Election News **UPDATE**

Top-Two Open Primary Act

Under the Top-Two Open Primary Act, passed by voters in June 2010, you may vote for any candidate running for a congressional and state legislative office, no matter which political party they belong to. Only the top two vote-getters, regardless of party preference, will move on to the general election in November.

The Top-Two Open Primary Act does NOT apply to candidates running for U.S. President or central committee offices. You may only vote for candidates from the party in which you are registered.

Non-partisan offices (such as judges, county supervisors, and city council and school board members) remain open to all eligible voters.

Redistricting

New electoral district boundaries are drawn every 10 years, in order to equalize district populations. Boundaries for the congressional, state legislative, county supervisorial, and county board of education districts are now different. To see the new district maps, visit the Registrar of Voters website at www.voteinfo.net.

California Primary Elections

**NEW LAW
Took Effect
January 1, 2011**

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In this new open primary system, this means you can vote for any candidate, regardless of what party preference you indicated on your voter registration form. Only the two candidates receiving the most votes — regardless of party preference — move on to the general election regardless of vote totals. If a candidate receives a majority of the vote (50 percent +1), a general election still must be held. Even if there are only two candidates in the open primary, a general election is still required.

California's new open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

California law requires that the following information be printed in this pamphlet

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may NOT designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

HOW TO USE THIS SAMPLE BALLOT

1. **POLITICAL PARTY PREFERENCE:** If you are not sure about your political party preference, look at the front of this booklet or at the address label on the back cover. You may also check your political party preference on our website at www.voteinfo.net or by calling (951) 486-7200.
If you chose a political party preference when registering to vote you will be issued an official ballot which will include that political party's U.S. Presidential and central committee candidates. Voter-Nominated and Nonpartisan contests will also be included.
2. **NO PARTY PREFERENCE AND NONPARTISAN:** If you did not indicate a political party preference or you registered with an unqualified political party, then you will be issued the **No Party Preference / Nonpartisan** ballot. Your ballot will include congressional, state legislative, and nonpartisan contests, **not U.S. Presidential Candidates**. However, for this election, two parties are allowing cross over voting for their Presidential Candidates. You may request one of the following ballots:

Democratic Party

American Independent Party

3. **PARTISAN OFFICES in the SAMPLE BALLOT**
Look at the sample ballot pages that follow. Find the sample ballot pages for the appropriate political party, in order to review your official ballot choices for partisan offices.
If you are a no party preference voter and you choose to vote the nonpartisan ballot, you will not find any of the presidential candidates on your ballot.
4. **VOTER-NOMINATED AND NONPARTISAN SAMPLE BALLOT PAGES**
All voters are eligible to vote on the voter-nominated and nonpartisan portion of the ballot. Following the party sample ballot pages are the voter-nominated and nonpartisan offices, and state and local propositions and measures. The exact issues and offices on your ballot correspond to the location of your residence address, according to what jurisdictions have seats to fill and/or questions to ask.

HOW TO MARK YOUR PAPER BALLOT

Please refer to the following instructions on how to properly complete your official paper ballot.

- ✓ Connect the head and tail of the arrow that points to your choice, like the example provided. Check both front and back of ballot for voting contests
- ✓ Use a black ball point pen. Do not use felt tip, red or gel ink
- ✓ One line connecting the arrow is preferred
- ✓ Vote for no more than the number of votes allowed in each contest (e.g. vote for one, vote for no more than two, etc.)
- ✓ Please keep the vote-by-mail ballot folded the same way as you received it

CURT NOVAK, No Party Preference

OCCUPATION: Research And Development Engineer

EDUCATION AND QUALIFICATIONS:

We're fed up with Congress and career politicians. It's time to stand up, make a statement and send them packing:

- 1) Stop overtaxing small business and sending our jobs overseas.
- 2) Stop abusing earmarks and special funds for your own financial profit.
- 3) Stop embracing political action committees and start doing what's best for us, your constituents.
- 4) Stop bailing out domestic and foreign banks while risking our financial future.
- 5) Stop the perpetual wars, safely bring our troops home and end the military industrial complex.
- 6) Stop mandated health insurance and give us cost-effective single payer health care.

I hold two engineering degrees and I've worked with biomedical, pharmaceutical, military and automotive design and manufacturing businesses throughout the Southland. I've seen our economic future and it's not looking good if we don't act NOW.

I have NO desire to become a career politician and I pledge to limit my term to four years. We need new people in congress, no more status quo. The two-party partisan system is undermining America. I'm an Independent. My allegiance is to you, the people, and not to a dysfunctional political party.

I was born and raised in Southern California and I have called the Inland Empire my home for over a decade. My children, my family, you and your family deserve better from our federal government.

We owe it to each other to fix our Nation.

I love our state and our country. It's time that we take it back!

CLAYTON THIBODEAU, Republican
OCCUPATION: Property Manager, Educator
EDUCATION AND QUALIFICATIONS:

AGE: 51

Clayton Thibodeau, third generation Southern Californian, age fifty-one, married twenty-five years to Lori Elizabeth, two daughters, Christina and Ashley, regular church goers.

Masters Degrees in Business Administration and Education. Experienced educator and business owner, who has managed millions in assets and negotiated thousands of contracts. Clayton Thibodeau understands the dynamics of California's volatile economy and has the skill and experience to represent us in Washington.

Presently, Clayton Thibodeau manages a senior mobile home park, which gives him a keen awareness of the challenges faced by those who rely on Social Security. Clayton Thibodeau's first priority will be to protect Social Security recipients, by eliminating lower priority programs to generate billions in new Social Security revenue.

As his second priority, Clayton Thibodeau will work to create millions of new jobs by expanding U.S. energy production. This will move millions of workers off unemployment; generate billions in new tax revenue (without raising taxes); and reduce gas, utility, and grocery prices: all of which will strengthen our economy, improve our quality of life, and reduce our dependence on foreign sources of energy.

Clayton Thibodeau's third and highest priority will be to defend the U.S. Constitution and the Bill of Rights.

These are Clayton Thibodeau's top priorities: to protect Social Security recipients; create jobs by expanding U.S. energy production; and defend the Constitution.

OCCUPATION: U.S. Representative
EDUCATION AND QUALIFICATIONS:

AGE: 58

I'm a proven conservative working for lower taxes, creating jobs, balanced budgets, and less government spending and intrusion. Born, raised and educated in Southern California I started, grew and ran my own and family businesses. With an economics degree from San Diego State University and decades of community leadership and business experience, I understand what it means to sign the front of a payroll check, and what that paycheck means to families.

Past President/Chairman of: Corona Chamber of Commerce; Corona Rotary; Riverside County Lincoln Club; Riverside County Republican Party; and am the Honorary Chairman/Founder of STEP (Science, Technology and Education Partnership).

I have earned a 97% lifetime score from the Chamber of Commerce, a 96% rating from the American Conservative Union in 2010, a 90% rating from Americans for Tax Reform, and was named a "Taxpayer Hero" in 2010 by Citizens Against Government Waste.

I created the E-Verify program to bar illegal aliens from American jobs and am leading the effort to make it mandatory nationwide. I oppose federal funding of abortion and received a 100% rating from the National Right to Life Committee during the last Congress.

I opposed: the Stimulus; every Obama budget; the Auto Bailout; Cap-and-Trade; and ObamaCare.

We must cut spending and the debt and restore personal freedom.

I have proudly been a conservative voice in Congress for all of the communities in the newly drawn 42nd Congressional District and humbly ask for your vote.

William grew up in a military enlisted family. Moving frequently, he had to adapt to succeed, attending nine different public schools by the end of the 8th grade. Growing up in working class communities taught him the value of service and involvement. While in high school and college he volunteered to tutor deaf students in computer science, at risk students in math and science, joined the Big Brother program, and umpired Little League baseball.

As a young officer in the Marine Corps, in between deployments he coached Little League baseball, lead a Naval Sea Cadet Corps unit, and did volunteer work for the blind. He somehow found time to marry and raise a family. Retiring from the Marines in 2004, he taught 7th grade math for two years, then taught high school math and science, always with students who were at risk of failure. Needing more than one year to seriously change student behavior and attitude he transitioned to JROTC which allowed up to four years with the same students and better educational tools to put students on the right track to academic success.

KENNETH C. DICKSON, Republican
OCCUPATION: Retired Lt Col. USAF
EDUCATION AND QUALIFICATIONS:

AGE: 63

This election is about PRESERVING OUR INDIVIDUAL FREEDOMS and DEMANDING INTEGRITY, TRANSPARENCY, and ACCOUNTABILITY of our state government. Sadly, our legislature has become bloated, abusive, and captive to special interests which threaten our values, our liberty, and our future prosperity. Out-of-control spending in Sacramento has also brought California to the brink of bankruptcy.

I will work tirelessly to restore our business climate and to CREATE MORE PRIVATE SECTOR JOBS by RESOLUTELY HOLDING DOWN TAXES and by REDUCING OPPRESSIVE BUREAUCRATIC REGULATIONS. We must also protect our future by more efficiently educating our youth for 21st Century jobs through GREATER LOCAL CONTROL OF EDUCATION. These goals, however, cannot be met without also DEMANDING BORDER INTEGRITY and upholding the rule-of-law by using technologies like E-Verify. We must, we can, and we shall do better in Sacramento.

Throughout an extended Judge Advocate career (Lt. Col. USAF, Ret.) my responsibilities were to protect the integrity and the resources of a very fine organization. Through those experiences, and others I have been fortunate to have, including 14 years as a Murrieta School Board Member, I believe I have gained important knowledge of government and our legal systems; and I have acquired the skills and perspective required to effectively serve the 67th Assembly District in Sacramento.

PLEASE VISIT "kendickson2012.com" for more information about my qualifications.

THANK YOU for your consideration.

BOB MAGEE, Republican

AGE: 49

OCCUPATION: Businessman / Councilman

EDUCATION AND QUALIFICATIONS:

Dear Voter;

Our state government has a responsibility to encourage business growth, educate our youth and protect all Californians. To do that we must change the following:

No New Taxes: We need budget reform that includes a logical long-term strategy and a savings plan to ensure our economic viability as a state. This includes restrictions on spending, pension reform and no new taxes or fees.

Bring Jobs Back to California: We need regulatory reform that enables and encourages businesses, instead of prohibiting and restricting them. We must take obstructive and unnecessary regulations off the books. Without business growth, our region and our economy cannot recover.

Protect Our Communities: We must recommit to public safety. This means building more prisons, not releasing felons early back into our communities before they have satisfied their debt to society.

Improve Our Roads & Freeways: We need to continue to invest in our transportation infrastructure by improving our highways, bridges and roadways. We need to stop squandering our precious resources on a High Speed Rail project that California can't afford.

Track Record of Success: Working with others I have balanced budgets and improved the quality of life in my City by driving down crime rates, building parks and roads, and encouraging job growth and business expansion.

These are the principles that I will support and fight for in Sacramento. If you feel as I do help me take back our state. I would appreciate your support on June 5th.

Thank you.

MEMBER OF THE STATE ASSEMBLY,
67TH ASSEMBLY DISTRICT**

MELISSA MELENDEZ, Republican AGE: 44
OCCUPATION: Businesswoman / Council Member
EDUCATION AND QUALIFICATIONS:

I'm running for Assembly to lower taxes, cut regulations, and reduce government spending. This can happen with resolve and determination.

On the City Council, I cut business taxes, helped create private sector jobs, balanced our budgets, and cut government waste. I also authored a measure to help stop the flow of illegal immigrants across the border.

In the Assembly, I will fight for a permanent border fence and National Guard presence to protect Americans from drug violence. I strongly oppose amnesty for illegal aliens, and I applaud Arizona for taking necessary measures when the federal government failed to enforce its border.

I will defend Proposition 13's property tax limits. Prop 13 has been the one constant protection for taxpayers from California's tax-and-spend crowd.

I will fight for a Small Business Owners' Bill of Rights, which includes cutting taxes by 50%, implementing manufacturing investment credits, streamlining permitting processes, and sunseting regulations so they must continually come up for review.

I will fight to require every program to justify its existence every year. Those that cost more than the public good they produce will be eliminated.

I am proud to have the endorsement of Senator Joel Anderson and conservative taxpayers from around our Valley.

My husband and I are both U.S. Navy Veterans. I'm also a small business owner, local city council member and loving mother. I am pro-Second Amendment, pro-life, and pro-traditional family. I would be honored to have your support. For more information, visit MelendezforAssembly.com.

67TH ASSEMBLY DISTRICT**

PHILIP E PAULE, Republican AGE: 49
EDUCATION AND QUALIFICATIONS:

As Vice-President of the largest Water District in Riverside County, a husband and father of two sons going to school in our district, and a Conservative, I am running for the Assembly because the State Legislature is broken, corrupt and out of touch with the daily problems we face.

The politicians in Sacramento waste billions of dollars on a pie-in-the-sky bullet train, while demanding higher taxes from small business, working families and retirees. They let our schools and police suffer, while handing out taxpayer-paid benefits to illegal aliens.

As your Assembly representative, I will work to:

END taxpayer financed benefits for illegal aliens.

PROTECT seniors from tax and fee increases and benefit cuts.

REDUCE small business fees and regulations that are killing our economy.

FOCUS government on what's really important: LAW ENFORCEMENT, SCHOOLS, WATER, ROADS.

My wife runs a small business. I see how high taxes and regulations hamper her ability to grow her business and hire employees. We won't fix our economy until we stop punishing hard working small business owners.

I am proud to have the support of the leading CONSERVATIVES in our area; including U.S. Representative Darrell Issa and former Senator Ray Haynes. I'm also supported by the California Women's leadership Association and the Temecula Valley Young Republicans.

Let's take control of our government and reclaim our freedom and prosperity. I'd be honored to receive your vote and serve as your Assemblyman.

VICTORIA CAMERON

OCCUPATION: Superior Court Judge

EDUCATION AND QUALIFICATIONS:

In 2010 I was honored to be appointed a Superior Court Judge. I believe it is important for a Judge to fairly administer justice by upholding the law because it is vital that we trust the integrity of our courts. They must administer fair and impartial justice. I preside over criminal cases and have never had a case overturned.

Previously I served the people of Riverside County as a Senior Deputy District Attorney specializing in gang murder and child molestation prosecutions and was on the Homicide On-Call Team, responding to major crime scenes to assist law enforcement officers.

Additionally, I taught at Desert College of Law and San Bernardino Valley College. I volunteer in the community and, among other things, go to schools to educate children about the dangers of crime and drugs.

My commitment to justice and upholding our laws has earned me the support of many community leaders including numerous Judges, private attorneys, Sheriff Stan Sniff, the Riverside Sheriffs' Association, the District Attorneys for whom I worked, Grover Trask and Rod Pacheco, the Riverside County Deputy District Attorneys' Association, and many others.

I would be honored to have your vote to continue serving you as a Judge.

THOMAS ECKHARDT

AGE: 61

OCCUPATION: Constitutional Lawyer

EDUCATION AND QUALIFICATIONS:

I strongly believe that the standard set for judges thousands of years ago is as true today as it was then: *"You shall not give an unjust decision; do not be partial to the poor nor show favor to the rich; but rather judge your neighbor fairly in the same manner as your own family to be judged."*

I will keep this standard on my desk and promise you that I will do my best to live up to this standard; whether it be about us, our property or the safety of our neighborhoods, schools and children. My 17 years as a Prosecutor and 14 years as Defense Counsel has given me the maturity, broad life experience and knowledge to be a fair and impartial Judge.

I live in Indio with my wife Yvonne, the daughter of Guadalupe Orduno Guerrero and our daughter Elena. I was born in Long Beach, the son of a navy veteran and a beautician. I picked fruit to work my way through school. I am a graduate of the University of Washington and McGeorge School of Law in Sacramento.

For the last eight years I have served as the Court's Supervising Probate Judge. In probate we protect elderly persons who are under conservatorship, and children who are under guardianship. I also preside over inheritance disputes, sometimes involving millions of dollars.

I attended Hemet public schools, received my college degree at UC Irvine, then graduated with honors from Pepperdine Law School. Before being appointed as Judge, I practiced law for 18 years, ten as the City Attorney for the City of San Jacinto.

AGE: 57

OCCUPATION: Deputy District Attorney, retired
EDUCATION AND QUALIFICATIONS:

For 18 years I had the honor of serving the people of Riverside County as a Deputy District Attorney. Now it would be my honor to serve you as a Judge.

My judicial philosophy is clear. A judge must always uphold the Constitution and follow the law. Justice must be fair, firm, and unbiased. Convicted criminals should be sentenced appropriately and crime victims' rights protected.

As a Deputy District Attorney I handled thousands of cases, successfully prosecuting career criminals, gang members, and drug dealers. I helped Riverside County's Drug Court Program gain national prominence. I also developed Riverside County's Environmental Crime Prosecution Program and convicted developers for illegally dumping hazardous waste.

Assigned to the American Prosecutors Research Institute, I created a national center to support local environmental crime prosecutions to protect our land, air, and water.

My record as a prosecutor has earned me the support of Riverside County's Deputy District Attorneys.

Since my retirement I have operated a part-time law practice handling matters of juvenile dependency and criminal law. My wife is a school teacher. We've been married 29 years and have two children in college.

COUNTY SUPERVISOR,
1ST SUPERVISORIAL DISTRICT**

MIKE SOUBIROUS

AGE: 54

OCCUPATION: Retired CHP Commander

EDUCATION AND QUALIFICATIONS:

Politics as usual can't fix Riverside County.

Our county has an \$80 million budget deficit. Unemployment is 12.5%. We lack the jail space needed to house the convicted criminals being transferred from state prison under the state's new realignment plan. This has led to criminals being released early from our jails.

To fix these problems, we need to change direction, encourage new ideas and hold government accountable. I support term limits for our Board of Supervisors, and believe their salaries should be reduced and their pensions eliminated. Public office should be a civic-minded honor, not a way to get rich.

I'm a fourth generation Californian, an Eagle Scout, and a law enforcement professional who has lived and worked in Riverside County for 31 years. I recently retired as an Acting Commander of the California Highway Patrol after 29 years of service to our community.

To protect tax money, I'll fight irresponsible spending and protect vital services like fire and police protection. To create jobs, I'll work for policies that encourage businesses to locate and expand in Riverside County. To give you trust in county government, I'll work to solve problems - not create them.

KEVIN JEFFRIES

AGE: 51

OCCUPATION: Small Business Owner

EDUCATION AND QUALIFICATIONS:

I'm a small business owner and family man who served 29 years as a Riverside County Volunteer Firefighter.

My priorities: bring jobs to Riverside County, keep our communities safe, protect our private property rights and our quality of life, and put an end to the lavish giveaways of taxpayer money.

Reform must start at the top. County Supervisors' six-figure salaries and pensions must be cut.

If elected, I will:

Reduce bloated salaries, pensions and benefits

Refuse to take a taxpayer funded pension

Reform and eliminate layers of bureaucracies and regulations

Attract businesses and jobs to Riverside County

Continue my efforts for future improvements of Hwy-91 and I-15

Be accessible

I've led efforts to protect taxpayer rights. I personally opposed raising your vehicle tax, income tax and sales tax, saving families nearly \$1000 per year.

I opposed the disastrous state prisoner transfer, which allowed the early release of felons back into our communities.

Proudly endorsed by:

Howard Jarvis Taxpayers Association

National Tax Limitation Committee

Riverside County Deputy District Attorney's Association

California Small Business Association

Riverside County Farm Bureau

I'll remind county government they work for us, we don't work for them.

BOB BUSTER

AGE: 67

OCCUPATION: Riverside County Supervisor / Citrus Farmer

EDUCATION AND QUALIFICATIONS:

I am a U.S. Army veteran and native of Riverside County.

FISCAL CONSERVATIVE. I led efforts to reform public employee pensions, knowing it could anger those receiving benefits. But the system was not sustainable and left taxpayers holding the bag. Now the unions are funding campaigns against me.

PUBLIC SAFETY ADVOCATE. The reforms I pushed save taxpayers more than \$860 million over the next ten years. As a result, more money is available to strengthen law enforcement and fire protection in your community and improve basic county services without raising your taxes!

JOB CREATOR. I helped bring new businesses and thousands of new jobs to Hunter Research Park and March Air Reserve Base. I also led efforts to make County Hospital the main teaching hospital for the planned UC Riverside Medical School, bringing even more good-paying jobs.

TRAFFIC RELIEVER. I was the first to call for elimination of 91 Toll Road restrictions so new free lanes could be built to reduce congestion. Further expansion will create 16,200 jobs. I required developers pay transportation fees totaling over \$544 million to improve roads, railroad crossings and interchanges.
