REGISTRAR OF VOTERS
COUNTY OF RIVERSIDE

Dear Riverside County Voter:

Your Consolidated Uniform District Election Law (UDEL) Election ballot may contain contests for school districts, community college districts, special districts, city offices and/or measures. Information in this Sample Ballot and Voter Information Pamphlet will assist you in making informed choices when marking your ballot. You may mark your selections on your sample ballot and take it with you to the polls for reference to easily and quickly complete your official ballot. Whether you go to the polls or use a vote-by-mail ballot, the paper ballot is the same. Additionally, one electronic accessible voting unit will be available at each polling location for any voter's use.

The additional information below is to ensure your ballot is counted promptly and accurately.

Polling Place

Your polling place is listed on the back cover of this pamphlet. Polling places will be open from 7 a.m. to 8 p.m. on Election Day, November 3rd.

Marking Your Ballot

Voter selections are indicated by connecting the arrow to the right of the candidate's name for whom you wish to vote or connecting the arrow to the right of YES or NO for a measure. Illustrated marking instructions are contained in this pamphlet and a demonstration is available on our website at www.voteinfo.net.

Can't make it to the polls?

Vote at the Registrar of Voters Office

You may obtain and cast your ballot at the Registrar of Voters Office at 2724 Gateway Drive in Riverside, Monday through Thursday beginning October 5th from 7:30 a.m. to 6:00 p.m. and on Election Day, November 3rd from 7 a.m. to 8 p.m.

Vote-by-Mail

An application for a vote-by-mail ballot is located on the back cover of this pamphlet. Vote-by-mail ballots may be voted and returned at your convenience but must reach the Registrar of Voters Office no later than the close of polls on Election Day (Postmark not accepted). For voter convenience, completed ballots can be dropped off inside the Registrar of Voters Office daily during business hours or 24 hours a day in the locked drop box outside our main entrance. **Ballots received after 8 p.m. on Election Day cannot be counted.**

Should you have any questions concerning this UDEL Election please use the contact information at the top of this letter to reach our office.

We look forward to counting your vote with your participation on November 3rd.

Sincerely,

Barbara Dunmore
Registrar of Voters

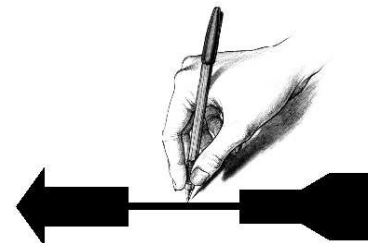

IMPORTANT NOTICE!!!

Please refer to the following instructions on how to properly complete your official ballot.

HOW TO MARK YOUR PAPER BALLOT

- ✓ Connect the head and tail of the arrow that points to your choice, like the example provided, also check both front and back of ballot for voting contests
- ✓ Use a black ball point pen. Do not use felt tip, red or gel ink
- ✓ One line connecting the arrow is preferred
- ✓ Vote for no more than the number of candidates allowed in each contest for the contest to be counted (e.g. vote for one, vote for no more than two, etc.)
- ✓ Please keep the ballot folded the same way as you received it

TO MARK YOUR VOTE DRAW A LINE

This pamphlet section may not contain a complete list of candidates. A complete list of candidates appears on the Sample Ballot section of this pamphlet. Each candidate's statement in this pamphlet is volunteered by the candidate and is printed at the expense of the candidate unless otherwise determined by the governing body. Deposit amounts required for publication of candidate statements are listed in the candidate handbook at www.voteinfo.net.

Candidate statements represent the views of candidates and are not endorsed by the County of Riverside. Internet web site addresses included in candidate statements and arguments are provided by the authors. The County of Riverside assumes no liability for the accuracy or content of web sites listed therein.

Arguments in support of or in opposition to the proposed laws are opinions of the authors and are not endorsed by the County of Riverside.

The text, grammar, and spelling are as submitted by the authors.

POLLING PLACE REMINDER NO ELECTIONEERING!

All electioneering, voter solicitation, etc. is prohibited within 100 feet in any direction of the room where voters are casting ballots.

Avoid wearing or displaying campaign buttons, hats, t-shirts, and other political items.

CALIFORNIA ELECTIONS CODE §§18370, 18371

**CANDIDATE STATEMENT FOR
GOVERNING BOARD MEMBER,
PERRIS UNION HIGH SCHOOL DISTRICT**

CAROLYN ANN TWYMAN

AGE: 57

**OCCUPATION: Parent / Educator / Incumbent
EDUCATION AND QUALIFICATIONS:**

I have a Bachelor of Science in Education, a Master of Arts in Education and a Credential in Pupil Personnel Services. I was a teacher for 9 years and a high school counselor for 15, 3 in the Perris District. As a counselor I have helped students achieve their personal, academic and career goals. I believe that proper school services are essential to ensure that students are prepared to enter into successful adult careers.

I am the mother of 4 daughters, 2 that attend Paloma Valley High School and 1 that is a graduate. I wish to continue to support the unification effort. The unification process is a long one and I believe that without my continued support the work we have done up to this point will be lost.

I wish to continue to ask the hard questions, ensure that taxes stay low, and keep the focus of the district funding on classroom instruction rather than administrative costs. If reelected, I will carry on promoting improved communication and respectful interactions with parents, students and staff.

I look forward to serving you further.

Please vote, Carolyn Ann Twyman for Perris Union High School Governing Board.

Thank You.

**CANDIDATE STATEMENT FOR
GOVERNING BOARD MEMBER,
PERRIS UNION HIGH SCHOOL DISTRICT**

WILLIAM F. HULSTROM

EDUCATION AND QUALIFICATIONS:

I am a UCR graduate and a retired PUHSD science teacher. My wife, Lorna, is a teacher. Our daughters graduated from Perris schools and went to universities.

In the past 4 years as a PUHSD Board member, I have worked to: change the ambiance within the district so that it is more welcoming to our students, parents, and community; bring in new leadership to ensure that our student scores continue to rise; institute staff training to address concerns identified in State testing results; create a District Master Facilities Plan to guide the District in continued upgrading, site acquisition and construction of facilities; write Safety Plans for all District sites that guide staff and help assure our students' safety.

I supported the resolution to unify the Menifee Union School District. This resolution is currently at the State level.

The current economic situation offers many challenges to our school district. Fortunately we are in better financial condition than surrounding districts and have not had to layoff employees.

I will continue to work with District staff to search for funding to help meet the needs of our students.

**CANDIDATE STATEMENT FOR
GOVERNING BOARD MEMBER,
PERRIS UNION HIGH SCHOOL DISTRICT**

BRADY A. MC CARRON

AGE: 40

**OCCUPATION: Radio/Television Producer
EDUCATION AND QUALIFICATIONS:**

During my twenty years of active duty in the Air Force, I earned two Associate Degrees and a Bachelors Degree. Upon retirement, I continued my education receiving a Masters Degree. Public service and education are key factors in my life, and I hope to impart these values upon the students of the Perris Union High School District. I am fully aware of the issues that face the residents and students of this district.

Every student deserves the best education, no matter who they are, what school they attend, or where they live. We need to work together to have safe schools, raise the graduation rate, maintain and expand the programs offered to the students, as well as hire and keep only the best teachers. As a member of the PUHSD Citizens Oversight Committee, I know what our facilities need and I am committed to have facilities that improve the learning process not detract from it.

Today's students are tomorrow's leaders. Together we need to give them the best education available. I will do everything I can to make our students and district better.

Thank you for your consideration. Please vote for Brady McCarron. A vote for better students, stronger community, and a brighter future.

IMPARTIAL ANALYSIS OF MEASURE “C”

Measure “C”, if approved by a majority of the voters, would eliminate or reduce the Community Facilities District (“CFD”) tax currently imposed on some Perris properties, and establish a citywide parcel tax to help defray the cost of general city services, including fire protection and law enforcement, which equals about 60% of the General Fund budget.

Due to the global recession, the City’s major General Fund revenue sources, such as property and sales tax, building fees and permits, and interest earnings, have sharply declined. General Fund revenue is approximately 20% less than it was two years ago, or a \$6 million decrease.

To offset the drop in revenue, the City has instituted salary freezes, layoffs of temporary employees, unpaid furloughs, and other measures. The number of police patrol hours have also been reduced from the amount budgeted.

Despite spending cuts, the City has had to draw from its reserve fund to pay operational expenses. It is estimated that the amount taken from reserves will be \$1 million from the 2008/2009 budget, \$4.7 million from the 2009/2010 budget, and \$5.4 million from the 2010/2011 budget. It is projected that reserves could be entirely depleted by 2011/2012. The City Council unanimously voted to place Measure “C” on the ballot after finding that a fiscal emergency exists in the City due to the recession.

The amount of the parcel tax would vary based on use of the property. The maximum rate for single-family residences would be \$135.88/year. For multi-family residential property, the maximum rate would be \$135.88/year per dwelling unit. For non-residential (e.g., commercial, industrial) properties, the maximum rate would be \$543.52 per acre.

Residents who currently pay a Public Safety CFD tax will see that tax eliminated or greatly reduced if Measure “C” is approved. For example, residents in the North Perris Public Safety CFD, which includes most of North Perris, are currently paying approximately \$287 per year specifically to fund police and fire services in North Perris. If Measure “C” is approved North Perris Public Safety CFD tax will be reduced to zero.

Similarly, residents in the South Perris Community Facilities District (“CFD”), which generally includes residents of new developments in South Perris since 2006, are currently paying approximately \$325 per year to fund police and fire services, as well as park maintenance. If Measure “C” is approved, South Perris CFD residents will only pay about \$45 per year for park service.

To receive a reduction, CFD residents must be current on their obligations to pay the Measure “C” parcel tax. After subtracting the revenue loss by reductions to CFD residents, Measure “C” will create an annual revenue increase of about \$2 million citywide.

Measure “C” is a companion measure to Measure “D”. Although Measure “C” would establish revenue for the General Fund, Measure “D” states the intent that the priority for use of these funds shall be for “fire protection, paramedic services, law enforcement, gang suppression, crime and drug intervention, local job creation and retention, and graffiti removal.”

By: City Attorney

The above statement is an impartial analysis of Measure “C”. If you desire a copy of the ordinance or measure, please call the Perris City Clerk’s Office at (951) 956-2925 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE “C”

Between the State of California raiding \$4.5 million from the City’s budget and the economy slashing the City’s revenues, Perris is drawing from its reserve funds to maintain a high level of public safety services that have cut crime by 40%.

The City cut \$1 million from its budget by laying off workers, freezing salaries, and instituting unpaid furlough days for employees.

The City has cut another \$3 million from its budget by making cuts in nearly every other area of its operations.

But even with deep budget cuts, Perris will exhaust its reserve fund if a new way of funding public safety services is not implemented.

Public Safety Measure “C” provides that new funding in a fair and balanced way. It raises \$3.5 million in local revenue to pay for local public safety services. These are funds that the legislators in Sacramento can never touch.

Measure “C” eliminates an existing tax that only some residents now pay and puts in place a citywide parcel assessment. Each part of the City will pay for, and receive, the same police and fire protection.

Measure “C” gives our City a fair, balanced and reliable way to continuing funding paramedics, police officers and firefighters.

Without Measure “C”, our City will use up its reserves and be forced to eliminate five police officer positions, and reduce firefighters and paramedics. Cuts in public safety services will increase police and fire response times, impact property values and increase vandalism and other more serious crimes.

Let’s maintain our public safety services at their current levels and make funding for those services fair, balanced and reliable.

Vote Yes on Public Safety Measure “C”

By: Stanley Sniff, Riverside County Sheriff

Daryl R. Busch, Mayor, City of Perris

James McElvain, Chief of Police, City of Perris

Marion Ashley, Riverside County 5th District Supervisor

NO REBUTTAL FILED TO ARGUMENT IN FAVOR OF MEASURE “C”

ARGUMENT AGAINST MEASURE “C”

Measure “C”, also known as the “Public Safety Tax,” is not a good deal for Perris Taxpayers. This parcel tax has been associated with public safety to con voters into voting “yes” for the measure. However, there are many problems with this new tax on property owners.

Measure “C” is a bad deal because:

- It does not put more police officers or firefighters on the street.
- The tax automatically increases each year by 2%.
- The tax money is not designated specifically for public safety. It goes into the general fund where it can be spent on anything.
- The tax is never-ending. It doesn't end when the economy improves.
- Property owners are unfairly singled out.

Measure “C” is a risky tax proposal for Perris Taxpayers. It does not provide more public safety. The tax increases each year without voter approval. The tax money goes into the general fund, and doesn't have to be spent on police and fire protection. This tax is indefinite. Property owners will have to continue paying the tax even when the economy improves. This just isn't a good deal for the people of Perris.

Reject this tax. Vote NO on Measure “C”. If this slips through, it will open the door to more tax increases in the years to come. The Taxpayers of Perris cannot afford to be taxed without reservation.

Sincerely,

Jason H. Reed
Perris Resident and Taxpayer

REBUTTAL TO ARGUMENT AGAINST MEASURE “C”

Please don't be misled by the inaccurate statements against Measure “C”.

Because the State of California raided \$4.5 million from Perris' budget and the economy dramatically slashed the City's revenues, Perris has aggressively cut over \$4 million from its operating budget in nearly every area of operations, with the exception of Public Safety.

Still, Perris is drawing from its reserve funds to maintain its current levels of Public Safety Services. At this rate, reserve funds will be exhausted within the next three years if Measure “C” does not pass.

Measure “C” eliminates an old tax of \$287.16 a year that fewer than half of the property owners in the City pay. That tax goes into the City's General Fund to pay for police, paramedic, and fire services.

Measure “C” replaces the old tax with a much lower annual parcel levy of \$135.88 paid by all property owners and prevents the City from having to cut public safety services.

In the future, if the community requires additional funds for public safety services, Measure “C” can be raised by no more than 2% a year and only with a public vote by the City Council.

In the past 12 years, Perris has seen a 40% cut in crime. Measure “C” eliminates the need to make cuts in our funding for police, paramedic and fire services and keeps Perris' public safety headed in the right direction.

By: James McElvain, Chief of Police, City of Perris

Marion Ashley, Riverside County 5th District Supervisor

Daryl R. Busch, Mayor, City of Perris

Stanley Sniff, Riverside County Sheriff

IMPARTIAL ANALYSIS OF MEASURE "D"

Measure "D" is an advisory ballot measure seeking input and direction from the voters of the City of Perris on specifically how the revenue from the City's parcel tax (Measure "C") should be spent.

A "Yes" vote means you believe the City Council should make its top priority for use of the parcel tax revenue the following: fire protection, paramedic services, law enforcement, gang suppression, crime and drug intervention, local job creation and retention, and graffiti removal. A "No" vote means you do not believe the City Council should make such things its top priority.

All cities have a General Fund which is used for general operational purposes. Traditionally, a City's largest general fund expenditures are law enforcement and fire protection, and in Perris, these expenditures comprise about 60% of the General Fund.

Measure "D" is a companion measure to Measure "C", which would eliminate the Public Safety Community Facilities District ("CFD") tax paid by some Perris residents and establish a citywide parcel tax. If both Measure "C" and Measure "D" are approved by the voters, the City would establish a parcel tax, depositing the tax revenue into the City's General Fund, and the City Council would be advised that the top priority for spending the revenue collected from the parcel tax is fire protection, paramedic services, law enforcement, gang suppression, crime and drug intervention, local job creation and retention, and graffiti removal.

Since this is an advisory measure, it is not compulsory. The final decision for how the revenue generated from the parcel tax is spent will be made annually by the City Council as part of the budget process, which includes input from City residents.

This measure would take effect if approved by a majority of voters who cast votes in connection with this measure at the election.

By: City Attorney

The above statement is an impartial analysis of Measure "D". If you desire a copy of the ordinance or measure, please call the Perris City Clerk's Office at (951) 956-2925 and a copy will be mailed at no cost to you.

NO ARGUMENTS FILED IN FAVOR OR AGAINST MEASURE "D"

IMPARTIAL ANALYSIS OF MEASURE "E"

Measure "E", if approved by a majority of the voters, would change the position of City Clerk from elected to appointed.

The position of City Clerk of the City of Perris is currently elected and is filled once every four (4) years. There are no term limits. The next election for City Clerk would occur on November 2, 2010.

According to the California League of Cities, approximately two-thirds (2/3) of cities have an appointed City Clerk. Approval of this measure by City voters would make the City Clerk an appointed position. Rejection of this measure means the position of City Clerk would remain elected.

This measure would not affect the term of the currently elected City Clerk, which term expires in 2010. However, if this measure is approved the next and future City Clerks would be appointed.

The general duties of the City Clerk are set forth in State law. The duties include, but are not limited to, the following:

- * Keeping of records of meetings of the City Council and all City boards and commissions.
- * Publishing all public notices required by the City and State law.
- * Maintaining a book of all ordinances and resolutions.
- * Serving as custodian of all City records and the City Seal.
- * Administering oaths of office for all City officers.

In addition to the duties listed above, the City Clerk performs such additional duties as prescribed by the City Council by ordinance.

If Measure "E" is approved by the voters of Perris, general State law relating to selection of the City Clerk shall apply, which means the City Council may appoint the City Clerk. Alternatively, the City Council may, by ordinance, delegate to the City Manager the authority to appoint the City Clerk.

By: City Attorney

The above statement is an impartial analysis of Measure "E". If you desire a copy of the ordinance or measure, please call the Perris City Clerk's Office at (951) 956-2925 and a copy will be mailed at no cost to you.

ARGUMENT IF FAVOR OF MEASURE "E"

On November 3, 2009 voters will have the opportunity to bring the Perris City Clerk position in line with approximately 2/3's of other California cities. The City Clerk position should be free of politics, and their selection should be based on experience and qualifications to do the work for which they are responsible. By State law, the only qualifications to serve as an elected City Clerk are that the person elected to this position be at least 18 years of age, a registered voter and resident of the city.

Demands on this position in Perris are much different today than many years ago. At that time, the work could be accomplished by part-time elected citizens. Since then, the needs of the community have grown, the complexities of the position have increased and the technical skills required are significant.

The City Clerk's responsibilities include: city records management, elections oversight, and compliance with conflict-of-interest regulations and federal/state laws. The modern City Clerk must also have the ability to serve as Secretary to the City Council and Redevelopment Agency while remaining apolitical and neutral. Logic demands that the City Clerk be selected following a screening designed to recruit and hire the person with the strongest technical, administrative and professional skills. Once hired, an appointed Clerk can be held accountable to perform to the same standards established for other administrative staff.

A quality community should ensure that its key staff are selected on the basis of merit and are accountable for their performance. We urge your support for ensuring that the public's records are kept safe and secure. Experience, not politics, should be the means for accomplishing this.

By: Daryl R. Busch, Mayor, City of Perris

Al Landers, Council Member, City of Perris

Rita Rogers, Council Member, City of Perris

Joanne Evans, Council Member, City of Perris

NO ARGUMENT FILED AGAINST MEASURE "E"

United States® Census 2010

In 2010, the U.S. Census Bureau will issue the call for every resident of our nation to “Be Counted.”

Here are some reasons why the 2010 Census is important to you!

- Over \$300 billion are distributed to states, counties and cities based on the results of the census. That equals about \$1,000 per person per year until the next Census in 2020.
- Census data affects your voice in Congress by determining how many seats each state will have in the U.S. House of Representatives.
- Census data is used to determine how many California Assembly and Senate seats will be in Riverside County.
- Census data is used to draw the district boundaries for the County Board of Supervisors, some City Council districts, Board of Education Districts, and other special districts.

Do your part to ensure Riverside County is accurately counted.
