DAVID CARDEN

AGE: 61

OCCUPATION: Realtor

EDUCATION AND QUALIFICATIONS:

This election finds our city at a crossroad which is both challenging and exciting. Voters have an opportunity to elect a leader who can deliver on the vision of a vibrant city with a sustainable future. I am confident that I can deliver on that vision. It is time the neighborhoods had a strong voice at City Hall!

As a proven neighborhood leader I know how to get things done. As a can-do person I seek new and innovative ways to solve issues and create win-win solutions. I believe in fairness, honesty and inclusiveness in creating partnerships to solve issues.

I created new Neighborhood watch organizations; implemented a free 'Lights on – Crime out! Program; I volunteer as a Citizen on Patrol community police officer and hosted a Town Hall meeting to Boost Tourism and Revitalize Downtown Palm Springs.

I will be a full-time public servant. I will be accessible, listen to concerns and never take my position for granted. Our city deserves a leader who can find common ground with all stakeholders to create a thriving downtown business corridor – our economic future depends on it. Please visit www.friendsofdavidcarden.com for more information.

I would be honored to have your vote.

JIM OSTERBERGER

AGE: 46

OCCUPATION: Video Lounge Proprietor

EDUCATION AND QUALIFICATIONS:

As a resident and downtown business owner, I have first-hand knowledge about the deterioration of our downtown. Part of the solution is addressing the skyrocketing rents the downtown landlords charge their tenants. I resolve to assist our community by bringing our concepts of downtown into a 21st-century reality.

In addition, we need to improve our schools to ensure our children will receive a top-quality education.

We need to enhance our public safety and city services.

We need to diversify our economic base by supporting green industries which provide jobs and benefits.

Please allow me to utilize my business and leadership experience to improve Palm Springs.

Thank you for your vote.

GINNY FOAT

OCCUPATION: Councilmember

EDUCATION AND QUALIFICATIONS:

Serving you on Palm Springs City Council is a privilege that has kept me focused on my promise to represent the best interests of residents, and our future, in every decision.

I am proud to stand on my record of strong fiscal conservancy, protecting our quality of life, and advocating for neighborhood involvement; balancing development with preservation, expenditures with return on the dollar, and neighborhood needs with budget constraints.

My past four years have been an exciting time of accomplishment. Four major hotels have completed, or are undergoing, extensive renovations encouraged by our new Hotel Incentive Program. Three new shopping centers opened and plans for College of the Desert West, a new animal shelter and two new parks are nearly complete. We have reduced crime, incorporated sustainability practices, and expanded our airport. I have worked hard to assist local businesses, including the facade improvement program and new sign ordinance.

Despite the economic downturn, I see great opportunity to move Palm Springs forward through diversifying our economy, implementing innovative funding strategies, and creating incentives to encourage investment in our City.

I ask for your vote to continue the important work we started for Palm Springs.

BARBARA BEATY

AGE: 52

OCCUPATION: Businesswoman

EDUCATION AND QUALIFICATIONS:

I love Palm Springs. I've lived in the area over 50 years. My husband and I met and married in Palm Springs 31 years ago.

After raising our children I started a nutritional counseling practice at Indian Wells Health Center. My practice attracted interviews with local television stations and The Desert Sun.

In 2004 I started my Arbonne business with a few catalogs and a dream. In two years our sales exceeded half a million dollars a month. Today I have business consultants in the US , Canada, Australia and the UK .

As a recipient of Arbonne's Parade of Champions award, I was acknowledged as having exceptional communication and leadership skills. These are the skills that are needed to unlock the tremendous economic potential hidden in our city.

The REVITALIZATION OF PALM SPRINGS hinges on the elimination of wasteful spending and a seamless flow of communication between merchants, developers and city council. It is possible to preserve our history, and maintain a village feel without jeopardizing growth and safety.

As a mother I value FAMILY

As a grandmother I value SENIORS

As a Human Rights Commissioner I value DIVERSITY

As a businesswoman I value our FUTURE. www.Vote4Beaty.com

CHRISTOPHER "CHRIS" MILLS

AGE: 62

OCCUPATION: Incumbent, Architect, Businessman

EDUCATION AND QUALIFICATIONS:

Steady, responsible leadership is essential in these times, when Palm Springs mirrors America's current economic difficulties and anxieties. My achievements and goals are not untested "visions" and ungrounded promises; I offer some of my accomplishments as an eight-year member of our City Council.

I initiated the "buy local" ordinance, and further promoted fiscal responsibility through balanced budgets and increased sales tax revenue from new retail centers. I have worked hard for economic development. In the critical endeavor of environmental sustainability, I encouraged the creation of the Resource Conservation Commission, the policy of "clean-air fleet" vehicles and energy upgrade home loans.

Our neighborhoods are organized, involved and partnering with our police in substantially reducing crime, and three-man fire crews are on duty at all stations. The new animal shelter project is funded, and the General Plan is up to date.

Palm Springs has been my home for 47 years. I have owned my local architectural practice since 1977, and my wife, Dawn, and I raised our two children here. I have always believed wholeheartedly in Palm Springs. With your support, I will continue to dedicate myself to its benefit. I ask for your vote.

IMPARTIAL ANALYSIS OF MEASURE "G"

Since 1970 the City of Palm Springs has imposed a telephone users' tax, paid by telephone customers on their telephone bills. Measure "G" would reduce the current 5% tax rate to 4.5%; maintain current exemptions; and update the definitions to apply to all intrastate, interstate, and international communications regardless of the technology used to provide such services. Thus, it would treat users of communication services in a uniform and equitable manner, regardless of the means of transmission or technology used.

The City's telephone users' tax ordinance, like many similar tax ordinances throughout the state, was written before the introduction of new communications technologies, including cellular phone service. The current ordinance was also written before several changes occurred to federal law, including the Mobile Telecommunications Sourcing Act of 2000 and recent changes in the IRS interpretation of the federal excise tax on long distance service. Taxes imposed by other California cities that contain language similar to that in the City's existing ordinance have been the subject of legal disputes. This measure would remove outdated ordinance language that is the subject of lawsuits in other jurisdictions and protect the City's existing tax revenues from such legal challenges.

Like the existing telephone users' tax, the updated telephone users' tax under Measure "G" would be a general tax, with its proceeds deposited into the City's general fund. The general fund is available to the City for all of its programs, including police, fire, and street maintenance, among other services. The telephone users' tax will not be increased without a vote of the City's voters. The measure has no effect on the existing utility user tax applied to electrical and natural gas services. The measure does not apply to charges for internet services, including digital downloads, such as books, ringtones, games, and similar products.

Measure "G" also proposes to replace the existing emergency response fee of the City with an access line tax. The existing emergency response fee partially funds the City's share of the costs associated with the constructing, equipping, and operating an emergency communication system to provide emergency call receiving and dispatching services (the 911 system) and can be increased at any time by the City Council. The access line tax that would replace the emergency response fee would be at the same monthly rates as the current emergency response fee of \$1.13 per access line and \$8.48 per trunk line, subject to an annual cost of living adjustment, and can not otherwise be increased without a vote of the City's voters. The access line tax would also be a general tax and its revenues would be available to fund any general fund program including police, fire, and street maintenance services as well as the City's share of the emergency communication system.

Voter approval of Measure "G" would confirm the City's continued and future collection of these revenue sources. Measure "G" will be adopted if it is approved by a majority of the voters voting on the measure.

City Attorney

The above statement is an impartial analysis of Measure "G". If you desire a copy of the measure, please call the elections official's office at (760) 323-8299 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE "G"

REDUCE TAXES and PROTECT 9-1-1 in Palm Springs.

Yes on Measure "G" REDUCES from 5% to 4.5% the existing Telephone Users Tax.

Yes on Measure "G" brings our Municipal Code into the 21st Century with modern language that responds to new technologies that have been introduced since the current ordinance was adopted in 1970, updates outdated provisions, and addresses several changes in federal law.

Yes on Measure "G" ensures that ALL users of telephone services are treated fairly and equitably.

Yes on Measure "G" PROTECTS our emergency response system by repealing the existing emergency response fee and replacing it with an access line tax which will be EQUAL to the amount of the current fee thereby ensuring that there will NOT be any increase in user costs.

Yes on Measure "G" ensures the preservation and continuation of revenue necessary for PROVIDING ESSENTIAL SERVICES for Palm Springs residents, including 9-1-1 emergency response system, police, fire, gang prevention, street and pothole repairs, parks, libraries, and other general fund services.

Yes on Measure "G" will MAINTAIN existing exemptions (such as low income), will not apply to digital downloads, such as music, games, and ringtones, and will prohibit any future rate increase without voter approval.

Yes on Measure "G" ENSURES that all revenues derived from these ordinance amendments stay in Palm Springs.

Measure "G" is NOT a new tax, but REDUCES THE EXISTING UTILITY USERS TAX FROM 5% TO 4.5%. Measure "G" simply modernizes and replaces existing ordinances with language that is consistent with new federal and state law, ENSURES EQUAL TREATMENT FOR ALL TAXPAYERS, and preserves the right of the people to VOTE on any increases. Measure "G" eliminates the risk of losing vital revenue sources that help provide essential City services.

REDUCE TAXES and PRESERVE the right to vote, please Vote "YES" on Measure "G".

Chris Mills, Mayor Pro Tempore
