REGISTRAR OF VOTERS
COUNTY OF RIVERSIDE

Dear Riverside County Voter,

Please note – this year voting is different! This Voter Information Guide contains information for the November 3, 2020 Consolidated General Election. In an effort to reduce the spread of COVID-19 and in accordance with State Law, the Riverside County Registrar of Voters will be deploying a new election model for the upcoming November 3, 2020 Election. This will offer our voters more ways and more days to vote safely. Each eligible registered voter for the November 3, 2020 Election will receive a ballot by mail beginning Monday, October 5, 2020 in accordance with the Governor's Executive Order.

Voters can verify their voter registration at voterstatus.sos.ca.gov or register to vote at registertovote.ca.gov.

- Your Vote-By-Mail ballot may be returned at any of our 80 secure Ballot Drop-Off locations that will be available beginning October 5, 2020 or via USPS (no postage required).
- We are now operating nearly 130 Voter Assistance Centers throughout Riverside County. You can vote in-person at any location from October 31 – November 3, 2020.
- You may track your ballot by registering at WheresMyBallot.sos.ca.gov.
- A list of all Ballot Drop-Off locations and Voter Assistance Centers is posted at www.voteinfo.net.

The Riverside County Registrar of Voters recommends that voters only use the in-person Voter Assistance Centers if absolutely necessary, as the generalized use of in-person voting presents risks to public health and safety in light of the COVID-19 pandemic. Social distancing will be required when visiting a Voter Assistance Center and face coverings are strongly encouraged.

Please feel free to contact the Riverside County Registrar of Voters at (951) 486-7200 with any questions or concerns regarding the upcoming November 3, 2020 General Election.

Sincerely,

REBECCA SPENCER
Registrar of Voters

Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent +1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committees, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California law requires the following information to be printed in this guide.

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
41ST CONGRESSIONAL DISTRICT**

MARK TAKANO, Democratic

AGE: 59

OCCUPATION: U.S. Representative / Teacher

EDUCATION AND QUALIFICATIONS:

Dear Neighbor,

It has been a great honor to work on behalf of the people of Riverside, Moreno Valley, Jurupa Valley and Perris in the United States Congress.

As your Representative, I have expanded access to healthcare for veterans, defended immigrants, worked to create high-paying jobs in the Inland Empire, and protected Social Security and Medicare. Since taking office, I have passed laws that have supported students, extended health benefits for Vietnam veterans, and protected veteran-owned businesses. My office has returned \$4.4 million in federal funds that were owed to members of our community.

Today, we face a grave crisis. The coronavirus epidemic has afflicted too many in our community, and driven our economy into a recession. As your Representative, I helped pass the CARES Act, which provided \$1,200 to Americans and extended unemployment benefits by \$600 per week. I fought for, and secured, \$431 million in federal aid for Riverside County and more than \$68 billion in forgivable loans for small businesses in our community and across California. The challenge posed by this virus will continue for some time, and I will continue to advocate for the funding needed to help the sick and support local families until our economy recovers.

As a lifelong resident of the Inland Empire, and former public school teacher, I'm proud to have the support of leaders from Riverside, Moreno Valley, Jurupa Valley, and Perris.

I respectfully ask for your vote so we can get through this crisis, stand up for our values, and rebuild our economy.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
41ST CONGRESSIONAL DISTRICT**

AJA SMITH, Republican

OCCUPATION: U.S. Airman (Ret.)

EDUCATION AND QUALIFICATIONS:

Anyone sick of listening to Washington, D.C. politicians who aren't black lecture Riverside County African-Americans about race?

As an African-American woman and 30 years Riverside County resident, I know we can do better. We have to do better. But we need a Congressmember concerned with the needs of Riverside County - not scoring cheap political points.

Black and brown graduation rates are bad and getting worse. African-American students made no progress closing the performance gap and only 1 in 5 were at standard in math. Only 28 percent of Latinos.

That's simply not good enough.

We must also take our public safety more seriously. On February 29, 2020, when only four people in America had coronavirus, federal officials wanted patients to be released from March Air Force Base after only 3 days. These patients were being repatriated from Wuhan, China. Worse yet, base employees claimed proper PPE and basic safety procedures were absent.

As a former employee of March Air Reserve Base, I will demand that our federal officials take every possible precaution to protect public safety.

I take our safety so seriously that I joined the United States Air Force after 9/11/2001, serving our country for 10 years. That's why I'm endorsed and trusted by Riverside Sheriff Chad Bianco, former Riverside District Attorney Rod Pacheco and the Riverside Fraternal Order of Police.

I hope you will support a black female veteran who will make our public safety the #1 priority - whether investing in police training, addressing homeless or protecting workers.

We need a leader who will bring our community together!

**CANDIDATE STATEMENT FOR
STATE SENATOR,
31ST SENATORIAL DISTRICT**

ROD TAYLOR, Republican

AGE: 50

OCCUPATION: Small Business Owner

EDUCATION AND QUALIFICATIONS:

Being a lifelong resident of California, I have decided to throw my name in the hat for State Senate. I am NOT a Politician and do not claim to be a Politician. I'm just your everyday California citizen that wants the best for our State. Our politicians have forgot they work for us, the CITIZENS, NOT the other way around and NOT for special interest groups. We know what's best for us, NOT policy makers in Sacramento. Every time we turn around, we see our basic rights and liberties taken away; new taxes imposed; restrictive legislation implemented; misleading information; and an increasing deterioration of living.

California needs change. California State Taxes are among the highest nationwide. California went from a 30 billion surplus to a 54.3 billion Deficit. California unemployment went from 4% to 15.5%. All within the last year. There will be more to come. Its time to put a stop to this and hold elective representatives responsible.

Let's stop the Super majority! The opposition has been in control since 1970, its time for a changing of the guard, together we can make our Great State Better. NO more catering to special interest groups. NO more taxes. NO more misinformation. No more back door deals. Put common sense back in Sacramento.

California is overdue for realignment – lets work together and make it happen.

I look forward to becoming your next State Senator.

Thanks for your support,

Now LET'S GET to WORK

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
60TH ASSEMBLY DISTRICT**

SABRINA CERVANTES, Democratic
OCCUPATION: California State Assemblymember
EDUCATION AND QUALIFICATIONS:

I work hard every day to deliver results for our district and serve as an accessible, thoughtful and responsive advocate for Riverside County residents in the State Assembly.

As your State Assemblymember, I championed legislation to purchase emergency PPE supplies for our nurses, doctors and frontline workers, and I worked to help local businesses and workers recover financially. I secured funding for the vital UC Riverside Medical School and the building of the first Veterans Resource Center at Norco College. I also helped negotiate a state budget that makes critical new investments in wildfire detection and prevention, and I secured \$427 million to reduce traffic locally by repairing our roads and bridges.

As the Chairwoman of the State Assembly's Jobs Committee, I'm helping to lead California's economic recovery and fighting to create new jobs and workforce training programs here in the Inland Empire. As a mother of triplets, I understand the challenges that working parents are facing and that is why I fought to expand access to paid family and sick leave.

I'm proud to have the support of local leaders from throughout Corona, Eastvale, Jurupa Valley, Norco, Riverside and unincorporated communities. I'd be honored to earn your vote.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
60TH ASSEMBLY DISTRICT**

CHRISTOPHER RAAHAUGE, Republican
OCCUPATION: Peace Officer
EDUCATION AND QUALIFICATIONS:

AGE: 34

Sacramento politicians act like it is business as usual. They've mismanaged our economy, destroyed lives, banned singing in places of worship, and released over 20,000 felons into our neighborhoods.

As a Supervising Correctional Officer, Chris Raahauge knows how important it is to fight to keep ALL neighborhoods safe.

Otherwise, working people trying to make ends meet, our seniors and our most vulnerable will be left unprotected and defenseless.

That is why Chris Raahauge will NEVER de-fund our police!

Raahauge knows that working families are already under attack from state taxes on gas, water and electricity, but now proposed miles-driven taxes and texting taxes too - ENOUGH IS ENOUGH!

Without a change we will continue to have the highest energy prices, rolling black-outs and power shut-offs endangering the elderly.

JFK would not feel welcome in this group of far-left radicals running California. They are still committed to failed ideas like high speed rail and backroom deals giving billions in contracts to Chinese political donors.

Chris Raahauge is an Eastvale resident, Corona High School graduate and has dedicated his life to helping the less fortunate - serving on the Board of Directors for the Norco-based "Shelter for Change" which helps feed thousands of Riverside County families and helps those with addiction - insured or uninsured.

Chris Raahauge will deliver compassion without corruption, safe neighborhoods and will be someone who speaks up when our political leaders mismanage our economy, destroy jobs and destroy lives.

It is time for an independent leader who will keep our neighborhoods safe!

ERIC K. DITWILER, SR.

AGE: 58

OCCUPATION: Educational Quality Administrator

EDUCATION AND QUALIFICATIONS:

I am running for School Board because I am a parent with a background in education and learning theory and believe that my more than two decades experience working to improve student engagement and educational effectiveness can help JUSD both meet the current crisis and prepare students to thrive in a post-Covid world.

It is the role of the District to provide its teachers with the tools and training they need to harness their passion for teaching and best educate our children. This is especially important given the current situation. We must also have methods of accountability in place, so that each member of our community understands their roles and responsibilities. Our children need their parents, teachers, and school officials to communicate consistent messages and provide stable environments.

Quality education is a public good. That is, everyone in the community benefits from everyone else's education and the community becomes a better place to live. Property values go up and the property tax base increases over time as homes turn over. This results in better schools and we start on an upward spiral.

LINDA JEAN ENGELAUF CHARD

AGE: 71

OCCUPATION: Retired Principal's Secretary

EDUCATION AND QUALIFICATIONS:

I was born, raised and educated in this community that my family has helped build since 1920. My husband started in the fire service here and we raised our two children, who are both teachers. I retired after 21 years as a school secretary and ran for the school board in 2014 because I wanted to give back to my community.

My goal then was to improve the quality of our children's education and ensure every student had their own computer. When the COVID-19 pandemic hit, we were one of the few districts technologically prepared for distance learning. It is important we continue to serve our families and students with health supports, and assistance with food, clothing and housing.

My goal now is to lead, with your input, and work alongside our parents, teachers, administration and community to keep academic achievement on track and assure equity for our diverse student population and their needs.

By voting for me, you will be voting for a passionate, caring, dedicated and experienced local leader, with knowledge and training to tackle the challenges facing the school district in the next four years.

Please Vote for Linda Engelauf Chard, Trustee, Area 4

TYLER L. BYRNE

OCCUPATION: Small Business Owner

EDUCATION AND QUALIFICATIONS:

Jurupa Valley is an amazing city. Its diversity in population, geography, history, and culture is unique. Our strong community with a rich history, rural and independent lifestyles, and love for horses are important to our residents. I plan to ensure that these key values not only remain within our city but are actively incorporated into our future.

I have an incredible family that is multi-cultural and multi-generational. It is this framework that I rely on to make my decisions. I have children who will look to our city to provide them a sound education that is only limited by their dreams. My eldest is a young adult who relies on this city to provide a career and housing where he can raise a family of his own. My aging parents look to our city leaders to ensure that our neighborhoods are safe, our air and water are clean and safe to enjoy, the arts are supported, and the sidewalks, streets, and public transportation are maintained.

I am running for Jurupa Valley City Council to continue the idea that a "Community of Communities" is stronger together and to bring creative and collaborative solutions to District 2 as well as the entire city.

OCCUPATION: JCSD Board Director

EDUCATION AND QUALIFICATIONS:

My husband and I have been residents of Jurupa Valley for 31 years where we raised our four children. I am a U.S. Army veteran, and I have served my community in numerous capacities to include being a Jurupa Community Services District Board Director since 2007. My experiences taught me the importance of making sound fiscal decisions and considering both short and long term impacts.

I have fought against developers who did not put our community's needs first. I also opposed the overhead power line project for over 13 years. With the City and community's help, this project was changed to be underground.

It is time to look forward to the type of development we want for the I-15 corridor in Jurupa Valley. This area will be a vital part of commercial development that our City needs to thrive. I want to be on the team that makes critical decisions that will influence our community's prosperity for decades.

With your vote, I will find new ways to add vitality to our growing City and continuously develop the quality of life standards for the citizens of Jurupa Valley.

My previous service to my community as a member of the city council has given me an exclusive perspective on the needs and desires of our community. I will fight to sustain a balanced budget and a reasonable growth of development and provide an honest level of governance to my community.

My priorities have been and will continue to be fiscal responsibility, public safety, job creation, and the health and welfare of our citizens. I strive for economic stability and development for businesses that will increase our property values and our quality of life.

OCCUPATION: Small Business Owner

EDUCATION AND QUALIFICATIONS:

I was raised in the City of Jurupa Valley. I went to Sky Country Elementary, Mira Loma Middle and Jurupa Valley High. My parents moved our family from a crowded city to the rural farm-like town of Mira Loma in 1988. My parents purchased a business here in 1988, in 2006 I took over, and now Willy's Tires has been servicing the city of Jurupa Valley for 32 years. Through business, I have interacted with the residents here in the City of Jurupa Valley since my teen years. Because of that, I have heard a lot of concerns for our community and its direction. Since I live in my childhood home with my wife of fourteen years and four children the concerns of the community are now my concerns. I plan on raising my children and retiring here in the city of Jurupa Valley. Because of that, I want to run for City Council to better the future of my children and community with responsible growth, resident feedback and careful planning. All while maintaining the rural like atmosphere of the City of Jurupa Valley and keeping up with the modernization of the future.

FULL TERM**

RONALD D. ANDERSON

OCCUPATION: Retired

EDUCATION AND QUALIFICATIONS:

My wife Marquita and I moved into the Pedley area of Jurupa Valley 45 years ago; prompted by our equestrian interests. After a successful, 42 year career as a corporate executive I retired in 2010. Since then, I have dedicated a good deal of my time to community service and volunteer work within the Jurupa Valley community.

As your director over the past eight years, my business experience has provided me the opportunity to contribute to the leadership, fiscal responsibility, accountability and management of the Jurupa Area Recreation and Park District. I believe I still have the capability, knowledge and desire to provide a positive impact on the future success of the district.

While my primary interests will be to improve the park and recreational quality of life issues in Division 2, a vote for me also assures a strong voice, for park and recreation issues, for all the residents of JARPD.

I humbly ask for your vote and support, so together we can continue the pursuit of better park facilities and recreational programs for all our citizens; young, adult and senior alike.

IMPARTIAL ANALYSIS OF MEASURE “U”

In 2018, the voters of Jurupa Valley approved a ballot measure allowing cannabis businesses in certain zones in the City and imposing a City tax on cannabis businesses.

Measure U would repeal the existing cannabis business ordinance and impose regulatory and operational requirements, amend the zoning regulations, and increase the City tax on cannabis businesses.

- All cannabis businesses shall obtain both a conditional use permit and an annual regulatory permit.
- Cannabis retailers would be conditionally permitted uses in the C-1/C-P (General Commercial) and R-VC (Rubidoux-Village Commercial) zones. The Council could allow retailers to locate in additional zones and to establish “retail cannabis areas” so as to prevent over-concentration in any one area.
- One cannabis retailer would be allowed per 12,000 population, which means nine would be allowed under the City’s current population.
- If there are more qualified applicants than available permits, a lottery would be held to determine which cannabis retailers could apply for a permit.
- Cannabis businesses could not obtain a conditional use permit if located within 1,000 feet of the following uses: (1) school providing instruction in kindergarten or any grades 1 through 12; (2) day care center; (3) youth center; (4) church or religious facility; or (5) park.
- The parking requirements for a cannabis retailer would be increased to three (3) parking spaces for every 200 square feet of retail area or such additional spaces as may be required by a required parking study.
- Operational standards would be imposed related to security, community relations, odor control, signage, hours of operation, and cannabis consumption, as well as conduct background checks on employees, owners and persons with a financial interest in the cannabis business.
- Existing cannabis businesses with a State license to operate in the City, would be exempt from obtaining a conditional use permit but would have three months from the effective date to obtain a regulatory permit, and nine months to come into compliance with any applicable operational standards.

Facilities for indoor Cannabis cultivation, distribution, manufacturing , microbusinesses, and testing laboratories would be conditionally permitted uses in the M-SC (Manufacturing Service Commercial) and BP (Business Park) zones. The Council is authorized to add zones where these businesses could operate.

Measure U would increase City tax on cannabis businesses by imposing an annual gross receipts tax in the following percentages: retailers (6%), distributors (2%), manufacturing (2.5%), testing laboratories (1%). Indoor cultivation would be taxed at \$10 per square foot of cultivation area. These are general taxes that can be used for general municipal purposes, such as public safety, road repairs, youth programs, and parks. Measure U requires a simple majority vote to pass. The amount of revenue generated by these taxes is dependent on the size and number of cannabis businesses that operate each year and is estimated to generate approximately \$1,681,383 per year in new taxes for the City until repealed by the voters.

Measure U was placed on the ballot by the Jurupa Valley City Council.

ARGUMENT IN FAVOR OF MEASURE "U"

VOTE YES ON MEASURE U

In November 2018 the people of Jurupa Valley voted to legalize the sale of cannabis at dispensaries and to legalize other commercial cannabis businesses.

New Measure U would provide up-to-date and fair regulations of cannabis businesses and a fair tax on cannabis businesses to better protect the community;

New Measure U will include the following protections for the community and neighborhoods:

- Cannabis dispensaries and cannabis businesses would be separated by 1,000 feet from the following sensitive uses (1) a school providing instruction in kindergarten or any grades one through twelve, (2) day care center, (3) youth center, (4) church or other religious facility, or (5) park in existence at the time the application is submitted to the city;
- Increased parking requirements for retail cannabis dispensaries;
- An appropriate and fair increase in taxes on cannabis dispensaries and other cannabis businesses to provide funds for important City services, such as public safety, road improvements, health programs, youth and senior programs, and other community programs;
- Stronger operational regulations for cannabis dispensaries and businesses to address important community concerns relating to security, health and safety, background checks of managers and employees, signage, and use of cannabis on premises;
- Require annual cannabis permits following a public hearing to enable the City to monitor dispensaries and other cannabis businesses on an on-going basis and address potential problems;
- A more equitable means of licensing cannabis dispensaries and cannabis businesses without artificial limits on who can operate a cannabis business; and
- No concentration of cannabis dispensaries in one particular commercial area.

The people of Jurupa Valley deserve an up-to-date and fair regulations of cannabis businesses and an appropriate tax on cannabis businesses.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE "U"

Doesn't it seem that every politician is trying to raise our taxes? So, it's no surprise that all five of Jurupa Valley's elected politicians signed the ballot argument supporting the Measure U tax increase.

NO MORE TAX HIKES! Send a message to the politicians by VOTING NO on Measure U.

UNSAFE: Measure U will **bring more crime** to Jurupa Valley neighborhoods by increasing the number of cannabis dispensaries and businesses allowed to operate in the city.

UNFAIR: Measure U will **raise taxes on medical patients** who need cannabis to control severe pain. Jurupa Valley politicians were so greedy that they refused to exempt medical cannabis from their tax grab!

UNACCEPTABLE: The politicians who voted to put Measure U on the ballot **refused to listen** to the unanimous voices of Jurupa Valley residents who publicly spoke against this tax increase scheme at the City Council meeting on July 16.

The hard-working residents of Jurupa Valley are fed up with higher taxes and arrogant city politicians who disrespect the people by ignoring our concerns.

More crime. Higher taxes. **Vote No on Measure U.**

ARGUMENT AGAINST MEASURE “U”

Taxes are already too high! VOTE NO on Measure U.

City officials tried to sneak this tax hike measure through in the middle of the summer without adequate public scrutiny. Fortunately, the residents of Jurupa Valley weren't fooled.

All 30 of the people who spoke at the City Council meeting on July 16th were OPPOSED to this tax hike. But the City Council IGNORED THE PEOPLE and voted for the tax increase measure anyway.

Enough is enough! Here's why Taxpayers, Small Businesses and Medical Patients ask you to VOTE NO on Measure U:

HIGHER MEDICAL COSTS: Measure U will raise the taxes on medical cannabis--even for patients who need it to control severe pain.

HURTS SMALL BUSINESSES: Measure U will increase the tax burden on Jurupa Valley small businesses who are already suffering economic losses as a result of Covid-19.

TOO COSTLY: Measure U will cause the most financial harm to those who can least afford it. Many Jurupa Valley families and senior citizens on fixed incomes are now struggling just to pay higher grocery bills; higher gas taxes; and higher costs for housing. We CAN'T AFFORD another tax increase!

The people of California already pay the nation's highest costs for housing; the nation's highest state income taxes; and the nation's highest gas taxes. Raising our taxes even higher is NOT the answer.

It's time to make City Hall start listening to the people. VOTE NO on Measure U.

REBUTTAL TO ARGUMENT AGAINST MEASURE “U”

Vote Yes on Measure U!

The retail cannabis tax will **only** be applicable to sales in the **NINE** businesses selling cannabis under Measure U. It **does not apply** to non-cannabis local businesses in Jurupa Valley.

Even with the tax rate increase, the retail cannabis tax rate will be lower than the rate imposed in half of the cities in Riverside and San Bernardino Counties that allow retail cannabis sales.

The cannabis tax is an appropriate increase of an existing tax on cannabis dispensaries and other cannabis businesses that are currently not paying their fair share. It will provide funds for important City services, such as public safety, road improvements, health programs, youth and senior programs, and other community programs.

Measure U is much more than just a tax measure--

- It protects small businesses by increasing the parking requirements at the very busy cannabis retailers so that parking is available for other local businesses.
- It protects the community by separating cannabis businesses by 1,000 feet from sensitive land uses: (1) a school providing instruction in kindergarten or any grades one through twelve, (2) day care center, (3) youth center, (4) church or other religious facility, or (5) park in existence at the time the application is submitted to the city.

The City Council discussed Measure U at every regular City Council Meeting between May 7 and July 16, 2020--**a total of six public meetings**. These meetings were broadcast live to the community and are on the City's Website.

1. Visit the Registrar of Voters office or any Voter Assistance Center.
2. Complete a voter registration card or register online at RegisterToVote.ca.gov.
3. Vote your ballot.
4. Once the county elections official processes your registration and determines you are eligible, you will be registered to vote and your ballot will be counted.

California Motor Voter

The California Motor Voter program is making registering to vote at the California Department of Motor Vehicles (DMV) more convenient and secure. All eligible individuals completing driver license or ID card or change of address transactions at the DMV will be registered to vote with the California Secretary of State unless they "opt out" of automatic voter registration.

The California Motor Voter program applies to Californians who are 18 years or older and meet the following criteria:

- A United States citizen and a resident of California.
- Not currently in state or federal prison or on parole for the conviction of a felony.
- Not currently found mentally incompetent to vote by a court.

Note: Voter pre-registration is available for those 16 and 17 years of age. Their voter registration will become active automatically when they turn 18.

Before visiting a DMV field office, we recommend making an appointment. Visit <https://www.dmv.ca.gov/portal/dmv/detail/portal/foa/welcome> to get started. You can also use DMV online services (<https://www.dmv.ca.gov/portal/dmv/dmv/onlinesvcs>) to renew your driver license or ID card or change your address.

If you indicate you're eligible to vote, once you complete your driver license or state ID renewal form transaction online, by mail or in person at the DMV, your voter information is then transmitted securely and electronically to the California Secretary of State.

Please note that drivers with an AB 60 driver's license are not eligible to participate in the California Motor Voter program and are not eligible to vote.

Tips for California's Military and Overseas Voters

Taking part in elections is more convenient than ever for Californians serving in the military or living outside the United States. It begins when you register to vote as a military or overseas voter and receive election materials by mail, fax, or email.

- **Start early.** California's county elections officials begin sending ballots to military and overseas voters 60 days before Election Day. Fill out a voter registration application early at RegisterToVote.ca.gov to ensure that you receive your voting materials in time.
- **Know your options.** When registering to vote as a military or overseas voter, you can choose to have your ballot mailed, faxed, or emailed to you. You may return your voted ballot to your county elections official by mail or, in certain circumstances, by fax. If you meet the requirements to return your ballot by fax, you must also fax the Oath of Voter form (available from your county elections official) waiving your right to a confidential ballot.
- **Stay in touch.** Once you register as a military or overseas voter, you will continue to receive a ballot and election materials from your county elections official before each election. We encourage you to update your registration each year, if needed; however, you *must* re-register to vote if you change your address, your name, or your political party preference, or if you do not participate in four consecutive statewide general elections. Visit www.sos.ca.gov/elections/voter-registration/military-overseas-voters/ for more election resources designed especially for you.

Dates to remember:

October 19: last day to register to vote and request your ballot

October 27: last day to update or change how you want to receive your ballot

November 3: Election Day. Mailed ballots must be postmarked on or before Election Day **and** received by your county elections office no later than November 20. Faxed ballots must be delivered to your county elections office by close of polls, no later than 8:00 p.m. Pacific Standard Time, on Election Day.

Check Your Voter Status Online

Visit the Secretary of State's My Voter Status page at VoterStatus.sos.ca.gov, where you can check your voter status, find your polling place, and much more.

Use **My Voter Status** to:

- See if you are registered to vote
- Check your political party preference
- Find your polling place
- Find upcoming elections in your area
- Receive your Voter Information Guide (VIG) by email before each statewide election (see below for more information on opting-out of the VIG)
- Check the status of your vote-by-mail ballot or provisional ballot

To check your voter status you will need some personal information like first name, last name, California driver license or identification card number, social security number (last 4 numbers), and date of birth.

You can use the My Voter Status tool to opt out of receiving the state VIG. However, if another registered voter in your household requests to get it by mail, a state VIG will still be mailed to your address. If you have opted out and do not receive the state VIG in the mail, information on statewide candidates and ballot measures will still be available at the VIG website (<http://voterguide.sos.ca.gov/>) before each statewide election.

Go to VoterStatus.sos.ca.gov to get started.

Provisional voting

If your name is not on the voter list at your polling place, you have the right to vote a provisional ballot.

What is a provisional ballot?

A provisional ballot is a regular ballot that is placed in a special envelope prior to being put in the ballot box.

Who casts a provisional ballot?

Provisional ballots are ballots cast by voters who believe they are registered to vote even though their names are not on the official voter registration list at the polling place.

Vote by mail voters may need to cast provisional ballots if the voter wants to vote in person at a polling place, but did not receive their ballot or does not have their ballot with them.

Will my provisional ballot be counted?

Your provisional ballot will be counted after elections officials have confirmed that you are registered to vote in that county and you did not already vote in that election.

You may vote a provisional ballot at any polling place in the county in which you are registered to vote, however, only the elections contests you are eligible to vote for will be counted.

How can you check the status of your provisional ballot?

You can check the status of your provisional ballot at voterstatus.sos.ca.gov

Alternatively, every voter who casts a provisional ballot has the right to find out from their county elections official if the ballot was counted and, if not, the reason why it was not counted.
