ART TINOCO
REGISTRAR OF VOTERS

MATTHEW CEBALLOS
ASSISTANT REGISTRAR OF VOTERS

Dear County of Riverside Voter,

Election Day for the General Election is just around the corner on November 3, 2026! Your County Voter Information Guide is here, providing essential details for voting, including instructions on marking your ballot, candidate information, a sample ballot, and other important election details to review before you vote. **Tip:** You can mark your sample ballot and bring it with you to any Vote Center for easy reference.

Starting October 5, 2026, ballots will be mailed to all active registered voters in the County of Riverside. You can check your registration at voterstatus.sos.ca.gov or register at registertovote.ca.gov.

Vote at any Vote Center. We have more days and more ways to cast your ballot!

- **Returning Your Ballot:** You may drop off your ballot at any secure ballot Drop-Off location starting October 5, 2026, or mail your ballot via USPS (no postage needed).
- **Receiving Your Ballot:** Your ballot must be received by the Registrar of Voters by Election Day or postmarked on Election Day and received within seven days (November 10, 2026).
- **Tracking Your Ballot:** Register at WheresMyBallot.sos.ca.gov.

Early Voting: Vote in person at the Registrar of Voters office beginning October 5, 2026, from 8:00 a.m. to 5:00 p.m. Hours will change on October 24 - 25, and October 31 - November 1, when voting will be available from 9:00 a.m. to 5:00 p.m. For a list of locations and hours, visit voteinfo.net.

Election Day: All Vote Centers, including the Registrar of Voters office, will be open from 7:00 a.m. to 8:00 p.m.

The voter registration deadline is October 19, 2026. For more information or questions, call us at (951) 486-7200.

Thank you for participating in the democratic process!

Sincerely,

Art Tinoco
Registrar of Voters

Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices may still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California law requires the following information to be printed in this guide.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

médica, la seguridad pública y otros servicios esenciales durante las recesiones económicas. Impacto Fiscal: Las reservas presupuestarias del estado serían mayores. Partidarios: CA Professional Firefighters; LA Chamber of Commerce; Gavin Newsom; Xavier Becerra; Assemblymember Jesse Gabriel Opositores: Ninguno enviado	YES / SÍ ☐ NO / NO ☐	
3 PROVIDES PERMANENT FUNDING FOR SCHOOLS AND HEALTH CARE BY EXTENDING EXISTING TAX ON HIGH INCOMES. INITIATIVE CONSTITUTIONAL AMENDMENT. Makes permanent existing voter-approved tax rates for individuals earning over \$371,000 (adjusted annually for inflation). Allocates tax revenues to public education. Fiscal Impact: Maintains \$5 billion to \$15 billion of annual state income tax revenue by making a temporary tax increase on high-income earners permanent instead of letting it expire in 2031. Supporters: California Teachers Association; CA School Nurses Organization; California State PTA; Planned Parenthood Affiliates of CA Opponents: California Taxpayers Association; Family Business Association of California; California Hispanic Chambers of Commerce	YES / SÍ ☐ NO / NO ☐	
37 CREATES LOAN PROGRAM FOR MIDDLE-INCOME BUYERS OF QUALIFIED NEW HOMES. INITIATIVE STATUTE. Authorizes \$25 billion in bonds to offer eligible buyers fixed-rate mortgages for up to 17% of purchase price of a newly constructed home priced below about \$1.5 million. Borrowers must be California residents, occupy the home, meet income limits, and pay at least 3% down. Bonds repaid by mortgage payments, not State. Fiscal Impact: No direct state or local costs. Supporters: United Nurses Associations of California; California Conference of Carpenters; California State Treasurer Fiona Ma Opponents: None submitted	YES / SÍ ☐ NO / NO ☐	
37 CREA UN PROGRAMA DE PRÉSTAMOS PARA COMPRADORES DE INGRESOS MEDIOS DE VIVIENDAS NUEVAS CALIFICADAS. INICIATIVA DE LEY. Autoriza \$25 mil millones en bonos para ofrecer a los compradores elegibles préstamos hipotecarios con tasa de interés fija por hasta el 17 % del precio de compra de una vivienda de nueva construcción con un precio inferior a aproximadamente \$1.5 millones. Los prestatarios deben ser residentes de California, ocupar la vivienda, cumplir con los límites de ingresos y pagar al menos el 3 % de pago inicial. Los bonos se reembolsan mediante los pagos de las hipotecas, no por el estado. Impacto Fiscal: No hay costos directos para el estado ni para los gobiernos locales. Partidarios: United Nurses Associations of California; California Conference of Carpenters; California State Treasurer Fiona Ma Opositores: Ninguno enviado	YES / SÍ ☐ NO / NO ☐	
3 PROPORCIONA FINANCIAMIENTO PERMANENTE PARA LAS ESCUELAS Y LA ATENCIÓN MÉDICA EXTENDIENDO EL IMPUESTO EXISTENTE SOBRE LOS INGRESOS ALTOS. ENMIENDA CONSTITUCIONAL POR INICIATIVA. Hace permanentes las tasas impositivas vigentes aprobadas por los votantes para las personas con ingresos superiores a \$371,000 (ajustados anualmente por inflación). Asigna los ingresos fiscales a la educación pública. Impacto Fiscal: Mantiene entre \$5 mil millones y \$15 mil millones de ingresos anuales del impuesto estatal sobre la renta al hacer permanente un aumento temporal del impuesto para las personas con ingresos altos en lugar de permitir que venza en 2031. Partidarios: California Teachers Association; CA School Nurses Organization; California State PTA; Planned Parenthood Affiliates of CA Opositores: California Taxpayers Association; Family Business Association of California; California Hispanic Chambers of Commerce	YES / SÍ ☐ NO / NO ☐	
designado. Prohíbe votar en persona sin presentar una identificación oficial. Impacto Fiscal: Costos de entre decenas de millones y unos pocos cientos de millones de dólares al año para implementar los nuevos requisitos de votación. Partidarios: The Transparency Foundation; Latino American Political Assn; Howard Jarvis Taxpayers Assn; CA Women's Leadership Assn Opositores: ACLU California Action; Common Cause; League of Women Voters of California	YES / SÍ ☐ NO / NO ☐	
40 IMPOSES ONE-TIME TAX ON CERTAIN TAXPAYERS. INITIATIVE CONSTITUTIONAL AMENDMENT AND STATUTE. Imposes 5% tax on certain taxpayers with assets over \$1 billion; revenue primarily for health care. Exempts revenues from constitutional requirements for school funding and spending limit. Fiscal Impact: Temporary revenue increase of tens of billions of dollars spread over several years from wealth tax on billionaires. Possible ongoing decrease of less than \$1 billion per year in income tax revenue from billionaires. Supporters: US Senator Bernie Sanders; SEIU United Healthcare Workers West Opponents: California Primary Care Association; California School Boards Association; California Taxpayers Association	40 IMPONE UN IMPUESTO POR ÚNICA VEZ A CIERTOS CONTRIBUYENTES. ENMIENDA CONSTITUCIONAL Y LEY POR INICIATIVA. Impone un impuesto del 5 % a ciertos contribuyentes con activos superiores a \$1 mil millones; los ingresos se destinarán principalmente a la atención médica. Exime esos ingresos de los requisitos constitucionales relativos al financiamiento de las escuelas y del límite de gasto. Impacto Fiscal: Aumento temporal de los ingresos de decenas de miles de millones de dólares, distribuidos a lo largo de varios años, provenientes del impuesto sobre la riqueza de los multimillonarios. Posible disminución continua de menos de \$1 mil millones al año en los ingresos del impuesto sobre la renta provenientes de los multimillonarios. **CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
48TH CONGRESSIONAL DISTRICT**

JIM DESMOND, Republican
OCCUPATION: San Diego County Supervisor
EDUCATION AND QUALIFICATIONS:

Not for self, but for country. I took that oath at 19 years old when I joined the U.S. Navy, and it's the same oath I honor every day.

I'm Jim Desmond, a proud American, Navy veteran, Engineer, San Diego County Supervisor, retired Airline Pilot, former Mayor and local business owner who always answered the call to serve. Now I'm asking to represent you in Congress.

Making gas, groceries, utilities, and homes more affordable are my top priorities. I've balanced government budgets without raising taxes and will oppose tax increases in Congress. I focus on solving issues – not politics.

Washington and Sacramento lost the spirit of service and common sense. They fueled inflation by overspending, now families are priced out of their communities and prescription drug prices skyrocketed. You deserve better.

Healthcare should be more affordable and accessible, and I will fight to protect Social Security and Medicare.

We need more energy options, lower home interest rates, and to eliminate capital gains tax when you sell your home.

I've supported law enforcement and fought soft-on-crime policies pushed by a radical agenda. That's why I'm endorsed by several local law enforcement agencies.

As a Navy veteran, I know our veterans sacrificed for us. I'll fight to protect their benefits, cut VA wait times, and ensure every veteran and military family gets the care they've earned.

Not for self, but for country. That is why I serve and I'm honored to earn your support.

DesmondForCongress.com

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
48TH CONGRESSIONAL DISTRICT**

MARNI VON WILPERT, Democratic
OCCUPATION: City Councilwoman / Health Advocate / Public Safety Chair
EDUCATION AND QUALIFICATIONS:

Tired of out-of-control costs, a corrupt Congress and Washington's never-ending chaos?

So is Marni von Wilpert.

From prosecuting corporate lawbreakers to serving in the Peace Corps, Marni von Wilpert does what Congress won't: serve the people and hold the powerful accountable. Now, Marni is running to lower costs, fight corruption, rein in Trump and deliver for Riverside County.

OUR VALUES. An Army veteran's daughter, Marni's values are ours – service, fiscal responsibility and getting results for middle-class families.

- A civil prosecutor, Marni sued opioid companies, chemical polluters – and won
- On City Council, Marni opposed water rate increases and trash tax hikes
- Marni stood with police for faster 911 response. Opposed ICE's lawlessness.

BRING COSTS DOWN. In Congress, Marni von Wilpert will put money back in our pockets and fight to stop the American Dream from slipping away.

- Vote to end tariffs and foreign forever wars to get the cost of living under control
- Expand first-time homebuyer aid so buying a house is attainable again
- Restore healthcare funding Congress cut. Protect Medicare/Social Security.

CLEAN UP CORRUPTION. Marni will clean up the out-of-control corruption that's captured Congress and blocks change middle-class families need.

- Ban Congressman's insider stock trading
- End corporate political money that buys off Congress
- Oppose Trump punishing California by slashing seniors' care

It's a simple choice. More of the same corrupt Congress raising costs – or change to clean up Washington and put the middle class first. For change, vote Marni von Wilpert.

ENDORSEMENTS: Firefighters, Police, California Federation of Labor Unions, Planned Parenthood Action Fund and more at MarniVonWilpert.com

**CANDIDATE STATEMENT FOR
STATE SENATOR,
32ND SENATORIAL DISTRICT**

TIFFANIE TATE, Democratic
OCCUPATION: Doctor / Educator / Author
EDUCATION AND QUALIFICATIONS:

Hi, my name is Dr. Tiffanie Tate and I'm running to be your State Senator.

We need new leadership in Sacramento. California is less affordable. Many homeowners do not have access to homeowner insurance anymore, and for those who do have insurance, prices are skyrocketing. Our local schools and hospitals are underfunded; education and healthcare are paying the price.

I raised two children here, so I understand these issues.

I served 7 years in the Navy as a General Medical Officer. I earned the Global War on Terrorism Service Medal and a Captain's Letter of Appreciation.

After my military service, I worked as an OB/GYN at local hospitals. I might have even delivered you or your child! I have held various leadership roles within hospitals and community organizations. I am not just a patient advocate, but also a community leader.

Now, I'm an author and host of the NBC Radio's show "Doctors in the House".

Through my work, I have talked to thousands of voters, and I want to bring our voices to Sacramento.

My priorities include:

High-wage jobs and economic growth

Access to affordable healthcare and housing

Improving the quality of life for all

I'm proud to be endorsed by statewide elected officials as well as leaders from both parties, as well as those who are independent.

Visit www.votedrtate.com for more information.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
32ND SENATORIAL DISTRICT**

KELLY SEYARTO, Republican
OCCUPATION: State Senator
EDUCATION AND QUALIFICATIONS:

AGE: 66

California has always been a place of opportunity, but today too many families are struggling with the high cost of living, rising taxes, and an increasingly difficult environment for businesses, both small and large. The checks and balances that have been the hallmark of our government have been eroded by one-party, supermajority rule in the California Legislature.

Now, after years of record spending, Californians are still waiting for the results they were promised. We need to improve housing affordability, keep our communities safe, make vast improvements in our infrastructure, and ensure that every student has the tools to succeed after high school. We can build a more affordable, safer, and more prosperous California by setting clear priorities, spending taxpayer dollars responsibly, and demanding accountability from our state government.

I am proud to have passed legislation supporting military families, college students, seniors, crime victims, and homeowners. My proposal to exempt military retirement and survivor benefits from state income tax was included in the state budget. I have also authored laws that strengthen public safety and consumer protections, improve government transparency, and protect homeowners from property fraud.

I bring 35 years of service as a firefighter, 13 years as a local elected official, and the perspective of someone who understands the challenges facing working families. My wife is a small business owner, and together we raised our family right here in this community.

I would be honored to once again earn your vote.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
71ST ASSEMBLY DISTRICT**

JJ GALVEZ, Democratic

AGE: 35

OCCUPATION: Appointed Director, Silverado - Modjeska
Recreation and Park District

EDUCATION AND QUALIFICATIONS:

You deserve a government that works.

Housing, insurance, food, childcare, gas, and electricity outpace wages. I see it in Temecula, Murrieta, and Wildomar, and my family feels it too.

I'm an immigrant who came here on a student visa, paid my way through college, and proudly became a US citizen to pursue the American Dream—the promise that hard work builds a good life. But the cost of living is putting that dream out of reach for too many.

My career is in business—not government—13 years building tech companies and meeting payroll. I serve as unpaid Treasurer of the Silverado-Modjeska Recreation and Park District, where I balanced our budget after a 30% cut while preserving core services.

In Sacramento, I will work to lower costs for building, insuring, and fire-hardening homes, bring down rents so our youth can afford to live where they grew up, make AI data centers (not families) pay for their energy demands, win our share of road funding, strengthen schools and public safety, and back entrepreneurs and small businesses that create jobs.

I accept no corporate PAC money. My votes will serve you, not private interests. I pledge to be an independent, data-driven, solutions-focused decision maker.

I'm running to give back and represent you and your family. You're my boss. I keep time open for constituents at www.JJGalvez.com/meeting

Let's stop the chaos of division. I am grateful to be endorsed by Democrats and Republicans. I will fight for you whether or not you vote for me.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
71ST ASSEMBLY DISTRICT**

KATE SANCHEZ, Republican

OCCUPATION: California State Assemblywoman
EDUCATION AND QUALIFICATIONS:

I'm proud to have served as your State Assemblywoman for the past three years — and of all we've accomplished.

California families and business owners are paying more, feeling less safe, and growing weary of progressive Sacramento politicians moving further out of touch with the real world. That's why we need a strong, proven, conservative leader that will stand firm and deliver results.

I have successfully authored legislation to improve your safety and quality of life, including bills to: make sex trafficking a serious felony, make any AI-generated child pornography a felony, and to ensure crime victims are notified before the criminal who harmed them is considered for parole.

I'm a bold leader bringing conservative common-sense solutions to California.

As your Assemblywoman, I'll continue to support policies that: prohibit spraying dangerous pesticides in our neighborhoods, oppose illegal immigration, lower taxes, reduce the high cost of living, increase wildfire preparedness and availability of affordable homeowner insurance; eliminate fraud and wasteful government spending, and prohibit the early release of felons.

I'm honored to have earned an "A" rating from the Howard Jarvis Taxpayers Association. I've never voted to raise your taxes (and never will) - and I'll always defend Proposition 13.

As a mother, I'll protect parental rights and fight to keep males out of female sports and private spaces.

I'm proud to be endorsed by the California Republican Party and respected law enforcement leaders, including Sheriff Don Barnes and Sheriff Chad Bianco.

I respectfully ask for your vote and continued support.

www.SanchezForAssembly.com

**CANDIDATE STATEMENT FOR
JUDGE OF THE SUPERIOR COURT,
OFFICE NUMBER 10**

MICHELLE PARADISE

OCCUPATION: Assistant District Attorney, County of Riverside
EDUCATION AND QUALIFICATIONS:

For nearly 40 years, I have dedicated my career in public service to protecting Riverside County families and supporting victims, while upholding the law with fairness, integrity, and respect.

Throughout my career, I have assisted people during the most difficult moments of their lives. I have served as:

- Emergency 911 dispatcher for the Riverside City Police Department and Riverside City Fire Department.
- Assistant District Attorney in the Riverside County District Attorney's Office. I have successfully prosecuted over 100 jury trials of child molesters, murderers, and other violent criminals. I was recognized as California's "Prosecutor of the Year."
- Assistant County Executive Officer overseeing Riverside County's Public Safety Portfolio: Riverside County Sheriff's Office, District Attorney's Office, Law Offices of the Public Defender, Probation Department, CAL-Fire/County Department, and Emergency Management Department. In this role, I also collaborated with justice system partners to ensure court cases moved fairly and efficiently.

As a non-partisan candidate, I am proud to be the ONLY candidate ENDORSED by every constitutionally elected official in Riverside County and the ONLY candidate with Cross-Party ENDORSEMENTS, including:

- Riverside County Presiding Judge
- Riverside County District Attorney
- Riverside County Sheriff
- Riverside County Public Defender
- Riverside County Superior Court Judges
- Riverside County Board of Supervisors
- Public Safety Leaders throughout Riverside County
- Community Leaders throughout Riverside County

I am a proud wife, mother, and grandmother. As a Judge, I will serve with impartiality, independence, and unwavering commitment to equal justice.

I, Michelle Paradise, respectfully ask for your vote.

www.ParadiseForJudge.com

**CANDIDATE STATEMENT FOR
JUDGE OF THE SUPERIOR COURT,
OFFICE NUMBER 10**

ANDREA GARCIA

AGE: 47

OCCUPATION: Deputy Public Defender
EDUCATION AND QUALIFICATIONS:

Dear Neighbor,

For nearly twenty years, I fought to protect children, crime victims, families, and vulnerable communities. I will continue to bring that same commitment to fairness and justice that strengthens our community.

In federal and state courts, I held powerful institutions accountable, ensuring fair treatment under the law. As a tireless advocate for abused, abandoned, and neglected children, I gave a voice to those who needed it most.

As a former business owner, I understand the challenges facing working families and entrepreneurs.

I pioneered the first in-house immigration specialist position at the Riverside County Public Defender's Office. Now, as an expert, I advise attorneys at the San Bernardino County Public Defender's Office on preventing legal errors, improving court efficiency, and protecting tax payer dollars.

I am endorsed by judges, attorneys, educators, healthcare professionals, veterans, business leaders, and elected officials, including Congressmen Mark Takano and Dr. Raul Ruiz.

From the classroom as a law professor to the courtroom as a certified specialist by the State Bar of California, I have built my career on integrity, expertise, and a steadfast commitment to earning your trust.

As a Riverside resident, mother, youth mentor, soccer team manager, and track coach, I believe in serving my community both inside and outside the courtroom.

I respectfully ask for your vote, Andrea Garcia.

**CANDIDATE STATEMENT FOR
DIRECTOR,
RANCHO CALIFORNIA WATER DISTRICT**

J.D. HARKEY

AGE: 48

OCCUPATION: Incumbent

EDUCATION AND QUALIFICATIONS:

My family moved to Temecula in 1980 from Fallbrook. I was raised in Temecula and now have a wife (Katie) and 3 boys (Ethan, Hudson and Drake). We love everything about Temecula and have supported our town in many different ways throughout the years.

I attended TVHS and left Temecula for a few years to get a Business degree at Point Loma Nazarene University. Upon returning to Temecula, I was introduced to Ben Drake and found a career that has put me in the position I am today. We farm over 500 acres of avocados and winegrapes and help our customers sustainably farm these crops and keep Temecula the beautiful place it is today.

Water has always been a precious natural resource, especially in California, and conserving this resource will be key to the future of Temecula and future generations. Serving the community as a Rancho Water Director over the last four years has truly been an honor that I hope will continue for at least another four years. Whether it be relying on water out of our sinks at home or out of the sprinklers on our crops. We are all in this together.

**CANDIDATE STATEMENT FOR
DIRECTOR,
RANCHO CALIFORNIA WATER DISTRICT**

WILLIAM WOODROME

AGE: 53

OCCUPATION: Father, Entrepreneur, Volunteer

EDUCATION AND QUALIFICATIONS:

I am William Woodrome, a dad, small business owner and long time community volunteer and I am asking for your vote for the Rancho California Water District Board of Directors.

For 15 years, I have served in community service roles, including volunteering within the water industry. With curiosity and ambition to learn, I have gained a strong understanding of the challenges facing our region, including affordability, water quality, aging infrastructure and the need for long term supplies.

I will bring a fresh, independent perspective focused on listening to ratepayers, respecting the expertise of staff, and making decisions openly and responsibly.

I will advocate for transparent budgets, accountable governance, excellent service and reasonable rates. As our community grows, I will support investments that protect water quality, strengthen storage, expand recycled water use, and diversify water supplies.

I will also pursue state and federal funding to reduce costs for ratepayers. I am committed to securing clean, reliable water for today and generations to come.

www.woodrome4water.com

**CANDIDATE STATEMENT FOR
DIRECTOR,
RANCHO CALIFORNIA WATER DISTRICT**

WILLIAM PLUMMER

OCCUPATION: Water Resources Engineer

EDUCATION AND QUALIFICATIONS:

My wife and I have lived in Temecula for 41 years raising our son and daughter. A registered civil engineer with a master's degree in civil engineering, I have 39 years of experience developing water resource facilities at consulting firms and public agencies. I have had the privilege of serving as Director on the Rancho California Water District since 2005 where I have been chairman on every committee and Board President twice. I also serve on the Association of California Water Agencies - Energy Committee, and also the District representative on the Joint Powers Insurance Agency.

Priorities include optimizing use of groundwater, and increasing use of recycled water. Both water sources maximize local water supplies and reduce dependence on expensive imported water. I promote water conservation efforts to reduce water demand, and thank all who made water conservation a priority. Significant cost reduction is being achieved by having 27% of electrical use supplied from solar power, replacing critical infrastructure before costly failures occur, and implementing asset management for all facilities.

With your support I will work diligently to increase water supply reliability at the lowest cost for residences, businesses and agriculture.

PAGE**

**CANDIDATE STATEMENT FOR
DIRECTOR,
RANCHO CALIFORNIA WATER DISTRICT**

CAROL LEE BRADY

OCCUPATION: Director, Rancho California Water District

EDUCATION AND QUALIFICATIONS:

I've been honored to serve as a Rancho Water Director since 2017, including two terms as Board President. My BS in Business Management (magna cum laude) is from Pepperdine University, and my professional leadership experience spans industries including water utilities.

Temecula's Wine Country has been my home for 22 years. I'm passionate about delivering prudent stewardship of our financial and natural resources. That means addressing current challenges and strategically developing and executing long-term solutions as well. I'm a strong advocate for clean, affordable water as Rancho Water pursues and secures grant funding for groundwater replenishment, storage, conveyance, and infrastructure projects.

Too often, our priorities are NOT considered as policymakers craft legislation and regulations that impact us. In addition to my work at Rancho Water, I serve as Vice President of the Association of California Water Agencies (ACWA), the largest statewide coalition of public water agencies in the country. I'm also on the Board of Southern California Water Coalition, comprised of leaders from the water industry, city government, and businesses impacted by water policy. We are sending a unified message to Sacramento and DC.

Help me protect your water, today and tomorrow.

Visit www.Vote4CarolLeeBrady.com, and thank you for your vote.

**CANDIDATE STATEMENT FOR
DIRECTOR,
RANCHO CALIFORNIA WATER DISTRICT**

MARYANN EDWARDS

OCCUPATION: Community Volunteer

EDUCATION AND QUALIFICATIONS:

Safe, reliable water at a fair price is essential to our quality of life.

Rancho Water has an outstanding record of providing reliable water, expanding capacity, investing in infrastructure and serving its customers well. The years ahead will bring new challenges, including the rising cost and uncertain availability of imported water.

As a Temecula City Councilmember and Mayor, I helped build and maintain the infrastructure our growing community needed, while securing hundreds of millions of dollars in state and federal funding to help protect local taxpayers. I learned firsthand that good governance requires careful planning, responsible budgeting and strong relationships at every level of government.

As a TVUSD School Board member, I worked with parents, educators and community leaders to develop innovative policies and programs that helped make our schools a model for educational excellence and opened doors of opportunity for thousands of students.

I have a proven record of responsible public service, collaborative leadership and getting things done. I believe my knowledge, experience and commitment to this community would be a positive addition to the Rancho California Water District Board.

I respectfully ask for your vote.

MEASURE “M” - MURRIETA VALLEY UNIFIED SCHOOL DISTRICT

FULL TEXT OF BOND MEASURE

MURRIETA VALLEY UNIFIED SCHOOL DISTRICT — SCHOOL IMPROVEMENT BOND OF

2026

By approval of this measure by at least fifty-five percent (55%) of the registered voters voting thereon, the Murrieta Valley Unified School District shall be authorized to issue and sell bonds of up to \$359,000,000 in aggregate principal amount to provide financing for the specific school facilities projects listed below in the Bond Project List, subject to all of the accountability safeguards specified herein.

SECTION I: KEY FINDINGS

- Murrieta Valley Unified School District (“District”) provides an excellent education for local students and local schools consistently rank among the best in the County and State, which is consistent with its mission to provide District students with the knowledge to recognize their significance and potential.
- While the District strives to meet the needs of our community and students, many neighborhood schools are now more than 30 years old, with classrooms and science labs that have seen little to no modernization and were built for a different area of education.
- This past year, the District recorded over 125 roof leaks, and the aging air-conditioning systems—many older than 25 years—are increasingly unable to keep up during extreme heat.
- Currently, students attend classes in more than 150 portable classrooms that are over 20 years old. Many of these classrooms suffer from water leaks, structural damage, and other ongoing maintenance challenges
- Over the past year, the District has conducted and completed a comprehensive, transparent, long-term community Facilities Master Plan that identified the needs at each school site to meet modern safety and security standards, meet the District’s goals for supporting current academic standards, and address specific priorities at individual school sites.
- Bond revenue is the primary means by which all school districts are able to keep their school buildings and classrooms in good repair, safe, designed and equipped to support changing educational standards, methods and approaches.
- The District cannot rely on the State of California to fund school facility improvements and the limited state dollars available for facility upgrades often require local matching funds that could be provided by a local bond measure.
- This bond measure requires strict fiscal accountability protections including mandatory annual audits and an independent citizens’ oversight committee comprised of local residents to ensure funds are managed and spent properly.
- The Board pledges to issue bonds under the measure in a fiscally responsible manner that protects local taxpayers. The District will issue new voter-approved general obligation bonds only if the tax rate to repay them replaces, rather than increases, the existing bond tax rate, with the expectation that the combined District bond tax rate will decrease over time as prior bonds are paid down or retired.

SECTION II: ACCOUNTABILITY MEASURES

The provisions in this section are included in this proposition in order that the voters and taxpayers of the District may be assured that their money will be spent to address specific facilities needs of the District, all in compliance with the requirements of Article XIII A, section 1(b)(3) of the State Constitution, and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Section 15264 *et seq.* of the California Education Code).

Evaluation of Needs. The Board of Education of the District (the “Board”) has evaluated the facilities needs of the District and has identified projects to finance from a local bond measure at this time. The Board has certified that it has evaluated safety, class size reduction and information technology needs in developing the Bond Project List.

Independent Citizens’ Oversight Committee. The Board shall appoint a new or empower an existing independent Citizens’ Oversight Committee in accordance with Education Code sections 15278-15282 and applicable Board policy, to ensure bond proceeds are expended only for the school facilities projects listed in the Bond Project List. The committee shall be established within sixty (60) days of the date when the Board enters the results of the election in its official minutes.

Annual Performance Audit. The Board shall conduct or cause to be conducted an annual, independent performance audit to ensure that the bond proceeds have been expended only on the school facilities projects described in the Bond Project List.

Annual Financial Audit. The Board shall conduct or cause to be conducted an annual, independent financial audit of the bond proceeds until all of those proceeds have been spent.

Annual Report to Board. Upon approval of this measure and the sale of any bonds approved, the Board shall take actions necessary to establish an account in which proceeds of the sale of bonds will be deposited. As long as any proceeds of the bonds remain unexpended, the Superintendent shall cause a report to be filed with the Board no later than January 1 of each year, commencing on the first January 1 after bonds have been issued and proceeds spent, stating (1) the amount of bond proceeds received and expended in the past fiscal year, and (2) the status of

any project funded or to be funded from bond proceeds. The report may be incorporated into the annual budget, annual financial report, or other appropriate routine report to the Board.

SECTION III: BOND PROJECT LIST

Murrieta Valley Unified School District Bond Project List

The Bond Project List below lists the specific projects the District proposes to finance with proceeds of the bonds. The Bond Project List shall be considered a part of this bond measure and shall be reproduced in any official document required to contain the full statement of the bond measure. In so far as permitted by law, each project is assumed to include its share of construction-related costs, such as project and construction management, architectural, engineering, permitting and entitlements, inspection and similar planning and testing costs, demolition and interim facility costs, furnishing and equipping spaces, legal, accounting and similar fees, costs related to the independent annual financial and performance audits, a contingency for unforeseen design and construction costs, and other costs incidental to or necessary for completion of the listed projects (whether the related work is performed by the District or third parties). The final cost of each project will be determined as plans are finalized, construction bids are awarded, and projects are completed. In addition, certain project funds expected from non-local bond sources, including State of California grant funds for eligible projects, have not yet been secured. Therefore, the Board cannot guarantee that the bond proceeds will provide sufficient funds to allow completion of all listed projects. Alternatively, if the District obtains unexpected funds from non-local bond sources with respect to listed projects, such projects may be enhanced, supplemented or expanded to the extent of such funds. Some projects may be subject to further government approvals, including by State officials and boards and/or local environmental or agency approval. Inclusion of a project on the Bond Project List is not a guarantee that the project will be completed (regardless of whether bond funds are available)

The specific projects authorized to be financed with proceeds from the sale of bonds authorized by this measure are as follows:

ELEMENTARY SCHOOL PROJECTS

Alta Murrieta Elementary - Originally Built in 1989

- Modernization of Existing Buildings
- Acquisition, installation and construction of shaded outdoor learning spaces
- Removal of Aging Portable Classrooms
- New Classroom Building
- Modernization of Outdoor Amphitheater to include with shade elements
- Upgrade and/or Expand Parking and Drop-Off Area
- Modernization of Playground Equipment including Surfacing and Shade
- Modernization of Athletic Fields and Facilities including Hardcourt Improvements
- Fire/Life Safety and Security upgrades, including campus access, fencing and security systems
- Replace Solar Panels

Antelope Hills Elementary - Originally built in 2005

- Modernization of Existing Buildings
- Acquisition, installation and construction of shaded outdoor learning spaces
- Removal of Aging Portable Classrooms
- New Classroom Buildings
- Modernization of Playground Equipment including Safety Surfacing and Shade
- Modernization of MPR, including AV and New Digital Marquee
- Modernization of Athletic Fields & Hardcourt Improvements
- Fire/Life Safety and Security upgrades to include campus access, fencing and security system technology
- Upgrade and/or Expand Parking and Drop-Off Area
- Replace Solar Panels and Add Battery Backup

Avaxat Elementary School - Originally built in 1987

- Modernization of Existing Buildings
- Acquisition, installation and construction of shaded outdoor learning spaces
- Removal of Aging Portable Classrooms
- New Classroom Buildings
- New Multi-Purpose Room and/or Food Services Facility
- Modernization of Playground Equipment with Safety Surfacing and Shade
- New Kindergarten Play Area
- Modernization of Athletic Fields & Hardcourt Improvements
- Fire/Life Safety and Security upgrades to include campus access, fencing and security system technology
- Upgrade, Improve and/or Expand Parking and Drop-Off Area
- Replace Solar Panels

Buchanan Elementary School - Originally built in 2001

- Modernization of Existing Buildings
- Acquisition, installation and construction of shaded outdoor learning spaces
- New Classroom Buildings
- Fire/Life Safety and Security upgrades to include campus access, fencing and security system technology
- Removal of Aging Portable Classrooms
- Upgrade, Improve and/or Expand Parking and Drop-Off Area
- Modernization of Playground Equipment with Safety Surfacing and Shade
- Modernization of Athletic Fields & Hardcourt Improvements
- New Multi-Use Student Pavilion
- Replace Solar Panels and add Battery Backup

Cole Canyon Elementary School - Originally built in 2000

- Modernization of Existing Buildings
- Acquisition, installation and construction of shaded outdoor learning spaces
- New Classroom Buildings and New Parking Lot
- Removal of Aging Portable Classrooms
- Modernization of Playground Equipment with Safety Surfacing and Shade
- New Multi-Use Student Pavilion
- Modernization of Athletic Fields & Hardcourt Improvements
- Fire/Life Safety and Security upgrades to include campus access, fencing and security system technology
- Replace Solar Panels

E. Hale Curran Elementary School - Originally built in 1989

- Modernization of Existing Buildings
- Acquisition, installation and construction of shaded outdoor learning spaces
- Removal of Aging Portable Classrooms
- New Classroom Buildings and New Parking Lot
- Modernization of Playground Equipment with Safety Surfacing and Shade
- New Multi-Use Student Pavilion
- Modernization of Athletic Fields & Hardcourt Improvements
- Fire/Life Safety and Security upgrades to include campus access, fencing and security system technology
- Replace Solar Panels

Lisa J. Mails Elementary School - Originally built in 2008

- Modernization of Existing Buildings
- Acquisition, installation and construction of shaded outdoor learning spaces
- New Classroom Buildings
- Modernization of Athletic Fields & Hardcourt Improvements and field lighting
- Modernization of Outdoor Amphitheater to include shade elements
- Modernization of Playground Equipment with Safety Surfacing and Shade
- Fire/Life Safety and Security upgrades to include campus access, fencing and security system technology
- Upgrade and/or Expand Parking Lot and/or Drop Off
- Replace Solar Panels

Monte Vista Elementary School - Originally built in 2003

- Modernization of Existing Buildings
- Acquisition, installation and construction of shaded outdoor learning spaces
- Removal of Aging Portable Classrooms
- New Classroom Buildings
- New Multi-Use Student Pavilion
- Administration Building Reconfiguration
- New Food Service Building
- New Student Restrooms
- Modernization of Athletic Fields & Hardcourt Improvements
- Modernization of Playground Equipment with Safety Surfacing and Shade
- Fire/Life Safety and Security upgrades to include campus access, fencing and security system technology
- Upgrade and/or Expand Parking Lot and/or Drop Off
- Replace Solar Panels

Murrieta Elementary School - Originally built in 1958

- Modernization of Existing Buildings
- Acquisition, installation and construction of shaded outdoor learning spaces
- New Classroom Building
- New Multi-Use Student Pavilion
- Modernization of Playground Equipment with Safety Surfacing and Shade
- Modernization of Athletic Fields & Hardcourt Improvements with Field Lighting
- Removal of Aging Portable Classrooms
- New Restroom Building
- Fire/Life Safety and Security upgrades to include campus access, fencing and security system technology
- Replace Solar Panels and Battery Backup

Rail Ranch Elementary School - Originally built in 1989

- Modernization of Existing Buildings
- Acquisition, installation and construction of shaded outdoor learning spaces
- New Classroom Building
- Removal of Aging Portable Classrooms
- Modernization of Playground Equipment with Safety Surfacing and Shade
- Modernization of Athletic Fields & Hardcourt Improvements with Field Lighting
- Upgrade Parking and Drop-Off to include New Shade Elements
- Fire/Life Safety and Security upgrades to include campus access, fencing and security system technology
- Replace Solar Panels and Battery Backup

Tovashal Elementary School - Originally built in 1996

- Modernization of Existing Buildings
- Acquisition, installation and construction of shaded outdoor learning spaces
- Removal of Aging Portable Classrooms
- New Classroom Buildings
- Modernization of Athletic Fields & Hardcourt Improvements with Field Lighting
- New Lunch Shelter
- Fire/Life Safety and Security upgrades to include campus access, fencing and security system technology
- Upgrade Parking and Drop-Off Improvements to include New Shade Elements
- Replace Solar Panels

MIDDLE SCHOOL PROJECTS	
Dorothy McElhinney Middle School - Originally built in 2009	
• Modernization of Existing Buildings • Acquisition, installation and construction of shaded outdoor learning spaces • Modernization of Athletic Fields with Field Lighting, Hardcourt Improvements and New Bathrooms • New Performing Arts Center • Fire/Life Safety and Security upgrades to include campus access, fencing and security system technology • Upgrade and/or Expand Parking and Drop-Off • Replace Solar Panels	
Shivela Middle School - Originally built in 1990	
• Modernization of Existing Buildings • New Classroom Buildings • Acquisition, installation and construction of shaded outdoor learning spaces • New Gym with air conditioning • Modernization of Athletic Fields with Field Lighting, Hardcourt improvements with New Restrooms • Removal of Aging Portable Classrooms • Fire/Life Safety and Security upgrades to include campus access, fencing and security system technology • Replace Solar Panels	
Thompson Middle School - Originally built in 1994	
• Modernization of Existing Buildings including a CTE expansion • New Classroom Building • Acquisition, installation and construction of shaded outdoor learning spaces • New Gym and air-conditioning • Removal of Aging Portable Classroom • Acquire and Construct new Classroom Buildings • Fire/Life Safety and Security upgrades to include campus access, fencing and security system technology • Upgrade and/or Expand Parking and Drop-Off • Replace Solar Panels	
Warm Springs Middle School - Originally built in 2002	
• Modernization of Existing Buildings including a CTE expansion • Acquisition, installation and construction of shaded outdoor learning spaces • Modernization of Athletic Fields with Field Lighting, Hardcourt Improvements with New Restrooms • Add air-conditioning to existing gym • Upgrade and/or Expand Parking and Drop-Off • Fire/Life Safety and Security upgrades to include campus access, fencing and security system technology Replace Solar Panels	

HIGH SCHOOL PROJECTS	
Murrieta Mesa High School - Originally built in 2009	
• Modernization of Existing Buildings including a CTE expansion • Acquisition, installation and construction of shaded outdoor learning spaces • New CTE Building • Modernization of Athletic Fields with Field Lighting, Hardcourt Improvements • New Locker Rooms and Concessions • Fire/Life Safety and Security upgrades to include campus access, fencing and security system technology • Replace Solar Panels	
Murrieta Valley High School - Originally built in 1990	
• Modernization of Existing Science and 700 Building Specialty Classrooms • New CTE Building • Modernization of Existing Buildings including a CTE expansion • Acquisition, installation and construction of shaded outdoor learning spaces • New Building that includes Competition Gym, Auxiliary Gym, Lockers Rooms; Team Rooms, Weight Room, Dance Room, Wrestling Room Fitness and/or P.E. Rooms • Convert Existing Administration Building to Multi-Purpose Room • New Administration Building • Modernization of Athletic Fields with Field Lighting & Hardcourt Improvements • Fire/Life Safety and Security upgrades to include campus access, fencing and security system technology • New Media Classroom Building • New Staff and Student Restrooms • Parking Lot and/or Drop-Off Improvements • Replace Solar Panels	
Vista Murrieta High School - Originally built in 2003	
• New CTE Building • Modernization of Existing Buildings including a CTE expansion • Acquisition, installation and construction of shaded outdoor learning spaces • Modernization of Athletic Fields with Field Lighting & Hardcourt Improvements • Removal of Aging Portable Classrooms • Fire/Life Safety and Security upgrades to include campus access, fencing and security system technology • Parking Lot and/or Drop-Off Improvements • New Band Room and Dance Room • New Weight Room with Outdoor Shaded Area • Replace Solar Panels	

Murrieta Canyon Academy - Originally built in 1998	
• New CTE Building • Modernization of Existing Buildings • Acquisition, installation and construction of shaded outdoor learning spaces • Fire/Life Safety and Security upgrades to include campus access, fencing and security system technology • Parking Lot and/or Drop Off Improvements • New Administration Building • Replace Solar Panels	
ALL SITES	
• Upgrade, renovate, and/or replace major building systems; includes cooling, heating, ventilation, lighting, electrical, plumbing, irrigation, drainage, elevator, sewer and gas. • Repair, replace and/or upgrade building exterior and weather protection systems, including roofs, gutters, downspouts, doors, windows, and exterior paint. • Renovate, repair, resurface, upgrade, expand, construct and or install and improve paved and other hard surfaces, playgrounds, playfields and landscaping.	
MISCELLANEOUS	
All listed bond projects include the following as needed and may be completed at all District sites:	
• Planning and designing necessary for specific, approved bond projects. • The inspection, sampling and analysis of grounds, buildings and building materials to determine the presence of hazardous materials or substances, including asbestos, lead, etc., and the encapsulation, removal, disposal and other remediation or control of such hazardous materials and substances. • Seismic and historical evaluations, site surveys (including topographic, geological and utility surveys), and infrastructure analyses. • Necessary onsite and offsite preparation or restoration in connection with new construction, renovation or remodeling, or installation or removal of relocatable buildings or other temporary buildings, including demolition of structures; removing, replacing, or installing irrigation, drainage, utility lines (gas, water, sewer, electrical, data and voice, etc.), trees and landscaping; and relocating fire access roads or ingress/egress pathways. • Address other unforeseen conditions revealed by construction, renovation or improvements (including plumbing or gas line breaks, dry rot, seismic and structural deficiencies, etc.). • Acquire or construct other improvements required to comply with building codes, including seismic safety requirements, the Field Act, and access requirements. • Acquisition of any rights-of-way, easements, licenses and/or real property made necessary by listed bond projects, or lease of real property made necessary by the listed bond projects. • Acquire or construct storage facilities and other space on an interim basis, as needed to accommodate construction materials, equipment, and personnel. • Initial furnishing and equipping of classrooms and other school facilities. • All other costs and work necessary or incidental for the specific, approved bond projects.	

PROJECTS INVOLVING RENOVATION, REHABILITATION OR REPAIR

For any project involving renovation, rehabilitation, repair, or upgrade of a building or the major portion of a building (including seismic repairs), the District shall be authorized to proceed with new replacement construction instead (including any necessary demolition) if the Board determines that replacement new construction is more practical than renovation, rehabilitation, repair, or upgrade, considering the building's age, condition, expected remaining life, comparative cost and other relevant factors.

SECTION IV: ADDITIONAL SPECIFICATIONS

No Operating Expenses. Proceeds from the sale of Bonds authorized by this proposition shall be used only for the construction, reconstruction, rehabilitation or replacement of school facilities on the Bond Project List, including the furnishing and equipping of said school facilities, or the acquisition or lease of real property for said school facilities, and not for any other purpose, including teacher or administrator salaries and other school operating expenses in accordance with applicable law.

Single Purpose. All of the purposes enumerated in this proposition shall be united and voted upon as one single proposition, pursuant to Section 15100 of the California Education Code, and all the enumerated purposes shall constitute the specific single purpose of the bonds and proceeds of the bonds shall be spent only for such purpose.

Other Terms of the Bonds. The bonds may be issued and sold in several series, and in accordance with a financing plan determined by the Board pursuant to requirements of law. When sold, the bonds shall bear interest at an annual rate not exceeding the statutory maximum and with a maximum term not exceeding the statutory maximum, provided that the average useful life of bonds sold will not exceed one hundred twenty percent (120%) of the average life of the projects being financed or as otherwise provided by federal tax law. Bond funds may be used to reimburse the District for Bond Project list expenditures incurred prior to the election and bond issuance, in accordance with federal tax law.

Attention of all voters is directed to the fact that the financial information contained in this measure is based upon the District's projections and estimates only, which are not binding upon the District, nor are the summary or average payment estimates, if any, provided in the Ballot Label. The actual tax rates, debt service and the years in which they will apply may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The dates of sale and the amount of bonds sold at any given time will be determined by the District based on need for construction funds and other factors. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

In preparing this information, the District obtained reasonable and informed projections of assessed property valuations that took into consideration projections of assessed property valuations made by the County Assessor, if any, in accordance with Education Code Section 15100(c).

State Matching Funds - Education Code 15122.5

Approval of Measure M does not guarantee that the proposed project or projects in the Murrieta Valley Unified School District that are the subject of bonds under Measure M will be funded beyond the local revenues generated by Measure M. The school district's proposal for the project or projects may assume the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

MEASURE "M" - MURRIETA VALLEY UNIFIED SCHOOL DISTRICT

TAX RATE STATEMENT

An election will be held within the boundaries of Murrieta Valley Unified School District ("District") on November 3, 2026 to authorize the sale of up to \$359 million in bonds to finance facilities as described in the measure. If the bonds are approved, the District expects to sell the bonds in multiple series. Principal and interest on the bonds will be payable from the proceeds of tax levies made upon the taxable property located within the District. The following information is provided in compliance with Sections 9400 to 9404, inclusive, of the California Elections Code.

1. The best estimate from official sources of the average annual tax rate that would be required to be levied to fund this bond issue over the entire duration of the bond debt service, based on assessed valuations available at the time of the election and a projection based on experience within the same jurisdiction and other demonstrable factors, is estimated to be \$49.64 per \$100,000 of assessed valuation. The final fiscal year in which the tax is anticipated to be collected is 2058-59.

2. The best estimate from official sources of the highest tax rate that would be required to be levied to fund this bond issue, and an estimate of the year in which that rate will apply, based on assessed valuations available at the time of filing this statement, and a projection based on experience within the same jurisdiction and other demonstrable factors, is estimated to be \$60.00 per \$100,000 of assessed valuation first occurring in fiscal year 2033-34.

3. The best estimate from official sources of the total debt service, including the principal and interest, that would be required to be repaid if all the bonds are issued and sold is **\$713,620,521**.

Voters should note that the estimated tax rate is based on the ASSESSED VALUE of taxable property on the Riverside County official tax rolls, not on the property's market value. Property owners should consult their own property tax bills to determine their property's assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that the foregoing information is based upon the District's projections and estimates only, which are not binding upon the District. The actual tax rates, debt service and the years in which they will apply may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The dates of sale and the amount of bonds sold at any given time will be determined by the District based on need for construction funds and other factors. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

MURRIETA VALLEY UNIFIED SCHOOL DISTRICT

By:

Ward Andrus, Ed.D., Superintendent

IMPARTIAL ANALYSIS OF MEASURE "M"

The purpose of Measure M is to enable voters to authorize or reject the Murrieta Valley Unified School District ("District") issuing and selling bonds to provide financing for school facilities projects. The Board of Education of the District, by adopting Resolution No. 25/26-18 ("Resolution"), elected to call an election to place this Measure on the ballot.

Measure M would enable the District to issue and sell bonds of up to a maximum of three hundred fifty-nine million (\$359,000,000), at interest rates not to exceed legal limits. Money raised by the sale of the bonds must be used exclusively to finance the list of projects described in the full text of Measure M, which is included in this voter information pamphlet ("Bond Project List"). Bond proceeds will be expended on improvements of deteriorating roofs; plumbing; HVAC; electrical; safety systems; repair/upgrade aging classrooms; science labs; career technology; and school facilities that support college/career readiness in math, science, technology, arts, engineering, and skilled trades. Monies generated by the sale of such bonds shall only be spent for these specified purposes. Bond proceeds cannot be expended to finance teacher and administrator salaries or other school operating expenses.

The bonds would be repaid through an increase in property taxes based upon the assessed value of taxable property in the District in each year of repayment. The Tax Rate Statement, which appears following the full text of Measure M in this voter information pamphlet, reflects the District's current best estimate of the property tax rate increases that will be required to service the bonds at various points during the life of the bonds. At the time of issuance, the projected annual tax to be levied to meet debt service requirements for the proposed bonds is 6¢ per \$100 (or \$60 per \$100,000) of assessed value.

Measure M provides for the District to establish an independent citizens' oversight committee to ensure bonds proceeds are expended only on the types of school facilities projects that have been listed on the Bond Project List. The District will conduct an annual, independent performance and financial audits to oversee that bond proceeds have been expended only on the school facilities projects listed.

For this Measure to be approved, at least 55% of qualified voters within the District who vote on the Measure must vote yes.

A "YES" vote on Measure "M" is a vote to authorize the District to issue and sell bonds to provide financing of school facilities projects.

A "NO" VOTE on Measure "M" is a vote to reject the District from issuing and selling bonds to provide financing of school facilities projects.

By: Minh C. Tran
Riverside County Counsel

ARGUMENT IN FAVOR OF MEASURE “M”

Vote YES on Measure M to protect the quality of Murrieta schools—**without increasing taxes!**

Murrieta schools consistently rank among the best in the state and were recently recognized as the best in Riverside County. However, many neighborhood schools are nearly 40 years old, with “temporary” portable classrooms now more than 30 years old. Aging roofs, deteriorating plumbing, outdated classrooms and labs are in urgent need of repair and modernization.

Classrooms and schoolyards get uncomfortably hot. Updated shade structures, ventilation and air conditioning are needed for safe and healthy learning environments.

Measure M will modernize neighborhood schools to support high student achievement and serve our community for decades. Strong schools strengthen our community and protect property values.

Vote YES on M:

- Repair or replace deteriorating roofs, plumbing, gas, sewer and electrical systems
- Modernize classrooms and laboratories to support high-quality instruction in science, technology, engineering and math
- Upgrade career technical education facilities and equipment to prepare students for college and in-demand careers
- Meet modern safety codes and ensure access for students with disabilities
- Repair or replace failing heating, ventilation, and air conditioning units

Measure M ensures taxpayer accountability:

- Local Control — Every dollar stays in Murrieta schools and cannot be taken by the state
- Independent Accountability — Citizens’ Oversight, annual audits, public disclosure and detailed project lists ensure funds are spent as promised
- Dedicated Funding — All funds are dedicated exclusively to improving school facilities, not administrators’ salaries or pensions

Measure M will not increase tax rates; it simply renews our community’s commitment to excellent public schools.

Previous generations built these schools for today’s students. It is now our turn to ensure the next generation inherits quality schools, not deferred maintenance bills.

Join educators, public safety officials, community members and parents. Vote YES on Measure M to protect quality education for every Murrieta student.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “M”

DO NOT BE MISLED: MEASURE M IS A NEW TAX.

Proponents say Measure M “will not increase tax rates.” *Yeah, right!*

Murrieta taxpayers already pay substantial taxes on **previously approved bond**, which voters authorized for the life of *that* bond – not permanently! As the bond is paid off, its tax burden should decline and ultimately end.

MVUSD now proposes to **backfill declining payments with the new bond**. That is not “no new tax.” It is **new debt, new interest, and new 30-year obligation**.

And cost is substantial: approximately **\$714 million total repayment – nearly twice the \$359 million borrowed**. This means whopping **50%** of what families pay will go directly to investors. The claim that “*every dollar stays in Murrieta...*” is FALSE. This inconvenient truth was deliberately omitted from the ballot, despite appeals for complete transparency.

Measure M is **not** the only option for improving facilities. MVUSD maintains **\$130 million General Fund balance** that may legally be used for construction and modernization. Instead of prioritizing needs, **85%** of the budget (\$356 million in 2026-2027) is devoted to salaries and benefits.

Promised “*audits*” are nothing extraordinary. While necessary, those audits do **not** determine whether costs are reasonable, contracts are competitively priced, or taxpayer dollars are being spent efficiently.

Everyone supports modern classrooms. The real question is whether Murrieta families should bear heavier tax burden before the District demonstrates fiscal discipline, prioritizes resources, and starts coming clean about the true long-term cost!

VOTE NO ON MEASURE M

By: David Marko,
Inland Region Vice Chair, California Republican Party
Bob Kowell,

Jack M. Guerrero, CPA
Treasurer, California Republican Party
John Leonard,
Murrieta Parent, Home owner

ARGUMENT AGAINST MEASURE “M”

Vote NO on Measure M: This measure uses deceptive ballot language to deliberately hide the true costs from voters, rewards a blatant lack of fiscal discipline, and asks taxpayers to shoulder an even heavier financial burden despite rising cost-of-living.

1. Deceptive and Unacceptable Lack of Transparency

The ballot prominently highlights a \$359 million loan but completely buries the actual repayment cost of **\$714 million** (nearly double the bond issuance!) over 30 years of crushing interest. MVUSD actively withheld this information from the ballot statement because it knows voters would reject it. This intentional lack of disclosure is completely unacceptable.

2. Rewarding Fiscal Mismanagement

MVUSD’s massive \$356 million annual budget (2026-2027) allocates a staggering 85% for salaries and benefits. While student enrollment steadily drops, compensation keeps skyrocketing each year. **This is the height of gall.**

MVUSD is treating homeowners like an endless ATM, while holding approximately \$130 million in General Fund balance (6/30/26) that state law allows for use on repairs and modernization. Furthermore, Murrieta taxpayers are *still* paying off a previously depleted MVUSD bond with one of the highest tax rates in Riverside County.

3. Extravagant Taxation Without Justification

Murrieta families shoulder one of the highest tax burdens in America. Nearly half (45%) of local property tax already funds public education, while California pours a massive \$20,000 per student into schools. With costs of housing, groceries, insurance, and utilities at historic highs, asking homeowners for another tax is completely out of touch.

Conclusion: No Accountability, No New Taxes

True support for our schools requires accountability, responsible budgeting, and total honesty. MVUSD has proven it lacks fiscal discipline, refuses to control spending, and cannot be trusted to be fully transparent with our community. **Vote NO on Measure M.**

Former Mayor, City of Murrieta

REBUTTAL TO ARGUMENT AGAINST MEASURE “M”

Measure M advances responsible stewardship of our community’s schools without **increasing tax rates**. The argument against Measure M misrepresents how California school finance works.

Excellent students deserve excellent schools. Our community benefits from the highest-performing schools in Riverside County. Measure M ensures our school facilities reflect that same standard of excellence our students achieve today and for future generations.

Delaying necessary improvements doesn’t eliminate costs. It increases future repair costs for taxpayers and students. Addressing these needs now is the fiscally responsible choice.

Measure M invests in school facilities, not operating expenses. Measure M funds cannot be used for administrators’ salaries, pensions or daily operating expenses. By law, they are restricted to voter-approved school facilities and infrastructure.

District operating reserves are not a substitute for long-term facility improvements. Responsible reserves protect students during emergencies and economic uncertainty, while bond funding repairs roofs, plumbing, electrical and HVAC equipment, and modernizes classrooms and security systems.

Measure M was developed by our community, for our community, through a transparent, year-long planning process that included more than 80 public meetings, 13 facilities focus groups, 3 town halls, 2 community facilities advisory meetings and numerous public Board meetings. Learn more at: <https://www.mvUSDplan.org>.

Measure M guarantees taxpayer protections through fiscal accountability and transparency. Every dollar stays under local control and cannot be taken by the state. Independent citizens’ oversight, annual audits, detailed project lists and public disclosure ensure funds are spent as promised.

Measure M - The responsible choice for Murrieta.
Vote YES on Measure M.

MEASURE “A” - RIVERSIDE COUNTY
RIVERSIDE COUNTY TRANSPORTATION IMPROVEMENT PLAN
EXPENDITURE PLAN

The Transportation Improvement Plan for Riverside County was first approved by Riverside County voters in 1988 through Measure A and renewed again in 2002. Measure A established a County-wide half-cent retail transactions and use tax to provide a dedicated, locally controlled source of funding for transportation improvements and services throughout Riverside County. Administration of Measure A and the Expenditure Plan is the responsibility of the Riverside County Transportation Commission (“Commission” or “RCTC”).

To maintain a reliable local funding source for transportation improvements, the Commission has approved this updated Riverside County Transportation Improvement Plan (“Plan,” or “Expenditure Plan”) for the purpose of renewing Measure A (Measure). There is no increase to the existing sales tax rate. A renewed Measure will continue to provide funding for local transportation improvements and services across Riverside County.

If approved by Riverside County voters, the renewed Measure would continue the existing half-cent sales tax within the incorporated and unincorporated areas of Riverside County, with revenues dedicated exclusively to transportation purposes as defined in this Expenditure Plan.

Chapter 1: Continued Funding for Transportation Improvements for Riverside County Residents

1.1 *Growing Demands on Infrastructure*

Since the first renewal of Measure A in 2002, Riverside County has experienced significant population growth, increased congestion, and rising transportation construction costs. State and federal funding has not kept pace with these demands. Residents continue to prioritize road repair, congestion relief, and reliable public transportation services. The Plan is intended to address these mobility challenges and invest in projects that benefit residents, businesses, and communities throughout the county.

1.2 *No Increase to Current Measure A Sales Tax Rate*

The updated Plan does not raise the existing Measure A sales tax rate. Instead, it renews the existing half-cent sales tax to continue providing a locally controlled funding source for transportation improvements until ended by voters. Measure funds will continue to be invested locally for the benefit of Riverside County, and will supplement, not replace, state and federal transportation funding.

Chapter 2: A Renewed Measure: Goals and Objectives

2.1 *Moving Transportation Projects Forward*

The Plan will help accelerate transportation projects and maintain public transportation services. This approach allows projects to be delivered using today’s dollars, generating cost savings by avoiding future construction cost escalation.

The Plan, if approved by Riverside County voters, includes projects that:

- Improve the condition of existing roads and repair potholes;
- Improve highways, including Interstates and State Routes;
- Improve regional roads and interchanges;
- Maintain bus transit and passenger rail services;
- Keep bus fares low for residents who rely on public transportation services;
- Partner with employers to enhance workforce mobility and shift to sustainable commuting;
- Accelerate completion of transportation projects that address population growth and emergency response;
- Maintain existing local funding for transportation infrastructure, capital acquisition, rolling stock, and services for the benefit of residents, cities, and unincorporated communities of Riverside County;
- Enhance Riverside County’s ability to secure state and federal funding for transportation by offering local matching funds; and
- Provide funding for the maintenance and improvement of local streets and roads in the cities and unincorporated areas of the County.

2.2 *Provide for Regional Equity in the Distribution of Measure Revenues*

The Plan recognizes the three distinct subregions of Riverside County and provides that revenues raised by the Plan in each subregion remain there and cannot be moved to other parts of the county:

- Palo Verde Valley (includes the City of Blythe and surrounding unincorporated areas);
- Coachella Valley (includes the Cities of Cathedral City, Coachella, Desert Hot Springs, Indian Wells, Indio, La Quinta, Palm Desert, Palm Springs and Rancho Mirage, as well as portions of the Salton Sea area, including surrounding unincorporated areas); and
- Western Riverside County (includes the Cities of Banning, Beaumont, Calimesa, Canyon Lake, Corona, Eastvale, Hemet, Jurupa Valley, Lake Elsinore, Menifee, Moreno Valley, Murrieta, Norco, Perris, Riverside, San Jacinto, Temecula, Wildomar and surrounding unincorporated areas).

The subregions are defined in greater detail on the attached map and in Chapter 5.

The Plan addresses the unique transportation needs of each subregion, including small, rural, and disadvantaged communities, while maintaining a balanced investment strategy across highways, public transportation, and local streets and roads.

Chapter 3: Taxpayer Accountability Provisions

Funding and implementing the projects in the Expenditure Plan will occur in compliance with applicable accounting standards.

3.1 *Legal Dedication of Tax Revenue Solely for Transportation Purposes*

Funds generated by the Measure, net of the amount of administrative fees paid to the California Department of Tax and Fee Administration (CDTFA) for tax collection, may only be used for transportation purposes as described in the Ordinance governing this Plan. Transportation purposes include but are not limited to the construction, capital acquisition, maintenance, and operation of streets, roads, highways, including state highways, and public transit systems, expenditures for the planning, environmental reviews, engineering and design costs, administration, including legal actions related thereto, and related environmental mitigation and related right-of-way acquisition to implement the transportation investment categories listed in the Expenditure Plan.

3.2 *Mandatory Annual Financial Audit*

The Commission shall conduct an independent annual financial audit of all Measure revenues and expenditures to confirm compliance with this Plan and the Ordinance. The audit shall report on whether expenditures have been made in accordance with this Plan and shall be made available to the public. In addition, the audit shall determine compliance with the Maintenance of Effort requirements for each jurisdiction in receipt of local streets and roads funding along with the requirements described in Section 2.VIII of the Ordinance.

3.3 *Transparency and Openness*

Implementation of the Plan shall comply with applicable transparency, disclosure, and open meeting laws.

3.4 *Mandatory Plan Update*

Through a public process, RCTC must formally review this Plan at least every ten (10) years after it takes effect to consider adjusting the Plan to reflect the current and anticipated priorities of Riverside County's residents. If RCTC wishes to amend the Plan after its review or at any other point in time, RCTC must follow current state law and as provided in Section 2.V(B) of the Ordinance to do so.

3.5 *Local Control*

No funds from the Measure can be diverted to Washington, D.C. or Sacramento. State and federal governments cannot legally divert, take, or direct funds raised through this local plan and its governing ordinance.

3.6 *Limitations to Administrative Costs*

Administrative costs shall be limited such that not more than one percent (1%) of the annual net amount of revenues raised by the tax may be used to fund the administrative salaries and benefits of the staff of the

commission in administering the programs funded from that tax.

Any portion of the administrative salaries and benefits allocation not expended in a fiscal year may be carried forward and expended in subsequent fiscal years, provided that: (i) no carried-forward amount shall remain available for expenditure more than five (5) fiscal years after the fiscal year in which the revenues were originally collected; and (ii) cumulative salaries and benefits expenditures shall not exceed one percent (1%) of total revenues collected pursuant to the Measure.

3.7 *Term of Ordinance and Expenditure Plan*

The Ordinance and Expenditure Plan shall remain in effect until ended by Riverside County voters; provided that the tax shall continue to be collected while bonds or any other financing arrangement is outstanding as further set forth in the Measure.

Chapter 4: Transportation Investments to Be Funded

Measure revenues shall be allocated by the Commission to fund transportation improvements, operations, capital acquisitions, maintenance, repair, mitigation, and related right-of-way acquisition within or benefiting Riverside County. Funds shall be returned to the Western Riverside County, Coachella Valley, and Palo Verde Valley geographic subregions in proportion to the funds generated in those areas. Furthermore, funds generated by this Measure may also be applied to projects listed in the 2009 Measure A Expenditure Plan and debt service on bonds or similar securities issued to finance such projects.

The Expenditure Plan includes three (3) funding categories to support transportation infrastructure and services, including:

- Highways and Regional Corridors;
- Local Streets and Roads; and
- Public Transportation.

4.1 *Highways and Regional Corridors*

Funds may be used to improve interstates, state routes, and regional corridors which enhance mobility and support the economy.

Eligible projects may include, but are not limited to, grade separations where roads intersect rail lines; roadway operational improvements and modernization, including the use of new technology; new regional roadway connections; interchange improvements; and associated environmental mitigation and property acquisition. Funding may also be used for constructing, reconstructing, widening, realigning, or improving regional arterial and expressway corridors that support travel across multiple jurisdictions, help relieve congestion on existing highways and local roads, and improve safety.

4.2 *Local Streets and Roads*

Funds will be provided to cities and the County for the maintenance and improvement of the local street and road system. These investments are intended to maintain roadway conditions, improve safety, and support the reliable movement of people and goods within local communities throughout Riverside County.

Eligible uses may include pothole repair; pavement maintenance and rehabilitation; traffic signal and intersection improvements; safety enhancements; bridge and railroad crossing improvements; infrastructure improvements to address flooding and natural hazards; and improvements that enhance accessibility for individuals with disabilities. Local Streets and Roads funding may also support sidewalks, bicycle facilities, pedestrian safety improvements, traffic calming measures, and other related infrastructure that improves safety and access within the local transportation network.

A Maintenance of Effort requirement of city and county governments is required for their share of Local Streets and Roads funds so that new funds provided under this category are intended to supplement, not replace, existing local transportation funding. Local agencies would retain control over project selection and delivery, consistent with the Expenditure Plan and applicable requirements.

4.3 *Public Transportation*

Funds may be used for transit services, facilities, and integrated mobility services benefiting Riverside County.

Eligible uses include bus, passenger rail, and specialized transit operations, mobility management, and first/last-mile connections; and capital investments to maintain, rehabilitate, and modernize public transportation systems. Eligible capital investments may include transit stations and facilities; passenger rail and bus corridors; passenger amenities; parking and access improvements; signals and supporting infrastructure; fleet acquisition and replacement; and associated equipment and facilities, including technologies. Public Transportation funding may also support a range of service strategies, including fixed-route, express/rapid transit service, on-demand transit services, and carpool and vanpool programs, including employer-based commuter programs, and other shared mobility options. Public Transportation funds will continue to provide transit services and keep bus fares low for seniors, veterans, students, and individuals with disabilities.

Chapter 5: Transportation Investments by Region

Funds from the Measure are allocated by category within each of the three geographic subregions.

5.1 Western Riverside County

As of 2026, Western Riverside County includes the cities of Banning, Beaumont, Calimesa, Canyon Lake, Corona, Eastvale, Hemet, Jurupa Valley, Lake Elsinore, Menifee, Moreno Valley, Murrieta, Norco, Perris, Riverside, San Jacinto, Temecula, and Wildomar. It also includes unincorporated communities and less populated areas, as well as tribal lands of the Pechanga Band of Luiseño Indians, the Soboba Band of Luiseño Indians, the Cahuilla Band of Mission Indians, the Ramona Band of Cahuilla, the Santa Rosa Band of Cahuilla Indians, and the Morongo Band of Mission Indians.

The proportional funds generated in Western Riverside County shall be distributed as set forth in the table below:

WESTERN RIVERSIDE COUNTY ALLOCATION OF FUNDS	
INVESTMENT CATEGORY	PERCENT
Highways and Regional Corridors	59%
Local Streets and Roads	29%
Public Transportation	12%

5.1a Highways and Regional Corridors

Fifty-nine percent (59%) of the Measure revenues are identified for the Highways and Regional Corridors category which is estimated to provide approximately \$5.56 billion over a thirty (30) year planning horizon.

The Highways and Regional Corridors category focuses on the transportation facilities that experience congestion and travel delays for Western Riverside County residents and businesses. Examples include but are not limited to Interstates (I) 10, 15, and 215 and State Routes (SR) 91 and 60. These corridors carry high traffic volumes, connect communities across the region, and play an important role in quality of living, emergency response, and economic vitality.

The Highways projects to be implemented are as follows:

ROUTE	LIMITS	PROJECT
SR-91	Pierce Street to I-15	Add 1 lane each direction
SR-71	SR-91 to San Bernardino County line	Add 1 lane each direction
I-215	SR-60 to San Bernardino County line	Add 1 lane each direction
I-215	Eucalyptus Ave to Nuevo Road	Add 1 lane each direction

I-15	El Cerrito Road to San Diego County line	Add 1 lane each direction
I-10	San Bernardino County line to SR-60/I-10/SR-79	Add 1 lane eastbound
I-10/SR-60	SR-60 to I-10	Interchange improvements, including at SR-79/I-10; corridor improvements
SR-91, SR-60 I-15, I-215	Various	Add auxiliary lanes
SR-91	SR-241 to SR-71	Add 1 lane westbound and eastbound

This Highways and Regional Corridors section of the Expenditure Plan is intended to be considered the state highway and freeway portion. The specific projects to be funded in the Highways section shall also include installation, integration, and operation of freeway active traffic management technology; emerging technology and other innovative mobility improvement programs or projects; coordinated adaptive ramp metering; and new auxiliary lanes on SR-91, SR-60, I-10, I-15, and I-215 in the Western Riverside County portion of the Expenditure Plan.

In support of Regional Corridors, funding may be used to construct, reconstruct, widen, realign, or improve regional arterial and expressway corridors. Projects may include but are not limited to the development of new regional roadway connections; modernization of existing arterials to increase capacity and safety; construction of grade separations where roads intersect rail lines; construction or reconstruction of interchanges; corridor improvements that enhance traffic flow and regional connectivity; and implementation of bicycle, pedestrian, and public transportation features. Regional corridors projects eligible for funding include but are not limited to Mid County Parkway (Ramona Expressway) and the new County Expressway between Winchester and San Jacinto (commonly referred to as SR-79 Realignment).

City/County- Sponsored Projects

The Commission may annually allocate revenues generated within this category for eligible highway, interchange, or regional corridor projects sponsored by one or more cities or the County. The percentage allocation shall be established by the Commission in the first fiscal year of the Measure and may thereafter be revised no more frequently than once every ten (10) years; provided, however, that in no event shall such percentage exceed nine percent (9%) in any fiscal year.

Projects funded pursuant to this provision may be eligible for matching funds from the Transportation Uniform Mitigation Fee ("TUMF") program administered by the Riverside County Transportation Commission (RCTC) and shall advance regional objectives such as safety, connectivity, goods movement, or mobility.

Examples of Regional Corridors eligible for funding include but are not limited to:

- Alessandro Boulevard
- Arlington Avenue
- Beaumont Avenue
- Bundy Canyon Road
- Cabazon Connector
- Cajalco Road
- Cherry Valley Boulevard
- Clinton Keith Road
- Domenigoni Parkway
- Elsinore Ethanac Expressway
- Ethanac Road
- French Valley Parkway
- Highland Springs
- Keller Road
- Limonite Avenue
- Magnolia Avenue
- Murrieta Hot Springs Road
- Perris Boulevard
- Redlands Boulevard Widening
- Scott Road
- University Avenue (Riverside)
- Van Buren Boulevard
- Winchester Road

The Plan will improve traffic flow by building new infrastructure, implementing new technology, and continuing to utilize Freeway Service Patrol to reduce delays by providing roving tow trucks to quickly assist motorists when accidents occur or vehicles break down.

The final scope and project limits of all improvements proposed in the Highways and Regional Corridors category will be determined through the environmental review process.

The Commission may add additional Highways projects should the Measure produce more revenue than predicted or the Commission be highly successful in obtaining state and federal matching funds or due to unforeseen circumstances.

State and federal funds will be sought to assist with the total cost of the projects identified in this Plan. Funds generated by the Measure will be leveraged to supplement those funding sources and will be used as local matching funds to help cover the remaining costs to accomplish these improvements.

5.1b Local Streets and Roads

Twenty-nine percent (29%) of the Measure revenues will be returned to local cities and the County for the unincorporated areas of Western Riverside County for local streets and roads improvements. The local streets and roads system provides for everyday movement in Western Riverside County with much of the road system aging, requiring maintenance, and in need of operational improvements. The Measure will provide local jurisdictions with funding to help keep the local streets and roads system in good condition to serve the public. The priorities for local transportation vary among individual local jurisdictions. Local Streets and Roads funds can be used for transportation projects as designated by this Plan.

The Plan will provide an estimated \$2.8 billion specifically for this purpose over a thirty (30) year planning horizon. The funds made available in the Western Riverside County area will be distributed to the cities and the County by a formula based 75% on proportionate population and 25% on revenues generated by Measure A. A Five-year Capital Improvement Plan ("CIP") for the use of these funds will be prepared annually by each city and the County and submitted to RCTC.

Eligibility for these funds shall be conditioned on the participation and compliance in the TUMF and Multiple Species Habitat Conservation Plan ("MSHCP") programs, per Section 2.IX of the Ordinance.

Examples of local streets and roads projects include:

- Pothole repair and road maintenance
- Traffic calming measures and other road safety improvements
- Road widening or lane additions
- Sidewalks and pedestrian infrastructure
- Traffic signal synchronization
- Railroad crossing safety improvements, including separating where roads intersect with railroad tracks
- Bridge repairs and rehabilitation

5.1c Public Transportation

Twelve percent (12%) of the Measure revenues are identified for maintaining reliable public transportation in Western Riverside County. With some of the longest commute distances in Southern California, Western Riverside County residents require passenger rail, express bus, local transit, and ridesharing options to access employment centers, schools, healthcare, and other destinations.

This Measure will provide an estimated \$1.1 billion of Measure funds over a thirty (30) year planning horizon to maintain passenger rail and transit services, including frequency and reliability. Investments may support commuter services and ridesharing programs, rail service on the Metrolink system, express bus connections, and first- and last-mile improvements. This Expenditure Plan also prioritizes keeping bus fares low for seniors, veterans, students, and individuals with disabilities. The Citizens and Specialized Transit Advisory Committee, with representatives from these populations, will assist RCTC in administering the program.

Passenger Rail

Riverside County is home to several railroad rights-of-way that connect Riverside County communities. These rail lines serve as a public transportation backbone for our region. Funds for the Plan are eligible to be used for, but are not limited to:

- Maintaining and expanding passenger rail service frequency on existing commuter rail (Metrolink) lines
- Maintaining or constructing new or additional railroad tracks and supporting infrastructure within existing rail rights-of-way to allow more trains to operate and to increase efficiency and on-time performance of trains
- Constructing new rail stations
- Maintaining and enhancing security and safety at rail stations

Bus

The Plan will invest in intercity express bus service and provide a reasonable alternative to the automobile for daily commuters who travel within the region. Eligible investments include, but are not limited to:

- Improving safety and security on buses and at transit facilities
- Procuring buses and funding related capital, maintenance, and operation costs
- Roadway technologies that improve bus travel times
- Improving access to and from schools, colleges, and universities and employment centers

Specialized Transportation

This Plan also invests in specialized transportation providers that serve seniors, veterans, students, individuals with disabilities, and rural and underserved communities.

Specialized transit eligible investments include, but are not limited to:

- Additional paratransit-type services to serve areas without public transit options to improve quality of life and access to employment, medical, and educational opportunities
- Expansion of destinations and hours of operation to complement public transit operators for paratransit services such as Dial-A-Ride

Commuter Services, Ridesharing, Vanpools, Buspools, and Park-N-Ride

Funds will be used for programs and services that encourage alternative forms of travel across commuter and non-commuter trips. This may include trip planning applications and rideshare matching databases, incentive-based and employer programs, park-n-rides, vanpools, buspools, and on-demand and similar-type services.

5.2 Coachella Valley

The Coachella Valley area is in the central part of Riverside County and, as of 2026, includes the cities of Cathedral City, Coachella, Desert Hot Springs, Indian Wells, Indio, La Quinta, Palm Desert, Palm Springs, and Rancho Mirage. It also includes unincorporated areas as well as tribal lands of the Agua Caliente Band of Cahuilla Indians, the Augustine Band of Cahuilla Indians, the Cabazon Band of Mission Indians, the Torres Martinez Desert Cahuilla Indians, and the Twenty-Nine Palms Band of Mission Indians.

The Coachella Valley Association of Governments (CVAG) establishes its priorities according to the Transportation Project Prioritization Study (TPPS), which is a data-based method of prioritizing all regional projects in the Coachella Valley. Project priorities are based on criteria adopted by the CVAG Executive Committee and publicly reviewed by elected officials representing every CVAG member jurisdiction.

The TPPS is updated as the Coachella Valley's population grows and becomes more diverse. TPPS updates address evolving mobility challenges, new technologies, state and federal policy, and worldwide climate and economic trends. The TPPS is designed to give flexibility to changing circumstances and help identify projects in the Coachella Valley that include:

- Improving traffic flow and reducing congestion on Highway 111;

- Adding/improving interchanges on I-10 and SR-86;
- Providing funding for local streets and roads improvements;
- Improving safety and visibility at major intersections and arterial roads;
- Reducing congestion by improving major roadways identified as important by local governments in the Coachella Valley;
- Providing express east-west transit routes; and
- Improving and expanding public and specialized transit service.

Projects may also include, but are not limited to, development of new regional roadway connections; modernization of existing arterials to increase capacity and safety; construction of grade separations where roads intersect rail lines; corridor improvements that enhance traffic flow and regional connectivity; and implementation of bicycle, pedestrian, and multi-modal transportation features. Funding may be used to construct, reconstruct, widen, realign, maintain, or operate regional arterial corridors.

The proportional funds generated in the Coachella Valley shall be distributed as set forth in the table below:

COACHELLA VALLEY ALLOCATION OF FUNDS	
INVESTMENT CATEGORY	PERCENT
Highways and Regional Corridors	50%
Local Streets and Roads	35%
Public Transportation	15%

CVAG annually certifies member jurisdictions' compliance with the Coachella Valley's TUMF program and the Coachella Valley Conservation Commission ("CVCC") certifies compliance with the Coachella Valley Multiple Species Habitat Conservation Plan ("CVMSHCP"). As of the adoption of the Ordinance, all Coachella Valley cities and the County of Riverside are compliant with both the TUMF program and CVMSHCP. Measure revenues shall only fund projects in jurisdictions that continue to be compliant with the TUMF and CVMSHCP programs. For funds generated by this Measure, CVAG shall not enter into reimbursement agreements with CVAG member jurisdictions or other agencies if they are not found to be compliant in the annual CVAG/CVCC certifications. The CVAG Executive Committee may override these compliance requirements by a two-thirds vote of its total membership during a noticed public hearing when it is determined that a project's regional transportation, safety, and/or environmental needs take precedence over one or more agencies' TUMF/CVMSHCP compliance.

5.2a Highways and Regional Corridors

Fifty percent (50%) of the Measure revenues will be utilized for highways and regional corridors. This Measure will provide an estimated \$1.2 billion of Measure funds over a thirty (30) year planning horizon. This segment of the Plan will be implemented by CVAG. The TPPS serves as the CIP for the Coachella Valley section of this Expenditure Plan. Funding for TPPS projects follows CVAG's cost-sharing policy that requires a local match for local and regional projects to unlock regional funding.

The TPPS has included projects to substantially improve connections to federal and state freeways and highways, particularly I-10, Highway 111, SR-74, SR-62, and SR-86. Upgrades to existing interchanges as well as new interchanges, such as Portola Street in Palm Desert, are planned and are awaiting funding to be constructed. This Plan will also allow for improvements such as express lanes on I-10. Such facilities will make it safer and more reliable to travel along I-10. Additionally, the TPPS will include grade separations and interchanges for SR-86, including a new bridge at Avenue 50, and improving other areas where high numbers of accidents and fatalities occur. The TPPS process is flexible enough to incorporate improvements to connecting regions, including SR-62 and SR-74. Additionally, the Plan includes funding to substantially improve the overall condition of these roads as CVAG works in partnership with Caltrans. The Freeway Service Patrol could be expanded to I-10 in the Coachella Valley to quickly clear incidents from the freeway and keep traffic flowing.

The final scope and project limits of all improvements proposed in the Highways and Regional Corridors category will be determined through the environmental review process.

5.2b Local Streets and Roads

Thirty-five percent (35%) of the Measure revenues will be returned to the cities and the county in the Coachella Valley and shall be used to assist with the funding of local streets and roads improvements. This Measure will provide an estimated \$800 million of Measure funds over a thirty (30) year planning horizon. These funds will supplement existing federal, state, and local funds. Local street improvements adjacent to new residential and business developments will continue to be paid for by developers.

Allocation of funds to the cities and the County will be based on a formula weighted 50% on proportionate dwelling units and 50% on revenues generated within each jurisdiction. A Five-year Capital Improvement Plan for the use of these funds will be prepared and annually updated with public participation by each city and the County.

Eligibility for these funds shall be conditioned on the participation and compliance in the TUMF and CVMSHCP programs, per Section 2.IX of the Ordinance. If a city or the County chooses not to participate and be in compliance in TUMF or CVMSHCP and related impact fee programs, the funds they would otherwise receive for Local Streets and Roads will be added to the Highways and Regional Corridors program.

5.2c Public Transportation

Fifteen percent (15%) of the Measure revenues will be used for transit operations and capital needs, including maintaining, improving, and expanding public transit and specialized transportation services. This Measure will provide an estimated \$300 million of Measure funds over a thirty (30) year planning horizon.

Discount Fares and Expanded Transportation Services for Seniors, Students, and Individuals with Disabilities

For seniors, students, and individuals with disabilities, access to healthcare, social services, education, and recreation is a key to quality of life. SunLine Transit Agency offers a full array of public transit and specialized transportation services, including reduced fares for eligible riders.

Specialized Transportation Services

In addition to providing public transit service (SunBus), paratransit service (SunDial), microtransit service (SunRide) and commuter service to San Bernardino, SunLine Transit Agency offers specialized transportation services to Coachella Valley residents and visitors. These services can include programs that provide discounted services; specialized transit services that expand opportunities beyond paratransit service and fixed routes; and coordination of transportation services offered by many non-profit social service organizations. Measure funds will assist these programs and other types of specialized transportation services which may be implemented.

Bus Replacement and More Frequent Service

Public bus transportation offers communities many benefits including reducing traffic congestion, wear and tear on roads, and parking demand while helping to lower emissions. By providing access to schools, jobs, and other destinations, it is also a vital force in economic development. This is especially true in the Coachella Valley where the majority of SunBus riders rely on bus service to get to work and/or school. Measure funds can be used to maintain and increase service levels and replace and modernize SunLine's fleet and infrastructure. SunLine's vehicles operate on clean and alternative fuels, creating a healthier community while increasing access.

5.3 Palo Verde Valley

The Palo Verde Valley area is located in the easternmost part of Riverside County. It is geographically separated from the Western Riverside County and Coachella Valley areas. The population of the area is relatively small and significant growth over the next 30 years is not anticipated. The Palo Verde Valley is served by I-10, which provides adequate connections to the westerly portions of Riverside County and easterly to Arizona. The greatest need for the Palo Verde Valley is funding to adequately maintain and rehabilitate local streets and roads.

One hundred percent (100%) of the funding generated by the Measure returned to the Palo Verde Valley is to be used for local streets and roads. This Measure will provide an estimated \$60 million of Measure funds over a thirty (30) year planning horizon. Funds shall be distributed to the City of Blythe and the County of Riverside by formula. The formula distribution is based 75% on proportionate population and 25% on sales tax revenues generated in each area.

The Blythe City Council will have authority to set priorities and expend funds within the city limits and the County Board of Supervisors will have authority to expend funds in unincorporated areas of the Palo Verde Valley.

PALO VERDE VALLEY ALLOCATION OF FUNDS	
INVESTMENT CATEGORY	PERCENT
Local Streets and Roads	100%

Investments made by the City of Blythe and the County must be for transportation purposes for the benefit of Palo Verde Valley residents and must be approved in an open and transparent manner pursuant to open meetings laws. All revenues generated through the Measure in the Palo Verde Valley shall remain in the Palo Verde Valley and cannot be diverted to other areas of Riverside County. Funds shall be distributed to the City of Blythe and the County of Riverside proportionally, with sales tax revenues generated in each jurisdiction returning to its respective source.

A Five-year Capital Improvement Plan for the use of these funds will be individually prepared and annually updated by the City of Blythe and the County and submitted to the Commission.

Chapter 6: Bond Financing

To expedite the delivery of transportation projects identified in the Plan, the Commission may, pursuant to applicable provisions of law, issue bonds or otherwise incur indebtedness, including through financing agreements, leases, lines of credit, or other lawful financing instruments, payable from Measure revenues.

This Ordinance authorizes the Commission, by resolution or other separate action, to determine the form, timing, amount, and terms of such indebtedness, provided that the obligations do not exceed projected Measure revenues and are used solely for purposes authorized under the Ordinance and the Plan.

Revenues generated by the renewal of Existing Measure may also be utilized to pay debt service on bonds and other obligations issued prior to the operative date of this Measure and bonds or other obligations subsequently issued for refunding purposes.

Chapter 7: Estimated Measure Revenue Generation per Region

ESTIMATED MEASURE REVENUE GENERATION*	
Western Riverside County*	\$9,460,000,000
Coachella Valley*	\$2,300,000,000
Palo Verde Valley*	\$60,000,000
TOTAL	\$11,820,000,000
*Economic Forecast estimates approximately \$11.82 billion for a 30-year planning horizon. Note each geographic subregion's estimated amounts are rounded for presentation purposes.	

This chart shows the estimated proportional distribution of tax revenues estimated to be generated from each of the three geographic subregions that would be used to implement investments of the Plan.

Chapter 8: Flexibility to Expedite Projects

To deliver transportation projects more quickly for the benefit of Riverside County residents, visitors, and businesses, Measure revenues may temporarily be reallocated among projects or categories to expedite delivery, provided that long-term proportional allocations required by this Plan are maintained unless amended

pursuant to law and Section 2.V of the Ordinance. The Commission, in allocating the annual revenues from the Ordinance, shall meet all debt service requirements prior to allocating funds for other projects.

Chapter 9: Informing the Public of Local Funding Support

All projects funded with \$1 million or more of Measure revenues shall be required to inform the public that Measure revenues support the project.

Chapter 10: Severability Provisions

If any provision of this Plan, or the application thereof, is for any reason held invalid and unenforceable by a court of competent jurisdiction to a person or circumstance, the remainder of the Plan and the application of such provision to other persons or circumstances shall not be affected thereby, and the Commission declares that it would have passed each part of this Plan irrespective of the validity of any other part.

Chapter 11: Provisions for Population and Taxable Sales Estimates

Annual population estimates produced by the California Department of Finance are relied upon in determining the distribution formula funds for the Local Streets and Roads portion to cities and the County.

Actual retail sales tax transactions provided by the California Department of Tax and Fee Administration will be used to determine taxable sales in each of the three specific geographic subregions. The Riverside County Planning Department shall estimate the share for each of the unincorporated areas for the three subregions, from the total retail sales transactions for the total unincorporated area.

IMPARTIAL ANALYSIS OF MEASURE "A"

Riverside County Traffic Relief, Pothole/Road Repair Investment Renewal

The purpose of Measure A is to enable voters to enact or reject the extension of the transactions and use tax ("Special Sales Tax") to fund transportation improvements at the existing rate of one-half percent (1/2%) until ended by voters. The Riverside County Transportation Commission ("Commission"), by adopting Resolution No. 26-011 ("Resolution"), elected to call an election to place this Measure on the ballot.

Measure A was initially approved by voters in 1988 and authorized a levy of retail transactions and use tax. In 2002, Measure A was extended for an additional thirty years by voters. The existing Measure A is set to expire in 2039. Since 1988, Measure A provided for Riverside County's transportation funding source and provided for transportation improvements such as highway and freeway projects, local streets and road projects, and public transportation services.

The Special Sales Tax would continue to be allocated among three funding categories: (1) Highways and Regional Corridors; (2) Local Streets and Roads; and (3) Public Transportation within Riverside County. Funding will be leveraged to maximize state and federal investments.

Measure A provides for the Commission to conduct an annual independent financial audit of the proceeds of the Special Sales Tax. An independent taxpayers oversight committee has been established and shall review the annual audit of the Commission.

For this Measure to be approved, at least two-thirds (2/3) of qualified voters who vote on the Measure must vote yes.

A "YES" vote on Measure "A" is a vote to allow the extension of the Special Sales Tax at the existing rate of one-half percent until ended by voters.

A "NO" vote on Measure "A" is a vote to reject the extension of the Special Sales Tax at the existing rate of one-half percent until ended by voters.

By: Minh C. Tran
Riverside County Counsel

ARGUMENT IN FAVOR OF MEASURE “A”

Vote Yes on A to cut traffic, speed up road repairs, and make it cheaper, faster, safer and easier to get around Riverside County — without raising taxes.

We suffer some of the worst traffic jams in the country. We waste too much time and gas idling in cars, stuck in traffic. Bad roads and potholes cost the average family \$2,500 a year in blown tires, cracked windshields and other repairs - at a time when too many families live paycheck to paycheck. And long traffic jams make air quality worse.

It's time for action. Vote Yes on A for a real, local solution that won't raise taxes.

Vote Yes on A to fix roads and speed up traffic:

- Fix thousands of potholes and bad roads throughout Riverside County, including major freeways
- Speed up highway improvement and road repair projects
- Fix bottlenecks that snarl traffic
- Upgrade and repair almost 500 aging, deteriorating bridges
- Reduce cost and commute times for people who travel long distances for work
- Keep transit affordable, safe, clean and reliable for senior citizens and people with disabilities
- Create thousands of good-paying, local jobs across the county

Vote Yes on A for strict fiscal accountability, transparency, and local control:

- All funds must be used only for easing traffic jams, fixing roads and improving transportation in Riverside County
- No funds can be taken by state or federal government, or pulled away to LA
- Required independent oversight and annual audits to ensure funds are spent as promised
- Funds cannot be used for any other purpose

Riverside County is one of the fastest growing counties in the nation. We can't wait any longer for these problems to get worse and more expensive to fix.

Vote Yes on A to fix roads and cut down traffic jams now - without raising taxes!

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “A”

The proponents claim Measure A will “cut traffic, speed up road repairs, and make it cheaper, faster, safer and easier” to get around Riverside County.

But Measure A has been doing exactly what proponents now promise for nearly four decades.

Since 1988, Riverside County taxpayers have paid the half-cent transportation sales tax. RCTC reports Measure A has generated approximately **\$4.9 BILLION**. Yet Riverside County still suffers from severe congestion, deteriorating roads and major transportation bottlenecks.

The proponents themselves admit the problem: **“We suffer some of the worst traffic jams in the country.”** If decades of Measure A funding have failed to solve the problem, why should taxpayers surrender the existing sunset and make the tax permanent?

The proposed extension would continue the half-cent sales tax beyond 2039, with no new sunset date.

Taxpayers deserve results—not another promise that the next round of tax collections will finally fix problems previous collections were supposed to address.

Before committing future generations to an open-ended transportation tax, taxpayers should demand measurable results: reduced congestion, better-maintained roads, responsible spending and clear accountability.

Riverside County taxpayers have already paid BILLIONS. The question is whether they are getting the transportation system they were promised.

VOTE NO ON MEASURE A.

ARGUMENT AGAINST MEASURE “A”

VOTE NO ON MEASURE A — ENOUGH IS ENOUGH.

For nearly four decades, Riverside County taxpayers have paid the Measure A half-cent sales tax for transportation. Yet today, motorists still face some of Southern California’s worst congestion, deteriorating roads, potholes and increasingly expensive toll lanes.

Before extending this tax yet again, voters deserve accountability for the billions already collected and spent.

Measure A was first approved in 1988 and later renewed. Now voters are being asked to continue the tax beyond its current expiration date, effectively making this transportation tax an open-ended source of revenue.

Where are the results?

Drivers on the I-15 corridor through Temecula, the 91/15 interchange through Corona and major Riverside County commuter routes routinely face gridlock. Meanwhile, local streets and roads continue to require costly repairs and maintenance.

And taxpayers are increasingly confronted with toll lanes as an alternative to sitting in traffic. Residents already paying a sales tax for transportation should not have to pay additional, dynamically priced tolls simply to get through the traffic.

Supporters will point to individual projects completed with Measure A money. The question, however, is whether decades of taxation have produced a transportation system that adequately serves the people who paid for it.

VOTERS SHOULD NOT GIVE GOVERNMENT AN OPEN-ENDED TAX COMMITMENT WITHOUT DEMANDING BETTER RESULTS.

Vote NO on Measure A.

Send transportation officials back to the drawing board. Demand specific priorities, measurable congestion reductions, responsible spending, road maintenance and accountability before extending this tax again.

Vote NO on Measure A.

REBUTTAL TO ARGUMENT AGAINST OF MEASURE “A”

Measure A will bring real results, fund specific projects and improvements – and won’t raise taxes.

Those against Measure A have no plan for fixing roads and traffic. They simply hope things get better, without offering a solution.

Riverside County is one of the nation’s fastest-growing. Without Measure A, gridlock and air pollution will only get worse.

These locally-controlled funds have improved lanes and interchanges on the 15, 215, 60, 10, 71, 91 and every other major local road, filled millions of potholes, sustained vital daily transit for senior citizens and people with disabilities, and secured hundreds of millions in state and federal funds.

Measure A is a real plan for traffic and road improvement as the Inland Empire grows. Measure A includes strict oversight and accountability to make sure our tax dollars improve traffic and fill potholes.

Measure A is a real, local solution that won’t raise taxes.

Measure A has strict fiscal accountability, transparency, and local control:

- Required citizens oversight committee and annual audits to ensure funds are spent on our roads and bridges
- All funds must be used only for easing traffic jams, fixing roads and improving transportation in Riverside County
- No funds can be taken by state or federal government, or pulled away to LA
- Funds cannot be used for any other purpose

Riverside County is one of the fastest-growing counties in the nation. We can’t wait any longer for these problems to get worse and more expensive to fix.

Vote Yes on A to fix roads and cut down traffic jams now - without raising taxes!

Voter Registration Resources

Voter Registration and Status

You can complete a paper registration form or visit www.registertovote.ca.gov to register online. Eligible 16 and 17 year olds can pre-register to vote and have their registration become active once they turn 18!

To check your voter registration status or find additional information about upcoming elections, visit www.voterstatus.sos.ca.gov.

Scan the QR code or call (951) 486-7200 or (800) 773-8683 for more information.

Scan for quick
access

Same Day Voter Registration

Want to vote but missed the voter registration deadline?

Conditional Voter Registration (CVR) or “same day voter registration” is available at the Registrar of Voters office and at all Vote Centers in Riverside County through Election Day!

Voter Update and Cancellation Form

Visit www.voteinfo.net to complete and submit a Voter Update and Cancellation Form if you:

- Need to correct the spelling of your name as registered
- Need to update your mailing address
- Need to cancel your voter registration

Scan for quick
access

California Motor Voter

Eligible applicants completing a Department of Motor Vehicles (DMV) transaction will be automatically registered to vote by the California Secretary of State, unless they choose to “opt out” of automatic voter registration.

Drivers with an AB 60 driver’s license are not eligible to register and vote.

To learn more, visit www.sos.ca.gov/elections/california-motor-voter.

Accessible Voting Options

Accessible Voting Unit (AVU)

The AVU is a ballot marking device that is easy to use and is available to all voters.

- Touchscreen display
- Equipped with optional control that includes Braille and audio headset
- Print, review, and cast your ballot
- Available at all Vote Centers in Riverside County

Translated materials may be available, ask an Election Officer for assistance

Remote Accessible Vote by Mail (RAVBM)

The (RAVBM) system is a tool available to voters who need assistance reviewing and marking their ballot.

How Can I Vote Using the RAVBM System?

1. Access the RAVBM link on www.voteinfo.net starting October 5, 2026
2. Download, mark, and print your ballot
3. Seal and sign the ballot envelope
4. Return your ballot

Interpreter Services and Translated Voting Material

If you need additional language services at a Vote Center, please see an Election Officer for assistance.

Curbside Voting

Curbside voting is available at all Vote Centers in Riverside County.

Please call (877) 663-9906 for assistance.

California Voter ID & Registration Requirements

Who Can Register to Vote in California?

To register, you must be:

- A United States citizen and a California resident
- 18 years or older on Election Day (or 16 or 17 years old to pre-register)
- Not currently serving a state or federal prison term for a felony
- Not currently found mentally incompetent to vote by a court

Do I Need to Show ID to Vote in California?

In most cases, NO. California does not generally require voters to show identification at the polls.

When MIGHT You Be Asked for ID?

You may need to show ID only if ALL the following apply:

- You're voting for the first time in a federal election
- You registered by mail or online, AND
- You did not provide your CA ID or SSN when registering

You'll be notified in advance if this applies to you.

Poll workers may only request an ID if the voter list clearly indicates it's required.

**For more information,
visit vote.ca.gov or
call our Voter
Hotline at (800) 345-
VOTE (8683).**

What Forms of ID Are Acceptable (if required)?

You can show a photo or non-photo ID, including:

- California Driver's License or State ID card
- U.S. Passport
- Student or Military ID
- Official mail from a government agency
- Paycheck or government check
- Utility bill or bank statement

For a complete list, see: www.sos.ca.gov/elections/hava-id-standards

Photo ID is not required, it's just one of many valid options. ID does not need to show your address or be government-issued.

Don't Have ID When Voting?

You can still cast a provisional ballot. Your ballot will be counted after elections officials have confirmed you are registered to vote in that county, and you did not already vote in that election.

Check Your Voter Status Online

Visit the Secretary of State's My Voter Status page at voterstatus.sos.ca.gov to check your voter status, find your polling place or a vote center, and much more.

To check your voter status, you will need to enter your first name, last name, date of birth, and your California driver's license or California identification card number, or the last four digits of your social security number.

Visit voterstatus.sos.ca.gov for important voter details.

How to Fix a Missing or Noncomparable Signature on Your Vote-by-Mail Ballot Return Envelope

✓ Possible Issues With Vote-by-Mail or Provisional Ballot Return Envelopes

- **Missing Signature:** You forgot to sign your vote-by-mail ballot return envelope.
- **Signature Doesn't Compare:** Your signature doesn't compare with the one on file with the elections official.

✓ What Happens Next?

- **Notification:** If there's an issue with your ballot, your county elections office will notify you by mail, phone, email, or from the Secretary of State's ***Where's My Ballot?*** tool.
- **How to Fix It:** You can access a form on your county elections official's website to provide your signature and confirm that you voted your ballot.
 - Check your mail or email for instructions from your county elections office
 - Fill out the form and follow instructions on how to return the form
 - Your options to return the form may vary by county
 - Failure to follow instructions may result in your ballot not being counted

✓ Stay Informed With *Where's My Ballot?*

- **Track Your Vote-by-Mail Ballot:** Get automatic updates on your ballot's status by signing up for ***Where's My Ballot?***
- Receive notifications via **text, email, or phone** about:
 - When your ballot is mailed
 - When it is received
 - If it has been counted
 - If there are issues that need to be fixed
- Sign up today at:
wheresmyballot.sos.ca.gov

✓ Important Deadlines for the November 3, 2026, General Election:

- **Mail ballots:** Return your ballot by mail as soon as you receive it. Must be postmarked no later than November 3, 2026, and received no later than November 10, 2026.
- **Deadline:** The deadline to fix your missing or noncomparable signature is 5:00 p.m. on November 25, 2026.

For more information, visit vote.ca.gov or call our Voter Hotline at (800) 345-VOTE (8683).

VOTER BILL OF RIGHTS

YOU HAVE THE FOLLOWING RIGHTS:

- 1** **The right to vote if you are a registered voter.** You are eligible to vote if you are:
 - a U.S. citizen living in California
 - at least 18 years old
 - registered where you currently live
 - not currently serving a state or federal prison term for the conviction of a felony, and
 - not currently found mentally incompetent to vote by a court
- 2** **The right to vote if you are a registered voter even if your name is not on the list.** You will vote using a provisional ballot. Your vote will be counted if elections officials determine that you are eligible to vote.
- 3** **The right to vote if you are still in line when the polls close.**
- 4** **The right to cast a secret ballot** without anyone bothering you or telling you how to vote.
- 5** **The right to get a new ballot if you have made a mistake,** if you have not already cast your ballot. You can:
 - Ask an elections official at a polling place** for a new ballot,
 - Exchange your vote-by-mail ballot** for a new one at an elections office, or at your polling place, or
 - Vote using a provisional ballot.**
- 6** **The right to get help casting your ballot** from anyone you choose, except from your employer or union representative.
- 7** **The right to drop off your completed vote-by-mail ballot at any polling place** in California.
- 8** **The right to get election materials in a language other than English** if enough people in your voting precinct speak that language.
- 9** **The right to ask questions to elections officials about election procedures** and watch the election process. If the person you ask cannot answer your questions, they must send you to the right person for an answer. If you are disruptive, they can stop answering you.
- 10** **The right to report any illegal or fraudulent election activity** to an elections official or the Secretary of State's office.
 -  On the web at www.sos.ca.gov
 -  By phone at **(800) 345-VOTE (8683)**
 -  By email at elections@sos.ca.gov

Check Your Voter Status Online

Visit the Secretary of State's My Voter Status page at VoterStatus.sos.ca.gov, where you can check your voter status, find your polling place, and much more.

Use **My Voter Status** to:

- See if you are registered to vote
- Check your political party preference
- Find your polling place
- Find upcoming elections in your area
- Receive your Voter Information Guide (VIG) by email before each statewide election (see below for more information on opting-out of the VIG)
- Check the status of your vote-by-mail ballot or provisional ballot

To check your voter status you will need some personal information like first name, last name, California driver license or identification card number, social security number (last 4 numbers), and date of birth.

You can use the My Voter Status tool to opt out of receiving the state VIG. However, if another registered voter in your household requests to get it by mail, a state VIG will still be mailed to your address. If you have opted out and do not receive the state VIG in the mail, information on statewide candidates and ballot measures will still be available at the VIG website (<http://voterguide.sos.ca.gov/>) before each statewide election.

Go to VoterStatus.sos.ca.gov to get started.

Pre-register at sixteen. Vote at eighteen.

Online Pre-registration is now available for eligible 16 and 17 year olds at RegisterToVote.ca.gov or via the paper voter registration form. California youth who Pre-register to vote will have their registration become active once they turn 18 years old.

Pre-register in 4 easy steps:

1. Visit www.RegisterToVote.ca.gov
2. Click the "Pre-register to Vote" button
3. Become automatically registered on your 18th birthday
4. Cast your ballot on Election Day!

What is Pre-registration?

If you are 16 or 17 years old and meet all other voter eligibility requirements, you can Pre-register to vote at RegisterToVote.ca.gov.

Simply complete the online Pre-registration application and on your 18th birthday, you will automatically be registered to vote.

- **Curbside Voting on Election Day** - If you are unable to enter the location due to a physical disability, you may request Curbside Voting at any Vote Center. Curbside Voting doorbells and signs are available at all Vote Centers. If you require Curbside Voting assistance you may call (877) 663-9906 before going to a Vote Center and/or when you arrive at the facility. An Election Officer will be contacted prior to your arrival to meet you at the curb.
- **Large Print State Voter Information Guide** - If you prefer a large print State Voter Information Guide, you may request one by contacting the California Secretary of State's office at (800) 345-VOTE (8683), or by contacting the Registrar of Voters office at (951) 486-7200, (800) 773-VOTE (8683), California Relay Service (Dial 711).
- **Disability Rights California** will operate a statewide hotline on November 3, Election Day, from 7:00 a.m. to 8:00 p.m. The phone number is (888) 569-7955.
