**CANDIDATE STATEMENT FOR
GOVERNING BOARD MEMBER,
PALO VERDE UNIFIED SCHOOL DISTRICT**

NORMAN C. GUTH

AGE: 69

OCCUPATION: Educator

EDUCATION AND QUALIFICATIONS:

With 47 years of experience and dedicated service at all levels of public education, I offer a proven track record of advocacy for the students and the families of the Palo Verde Unified School District. I've been a volunteer fire fighter in Riverside County for 17 years, a Rotary Club member and I am active in my church. I earned a doctorate in Education from the University of Southern California, and I know first-hand the importance and impact a good education can have on the future of a child.

Providing a quality education for our students is my #1 goal for our 3600 students. We have outstanding teachers, and a quality support staff, and with their help our students have made dramatic strides in academic achievement in the past several years. However, there is still need for improvement. With experience and passion, I will work to see our schools through these difficult budget times, so that our students can be prepared for all the opportunities available to them.

I hope to continue my work to bring more openness, accountability, and fiscal discipline to the Palo Verde Unified School District. I would be honored to have your support and vote.

**CANDIDATE STATEMENT FOR
GOVERNING BOARD MEMBER,
PALO VERDE UNIFIED SCHOOL DISTRICT**

JOHN M. ULMER

AGE: 49

OCCUPATION: Farmer

EDUCATION AND QUALIFICATIONS:

My family came to the Palo Verde Valley in 1937 and we have been farming the same land successfully since then. I am a product of our local schools, and my five children have all attended public school here in Blythe. I attended PVUSD's schools and studied Agriculture Economics at Brigham Young University. For over 70 years, my family has advanced through the opportunities provided by our community's educational system. For 22 years my wife, Terri and I have been involved in all aspects of our children's educations, from kindergarten through college, and in those 22 years. I have recently observed a marked decline in the educational opportunities available to the students of PVUSD.

As a businessman, I understand the importance of utilizing limited resources, maintaining satisfied employees and employing quality management practices in every aspect of a business. I believe the students of Palo Verde Unified are deserving of a quality education, and the community deserves an open, transparent, and efficient PVUSD administration. I declare my candidacy out of obligation to the children that are continuing to strive for excellence without the necessary support or resources currently being provided at PVUSD. Please support my efforts with your vote. Thank you.

**CANDIDATE STATEMENT FOR
CITY COUNCIL MEMBER,
CITY OF BLYTHE**

QUENTON E. HANSON AGE: 63
OCCUPATION: Executive Director, Small Business
Economic Development Center
EDUCATION AND QUALIFICATIONS:

I am very concerned with the current situation of our nation, this state, and the City of Blythe, and thus have decided to run for City Council. Something is seriously wrong when a City the size of Blythe has deficits for the last nine out of ten years, and accumulates over a \$3 million deficit. The members of the City Council, have for far too long, been saying "Yes" when they should have said "No", spending every dime of revenue which came in, and failing to establish any type of "Rainy Day" fund. Thus, when the economy faltered, drastic action to cut expenditures was required. Furthermore, the knee jerk reaction to attempt to raise revenue through higher taxes on local businesses during a recession is foolhardy.

What do I support?

- A balanced budget each and every year without any new taxes.
- Establishment of a business friendly City with a "Can do" rather than "Can't Do" attitude.
- Establishment of a "Rainy Day" fund.
- Term limits for City Council members.
- I will strive to serve you in accordance with Proverbs 19:20.

I humbly request and seek your support and vote on November 3rd.

CITY COUNCIL MEMBER,
CITY OF BLYTHE**

OSCAR G. GALVAN
OCCUPATION: Retired UPS Driver
EDUCATION AND QUALIFICATIONS:

I am a lifelong resident of this community. I married my wife 43 years ago and we raised our family here. I have been involved with coaching Little League, boys' basketball, girls softball and other sports. I continue my active role volunteering to maintain the grounds at Palo Verde Cemetery and Blythe Municipal Golf Course.

I worked for UPS for 30 years as a service provider. Through this work experience I learned discipline, problem solving, responsibility and to take pride in the service I provided my customers while being a positive representative of my employer. On a personal level, those who know me know I am honest, truthful and sincere in my intentions. I believe these qualities will serve me well as a City Council member. The city needs representatives who will represent them well, look for sound solutions to complex problems, have a positive attitude toward growth and economic stability and have a sincere concern for the citizens - the youth, elderly, students, laborers, professionals, commerce/business or service providers.

We all want our community to prosper, and if elected, I will represent you with honesty, integrity and in the best interest for all.

SAM PATEL AGE: 69
OCCUPATION: Small Business Owner
EDUCATION AND QUALIFICATIONS:

Thirty one years ago I bought my first business in Blythe, and in the last 20 years I have been doing business at my present location. As a small business owner and operator of a small motel I know how to work with people and cooperate with other businesses for mutual benefit.

I am an active member of the Blythe Chamber of Commerce. Last year I had the privilege to serve as President of Chamber. That experience has taught me teamwork, as well as the leadership know how to carry out tough decisions. As a council person I can provide that leadership our city currently needs. In my experience of business finance and running the same business for 20 years, one thing I have learned is how to balance the books.

I am pro-business. By providing the leadership and supporting our small businesses we can improve the life of our citizens by providing jobs. Our city needs growth and we can achieve that growth through small business development. We can do that one business at a time.

As your council person I will work hard for you. My motto is "Smaller government, responsible government."

IMPARTIAL ANALYSIS OF MEASURE "H"

Shall the ordinance increasing the Transient Occupancy Tax from ten (10) percent to thirteen (13) percent be adopted?

The City of Blythe currently imposes a tax in the amount of ten percent (10%) of the rent charged to persons who stay at a hotel within the Blythe City limits. This tax is called the transient occupancy tax ("TOT"). The tax is paid by the hotel room occupant directly to the hotel operator at the time the occupant pays his or her hotel bill. Hotel operators hold the collected taxes in trust for the benefit of the City and remit the taxes monthly or quarterly to the City tax administrator.

If this measure is approved by the electorate, the TOT shall increase by three percent (3%) from the present ten percent (10%) to thirteen (13%). Therefore, if this measure is approved, a person who stays in a hotel within the City of Blythe will pay thirteen percent (13%) of the rent charged by the hotel operator as a TOT. All of the TOT revenues collected by the City shall continue to be used for City of Blythe general fund purposes.

The ordinance proposed by this ballot measure will be adopted if this measure is approved by a simple majority of those electors voting on the measure at the November 3, 2009 election.

A "yes" vote would approve an increase in the City's TOT by three percent (3%). A "no" vote would reject the proposed three percent (3%) increase in the City's TOT.

Dated August 5, 2009

BY: J. Scott Zundel

The above statement is an impartial analysis of Measure "H". If you desire a copy of the measure, please call the elections official's office at (760) 922-6161 x 221 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE “H”

The Transient Occupancy Tax, often referred to as the “bed tax”, is paid by anyone renting a hotel or motel room and virtually all cities in California charge the tax.

It is important to note that this tax is not usually paid by local residents and is never paid by the hotel/motel owners so this cannot be considered a tax on local businesses. Since rooms are typically rented by visitors and travelers, it is safe to say that residents won’t be taxed in any manner unless they rent a room.

To put the proposed increase into perspective, let’s say that the room rental rate is \$100 per night. The increase will result in an additional \$3 per night charged to the person renting the room. The only responsibility of the innkeeper is to collect the tax, as he/she is already required to do, and mail it to City Hall on a monthly basis. As such, this tax increase will not cause any more work for the innkeepers.

Of the additional money to be received by the City, one-third of it will be earmarked for tourist promotion. Our community relies heavily on the money spent by tourists and visitors so it makes sense that additional promotion of the city will translate into more outside dollars coming to it.

The remaining amount of the increase will be used for essential City services such as police and fire protection, parks, and street maintenance, to name a few.

In summary, this increase will be paid mostly by those living outside the city, it will be a very small increase, the monies will be used to help keep Blythe residents and visitors safe, and it will promote the city. Vote YES on Measure “H”, there is no reason not to!

By: Jeff Wade, President-Blythe Police Officers’ Assoc.

Richard Crabb, Vice President Blythe Police Officers Assoc.

Debbie White-Hoel, President Blythe Chamber of Commerce

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “H”

The argument “FOR” Measure “H” is a clear reflection of the deception and myopic view government has relative to taxes — They imply that you will not have to pay them and this increase will do no harm.

The argument is deceptive in that it tells you about an additional \$3 per night in the scenario presented, yet they do not tell you the full truth — that this ballot measure is seeking a 30% increase from 10% to 13%, and thus, the \$100 hotel room will actually have a total of \$13 in taxes added to the bill.

They assume that you will not have family or friends in town who will need to rent a hotel room. It fails to account for the fact that the additional 30% in taxes paid for a hotel room means that this visitor does not have that tax money to spend at a local restaurant, store, or other small business. It will directly impact, negatively, the profitability of our small business sector

The City refused to commit in the actual ballot measure the purposes for this tax increase so we are supposed to believe them now?

Support responsible government, vote NO on Measure “H”.

By: Shanker (Sam) Patel

ARGUMENT AGAINST MEASURE “H”

The question which each citizen, voter, and taxpayer must ask is “When is enough, enough?” The City of Blythe in this ballot measure is seeking a 30% increase (from 10% to 13%) in the Transient Occupancy Tax (TOT) currently assessed on each hotel/motel room rented in Blythe. The additional taxes raised forever more, will go into the general fund to be spent wherever and whenever, as desired by the City Council.

The City of Blythe has run a deficit balance in nine out of the last ten years, amassing a deficit of over \$3 million. These were good economic years for the nation's expanding economy and yet our City Council managed to spend every dime they took in plus some. Now as the economy faces sever challenges, the City decides that it has a “fiscal emergency,” needs additional tax revenue. When is enough, enough?

The City of Blythe has made some cuts, but more could and should be made. Taxpayers simply cannot afford to support the level and size of government which is now in place. Trying to raise taxes upon our small businesses within our community during a recession is foolish. While the TOT tax is higher in some communities, the majority of those communities have large convention centers and tourist operations directly supported by those taxes. Blythe does not.

The City has ignored ALL suggestions of moderation in the drafting of this tax increase measure — outright rejecting a “sunset” clause for its termination, and was not even willing to specifically earmark and direct a portion of the funds raised for future growth of tourism and economic development for our local community. Enough is enough!

Be a responsible citizen and vote NO on this ill-conceived tax increase.

By: Shanker (Sam) Patel

REBUTTAL TO ARGUMENT AGAINST MEASURE “H”

The opponents of this popular tax on visitors would have you believe that this is a tax on small businesses. This is NOT the case; only those renting a room are responsible for paying the tax, THERE IS NO TAX BURDEN WHATSOEVER on any business!

Furthermore, the opponents would have you believe that the additional monies will not be used to promote tourism but that is clearly incorrect. Once again, fully one-third of the new income will be dedicated to tourist promotion.

Wouldn't it be great to have someone else besides Blythe residents help to fund the police and fire departments and to contribute to the cost of maintaining parks and repairing streets? That's exactly what will happen if you vote Yes on Measure “H”. Visitors and others stopping overnight will be contributing their money, NOT YOURS, to these costs.

We here in Blythe are taxed enough so why not let visitors share in the expense of the services they also use? They will if you vote Yes on Measure “H”!

Have you ever wondered what your tax money goes for when you stay at a motel in another city? Your money, and not that of the residents, goes towards the same costs in those cities so why should Blythe be any different? The best taxes are those imposed upon other people, not Blythe residents!

If you want strangers to pour money into the local community, while you pay nothing, vote Yes on Measure “H”! There's no reason not to!

Richard Crabb, Vice-Pres. Blythe Police Officers' Assoc.
