REGISTRAR OF VOTERS
COUNTY OF RIVERSIDE

Dear Riverside County Voter,

Please note – this year voting is different! This Voter Information Guide contains information for the November 3, 2020 Consolidated General Election. In an effort to reduce the spread of COVID-19 and in accordance with State Law, the Riverside County Registrar of Voters will be deploying a new election model for the upcoming November 3, 2020 Election. This will offer our voters more ways and more days to vote safely. Each eligible registered voter for the November 3, 2020 Election will receive a ballot by mail beginning Monday, October 5, 2020 in accordance with the Governor's Executive Order.

Voters can verify their voter registration at voterstatus.sos.ca.gov or register to vote at registertovote.ca.gov.

- Your Vote-By-Mail ballot may be returned at any of our 80 secure Ballot Drop-Off locations that will be available beginning October 5, 2020 or via USPS (no postage required).
- We are now operating nearly 130 Voter Assistance Centers throughout Riverside County. You can vote in-person at any location from October 31 – November 3, 2020.
- You may track your ballot by registering at WheresMyBallot.sos.ca.gov.
- A list of all Ballot Drop-Off locations and Voter Assistance Centers is posted at www.voteinfo.net.

The Riverside County Registrar of Voters recommends that voters only use the in-person Voter Assistance Centers if absolutely necessary, as the generalized use of in-person voting presents risks to public health and safety in light of the COVID-19 pandemic. Social distancing will be required when visiting a Voter Assistance Center and face coverings are strongly encouraged.

Please feel free to contact the Riverside County Registrar of Voters at (951) 486-7200 with any questions or concerns regarding the upcoming November 3, 2020 General Election.

Sincerely,

REBECCA SPENCER
Registrar of Voters

Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent +1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committees, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California law requires the following information to be printed in this guide.

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
42ND CONGRESSIONAL DISTRICT**

WILLIAM "LIAM" O'MARA, Democratic
OCCUPATION: University Professor / Historian
EDUCATION AND QUALIFICATIONS:

AGE: 46

I'm Dr Liam O'Mara, a professor of history and former longshoreman & frycook, and as both a scholar and working person I understand our struggles in Riverside County.

This pandemic has killed many Americans and we are in a Depression -- 33% of GDP gone, with millions unemployed and up to 42% of lost jobs not returning.

THIS WAS ALL AVOIDABLE. I prefer a government that respects science and follows economic history to make sound policy.

For decades wages have been stagnant while costs rose. We are selling out the AMERICAN DREAM, and I am running because I know how we got here and what we can do about it.

OUR FAMILIES deserve better than grinding traffic and low-wage jobs. Incomes in this district are below the national average.

We need trade schools and a university, and sustainable economic development. We need to INVEST IN OUR CHILDREN and prepare for the JOBS OF TOMORROW.

We can keep more of what we earn, and still ensure everyone has adequate healthcare, a good education, and a place to live.

Our district needs CHANGE, and LEADERSHIP ready to face the immensity of this moment.

It's time we had a Congressperson willing to tackle the corruption and SAVE THE MIDDLE CLASS. I'm in this to represent the PEOPLE, not corporate lobbyists.

I humbly ask for your vote.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
42ND CONGRESSIONAL DISTRICT**

KEN CALVERT, Republican
OCCUPATION: U.S. Representative
EDUCATION AND QUALIFICATIONS:

AGE: 67

It is an honor and privilege to represent you in the U.S. House of Representatives.

The ongoing pandemic has caused both a health and economic crisis. To keep Americans safe, I have supported legislation to get essential resources to frontline health care workers, expand testing capabilities, and accelerate the development of vaccines and therapeutics so we can resume our normal lives as soon as possible.

Small businesses and the workers they employ have been severely impacted by the closure of many sectors of our economy. I supported legislation creating new job-saving programs that have helped keep an estimated 90,000 workers on payrolls in the 42nd District alone. I also backed efforts to provide food and financial assistance to families in need.

I have delivered solutions to challenges facing our region and state, including securing a \$50 million federal highway grant to reduce congestion along Interstate 15 in Temecula, funding for programs that clean the air we breathe, and support for our military bases.

I will oppose Democrat efforts to force us into a government run health care system and stand against the misguided Green New Deal -- all that they'd pay for through a massive tax hike on working families. I oppose amnesty for illegal immigrants. I will fight efforts to defund the police because taking officers off our streets will make our neighborhoods less safe.

I am eager to keep working in Congress for you, your family and our region. I humbly ask for your vote.

KEN CALVERT
U.S. Representative

**CANDIDATE STATEMENT FOR
STATE SENATOR,
23RD SENATORIAL DISTRICT**

ROSILICIE OCHOA BOGH, Republican **AGE: 48**
OCCUPATION: Businesswoman / School Boardmember
EDUCATION AND QUALIFICATIONS:

As California heads into 2021 with over \$500 billion in debt, the legislature will take up issues of vital importance to our families, small businesses, schools, and overall quality of life. In this difficult time, especially with the impacts of COVID-19, it is critical that we send a strong, principled leader to Sacramento.

Californians are burdened with some of the highest taxes and excessive regulations in America because of the unchecked overreach of our state government. I will work to protect Prop 13 so that the cap on property taxes is maintained and there is not an additional burden on our families' finances. In addition to addressing our unaffordable housing costs, my priorities will be working to resolve health and homelessness issues and support our schools and local businesses. Focusing on these issues is essential to improving our quality of life and achieving the American Dream here in the Inland Empire.

My family's story is the story of the American Dream. I am proud of my grandparents who immigrated to America to achieve a better life for future generations. As a mother, small business owner, and schoolboard member, I know that keeping the American Dream alive requires vigilance. We will only succeed if small businesses have every opportunity to thrive, if parents are empowered to make more choices in their children's education, and if Californians can save more of their hard-earned money to support their families as they determine best.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
67TH ASSEMBLY DISTRICT**

KELLY SEYARTO, Republican

AGE: 60

OCCUPATION: Retired Firefighter / Councilmember

EDUCATION AND QUALIFICATIONS:

For more than three decades I was on the front lines of public safety as a Firefighter and Battalion Chief. My training taught me to act when I see problems. I know how to be a strong advocate for people. That's why I'm running for State Assembly.

The global pandemic has crippled our economy and negatively affected how we live. We need bold leaders who will challenge the status quo in Sacramento, spur our economic recovery, get our children the education they deserve and keep our communities safe. It can be done, but business as usual cannot continue.

The politicians in power in Sacramento have lost touch and aren't working for us. Thousands of dangerous criminals have been released from prison early this year alone.

While businesses are going under and citizens lose their livelihoods, California continues to waste billions of taxpayer dollars on a failed high-speed rail project from San Francisco to Bakersfield.

My commitment to protecting taxpayers has earned me the endorsement of the Howard Jarvis Taxpayers Association (PAC).

With my 35 years of service as a Firefighter, my experience as a Councilmember and Mayor, my education that includes a Master's degree in Public Administration, but most of all, my life's experience as a son, husband and a father to three daughters, I have the knowledge, the drive and the tenacity to help bring the change to Sacramento that is desperately needed.

I'd appreciate your vote.

OCCUPATION: Commissioner / Business Owner

EDUCATION AND QUALIFICATIONS:

I am a native Californian and 53-year resident of Riverside County who believes our state needs sensible solutions to face the discord and challenges ahead. Married 50 years, I'm a long time business owner, former Southwest Riverside County patrol deputy and police chief, prior U.S. Army infantry SSGT, fire department service, university and high school head coach. Currently, I'm Chairman of the Public Safety Advisory Commission for Lake Elsinore. I can take a great deal of experience to Sacramento to represent the 67th District.

Today's politics is not for the faint of heart, and Californians deserve an Assemblyman who is not afraid to reach across the aisle to address our challenges and create solutions for a more sensible California. Several of my concerns:

ECONOMY: Keeping California the 5th largest economy in the world will mean great cooperation between business and labor. And it will entail using our tax dollars wisely.

EDUCATION: We need to make sure that our students do not lose a year of education because of Covid-19.

EARLY RELEASE: Criminals who have physically harmed others should not be released early from jail/prison.

HOMELESSNESS: Compassion is key in dealing with our homeless population, but not everyone wants help. For those who don't, we need creative solutions to keep our communities safe and clean.

WATER/AIR : We want the cleanest air and safest water for ourselves and generations to come.

I ask for you to vote. I ask for your vote.

IMPARTIAL ANALYSIS OF MEASURE “M”

City of Menifee An Initiative Measure to Repeal the One Percent (1%) Retail Transactions and Use Tax Imposed by the “Menifee Public Safety/Traffic Congestion Relief/Vital City Services Measure”

“Measure M,” places before the voters of Menifee the question whether to repeal a prior initiative measure which was adopted by the voters in 2016. The prior measure, designated “Measure DD,” imposed 1% (one cent per dollar) transactions and use tax within the City of Menifee. Measure M was placed on the ballot by a petition signed by the requisite number of voters of the City of Menifee.

Before the voters adopted Measure DD in 2016, the tax on retail sales was 7.75%. The City received 1%, and the remaining 6.75% went to the State, the County of Riverside, and the Riverside County Transportation Commission. Measure DD increased the tax rate from 7.75% to 8.75%, with the full amount of the increase (1%) deposited into the City’s general fund. The tax is imposed on all retail sales in the City (with certain limited exceptions), regardless of whether the sale is to a resident or non-resident.

Because Measure DD was classified as a “general tax,” the tax proceeds may be used for any valid municipal government purpose. But the City’s expressed intent in placing Measure DD before the voters was that the proceeds be used to reduce traffic congestion; improve and repair local roadways; maintain local police, fire protection, paramedic services, and 9-1-1 emergency medical response times; prevent cuts to senior, disabled, and youth programs; and provide other general services.

With guidance from a City Council-appointed Oversight Committee, the City has spent the \$33 million in Measure DD funds it has received since January 2017 to support an additional medic truck and personnel for Fire Station No. 7; transition the Fire Department to municipal staffing levels; purchase a replacement \$1 million ladder truck; implement numerous infrastructure, road safety and capital improvement program projects; and establish the Menifee Police Department.

Measure M would repeal Measure DD, thereby changing the retail sales tax rate in Menifee from 8.75% to 7.75% and cutting the City’s share of the sales tax in half – from 2% to 1%. Forecasted revenues to the City would be reduced by more than \$11 million per year. The City Council would be responsible for making the budget cuts necessary to absorb the \$11 million per year reduction in revenues.

A “Yes” vote is a vote to repeal the tax. A “No” vote is a vote to reject the repeal measure, and to retain the tax. Measure M will be approved if it receives a simple majority of “Yes” votes.

ARGUMENT IN FAVOR OF MEASURE "M"

Don't be confused by this measure. It is simply a measure to repeal the sales tax voted in 2016 to make up for fees denied initially by the Governor. Those fees are now, and have been received for a couple of years, by the City.

The city is required by law to place an impartial argument and statement regarding this measure and should merely be asking whether or not you wish to repeal the tax. Instead they are trying to scare you by stating that you may be losing services. That is not true. We have watched their budget meetings carefully and they are in good shape with all their services.

They also mention the COVID crisis and no one can deny its effect. Keep in mind that this is true nation wide. However the virus is a temporary event but the sales tax is permanent until repealed by the vote of the people. It took three years to bring this to the people. This is your one and only chance to lower the sales tax since it can only be lowered by the vote of the people.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE "M"

Why do opponents want to take away our right to have OUR tax dollars stay local to help our Menifee families? Vote NO on M.

In 2016, we voters passed Measure DD to keep our taxpayer dollars local for our 911 and other services and away from State money grabs. Measure M is a shameless political attempt to end this funding immediately in the middle of a pandemic and recession. Protect our services and community stability! Vote NO on M.

It is a FACT: Existing, locally controlled funding you already adopted maintains 911 emergency response/preparedness, fire protection, crime prevention, youth and senior programs, community health services, and street/pothole repair.

ARGUMENT AGAINST MEASURE “M”

Don't be fooled by this sneaky attempt to overturn the will of Menifee voters and cut funding for essential services – **Vote NO on M.**

In 2016, nearly 70% of Menifee voters adopted Measure DD, establishing our own locally controlled funding used for 911, fire protection, emergency medical response, crime prevention, street maintenance and pothole repair, and youth and senior services. Not a dime of this voter-approved funding can be taken by the State, keeping OUR tax dollars LOCAL for our local needs.

If passed, Measure M – a deceptive ballot measure which is the brainchild of an ex-politician and his friends to override the will of Menifee voters – would END the funding you previously approved, for your essential services.

Again, vote NO on Measure M if you care about:

- Voter control over Menifee's local tax dollars
- Maintaining your 911, fire, and emergency medical response
- Paramedic and firefighting protection and emergency equipment
- Neighborhood community-based police protection and crime prevention
- Community health services that help Menifee families fight emergencies like the pandemic
- Our local street resurfacing and pothole repair

Coronavirus shows Menifee needs these essential services now more than ever! We know we cannot count on state or federal government to address Menifee's local needs. Your voter-approved funding is invested locally to keep our community safe, attract jobs and businesses, and help restart our local economy—don't let it end! Vote NO on M.

Maintain funding for the essential City services we need, when our health, safety, stability, and local businesses are in jeopardy. You've already spoken – Vote NO on M.

Join community and business leaders, firefighters, public safety professionals, and residents throughout Menifee -- vote NO on M.

REBUTTAL TO ARGUMENT AGAINST MEASURE “M”

Vote yes on Measure M. A yes vote means that you are in favor of repealing Menifee Municipal Code 3.26, which imposes a 1% sales tax. We have filed a lawsuit against the city because they changed the language in the petition to what you see on the ballot.

During the annual budget council meeting on May 13th city staff reported that the Police Department, Fire Department, Public Safety and Infrastructure would not be affected by the loss of the 1% sales tax and that there was only a minimal impact to the city due to the corona virus. This meeting was not posted to the web site until we demanded that it be posted. Days later it was but it was trimmed by 30 minutes and edited almost beyond recognition.

A second meeting was held, May 14th. The staff's presentation at the request of the council revolved around one topic – what would be the impact if the loss of the 1% sales tax were to be applied to just three categories - the police, fire and public safety. This is what they are telling us. It is a fear tactic to get you to keep the 1% tax.

We are Menifee Citizens, not politicians, bringing this issue legally to the ballot.

Common sense dictates that the 1% sales tax cannot cover all that the city claims that it covers.

Do not give in to the deceptive tactics.

California Motor Voter

The California Motor Voter program is making registering to vote at the California Department of Motor Vehicles (DMV) more convenient and secure. All eligible individuals completing driver license or ID card or change of address transactions at the DMV will be registered to vote with the California Secretary of State unless they "opt out" of automatic voter registration.

The California Motor Voter program applies to Californians who are 18 years or older and meet the following criteria:

- A United States citizen and a resident of California.
- Not currently in state or federal prison or on parole for the conviction of a felony.
- Not currently found mentally incompetent to vote by a court.

Note: Voter pre-registration is available for those 16 and 17 years of age. Their voter registration will become active automatically when they turn 18.

Before visiting a DMV field office, we recommend making an appointment. Visit <https://www.dmv.ca.gov/portal/dmv/detail/portal/foa/welcome> to get started. You can also use DMV online services (<https://www.dmv.ca.gov/portal/dmv/dmv/onlinesvcs>) to renew your driver license or ID card or change your address.

If you indicate you're eligible to vote, once you complete your driver license or state ID renewal form transaction online, by mail or in person at the DMV, your voter information is then transmitted securely and electronically to the California Secretary of State.

Please note that drivers with an AB 60 driver's license are not eligible to participate in the California Motor Voter program and are not eligible to vote.

Tips for California's Military and Overseas Voters

Taking part in elections is more convenient than ever for Californians serving in the military or living outside the United States. It begins when you register to vote as a military or overseas voter and receive election materials by mail, fax, or email.

- **Start early.** California's county elections officials begin sending ballots to military and overseas voters 60 days before Election Day. Fill out a voter registration application early at RegisterToVote.ca.gov to ensure that you receive your voting materials in time.
- **Know your options.** When registering to vote as a military or overseas voter, you can choose to have your ballot mailed, faxed, or emailed to you. You may return your voted ballot to your county elections official by mail or, in certain circumstances, by fax. If you meet the requirements to return your ballot by fax, you must also fax the Oath of Voter form (available from your county elections official) waiving your right to a confidential ballot.
- **Stay in touch.** Once you register as a military or overseas voter, you will continue to receive a ballot and election materials from your county elections official before each election. We encourage you to update your registration each year, if needed; however, you *must* re-register to vote if you change your address, your name, or your political party preference, or if you do not participate in four consecutive statewide general elections. Visit www.sos.ca.gov/elections/voter-registration/military-overseas-voters/ for more election resources designed especially for you.

Dates to remember:

October 19: last day to register to vote and request your ballot

October 27: last day to update or change how you want to receive your ballot

November 3: Election Day. Mailed ballots must be postmarked on or before Election Day **and** received by your county elections office no later than November 20. Faxed ballots must be delivered to your county elections office by close of polls, no later than 8:00 p.m. Pacific Standard Time, on Election Day.

Check Your Voter Status Online

Visit the Secretary of State's My Voter Status page at VoterStatus.sos.ca.gov, where you can check your voter status, find your polling place, and much more.

Use **My Voter Status** to:

- See if you are registered to vote
- Check your political party preference
- Find your polling place
- Find upcoming elections in your area
- Receive your Voter Information Guide (VIG) by email before each statewide election (see below for more information on opting-out of the VIG)
- Check the status of your vote-by-mail ballot or provisional ballot

To check your voter status you will need some personal information like first name, last name, California driver license or identification card number, social security number (last 4 numbers), and date of birth.

You can use the My Voter Status tool to opt out of receiving the state VIG. However, if another registered voter in your household requests to get it by mail, a state VIG will still be mailed to your address. If you have opted out and do not receive the state VIG in the mail, information on statewide candidates and ballot measures will still be available at the VIG website (<http://voterguide.sos.ca.gov/>) before each statewide election.

Go to VoterStatus.sos.ca.gov to get started.

Provisional voting

If your name is not on the voter list at your polling place, you have the right to vote a provisional ballot.

What is a provisional ballot?

A provisional ballot is a regular ballot that is placed in a special envelope prior to being put in the ballot box.

Who casts a provisional ballot?

Provisional ballots are ballots cast by voters who believe they are registered to vote even though their names are not on the official voter registration list at the polling place.

Vote by mail voters may need to cast provisional ballots if the voter wants to vote in person at a polling place, but did not receive their ballot or does not have their ballot with them.

Will my provisional ballot be counted?

Your provisional ballot will be counted after elections officials have confirmed that you are registered to vote in that county and you did not already vote in that election.

You may vote a provisional ballot at any polling place in the county in which you are registered to vote, however, only the elections contests you are eligible to vote for will be counted.

How can you check the status of your provisional ballot?

You can check the status of your provisional ballot at voterstatus.sos.ca.gov

Alternatively, every voter who casts a provisional ballot has the right to find out from their county elections official if the ballot was counted and, if not, the reason why it was not counted.
