REGISTRAR OF VOTERS

MATTHEW CEBALLOS
ASSISTANT REGISTRAR OF VOTERS

Dear County of Riverside Voter,

Election Day for the General Election is just around the corner on November 3, 2026! Your County Voter Information Guide is here, providing essential details for voting, including instructions on marking your ballot, candidate information, a sample ballot, and other important election details to review before you vote. **Tip:** You can mark your sample ballot and bring it with you to any Vote Center for easy reference.

Starting October 5, 2026, ballots will be mailed to all active registered voters in the County of Riverside. You can check your registration at voterstatus.sos.ca.gov or register at registertovote.ca.gov.

Vote at any Vote Center. We have more days and more ways to cast your ballot!

- **Returning Your Ballot:** You may drop off your ballot at any secure ballot Drop-Off location starting October 5, 2026, or mail your ballot via USPS (no postage needed).
- **Receiving Your Ballot:** Your ballot must be received by the Registrar of Voters by Election Day or postmarked on Election Day and received within seven days (November 10, 2026).
- **Tracking Your Ballot:** Register at WheresMyBallot.sos.ca.gov.

Early Voting: Vote in person at the Registrar of Voters office beginning October 5, 2026, from 8:00 a.m. to 5:00 p.m. Hours will change on October 24 - 25, and October 31 - November 1, when voting will be available from 9:00 a.m. to 5:00 p.m. For a list of locations and hours, visit voteinfo.net.

Election Day: All Vote Centers, including the Registrar of Voters office, will be open from 7:00 a.m. to 8:00 p.m.

The voter registration deadline is October 19, 2026. For more information or questions, call us at (951) 486-7200.

Thank you for participating in the democratic process!

Sincerely,

Art Tinoco

Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices may still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California law requires the following information to be printed in this guide.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
40TH CONGRESSIONAL DISTRICT**

YOUNG KIM, Republican

OCCUPATION: United States Representative, 40th District

EDUCATION AND QUALIFICATIONS:

I first ran for Congress because, like you, I believed our country was heading in the wrong direction. Career politicians put special interests and personal gain ahead of hardworking families. We deserve better.

In Congress, I've broken through the gridlock to deliver real results for families facing skyrocketing inflation, rising costs, and increased crime.

Lowering Costs, Cutting Taxes: Inflation has driven up the cost of gas, groceries, and everyday necessities. I supported the largest tax cut in American history, fought to increase the SALT deduction making life more affordable, and helped return more than \$33 million owed to hardworking taxpayers.

Keeping our Families Safe: I will always back law enforcement and fight to keep dangerous criminals off our streets. That's why I'm endorsed by the Association of Orange County Deputy Sheriffs.

Holding Congress Accountable: Too many career politicians have used public office for personal gain instead of public service. I'm the only candidate in this race who supports term limits and has championed legislation to ban Members of Congress from trading stocks. I'll hold career politicians, both Democrat and Republican, accountable to the American people.

I have a strong record of being an independent voice, and am ranked among the most bipartisan and effective members of Congress.

That's why nearly 100 local, county, and state elected officials and education leaders have endorsed my campaign. I would be honored to earn your vote so I can continue fighting to lower costs, keep families safe, and restore the American Dream. www.YoungKimForCongress.com

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
40TH CONGRESSIONAL DISTRICT**

KEN CALVERT, Republican

OCCUPATION: U.S. Representative

EDUCATION AND QUALIFICATIONS:

It is an honor to represent Riverside County in the U.S. House of Representatives. I have a proven record of fighting for you and delivering results for the Inland Empire. I was honored to receive the most votes in the June Primary Election in this district and am eager to earn your support once again.

As a Representative for Riverside County, I have helped secure several billion dollars in federal funding for critical Inland Empire transportation, flood control, and water supply projects. I am honored to be endorsed by many Riverside County leaders, including Menifee Mayor Ricky Estrada, Lake Elsinore Mayor Bob Magee, Murrieta Mayor Jon Levell, and many others.

In Congress, I am leading efforts to lower costs for American families, including lowering energy and gasoline prices by increasing energy supplies here in California. I am also spearheading the crackdown on fraud by introducing the Zero Tolerance for Fraudsters Act, which will impose mandatory minimum prison sentences for convicted fraudsters.

Your family's safety is one of my highest priorities. I have consistently supported a strong border, our law enforcement officers and tough on crime policies. I have earned the endorsement of local law enforcement organizations, sheriffs, and district attorneys.

I strongly believe we should improve the integrity of our elections by making Voter ID mandatory. That is why I have been a leader on Prop 39, the California Voter ID initiative.

As a congressman with a proven and effective record of delivering for Riverside County, I humbly ask for your vote.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
32ND SENATORIAL DISTRICT**

TIFFANIE TATE, Democratic
OCCUPATION: Doctor / Educator / Author
EDUCATION AND QUALIFICATIONS:

Hi, my name is Dr. Tiffanie Tate and I'm running to be your State Senator.

We need new leadership in Sacramento. California is less affordable. Many homeowners do not have access to homeowner insurance anymore, and for those who do have insurance, prices are skyrocketing. Our local schools and hospitals are underfunded; education and healthcare are paying the price.

I raised two children here, so I understand these issues.

I served 7 years in the Navy as a General Medical Officer. I earned the Global War on Terrorism Service Medal and a Captain's Letter of Appreciation.

After my military service, I worked as an OB/GYN at local hospitals. I might have even delivered you or your child! I have held various leadership roles within hospitals and community organizations. I am not just a patient advocate, but also a community leader.

Now, I'm an author and host of the NBC Radio's show "Doctors in the House".

Through my work, I have talked to thousands of voters, and I want to bring our voices to Sacramento.

My priorities include:

High-wage jobs and economic growth

Access to affordable healthcare and housing

Improving the quality of life for all

I'm proud to be endorsed by statewide elected officials as well as leaders from both parties, as well as those who are independent.

Visit www.votedrtate.com for more information.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
32ND SENATORIAL DISTRICT**

KELLY SEYARTO, Republican
OCCUPATION: State Senator
EDUCATION AND QUALIFICATIONS:

AGE: 66

California has always been a place of opportunity, but today too many families are struggling with the high cost of living, rising taxes, and an increasingly difficult environment for businesses, both small and large. The checks and balances that have been the hallmark of our government have been eroded by one-party, supermajority rule in the California Legislature.

Now, after years of record spending, Californians are still waiting for the results they were promised. We need to improve housing affordability, keep our communities safe, make vast improvements in our infrastructure, and ensure that every student has the tools to succeed after high school. We can build a more affordable, safer, and more prosperous California by setting clear priorities, spending taxpayer dollars responsibly, and demanding accountability from our state government.

I am proud to have passed legislation supporting military families, college students, seniors, crime victims, and homeowners. My proposal to exempt military retirement and survivor benefits from state income tax was included in the state budget. I have also authored laws that strengthen public safety and consumer protections, improve government transparency, and protect homeowners from property fraud.

I bring 35 years of service as a firefighter, 13 years as a local elected official, and the perspective of someone who understands the challenges facing working families. My wife is a small business owner, and together we raised our family right here in this community.

I would be honored to once again earn your vote.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
71ST ASSEMBLY DISTRICT**

JJ GALVEZ, Democratic

AGE: 35

OCCUPATION: Appointed Director, Silverado - Modjeska
Recreation and Park District

EDUCATION AND QUALIFICATIONS:

You deserve a government that works.

Housing, insurance, food, childcare, gas, and electricity outpace wages. I see it in Temecula, Murrieta, and Wildomar, and my family feels it too.

I'm an immigrant who came here on a student visa, paid my way through college, and proudly became a US citizen to pursue the American Dream—the promise that hard work builds a good life. But the cost of living is putting that dream out of reach for too many.

My career is in business—not government—13 years building tech companies and meeting payroll. I serve as unpaid Treasurer of the Silverado-Modjeska Recreation and Park District, where I balanced our budget after a 30% cut while preserving core services.

In Sacramento, I will work to lower costs for building, insuring, and fire-hardening homes, bring down rents so our youth can afford to live where they grew up, make AI data centers (not families) pay for their energy demands, win our share of road funding, strengthen schools and public safety, and back entrepreneurs and small businesses that create jobs.

I accept no corporate PAC money. My votes will serve you, not private interests. I pledge to be an independent, data-driven, solutions-focused decision maker.

I'm running to give back and represent you and your family. You're my boss. I keep time open for constituents at www.JJGalvez.com/meeting

Let's stop the chaos of division. I am grateful to be endorsed by Democrats and Republicans. I will fight for you whether or not you vote for me.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
71ST ASSEMBLY DISTRICT**

KATE SANCHEZ, Republican

OCCUPATION: California State Assemblywoman
EDUCATION AND QUALIFICATIONS:

I'm proud to have served as your State Assemblywoman for the past three years — and of all we've accomplished.

California families and business owners are paying more, feeling less safe, and growing weary of progressive Sacramento politicians moving further out of touch with the real world. That's why we need a strong, proven, conservative leader that will stand firm and deliver results.

I have successfully authored legislation to improve your safety and quality of life, including bills to: make sex trafficking a serious felony, make any AI-generated child pornography a felony, and to ensure crime victims are notified before the criminal who harmed them is considered for parole.

I'm a bold leader bringing conservative common-sense solutions to California.

As your Assemblywoman, I'll continue to support policies that: prohibit spraying dangerous pesticides in our neighborhoods, oppose illegal immigration, lower taxes, reduce the high cost of living, increase wildfire preparedness and availability of affordable homeowner insurance; eliminate fraud and wasteful government spending, and prohibit the early release of felons.

I'm honored to have earned an "A" rating from the Howard Jarvis Taxpayers Association. I've never voted to raise your taxes (and never will) - and I'll always defend Proposition 13.

As a mother, I'll protect parental rights and fight to keep males out of female sports and private spaces.

I'm proud to be endorsed by the California Republican Party and respected law enforcement leaders, including Sheriff Don Barnes and Sheriff Chad Bianco.

I respectfully ask for your vote and continued support.

MICHELLE PARADISE

OCCUPATION: Assistant District Attorney, County of Riverside
EDUCATION AND QUALIFICATIONS:

For nearly 40 years, I have dedicated my career in public service to protecting Riverside County families and supporting victims, while upholding the law with fairness, integrity, and respect.

Throughout my career, I have assisted people during the most difficult moments of their lives. I have served as:

- Emergency 911 dispatcher for the Riverside City Police Department and Riverside City Fire Department.
- Assistant District Attorney in the Riverside County District Attorney's Office. I have successfully prosecuted over 100 jury trials of child molesters, murderers, and other violent criminals. I was recognized as California's "Prosecutor of the Year."
- Assistant County Executive Officer overseeing Riverside County's Public Safety Portfolio: Riverside County Sheriff's Office, District Attorney's Office, Law Offices of the Public Defender, Probation Department, CAL-Fire/County Department, and Emergency Management Department. In this role, I also collaborated with justice system partners to ensure court cases moved fairly and efficiently.

As a non-partisan candidate, I am proud to be the ONLY candidate ENDORSED by every constitutionally elected official in Riverside County and the ONLY candidate with Cross-Party ENDORSEMENTS, including:

- Riverside County Presiding Judge
- Riverside County District Attorney
- Riverside County Sheriff
- Riverside County Public Defender
- Riverside County Superior Court Judges
- Riverside County Board of Supervisors
- Public Safety Leaders throughout Riverside County
- Community Leaders throughout Riverside County

I am a proud wife, mother, and grandmother. As a Judge, I will serve with impartiality, independence, and unwavering commitment to equal justice.

I, Michelle Paradise, respectfully ask for your vote.

Dear Neighbor,

For nearly twenty years, I fought to protect children, crime victims, families, and vulnerable communities. I will continue to bring that same commitment to fairness and justice that strengthens our community.

In federal and state courts, I held powerful institutions accountable, ensuring fair treatment under the law. As a tireless advocate for abused, abandoned, and neglected children, I gave a voice to those who needed it most.

As a former business owner, I understand the challenges facing working families and entrepreneurs.

I pioneered the first in-house immigration specialist position at the Riverside County Public Defender's Office. Now, as an expert, I advise attorneys at the San Bernardino County Public Defender's Office on preventing legal errors, improving court efficiency, and protecting tax payer dollars.

I am endorsed by judges, attorneys, educators, healthcare professionals, veterans, business leaders, and elected officials, including Congressmen Mark Takano and Dr. Raul Ruiz.

From the classroom as a law professor to the courtroom as a certified specialist by the State Bar of California, I have built my career on integrity, expertise, and a steadfast commitment to earning your trust.

As a Riverside resident, mother, youth mentor, soccer team manager, and track coach, I believe in serving my community both inside and outside the courtroom.

I respectfully ask for your vote, Andrea Garcia.

EMIL BARHAM OCCUPATION: Incumbent EDUCATION AND QUALIFICATIONS: It has been an honor to serve Temecula Valley families. For 24 years, I have taught students from elementary school through university. I know what helps students succeed—and what holds them back. Before teaching, I worked in accounting, finance and operations. I understand classrooms, budgets and how to safeguard taxpayer dollars. <u>During my first term on the Temecula Valley Unified School District Governing Board, I have delivered results:</u> • Established the Accountability and Goals Subcommittee, contributing to higher math, language arts, and science scores. • Developed common-sense parental notifications policies focused on transparency • Reinstated the Constitution and Civics Test for eighth graders. • Launched the Special Education Subcommittee to improve family communication and classroom support. • Conducted campus safety reviews, strengthened oversight and reduced waste. As your representative on the Temecula Valley Unified School District board, I will continue to prioritize: • High academic standards and safe schools. • Parental involvement and local control in education. • Age-appropriate curriculum • Expanded Career and Technical Education (CTE), student employment opportunities and support for teachers and students with special needs. • Transparency, accountability, fiscal discipline. <u>Teachers should teach core subjects, students should excel in their education, and parents should always have oversight and transparency.</u> I respectfully ask for your vote to continue raising the bar for our children.	BRIAN EMMERT OCCUPATION: Husband, Father, Businessman EDUCATION AND QUALIFICATIONS: I'm running for the Temecula Valley Unified School District Board because our students deserve leadership focused on results, not politics or personal conflict. For more than 25 years, my family has proudly called Temecula Valley home. Our two sons attended Temecula Valley Unified schools from kindergarten through graduation at Chaparral High School, giving me firsthand appreciation for the outstanding teachers, staff, and parents who make our schools strong. My career leading large teams and managing multimillion-dollar budgets has prepared me to make thoughtful, fiscally responsible decisions and ensure taxpayer dollars are spent wisely in the classroom. As your Trustee, I will prioritize academic excellence, safe and secure campuses, responsible budgeting, transparency, and meaningful partnerships with parents. Every student should graduate prepared for college, career, or skilled trades, and every family deserves a voice in their child's education. I will bring professionalism, accountability, and a collaborative approach to the Board—putting students and parents first while supporting the teachers who strengthen our schools. **CANDIDATE STATEMENT FOR
CITY COUNCIL MEMBER,
CITY OF MURRIETA, DISTRICT 5**

CINDY WARREN

OCCUPATION: Murrieta Councilmember / Businesswoman

EDUCATION AND QUALIFICATIONS:

As your District 5 Councilwoman, I am honored to serve you. I will always be accessible, responsive, and committed to listening to the residents and businesses that make Murrieta a special place to live, work and play.

Public safety is, and will always be, my top priority. I am committed to ensuring our police, fire, and public safety professionals have the training, resources, equipment, and personnel they need to protect our families and community. Together, we must continue working to keep Murrieta one of the safest cities in the nation.

Supporting our military and veterans is deeply personal to me. My husband, John, proudly served our country in Vietnam as a Riverboat Commander. During his service, he was exposed to Agent Orange and ultimately lost his life because of that exposure. John and I were dedicated to supporting our active-duty military members and veterans, and I am honored to continue that commitment today. We must never forget the sacrifices made by those who have served our nation.

As a successful small business owner for more than 45 years, I understand what it takes to build, adapt, and succeed through economic peaks and valleys. That experience has shaped my approach to public service: government must be fiscally responsible, transparent, and accountable to the people it serves.

I am committed to protecting local control, supporting responsible, quality development, maintaining fiscal sustainability, and providing the transparency our residents deserve. I will continue working to secure the resources needed to repair and improve our infrastructure while pursuing a realistic, achievable, long-term plan to address our traffic challenges, both locally and regionally.

Our community is growing, and with that growth comes opportunity and responsibility. We must plan wisely, protect the quality of life that makes Murrieta special, and ensure our city remains safe, vibrant, and thriving for generations to come.

I am proud to have earned the endorsements of State Senator Kelly Seyarto, Assembly Member Kate Sanchez, Riverside County District Attorney Mike Hestrin, Murrieta Mayor Jon Levell, Murrieta Mayor Pro Tem Ron Holliday, and Murrieta Council Members Lori Stone and Dr. Lisa DeForest, along with many others.

It has been the greatest honor of my life to serve as your Murrieta City Councilwoman for the past five years. I am grateful for your trust and humbly ask for your continued support and your vote on November 3, 2026.

**CANDIDATE STATEMENT FOR
CITY COUNCIL MEMBER,
CITY OF MURRIETA, DISTRICT 5**

LUIZ VALDEZ

AGE: 27

OCCUPATION: Assistant Project Manager

EDUCATION AND QUALIFICATIONS:

Murrieta has been my home since I was 11 years old. I graduated from Vista Murrieta High School, and after college, my wife and I chose to build our future here because we believe Murrieta is one of the best places to live, work, and raise a family.

Professionally, I work in construction project management, where I oversee budgets, schedules, contracts, and complex projects. I also co-own Dominion Coffee Roasters, a local small business that has given me firsthand experience with the opportunities and challenges facing entrepreneurs in our community.

I am running because I believe Murrieta's greatest strengths—its safe neighborhoods, strong families, and high quality of life—are worth protecting. At the same time, we must plan responsibly for the future by making thoughtful decisions about growth, infrastructure, public safety, and the responsible use of taxpayer dollars.

As a member of the City Council, I will work to be a careful steward of our city's finances, support our police and fire services, encourage local businesses, and ensure growth enhances rather than diminishes the character of our community. I also want Murrieta to remain a city where young families can build their futures and where the next generation chooses to invest, work, and serve.

I believe public service is about listening first, leading with integrity, and making decisions that benefit the entire community. My commitment is to be accessible, transparent, and accountable to the residents of District 5.

It would be an honor to earn your trust and your vote. Together, we can preserve what makes Murrieta special while responsibly preparing our city for the next generation.

DIRECTOR,
EASTERN MUNICIPAL WATER DISTRICT, DIVISION 1**

PHILIP E PAULE

AGE: 63

OCCUPATION: Board Member EMWD

EDUCATION AND QUALIFICATIONS:

I'm grateful for the opportunity to serve our community and am seeking re-election to the Eastern Municipal Water District Board. During my time on the Board, I have worked diligently to deliver affordable, reliable, and high-quality water for our families, farms, and businesses.

My guiding principle remains unchanged: keep rates as low as possible while maintaining excellent service and responsibly investing in infrastructure that keeps our water safe and dependable. I have consistently supported fiscally responsible budgets and opposed unnecessary rate increases.

I am proud that EMWD invested in local schools to install water bottle filling stations, giving students and staff convenient access to safe drinking water while helping reduce single-use plastics.

EMWD continues to deliver safe, high-quality water by conducting more than 48,000 water quality tests each year, consistently meeting or exceeding all state and federal drinking water standards. I remain committed to proactive investments in PFAS remediation, smart infrastructure, and conservation programs that prepare for future needs without placing unnecessary burdens on customers.

With proven experience and a strong record of results, I will continue fighting for our families and community. I respectfully ask for your vote to keep experienced, ratepayer-focused leadership working for you.

EASTERN MUNICIPAL WATER DISTRICT, DIVISION 1**

VIRGIL PIÑA

OCCUPATION: Retired County Employee

EDUCATION AND QUALIFICATIONS:

Riverside County has been home to my family for many years. I have watched our communities grow, bringing challenges requiring experience, vision, and greater leadership.

I am running for Eastern Municipal Water District to bring a hands-on, in-the-trenches experienced approach—focused on solutions and results.

The I-215/Case Road corridor is one example. For years, motorists, shoppers, and their children have encountered strong wastewater odors from the Perris Valley Wastewater Facility. I have walked nearby business areas and spoken with employees who want improvements. As a former Water agency Electrical Instrumentation Technician, I know these problems have solutions. What's needed is greater vision and determination.

Transparency and clarity matter. I have requested public records from EMWD regarding taxpayer-funded contract expenditures. I believe ratepayers should have this information available on the District's website. I will fight for an online map showing where contract dollars are spent throughout the District—it's your money.

Experience: • Former Municipal Commission Chairman • Former High School Industrial Arts Teacher • Army Veteran • State-Certified Water Distribution Technician • Disabled Children's Rights Advocate

I will bring water/wastewater experience, accountability, fresh vision, and results-focused leadership to EMWD.

Improvements for Your Family.

RANCHO CALIFORNIA WATER DISTRICT**

J.D. HARKEY

AGE: 48

OCCUPATION: Incumbent

EDUCATION AND QUALIFICATIONS:

My family moved to Temecula in 1980 from Fallbrook. I was raised in Temecula and now have a wife (Katie) and 3 boys (Ethan, Hudson and Drake). We love everything about Temecula and have supported our town in many different ways throughout the years.

I attended TVHS and left Temecula for a few years to get a Business degree at Point Loma Nazarene University. Upon returning to Temecula, I was introduced to Ben Drake and found a career that has put me in the position I am today. We farm over 500 acres of avocados and winegrapes and help our customers sustainably farm these crops and keep Temecula the beautiful place it is today.

Water has always been a precious natural resource, especially in California, and conserving this resource will be key to the future of Temecula and future generations. Serving the community as a Rancho Water Director over the last four years has truly been an honor that I hope will continue for at least another four years. Whether it be relying on water out of our sinks at home or out of the sprinklers on our crops. We are all in this together.

AGE: 53

OCCUPATION: Father, Entrepreneur, Volunteer

EDUCATION AND QUALIFICATIONS:

I am William Woodrome, a dad, small business owner and long time community volunteer and I am asking for your vote for the Rancho California Water District Board of Directors.

For 15 years, I have served in community service roles, including volunteering within the water industry. With curiosity and ambition to learn, I have gained a strong understanding of the challenges facing our region, including affordability, water quality, aging infrastructure and the need for long term supplies.

I will bring a fresh, independent perspective focused on listening to ratepayers, respecting the expertise of staff, and making decisions openly and responsibly.

I will advocate for transparent budgets, accountable governance, excellent service and reasonable rates. As our community grows, I will support investments that protect water quality, strengthen storage, expand recycled water use, and diversify water supplies.

I will also pursue state and federal funding to reduce costs for ratepayers. I am committed to securing clean, reliable water for today and generations to come.

WILLIAM PLUMMER

OCCUPATION: Water Resources Engineer

EDUCATION AND QUALIFICATIONS:

My wife and I have lived in Temecula for 41 years raising our son and daughter. A registered civil engineer with a master's degree in civil engineering, I have 39 years of experience developing water resource facilities at consulting firms and public agencies. I have had the privilege of serving as Director on the Rancho California Water District since 2005 where I have been chairman on every committee and Board President twice. I also serve on the Association of California Water Agencies - Energy Committee, and also the District representative on the Joint Powers Insurance Agency.

Priorities include optimizing use of groundwater, and increasing use of recycled water. Both water sources maximize local water supplies and reduce dependence on expensive imported water. I promote water conservation efforts to reduce water demand, and thank all who made water conservation a priority. Significant cost reduction is being achieved by having 27% of electrical use supplied from solar power, replacing critical infrastructure before costly failures occur, and implementing asset management for all facilities.

With your support I will work diligently to increase water supply reliability at the lowest cost for residences, businesses and agriculture.

RANCHO CALIFORNIA WATER DISTRICT**

CAROL LEE BRADY

OCCUPATION: Director, Rancho California Water District

EDUCATION AND QUALIFICATIONS:

I've been honored to serve as a Rancho Water Director since 2017, including two terms as Board President. My BS in Business Management (magna cum laude) is from Pepperdine University, and my professional leadership experience spans industries including water utilities.

Temecula's Wine Country has been my home for 22 years. I'm passionate about delivering prudent stewardship of our financial and natural resources. That means addressing current challenges and strategically developing and executing long-term solutions as well. I'm a strong advocate for clean, affordable water as Rancho Water pursues and secures grant funding for groundwater replenishment, storage, conveyance, and infrastructure projects.

Too often, our priorities are NOT considered as policymakers craft legislation and regulations that impact us. In addition to my work at Rancho Water, I serve as Vice President of the Association of California Water Agencies (ACWA), the largest statewide coalition of public water agencies in the country. I'm also on the Board of Southern California Water Coalition, comprised of leaders from the water industry, city government, and businesses impacted by water policy. We are sending a unified message to Sacramento and DC.

**CANDIDATE STATEMENT FOR
DIRECTOR,
RANCHO CALIFORNIA WATER DISTRICT**

MARYANN EDWARDS

OCCUPATION: Community Volunteer

EDUCATION AND QUALIFICATIONS:

Safe, reliable water at a fair price is essential to our quality of life.

Rancho Water has an outstanding record of providing reliable water, expanding capacity, investing in infrastructure and serving its customers well. The years ahead will bring new challenges, including the rising cost and uncertain availability of imported water.

As a Temecula City Councilmember and Mayor, I helped build and maintain the infrastructure our growing community needed, while securing hundreds of millions of dollars in state and federal funding to help protect local taxpayers. I learned firsthand that good governance requires careful planning, responsible budgeting and strong relationships at every level of government.

As a TVUSD School Board member, I worked with parents, educators and community leaders to develop innovative policies and programs that helped make our schools a model for educational excellence and opened doors of opportunity for thousands of students.

I have a proven record of responsible public service, collaborative leadership and getting things done. I believe my knowledge, experience and commitment to this community would be a positive addition to the Rancho California Water District Board.

I respectfully ask for your vote.

MEASURE "S" - TEMECULA VALLEY UNIFIED SCHOOL DISTRICT

FULL TEXT OF BOND MEASURE

BOND AUTHORIZATION

By approval of this measure by at least 55% of the registered voters voting on the measure, the District will be authorized to issue and sell bonds of up to \$215,000,000 in aggregate principal amount, at interest rates not to exceed legal limits and to provide financing for the specific types of school facilities projects listed in the Bond Project List included below, subject to all the accountability requirements specified below. It is currently expected that the final maturity date of bonds issued pursuant to this measure will approximately 30 years from the date of the election.

ACCOUNTABILITY REQUIREMENTS

The provisions in this section are specifically included in this measure in order that the voters and taxpayers in the District may be assured that their money will be spent wisely. Expenditures to address specific facilities needs of the District will be in compliance with the requirements of Article XIII A, Section 1(b)(3), of the State Constitution and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Education Code Sections 15264 and following.)

Bonds authorized by this measure may be issued under the provisions of the California Education Code (starting at Section 15100), under the provisions of the California Government Code (starting at Section 53506), or under any other provision of law authorizing the issuance of general obligation bonds by school districts. The bonds may be issued in series by the District, from time to time, and each series of bonds shall mature within the legal limitations set forth in the applicable law under which the bonds are issued.

Evaluation of Needs. The Board of Education of the District (the "Board") has identified detailed facilities needs of the District, and has determined which projects to finance from a local bond. The Board hereby certifies that it has evaluated safety, class size, enrollment trends, and information technology needs in developing the Bond Project List described below.

Independent Citizens' Oversight Committee. Following approval of this measure, the Board will establish an independent citizens' oversight committee, under Education Code Sections 15278 and following, to ensure bond proceeds are expended only on the types of school facilities projects listed below. The committee will be established within 60 days of the date when the results of the election appear in the minutes of the Board.

Performance Audits. The Board will conduct annual, independent performance audits to ensure that the bond proceeds have been expended only on the school facilities projects listed below.

Financial Audits. The Board will conduct annual, independent financial audits of the bond proceeds until all of those proceeds have been spent for the school facilities projects listed below.

Government Code Accountability Requirements. As required by Section 53410 of the Government Code, (1) the specific purpose of the bonds is set forth in this Full Text of the Measure, (2) the proceeds from the sale of the bonds will be used only for the purposes specified in this measure, and not for any other purpose, (3) the proceeds of the bonds, when and if issued, will be deposited into a building fund to be held by the Riverside County Treasurer, as required by the Education Code, and (4) the Superintendent of the District shall cause an annual report to be filed with the Board of the District not later than January 1 of each year, which report shall contain pertinent information regarding the amount of funds collected and expended, as well as the status of the projects listed in this measure, as required by Sections 53410 and 53411 of the Government Code.

Bonding Capacity. Issuance of each series of bonds authorized by this measure is required to conform with all applicable legal requirements. This includes issuance within applicable bonding capacity limitations, which may include a waiver of bonding capacity granted by the State Board of Education, if sought and granted.

NO TEACHER OR ADMINISTRATOR SALARIES

Proceeds from the sale of bonds authorized by this measure shall be used only for the purposes specified in Article XIII A, Section 1(b)(3), specifically the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, and the acquisition or lease of school facilities, and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

STATE MATCHING FUNDS

The following statement is included in this measure pursuant to Education Code Section 15122.5: Approval of this measure does not guarantee that the proposed projects that are the subject of bonds under this measure will be funded beyond the local revenues generated by this measure. The District's proposal for the projects described below may assume the receipt of matching state funds, which, if available, could be subject to appropriation by the Legislature or approval of a statewide bond measure.

INFORMATION ABOUT ESTIMATES AND PROJECTIONS

Voters are informed that any estimates or projections in the bond measure or ballot materials, including relating to estimated tax rates, the duration of issued bonds and related tax levies and collections are provided as informational only. Such amounts are estimates and are not maximum amounts or limitations on the terms of the bonds, the tax rate or duration of the tax supporting repayment of issued bonds. Such estimates depend on numerous variables which are subject to variation and change over the term of the District's overall facilities and bond financing plan, including but not limited to the amount of bonds issued and outstanding at any one time, the interest rates applicable to issued bonds, market conditions at the time of sale of the bonds, when bonds mature, timing of project needs and changes in assessed valuations in the District. As such, while such estimates and approximations are provided based on information currently available to the District and its current expectations, such estimates and approximations are not limitations and are not binding upon the District. In addition, the abbreviated and condensed statement of the bond measure presented to

voters which is subject to a word count limitation imposed by State law does not limit the scope and complete meaning of the measure provided in this Full Text of Bond Measure and related ballot materials.

BOND PROJECT LIST

Scope of Projects. Bond proceeds will be expended on the modernization, renovation, expansion, acquisition, construction/reconstruction, rehabilitation, and/or replacement of school facilities of the District, including the furnishing and equipping of school facilities, at all existing sites of the District and all sites that may be acquired by the District in the future.

School Facility Project List. The items presented on the following list provide the specific types of school facilities projects authorized to be financed with voter-approved bond proceeds. Specific examples included on this list are not intended to limit the types of projects described and authorized by this measure. The following types of projects are authorized by this measure:

Modernization of Learning Environments

- **Portable Reduction:** Replace or reduce the number of aging, outdated portable buildings with permanent, modern classroom facilities.
- **Classroom Upgrades:** Modernize or replace outdated classrooms, labs, and other learning environments and school facilities to support 21st-century instructional standards.
- **Furniture & Technology:** Upgrade classroom furniture and technology infrastructure (including network systems and electrical wiring) to meet modern learning needs.
- **Early Education:** Construct or reconfigure facilities to support Preschool, Transitional Kindergarten (TK) and Kindergarten programs, including age-appropriate restrooms and play areas.

Essential Repairs & Infrastructure

- **Major Systems:** Repair or replace deteriorating roofs, gas lines, sewer lines, plumbing, and electrical systems.
- **Energy & Climate:** Repair or replace Energy Management Systems, including interior and exterior lighting, and outdated heating, ventilation, and air conditioning (HVAC) systems to reduce operating costs.
- **Safety Alarms:** Upgrade or replace fire alarms, smoke detectors, and emergency communication systems.

Health, Safety & Security

- **Physical Safety:** Improve the physical safety of facilities, including the repair or replacement of cracked or deteriorating concrete and asphalt (walkways and parking lots).
- **Security:** Install or upgrade fencing, security cameras, and modern door locks; and create controlled "single point of entry" systems for parents and visitors.
- **Access & Ingress/Egress:** Improve campus ingress/egress and reconfigure parking/bus drop-off zones to increase student safety and improve traffic flow.
- **ADA Compliance:** Ensure all facilities meet the requirements of the Americans with Disabilities Act (ADA) and make other accessibility upgrades to ensure barrier-free access.

Outdoor Learning & Activities

- **Shade Structures:** Add shade structures and seating, where feasible, for outdoor eating, learning, and physical activities.
- **Play & Recreation:** Repair or replace outdated play equipment, playgrounds, and hard courts to ensure student safety.
- **Fields & Grounds:** Upgrade fields, turf, and irrigation systems; and construct or renovate changing rooms and restrooms for physical education.

Incidental Expenses. Each of the bond projects described in this Bond Project List include the costs of furnishing and equipping such facilities, and all costs which are incidental but directly related to the types of projects described above. Examples of incidental costs include, but are not limited to: costs of design, engineering, architect and other professional services, facilities assessments, inspections, site preparation, utilities, landscaping, interior and exterior painting, bond project construction management, administration and other planning and permitting, legal, accounting and similar costs; independent annual financial and performance audits; a customary construction contingency; abatement, demolition and disposal of existing structures; the costs of interim housing and storage during construction including relocation and construction costs incurred relating to interim facilities; the preparation or restoration of construction, renovation or remodeling; rental or construction of storage facilities and other space on an interim basis for materials and other equipment and furnishings displaced during construction; costs of relocating facilities and equipment as needed in connection with the projects; the acquisition or improvement of interim classrooms and facilities for students, administrators, and school functions, including portable classrooms and other modular facilities; federal and state-mandated safety upgrades; addressing unforeseen conditions revealed by construction/modernization and other necessary improvements required to comply with existing building codes, including the Field Act; access requirements of the Americans with Disabilities Act; and costs of the election; bond issuance costs; and project administration during the duration of such projects, as permitted by law.

Furnishing and Equipping. Each project is assumed to include its share of furniture, fixtures, equipment, architectural, engineering, and similar planning costs, program/project management, staff training expenses and a customary contingency for unforeseen design and construction

costs. In addition to the listed projects stated above, the list also includes the acquisition of a variety of instructional, maintenance and operational equipment, including the reduction or retirement of outstanding lease obligations and interim funding incurred to advance fund projects from the list; installation of signage and fencing; payment of the costs of preparation of all facility planning, facility studies, assessment reviews, facility master plan preparation and updates, environmental studies (including environmental investigation, remediation and monitoring), design and construction documentation, and temporary housing of dislocated District activities caused by construction projects. The upgrading of technology infrastructure includes, but is not limited to, computers, projectors, portable interface devices, servers, switches, routers, modules, sound projection systems, printers, digital white boards, document projectors, telephone system, call manager and network security/firewall, wireless technology systems and other miscellaneous equipment.

Alterations to Scope: Acquisition of Real Property. The scope and nature of any of the specific projects described above may be altered by the District as required by conditions that may arise during the course of design and construction. In the event that a modernization or renovation project is more economical for or otherwise determined by the Board to be in the best interests of the District to be undertaken as new construction, this bond measure authorizes said new construction including land acquisition, relocation and construction at a new or alternative site, and/or demolition and reconstruction and/or repurposing on the original site, including an expanded site, and all costs relating thereto. For any project involving rehabilitation or renovation of a building or the major portion of a building, the District shall be authorized to proceed with new construction instead, if the Board determines that replacement and new construction is more economically practical than rehabilitation and renovation, considering the building's age, condition, expected remaining life, and other relevant factors.

In addition, this measure authorizes the acquisition of real property, including necessary rights of ways or other real property interests required to expand District facilities, to provide access to school or other District facilities, or to provide additional school or related facilities.

Interim Financing Included: Joint Use Projects Authorized. Authorized projects include paying and/or prepaying interim or previously obtained financing for the types of projects included on the Bond Project List, such as bond anticipation notes, and includes prepayment of lease payments to acquire title to facilities and/or equipment previously financed. Projects may also be undertaken on a joint use basis with other public entities.

Bond Project List Not in Order of Priority: Board Determines Prioritization. Approval of this bond measure does not guarantee that the proposed projects will be funded beyond the local revenues generated by the measure. The District's capital needs currently exceed the amount of bonds the voters are being asked to authorize. The order in which particular projects are listed is not intended to suggest priority for funding or completion, and itemization of projects in the list above does not guarantee that all such projects will be undertaken. Project priorities will be determined by the Board. The ability of the District to undertake and complete the listed projects is subject to numerous variables including the adequacy and availability of sufficient funding sources. The District is unable to anticipate all unforeseen circumstances which may prevent some of the projects listed above from being undertaken or completed.

Interpretation. The terms of this bond measure and the words used in the Bond Project List shall be interpreted broadly to effect the purpose of providing broad and clear authority for the officers and employees of the District to provide for the school facilities projects the District proposes to finance with the proceeds of the sale of bonds authorized by this proposition within the authority provided by law, including Article XIII A, Section 1(b)(3) of the California Constitution, Education Code Section 15000 *et seq.* and the Strict Accountability in Local School Construction Bonds Act of 2000. Words used in the Bond Project List such as repair, improve, upgrade, expand, modernize, renovate, and reconfigure are used to describe school facilities projects in plain English but are not intended to expand the nature of such projects beyond what is authorized by law. As such, in accordance with legal requirements, the Bond Project List does not authorize, and shall not be interpreted to authorize, expending proceeds of the sale of bonds authorized by this proposition for current maintenance, operation or repairs.

Severability. The Board hereby declares, and the voters by approving this Bond Measure concur, that every section and part of this bond proposition has independent value, and the Board and the voters would have adopted each provision hereof regardless of every other provision hereof. Upon approval of this measure by the voters, should any part be found by a court of competent jurisdiction to be invalid for any reason, all remaining parts hereof shall remain in full force and effect to the fullest extent allowed by law, and to this end the provisions of this bond measure are severable.

MEASURE "S"- TEMECULA VALLEY UNIFIED SCHOOL DISTRICT

TAX RATE STATEMENT

An election will be held in the Temecula Valley Unified School District (the "District") on November 3, 2026, to authorize the sale of up to \$215,000,000 in general obligation bonds. The following information is submitted in compliance with Sections 9400-9404 of the Elections Code of the State of California. Such information is based upon the best estimates and projections presently available from official sources, upon experience within the District, and other demonstrable factors.

Based upon the foregoing and projections of the District's assessed valuation, the following information is provided:

1. The best estimate of the average annual tax rate that would be required to fund this bond issue over the entire duration of the bond debt service, based on estimated assessed valuations available at the time of filing of this statement, is \$20 per \$100,000 of assessed valuation. It is currently expected that the tax will be collected until fiscal year 2055-2056, which is approximately 30 years from the date of the election.
2. The best estimate of the highest tax rate that would be required to fund this bond issue, based on estimated assessed valuations available at the time of filing this statement, is \$20 per \$100,000 of assessed valuation. This rate is projected to apply beginning in fiscal year 2027-2028.
3. The best estimate of total debt service, including principal and interest, that would be required to be repaid if all the bonds are issued and sold will be approximately \$382,999,538.

These estimates are based on projections derived from information obtained from official sources, and are based on the assessed value (not market value) of taxable property on the County's official tax rolls. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions. The attention of all voters is directed to the fact that the foregoing information is based upon projections and estimates only, which amounts are not maximum amounts and durations and are not binding upon the District. The actual debt service, tax rates and the years in which they will apply may vary depending on the timing of bond sales, the par amount of bonds sold at each sale and actual increases in assessed valuations. The timing of the bond sales and the amount of bonds sold at any given time will be determined by the District based on the need for project funds and other considerations. Actual assessed valuations will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

Temecula Valley Unified School District

IMPARTIAL ANALYSIS OF MEASURE “S”

The purpose of Measure S is to enable voters to authorize or reject the Temecula Valley Unified School District (hereinafter, “the District”) issuing and selling General Obligations Bonds to provide financing for school facilities projects. The Board of Education of the District, by adopting Resolution No. 2025-26/42 (“Resolution”), elected to call an election to place this Measure on the ballot.

Measure S would enable the District to issue and sell bonds of up to a maximum amount of two-hundred and fifteen million dollars (\$215,000,000), at interest rates not to exceed legal limits. It is currently expected that the final maturity date of bonds issued pursuant to Measure S will be approximately 30 years from the date of the election, if approved.

The Resolution indicates that the finances obtained through the issuance and sale of bonds shall be restricted and expended only for the listed school facility projects. Bond proceeds will be expended on the modernization, renovation, expansion, acquisition, construction/reconstruction, rehabilitation, and/or replacement of current and future school facilities of the District, including the furnishing and equipping of such school facilities.

Proceeds for the sale of bonds authorized by Measure S shall not be used for any other purpose, such as teacher and administrator salaries and other school operating expenses. Measure S provides for the District to establish an independent citizens’ oversight committee to ensure bond proceeds are expended only on the types of school facilities projects that have been listed as part of the Resolution. The Board of Education of the District will conduct annual, independent performance and financial audits to oversee that bond proceeds have been expended only on the school facilities projects listed in the Resolution.

For this Measure to be approved, at least fifty-five percent (55%) of qualified voters within the District who vote on the Measure must vote yes.

A “YES” vote on Measure “S” is a vote to authorize the District to issue and sell bonds to provide financing of school facilities projects.

A “NO” vote on Measure “S” is a vote to reject the District from issuing and selling bonds to provide financing of school facilities projects.

ARGUMENT IN FAVOR OF MEASURE “S”

Vote YES on Measure S to modernize our classrooms, elevate student safety, and safeguard the high standard of education that defines the Temecula Valley Unified School District.

Our schools are proud to serve students across Temecula, Murrieta, French Valley, Winchester, and Riverside County. To maintain our track record of academic excellence, we must ensure our facilities match the caliber of our students and educators. While our schools are beautifully maintained, many classrooms are now entering their fourth decade. Measure S allows us to transition from temporary portable structures into permanent, safe learning environments designed for the future.

With local summer temperatures often exceeding 100 degrees, upgrading HVAC and expanding campus shade structures is a vital step in creating healthy, high-performance environments where students can thrive.

Measure S provides locally controlled funding to deliver top-tier neighborhood schools for all students, ensuring our campuses continue to foster high academic achievement and serve our community for decades to come.

Vote YES on S: Designing Safe, Modern, and Successful Schools

- Repair aging and leaky roofs, plumbing and electrical systems
- Replace portable classrooms with permanent classrooms
- Replace inadequate cooling, heating, electrical, ventilation systems
- Modernize classrooms and labs to support quality instruction at all schools
- Upgrade career technical education facilities and equipment to prepare students for college and in-demand careers

Measure S is Transparent and Accountable

- **100% Local Impact:** Every single penny stays directly in our neighborhood schools.
- **Strict Oversight:** A legally binding, detailed project list ensures precise execution, backed by an independent citizens' oversight committee and annual public audits.
- **Protected Funds:** No funds can be used for administrators' salaries or pensions.

Temecula Valley schools are the cornerstone of our community. Excellent schools protect our property values and strengthen our local economy, benefiting every single resident.

Join local families, business leaders, and neighbors in voting YES on Measure S to secure safe, modern, and successful schools.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “S”

Do not be fooled by emotional appeals!

The proponents ask you to trust TVUSD with **\$215 million** in borrowing, while failing to disclose the true cost to taxpayers. With interest, Measure S is projected to cost **\$383 million** over 30 years. This means a whopping **45%** of what Temecula families pay will go directly to investors, not classrooms! The claim that *“every single penny stays directly in our neighborhood schools”* is FALSE. This inconvenient truth was deliberately omitted from the ballot, despite repeated appeals for complete transparency.

Measure S is **not** the District's only option for improving facilities. TVUSD maintains approximately **\$120 million in General Fund balance** that may legally be used for construction and modernization. Instead of prioritizing those needs, approximately **85%** of the annual budget (\$450 million in 2026-2027) is devoted to salaries and benefits.

Supporters argue *“no funds can be used for salaries...”* Technically true—but incomplete. Every dollar raised through Measure S reduces pressure on the General Fund, allowing existing resources to continue funding escalating compensation instead of facility improvements.

The promised *“annual audits”* are nothing extraordinary. Every government agency undergoes routine financial statement audits. While necessary, those audits do **not** determine whether costs are reasonable, contracts are competitively priced, or taxpayer dollars are being spent efficiently.

Everyone supports safe schools and modern classrooms. The real question is whether Temecula families should bear heavier tax burden before the District demonstrates fiscal discipline, prioritizes existing resources, and starts coming clean about the true long-term cost of this bond!

ARGUMENT AGAINST MEASURE “S”

Vote NO on Measure S: This measure uses deceptive ballot language to deliberately hide the true costs from voters, rewards a blatant lack of fiscal discipline, and asks taxpayers to shoulder an even heavier financial burden despite rising cost-of-living.

1. Deceptive and Unacceptable Lack of Transparency

The ballot prominently highlights a \$215 million loan but completely buries the actual repayment cost of **\$383 million** over 30 years of crushing interest. TVUSD actively withheld this information from the ballot statement because it knows voters would reject it. This intentional lack of disclosure is completely unacceptable.

2. Rewarding Fiscal Mismanagement

TVUSD’s massive \$450 million annual budget (2026-2027) allocates a staggering 85% for salaries and benefits. While student enrollment steadily drops, compensation keeps skyrocketing — including excessive bonuses approved for administrators on the same date as the bond. **This is the height of gall.**

TVUSD is treating homeowners like an endless ATM, while holding approximately \$120 million in General Fund balance (6/30/26) that state law allows for use on repairs and modernization. Furthermore, Temecula taxpayers are *still* paying off a previously depleted TVUSD bond (ostensibly used for the same purpose).

3. Extravagant Taxation Without Justification

Temecula families shoulder one of the highest tax burdens in America. Nearly half (45%) of local property tax already funds public education, while California pours a massive \$20,000 per student into schools. With costs of housing, groceries, insurance, and utilities at historic highs, asking homeowners for another tax is completely out of touch.

Conclusion: No Accountability, No New Taxes

True support for our schools requires accountability, responsible budgeting, and total honesty. TVUSD has proven it lacks fiscal discipline, refuses to control spending, and cannot be trusted to be fully transparent with our community. **Vote NO on Measure S.**

REBUTTAL TO ARGUMENT AGAINST OF MEASURE “S”

The opposition relies on recycled claims used against school bond measures across the region, regardless of the local facts or the unique needs of each community. Tellingly, their argument never once mentions students, because their priority is political rhetoric, not our kids or our community.

Measure S is a smart, fiscally responsible investment based on transparent public planning, documented facility needs, and community input:

Fact: Many TVUSD schools are approaching 40 years old. Measure S replaces aging portables with permanent classrooms, modernizes classrooms and career technical education facilities, and improves student safety and comfort during extreme summer heat.

Fact: Good schools directly protect local home values. Continuing to pour taxpayer money into maintaining 30-year-old portable classrooms is a colossal waste of funds.

Fact: Our District completed a transparent public Facilities Master Plan, updated this year, to identify the needs of every school. The full plan is available to review at <https://www.tvusdplan.org/>.

Fact: Claims that repayment information was “hidden” are simply false. State law requires independent fiscal analyses, tax rate information, and ballot materials to be publicly available for every voter.

Fact: Measure S provides locally controlled funding that stays 100% in TVUSD. It cannot be taken by the State and includes a legally binding project list, independent citizens’ oversight, and annual public audits.

Don’t let misinformation distract from the real needs of our students and schools. The facts are clear. Measure S is a responsible investment in safe, modern schools for Temecula students today and for generations to come. Vote YES on Measure S.

MEASURE “A” - RIVERSIDE COUNTY
RIVERSIDE COUNTY TRANSPORTATION IMPROVEMENT PLAN
EXPENDITURE PLAN

The Transportation Improvement Plan for Riverside County was first approved by Riverside County voters in 1988 through Measure A and renewed again in 2002. Measure A established a County-wide half-cent retail transactions and use tax to provide a dedicated, locally controlled source of funding for transportation improvements and services throughout Riverside County. Administration of Measure A and the Expenditure Plan is the responsibility of the Riverside County Transportation Commission (“Commission” or “RCTC”).

To maintain a reliable local funding source for transportation improvements, the Commission has approved this updated Riverside County Transportation Improvement Plan (“Plan,” or “Expenditure Plan”) for the purpose of renewing Measure A (Measure). There is no increase to the existing sales tax rate. A renewed Measure will continue to provide funding for local transportation improvements and services across Riverside County.

If approved by Riverside County voters, the renewed Measure would continue the existing half-cent sales tax within the incorporated and unincorporated areas of Riverside County, with revenues dedicated exclusively to transportation purposes as defined in this Expenditure Plan.

Chapter 1: Continued Funding for Transportation Improvements for Riverside County Residents

1.1 *Growing Demands on Infrastructure*

Since the first renewal of Measure A in 2002, Riverside County has experienced significant population growth, increased congestion, and rising transportation construction costs. State and federal funding has not kept pace with these demands. Residents continue to prioritize road repair, congestion relief, and reliable public transportation services. The Plan is intended to address these mobility challenges and invest in projects that benefit residents, businesses, and communities throughout the county.

1.2 *No Increase to Current Measure A Sales Tax Rate*

The updated Plan does not raise the existing Measure A sales tax rate. Instead, it renews the existing half-cent sales tax to continue providing a locally controlled funding source for transportation improvements until ended by voters. Measure funds will continue to be invested locally for the benefit of Riverside County, and will supplement, not replace, state and federal transportation funding.

Chapter 2: A Renewed Measure: Goals and Objectives

2.1 *Moving Transportation Projects Forward*

The Plan will help accelerate transportation projects and maintain public transportation services. This approach allows projects to be delivered using today’s dollars, generating cost savings by avoiding future construction cost escalation.

The Plan, if approved by Riverside County voters, includes projects that:

- Improve the condition of existing roads and repair potholes;
- Improve highways, including Interstates and State Routes;
- Improve regional roads and interchanges;
- Maintain bus transit and passenger rail services;
- Keep bus fares low for residents who rely on public transportation services;
- Partner with employers to enhance workforce mobility and shift to sustainable commuting;
- Accelerate completion of transportation projects that address population growth and emergency response;
- Maintain existing local funding for transportation infrastructure, capital acquisition, rolling stock, and services for the benefit of residents, cities, and unincorporated communities of Riverside County;
- Enhance Riverside County’s ability to secure state and federal funding for transportation by offering local matching funds; and
- Provide funding for the maintenance and improvement of local streets and roads in the cities and unincorporated areas of the County.

2.2 *Provide for Regional Equity in the Distribution of Measure Revenues*

The Plan recognizes the three distinct subregions of Riverside County and provides that revenues raised by the Plan in each subregion remain there and cannot be moved to other parts of the county:

- Palo Verde Valley (includes the City of Blythe and surrounding unincorporated areas);
- Coachella Valley (includes the Cities of Cathedral City, Coachella, Desert Hot Springs, Indian Wells, Indio, La Quinta, Palm Desert, Palm Springs and Rancho Mirage, as well as portions of the Salton Sea area, including surrounding unincorporated areas); and
- Western Riverside County (includes the Cities of Banning, Beaumont, Calimesa, Canyon Lake, Corona, Eastvale, Hemet, Jurupa Valley, Lake Elsinore, Menifee, Moreno Valley, Murrieta, Norco, Perris, Riverside, San Jacinto, Temecula, Wildomar and surrounding unincorporated areas).

The subregions are defined in greater detail on the attached map and in Chapter 5.

The Plan addresses the unique transportation needs of each subregion, including small, rural, and disadvantaged communities, while maintaining a balanced investment strategy across highways, public transportation, and local streets and roads.

Chapter 3: Taxpayer Accountability Provisions

Funding and implementing the projects in the Expenditure Plan will occur in compliance with applicable accounting standards.

3.1 *Legal Dedication of Tax Revenue Solely for Transportation Purposes*

Funds generated by the Measure, net of the amount of administrative fees paid to the California Department of Tax and Fee Administration (CDTFA) for tax collection, may only be used for transportation purposes as described in the Ordinance governing this Plan. Transportation purposes include but are not limited to the construction, capital acquisition, maintenance, and operation of streets, roads, highways, including state highways, and public transit systems, expenditures for the planning, environmental reviews, engineering and design costs, administration, including legal actions related thereto, and related environmental mitigation and related right-of-way acquisition to implement the transportation investment categories listed in the Expenditure Plan.

3.2 *Mandatory Annual Financial Audit*

The Commission shall conduct an independent annual financial audit of all Measure revenues and expenditures to confirm compliance with this Plan and the Ordinance. The audit shall report on whether expenditures have been made in accordance with this Plan and shall be made available to the public. In addition, the audit shall determine compliance with the Maintenance of Effort requirements for each jurisdiction in receipt of local streets and roads funding along with the requirements described in Section 2.VIII of the Ordinance.

3.3 *Transparency and Openness*

Implementation of the Plan shall comply with applicable transparency, disclosure, and open meeting laws.

3.4 *Mandatory Plan Update*

Through a public process, RCTC must formally review this Plan at least every ten (10) years after it takes effect to consider adjusting the Plan to reflect the current and anticipated priorities of Riverside County's residents. If RCTC wishes to amend the Plan after its review or at any other point in time, RCTC must follow current state law and as provided in Section 2.V(B) of the Ordinance to do so.

3.5 *Local Control*

No funds from the Measure can be diverted to Washington, D.C. or Sacramento. State and federal governments cannot legally divert, take, or direct funds raised through this local plan and its governing ordinance.

3.6 *Limitations to Administrative Costs*

Administrative costs shall be limited such that not more than one percent (1%) of the annual net amount of revenues raised by the tax may be used to fund the administrative salaries and benefits of the staff of the

commission in administering the programs funded from that tax.

Any portion of the administrative salaries and benefits allocation not expended in a fiscal year may be carried forward and expended in subsequent fiscal years, provided that: (i) no carried-forward amount shall remain available for expenditure more than five (5) fiscal years after the fiscal year in which the revenues were originally collected; and (ii) cumulative salaries and benefits expenditures shall not exceed one percent (1%) of total revenues collected pursuant to the Measure.

3.7 *Term of Ordinance and Expenditure Plan*

The Ordinance and Expenditure Plan shall remain in effect until ended by Riverside County voters; provided that the tax shall continue to be collected while bonds or any other financing arrangement is outstanding as further set forth in the Measure.

Chapter 4: Transportation Investments to Be Funded

Measure revenues shall be allocated by the Commission to fund transportation improvements, operations, capital acquisitions, maintenance, repair, mitigation, and related right-of-way acquisition within or benefiting Riverside County. Funds shall be returned to the Western Riverside County, Coachella Valley, and Palo Verde Valley geographic subregions in proportion to the funds generated in those areas. Furthermore, funds generated by this Measure may also be applied to projects listed in the 2009 Measure A Expenditure Plan and debt service on bonds or similar securities issued to finance such projects.

The Expenditure Plan includes three (3) funding categories to support transportation infrastructure and services, including:

- Highways and Regional Corridors;
- Local Streets and Roads; and
- Public Transportation.

4.1 *Highways and Regional Corridors*

Funds may be used to improve interstates, state routes, and regional corridors which enhance mobility and support the economy.

Eligible projects may include, but are not limited to, grade separations where roads intersect rail lines; roadway operational improvements and modernization, including the use of new technology; new regional roadway connections; interchange improvements; and associated environmental mitigation and property acquisition. Funding may also be used for constructing, reconstructing, widening, realigning, or improving regional arterial and expressway corridors that support travel across multiple jurisdictions, help relieve congestion on existing highways and local roads, and improve safety.

4.2 *Local Streets and Roads*

Funds will be provided to cities and the County for the maintenance and improvement of the local street and road system. These investments are intended to maintain roadway conditions, improve safety, and support the reliable movement of people and goods within local communities throughout Riverside County.

Eligible uses may include pothole repair; pavement maintenance and rehabilitation; traffic signal and intersection improvements; safety enhancements; bridge and railroad crossing improvements; infrastructure improvements to address flooding and natural hazards; and improvements that enhance accessibility for individuals with disabilities. Local Streets and Roads funding may also support sidewalks, bicycle facilities, pedestrian safety improvements, traffic calming measures, and other related infrastructure that improves safety and access within the local transportation network.

A Maintenance of Effort requirement of city and county governments is required for their share of Local Streets and Roads funds so that new funds provided under this category are intended to supplement, not replace, existing local transportation funding. Local agencies would retain control over project selection and delivery, consistent with the Expenditure Plan and applicable requirements.

4.3 *Public Transportation*

Funds may be used for transit services, facilities, and integrated mobility services benefiting Riverside County.

Eligible uses include bus, passenger rail, and specialized transit operations, mobility management, and first/last-mile connections; and capital investments to maintain, rehabilitate, and modernize public transportation systems. Eligible capital investments may include transit stations and facilities; passenger rail and bus corridors; passenger amenities; parking and access improvements; signals and supporting infrastructure; fleet acquisition and replacement; and associated equipment and facilities, including technologies. Public Transportation funding may also support a range of service strategies, including fixed-route, express/rapid transit service, on-demand transit services, and carpool and vanpool programs, including employer-based commuter programs, and other shared mobility options. Public Transportation funds will continue to provide transit services and keep bus fares low for seniors, veterans, students, and individuals with disabilities.

Chapter 5: Transportation Investments by Region

Funds from the Measure are allocated by category within each of the three geographic subregions.

5.1 Western Riverside County

As of 2026, Western Riverside County includes the cities of Banning, Beaumont, Calimesa, Canyon Lake, Corona, Eastvale, Hemet, Jurupa Valley, Lake Elsinore, Menifee, Moreno Valley, Murrieta, Norco, Perris, Riverside, San Jacinto, Temecula, and Wildomar. It also includes unincorporated communities and less populated areas, as well as tribal lands of the Pechanga Band of Luiseño Indians, the Soboba Band of Luiseño Indians, the Cahuilla Band of Mission Indians, the Ramona Band of Cahuilla, the Santa Rosa Band of Cahuilla Indians, and the Morongo Band of Mission Indians.

The proportional funds generated in Western Riverside County shall be distributed as set forth in the table below:

WESTERN RIVERSIDE COUNTY ALLOCATION OF FUNDS	
INVESTMENT CATEGORY	PERCENT
Highways and Regional Corridors	59%
Local Streets and Roads	29%
Public Transportation	12%

5.1a Highways and Regional Corridors

Fifty-nine percent (59%) of the Measure revenues are identified for the Highways and Regional Corridors category which is estimated to provide approximately \$5.56 billion over a thirty (30) year planning horizon.

The Highways and Regional Corridors category focuses on the transportation facilities that experience congestion and travel delays for Western Riverside County residents and businesses. Examples include but are not limited to Interstates (I) 10, 15, and 215 and State Routes (SR) 91 and 60. These corridors carry high traffic volumes, connect communities across the region, and play an important role in quality of living, emergency response, and economic vitality.

The Highways projects to be implemented are as follows:

ROUTE	LIMITS	PROJECT
SR-91	Pierce Street to I-15	Add 1 lane each direction
SR-71	SR-91 to San Bernardino County line	Add 1 lane each direction
I-215	SR-60 to San Bernardino County line	Add 1 lane each direction
I-215	Eucalyptus Ave to Nuevo Road	Add 1 lane each direction

I-15	El Cerrito Road to San Diego County line	Add 1 lane each direction
I-10	San Bernardino County line to SR-60/I-10/SR-79	Add 1 lane eastbound
I-10/SR-60	SR-60 to I-10	Interchange improvements, including at SR-79/I-10; corridor improvements
SR-91, SR-60 I-15, I-215	Various	Add auxiliary lanes
SR-91	SR-241 to SR-71	Add 1 lane westbound and eastbound

This Highways and Regional Corridors section of the Expenditure Plan is intended to be considered the state highway and freeway portion. The specific projects to be funded in the Highways section shall also include installation, integration, and operation of freeway active traffic management technology; emerging technology and other innovative mobility improvement programs or projects; coordinated adaptive ramp metering; and new auxiliary lanes on SR-91, SR-60, I-10, I-15, and I-215 in the Western Riverside County portion of the Expenditure Plan.

In support of Regional Corridors, funding may be used to construct, reconstruct, widen, realign, or improve regional arterial and expressway corridors. Projects may include but are not limited to the development of new regional roadway connections; modernization of existing arterials to increase capacity and safety; construction of grade separations where roads intersect rail lines; construction or reconstruction of interchanges; corridor improvements that enhance traffic flow and regional connectivity; and implementation of bicycle, pedestrian, and public transportation features. Regional corridors projects eligible for funding include but are not limited to Mid County Parkway (Ramona Expressway) and the new County Expressway between Winchester and San Jacinto (commonly referred to as SR-79 Realignment).

City/County- Sponsored Projects

The Commission may annually allocate revenues generated within this category for eligible highway, interchange, or regional corridor projects sponsored by one or more cities or the County. The percentage allocation shall be established by the Commission in the first fiscal year of the Measure and may thereafter be revised no more frequently than once every ten (10) years; provided, however, that in no event shall such percentage exceed nine percent (9%) in any fiscal year.

Projects funded pursuant to this provision may be eligible for matching funds from the Transportation Uniform Mitigation Fee ("TUMF") program administered by the Riverside County Transportation Commission (RCTC) and shall advance regional objectives such as safety, connectivity, goods movement, or mobility.

Examples of Regional Corridors eligible for funding include but are not limited to:

- Alessandro Boulevard
- Arlington Avenue
- Beaumont Avenue
- Bundy Canyon Road
- Cabazon Connector
- Cajalco Road
- Cherry Valley Boulevard
- Clinton Keith Road
- Domenigoni Parkway
- Elsinore Ethanac Expressway
- Ethanac Road
- French Valley Parkway
- Highland Springs
- Keller Road
- Limonite Avenue
- Magnolia Avenue
- Murrieta Hot Springs Road
- Perris Boulevard
- Redlands Boulevard Widening
- Scott Road
- University Avenue (Riverside)
- Van Buren Boulevard
- Winchester Road

The Plan will improve traffic flow by building new infrastructure, implementing new technology, and continuing to utilize Freeway Service Patrol to reduce delays by providing roving tow trucks to quickly assist motorists when accidents occur or vehicles break down.

The final scope and project limits of all improvements proposed in the Highways and Regional Corridors category will be determined through the environmental review process.

The Commission may add additional Highways projects should the Measure produce more revenue than predicted or the Commission be highly successful in obtaining state and federal matching funds or due to unforeseen circumstances.

State and federal funds will be sought to assist with the total cost of the projects identified in this Plan. Funds generated by the Measure will be leveraged to supplement those funding sources and will be used as local matching funds to help cover the remaining costs to accomplish these improvements.

5.1b Local Streets and Roads

Twenty-nine percent (29%) of the Measure revenues will be returned to local cities and the County for the unincorporated areas of Western Riverside County for local streets and roads improvements. The local streets and roads system provides for everyday movement in Western Riverside County with much of the road system aging, requiring maintenance, and in need of operational improvements. The Measure will provide local jurisdictions with funding to help keep the local streets and roads system in good condition to serve the public. The priorities for local transportation vary among individual local jurisdictions. Local Streets and Roads funds can be used for transportation projects as designated by this Plan.

The Plan will provide an estimated \$2.8 billion specifically for this purpose over a thirty (30) year planning horizon. The funds made available in the Western Riverside County area will be distributed to the cities and the County by a formula based 75% on proportionate population and 25% on revenues generated by Measure A. A Five-year Capital Improvement Plan ("CIP") for the use of these funds will be prepared annually by each city and the County and submitted to RCTC.

Eligibility for these funds shall be conditioned on the participation and compliance in the TUMF and Multiple Species Habitat Conservation Plan ("MSHCP") programs, per Section 2.IX of the Ordinance.

Examples of local streets and roads projects include:

- Pothole repair and road maintenance
- Traffic calming measures and other road safety improvements
- Road widening or lane additions
- Sidewalks and pedestrian infrastructure
- Traffic signal synchronization
- Railroad crossing safety improvements, including separating where roads intersect with railroad tracks
- Bridge repairs and rehabilitation

5.1c Public Transportation

Twelve percent (12%) of the Measure revenues are identified for maintaining reliable public transportation in Western Riverside County. With some of the longest commute distances in Southern California, Western Riverside County residents require passenger rail, express bus, local transit, and ridesharing options to access employment centers, schools, healthcare, and other destinations.

This Measure will provide an estimated \$1.1 billion of Measure funds over a thirty (30) year planning horizon to maintain passenger rail and transit services, including frequency and reliability. Investments may support commuter services and ridesharing programs, rail service on the Metrolink system, express bus connections, and first- and last-mile improvements. This Expenditure Plan also prioritizes keeping bus fares low for seniors, veterans, students, and individuals with disabilities. The Citizens and Specialized Transit Advisory Committee, with representatives from these populations, will assist RCTC in administering the program.

Passenger Rail

Riverside County is home to several railroad rights-of-way that connect Riverside County communities. These rail lines serve as a public transportation backbone for our region. Funds for the Plan are eligible to be used for, but are not limited to:

- Maintaining and expanding passenger rail service frequency on existing commuter rail (Metrolink) lines
- Maintaining or constructing new or additional railroad tracks and supporting infrastructure within existing rail rights-of-way to allow more trains to operate and to increase efficiency and on-time performance of trains
- Constructing new rail stations
- Maintaining and enhancing security and safety at rail stations

Bus

The Plan will invest in intercity express bus service and provide a reasonable alternative to the automobile for daily commuters who travel within the region. Eligible investments include, but are not limited to:

- Improving safety and security on buses and at transit facilities
- Procuring buses and funding related capital, maintenance, and operation costs
- Roadway technologies that improve bus travel times
- Improving access to and from schools, colleges, and universities and employment centers

Specialized Transportation

This Plan also invests in specialized transportation providers that serve seniors, veterans, students, individuals with disabilities, and rural and underserved communities.

Specialized transit eligible investments include, but are not limited to:

- Additional paratransit-type services to serve areas without public transit options to improve quality of life and access to employment, medical, and educational opportunities
- Expansion of destinations and hours of operation to complement public transit operators for paratransit services such as Dial-A-Ride

Commuter Services, Ridesharing, Vanpools, Buspools, and Park-N-Ride

Funds will be used for programs and services that encourage alternative forms of travel across commuter and non-commuter trips. This may include trip planning applications and rideshare matching databases, incentive-based and employer programs, park-n-rides, vanpools, buspools, and on-demand and similar-type services.

5.2 Coachella Valley

The Coachella Valley area is in the central part of Riverside County and, as of 2026, includes the cities of Cathedral City, Coachella, Desert Hot Springs, Indian Wells, Indio, La Quinta, Palm Desert, Palm Springs, and Rancho Mirage. It also includes unincorporated areas as well as tribal lands of the Agua Caliente Band of Cahuilla Indians, the Augustine Band of Cahuilla Indians, the Cabazon Band of Mission Indians, the Torres Martinez Desert Cahuilla Indians, and the Twenty-Nine Palms Band of Mission Indians.

The Coachella Valley Association of Governments (CVAG) establishes its priorities according to the Transportation Project Prioritization Study (TPPS), which is a data-based method of prioritizing all regional projects in the Coachella Valley. Project priorities are based on criteria adopted by the CVAG Executive Committee and publicly reviewed by elected officials representing every CVAG member jurisdiction.

The TPPS is updated as the Coachella Valley's population grows and becomes more diverse. TPPS updates address evolving mobility challenges, new technologies, state and federal policy, and worldwide climate and economic trends. The TPPS is designed to give flexibility to changing circumstances and help identify projects in the Coachella Valley that include:

- Improving traffic flow and reducing congestion on Highway 111;

- Adding/improving interchanges on I-10 and SR-86;
- Providing funding for local streets and roads improvements;
- Improving safety and visibility at major intersections and arterial roads;
- Reducing congestion by improving major roadways identified as important by local governments in the Coachella Valley;
- Providing express east-west transit routes; and
- Improving and expanding public and specialized transit service.

Projects may also include, but are not limited to, development of new regional roadway connections; modernization of existing arterials to increase capacity and safety; construction of grade separations where roads intersect rail lines; corridor improvements that enhance traffic flow and regional connectivity; and implementation of bicycle, pedestrian, and multi-modal transportation features. Funding may be used to construct, reconstruct, widen, realign, maintain, or operate regional arterial corridors.

The proportional funds generated in the Coachella Valley shall be distributed as set forth in the table below:

COACHELLA VALLEY ALLOCATION OF FUNDS	
INVESTMENT CATEGORY	PERCENT
Highways and Regional Corridors	50%
Local Streets and Roads	35%
Public Transportation	15%

CVAG annually certifies member jurisdictions' compliance with the Coachella Valley's TUMF program and the Coachella Valley Conservation Commission ("CVCC") certifies compliance with the Coachella Valley Multiple Species Habitat Conservation Plan ("CVMSHCP"). As of the adoption of the Ordinance, all Coachella Valley cities and the County of Riverside are compliant with both the TUMF program and CVMSHCP. Measure revenues shall only fund projects in jurisdictions that continue to be compliant with the TUMF and CVMSHCP programs. For funds generated by this Measure, CVAG shall not enter into reimbursement agreements with CVAG member jurisdictions or other agencies if they are not found to be compliant in the annual CVAG/CVCC certifications. The CVAG Executive Committee may override these compliance requirements by a two-thirds vote of its total membership during a noticed public hearing when it is determined that a project's regional transportation, safety, and/or environmental needs take precedence over one or more agencies' TUMF/CVMSHCP compliance.

5.2a Highways and Regional Corridors

Fifty percent (50%) of the Measure revenues will be utilized for highways and regional corridors. This Measure will provide an estimated \$1.2 billion of Measure funds over a thirty (30) year planning horizon. This segment of the Plan will be implemented by CVAG. The TPPS serves as the CIP for the Coachella Valley section of this Expenditure Plan. Funding for TPPS projects follows CVAG's cost-sharing policy that requires a local match for local and regional projects to unlock regional funding.

The TPPS has included projects to substantially improve connections to federal and state freeways and highways, particularly I-10, Highway 111, SR-74, SR-62, and SR-86. Upgrades to existing interchanges as well as new interchanges, such as Portola Street in Palm Desert, are planned and are awaiting funding to be constructed. This Plan will also allow for improvements such as express lanes on I-10. Such facilities will make it safer and more reliable to travel along I-10. Additionally, the TPPS will include grade separations and interchanges for SR-86, including a new bridge at Avenue 50, and improving other areas where high numbers of accidents and fatalities occur. The TPPS process is flexible enough to incorporate improvements to connecting regions, including SR-62 and SR-74. Additionally, the Plan includes funding to substantially improve the overall condition of these roads as CVAG works in partnership with Caltrans. The Freeway Service Patrol could be expanded to I-10 in the Coachella Valley to quickly clear incidents from the freeway and keep traffic flowing.

The final scope and project limits of all improvements proposed in the Highways and Regional Corridors category will be determined through the environmental review process.

5.2b Local Streets and Roads

Thirty-five percent (35%) of the Measure revenues will be returned to the cities and the county in the Coachella Valley and shall be used to assist with the funding of local streets and roads improvements. This Measure will provide an estimated \$800 million of Measure funds over a thirty (30) year planning horizon. These funds will supplement existing federal, state, and local funds. Local street improvements adjacent to new residential and business developments will continue to be paid for by developers.

Allocation of funds to the cities and the County will be based on a formula weighted 50% on proportionate dwelling units and 50% on revenues generated within each jurisdiction. A Five-year Capital Improvement Plan for the use of these funds will be prepared and annually updated with public participation by each city and the County.

Eligibility for these funds shall be conditioned on the participation and compliance in the TUMF and CVMSHCP programs, per Section 2.IX of the Ordinance. If a city or the County chooses not to participate and be in compliance in TUMF or CVMSHCP and related impact fee programs, the funds they would otherwise receive for Local Streets and Roads will be added to the Highways and Regional Corridors program.

5.2c Public Transportation

Fifteen percent (15%) of the Measure revenues will be used for transit operations and capital needs, including maintaining, improving, and expanding public transit and specialized transportation services. This Measure will provide an estimated \$300 million of Measure funds over a thirty (30) year planning horizon.

Discount Fares and Expanded Transportation Services for Seniors, Students, and Individuals with Disabilities

For seniors, students, and individuals with disabilities, access to healthcare, social services, education, and recreation is a key to quality of life. SunLine Transit Agency offers a full array of public transit and specialized transportation services, including reduced fares for eligible riders.

Specialized Transportation Services

In addition to providing public transit service (SunBus), paratransit service (SunDial), microtransit service (SunRide) and commuter service to San Bernardino, SunLine Transit Agency offers specialized transportation services to Coachella Valley residents and visitors. These services can include programs that provide discounted services; specialized transit services that expand opportunities beyond paratransit service and fixed routes; and coordination of transportation services offered by many non-profit social service organizations. Measure funds will assist these programs and other types of specialized transportation services which may be implemented.

Bus Replacement and More Frequent Service

Public bus transportation offers communities many benefits including reducing traffic congestion, wear and tear on roads, and parking demand while helping to lower emissions. By providing access to schools, jobs, and other destinations, it is also a vital force in economic development. This is especially true in the Coachella Valley where the majority of SunBus riders rely on bus service to get to work and/or school. Measure funds can be used to maintain and increase service levels and replace and modernize SunLine's fleet and infrastructure. SunLine's vehicles operate on clean and alternative fuels, creating a healthier community while increasing access.

5.3 Palo Verde Valley

The Palo Verde Valley area is located in the easternmost part of Riverside County. It is geographically separated from the Western Riverside County and Coachella Valley areas. The population of the area is relatively small and significant growth over the next 30 years is not anticipated. The Palo Verde Valley is served by I-10, which provides adequate connections to the westerly portions of Riverside County and easterly to Arizona. The greatest need for the Palo Verde Valley is funding to adequately maintain and rehabilitate local streets and roads.

One hundred percent (100%) of the funding generated by the Measure returned to the Palo Verde Valley is to be used for local streets and roads. This Measure will provide an estimated \$60 million of Measure funds over a thirty (30) year planning horizon. Funds shall be distributed to the City of Blythe and the County of Riverside by formula. The formula distribution is based 75% on proportionate population and 25% on sales tax revenues generated in each area.

The Blythe City Council will have authority to set priorities and expend funds within the city limits and the County Board of Supervisors will have authority to expend funds in unincorporated areas of the Palo Verde Valley.

PALO VERDE VALLEY ALLOCATION OF FUNDS	
INVESTMENT CATEGORY	PERCENT
Local Streets and Roads	100%

Investments made by the City of Blythe and the County must be for transportation purposes for the benefit of Palo Verde Valley residents and must be approved in an open and transparent manner pursuant to open meetings laws. All revenues generated through the Measure in the Palo Verde Valley shall remain in the Palo Verde Valley and cannot be diverted to other areas of Riverside County. Funds shall be distributed to the City of Blythe and the County of Riverside proportionally, with sales tax revenues generated in each jurisdiction returning to its respective source.

A Five-year Capital Improvement Plan for the use of these funds will be individually prepared and annually updated by the City of Blythe and the County and submitted to the Commission.

Chapter 6: Bond Financing

To expedite the delivery of transportation projects identified in the Plan, the Commission may, pursuant to applicable provisions of law, issue bonds or otherwise incur indebtedness, including through financing agreements, leases, lines of credit, or other lawful financing instruments, payable from Measure revenues.

This Ordinance authorizes the Commission, by resolution or other separate action, to determine the form, timing, amount, and terms of such indebtedness, provided that the obligations do not exceed projected Measure revenues and are used solely for purposes authorized under the Ordinance and the Plan.

Revenues generated by the renewal of Existing Measure may also be utilized to pay debt service on bonds and other obligations issued prior to the operative date of this Measure and bonds or other obligations subsequently issued for refunding purposes.

Chapter 7: Estimated Measure Revenue Generation per Region

ESTIMATED MEASURE REVENUE GENERATION*	
Western Riverside County*	\$9,460,000,000
Coachella Valley*	\$2,300,000,000
Palo Verde Valley*	\$60,000,000
TOTAL	\$11,820,000,000
*Economic Forecast estimates approximately \$11.82 billion for a 30-year planning horizon. Note each geographic subregion's estimated amounts are rounded for presentation purposes.	

This chart shows the estimated proportional distribution of tax revenues estimated to be generated from each of the three geographic subregions that would be used to implement investments of the Plan.

Chapter 8: Flexibility to Expedite Projects

To deliver transportation projects more quickly for the benefit of Riverside County residents, visitors, and businesses, Measure revenues may temporarily be reallocated among projects or categories to expedite delivery, provided that long-term proportional allocations required by this Plan are maintained unless amended

pursuant to law and Section 2.V of the Ordinance. The Commission, in allocating the annual revenues from the Ordinance, shall meet all debt service requirements prior to allocating funds for other projects.

Chapter 9: Informing the Public of Local Funding Support

All projects funded with \$1 million or more of Measure revenues shall be required to inform the public that Measure revenues support the project.

Chapter 10: Severability Provisions

If any provision of this Plan, or the application thereof, is for any reason held invalid and unenforceable by a court of competent jurisdiction to a person or circumstance, the remainder of the Plan and the application of such provision to other persons or circumstances shall not be affected thereby, and the Commission declares that it would have passed each part of this Plan irrespective of the validity of any other part.

Chapter 11: Provisions for Population and Taxable Sales Estimates

Annual population estimates produced by the California Department of Finance are relied upon in determining the distribution formula funds for the Local Streets and Roads portion to cities and the County.

Actual retail sales tax transactions provided by the California Department of Tax and Fee Administration will be used to determine taxable sales in each of the three specific geographic subregions. The Riverside County Planning Department shall estimate the share for each of the unincorporated areas for the three subregions, from the total retail sales transactions for the total unincorporated area.

IMPARTIAL ANALYSIS OF MEASURE "A"

Riverside County Traffic Relief, Pothole/Road Repair Investment Renewal

The purpose of Measure A is to enable voters to enact or reject the extension of the transactions and use tax ("Special Sales Tax") to fund transportation improvements at the existing rate of one-half percent (1/2%) until ended by voters. The Riverside County Transportation Commission ("Commission"), by adopting Resolution No. 26-011 ("Resolution"), elected to call an election to place this Measure on the ballot.

Measure A was initially approved by voters in 1988 and authorized a levy of retail transactions and use tax. In 2002, Measure A was extended for an additional thirty years by voters. The existing Measure A is set to expire in 2039. Since 1988, Measure A provided for Riverside County's transportation funding source and provided for transportation improvements such as highway and freeway projects, local streets and road projects, and public transportation services.

The Special Sales Tax would continue to be allocated among three funding categories: (1) Highways and Regional Corridors; (2) Local Streets and Roads; and (3) Public Transportation within Riverside County. Funding will be leveraged to maximize state and federal investments.

Measure A provides for the Commission to conduct an annual independent financial audit of the proceeds of the Special Sales Tax. An independent taxpayers oversight committee has been established and shall review the annual audit of the Commission.

For this Measure to be approved, at least two-thirds (2/3) of qualified voters who vote on the Measure must vote yes.

A "YES" vote on Measure "A" is a vote to allow the extension of the Special Sales Tax at the existing rate of one-half percent until ended by voters.

A "NO" vote on Measure "A" is a vote to reject the extension of the Special Sales Tax at the existing rate of one-half percent until ended by voters.

ARGUMENT IN FAVOR OF MEASURE “A”

Vote Yes on A to cut traffic, speed up road repairs, and make it cheaper, faster, safer and easier to get around Riverside County — without raising taxes.

We suffer some of the worst traffic jams in the country. We waste too much time and gas idling in cars, stuck in traffic. Bad roads and potholes cost the average family \$2,500 a year in blown tires, cracked windshields and other repairs - at a time when too many families live paycheck to paycheck. And long traffic jams make air quality worse.

It's time for action. Vote Yes on A for a real, local solution that won't raise taxes.

Vote Yes on A to fix roads and speed up traffic:

- Fix thousands of potholes and bad roads throughout Riverside County, including major freeways
- Speed up highway improvement and road repair projects
- Fix bottlenecks that snarl traffic
- Upgrade and repair almost 500 aging, deteriorating bridges
- Reduce cost and commute times for people who travel long distances for work
- Keep transit affordable, safe, clean and reliable for senior citizens and people with disabilities
- Create thousands of good-paying, local jobs across the county

Vote Yes on A for strict fiscal accountability, transparency, and local control:

- All funds must be used only for easing traffic jams, fixing roads and improving transportation in Riverside County
- No funds can be taken by state or federal government, or pulled away to LA
- Required independent oversight and annual audits to ensure funds are spent as promised
- Funds cannot be used for any other purpose

Riverside County is one of the fastest growing counties in the nation. We can't wait any longer for these problems to get worse and more expensive to fix.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “A”

The proponents claim Measure A will “cut traffic, speed up road repairs, and make it cheaper, faster, safer and easier” to get around Riverside County.

But Measure A has been doing exactly what proponents now promise for nearly four decades.

Since 1988, Riverside County taxpayers have paid the half-cent transportation sales tax. RCTC reports Measure A has generated approximately **\$4.9 BILLION**. Yet Riverside County still suffers from severe congestion, deteriorating roads and major transportation bottlenecks.

The proponents themselves admit the problem: **“We suffer some of the worst traffic jams in the country.”** If decades of Measure A funding have failed to solve the problem, why should taxpayers surrender the existing sunset and make the tax permanent?

The proposed extension would continue the half-cent sales tax beyond 2039, with no new sunset date.

Taxpayers deserve results—not another promise that the next round of tax collections will finally fix problems previous collections were supposed to address.

Before committing future generations to an open-ended transportation tax, taxpayers should demand measurable results: reduced congestion, better-maintained roads, responsible spending and clear accountability.

Riverside County taxpayers have already paid BILLIONS. The question is whether they are getting the transportation system they were promised.

ARGUMENT AGAINST MEASURE “A”

VOTE NO ON MEASURE A — ENOUGH IS ENOUGH.

For nearly four decades, Riverside County taxpayers have paid the Measure A half-cent sales tax for transportation. Yet today, motorists still face some of Southern California’s worst congestion, deteriorating roads, potholes and increasingly expensive toll lanes.

Before extending this tax yet again, voters deserve accountability for the billions already collected and spent.

Measure A was first approved in 1988 and later renewed. Now voters are being asked to continue the tax beyond its current expiration date, effectively making this transportation tax an open-ended source of revenue.

Where are the results?

Drivers on the I-15 corridor through Temecula, the 91/15 interchange through Corona and major Riverside County commuter routes routinely face gridlock. Meanwhile, local streets and roads continue to require costly repairs and maintenance.

And taxpayers are increasingly confronted with toll lanes as an alternative to sitting in traffic. Residents already paying a sales tax for transportation should not have to pay additional, dynamically priced tolls simply to get through the traffic.

Supporters will point to individual projects completed with Measure A money. The question, however, is whether decades of taxation have produced a transportation system that adequately serves the people who paid for it.

VOTERS SHOULD NOT GIVE GOVERNMENT AN OPEN-ENDED TAX COMMITMENT WITHOUT DEMANDING BETTER RESULTS.

Vote NO on Measure A.

Send transportation officials back to the drawing board. Demand specific priorities, measurable congestion reductions, responsible spending, road maintenance and accountability before extending this tax again.

Vote NO on Measure A.

REBUTTAL TO ARGUMENT AGAINST OF MEASURE “A”

Measure A will bring real results, fund specific projects and improvements – and won’t raise taxes.

Those against Measure A have no plan for fixing roads and traffic. They simply hope things get better, without offering a solution.

Riverside County is one of the nation’s fastest-growing. Without Measure A, gridlock and air pollution will only get worse.

These locally-controlled funds have improved lanes and interchanges on the 15, 215, 60, 10, 71, 91 and every other major local road, filled millions of potholes, sustained vital daily transit for senior citizens and people with disabilities, and secured hundreds of millions in state and federal funds.

Measure A is a real plan for traffic and road improvement as the Inland Empire grows. Measure A includes strict oversight and accountability to make sure our tax dollars improve traffic and fill potholes.

Measure A is a real, local solution that won’t raise taxes.

Measure A has strict fiscal accountability, transparency, and local control:

- Required citizens oversight committee and annual audits to ensure funds are spent on our roads and bridges
- All funds must be used only for easing traffic jams, fixing roads and improving transportation in Riverside County
- No funds can be taken by state or federal government, or pulled away to LA
- Funds cannot be used for any other purpose

California Voter ID & Registration Requirements

Who Can Register to Vote in California?

To register, you must be:

- A United States citizen and a California resident
- 18 years or older on Election Day (or 16 or 17 years old to pre-register)
- Not currently serving a state or federal prison term for a felony
- Not currently found mentally incompetent to vote by a court

Do I Need to Show ID to Vote in California?

In most cases, NO. California does not generally require voters to show identification at the polls.

When MIGHT You Be Asked for ID?

You may need to show ID only if ALL the following apply:

- You're voting for the first time in a federal election
- You registered by mail or online, AND
- You did not provide your CA ID or SSN when registering

You'll be notified in advance if this applies to you.

Poll workers may only request an ID if the voter list clearly indicates it's required.

**For more information,
visit vote.ca.gov or
call our Voter
Hotline at (800) 345-
VOTE (8683).**

What Forms of ID Are Acceptable (if required)?

You can show a photo or non-photo ID, including:

- California Driver's License or State ID card
- U.S. Passport
- Student or Military ID
- Official mail from a government agency
- Paycheck or government check
- Utility bill or bank statement

For a complete list, see: www.sos.ca.gov/elections/hava-id-standards

Photo ID is not required, it's just one of many valid options. ID does not need to show your address or be government-issued.

Don't Have ID When Voting?

You can still cast a provisional ballot. Your ballot will be counted after elections officials have confirmed you are registered to vote in that county, and you did not already vote in that election.

ACCOMMODATIONS FOR VOTERS WITH DISABILITIES

All Vote Centers are accessible to voters who are physically disabled. Please be advised of the following alternate ways you may cast your ballot.

- **By Mail** - Your ballot must be received at the Registrar of Voters office no later than 8:00 p.m. on Election Day or be postmarked on or before Election Day and received no later than seven days after Election Day to be counted. You may request a Vote-by-Mail ballot for all future Elections. Simply contact the Registrar of Voters office by calling (951) 486-7200, (800) 773-VOTE (8683), California Relay Service (Dial 711).
- **Early Voting** - You may vote at the Registrar of Voters office October 5 - November 2, Monday through Friday (excluding Holidays), 8:00 a.m. to 5:00 p.m.; October 24 - October 25, 9:00 a.m. to 5:00 p.m., and October 31 - November 1, 9:00 a.m. to 5:00 p.m.; and Election Day, November 3, 7:00 a.m. to 8:00 p.m. Please visit our website at www.voteinfo.net for additional early voting locations and information.
- **Remote Accessible Vote by Mail Ballot (RAVBM)** - Accessible Vote-by-Mail provides an accessible option for voters to mark their ballots privately and independently. To complete a RAVBM ballot visit www.voteinfo.net. Your completed ballot and signed Oath of the Voter must be returned to the Registrar of Voters office no later than 8:00 p.m. on Election Day or be postmarked on or before Election Day and received no later than seven days after Election Day to be counted.
- **Curbside Voting on Election Day** - If you are unable to enter the location due to a physical disability, you may request Curbside Voting at any Vote Center. Curbside Voting doorbells and signs are available at all Vote Centers. If you require Curbside Voting assistance you may call (877) 663-9906 before going to a Vote Center and/or when you arrive at the facility. An Election Officer will be contacted prior to your arrival to meet you at the curb.
- **Large Print State Voter Information Guide** - If you prefer a large print State Voter Information Guide, you may request one by contacting the California Secretary of State's office at (800) 345-VOTE (8683), or by contacting the Registrar of Voters office at (951) 486-7200, (800) 773-VOTE (8683), California Relay Service (Dial 711).
- **Disability Rights California** will operate a statewide hotline on November 3, Election Day, from 7:00 a.m. to 8:00 p.m. The phone number is (888) 569-7955.
