REGISTRAR OF VOTERS

MATTHEW CEBALLOS
ASSISTANT REGISTRAR OF VOTERS

Dear County of Riverside Voter,

Election Day for the General Election is just around the corner on November 3, 2026! Your County Voter Information Guide is here, providing essential details for voting, including instructions on marking your ballot, candidate information, a sample ballot, and other important election details to review before you vote. **Tip:** You can mark your sample ballot and bring it with you to any Vote Center for easy reference.

Starting October 5, 2026, ballots will be mailed to all active registered voters in the County of Riverside. You can check your registration at voterstatus.sos.ca.gov or register at registertovote.ca.gov.

Vote at any Vote Center. We have more days and more ways to cast your ballot!

- **Returning Your Ballot:** You may drop off your ballot at any secure ballot Drop-Off location starting October 5, 2026, or mail your ballot via USPS (no postage needed).
- **Receiving Your Ballot:** Your ballot must be received by the Registrar of Voters by Election Day or postmarked on Election Day and received within seven days (November 10, 2026).
- **Tracking Your Ballot:** Register at WheresMyBallot.sos.ca.gov.

Early Voting: Vote in person at the Registrar of Voters office beginning October 5, 2026, from 8:00 a.m. to 5:00 p.m. Hours will change on October 24 - 25, and October 31 - November 1, when voting will be available from 9:00 a.m. to 5:00 p.m. For a list of locations and hours, visit voteinfo.net.

Election Day: All Vote Centers, including the Registrar of Voters office, will be open from 7:00 a.m. to 8:00 p.m.

The voter registration deadline is October 19, 2026. For more information or questions, call us at (951) 486-7200.

Thank you for participating in the democratic process!

Sincerely,

Art Tinoco

Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices may still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California law requires the following information to be printed in this guide.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

MEASURES SUBMITTED TO THE VOTERS MEDIDAS SOMETIDAS A LOS VOTANTES		4 REPEALS PROHIBITION AGAINST PUBLIC FUNDING OF ELECTION CAMPAIGNS. LEGISLATIVE STATUTE. Repeals prohibition on state and local governments offering public funding of candidate election campaigns. Public funding programs may not use funds earmarked for education, transportation, or public safety. Fiscal Impact: Ongoing costs to the state of a few hundred thousand dollars each year for the Fair Political Practices Commission to answer questions from state and local governments about public campaign finance programs. Supporters: League of Women Voters of CA; California Nurses Association; Mental Health Advocacy; Social Security Works; Consumer Watchdog Opponents: California Taxpayers Assn; Howard Jarvis Taxpayers Assn; Family Business Assn of California; United Latinos Action		38 AUTHORIZES BONDS FOR IMMUNOLOGY MEDICAL RESEARCH. INITIATIVE STATUTE. Authorizes \$8.4 billion in general obligation bonds for immunology and immunotherapy research, half to a single University of California-affiliated nonprofit medical research institute, half to research grants. Fiscal Impact: Increased state cost of \$500 million to \$600 million annually for about 20 years to repay the research bond, with some or all of the cost offset if the funded research generates revenue. Supporters: Michael J. Fox Foundation; Alzheimer's Los Angeles; Kidney Cancer Assoc; American Nurses Assoc/CA Opponents: Robert M Kaplan Ph.D.	
STATE / ESTADO		4 DEROGA LA PROHIBICIÓN DEL FINANCIAMIENTO PÚBLICO DE LAS CAMPAÑAS ELECTORALES. LEY APROBADA POR LA LEGISLATURA. Deroga la prohibición de que los gobiernos estatales y locales otorguen financiamiento público a las campañas electorales de candidatos. Los programas de financiamiento público no podrán utilizar fondos asignados a la educación, el transporte o la seguridad pública. Impacto Fiscal: Costos continuos para el estado de unos pocos cientos de miles de dólares cada año para que la Comisión de Prácticas Políticas Justas responda a preguntas de los gobiernos estatales y locales sobre los programas de financiamiento público de campañas. Partidarios: League of Women Voters of CA; California Nurses Association; Mental Health Advocacy; Social Security Works; Consumer Watchdog Oppositores: California Taxpayers Assn; Howard Jarvis Taxpayers Assn; Family Business Assn of California; United Latinos Action		38 AUTORIZA BONOS PARA LA INVESTIGACIÓN MÉDICA EN INMUNOLOGÍA. INICIATIVA DE LEY. Autoriza \$8.4 mil millones en bonos de obligación general para la investigación en inmunología e inmunoterapia, de los cuales la mitad se destinará a un único instituto de investigación médica sin fines de lucro afiliado a la Universidad de California y la otra mitad a subvenciones para investigación. Impacto Fiscal: Aumenta el costo para el estado de entre \$500 millones y \$600 millones al año durante aproximadamente 20 años para reembolsar el bono destinado a la investigación, con parte o la totalidad del costo compensado si la investigación financiada genera ingresos. Partidarios: Michael J. Fox Foundation; Alzheimer's Los Angeles; Kidney Cancer Assoc; American Nurses Assoc/CA Opositores: Robert M Kaplan Ph.D.	
1 AUTHORIZES BONDS FOR HOUSING AFFORDABILITY PROGRAMS. LEGISLATIVE STATUTE. Authorizes \$11.25 billion in state general obligation bonds for housing affordability programs, including multifamily rental housing, mortgages for veterans, supportive housing, preservation of existing affordable housing, and downpayment assistance. Fiscal Impact: Increased state cost of \$500 million to \$600 million annually for about 25 years to repay the housing bond. Supporters: US Vets; CA Federation of Teachers; Self-Help for the Elderly; Habitat for Humanity CA; CA Alliance of Child & Family Services Opponents: None submitted		5 CHANGES RECALL ELECTION PROCESS FOR STATEWIDE OFFICERS. LEGISLATIVE CONSTITUTIONAL AMENDMENT. Under current law, voters elect replacement candidates at the same time as the recall election. This measure instead fills recall vacancies by subsequent special election or appointment. Fiscal Impact: Net fiscal effect unknown. In the event of a recall, savings or costs of millions of dollars to administer the election depending on the office recalled. Supporters: None submitted Opponents: None submitted		39 PROHIBITS CITIZENS FROM VOTING UNLESS THEY PRESENT GOVERNMENT-ISSUED IDENTIFICATION. INITIATIVE CONSTITUTIONAL AMENDMENT. Invalidates mail ballots that do not have last four digits of designated government-issued identification number written on envelope. Prohibits in-person voting without presenting government-issued identification. Fiscal Impact: Costs of between tens of millions of dollars and low hundreds of millions of dollars each year to implement new voting requirements. Supporters: The Transparency Foundation; Latino American Political Assn; Howard Jarvis Taxpayers Assn; CA Women's Leadership Assn Opponents: ACLU California Action; Common Cause; League of Women Voters of California

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
48TH CONGRESSIONAL DISTRICT**

JIM DESMOND, Republican
OCCUPATION: San Diego County Supervisor
EDUCATION AND QUALIFICATIONS:

Not for self, but for country. I took that oath at 19 years old when I joined the U.S. Navy, and it's the same oath I honor every day.

I'm Jim Desmond, a proud American, Navy veteran, Engineer, San Diego County Supervisor, retired Airline Pilot, former Mayor and local business owner who always answered the call to serve. Now I'm asking to represent you in Congress.

Making gas, groceries, utilities, and homes more affordable are my top priorities. I've balanced government budgets without raising taxes and will oppose tax increases in Congress. I focus on solving issues – not politics.

Washington and Sacramento lost the spirit of service and common sense. They fueled inflation by overspending, now families are priced out of their communities and prescription drug prices skyrocketed. You deserve better.

Healthcare should be more affordable and accessible, and I will fight to protect Social Security and Medicare.

We need more energy options, lower home interest rates, and to eliminate capital gains tax when you sell your home.

I've supported law enforcement and fought soft-on-crime policies pushed by a radical agenda. That's why I'm endorsed by several local law enforcement agencies.

As a Navy veteran, I know our veterans sacrificed for us. I'll fight to protect their benefits, cut VA wait times, and ensure every veteran and military family gets the care they've earned.

Not for self, but for country. That is why I serve and I'm honored to earn your support.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
48TH CONGRESSIONAL DISTRICT**

MARNI VON WILPERT, Democratic
OCCUPATION: City Councilwoman / Health Advocate / Public Safety Chair
EDUCATION AND QUALIFICATIONS:

Tired of out-of-control costs, a corrupt Congress and Washington's never-ending chaos?

So is Marni von Wilpert.

From prosecuting corporate lawbreakers to serving in the Peace Corps, Marni von Wilpert does what Congress won't: serve the people and hold the powerful accountable. Now, Marni is running to lower costs, fight corruption, rein in Trump and deliver for Riverside County.

OUR VALUES. An Army veteran's daughter, Marni's values are ours – service, fiscal responsibility and getting results for middle-class families.

- A civil prosecutor, Marni sued opioid companies, chemical polluters – and won
- On City Council, Marni opposed water rate increases and trash tax hikes
- Marni stood with police for faster 911 response. Opposed ICE's lawlessness.

BRING COSTS DOWN. In Congress, Marni von Wilpert will put money back in our pockets and fight to stop the American Dream from slipping away.

- Vote to end tariffs and foreign forever wars to get the cost of living under control
- Expand first-time homebuyer aid so buying a house is attainable again
- Restore healthcare funding Congress cut. Protect Medicare/Social Security.

CLEAN UP CORRUPTION. Marni will clean up the out-of-control corruption that's captured Congress and blocks change middle-class families need.

- Ban Congressman's insider stock trading
- End corporate political money that buys off Congress
- Oppose Trump punishing California by slashing seniors' care

It's a simple choice. More of the same corrupt Congress raising costs – or change to clean up Washington and put the middle class first. For change, vote Marni von Wilpert.

ENDORSEMENTS: Firefighters, Police, California Federation of Labor Unions, Planned Parenthood Action Fund and more at MarniVonWilpert.com

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
60TH ASSEMBLY DISTRICT**

EDWARD A. DELGADO, Republican

OCCUPATION: City Council Member

EDUCATION AND QUALIFICATIONS:

I raised my right hand and swore to defend our Constitution three times.
The first, US Coast Guard, where I served for 10 years. As your Assemblyman,
I'll serve:

- With the strongest ethics and integrity
- As a representative who puts people over politics

The second, Riverside Sheriff's Department, where I served for 25 years. I'll:

- Vote to keep people safe from crime, and send child predators to prison for life
- Work to get the homeless the treatment they need and clean up the camps

The third was when my neighbors elected me to the Moreno Valley City Council. I'll:

- Help small businesses grow and create more good-paying jobs
- Remind politicians in Sacramento that they work for us, not the other way around

I'm just a regular guy, but Sacramento is failing us and I'm ready to raise my right hand one more time.

I know times are tough. I'll vote to reduce our cost of living so that life is affordable for Californians again. I'll fight to:

- Suspend the Gas Tax, vote to eliminate taxes on food, and help pass a tax cut for all Californians.
- Eliminate unfair rules and regulations on housing construction, so we can build affordable starter homes

My wife Laurie, a nurse for over 30 years, and I raised our three children right here. I've spent my life giving back, and I'm not done yet.

MICHELLE PARADISE

OCCUPATION: Assistant District Attorney, County of Riverside
EDUCATION AND QUALIFICATIONS:

For nearly 40 years, I have dedicated my career in public service to protecting Riverside County families and supporting victims, while upholding the law with fairness, integrity, and respect.

Throughout my career, I have assisted people during the most difficult moments of their lives. I have served as:

- Emergency 911 dispatcher for the Riverside City Police Department and Riverside City Fire Department.
- Assistant District Attorney in the Riverside County District Attorney's Office. I have successfully prosecuted over 100 jury trials of child molesters, murderers, and other violent criminals. I was recognized as California's "Prosecutor of the Year."
- Assistant County Executive Officer overseeing Riverside County's Public Safety Portfolio: Riverside County Sheriff's Office, District Attorney's Office, Law Offices of the Public Defender, Probation Department, CAL-Fire/County Department, and Emergency Management Department. In this role, I also collaborated with justice system partners to ensure court cases moved fairly and efficiently.

As a non-partisan candidate, I am proud to be the ONLY candidate ENDORSED by every constitutionally elected official in Riverside County and the ONLY candidate with Cross-Party ENDORSEMENTS, including:

- Riverside County Presiding Judge
- Riverside County District Attorney
- Riverside County Sheriff
- Riverside County Public Defender
- Riverside County Superior Court Judges
- Riverside County Board of Supervisors
- Public Safety Leaders throughout Riverside County
- Community Leaders throughout Riverside County

I am a proud wife, mother, and grandmother. As a Judge, I will serve with impartiality, independence, and unwavering commitment to equal justice.

I, Michelle Paradise, respectfully ask for your vote.

OFFICE NUMBER 10**

ANDREA GARCIA

AGE: 47

OCCUPATION: Deputy Public Defender
EDUCATION AND QUALIFICATIONS:

Dear Neighbor,

For nearly twenty years, I fought to protect children, crime victims, families, and vulnerable communities. I will continue to bring that same commitment to fairness and justice that strengthens our community.

In federal and state courts, I held powerful institutions accountable, ensuring fair treatment under the law. As a tireless advocate for abused, abandoned, and neglected children, I gave a voice to those who needed it most.

As a former business owner, I understand the challenges facing working families and entrepreneurs.

I pioneered the first in-house immigration specialist position at the Riverside County Public Defender's Office. Now, as an expert, I advise attorneys at the San Bernardino County Public Defender's Office on preventing legal errors, improving court efficiency, and protecting tax payer dollars.

I am endorsed by judges, attorneys, educators, healthcare professionals, veterans, business leaders, and elected officials, including Congressmen Mark Takano and Dr. Raul Ruiz.

From the classroom as a law professor to the courtroom as a certified specialist by the State Bar of California, I have built my career on integrity, expertise, and a steadfast commitment to earning your trust.

As a Riverside resident, mother, youth mentor, soccer team manager, and track coach, I believe in serving my community both inside and outside the courtroom.

I respectfully ask for your vote, Andrea Garcia.

ERIN WOLBECK

OCCUPATION: Parent / Public Servant

EDUCATION AND QUALIFICATIONS:

I am a proud graduate of Hemet Unified School District and a proud mother of two Hemet USD students.

During my career with Riverside County, I was a leader within the Adult Services Division, improved services for Adult Protection and In-Home Supports, and successfully managed budgets to ensure effective delivery of services. One of my most rewarding roles is teaching Social Science and Criminal Justice courses at Cal State San Bernardino. As a professor and public servant, I have benefited from the education I received in Hemet, and I want every child in our district to have the foundation they need to reach their full potential.

My core beliefs are in transparent decision-making, fiscal responsibility, and putting students first. As a Hemet USD Board Member, I will listen, ask thoughtful questions, and make informed decisions. I will support academic excellence while ensuring taxpayer resources are used wisely.

Hemet is my hometown. My family lives here. My children have grown up here. I am ready to give back to Hemet by helping ensure today's students have every opportunity to learn, grow, and succeed.

I would be honored to earn your support and serve Hemet's students and families.

NORM KYRISS

OCCUPATION: Businessman

EDUCATION AND QUALIFICATIONS:

Hemet is at a crossroads. Rising costs, a growing budget deficit, deteriorating infrastructure, and public safety challenges require experienced, accountable leadership. We cannot continue spending beyond our means or expect higher taxes to solve long-term financial problems. Hemet must restore fiscal discipline, prioritize essential services, improve our streets and parks, support our first responders, and create an environment where businesses can grow and create good-paying jobs.

I've proudly called Hemet home since 1981. My father was a Navy veteran and mechanic, and my mother instilled the traditional Hispanic values of faith, family, hard work, and respect that continue to guide my life. I graduated from Hemet High School in 1986, built my career in Real Estate, and have raised my family here alongside my wife, a Hemet Unified School District teacher.

My commitment to Hemet is demonstrated through decades of community service as the Ramona Bowl President during its 100th season, President of the local Association of Realtors, Director for Habitat for Humanity, member of the Measure U Citizens Oversight Committee, Vice-President of Grandfathers for Golf, and State Political Coordinator for the California Association of Realtors.

I respectfully ask for your vote.

MEASURE “A” - RIVERSIDE COUNTY
RIVERSIDE COUNTY TRANSPORTATION IMPROVEMENT PLAN
EXPENDITURE PLAN

The Transportation Improvement Plan for Riverside County was first approved by Riverside County voters in 1988 through Measure A and renewed again in 2002. Measure A established a County-wide half-cent retail transactions and use tax to provide a dedicated, locally controlled source of funding for transportation improvements and services throughout Riverside County. Administration of Measure A and the Expenditure Plan is the responsibility of the Riverside County Transportation Commission (“Commission” or “RCTC”).

To maintain a reliable local funding source for transportation improvements, the Commission has approved this updated Riverside County Transportation Improvement Plan (“Plan,” or “Expenditure Plan”) for the purpose of renewing Measure A (Measure). There is no increase to the existing sales tax rate. A renewed Measure will continue to provide funding for local transportation improvements and services across Riverside County.

If approved by Riverside County voters, the renewed Measure would continue the existing half-cent sales tax within the incorporated and unincorporated areas of Riverside County, with revenues dedicated exclusively to transportation purposes as defined in this Expenditure Plan.

Chapter 1: Continued Funding for Transportation Improvements for Riverside County Residents

1.1 *Growing Demands on Infrastructure*

Since the first renewal of Measure A in 2002, Riverside County has experienced significant population growth, increased congestion, and rising transportation construction costs. State and federal funding has not kept pace with these demands. Residents continue to prioritize road repair, congestion relief, and reliable public transportation services. The Plan is intended to address these mobility challenges and invest in projects that benefit residents, businesses, and communities throughout the county.

1.2 *No Increase to Current Measure A Sales Tax Rate*

The updated Plan does not raise the existing Measure A sales tax rate. Instead, it renews the existing half-cent sales tax to continue providing a locally controlled funding source for transportation improvements until ended by voters. Measure funds will continue to be invested locally for the benefit of Riverside County, and will supplement, not replace, state and federal transportation funding.

Chapter 2: A Renewed Measure: Goals and Objectives

2.1 *Moving Transportation Projects Forward*

The Plan will help accelerate transportation projects and maintain public transportation services. This approach allows projects to be delivered using today’s dollars, generating cost savings by avoiding future construction cost escalation.

The Plan, if approved by Riverside County voters, includes projects that:

- Improve the condition of existing roads and repair potholes;
- Improve highways, including Interstates and State Routes;
- Improve regional roads and interchanges;
- Maintain bus transit and passenger rail services;
- Keep bus fares low for residents who rely on public transportation services;
- Partner with employers to enhance workforce mobility and shift to sustainable commuting;
- Accelerate completion of transportation projects that address population growth and emergency response;
- Maintain existing local funding for transportation infrastructure, capital acquisition, rolling stock, and services for the benefit of residents, cities, and unincorporated communities of Riverside County;
- Enhance Riverside County’s ability to secure state and federal funding for transportation by offering local matching funds; and
- Provide funding for the maintenance and improvement of local streets and roads in the cities and unincorporated areas of the County.

2.2 *Provide for Regional Equity in the Distribution of Measure Revenues*

The Plan recognizes the three distinct subregions of Riverside County and provides that revenues raised by the Plan in each subregion remain there and cannot be moved to other parts of the county:

- Palo Verde Valley (includes the City of Blythe and surrounding unincorporated areas);
- Coachella Valley (includes the Cities of Cathedral City, Coachella, Desert Hot Springs, Indian Wells, Indio, La Quinta, Palm Desert, Palm Springs and Rancho Mirage, as well as portions of the Salton Sea area, including surrounding unincorporated areas); and
- Western Riverside County (includes the Cities of Banning, Beaumont, Calimesa, Canyon Lake, Corona, Eastvale, Hemet, Jurupa Valley, Lake Elsinore, Menifee, Moreno Valley, Murrieta, Norco, Perris, Riverside, San Jacinto, Temecula, Wildomar and surrounding unincorporated areas).

The subregions are defined in greater detail on the attached map and in Chapter 5.

The Plan addresses the unique transportation needs of each subregion, including small, rural, and disadvantaged communities, while maintaining a balanced investment strategy across highways, public transportation, and local streets and roads.

Chapter 3: Taxpayer Accountability Provisions

Funding and implementing the projects in the Expenditure Plan will occur in compliance with applicable accounting standards.

3.1 *Legal Dedication of Tax Revenue Solely for Transportation Purposes*

Funds generated by the Measure, net of the amount of administrative fees paid to the California Department of Tax and Fee Administration (CDTFA) for tax collection, may only be used for transportation purposes as described in the Ordinance governing this Plan. Transportation purposes include but are not limited to the construction, capital acquisition, maintenance, and operation of streets, roads, highways, including state highways, and public transit systems, expenditures for the planning, environmental reviews, engineering and design costs, administration, including legal actions related thereto, and related environmental mitigation and related right-of-way acquisition to implement the transportation investment categories listed in the Expenditure Plan.

3.2 *Mandatory Annual Financial Audit*

The Commission shall conduct an independent annual financial audit of all Measure revenues and expenditures to confirm compliance with this Plan and the Ordinance. The audit shall report on whether expenditures have been made in accordance with this Plan and shall be made available to the public. In addition, the audit shall determine compliance with the Maintenance of Effort requirements for each jurisdiction in receipt of local streets and roads funding along with the requirements described in Section 2.VIII of the Ordinance.

3.3 *Transparency and Openness*

Implementation of the Plan shall comply with applicable transparency, disclosure, and open meeting laws.

3.4 *Mandatory Plan Update*

Through a public process, RCTC must formally review this Plan at least every ten (10) years after it takes effect to consider adjusting the Plan to reflect the current and anticipated priorities of Riverside County's residents. If RCTC wishes to amend the Plan after its review or at any other point in time, RCTC must follow current state law and as provided in Section 2.V(B) of the Ordinance to do so.

3.5 *Local Control*

No funds from the Measure can be diverted to Washington, D.C. or Sacramento. State and federal governments cannot legally divert, take, or direct funds raised through this local plan and its governing ordinance.

3.6 *Limitations to Administrative Costs*

Administrative costs shall be limited such that not more than one percent (1%) of the annual net amount of revenues raised by the tax may be used to fund the administrative salaries and benefits of the staff of the

commission in administering the programs funded from that tax.

Any portion of the administrative salaries and benefits allocation not expended in a fiscal year may be carried forward and expended in subsequent fiscal years, provided that: (i) no carried-forward amount shall remain available for expenditure more than five (5) fiscal years after the fiscal year in which the revenues were originally collected; and (ii) cumulative salaries and benefits expenditures shall not exceed one percent (1%) of total revenues collected pursuant to the Measure.

3.7 *Term of Ordinance and Expenditure Plan*

The Ordinance and Expenditure Plan shall remain in effect until ended by Riverside County voters; provided that the tax shall continue to be collected while bonds or any other financing arrangement is outstanding as further set forth in the Measure.

Chapter 4: Transportation Investments to Be Funded

Measure revenues shall be allocated by the Commission to fund transportation improvements, operations, capital acquisitions, maintenance, repair, mitigation, and related right-of-way acquisition within or benefiting Riverside County. Funds shall be returned to the Western Riverside County, Coachella Valley, and Palo Verde Valley geographic subregions in proportion to the funds generated in those areas. Furthermore, funds generated by this Measure may also be applied to projects listed in the 2009 Measure A Expenditure Plan and debt service on bonds or similar securities issued to finance such projects.

The Expenditure Plan includes three (3) funding categories to support transportation infrastructure and services, including:

- Highways and Regional Corridors;
- Local Streets and Roads; and
- Public Transportation.

4.1 *Highways and Regional Corridors*

Funds may be used to improve interstates, state routes, and regional corridors which enhance mobility and support the economy.

Eligible projects may include, but are not limited to, grade separations where roads intersect rail lines; roadway operational improvements and modernization, including the use of new technology; new regional roadway connections; interchange improvements; and associated environmental mitigation and property acquisition. Funding may also be used for constructing, reconstructing, widening, realigning, or improving regional arterial and expressway corridors that support travel across multiple jurisdictions, help relieve congestion on existing highways and local roads, and improve safety.

4.2 *Local Streets and Roads*

Funds will be provided to cities and the County for the maintenance and improvement of the local street and road system. These investments are intended to maintain roadway conditions, improve safety, and support the reliable movement of people and goods within local communities throughout Riverside County.

Eligible uses may include pothole repair; pavement maintenance and rehabilitation; traffic signal and intersection improvements; safety enhancements; bridge and railroad crossing improvements; infrastructure improvements to address flooding and natural hazards; and improvements that enhance accessibility for individuals with disabilities. Local Streets and Roads funding may also support sidewalks, bicycle facilities, pedestrian safety improvements, traffic calming measures, and other related infrastructure that improves safety and access within the local transportation network.

A Maintenance of Effort requirement of city and county governments is required for their share of Local Streets and Roads funds so that new funds provided under this category are intended to supplement, not replace, existing local transportation funding. Local agencies would retain control over project selection and delivery, consistent with the Expenditure Plan and applicable requirements.

4.3 *Public Transportation*

Funds may be used for transit services, facilities, and integrated mobility services benefiting Riverside County.

Eligible uses include bus, passenger rail, and specialized transit operations, mobility management, and first/last-mile connections; and capital investments to maintain, rehabilitate, and modernize public transportation systems. Eligible capital investments may include transit stations and facilities; passenger rail and bus corridors; passenger amenities; parking and access improvements; signals and supporting infrastructure; fleet acquisition and replacement; and associated equipment and facilities, including technologies. Public Transportation funding may also support a range of service strategies, including fixed-route, express/rapid transit service, on-demand transit services, and carpool and vanpool programs, including employer-based commuter programs, and other shared mobility options. Public Transportation funds will continue to provide transit services and keep bus fares low for seniors, veterans, students, and individuals with disabilities.

Chapter 5: Transportation Investments by Region

Funds from the Measure are allocated by category within each of the three geographic subregions.

5.1 Western Riverside County

As of 2026, Western Riverside County includes the cities of Banning, Beaumont, Calimesa, Canyon Lake, Corona, Eastvale, Hemet, Jurupa Valley, Lake Elsinore, Menifee, Moreno Valley, Murrieta, Norco, Perris, Riverside, San Jacinto, Temecula, and Wildomar. It also includes unincorporated communities and less populated areas, as well as tribal lands of the Pechanga Band of Luiseño Indians, the Soboba Band of Luiseño Indians, the Cahuilla Band of Mission Indians, the Ramona Band of Cahuilla, the Santa Rosa Band of Cahuilla Indians, and the Morongo Band of Mission Indians.

The proportional funds generated in Western Riverside County shall be distributed as set forth in the table below:

WESTERN RIVERSIDE COUNTY ALLOCATION OF FUNDS	
INVESTMENT CATEGORY	PERCENT
Highways and Regional Corridors	59%
Local Streets and Roads	29%
Public Transportation	12%

5.1a Highways and Regional Corridors

Fifty-nine percent (59%) of the Measure revenues are identified for the Highways and Regional Corridors category which is estimated to provide approximately \$5.56 billion over a thirty (30) year planning horizon.

The Highways and Regional Corridors category focuses on the transportation facilities that experience congestion and travel delays for Western Riverside County residents and businesses. Examples include but are not limited to Interstates (I) 10, 15, and 215 and State Routes (SR) 91 and 60. These corridors carry high traffic volumes, connect communities across the region, and play an important role in quality of living, emergency response, and economic vitality.

The Highways projects to be implemented are as follows:

ROUTE	LIMITS	PROJECT
SR-91	Pierce Street to I-15	Add 1 lane each direction
SR-71	SR-91 to San Bernardino County line	Add 1 lane each direction
I-215	SR-60 to San Bernardino County line	Add 1 lane each direction
I-215	Eucalyptus Ave to Nuevo Road	Add 1 lane each direction

I-15	El Cerrito Road to San Diego County line	Add 1 lane each direction
I-10	San Bernardino County line to SR-60/I-10/SR-79	Add 1 lane eastbound
I-10/SR-60	SR-60 to I-10	Interchange improvements, including at SR-79/I-10; corridor improvements
SR-91, SR-60 I-15, I-215	Various	Add auxiliary lanes
SR-91	SR-241 to SR-71	Add 1 lane westbound and eastbound

This Highways and Regional Corridors section of the Expenditure Plan is intended to be considered the state highway and freeway portion. The specific projects to be funded in the Highways section shall also include installation, integration, and operation of freeway active traffic management technology; emerging technology and other innovative mobility improvement programs or projects; coordinated adaptive ramp metering; and new auxiliary lanes on SR-91, SR-60, I-10, I-15, and I-215 in the Western Riverside County portion of the Expenditure Plan.

In support of Regional Corridors, funding may be used to construct, reconstruct, widen, realign, or improve regional arterial and expressway corridors. Projects may include but are not limited to the development of new regional roadway connections; modernization of existing arterials to increase capacity and safety; construction of grade separations where roads intersect rail lines; construction or reconstruction of interchanges; corridor improvements that enhance traffic flow and regional connectivity; and implementation of bicycle, pedestrian, and public transportation features. Regional corridors projects eligible for funding include but are not limited to Mid County Parkway (Ramona Expressway) and the new County Expressway between Winchester and San Jacinto (commonly referred to as SR-79 Realignment).

City/County- Sponsored Projects

The Commission may annually allocate revenues generated within this category for eligible highway, interchange, or regional corridor projects sponsored by one or more cities or the County. The percentage allocation shall be established by the Commission in the first fiscal year of the Measure and may thereafter be revised no more frequently than once every ten (10) years; provided, however, that in no event shall such percentage exceed nine percent (9%) in any fiscal year.

Projects funded pursuant to this provision may be eligible for matching funds from the Transportation Uniform Mitigation Fee ("TUMF") program administered by the Riverside County Transportation Commission (RCTC) and shall advance regional objectives such as safety, connectivity, goods movement, or mobility.

Examples of Regional Corridors eligible for funding include but are not limited to:

- Alessandro Boulevard
- Arlington Avenue
- Beaumont Avenue
- Bundy Canyon Road
- Cabazon Connector
- Cajalco Road
- Cherry Valley Boulevard
- Clinton Keith Road
- Domenigoni Parkway
- Elsinore Ethanac Expressway
- Ethanac Road
- French Valley Parkway
- Highland Springs
- Keller Road
- Limonite Avenue
- Magnolia Avenue
- Murrieta Hot Springs Road
- Perris Boulevard
- Redlands Boulevard Widening
- Scott Road
- University Avenue (Riverside)
- Van Buren Boulevard
- Winchester Road

The Plan will improve traffic flow by building new infrastructure, implementing new technology, and continuing to utilize Freeway Service Patrol to reduce delays by providing roving tow trucks to quickly assist motorists when accidents occur or vehicles break down.

The final scope and project limits of all improvements proposed in the Highways and Regional Corridors category will be determined through the environmental review process.

The Commission may add additional Highways projects should the Measure produce more revenue than predicted or the Commission be highly successful in obtaining state and federal matching funds or due to unforeseen circumstances.

State and federal funds will be sought to assist with the total cost of the projects identified in this Plan. Funds generated by the Measure will be leveraged to supplement those funding sources and will be used as local matching funds to help cover the remaining costs to accomplish these improvements.

5.1b Local Streets and Roads

Twenty-nine percent (29%) of the Measure revenues will be returned to local cities and the County for the unincorporated areas of Western Riverside County for local streets and roads improvements. The local streets and roads system provides for everyday movement in Western Riverside County with much of the road system aging, requiring maintenance, and in need of operational improvements. The Measure will provide local jurisdictions with funding to help keep the local streets and roads system in good condition to serve the public. The priorities for local transportation vary among individual local jurisdictions. Local Streets and Roads funds can be used for transportation projects as designated by this Plan.

The Plan will provide an estimated \$2.8 billion specifically for this purpose over a thirty (30) year planning horizon. The funds made available in the Western Riverside County area will be distributed to the cities and the County by a formula based 75% on proportionate population and 25% on revenues generated by Measure A. A Five-year Capital Improvement Plan ("CIP") for the use of these funds will be prepared annually by each city and the County and submitted to RCTC.

Eligibility for these funds shall be conditioned on the participation and compliance in the TUMF and Multiple Species Habitat Conservation Plan ("MSHCP") programs, per Section 2.IX of the Ordinance.

Examples of local streets and roads projects include:

- Pothole repair and road maintenance
- Traffic calming measures and other road safety improvements
- Road widening or lane additions
- Sidewalks and pedestrian infrastructure
- Traffic signal synchronization
- Railroad crossing safety improvements, including separating where roads intersect with railroad tracks
- Bridge repairs and rehabilitation

5.1c Public Transportation

Twelve percent (12%) of the Measure revenues are identified for maintaining reliable public transportation in Western Riverside County. With some of the longest commute distances in Southern California, Western Riverside County residents require passenger rail, express bus, local transit, and ridesharing options to access employment centers, schools, healthcare, and other destinations.

This Measure will provide an estimated \$1.1 billion of Measure funds over a thirty (30) year planning horizon to maintain passenger rail and transit services, including frequency and reliability. Investments may support commuter services and ridesharing programs, rail service on the Metrolink system, express bus connections, and first- and last-mile improvements. This Expenditure Plan also prioritizes keeping bus fares low for seniors, veterans, students, and individuals with disabilities. The Citizens and Specialized Transit Advisory Committee, with representatives from these populations, will assist RCTC in administering the program.

Passenger Rail

Riverside County is home to several railroad rights-of-way that connect Riverside County communities. These rail lines serve as a public transportation backbone for our region. Funds for the Plan are eligible to be used for, but are not limited to:

- Maintaining and expanding passenger rail service frequency on existing commuter rail (Metrolink) lines
- Maintaining or constructing new or additional railroad tracks and supporting infrastructure within existing rail rights-of-way to allow more trains to operate and to increase efficiency and on-time performance of trains
- Constructing new rail stations
- Maintaining and enhancing security and safety at rail stations

Bus

The Plan will invest in intercity express bus service and provide a reasonable alternative to the automobile for daily commuters who travel within the region. Eligible investments include, but are not limited to:

- Improving safety and security on buses and at transit facilities
- Procuring buses and funding related capital, maintenance, and operation costs
- Roadway technologies that improve bus travel times
- Improving access to and from schools, colleges, and universities and employment centers

Specialized Transportation

This Plan also invests in specialized transportation providers that serve seniors, veterans, students, individuals with disabilities, and rural and underserved communities.

Specialized transit eligible investments include, but are not limited to:

- Additional paratransit-type services to serve areas without public transit options to improve quality of life and access to employment, medical, and educational opportunities
- Expansion of destinations and hours of operation to complement public transit operators for paratransit services such as Dial-A-Ride

Commuter Services, Ridesharing, Vanpools, Buspools, and Park-N-Ride

Funds will be used for programs and services that encourage alternative forms of travel across commuter and non-commuter trips. This may include trip planning applications and rideshare matching databases, incentive-based and employer programs, park-n-rides, vanpools, buspools, and on-demand and similar-type services.

5.2 Coachella Valley

The Coachella Valley area is in the central part of Riverside County and, as of 2026, includes the cities of Cathedral City, Coachella, Desert Hot Springs, Indian Wells, Indio, La Quinta, Palm Desert, Palm Springs, and Rancho Mirage. It also includes unincorporated areas as well as tribal lands of the Agua Caliente Band of Cahuilla Indians, the Augustine Band of Cahuilla Indians, the Cabazon Band of Mission Indians, the Torres Martinez Desert Cahuilla Indians, and the Twenty-Nine Palms Band of Mission Indians.

The Coachella Valley Association of Governments (CVAG) establishes its priorities according to the Transportation Project Prioritization Study (TPPS), which is a data-based method of prioritizing all regional projects in the Coachella Valley. Project priorities are based on criteria adopted by the CVAG Executive Committee and publicly reviewed by elected officials representing every CVAG member jurisdiction.

The TPPS is updated as the Coachella Valley's population grows and becomes more diverse. TPPS updates address evolving mobility challenges, new technologies, state and federal policy, and worldwide climate and economic trends. The TPPS is designed to give flexibility to changing circumstances and help identify projects in the Coachella Valley that include:

- Improving traffic flow and reducing congestion on Highway 111;

- Adding/improving interchanges on I-10 and SR-86;
- Providing funding for local streets and roads improvements;
- Improving safety and visibility at major intersections and arterial roads;
- Reducing congestion by improving major roadways identified as important by local governments in the Coachella Valley;
- Providing express east-west transit routes; and
- Improving and expanding public and specialized transit service.

Projects may also include, but are not limited to, development of new regional roadway connections; modernization of existing arterials to increase capacity and safety; construction of grade separations where roads intersect rail lines; corridor improvements that enhance traffic flow and regional connectivity; and implementation of bicycle, pedestrian, and multi-modal transportation features. Funding may be used to construct, reconstruct, widen, realign, maintain, or operate regional arterial corridors.

The proportional funds generated in the Coachella Valley shall be distributed as set forth in the table below:

COACHELLA VALLEY ALLOCATION OF FUNDS	
INVESTMENT CATEGORY	PERCENT
Highways and Regional Corridors	50%
Local Streets and Roads	35%
Public Transportation	15%

CVAG annually certifies member jurisdictions' compliance with the Coachella Valley's TUMF program and the Coachella Valley Conservation Commission ("CVCC") certifies compliance with the Coachella Valley Multiple Species Habitat Conservation Plan ("CVMSHCP"). As of the adoption of the Ordinance, all Coachella Valley cities and the County of Riverside are compliant with both the TUMF program and CVMSHCP. Measure revenues shall only fund projects in jurisdictions that continue to be compliant with the TUMF and CVMSHCP programs. For funds generated by this Measure, CVAG shall not enter into reimbursement agreements with CVAG member jurisdictions or other agencies if they are not found to be compliant in the annual CVAG/CVCC certifications. The CVAG Executive Committee may override these compliance requirements by a two-thirds vote of its total membership during a noticed public hearing when it is determined that a project's regional transportation, safety, and/or environmental needs take precedence over one or more agencies' TUMF/CVMSHCP compliance.

5.2a Highways and Regional Corridors

Fifty percent (50%) of the Measure revenues will be utilized for highways and regional corridors. This Measure will provide an estimated \$1.2 billion of Measure funds over a thirty (30) year planning horizon. This segment of the Plan will be implemented by CVAG. The TPPS serves as the CIP for the Coachella Valley section of this Expenditure Plan. Funding for TPPS projects follows CVAG's cost-sharing policy that requires a local match for local and regional projects to unlock regional funding.

The TPPS has included projects to substantially improve connections to federal and state freeways and highways, particularly I-10, Highway 111, SR-74, SR-62, and SR-86. Upgrades to existing interchanges as well as new interchanges, such as Portola Street in Palm Desert, are planned and are awaiting funding to be constructed. This Plan will also allow for improvements such as express lanes on I-10. Such facilities will make it safer and more reliable to travel along I-10. Additionally, the TPPS will include grade separations and interchanges for SR-86, including a new bridge at Avenue 50, and improving other areas where high numbers of accidents and fatalities occur. The TPPS process is flexible enough to incorporate improvements to connecting regions, including SR-62 and SR-74. Additionally, the Plan includes funding to substantially improve the overall condition of these roads as CVAG works in partnership with Caltrans. The Freeway Service Patrol could be expanded to I-10 in the Coachella Valley to quickly clear incidents from the freeway and keep traffic flowing.

The final scope and project limits of all improvements proposed in the Highways and Regional Corridors category will be determined through the environmental review process.

5.2b Local Streets and Roads

Thirty-five percent (35%) of the Measure revenues will be returned to the cities and the county in the Coachella Valley and shall be used to assist with the funding of local streets and roads improvements. This Measure will provide an estimated \$800 million of Measure funds over a thirty (30) year planning horizon. These funds will supplement existing federal, state, and local funds. Local street improvements adjacent to new residential and business developments will continue to be paid for by developers.

Allocation of funds to the cities and the County will be based on a formula weighted 50% on proportionate dwelling units and 50% on revenues generated within each jurisdiction. A Five-year Capital Improvement Plan for the use of these funds will be prepared and annually updated with public participation by each city and the County.

Eligibility for these funds shall be conditioned on the participation and compliance in the TUMF and CVMSHCP programs, per Section 2.IX of the Ordinance. If a city or the County chooses not to participate and be in compliance in TUMF or CVMSHCP and related impact fee programs, the funds they would otherwise receive for Local Streets and Roads will be added to the Highways and Regional Corridors program.

5.2c Public Transportation

Fifteen percent (15%) of the Measure revenues will be used for transit operations and capital needs, including maintaining, improving, and expanding public transit and specialized transportation services. This Measure will provide an estimated \$300 million of Measure funds over a thirty (30) year planning horizon.

Discount Fares and Expanded Transportation Services for Seniors, Students, and Individuals with Disabilities

For seniors, students, and individuals with disabilities, access to healthcare, social services, education, and recreation is a key to quality of life. SunLine Transit Agency offers a full array of public transit and specialized transportation services, including reduced fares for eligible riders.

Specialized Transportation Services

In addition to providing public transit service (SunBus), paratransit service (SunDial), microtransit service (SunRide) and commuter service to San Bernardino, SunLine Transit Agency offers specialized transportation services to Coachella Valley residents and visitors. These services can include programs that provide discounted services; specialized transit services that expand opportunities beyond paratransit service and fixed routes; and coordination of transportation services offered by many non-profit social service organizations. Measure funds will assist these programs and other types of specialized transportation services which may be implemented.

Bus Replacement and More Frequent Service

Public bus transportation offers communities many benefits including reducing traffic congestion, wear and tear on roads, and parking demand while helping to lower emissions. By providing access to schools, jobs, and other destinations, it is also a vital force in economic development. This is especially true in the Coachella Valley where the majority of SunBus riders rely on bus service to get to work and/or school. Measure funds can be used to maintain and increase service levels and replace and modernize SunLine's fleet and infrastructure. SunLine's vehicles operate on clean and alternative fuels, creating a healthier community while increasing access.

5.3 Palo Verde Valley

The Palo Verde Valley area is located in the easternmost part of Riverside County. It is geographically separated from the Western Riverside County and Coachella Valley areas. The population of the area is relatively small and significant growth over the next 30 years is not anticipated. The Palo Verde Valley is served by I-10, which provides adequate connections to the westerly portions of Riverside County and easterly to Arizona. The greatest need for the Palo Verde Valley is funding to adequately maintain and rehabilitate local streets and roads.

One hundred percent (100%) of the funding generated by the Measure returned to the Palo Verde Valley is to be used for local streets and roads. This Measure will provide an estimated \$60 million of Measure funds over a thirty (30) year planning horizon. Funds shall be distributed to the City of Blythe and the County of Riverside by formula. The formula distribution is based 75% on proportionate population and 25% on sales tax revenues generated in each area.

The Blythe City Council will have authority to set priorities and expend funds within the city limits and the County Board of Supervisors will have authority to expend funds in unincorporated areas of the Palo Verde Valley.

PALO VERDE VALLEY ALLOCATION OF FUNDS	
INVESTMENT CATEGORY	PERCENT
Local Streets and Roads	100%

Investments made by the City of Blythe and the County must be for transportation purposes for the benefit of Palo Verde Valley residents and must be approved in an open and transparent manner pursuant to open meetings laws. All revenues generated through the Measure in the Palo Verde Valley shall remain in the Palo Verde Valley and cannot be diverted to other areas of Riverside County. Funds shall be distributed to the City of Blythe and the County of Riverside proportionally, with sales tax revenues generated in each jurisdiction returning to its respective source.

A Five-year Capital Improvement Plan for the use of these funds will be individually prepared and annually updated by the City of Blythe and the County and submitted to the Commission.

Chapter 6: Bond Financing

To expedite the delivery of transportation projects identified in the Plan, the Commission may, pursuant to applicable provisions of law, issue bonds or otherwise incur indebtedness, including through financing agreements, leases, lines of credit, or other lawful financing instruments, payable from Measure revenues.

This Ordinance authorizes the Commission, by resolution or other separate action, to determine the form, timing, amount, and terms of such indebtedness, provided that the obligations do not exceed projected Measure revenues and are used solely for purposes authorized under the Ordinance and the Plan.

Revenues generated by the renewal of Existing Measure may also be utilized to pay debt service on bonds and other obligations issued prior to the operative date of this Measure and bonds or other obligations subsequently issued for refunding purposes.

Chapter 7: Estimated Measure Revenue Generation per Region

ESTIMATED MEASURE REVENUE GENERATION*	
Western Riverside County*	\$9,460,000,000
Coachella Valley*	\$2,300,000,000
Palo Verde Valley*	\$60,000,000
TOTAL	\$11,820,000,000
*Economic Forecast estimates approximately \$11.82 billion for a 30-year planning horizon. Note each geographic subregion's estimated amounts are rounded for presentation purposes.	

This chart shows the estimated proportional distribution of tax revenues estimated to be generated from each of the three geographic subregions that would be used to implement investments of the Plan.

Chapter 8: Flexibility to Expedite Projects

To deliver transportation projects more quickly for the benefit of Riverside County residents, visitors, and businesses, Measure revenues may temporarily be reallocated among projects or categories to expedite delivery, provided that long-term proportional allocations required by this Plan are maintained unless amended

pursuant to law and Section 2.V of the Ordinance. The Commission, in allocating the annual revenues from the Ordinance, shall meet all debt service requirements prior to allocating funds for other projects.

Chapter 9: Informing the Public of Local Funding Support

All projects funded with \$1 million or more of Measure revenues shall be required to inform the public that Measure revenues support the project.

Chapter 10: Severability Provisions

If any provision of this Plan, or the application thereof, is for any reason held invalid and unenforceable by a court of competent jurisdiction to a person or circumstance, the remainder of the Plan and the application of such provision to other persons or circumstances shall not be affected thereby, and the Commission declares that it would have passed each part of this Plan irrespective of the validity of any other part.

Chapter 11: Provisions for Population and Taxable Sales Estimates

Annual population estimates produced by the California Department of Finance are relied upon in determining the distribution formula funds for the Local Streets and Roads portion to cities and the County.

Actual retail sales tax transactions provided by the California Department of Tax and Fee Administration will be used to determine taxable sales in each of the three specific geographic subregions. The Riverside County Planning Department shall estimate the share for each of the unincorporated areas for the three subregions, from the total retail sales transactions for the total unincorporated area.

IMPARTIAL ANALYSIS OF MEASURE "A"

Riverside County Traffic Relief, Pothole/Road Repair Investment Renewal

The purpose of Measure A is to enable voters to enact or reject the extension of the transactions and use tax ("Special Sales Tax") to fund transportation improvements at the existing rate of one-half percent (1/2%) until ended by voters. The Riverside County Transportation Commission ("Commission"), by adopting Resolution No. 26-011 ("Resolution"), elected to call an election to place this Measure on the ballot.

Measure A was initially approved by voters in 1988 and authorized a levy of retail transactions and use tax. In 2002, Measure A was extended for an additional thirty years by voters. The existing Measure A is set to expire in 2039. Since 1988, Measure A provided for Riverside County's transportation funding source and provided for transportation improvements such as highway and freeway projects, local streets and road projects, and public transportation services.

The Special Sales Tax would continue to be allocated among three funding categories: (1) Highways and Regional Corridors; (2) Local Streets and Roads; and (3) Public Transportation within Riverside County. Funding will be leveraged to maximize state and federal investments.

Measure A provides for the Commission to conduct an annual independent financial audit of the proceeds of the Special Sales Tax. An independent taxpayers oversight committee has been established and shall review the annual audit of the Commission.

For this Measure to be approved, at least two-thirds (2/3) of qualified voters who vote on the Measure must vote yes.

A "YES" vote on Measure "A" is a vote to allow the extension of the Special Sales Tax at the existing rate of one-half percent until ended by voters.

A "NO" vote on Measure "A" is a vote to reject the extension of the Special Sales Tax at the existing rate of one-half percent until ended by voters.

By: Minh C. Tran
Riverside County Counsel

ARGUMENT IN FAVOR OF MEASURE “A”

Vote Yes on A to cut traffic, speed up road repairs, and make it cheaper, faster, safer and easier to get around Riverside County — without raising taxes.

We suffer some of the worst traffic jams in the country. We waste too much time and gas idling in cars, stuck in traffic. Bad roads and potholes cost the average family \$2,500 a year in blown tires, cracked windshields and other repairs - at a time when too many families live paycheck to paycheck. And long traffic jams make air quality worse.

It's time for action. Vote Yes on A for a real, local solution that won't raise taxes.

Vote Yes on A to fix roads and speed up traffic:

- Fix thousands of potholes and bad roads throughout Riverside County, including major freeways
- Speed up highway improvement and road repair projects
- Fix bottlenecks that snarl traffic
- Upgrade and repair almost 500 aging, deteriorating bridges
- Reduce cost and commute times for people who travel long distances for work
- Keep transit affordable, safe, clean and reliable for senior citizens and people with disabilities
- Create thousands of good-paying, local jobs across the county

Vote Yes on A for strict fiscal accountability, transparency, and local control:

- All funds must be used only for easing traffic jams, fixing roads and improving transportation in Riverside County
- No funds can be taken by state or federal government, or pulled away to LA
- Required independent oversight and annual audits to ensure funds are spent as promised
- Funds cannot be used for any other purpose

Riverside County is one of the fastest growing counties in the nation. We can't wait any longer for these problems to get worse and more expensive to fix.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “A”

The proponents claim Measure A will “cut traffic, speed up road repairs, and make it cheaper, faster, safer and easier” to get around Riverside County.

But Measure A has been doing exactly what proponents now promise for nearly four decades.

Since 1988, Riverside County taxpayers have paid the half-cent transportation sales tax. RCTC reports Measure A has generated approximately **\$4.9 BILLION**. Yet Riverside County still suffers from severe congestion, deteriorating roads and major transportation bottlenecks.

The proponents themselves admit the problem: **“We suffer some of the worst traffic jams in the country.”** If decades of Measure A funding have failed to solve the problem, why should taxpayers surrender the existing sunset and make the tax permanent?

The proposed extension would continue the half-cent sales tax beyond 2039, with no new sunset date.

Taxpayers deserve results—not another promise that the next round of tax collections will finally fix problems previous collections were supposed to address.

Before committing future generations to an open-ended transportation tax, taxpayers should demand measurable results: reduced congestion, better-maintained roads, responsible spending and clear accountability.

Riverside County taxpayers have already paid BILLIONS. The question is whether they are getting the transportation system they were promised.

ARGUMENT AGAINST MEASURE “A”

VOTE NO ON MEASURE A — ENOUGH IS ENOUGH.

For nearly four decades, Riverside County taxpayers have paid the Measure A half-cent sales tax for transportation. Yet today, motorists still face some of Southern California’s worst congestion, deteriorating roads, potholes and increasingly expensive toll lanes.

Before extending this tax yet again, voters deserve accountability for the billions already collected and spent.

Measure A was first approved in 1988 and later renewed. Now voters are being asked to continue the tax beyond its current expiration date, effectively making this transportation tax an open-ended source of revenue.

Where are the results?

Drivers on the I-15 corridor through Temecula, the 91/15 interchange through Corona and major Riverside County commuter routes routinely face gridlock. Meanwhile, local streets and roads continue to require costly repairs and maintenance.

And taxpayers are increasingly confronted with toll lanes as an alternative to sitting in traffic. Residents already paying a sales tax for transportation should not have to pay additional, dynamically priced tolls simply to get through the traffic.

Supporters will point to individual projects completed with Measure A money. The question, however, is whether decades of taxation have produced a transportation system that adequately serves the people who paid for it.

VOTERS SHOULD NOT GIVE GOVERNMENT AN OPEN-ENDED TAX COMMITMENT WITHOUT DEMANDING BETTER RESULTS.

Vote NO on Measure A.

Send transportation officials back to the drawing board. Demand specific priorities, measurable congestion reductions, responsible spending, road maintenance and accountability before extending this tax again.

REBUTTAL TO ARGUMENT AGAINST OF MEASURE “A”

Measure A will bring real results, fund specific projects and improvements – and won’t raise taxes.

Those against Measure A have no plan for fixing roads and traffic. They simply hope things get better, without offering a solution.

Riverside County is one of the nation’s fastest-growing. Without Measure A, gridlock and air pollution will only get worse.

These locally-controlled funds have improved lanes and interchanges on the 15, 215, 60, 10, 71, 91 and every other major local road, filled millions of potholes, sustained vital daily transit for senior citizens and people with disabilities, and secured hundreds of millions in state and federal funds.

Measure A is a real plan for traffic and road improvement as the Inland Empire grows. Measure A includes strict oversight and accountability to make sure our tax dollars improve traffic and fill potholes.

Measure A is a real, local solution that won’t raise taxes.

Measure A has strict fiscal accountability, transparency, and local control:

- Required citizens oversight committee and annual audits to ensure funds are spent on our roads and bridges
- All funds must be used only for easing traffic jams, fixing roads and improving transportation in Riverside County
- No funds can be taken by state or federal government, or pulled away to LA
- Funds cannot be used for any other purpose

Riverside County is one of the fastest-growing counties in the nation. We can’t wait any longer for these problems to get worse and more expensive to fix.

IMPARTIAL ANALYSIS OF MEASURE "Q"

On July 14, 2026, the City Council voted to place Measure "Q" on the November 3, 2026 general municipal election ballot. By placing Measure "Q" on the ballot, the City of Hemet complies with the California Constitution, which requires a majority of the voters to approve an ordinance that establishes a general tax.

If approved by a majority of Hemet voters, this Measure would authorize a one percent (1%) retail transactions and use (sales) tax within the City of Hemet. A one percent (1%) rate equates to an extra 1¢ per \$1 purchased of taxable goods. Exempted from sales tax are unprocessed groceries, rent, prescription medicine and personal services such as medical, dental, and legal. It is estimated that Measure "Q" will provide an additional \$16,000,000 in annual local funding that could be used for general City services, including services such as police, fire, paramedic, 911 response, reducing drug-related crime, keeping public areas clean and safe, addressing homelessness, reducing wildfire risks, providing safe and clean drinking water, repairing streets and potholes, maintaining library services, and attracting and retaining businesses. This tax would be a "general tax," meaning that revenues raised from the tax would go into the City's General Fund to pay for any lawful City program, improvement, or service.

California Revenue and Taxation Code section 7285.9 authorizes the City to levy a general transactions and use tax so long as the tax is approved by a majority of the voters voting in an election on that issue. If approved, the tax would remain in effect until ended by Hemet voters voting at a subsequent election. The tax would be paid in addition to sales taxes and would be collected at the same time and in the same manner as existing sales taxes. Measure Q would not amend, extend, replace, or otherwise change the existing Measure H transactions and use tax which would remain in effect. All revenues raised by the tax would remain in the City and would not be shared with the State, County, or any other agency. The receipt and expenditure of tax revenues would be subject to the City's budget process, public financial reporting, and independent annual audits.

A "yes" vote on Measure "Q" will authorize the 1% transactions and use (sales) tax.

A "no" vote on Measure "Q" will not authorize the 1% transactions and use (sales) tax.

The above statement is an impartial analysis of Measure "Q". If you desire a copy of the Measure, please visit <https://www.hemetca.gov/1376/Information-About-Measure-Q> or call the City Clerk's Office at (951) 765-2395 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE “Q”

Vote YES on Measure Q to protect Hemet public safety services and maintain the quality of life our residents deserve.

Hemet is one of the few cities in the County with its own Police and Fire Departments. Measure Q is critical to ensuring our police and firefighter/paramedics are available for Hemet residents when needed.

Calls for 911 emergency calls are higher than in the past, and we know response times are critical for saving lives. Crime, drug and gang activity are serious problems in our area, so we need to keep police officers on the streets and fund programs that help keep gang members from nearby communities out of Hemet.

Despite maintaining a balanced budget, state mandates and takeaways have impacted Hemet and we are now using reserves to maintain services. The City has been fiscally responsible, reducing costs and freezing positions, but there is no more room to cut without impacting critical city services, including public safety.

Measure Q helps keep up with basic repairs and maintenance to our roads — repairs that will only get more expensive if we don't address them now.

Clear Accountability and Transparency

- All funds are locally controlled for Hemet services only – the State can't take a penny
- Independent citizens' oversight and annual reports are required
- Essentials like groceries and medicine are exempt

Quality Safety, Quality Services, Quality Hemet:

- Improve 911 emergency and fire response
- Maintain police services, including neighborhood police patrols, and help address homelessness
- Support fire protection services, improve infrastructure, and replace outdated lifesaving and firefighting equipment
- Maintain library services
- Ensure safe, clean drinking water and water infiltration systems
- Repair streets, fix potholes, and keep public areas clean and stop illegal dumping

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “Q”

The City of Hemet is spending thousands of your tax dollars to convince you to pass yet another tax that can be spent on anything that the Hemet City Council deems worthwhile. They hired an expensive political consulting firm (Fairbank, Maslin, Maulin, Metz & Associates) to carefully craft the “argument” you just read. The sponsors of Measure Q are the heads of the Hemet public safety unions and the Mayor whose last campaign was funded almost entirely by City of Hemet employees. VOTERS SHOULD BE WARY OF SPONSORS WHO WILL DIRECTLY BENEFIT FROM THE PASSAGE OF MEASURE Q.

Why do more than 70 employees at the City of Hemet now have an annual compensation package exceeding \$300,000? Because too many City of Hemet Councilmembers place the interests of city employees above those of the citizens they were elected to represent. And where do these extremely well-paid employees live? Almost none live in the City of Hemet. What does that tell you?

Measure Q's sales tax increase to 9.75% will have a disproportionate impact on seniors with fixed incomes. It also places our local businesses at a competitive disadvantage. If you think you can avoid paying the Measure Q tax by purchasing expensive items like vehicles in other cities – think again. Sales taxes on auto purchases are based on the city where you live.

Voters need to ask themselves this simple question: What is the City of Hemet doing wrong that requires us to have the highest sales tax rate out of the 121 cities located in five of the six counties in Southern California?

Enough is Enough!

ARGUMENT AGAINST MEASURE "Q"

Definition of insanity --"Doing the same thing, and expecting a different result." In 2016, the Mayor of Hemet promised that if the voters passed an additional 1% sales tax, the City would immediately increase the number of police officers from 65 to 101. Our current "boots on the ground" number is 85, and yet, more than \$110,000,000 in Measure U taxes have been collected by the City of Hemet. Despite repeated calls for an independent audit of how the Measure U funds have been spent, we still don't know how the City of Hemet has managed to blow through \$110,000,000 of taxpayer dollars while producing such meager results.

Here's what we do know: More than 70 employees at the City of Hemet now have an annual compensation package exceeding \$300,000 with the highest exceeding \$500,000; In the past 10 years, Hemet has had 11 City Managers (including the last one who recently resigned); In the previous three years, the individual salaries for the five City Council members have increased by 215%; The City recently spent nearly \$2,000,000 to acquire property in Downtown Hemet for which there was no need; and, there are many more examples of mismanagement and negligence. **WE DON'T HAVE A REVENUE PROBLEM - WE HAVE A SPENDING PROBLEM!**

Now we're being asked to approve an additional 1% increase in the sales tax. If Measure Q passes, the City of Hemet sales tax rate would be 9.75% -- the highest of any city in the counties of Riverside, San Bernardino, Orange, San Diego, Ventura, and Imperial. **INSANE!**

Hemet voters need to send a clear message to City Hall, just like the voters in the Cities of Riverside, Loma Linda, and Encinitas have recently done - Increasing our sales tax is NOT the answer. Don't be misled by the propaganda coming out of Hemet City Hall and don't encourage or reward incompetence and mismanagement.

REBUTTAL TO ARGUMENT AGAINST MEASURE "Q"

The argument against Measure Q does not present the facts accurately. We've done the research. The facts speak for themselves.

FACT: Measure U has been subject to independent citizens' oversight and annual reporting. Those reports are available to the public on the City's website: <https://www.hemetca.gov/807/Measure-U-Citizen-Oversight-Committee>.

FACT: In the last 5 years alone, Hemet has lost millions of dollars from continued state mandates and takeaways. Measure Q is legally required to stay right here in Hemet for our residents.

FACT: Having our own police and fire departments help ensure faster response times in an emergency. Drug trafficking and gang activity are serious problems in our area. Measure Q will provide funding to help maintain crime prevention services.

FACT: Hemet is controlling costs. The City has been fiscally responsible, reduced costs, frozen positions, and is using reserves to maintain services. There is no more room to cut without affecting critical services like public safety.

FACT: Measure Q helps address basic needs before they become more expensive, including repairing streets, fixing potholes, maintaining public areas, and supporting safe, clean drinking water.

FACT: Under Measure Q visitors, workers, shoppers, and everyone who makes taxable purchases in Hemet would help support the essential services that residents depend on.

CLEAR ACCOUNTABILITY: Measure Q requires Independent citizens' oversight and annual reports.

Essentials like groceries and medicine are exempt.

Measure Q is about maintaining the quality, safety and services Hemet residents deserve while ensuring clear accountability and transparency.

MEASURE "I" - HEMET UNIFIED SCHOOL DISTRICT

HEMET UNIFIED SCHOOL DISTRICT NO-TAX-RATE-INCREASE SCHOOL REPAIR, IMPROVEMENT, HEALTH AND SAFETY MEASURE

This measure may be known and referred to as the "Hemet Unified School District No-Tax-Rate-Increase School Repair, Improvement, Health and Safety Measure" or as "Measure I".

BOND AUTHORIZATION

By approval of this measure by at least 55% of the voters of the Hemet Unified School District (the "District") voting on the measure, the District shall be authorized to issue and sell bonds of up to \$225,000,000 in aggregate principal amount to provide financing for the specific school facilities projects listed under the heading entitled "BOND PROJECT LIST" below (the "Bond Project List"), and allow the District to qualify to receive potential State of California matching grant funds, subject to all of the accountability safeguards specified below.

ACCOUNTABILITY SAFEGUARDS

The provisions in this section are specifically included in this measure in order that the voters and taxpayers of the District may be assured that their money will be spent to address specific school facilities needs of the District, all in compliance with the requirements of Article XIII A, Section 1(b)(3) of the Constitution of the State of California (the "California Constitution"), and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Sections 15264 and following of the California Education Code).

Evaluation of Needs. The Governing Board of the District (the "Board") has evaluated the facilities needs of the District to determine which projects to finance from a local bond at this time. To address the facilities needs of the District, the Board deems it necessary and advisable to fund the specific school facilities projects listed in the Bond Project List. The Board hereby certifies that it has evaluated safety, class size reduction and information technology needs in developing the Bond Project List.

Limitations on Use of Bonds. Proceeds from the sale of bonds authorized by this measure shall be used only for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities, and not for any other purpose, including teacher and administrator salaries and other school operating expenses. More specifically, the Bond Project List provides for the specific projects the District proposes to finance with proceeds from the sale of bonds authorized by this measure and such proceeds shall be applied only to those specific purposes.

Independent Citizens' Oversight Committee. In accordance with and pursuant to California Education Code Section 15278 *et seq.*, the Board shall establish an independent citizens' oversight committee, within 60 days of the date that the Board enters the election results on its minutes pursuant to Section 15274 of the California Education Code, to ensure that (a) bond revenues are expended only for the purposes specified in Article XIII A, Section 1(b)(3) of the California Constitution, and (b) that no funds are used for any teacher or administrative salaries or other school operating expenses. In accordance with Section 15282 of the California Education Code, the citizens' oversight committee shall consist of at least seven members and shall include a member active in a business organization representing the business community located within the District, a member active in a senior citizens' organization, a member active in a bona fide taxpayers' organization, a member that is a parent or guardian of a child enrolled in the District, and a member that is both a parent or guardian of a child enrolled in the District and active in a parent-teacher organization. The committee may be comprised of the same members of the citizens' oversight committees for other District bond measures. No employee or official of the District and no vendor, contractor or consultant of the District shall be appointed to the citizens' oversight committee.

Annual Performance Audits. In compliance with the requirements of Article XIII A, Section 1(b)(3)(C) of the California Constitution, and the Strict Accountability in Local School Construction Bonds Act of 2000, the Board shall conduct an annual, independent performance audit to ensure that the proceeds from the sale of bonds authorized by this measure have been expended only on the school facilities projects listed in the Bond Project List. These audits shall be conducted in accordance with the Government Auditing Standards issued by the Comptroller General of the United States for performance audits. The results of these audits shall be made publicly available and shall be submitted to the citizens' oversight committee in accordance with Section 15286 of the California Education Code.

Annual Financial Audits. In compliance with the requirements of Article XIII A, Section 1(b)(3)(D) of the California Constitution, and the Strict Accountability in Local School Construction Bonds Act of 2000, the Board shall conduct an annual, independent financial audit of the proceeds from the sale of bonds authorized by this measure until all of those proceeds have been spent for the school facilities projects listed in the Bond Project List. These audits shall be conducted in accordance with the Government Auditing Standards issued by the Comptroller General of the United States for financial audits. The results of these audits shall be made publicly available and shall be submitted to the citizens' oversight committee in accordance with Section 15286 of the California Education Code.

Special Bond Proceeds Account; Annual Report to Board. In compliance with the requirements of California Government Code Section 53410 and following, upon approval of this measure and the sale of any bonds approved, the Board shall take actions necessary to establish an account in which proceeds of the sale of bonds authorized by this measure shall be deposited. In compliance with the requirements of California Government Code Section 53411, as long as any proceeds of the bonds remain unexpended, the chief fiscal officer of the District shall cause a report to be filed with the Board at least once a year, stating (a) the amount of funds collected and expended in that year, and (b) the status of any project required or authorized to be funded from bond proceeds. The report may relate to the calendar year, fiscal year, or other appropriate annual period as the chief fiscal officer of the District shall determine, and may be incorporated into the annual budget, audit, or other appropriate routine report to the Board.

FURTHER SPECIFICATIONS

No-Tax-Rate-Increase Measure. The District is required by law to make its best estimates of the *ad valorem* property tax rate required to be levied on all taxable property in the District to pay debt service on the proposed bonds. These estimates and the factors that might cause the tax rate to vary from these estimates in the future are described in the tax information statement that the County Registrar of Voters is required to print in the voter information guide to be distributed to voters in connection with the election. It is the District's current plan to structure the proposed bonds so that the tax rate necessary to pay debt service on those bonds, when combined with the tax rate necessary to pay debt service on currently outstanding bonds in each year, will not exceed the rate levied in fiscal year 2025-26 to pay debt service on the currently outstanding bonds alone.

Joint-Use Projects. The District may enter into agreements with other public agencies or nonprofit organizations for joint use of the school facilities financed with the proceeds from the sale of bonds authorized by this measure in accordance with California Education Code Section 17077.42 (or any successor provision). The District may seek State grant funds for eligible joint-use projects as permitted by law, and this measure hereby specifies and acknowledges that, subject to the limitations on the uses provided for herein, the proceeds from the sale of bonds authorized by this measure will or may be used to fund all or a portion of the local share for any eligible joint-use projects identified in the Bond Project List or as otherwise permitted by California State regulations, as the Board shall determine.

Single Purpose. All of the purposes enumerated in this measure shall be united and voted upon as one single measure, pursuant to California Education Code Section 15100, and all the enumerated purposes shall constitute the specific single purpose of the bonds, and the proceeds from the sale of bonds authorized by this measure shall be spent only for such purpose, pursuant to California Government Code Section 53410.

Bonds may be Issued in Excess of Statutory Bonding Limit. Issuance of all of the authorized bonds might require the outstanding debt of the District to exceed its statutory bonding limit (currently 2.50% of the total assessed valuation of taxable property in the District). In that event, the District intends to seek a waiver of its bonding limit from the State Board of Education, which has the power to waive certain requirements of the California Education Code applicable to the District. By approval of this measure, the voters have authorized the District to seek such a waiver, and to issue authorized bonds in excess of the District's statutory bonding limit as the State Board of Education may approve. No such waiver has yet been sought or granted.

Other Terms of the Bonds. When sold, the bonds shall bear interest at an annual rate not exceeding the statutory maximum, and that interest shall be made payable at the time or times permitted by law. The bonds may be issued and sold in several series, and no bond shall be made to mature more than the statutory maximum number of years from the date borne by that bond.

BOND PROJECT LIST

The Bond Project List below lists the specific projects the District proposes to finance with proceeds of the bonds. The Bond Project List shall be considered a part of this bond measure and shall be reproduced in any official document required to contain the full statement of the bond measure. Listed projects will be completed as needed at a particular school or school facility site according to Board-established priorities, and the order in which such projects appear on the Bond Project List is not an indication of priority for funding or completion. In so far as permitted by law, each project is assumed to include its share of costs of the election and bond issuance, construction-related costs, such as project and construction management, architectural, engineering, permitting and entitlements, inspection and similar planning and testing costs, demolition and interim facility costs, legal, accounting and similar fees, costs related to the independent annual financial and performance audits, a contingency for unforeseen design and construction costs, and other costs incidental to or necessary for completion of the listed projects (whether the related work is performed by the District or third parties). The final cost of each project will be determined as plans are finalized, construction bids are awarded, and projects are completed. In addition, certain project funds expected from non-local bond sources, including State of California grant funds for eligible projects, have not yet been secured. Therefore, the Board cannot guarantee that the bond proceeds will provide sufficient funds to allow completion of all listed projects. Alternatively, if the District obtains unexpected funds from non-local bond sources with respect to listed projects, such projects may be enhanced, supplemented or expanded to the extent of such funds. Some projects may be subject to further government approvals, including by State officials and boards and/or local environmental or agency approval. Inclusion of a project on the Bond Project List is not a guarantee that the project will be completed (regardless of whether bond funds are available).

The specific projects authorized to be financed with proceeds from the sale of bonds authorized by this measure are as follows:

DISTRICTWIDE SCHOOL REPAIR, IMPROVEMENT, HEALTH AND SAFETY PROJECTS

The following projects are authorized to be financed at all District facilities sites:

- Renovate, replace, upgrade, acquire, install and/or integrate major site/building/utility systems, equipment and related infrastructure and casing, including lighting, electrical (including wiring and related infrastructure for modern technology), heating, refrigeration, cooling and ventilation (including air conditioning/HVAC), plumbing, water, sewer, gas, irrigation, drainage, and energy efficiency/management monitoring systems, networks, fixtures, equipment and controls.
- Make safety and accessibility improvements and/or eliminate or mitigate health and safety risks (including installing shade structures to protect students from the impacts of extreme heat) and/or comply with local, state and federal building, health, safety, access and other related requirements, including requirements of the Field Act and the Americans with Disabilities Act (ADA).
- Construct or acquire and install additional classrooms and related facilities (permanent, modular or portable) so students are prepared for college, in-demand careers like health sciences, engineering, public safety and skilled trades, and to support high-quality instruction in music, visual, and performing arts.

- Acquire, purchase and/or install furniture, equipment, fixtures and infrastructure to support science, technology, engineering, arts, and mathematics (STEAM)/science, technology, engineering, and mathematics (STEM) instructional programs, including interactive educational technology and projection systems, computers, printers, scanners, digital projectors and cameras, audio systems, video systems, phone and sound projections systems, peripherals, smart boards, monitors, network equipment (including servers, network interface devices, network switches and routers, wireless network equipment, firewalls, network security equipment, racking, power and cooling equipment, wiring and uninterruptible power supplies); furnishing and equipping shall include initial purchases, and scheduled and necessary replacements and upgrades and updating of technology.
- Upgrade, construct, expand and/or acquire and install safety and security improvements, equipment, fixtures and systems, including fencing, gates, master key and lock systems, lighting, alarm systems, fire detection and suppression systems, emergency signage, safety doors, camera and video surveillance systems, and emergency communication systems.
- Renovate, construct, replace and/or modernize all classrooms for current educational standards, including acquiring, installing and/or upgrading technology equipment, fixtures and infrastructure.
- Improve student access to computers and modern technology by updating and/or acquiring and installing technology equipment, fixtures and infrastructure, including computers, tablets, mobile devices, software, interactive educational technology, digital projectors and cameras, monitors, audio systems, video systems, network equipment (including servers, network interface devices, network switches and routers, wireless network equipment, firewalls, network security equipment, racking, power and cooling equipment, wiring and uninterruptible power supply equipment and systems), backup power systems, etc.; rehabilitate and replace such equipment, fixtures and infrastructure as needed in the future. Technology equipment, fixtures and infrastructure includes existing technology equipment, fixtures and infrastructure as well as technology equipment, fixtures and infrastructure developed in the future.
- Construct, replace, improve, renovate and/or acquire and install Career Technical Education classrooms and labs.
- Reconfigure, renovate, repair, resurface, improve and/or expand parking lots and related areas, including ingress and egress areas, student pick-up/drop-off areas, and parking areas.
- Construct, reconfigure, modify and/or acquire and install school facilities and improvements to school grounds to create innovative indoor and outdoor learning areas and spaces, including outdoor learning areas, shade structures, and walkways.
- Repair or replace roofs.
- Renovate, replace, upgrade, expand, and/or install walls, gates, fencing, and landscaping.
- Construct, replace, improve, renovate and/or acquire and install auditoriums and performing arts classrooms, centers and related facilities.
- Replace portable classrooms with permanent, modular or portable classrooms.
- Construct, replace, improve, renovate and/or acquire and install custodial and storage facilities.
- Construct, replace, improve, renovate and/or acquire and install restrooms.
- Modernize, upgrade, renovate, rehabilitate, re-configure, expand and/or upgrade classrooms, classroom buildings, restrooms, common areas and school support facilities (including lab, library, multipurpose room/auditorium, food storage, preparation and service, cafeteria and office/staff support facilities), whether permanent, portable or modular, including interior and exterior (as applicable) doors, windows, door and window hardware, roofs, rain gutters and downspouts, pillars, structural supports, walls, ceilings and floors and finishes, paint, siding, insulation, casework, surfaces, cabinets, secured storage, carpets, drapes, window coverings, infrastructure, lighting, sinks, drinking fountains, fixtures, signage, furniture and equipment.
- Construct, replace, improve, renovate and/or acquire and install physical education facilities and grounds, including gymnasiums, locker rooms, fields, courts, turf, outside instructional areas, paved and other hard surfaces, and replace, acquire and/or install furniture, equipment and fixtures in such facilities and areas.
- Construct, replace, improve, renovate and/or acquire and install warming kitchens.
- Remove, repair, and refinish building and site areas damaged by dry rot, water, termites, etc.
- Erosion mitigation improvements to grounds and buildings.
- Construct, replace, improve, renovate and/or acquire and install Early Learning Centers and construct, improve and/or expand Transitional Kindergarten facilities and learning spaces.
- Make energy-efficiency upgrades and acquire and install energy efficient equipment and systems to reduce carbon footprint, to promote energy efficiency, reduce maintenance costs and promote climate resiliency and sustainability, including sustainable building improvements (e.g., solar systems, windows, lighting, electrical systems panel, HVAC, water systems, distribution and storage systems, battery systems, energy efficiency/management monitoring systems, networks, fixtures, equipment and controls, etc.).
- Construct, replace, improve, renovate and/or acquire and install playgrounds, playfields and other play spaces, including replacing turf and installing new irrigation and drainage systems, and acquire, improve, replace and/or upgrade playground equipment and fixtures.
- Wildfire hardening and prevention improvements to school facilities and grounds.
- Renovate, re-configure, modify and/or improve existing school facilities and grounds, and equip and furnish such school facilities, to enable such school facilities to serve a dual use as an emergency shelter and community gathering center and/or emergency operations center.

All or portions of these projects may be used as joint-use projects within the meaning of Section 17077.42(c) of the California Education

Code (or any successor provision).

CONSTRUCTION OF A NEW SCHOOL

Acquisition and construction of a school and related facilities (an elementary, middle, or high school, or combination thereof, based on projected student demographics), designed to meet student housing needs and reduce student overcrowding, including:

- Acquisition of land and any rights-of-way and easements made necessary by construction of such facilities.
- Planning, designing and constructing the school and related facilities.
- Associated onsite and offsite development and other improvements made necessary by construction of such facilities.
- Acquisition and installation of furnishings and equipment related to the newly constructed facilities.

All or portions of these projects may be used as joint-use projects within the meaning of Section 17077.42(c) of the California Education Code (or any successor provision).

MISCELLANEOUS

All listed bond projects include the following as needed:

- Planning and designing necessary for listed bond projects.
- The inspection, sampling and analysis of grounds, buildings and building materials to determine the presence of hazardous materials or substances, including asbestos, lead, etc., and the encapsulation, removal, disposal and other remediation or control of such hazardous materials and substances.
- Seismic and historical evaluations, site surveys (including topographic, geological and utility surveys), and infrastructure analyses.
- Necessary onsite and offsite preparation or restoration in connection with new construction, renovation or remodeling, or installation or removal of relocatable buildings or other temporary buildings, including demolition of structures; removing, replacing, or installing irrigation, drainage, utility lines (gas, water, sewer, electrical, data and voice, etc.), trees and landscaping; and relocating fire access roads or ingress/egress pathways.
- Address other unforeseen conditions revealed by construction, renovation or modernization (including plumbing or gas line breaks, dry rot, seismic and structural deficiencies, etc.).
- Acquire or construct other improvements required to comply with building codes, including seismic safety requirements, the Field Act, and access requirements.
- Acquisition of any rights-of-way, easements, licenses and/or real property made necessary by listed bond projects, or lease of real property made necessary by the listed bond projects.
- Acquire or construct storage facilities and other space on an interim basis, as needed to accommodate construction materials, equipment, and personnel.
- Furnishing and equipping of classrooms and other school facilities; furnishing and equipping shall include initial purchases, and scheduled and necessary replacements, upgrades and updating of technology.
- All other costs and work necessary or incidental to the listed bond projects.

PROJECTS INVOLVING RENOVATION, REHABILITATION OR REPAIR

For any project involving renovation, rehabilitation or repair of a building or the major portion of a building, the District shall be authorized to proceed with new replacement construction instead (including any necessary demolition) if the Board determines that replacement new construction is more practical than renovation, rehabilitation or repair, considering the building's age, condition, expected remaining life, comparative cost and other relevant factors.

GENERAL PROVISIONS

Interpretation. The terms of this bond measure and the words used in the Bond Project List shall be interpreted broadly to effect the purpose of providing broad and clear authority for the officers and employees of the District to provide for the school facilities projects the District proposes to finance with the proceeds of the sale of bonds authorized by this measure within the authority provided by law, including Article XIII A, Section 1(b)(3) of the California Constitution, California Education Code Section 15000 *et seq.* and the Strict Accountability in Local School Construction Bonds Act of 2000. Without limiting the generality of the foregoing, such words as repair, improve, upgrade, expand, modernize, renovate, and reconfigure are used in the Bond Project List to describe school facilities projects in plain English and are not intended to expand the nature of such projects beyond, or have an effect on, and shall be interpreted to only permit, what is authorized under Article XIII A, Section 1(b)(3) of the California Constitution, California Education Code Section 15000 *et seq.* and the Strict Accountability in Local School Construction Bonds Act of 2000. In this regard, the Bond Project List does not authorize, and shall not be interpreted to authorize, expending proceeds of the sale of bonds authorized by this measure for current maintenance, operations or repairs. The school facilities projects on the Bond Project List only authorize capital expenditures.

Estimated Ballot Information. The Board hereby declares, and the voters by approving this bond measure concur, that the information included in the statement of the bond measure to be voted on pursuant to Section 13119 of the California Elections Code is based upon the District's projections and estimates only and is not binding upon the District. The amount of money to be raised annually and the rate and duration of the tax to be levied for the bonds may vary from those presently estimated due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The dates of sale and the amount of bonds sold at any given time will be determined by the District based on need for project funds and other factors. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

Headings. The headings or titles of the sections of the bond measure, including any headings or titles included in the Bond Project List, are solely for convenience of reference and shall not affect the meaning, construction or effect of the bond measure.

Severability. The Board and the voters hereby declare that every portion, section, subdivision, paragraph, clause, sentence, phrase, word, application and individual project (individually referred to as "Part" and collectively as "Parts"), of this bond measure has independent value, and the Board and the voters would have adopted each Part hereof regardless of whether any other Part of this bond measure would be subsequently declared invalid. Upon approval of this bond measure by the voters, should any Part of this bond measure be found by a court of competent jurisdiction to be invalid for any reason, all remaining Parts hereof shall remain in full force and effect to the fullest extent allowed by law, and to this end the Parts of this bond measure are severable.

State Matching Funds - Education Code 15122.5 - "Approval of Measure I does not guarantee that the proposed project or projects in the Hemet Unified School District that are the subject of bonds under Measure I will be funded beyond the local revenues generated by Measure I. The District's proposal for the project or projects may assume the receipt of matching State funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure."

MEASURE "I"- HEMET UNIFIED SCHOOL DISTRICT

TAX INFORMATION STATEMENT

An election will be held in the Hemet Unified School District (the "District") on November 3, 2026, to authorize the sale of up to \$225,000,000 in bonds of the District to finance school facilities as described in the measure. If the bond measure is approved by at least 55% of the voters of the District voting on the bond measure, the District expects to issue the bonds in multiple series over time. Principal and interest on the bonds will be payable from the proceeds of tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400 through 9405 of the California Elections Code.

1. The best estimate of the average annual tax rate that would be required to be levied to fund this bond issue over the entire duration of the bond debt service, based on assessed valuations available at the time of filing this statement, is \$49.00 per \$100,000 of assessed valuation. The final fiscal year in which the tax to be levied to fund this bond issue is anticipated to be collected is fiscal year 2051-52.
2. The best estimate of the highest tax rate that would be required to be levied to fund this bond issue, based on estimated assessed valuations available at the time of filing this statement, is \$60.00 per \$100,000 of assessed valuation in fiscal year 2038-39.
3. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all of the bonds are issued and sold is approximately \$381,687,947.

Voters should note that estimated tax rates are based on the *ASSESSED VALUE* of taxable property on the County's official tax rolls, *not* on the property's market value, which could be more or less than the assessed value. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that the foregoing information is based upon the District's projections and estimates only, which are not binding upon the District. The average annual tax rate, the highest tax rate, the final fiscal year in which the tax is anticipated to be collected and the year or years in which they will apply, and the actual total debt service, may vary from those presently estimated for a variety of reasons, including, without limitation, due to variations in the timing of bond sales, the amount or amortization of bonds sold, market conditions at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The dates of sale and the amount or amortization of bonds sold at any given time will be determined by the District based on need for project funds and other factors, including the legal limitations on bonds approved by a 55% affirmative vote. Market conditions, including, without limitation, interest rates, are affected by economic and other factors beyond the control of the District and will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process. The growth or decline in assessed valuation is the result of a number of economic and other factors outside the control of the District.

Dated 7-28, 2026.

IMPARTIAL ANALYSIS OF MEASURE "I"

Hemet Unified School District Bonds

The purpose of Measure I is to enable voters to authorize or reject the Hemet Unified School District (hereinafter, "the District") issuing and selling Bonds to provide financing for school facilities projects. The Governing Board of the District, by adopting Resolution No. 4183 ("Resolution"), elected to call an election to place this Measure on the ballot.

Measure I would enable the District to issue and sell bonds of up to a maximum amount of two-hundred and twenty-five million dollars (\$225,000,000), at legal rates, levying approximately fifty dollars (\$50) per one-hundred thousand dollars (\$100,000) of assessed value while the bonds are outstanding. According to the District, this Measure, if approved, will not increase current tax rates. The final year in which the tax to be levied to fund these bonds is estimated to be the fiscal year of 2051-52.

The Resolution indicates that the finances obtained through the issuance and sale of bonds shall be restricted and expended only for the listed projects in the Resolution's "Bond Project List." Bond proceeds will be expended on renovating, replacing, upgrading, acquiring, and/or installing District school facilities. This will include: construction of a new school; making safety and accessibility improvements of current facilities; constructing or acquiring additional classrooms; renovating and modernizing classrooms; supporting STEAM/STEM (science, technology, engineering, arts, and mathematics) instructional programs; and, other necessary improvements to current and future school facilities.

Proceeds for the sale of bonds authorized by Measure I shall not be used for any other purpose outside the Bond Project List, such as teacher and administrator salaries and other school operating expenses. Measure I provides for the District to establish an independent citizens' oversight committee to ensure bond proceeds are expended only on the types of school facilities projects that have been listed as part of the Resolution. The Governing Board of the District will conduct annual, independent performance and financial audits to ensure that bond proceeds have been expended only on the school facilities projects listed in the Resolution.

For this Measure to be approved, at least fifty-five percent (55%) of qualified voters within the District who vote on the Measure must vote yes.

A "YES" vote on Measure "I" is a vote to authorize the District to issue and sell bonds to provide financing of school facilities projects.

A "NO" vote on Measure "I" is a vote to reject the District from issuing and selling bonds to provide financing of school facilities projects.

ARGUMENT IN FAVOR OF MEASURE "I"

WITHOUT raising your tax rate, **VOTE YES on Measure I** to continue repairing and upgrading aging Hemet USD schools and improve our local quality of education.

Today's high school graduates must be prepared to compete in a highly technical and global workforce. Especially now, we need schools with modern classrooms, labs and technology to help students prepare for college, good jobs, and career success.

While some Hemet schools have been upgraded thanks to generous past support from our community, others still need repairs and upgrades. Last year, 108 HUSD classrooms had leaky roofs. Some schools have aging AC units and limited shade structures to protect against extreme heat. **Measure I** provides a prudent plan to address these and other vital needs - **WITHOUT raising tax rates**.

Measure I will:

- **Install AC** units and shade structures, protecting students from extreme heat
- **Renovate** older schools to meet current safety codes and upgrade access for students with disabilities
- **Upgrade** classrooms for modern science, math, engineering, technology, and career training in skilled trades and public safety
- **Repair/Replace** deteriorating roofs, plumbing, gas, sewer, and electrical systems
- **Improve** student safety/security across HUSD

Measure I WON'T increase tax rates. It simply extends **WITHOUT** increasing the bond authorization voters approved in 2018. **VOTING YES** continues this locally controlled funding for Hemet USD schools, **keeping your tax rate FLAT.**

No other funding exists to address these needs.

Taxpayer Protections are MANDATORY. NO funds are allowed for administrators' salaries. Independent audits, citizens' oversight, and public reporting ensure proper spending. **ALL funds benefit Hemet Unified schools. Local tax rates stay flat.**

Teachers, parents, and community leaders across Hemet, Idyllwild, Anza and surrounding communities urge your support. They know, as we do, that good schools contribute to quality communities.

Please, for our children, for our community -

VOTE YES on I. Improve Hemet schools!

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE "I"

VOTING "YES" ON MEASURE I IS LIKE SIGNING A CREDIT-CARD AGREEMENT that hides the full balance and interest.

The ballot question is flawed: it brands a new \$225 million authorization a "no-tax-rate-increase" measure while never disclosing the \$150 million Measure X debt still being repaid through at least 2043. Voters are asked to approve additional long-term debt without being shown the cumulative principal, interest, and decades-long tax burden that will remain.

Proponents urge a "Yes" vote "for our children." In reality, the debt service extends for decades. Children not yet born, and future residents who never cast a ballot in 2018 or 2026, will inherit the obligation. The current generation's "Yes" locks them into higher absolute payments as assessed values rise, even if the nominal rate stays flat. That is not protection of children; it is the quiet transfer of financial pressure onto them.

A true and impartial contract would state the full price of the redevelopment and the intergenerational cost. Measure I does not. Until the ballot language discloses the existing debt and the true long-term burden, voters cannot give informed consent.

Vote No. SAVE YOUR CHILDREN AND GRANDCHILDREN FROM BURDENSOME TAX LIABILITIES.

ARGUMENT AGAINST MEASURE “I”

VOTE NO on this \$225 million bond.

§ **THIS BOND IS FINANCIALLY IRRESPONSIBLE.** The District asks homeowners to shoulder this massive debt without first exhausting state grants, public-private partnerships, or fundraising alternatives. Placing a 25-year tax burden on residents without demonstrating genuine effort to secure other funding is the easy way out — not the responsible one.

§ **THIS BOND TRAPS OUR MOST VULNERABLE NEIGHBORS IN POVERTY.** Property taxes are based on assessed value, not income. Single-person and two-member households earning under \$50,000 annually will pay the same rate as wealthier families. For them, approximately \$50 per \$100,000 of assessed value is not a minor expense — it is a choice between paying the tax and buying groceries, medicine, or gas. This is regressive, unfair, and indefensible.

§ **THIS BOND IGNORES OUR COMMUNITY’S ECONOMIC REALITY.** Families are already struggling with inflation and rising costs. The District’s assumption that residents can absorb this burden is out of touch and dangerous. Passage of this measure would exploit voter apathy to impose a long-term obligation that many families simply cannot afford.

§ **THIS BOND GAMBLES WITH WILDFIRE RISK.** Much of our District lies in high fire hazard zones. A catastrophic fire could devastate property values — the very tax base needed to repay this debt. The District’s optimistic projections ignore the real threat of climate-driven disasters over the next 25 years.

§ **THIS BOND PUNISHES FUTURE RESIDENTS.** New homebuyers and families moving into our community will inherit a tax bill they have never voted for, for projects they may never see completed. The District is mortgaging their future. Further young generation will pay for decisions made today without any say in the matter.

This bond is the wrong solution at the wrong time. Vote NO.

REBUTTAL TO ARGUMENT AGAINST OF MEASURE “I”

The lone opponent to Measure I disregards the current reality across Hemet Unified School District (HUSD) schools. A firsthand review of district facilities confirms that Measure I is needed and reflects a smart investment in our local schools.

Please consider these facts:

- Measure I is about one thing: continuing to take proactive steps to **improve the local quality of education** in Hemet Unified School District (HUSD) schools.
- **The need is REAL**, including outdated classrooms, aging AC units, leaky roofs, decades-old, deteriorated portables, and more. The longer we wait, the more expensive upgrades will be.
- NO other funding currently exists to address these needs. Our State and Federal governments **don’t** offer grants for school facilities upgrades. Accessing State matching funds REQUIRES passing a local bond first.
- **Measure I WON’T increase tax rates.** It’s the most conservative bond possible, structured to extend **WITHOUT increasing** the authorization HUSD voters approved in 2018. VOTING YES continues locally controlled funding for Hemet USD upgrades, **keeping your tax rate FLAT.**
- **Taxpayer protections are MANDATORY.** Citizens Oversight, independent audits and public reporting ensure proper spending. NO funds are allowed for administrator salaries.
- HUSD is known for financial prudence and conservative, responsible fiscal practices. Hemet USD has earned and continues to keep the public’s trust.

These and other Measure I facts have convinced homeowners, seniors, taxpayers and voters from all parties—in addition to parents and educators – to VOTE YES.

Measure I deserves your support too.

Help improve our local quality of education, **WITHOUT increasing your tax rate.**

Please, VOTE YES on I.

California Voter ID & Registration Requirements

Who Can Register to Vote in California?

To register, you must be:

- A United States citizen and a California resident
- 18 years or older on Election Day (or 16 or 17 years old to pre-register)
- Not currently serving a state or federal prison term for a felony
- Not currently found mentally incompetent to vote by a court

Do I Need to Show ID to Vote in California?

In most cases, NO. California does not generally require voters to show identification at the polls.

When MIGHT You Be Asked for ID?

You may need to show ID only if ALL the following apply:

- You're voting for the first time in a federal election
- You registered by mail or online, AND
- You did not provide your CA ID or SSN when registering

You'll be notified in advance if this applies to you.

Poll workers may only request an ID if the voter list clearly indicates it's required.

**For more information,
visit vote.ca.gov or
call our Voter
Hotline at (800) 345-
VOTE (8683).**

What Forms of ID Are Acceptable (if required)?

You can show a photo or non-photo ID, including:

- California Driver's License or State ID card
- U.S. Passport
- Student or Military ID
- Official mail from a government agency
- Paycheck or government check
- Utility bill or bank statement

For a complete list, see: www.sos.ca.gov/elections/hava-id-standards

Photo ID is not required, it's just one of many valid options. ID does not need to show your address or be government-issued.

Don't Have ID When Voting?

You can still cast a provisional ballot. Your ballot will be counted after elections officials have confirmed you are registered to vote in that county, and you did not already vote in that election.

ACCOMMODATIONS FOR VOTERS WITH DISABILITIES

All Vote Centers are accessible to voters who are physically disabled. Please be advised of the following alternate ways you may cast your ballot.

- **By Mail** - Your ballot must be received at the Registrar of Voters office no later than 8:00 p.m. on Election Day or be postmarked on or before Election Day and received no later than seven days after Election Day to be counted. You may request a Vote-by-Mail ballot for all future Elections. Simply contact the Registrar of Voters office by calling (951) 486-7200, (800) 773-VOTE (8683), California Relay Service (Dial 711).
- **Early Voting** - You may vote at the Registrar of Voters office October 5 - November 2, Monday through Friday (excluding Holidays), 8:00 a.m. to 5:00 p.m.; October 24 - October 25, 9:00 a.m. to 5:00 p.m., and October 31 - November 1, 9:00 a.m. to 5:00 p.m.; and Election Day, November 3, 7:00 a.m. to 8:00 p.m. Please visit our website at www.voteinfo.net for additional early voting locations and information.
- **Remote Accessible Vote by Mail Ballot (RAVBM)** - Accessible Vote-by-Mail provides an accessible option for voters to mark their ballots privately and independently. To complete a RAVBM ballot visit www.voteinfo.net. Your completed ballot and signed Oath of the Voter must be returned to the Registrar of Voters office no later than 8:00 p.m. on Election Day or be postmarked on or before Election Day and received no later than seven days after Election Day to be counted.
- **Curbside Voting on Election Day** - If you are unable to enter the location due to a physical disability, you may request Curbside Voting at any Vote Center. Curbside Voting doorbells and signs are available at all Vote Centers. If you require Curbside Voting assistance you may call (877) 663-9906 before going to a Vote Center and/or when you arrive at the facility. An Election Officer will be contacted prior to your arrival to meet you at the curb.
- **Large Print State Voter Information Guide** - If you prefer a large print State Voter Information Guide, you may request one by contacting the California Secretary of State's office at (800) 345-VOTE (8683), or by contacting the Registrar of Voters office at (951) 486-7200, (800) 773-VOTE (8683), California Relay Service (Dial 711).
- **Disability Rights California** will operate a statewide hotline on November 3, Election Day, from 7:00 a.m. to 8:00 p.m. The phone number is (888) 569-7955.
