**CANDIDATE STATEMENT FOR
MAYOR,
CITY OF DESERT HOT SPRINGS**

YVONNE C. PARKS

OCCUPATION: Mayor

EDUCATION AND QUALIFICATIONS:

When you elected me Mayor two years ago, I pledged tough leadership and tough decisions to start solving our city's problems. I kept my pledge and cracked down on crime, gangs, and blight, renovated parks, fixing streets, balanced city budget.

Today we can be proud of our Police Chief and Police Dept. Property crime down 20%; violent crime down over 30%; increased police officers from 19 to 32; equipped police cars with computers; all officers with hand-held radios.

Two major gang and narcotics sweeps are eliminating dangerous criminals and drugs from our streets. Removing graffiti; cleaning up blight.

We tightened our belts to balance the 2009-10 budget. I'm fighting to keep local control of our tax dollars to benefit DHS residents.

I oppose Green Path North; destructive for DHS.

Paving 37 miles of streets, including new sidewalks, bike lanes; Wardman Park now a first-class baseball facility; Tedesco Park upgraded; improved Senior Center and Cabot's facilities.

A clinic and more doctors plan to locate in DHS 2009-10 to provide needed medical services for residents.

Endorsed by: many Desert Hot Springs residents, businesses, Sheriff Stan Sniff, District Attorney Rod Pacheco, Supervisor Marion Ashley.

I would appreciate your vote: Yvonne Parks Mayor.

**CANDIDATE STATEMENT FOR
MAYOR,
CITY OF DESERT HOT SPRINGS**

RUSSELL T. BETTS

EDUCATION AND QUALIFICATIONS:

Increasing tax burdens on city residents is not the answer to improving our city. New leadership will champion new and better solutions to the challenges we face. I'm pleased to have participated in the progress so far...crime is down, the city is cleaner and as I promised two years ago, residential streets are paved. But more work is needed.

Transforming our city as we move forward will require good business sense and sound judgment, not a career politician. Especially in these financially challenging times we must accomplish more and do it efficiently and differently.

My business experience in manufacturing and marketing is vital for the tasks ahead. That experience helped me find a new graffiti removal company for our city that is doing a far better job for less money. Our city is cleaner and more safe today compared to years past. This is a first step to attract new business and raise property values. This benefits everyone.

Obviously we need more. That's why I am running for Mayor. Responsible leadership is needed to provide good paying jobs for our working families. You can count on me, as your mayor, to best serve your interests. Learn more electrussellbetts.com

**CANDIDATE STATEMENT FOR
CITY COUNCIL MEMBER,
CITY OF DESERT HOT SPRINGS**

RUSSELL WAYNE MARTIN

AGE: 62

**OCCUPATION: Police SGT (RET)
EDUCATION AND QUALIFICATIONS:**

When you go to the market or your children go outside to play, are you concerned for the safety of you and your family? Our city has taken positive steps to revitalize our downtown and recreational facilities but what good is a new downtown if your family doesn't feel safe shopping there? What good is a new park if it's unsafe for your children to play there? What we need on the city council is someone who has experience in dealing with law enforcement issues; someone who understands the needs of the police department and the public safety needs of the community. Russ Martin has 31 years experience in law enforcement and has received national recognition for his crime fighting service. He is a Public Safety Commissioner who has worked with our Police Chief in hiring much needed new police officers to patrol our streets. He served on two adhoc committees to address parolee proliferation and improve emergency fire services. Russ Martin understands the economic needs of our community go hand in hand with public safety. Russ Martin is the missing ingredient necessary for our future.

**CANDIDATE STATEMENT FOR
DIRECTOR,
DESERT WATER AGENCY**

JAMES CIOFFI

OCCUPATION: Appointed Incumbent
EDUCATION AND QUALIFICATIONS:

I am committed to continue to serve as a Director of the Desert Water Agency. I am proud of the Agency's service to the community – a service that goes far beyond providing a safe, reliable water supply.

As your Desert Water Agency Director I will continue to insure the Agency is a productive, positive partner with the community, continuing its role in providing community needs, including:

- Affordable water rates and secure water supply
- Economic stability, and protection of water rights
- Progress in green energy
- More advances in recycled water and water conservation
- Public safety through a safe and reliable water supply

I have lived in Palm Springs for 52 years and started my own architectural practice over thirty years ago.

I have always been active in community and government, serving on numerous boards and committees including terms as chairman of the Palm Springs Planning Commission and Architectural Advisory Committee.

These years of public service taught me the value of listening and making important decisions that contribute to the vitality and prosperity of our community.

Consider experience and leadership and vote for Jim Cioffi for Desert Water Agency Board.

Cioffi4dwa.com

**CANDIDATE STATEMENT FOR
DIRECTOR,
DESERT WATER AGENCY**

PATRICIA "PAT" OYGAR

EDUCATION AND QUALIFICATIONS:

Water is complicated, especially with drought, a hobbled State Water Project, competing conservation programs and a statewide financial crisis.

I am proud of my 17-year record as a Desert Water Agency Director and believe my experience and re-election will help ensure safe affordable water and knowledgeable decisions on behalf of the ratepayers.

When I first ran, I outlined three goals: Expand the use of recycled water. Develop demonstration gardens to promote water-efficient landscaping. Secure new water sources.

Since then, all public golf courses, several private ones, Palm Springs High School, the Mid-Valley Parkway entrance and Demuth Park are using recycled water.

Demonstration gardens are at DWA headquarters, The Wellness Park, Palm Springs Art Museum and the Central Library.

As Board Water Conservation Chairman, I managed a multi-media education program and promoted low-cost controllers to reduce waste.

I am proud of the Cathedral City Cove sewer project, the Desert Hot Springs Mission Creek Recharge Ponds and aggressive pipe replacement, eradicating costly leaks.

My qualifications include service on the Regional Water Quality Board and a degree in Political Science and Public Service from UC Davis.

My hope is to continue representing you.

I respectfully ask for your vote on November 3.

**CANDIDATE STATEMENT FOR
DIRECTOR,
DESERT WATER AGENCY**

ARMANDO RANCANO

AGE: 60

OCCUPATION: Management Consultant
EDUCATION AND QUALIFICATIONS:

I am running for Director of the Desert Water Board because we need fairness and transparency dealing with water issues.

Our water supply is at risk. Most of our water comes from the Colorado River. Continued draught and competition for water rights threaten our supply.

Water costs more to deliver than we pay. We should not be making up the difference with funds reserved for emergencies such as earthquake repairs.

Residents who conserve pay more than they should and subsidize heavy users. Often used to discourage waste are tiered rates but there are other alternatives to consider carefully.

Keeping water bills low will not be easy. Water pumps use a lot of electricity and energy prices are rising rapidly. Difficult decisions await us.

I want to bring my extensive experience to making those decisions. An Operations Executive and Environmental Advocate for 25 years, I serve on the Palm Springs Sustainability Commission and its water sub-committee.

I also initiated water conservation programs in my Palm Springs neighborhood and lead efforts to educate our residents.

Safeguarding our water supply and keeping rates as low as possible are my main priorities. Please vote for me for Director of the Desert Water Board.

**CANDIDATE STATEMENT FOR
DIRECTOR,
DESERT WATER AGENCY**

RON STARRS

AGE: 57

OCCUPATION: Incumbent
EDUCATION AND QUALIFICATIONS:

It has been my privilege to serve as your Director for DWA since 1993. During that time the Board and Staff have made great progress towards insuring a reliable supply of safe pure water for all of us.

In addition to increasing our water supply through purchases and transfers, we have also sought to control the cost of water through programs such as building a multi-million dollar solar energy field at our Operations Center, treating all the waste water available for use on golf courses and parks, and providing "smart" irrigation controllers to customers at cost. These and other conservation programs have allowed us to continue to provide affordable water in a desert.

We are fortunate to have a reliable supply of water, yet it must be safeguarded. I am proud of the progress we have made towards protecting our water through innovative partnerships with customers, builders, and industry.

"Sustainability" and "green" lifestyles are now popular. However this is not a new concept at DWA – we have been actively protecting our most valuable natural resource for decades.

I thank you for your support, and I ask that you vote to re-elect me so that we can continue this important work.

**CANDIDATE STATEMENT FOR
DIRECTOR,
MISSION SPRINGS WATER DISTRICT**

DICK CROMWELL

AGE: 67

**OCCUPATION: Green Energy Specialist
EDUCATION AND QUALIFICATIONS:**

Our water is our City's priceless brand. Yet it has been too easy to look the other way as the population grows and our infrastructure ages and is poorly maintained. It is time to get serious about protecting our water. This concern is my primary reason for running for the Mission Springs Water District Board.

I have a long-range plan that will not burden the local residents and business community and I have the experience and background to get it done. Once we adopt a plan, we begin the task of seeking government grants. An infrastructure project, our water protection is what stimulus money should be supporting.

I am a pioneer in alternate fuels, a green energy specialist and advisor to clean energy/transportation industries and governments, a former DHS City Councilman and Planning Commissioner, former member of the PSUSD School Board, developed a hydrogen fuel training program with COD and founded the Clean Cities Coachella Valley Region and Desert Legal Foundation.

In all of the above, I have a proven record of leadership in problem solving and a proven record of hard work which developed consensus and led to action.

I ask for your vote on November 3.

**CANDIDATE STATEMENT FOR
DIRECTOR,
MISSION SPRINGS WATER DISTRICT**

NANCY S. WRIGHT

AGE: 58

**OCCUPATION: Business Owner
EDUCATION AND QUALIFICATIONS:**

I have represented the people of this district for 20 years, working with you and on your behalf to provide safe, clean, reliable and cost efficient water. With your vote I will continue my efforts to protect our hot and cold groundwater basins from overdraft and pollution.

Our water and sewer districts are financially sound and preparing for the future. I am committed to keeping rates as low as possible. Emergency and maintenance programs are in place.

Our water district has been awarded \$20 million in grants and is authorized for additional grants of \$35 million to offset costs and expand the sewer system.

I am the current President of the Board. I served seven years on the California Regional Water Quality Control Board. I represent the water board on the CVAG Energy and Environmental Resources Committee. Board member of: LAFCO (alternate), The Groundwater Foundation, Colorado River Citizens Forum, Desert Hot Springs Women's Club. I am proudly a founding member of the Desert Hot Springs Groundwater Guardian Teams.

When it comes to something as precious as our water, experience and dedication do make a difference.

Thank you for your support.

**CANDIDATE STATEMENT FOR
DIRECTOR,
MISSION SPRINGS WATER DISTRICT**

RANDY DUNCAN

AGE: 48

**OCCUPATION: Stock Broker
EDUCATION AND QUALIFICATIONS:**

My wife and I have lived here for more than 20 years, raised our family here and each own a local small business. This is home, and I want to make it a better place to live. I have served DHS as Rotary Club President, Planning Commissioner, Chamber of Commerce Treasurer, Boys and Girls Club Director and more. I served our Country as a Sergeant in the Marine Corps, earning an honorable discharge.

Water, whether hot or cold, is vitally important to us, but providing a high quality drinking water supply is becoming increasingly more complicated. During my term, I have traveled to DC and Sacramento helping obtain almost \$14,000,000 in grants and a \$35,000,000 federal authorization for infrastructure and sewers. I have listened and responded to your requests at Board meetings, spent countless hours with staff, and worked diligently to make MSWD a thriving district. The knowledge and experience I have gained is crucial to the district at this time. I will continue to secure millions in government funds, represent MSWD at state and federal levels, and be prudent in decisions affecting our coverage area. Thank you for your time and your vote.

**CANDIDATE STATEMENT FOR
DIRECTOR,
MISSION SPRINGS WATER DISTRICT**

JEFF BOWMAN

AGE: 54

**OCCUPATION: Local Business Owner
EDUCATION AND QUALIFICATIONS:**

MSWD needs new leadership:

- The district has not followed its own master plan for adequate water production.
- MSWD had \$21M in reserves in 2004. Today, it has only \$7M.
- Net operating income in 2005 was \$533K. Today there's a loss of \$3.3M. Reserves have been depleted each year since 2007 for general operating costs.
- Well #28, which supplies the Mission Lakes area, is contaminated with uranium and must be replaced.
- Almost 50% of the district is still waiting for sewers to protect our groundwater.
- Horton Wastewater Treatment Plant requires expansion to meet the needs of the community.

As the owner of a mineral-water resort with its own hot-water well, I am passionate about water. I understand the importance of water, its uses and conservation.

I am a community leader: chairman of the DHS Public Safety Commission and president of the Historical Society, and a member of the Coachella Valley's Visitors Authority management council.

Through progressive, responsible leadership, MSWD can have new wells; cost-efficient, ecologically sound wastewater treatment; and sewers to protect our groundwater. It's time for new, proactive leadership.
