ANNA NEVENIC

AGE: 66

OCCUPATION: Registered Nurse, Author
EDUCATION AND QUALIFICATIONS:

As a young girl I wanted to create a just world, leave it a better place than I found it and reach out to those in need. I have a long history of civic and social justice advocacy, have a plan to move Palm Springs in a new direction, one that is inclusive of people and neighborhoods in every corner of the city. Democracy works best when more people participate in the civic process. I want to give community a final say in local issues ranging from public safety, transportation, to infrastructure, street and sidewalk repairs, homeless issues, and much more.

The reasons for seeking this office is to get things done, to insure there's a level playing field between average folks and the tourism industry. There is a need to initiate transparency and comprehensive ethics reform that promotes civic engagement. We must bring High Tech industry to create well paid job for our young people. Predominately, low wages created by service oriented industry will not bring the desired economic development.

I use my own money for the campaign, therefore I pledge to give my undivided attention to all of you. Please, vote for me.

Curbside Voting doorbells are provided at each polling place location to assist in notifying Election Officers that voting assistance is needed. The Curbside Voting doorbells will be located next to the van accessible parking space at each polling place. Please ring the Curbside Voting doorbell and an Election Officer will come outside to assist. If you require Curbside Voting you may also call 1-877-663-9906 before going to your assigned polling place and/or when you arrive at the facility. An Election Officer will be contacted prior to your arrival to meet you at the curb.
