IMPORTANT NOTICE TO VOTERS

In an effort to maintain current voter rolls and reduce waste, the Riverside County Registrar of Voters will be mailing an alternate residency confirmation notice after the November 2, 2010 Consolidated General Election, pursuant to California Elections Code § 2224 that permits removal from the active voter roll the names of those registered voters who have **NOT** voted in any election nor had their registration updated in the preceding four years.

The pre-addressed return postage-paid card **MUST BE RETURNED** to the registrar of voters if he or she wish to remain on the active voter roll. However, if you receive a card for someone who has moved or does not live at the address shown return the card so that we can maintain a current voter file.

Voters who return the notice with an affirmative response will remain on the active list of registered voters.

Voters who do **NOT** respond affirmatively will be placed on an inactive voter list, and they will no longer receive election materials. If they fail to vote in any election between the time they receive the notice and the next two federal general elections, they may be canceled from the voter file.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
49TH CONGRESSIONAL DISTRICT**

DARRELL ISSA, Republican

OCCUPATION: Representative in Congress

EDUCATION AND QUALIFICATIONS:

It is my honor to represent you in Congress. I believe the most important thing I can do is to bring transparency and accountability to our nation's government.

I strongly opposed using your tax dollars to bail out Wall Street banks and the trillions of dollars of "stimulus" and other wasteful spending that followed. Taxpayers shouldn't have to foot the bill for irresponsible investment decisions on Wall Street, and government spending is not an effective tool for job creation in the private sector. Our policies should support the growth of jobs and small businesses, not government.

As the Republican leader of the House Oversight & Government Reform Committee, I have conducted investigations targeting waste, fraud and abuse in government and corrupt practices in corporate America.

Our investigations exposed attempts by taxpayer funded organizations to corrupt our electoral system; improper loan deals given to Congressman and Senators through the Countrywide Mortgage VIP program; misuse of bailout funds by the Federal Reserve; and mismanagement and corruption at the Minerals and Management Service, the federal agency responsible for regulating offshore drilling.

I hope to continue to serve you in Congress and would appreciate your vote.

For more information, please visit my website
www.issaforcongress.com or call my office at (760) 598-3535.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
66TH ASSEMBLY DISTRICT**

KEVIN D. JEFFRIES, Republican

AGE: 49

OCCUPATION: Business Owner / Assemblyman

EDUCATION AND QUALIFICATIONS:

Just a few years ago, I campaigned door-to-door for the privilege of representing you in the California State Assembly. During that time I made a commitment that I would work to reform our state government and to OPPOSE any effort to raise your taxes. I'm proud to say I have kept those commitments.

While serving you in the Assembly, I have been fighting to return California to a pro-jobs / pro-small business environment. In fact my voting record has earned some of the highest grades possible from respected groups like the Howard Jarvis Taxpayers Association, California Taxpayers Association, California Farm Bureau and the California Chamber of Commerce.

I have introduced and fought for numerous reform proposals to stop the midnight votes, increase public oversight, eliminate unnecessary positions, cut regulations, and to streamline and consolidate state agencies. I fought against the early release of convicted felons into our communities and I opposed increasing your DMV fees and the use of your hard earned tax dollars to fund benefits for those who have entered our country illegally.

As a fiscal conservative, small business owner, family man, long time resident and Volunteer Fire Captain, I have been unwavering in the fight to protect taxpayers, families, jobs and our homes. I believe your hard earned tax dollars should be spent wisely. Our state government is broke because of its spending addiction and misguided priorities, NOT because you are failing to pay enough taxes.

I respectfully ask for your vote.

TOM THOMAS

AGE: 61

**OCCUPATION: Board of Trustees
EDUCATION AND QUALIFICATIONS:**

I have been a school board member for the past 6 years, 3 of them as the President. In those 6 years, essential changes in strategy and personnel have resulted in Lake Elsinore rising in rank from 11th to 3rd in Riverside County standardized test scores. We now have 12 schools officially recognized by the state as "Distinguished Schools" and 11 schools with the highest comparative ranking to similar schools throughout the state. I am very proud to have played a part in this improvement and it has been immensely gratifying to see Lake Elsinore's teachers and students recognized for their academic excellence by peers in the educational community.

We have done so while maintaining financial responsibility to the taxpayers, our employees, and most importantly the students. Accountability, honesty, and transparency have been my goals since joining the board and even under difficult economic times, I have held to those values.

Our school district is now producing academic results that rival many of the top schools in California. This is a good time to keep a proven and successful school board and I ask for your vote to continue our extraordinary progress.

EDUCATION AND QUALIFICATIONS:**

Prior to joining the School Board, we were in Program Improvement and had issues with Special Education. Lake Elsinore is the only district in the State to exit Program Improvement; we are the number two program in Special Education; and number one program for English Language Learners of the 23 districts in Riverside County.

Kids are my highest priority. As President/CEO of the Chamber of Commerce I am painfully aware of the impact of unemployment. The Board has cut over \$30 Million Dollars in spending over two school years, with minimal layoffs; while creating 50+ new jobs in After School and Daycare.

Safety First! I spearheaded a committee to address Traffic and Circulation around school sites. As a result, we have installed a traffic signal at Lakeside High, stop sign in Tuscany Hills, added a bus drop off at Lakeland Village and Terra Cotta Middle Schools. The District received Safe Route to School Grant money to address issues at Wildomar Elementary and Lakeside High.

I believe in fiscal responsibility. I will employ my 30 years of accounting and management experience to ensure that the school district is run efficiently and effectively, providing value for your tax dollars.

My name is Ralph Hernandez IV. I am the proud father of 4 young children, two in school already. I coach soccer at the Boys & Girls Club and am a proud Cub Scout Den leader.

New leadership is needed that reconnects the district with teachers, students and their families. I know how this is done and know how it works. As a School Board member in the South Whittier School District I consulted with community leaders and educators to set district goals and objectives that resulted in increased test scores, improved facilities and a sound budget.

After graduating from USC I worked as Assistant Director of Admissions. I understand the importance of making it a priority to better prepare our youth for life after graduation. We will improve partnerships with community colleges and strengthen relationships with universities and trade schools.

I realize that meaningful and relevant education is more than learning test taking skills.

As your councilmember I will be tough on crime and smart in spending your taxpayer dollars.

Statistics over the past four years show that our city has severely cut public safety personnel, spent nearly half of a \$10 million reserve, and drastically reduced city services. Through more efficient management I will drive down spending while improving services to our residents while opposing all tax increases. I will reduce spending by 10%, saving taxpayers over \$2.2 million dollars per year.

Clerk of the Board

IMPARTIAL ANALYSIS OF MEASURE “K”

In November 2002, the voters of Riverside County approved a 30-year renewal of the transportation sales tax known as Measure “A” to fund certain transportation improvements and programs in Riverside County. Measure “A,” as required by state law, includes a limit on the amount of bonded indebtedness that can be utilized to finance projects. The current limitation on bonded indebtedness backed by Measure “A” revenue, in the aggregate principal amount at any one time outstanding, is not to exceed \$500 million.

This measure, if adopted, would increase the current limitation on bonded indebtedness backed by Measure “A” revenue, in the aggregate principal amount at any one time outstanding, to \$975 million.

An increase in the amount of the bonded indebtedness will not impact the transportation sales tax imposed. An increase in the amount of the bonded indebtedness will allow construction of certain transportation projects to be expedited.

A majority of the electors voting on this measure must vote “yes” in order for the measure to pass. Passage of the measure will result in Ordinance 10-002 of the Riverside County Transportation Commission becoming effective at the close of polls on November 2, 2010.

By: Dana M. Smith,
Deputy County Counsel

ARGUMENT IN FAVOR OF MEASURE “K”

In this economy, nothing is more important than providing jobs – high-paying jobs located here in Riverside County. More importantly we need to create these jobs NOW!

Thanks to record low interest rates and lower bids on new construction, we can reshape Riverside County's transportation system earlier so that we can better plan for traffic, improve public safety, and provide for a brighter economic future. Most importantly, Measure “K” does not raise, lengthen or effect current tax rates now — or in the future.

Proven Track Record

Measure “K” is based on previous Riverside County voter approval of Measure “A”, a half cent transportation sales tax program. By a two-thirds vote margin, Measure “A” guaranteed implementation of a number of voter-approved projects, they include:

- Widening the 91 Freeway in Riverside and Corona
- Widening I-215
- Improving freeway interchanges in the Coachella Valley, Riverside, Murrieta, Temecula, Moreno Valley and Mira Loma
- Expanding Metrolink service to Moreno Valley and Perris
- Improving major streets throughout the county

Invest in Jobs and Economic Recovery

The purpose of this measure is to allow the Riverside County Transportation Commission to sell an additional \$475 million in bonds to finance voter approved transportation projects. It's a modest increase over the current level, limits indebtedness to less than 25 percent of the Measure “A” revenues and is based on strict fiscal safeguards.

No New Taxes!

Most importantly, this will be done without raising or modifying the existing Measure “A” tax rate in any way. Investing in additional projects NOW will:

- Create more than 25,000 construction jobs.
- Ensure lower project costs.
- Lower commute times
- Provide additional Metrolink service

Measure “K” will enable Riverside County to invest in voter-approved projects sooner to benefit taxpayers, and do so WITH NO INCREASE IN TAXES.

Vote YES on Measure “K” and help our County recover and succeed NOW!

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “K”

Wasteful spending by national, state, and local government is increasing the public debt, bringing calls for higher taxes, and costing people jobs.

The politicians pushing Measure “K” hope voters will ignore that and allow them to borrow nearly \$1 billion in the promise of job creation.

They claim Measure “K” approves a “modest increase” in the debt limit. Raising the debt limit 95% to borrow nearly \$1 billion is hardly modest. It is obscene.

The backers of Measure “K” promise that it will create more than 25,000 jobs. That is a highly questionable claim that sounds much like an empty promise we've all heard before from other politicians.

Last year, Congress passed a \$787 billion Economic Stimulus bill that dramatically increased the national debt promising it would create jobs. The President signed the bill promising it would put an end to rising unemployment.

That didn't happen. Despite the increased deficit spending, unemployment still went up. In Riverside County our unemployment rate was 8.5% before the Stimulus. Today our unemployment rate has soared to 15.3%.

If these borrow and spend policies could not pull our nation out this economic slump, we should not expect them to help Riverside County's economic recovery.

The Federal Debt is over \$13 trillion and growing. The State's Debt is set to rise to over \$131 billion. Riverside County's Debt is \$2.5 billion.

Help break this constant cycle of borrowing by our politicians and force government to live within its means.

Vote No on Measure “K”.

By: Brian Floyd,
Riverside County Taxpayers For Accountable Government

Michael S. Geller,
Moreno Valley Taxpayers Association

ARGUMENT AGAINST MEASURE “K”

Riverside County is \$2.5 billion in debt. Last year, the County spent over \$89 million of taxpayer money to pay the interest on its long-term debt.

Voters should reject Measure “K” because it will allow politicians to increase the amount of debt that we taxpayers will be responsible for paying back with interest.

In a previous election voters were asked to tax themselves to help fund transportation projects. Voters approved this tax with the requirement that our government would limit the amount of debt for these projects to \$500 million.

After voters approved this tax, the politicians trusted with spending the money now claim they need to take on a much higher level of debt. They want to virtually double the amount of debt they can incur for these infrastructure projects and raise the debt limit to an astonishing \$975 million.

The principle and interests payments on such debt will easily be over \$1 billion.

During these tough economic times our scarce tax dollars are greatly needed for the vital services our communities require. Our money should not be spent making even larger interest payments to make already rich Wall Street bond sellers even richer.

When the average person maxes out a credit card and is only making the minimum monthly payment, the credit card company doesn't simply come in and double the cardholders credit limit. We should not be doing that for our local politicians.

Government must live within its means. Instead of allowing government to saddle us with more debt and greater interest payments, we need to stand up and put an end to these borrow and spend policies.

It's time to stop government from borrowing money it doesn't have and hold our local politicians accountable for their spending by voting NO on Measure “K”.

REBUTTAL TO ARGUMENT AGAINST MEASURE “K”

Improve Riverside County roads and create jobs WITHOUT new Taxes! Join Riverside County business and community leaders in voting YES on Measure “K”.

Tell our local officials to deliver needed transportation improvements TODAY.

Measure “K” will:

- **Improve our roads WITHOUT increasing taxes** for the General Fund of Riverside County or any other local government agency.
- Build on the success of the previously approved transportation improvement measure passed by two-thirds of County voters in 2002.
- **Deliver a VOTER APPROVED list of projects that widen our freeways, improve local streets, and support METROLINK service.**

Measure “K” allows the Riverside County Transportation Commission (RCTC), an agency of your local elected representatives, to finance transportation improvement projects when we need them....TODAY! This means voter approved projects will be built years ahead of schedule, saving costs, while creating thousands of good paying local construction jobs NOW!

TAXPAYER PROTECTIONS ARE REQUIRED. Measure “K” continues important taxpayer protections put in place by voters in 2002 requiring funding to be spent on VOTER APPROVED improvements to highways and local streets.

Measure “K” simply allows RCTC, with a proven track record for strict accountability, local control, and an unblemished credit rating, to invest in our County's future. Most importantly, it does this with **NO INCREASE IN TAXES.**

Please join us and vote for Improved Roads and More Jobs. **Vote YES on Measure “K”.**

The People of the County of Riverside ordain as follows:

SECTION 1. TITLE.

This ordinance shall be known and may be cited as the *Public Safety and Taxpayer Protection Act of 2010*.

- (c) The People of Riverside County further determine that it will promote budgetary stability to prohibit changes in the formula for retirement and death benefits of public safety officers without a vote of the electorate, so as to allow the County to accurately forecast its future retirement expenditures.
- (d) The People of Riverside County further recognize that reducing the retirement benefits for current employees would be an unlawful impairment of contract in violation of Article I, Section 10 of the United States Constitution, as well as Article I, Section 9 of the Constitution of the State of California
- (e) The People of Riverside County find that fulfilling these goals – of freezing retirement benefits for public safety employees while ensuring that the families of public safety employees killed in the line of duty are provided for – will help the County continue to attract and retain skilled and experienced public safety employees by providing them and their families with predictability in their retirement and death benefits.

SECTION 3. Chapter 3.10 is added to the Riverside County Code to read:

CHAPTER 3.10 RETIREMENT BENEFITS FOR PUBLIC SAFETY EMPLOYEES

Section 3.10.010 Definitions.

For purposes of this Chapter, the following definitions apply:

- (a) “Retirement Benefits” means those retirement benefits offered to public safety employees and their survivors as of the effective date of this measure, and includes Service Retirement, Disability Retirement, Industrial Disability Retirement, Survivor Continuance, and Retiree Health Benefit.
- (b) “Death Benefit” means those pre-retirement death benefits offered to beneficiaries of public safety employees as of the effective date of this measure.
- (c) “Retirement Benefit Formula” means the retirement benefit formula currently in place for public safety employees, which is known as “3% @ 50”, and includes the current limitation on these benefits of 90% of final compensation.
- (d) “Retirement System” means the California Public Employee Retirement System (“CalPERS”) or any successor retirement system
- (e) “Public Safety Employees” means those employees who are defined as safety employees under CalPERS as of the effective date of this measure, including but not limited to firefighters and peace officers.

Section 3.10.020 Limitations on Changes To Retirement and Death Benefits.

The Board of Supervisors shall not take any action, by ordinance, resolution, or otherwise, which increases or decreases the retirement benefit formula of, or increases or decreases pre-retirement death benefits to the beneficiaries of, any past, current, or future public safety employee of Riverside County in the retirement system, without first obtaining the approval of a majority of those qualified electors voting on the matter. This section shall not apply to cost of living adjustments, salary increases, and annual leave or compensatory time cash outs.

Section 3.10.030 Effect Of Changes In Retirement System

This ordinance shall apply with equal force to any Retirement System in place now or in the future. If CalPERS ceases to offer the 3% @ 50 Benefit Formula, or if Riverside County ceases to contract with CalPERS for retirement and death benefits, the County shall nonetheless continue to offer the same retirement benefit formula and pre-retirement death benefits to public safety employees. If the same retirement benefit formula or the same pre-retirement death benefits are not available under the retirement system then in force, the County shall provide retirement and death benefits that are substantially similar.

SECTION 4. AMENDMENTS.

This ordinance shall not be modified, amended or repealed, except by a majority vote of those qualified electors in Riverside County voting on the matter.

SECTION 5. CONFLICTS AND COMPETING MEASURES.

- (a) In the event this ordinance conflicts with the terms of any other ordinance, resolution, or policy of the County, this ordinance shall control.
- (b) In the event that another measure ("competing measure") appears on the same ballot as this ordinance which seeks to adopt or impose provisions that differ in any regard to, or supplement, the provisions or requirements contained in this ordinance, the voters hereby expressly declare their intent that if both the competing measure and this ordinance receive a majority of votes cast, and if this ordinance receives a greater number of votes than the competing measure, this ordinance shall prevail in its entirety over the competing measure without regard to whether specific provisions of each measure directly conflict with each other.
- (c) In the event that the competing measure and this ordinance receive a majority of votes cast, and the competing measure receives a greater number of votes than this ordinance, this ordinance shall be deemed complementary to the competing measure. To this end, and to the maximum extent permitted by law, the provisions of this ordinance shall be fully adopted except to the extent that specific provisions contained in each measure are deemed to be in direct conflict with each other on a "provision by provision" basis pursuant to *Yoshisato v. Superior Court* (1992) 2 Cal.4th 978.

SECTION 6. SEVERABILITY.

If any section, subsection, subdivision, sentence, clause, phrase, or portion of this ordinance is, for any reason, held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this ordinance. The People of Riverside County hereby declare that they would have adopted the ordinance and each section, subsection, subdivision, sentence, clause, phrase, or portion thereof, irrespective of the fact that any one or more sections, subsections, subdivisions, sentences, clauses, phrases, or portions thereof be declared invalid or unconstitutional.

SECTION 7. EFFECTIVE DATE.

The provisions of this ordinance shall be considered as adopted upon the date that the vote is declared by the Board of Supervisors and shall go into effect 10 days after that date, as provided for in Section 9122 of the California Elections Code.

IMPARTIAL ANALYSIS OF MEASURE "L"

This measure, if adopted, would prohibit the Riverside County Board of Supervisors from taking any action to increase or decrease the current retirement benefit formula or increase or decrease the current death benefits to any past, current or future public safety employee or past, current or future beneficiary, without first obtaining a majority vote of qualified electors who vote on the matter.

Voter approval would not be required for cost of living adjustments, salary increases, and annual leave or compensatory time cash-outs.

The ordinance would also require the County of Riverside to continue to offer the same CalPERS 3% @ 50 Benefit Formula, or substantially similar benefit, for retirement of public safety employees, as defined by CalPERS, even if CalPERS cease to offer the 3% at 50 and even if the County of Riverside were to no longer contract with CalPERS. It would also require the County of Riverside to continue to offer the same, or substantially similar, pre-retirement death benefits to public safety employees.

"Public Safety Employees" are those defined by CalPERS as all local police officer, local sheriffs, firefighters, safety officers, county peace officers, and school safety members, employed by a contracting agency who have by contract been included within the system.

"Retirement Benefits" are defined as service retirement, disability retirement, industrial disability retirement, survivor continuance, and retiree health benefits of public safety employees and their survivors. "Death Benefits" are defined to include pre-retirement death benefits offered to beneficiaries of public safety employees.

A majority of the electors voting on this measure must vote "yes" in order for the measure to pass. In the event of a competing measure, this measure will prevail over the competing measure in the event both measures receive a majority of votes cast but this measure receives a greater number of votes than the competing measure. Passage of this measure will result in the ordinance becoming effective 10 days after the vote is declared by the Board of Supervisors.

ARGUMENT IN FAVOR OF MEASURE “L”

Voters should vote Yes on Measure “L” because it will make it illegal for Riverside County officials to increase or decrease the pension benefits paid to its public safety employees without a vote of the people.

Measure “L” will also make it illegal for Riverside County’s politicians to increase or decrease the death benefits paid to the spouses and children of Deputy Sheriffs killed in the line of duty without a vote of the people.

Measure “L” simply gives the voters more power over the spending decisions of the Riverside County Board of Supervisors.

Like Proposition 13 protects taxpayers by requiring a vote of the people to approve local bond debts, Measure “L” will require a vote of the people should Riverside County negotiate higher pensions with the unions for public safety employees.

In the past, the Riverside County Board of Supervisors gave larger pensions to the unions that represent Riverside County’s public safety employees without a vote of the people.

If Measure “L” is passed, the voters will be able to approve or reject any pension increases County Supervisors agree to in closed door meetings with these unions.

Today, County politicians can raid the public safety pension fund or cut the safety net provided to the widows and orphans of Deputy Sheriffs killed in the line of duty without a vote of the people.

If Measure “L” is passed, the voters will have the power to approve or reject any attempts by the Riverside County Board of Supervisors to raid the public safety pension fund or to cut the Death Benefits paid to the families of fallen officers.

Hold politicians accountable for their spending and protect the families of the Deputy Sheriffs who put their lives at risk to protect our families.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “L”

DON'T LOCK-IN GOLD-PLATED PUBLIC UNION PENSIONS

Who wrote Measure “L”? The public employee union that wants to permanently lock-in skyrocketing, gold-plated pensions, even as unemployment tops 15% in Riverside County and thousands of our neighbors lose their homes to foreclosure.

The union knows Measure “L” makes it virtually impossible to even reduce lavish, taxpayer-funded pensions without a costly election.

DON'T BE FOOLED BY THE UNION'S MISLEADING ARGUMENTS

Measure “L” promoters claim it ensures that politicians can’t “raid the public safety pension fund.” The truth is state law prohibits anyone, including politicians, from raiding the pension fund. And no one can “cut the death benefits” promised to deputy sheriffs killed in the line of duty.

This union’s extravagant pension program is actually draining the County’s General Fund, which pays for vital services like sheriff’s deputies and fire protection. These services will be cut if taxpayers are forced to keep paying for fat public union pensions.

Don’t be fooled by the union-hired political operatives who signed the argument in favor of Measure “L”.

It’s you – the taxpayer – who will be left holding the bag for these unaffordable pensions.

ARGUMENT AGAINST MEASURE “L”

MEASURE “L” LOCKS-IN GOLD-PLATED PENSION BENEFITS VOTE “NO” ON MEASURE “L” TO PROTECT TAXPAYERS

Measure “L” was written and paid for by a public employee union seeking to permanently lock-in gold-plated pension benefits for its members – already the most generous and expensive in the six Southern California counties.

Don’t be fooled by the deceptive language in Measure “L”.

Measure “L” makes it nearly impossible for Riverside County to ever reform pension benefits that by 2016 will consume one-third of the County’s entire public safety personnel budget. Much-needed reform could save taxpayers \$80 million over the next decade.

Don’t be fooled by deceptive claims from the public employee union bankrolling Measure “L”.

The Deputy Sheriffs’ union is spending hundreds of thousands of dollars to pass Measure “L” because it wants to block pension reform.

The union’s claims about widows and children of fallen peace officers are designed to produce well-earned sympathy, but that’s not what Measure “L” is really about.

Neither the Board of Supervisors nor the public would ever consider arbitrarily reducing such benefits.

The real intent of Measure “L” is to create a process so expensive and complicated there can never be meaningful pension reform for members of this union.

It costs taxpayers up to \$2 million to pay the retirement benefits for just one of these union workers, who can retire at age 50 and receive up to 90% of their highest salary for life. This debt contributes to \$6 billion in county employee pension liabilities.

Unless we do something to reform this system, taxpayers will eventually have to choose between severe reductions in essential county services or significant tax increases.

REBUTTAL TO ARGUMENT AGAINST MEASURE “L”

Those against Measure “L” left out several facts that undermine their argument.

FACT: Riverside County’s Public Safety Pension Plan is financially strong with \$1.4 billion in assets.

FACT: Measure “L” takes power away from politicians and gives the people the right to vote on how much is paid in public safety pensions. It does not permanently lock these pensions in at today’s level.

FACT: Measure “L” could save taxpayers millions of dollars by preventing the Board of Supervisors from giving bigger pensions to public safety employee unions by requiring voter approval of any increases.

FACT: The average retired Riverside County peace officer is 60 years old and receives a pension of \$34,385 annually. They do not receive Social Security benefits for their time serving Riverside County.

FACT: Nearly 60,000 residents signed petitions to put Measure “L” on the ballot.

FACT: Jon Coupal, the Sacramento-based activist fighting Measure “L”, pushed a proposition in 2005 that would have eliminated the current Death Benefits paid to the widows and orphans of all California Firefighters and Police Officers killed in the line of duty.

FACT: The wives and children of Riverside County’s law enforcement officers have no control over the conditions their husbands and fathers face protecting our neighborhoods and families from crime and violence.

Politicians should not be allowed to cut or eliminate the Death Benefits paid to the widows and orphans of officers killed in the line of duty.

MEASURE "M" - COUNTY OF RIVERSIDE

PROPOSED ORDINANCE NO. 899

AN ORDINANCE OF THE COUNTY OF RIVERSIDE PROHIBITING
INCREASES IN AND ALLOWING DECREASES IN PUBLIC
SAFETY PENSIONS WITHOUT VOTER APPROVAL

The people of the County of Riverside ordains as follows:

Section 1. **TITLE.** This ordinance shall be known as the Taxpayer Protection and Fiscal Responsibility Act of 2010.

Section 2. **FINDINGS.**

- a. Given current budgetary constraints, taxpayers should be protected against increases in retirement and death benefits provided to public safety employees without voter approval.
- b. Widows and orphans of public safety employees whose death has been determined to be job related, however, shall be protected and benefits paid to such beneficiaries upon the death of the public safety employee shall not be reduced without voter approval.
- c. Given the County's fiscal crisis, retirement benefits for future public safety employees may need to be reduced. It is the intent that the Board of Supervisors continue to retain the discretion to reduce retirement benefits to the extent permitted by law.
- d. Existing public safety employees have a right to receive certain retirement benefits that were promised them upon employment. This ordinance does not allow the reduction of retirement benefits or death benefits which would constitute an unlawful impairment of contract in violation of Article 1, Section 10 of the United States Constitution or Article 1, Section 9 of the Constitution of the State of California.

Section 3. **PURPOSE.** The purpose of this ordinance is to prohibit increases in public safety employee retirement and death benefits without voter approval and to clarify that the Board of Supervisors retains the discretion to decrease public safety employee retirement and death benefits, to the extent permitted by law, without voter approval.

Section 4. **DEFINITIONS.**

- a. Death Benefits. Pre-retirement death benefits offered to public safety employees and their survivors as of the effective date of this measure.
- b. Public Safety Employees. Employees who are defined as safety employees under the California Public Employee Retirement System ("CalPERS") or any successor retirement system.
- c. Retirement Benefits. Retirement benefits offered to public safety employees and their survivors as of the effective date of this measure, and includes service retirement, disability retirement, industrial disability retirement, survivor continuance, and retiree health benefit.
- d. Retirement Benefit Formula. The retirement benefit formula currently in place for public safety employees, which is known as "3% @ 50," and includes the current limitation on these benefits of 90% of final compensation.
- e. Retirement System. The CalPERS or any successor retirement system.

Section 5. **LIMITATIONS ON CHANGES TO RETIREMENT AND DEATH BENEFITS.**

- a. The Board of Supervisors shall not take any action, by ordinance, resolution, or otherwise, which increases the retirement benefit formula of, or increases death benefits to the beneficiaries of, any past, current or future public safety employee of Riverside County in the retirement system, without first obtaining the approval of a majority of those qualified electors voting on the matter. This subdivision shall not apply to cost of living adjustments, salary increases and annual leave or compensatory time cash outs.

- b. The Board of Supervisors hereby retains the discretion to decrease the retirement benefit formula of, or decrease death benefits to the beneficiaries of, any past, current or future public safety employee of Riverside County in the retirement system without first obtaining the approval of a majority of those qualified electors voting on the matter. This subdivision shall not apply to pre-retirement benefits paid to the beneficiaries of a public safety employee whose death has been determined to be job-related. A reduction of such benefits for those beneficiaries of public safety employees whose death has been determined to be job-related shall not be made without first obtaining the approval of a majority of those qualified electors voting on the matter.
- c. Before submitting any increase in the retirement benefit formula or death benefits to a vote of the electorate, or decreasing the retirement formula or death benefits, the County shall meet and confer with public safety employee representative groups if required by the Myers Milias Brown Act (Government Code section 3505 et seq.).
- d. No reduction in retirement benefits or death benefits shall be taken which would constitute an unlawful impairment of contract in violation of Article 1, Section 10 of the United States Constitution, as well as Article 1, Section 9 of the Constitution of the State of California. If CalPERS ceases to offer the 3% at 50 benefit formula or if Riverside County ceases to contract with CalPERS for retirement and death benefits, the County shall not be required to offer the same retirement benefit formula and pre-retirement death benefits to public safety employees unless the failure to do so would constitute an unlawful impairment of contract under the federal or state constitutions or violate federal or state law.

Section 6. AMENDMENTS. This ordinance shall not be modified, amended or repealed, except by a majority vote of those qualified electors voting on the measure.

Section 7. CONFLICTS AND COMPETING MEASURES.

- a. In the event this ordinance conflicts with the terms of any other ordinance, resolution or policy of the County, this ordinance shall control.
- b. In the event that another measure ("competing measure") appears on the same ballot as this ordinance which seeks to adopt or impose provisions that differ in any regard to, or supplement, the provisions or requirements contained in this ordinance, the voters hereby expressly declare their intent that if both the competing measure and this ordinance receive a majority of votes cast, and if this ordinance receives a greater number of votes than the competing measure, this ordinance shall prevail in its entirety over the competing measure without regard to whether specific provisions of each measure directly conflict with each other.

Section 8. SEVERABILITY. If any provision or portion of this ordinance is, for any reason, held to be invalid or unconstitutional by any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of the ordinance. It is hereby declared that the ordinance and each and every provision and portion thereof would have been adopted irrespective of the fact that any one or more provisions or portions thereof be declared invalid or unconstitutional.

Section 9. EFFECTIVE DATE. Pursuant to section 9122 of the Elections Code, this ordinance shall take effect ten days after the vote is declared by the Board of Supervisors.

IMPARTIAL ANALYSIS OF MEASURE "M"

This measure, if adopted, would prohibit the Riverside County Board of Supervisors from taking any action which would increase the retirement benefit formula or death benefit of any past, current or future public safety employee or their beneficiaries without first obtaining a majority vote of qualified electors who vote on the matter.

Decreases in the retirement benefit formula of, or death benefits of, any past, current or future public safety employee or their beneficiaries would not require voter approval. However, voter approval would be required for any reduction in benefits paid to beneficiaries as a result of a job-related death of a public safety employee.

Voter approval would not be required for cost of living adjustments, salary increases and annual leave or compensatory time cash outs.

The County of Riverside, if CalPERS ceases to offer the 3% at 50 benefit formula or if the County of Riverside ceases to contract with CalPERS for retirement and death benefits, would not be required to offer the same retirement benefit formula and pre-retirement death benefits to public safety employees unless failure to do so would violate federal or state law or constitute an unlawful impairment of contract under the federal or state constitution.

If required by the Myers Milias Brown Act, the Riverside County Board of Supervisors would meet and confer with public safety employee representative groups before submitting any proposed increase in benefits to the voters or before instituting any decrease in benefits.

"Public Safety Employees" are those defined by CalPERS as all local police officer, local sheriffs, firefighters, safety officers, county peace officers, and school safety members, employed by a contracting agency who have by contract been included within the system.

"Retirement Benefits" are defined as service retirement, disability retirement, industrial disability retirement, survivor continuance, and retiree health benefits of public safety employees and their survivors. "Death Benefits" are defined to include pre-retirement death benefits offered to beneficiaries of public safety employees.

A majority of the electors voting on this measure must vote "yes" in order for the measure to pass. In the event of a competing measure this measure will prevail over the competing measure in the event both measures receive a majority of votes cast but this measure receives a greater number of votes than the competing measure. Passage of this measure will result in Riverside County Ordinance 899 becoming effective 10 days after the vote is declared by the Board of Supervisors.

ARGUMENT IN FAVOR OF MEASURE "M"

PUT AN END TO PUBLIC EMPLOYEE PENSION ABUSE.
VOTE YES ON MEASURE "M".

Gold-plated pensions for public employees have pushed many local governments in California to the brink of bankruptcy.

Riverside County taxpayers have been left holding the bag for over \$6 billion in employee pension liabilities.

A Riverside County Deputy Sheriff can retire at age 50 and receive up to 90 percent of his or her highest salary for life, along with generous health care benefits. The cost to taxpayers for each deputy's retirement benefits can be up to \$2 million.

Many former public safety employees are among the 87 county retirees receiving pensions ranging from \$100,000 to \$195,000 annually.

By 2016, retirement benefits will consume one of every three dollars of the county's entire public safety personnel budget. That means losing tens of millions of dollars needed to put deputies on the street to protect you and your family.

Those who put their lives on the line to protect us deserve fair retirement benefits, but those benefits must also be affordable for taxpayers.

Measure "M" requires voter approval to increase pension benefits, but it also enables the Board of Supervisors to negotiate with the union to reduce benefits in the future.

In Orange County, the Board of Supervisors persuaded public employee unions to support a new pension system modeled on less-costly private-sector retirement plans. It not only saved taxpayers money, it was less costly for employees.

Measure "M" ensures the Riverside County Board of Supervisors can negotiate similar cost-saving reforms to protect taxpayers while preserving fair benefits for public employees.

That's why the Howard Jarvis Taxpayers' Association and all five members of the Riverside County Board of Supervisors strongly urge you to vote YES on Measure "M" to reform pensions and give voters control.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE "M"

Measure "M" is hypocritical and full of loopholes that could prove costly to taxpayers.

It was placed on the ballot by the Riverside County Board of Supervisors and will not affect the excessive pensions of these politicians, their staffs, or the County's top administrators.

Measure "M" only targets the pensions of Riverside County's law enforcement officers who go to work each day risking their lives to keep our communities safe from crime and violence.

The pensions of retired rank and file Deputy Sheriffs are not "Gold-Plated." The average retired Deputy Sheriff earns a \$34,385 annual pension.

These Deputies all contributed money to their pensions. They don't receive Social Security benefits for their time serving Riverside County. Most pay a substantial amount of money for health insurance out of their own pockets.

But the generous pensions that will be paid to County Supervisors and exempt from Measure "M" can easily be described as "Gold-Plated."

The Press-Enterprise recently exposed that most Riverside County Supervisors will receive bigger pensions when they leave office than the average Firefighter or Deputy Sheriff will make in retirement.

If County Supervisor Bob Buster leaves office at the end of his term, he will receive an annual pension of over \$139,000.

County Supervisor John Benoit already makes over \$100,000 annually as a retired State Employee on top of his \$143,031 salary.

Don't allow politicians to target peace officers while exempting their pension increases from voter approval.

ARGUMENT AGAINST MEASURE “M”

Measure “M” will not protect your tax dollars or control government spending.

It was placed on the ballot by the Riverside County Board of Supervisors to preserve their political power so they can cut the reasonable benefits of Riverside County’s law enforcement officers without a vote of the people.

Measure “M” does nothing to control the pay, perks, or pensions of Riverside County’s Supervisors or top administrators.

- Measure “M” does not give voters the power to reject salary increases paid to the Riverside County Board of Supervisors.

Since 1997, total compensation for a County Supervisor increased over 130%. County Supervisor Bob Buster’s compensation climbed from \$69,463 to \$160,366 in just ten years.

- Measure “M” does not give voters the power to prevent County Supervisors from driving luxury cars at taxpayer expense.

The Press-Enterprise reported last year that County Supervisors were driving expensive vehicles that cost more than \$50,000 each at taxpayer expense.

- Measure “M” does not give voters the power to stop Riverside County’s politicians and administrators from receiving pensions larger than those earned by the firefighters and police officers who risk their lives protecting our communities.

The average pension paid to a retired Riverside County public safety employee is less than \$35,000 annually. But the majority of the Board of Supervisors will make over \$100,000 as an annual pension. Supervisor John Benoit will get a significant bump in his retirement since he already gets almost \$100,000 each year from the pension he’s paid as a retired State employee.

Voters should reject this flawed initiative that does nothing to limit the pay, perks, and pensions of Riverside County’s politicians and top administrators.

MEASURE “M” STOPS PUBLIC UNION PENSION ABUSE

Measure “M” puts the taxpayers and voters in charge of county pensions, not public employee unions and special interests. The reforms in Measure “M” can save taxpayers \$80 million over the next 10 years.

Measure “M” protects hardworking Riverside County taxpayers from a public employee union that opposes badly needed pension reforms. This union refuses to change its pension plan. The pension liability to public safety employees is projected to be \$1.82 billion by June 2010. The County’s unfunded public safety pension liability is \$194 million.

Today, 15% of Riverside County residents are out of work. Home foreclosures are rampant. Annual County tax revenues have plummeted by \$192 million.

But members of the union opposing Measure “M” continue to fight pension reform. Maybe it is because union members can retire at age 50 with up to 90% of their highest salary - up to \$107,518 annually, as well as partial monthly health care benefits. These lavish benefits put taxpayers on the hook for up to \$2 million for a single union retiree.

No wonder the union wants to change the subject! They’re hiding this outrageous taxpayer rip-off behind a smokescreen of false claims and misleading rhetoric.

The truth is Measure “M’s” reforms apply equally to all public safety personnel.

It’s time to rein in runaway public employee pension benefits that Riverside County taxpayers cannot afford.

IMPARTIAL ANALYSIS OF MEASURE "T"

This ballot measure, if adopted by the voters of the City of Lake Elsinore ("City"), would amend the Lake Elsinore Municipal Code by raising the transient occupancy tax rate from the current rate of 10 percent to 12 percent. The 12 percent transient occupancy tax would be imposed on hotel and motel guests as well as campground guests.

The transient occupancy tax is a tax paid by guests who spend 30 or less consecutive days in a hotel, motel or campground in the City. The tax is based on the rate for each room or campground space. For example, a hotel guest currently pays a \$10.00 tax per night on a \$100.00 hotel room. If the ballot measure is adopted, the hotel guest would pay a \$12.00 tax per night on a \$100.00 hotel room.

Currently, 100 percent of transient occupancy tax revenues, computed at the rate of 10 percent, are dedicated to the City's General Fund. All revenue generated by the tax rate increase would also be deposited in the City's General Fund.

Because the proposed transient occupancy tax rate increase would be imposed for general government purposes, the ballot measure qualifies as a general tax as defined by Article XIII C of the California Constitution. Accordingly, for the ballot measure to be adopted, it must receive a majority "yes" vote.

A "yes" vote on for the ballot measure will enact an ordinance that will increase the rate of the City's transient occupancy tax to 12 percent and impose that transient occupancy tax on hotels, motels and campgrounds. A "no" vote will maintain the City's transient occupancy tax at the existing rate of 10 percent on hotel and motels.

By: City Attorney,
City of Lake Elsinore

The above statement is an impartial analysis of Measure "T". If you desire a copy of the ordinance or measure, please call the elections official's office at (951) 674-3124 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE "T"

In an effort to protect our local economy and ensure that our valued tourist visitors pay their fair share for the City service they receive while staying in Lake Elsinore, an increase of two percent in the "transient occupancy tax (TOT)" on nightly hotel room rates is being put before you, the Lake Elsinore resident, for your consideration and, hopefully, for your support.

The TOT is currently 10 percent and has been at that level for more than a decade. Passage of this measure would increase the rate to 12 percent, well within the average rates set by other area cities. The TOT applies only to hotels, motels, and campgrounds within the City and will not increase any other taxes that City residents currently pay.

The TOT ensures that future hotel visitors who travel city streets, frequent Lake Elsinore restaurants and retail areas, and rely daily on City police and other city services help pay for those services they use. If approved, the increased revenues could be used to promote our Dream Extreme lifestyle to visitors from all walks of life. Currently, the TOT revenues go into the City's general fund and offset not only the costs associated with visitors, but also bolster City programs in the areas of public safety, community policing, graffiti removal, street maintenance, parks and recreation, code enforcement, and capital improvements.

This is truly an issue of fairness, equity and sustainability for our wonderful community. The Lake Elsinore Chamber of Commerce, it's Board of Directors, and its hundreds of local business members ask you to please vote YES on this measure and help your City have better streets, safer neighborhoods, and more recreational opportunities.

For more information, please call the Chamber at 951-245-8848.

Thank you for voting YES on November 2.
