community.

People of good will including VR homeowners and their neighbors, must work together to ensure our city and its neighborhoods continue to make Palm Springs a world class tourist destination.

Everything in a community should be about balance and collaboration. A ban is extreme, divisive and will do great harm to our city.

The ban proponents provide little data to back their claims, nor any answers for replacing the substantial loss of tourist revenue, jobs and lower property values.

ARGUMENT AGAINST MEASURE “C”

Vote NO on Measure C!

Vacation rentals have been a part of the Palm Springs lifestyle for generations.

Vacation rental tourists contribute over \$150 million to our economy and provide over 1,000 local jobs, bringing in nearly \$10 million in tax revenue. Vacation rentals provide full-time residents the right and opportunity to supplement their income and can be a means for part-time residents to own a second home in Palm Springs.

Vacation rentals improve property values! Palm Springs is the only Coachella Valley city to experience a full post-recession recovery in home prices.

This poorly-drafted and confusing ballot measure, brought by a special interest group, will result in the loss of millions of dollars in taxes paid by tourists, necessitating substantial cuts to vital City services and programs.

A prohibition limiting your right to vacation rentals would eliminate close to 85% of all vacation rentals and will result in a substantial decrease in property values.

Enforcement works! The City's current vacation rental enforcement program has resulted in a 39% decrease in calls to the hotline, a 90% decrease in police calls and the shutdown of 65 problem homes.

Bans don't work! When cities ban vacation rentals, they continue illegally with no resources for enforcement.

This extreme ballot measure will have negative consequences. It will reduce property values, hurt small businesses and significantly reduce City revenues.

Palm Springs is experiencing a renaissance including new stores, restaurants and attractions.

We've paved 75 miles of streets and added 12 new public safety personnel.

Why would we undermine our new-found prosperity with a special interest ballot measure?

REBUTTAL TO ARGUMENT AGAINST MEASURE “C”

Stop the commercialization of our neighborhoods!

The recession is over: Stop giving hotels **millions** in tax rebates - it's time to give neighborhoods back to residents. Put short-term tourists back in hotels and resorts and encourage developers to build “STR villages” in appropriately zoned areas.

After Measure C passes homeowners can still supplement their income by Home sharing or renting their home (or part of it) 28+ days per stay, up to 12 times a year.

Only investors will find it unprofitable. Over 80% of them don't live here. Sale of their homes will free up housing that is affordable for new homebuyers and long-term renters.

The Vacation Rental industry and the City have been using scare tactics to persuade us that the “sky will fall” if we limit STRs. It won't.

The truth is, many resort cities in California have already limited STRs, and they're doing just fine. They've put the needs of their residents first.

Their property values have NOT decreased. Instead, they've increased. Realtors are not telling the truth when they say the opposite.

“Enforcement” does NOT work for residents living near an STR. They are the REAL first responders — awakened in the middle of the night by rowdy tourists.

Sure, there will always be illegal operators, but the City can contract out for them to be fined and shut down.

We residents are proud of our city, but a balance between its “renaissance” and our quality of life must be maintained for Palm Springs to thrive.

Conditional Voter Registration

Did you forget to register? No problem! Did you know that during the period of 14 days prior to Election Day through and including Election Day, you can go to the office of the Riverside County Registrar of Voters to conditionally register to vote and vote? This process is called Conditional Voter Registration (CVR). Here's how it works:

1. Visit the Registrar of Voters office located at 2724 Gateway Drive, Riverside, CA 92507
2. Complete a voter registration card or register online at RegisterToVote.ca.gov
3. Vote your CVR provisional ballot. **CVR ballots will only be issued at the office of the Registrar of Voters.**

Once the Registrar of Voters office processes the affidavit of registration, determines that you're eligible to register, and validates your information, the registration becomes permanent and your CVR provisional ballot will be counted.

If you have questions regarding Conditional Voter Registration, please call (951) 486-7200 or toll free (800) 773-VOTE (8683).

You may check the status of your voter registration at www.voteinfo.net/AmlRegistered.

California Motor Voter

The California Motor Voter program is making registering to vote at the California Department of Motor Vehicles (DMV) more convenient and secure. When the new program is launched all eligible individuals completing driver license or ID card or change of address transactions at the DMV will be registered to vote with the California Secretary of State unless they "opt out" of automatic voter registration.

The California Motor Voter program applies to Californians who are 18 years or older and meet the following criteria:

- A United States citizen and a resident of California.
- Not currently in state or federal prison or on parole for the conviction of a felony.
- Not currently found mentally incompetent to vote by a court.

Note: Voter pre-registration is available for those 16 and 17 years of age. Their voter registration will become active automatically when they turn 18.

Before visiting a DMV field office, we recommend making an appointment. Visit <https://www.dmv.ca.gov/portal/dmv/detail/portal/foa/welcome> to get started. You can also use DMV online services (<https://www.dmv.ca.gov/portal/dmv/dmv/online/vcs>) to renew your driver license or ID card or change your address.

If you indicate you're eligible to vote, once you complete your driver license or state ID renewal form transaction online, by mail or in person at the DMV, your voter information is then transmitted securely and electronically to the California Secretary of State.

Please note that drivers with an AB 60 driver's license are not eligible to participate in the California Motor Voter program and are not eligible to vote.

For more information, visit MotorVoter.sos.ca.gov.

To register to vote online, visit RegisterToVote.ca.gov.
