REGISTRAR OF VOTERS
COUNTY OF RIVERSIDE

Dear Riverside County Voter,

Please note – this year voting is different! This Voter Information Guide contains information for the November 3, 2020 Consolidated General Election. In an effort to reduce the spread of COVID-19 and in accordance with State Law, the Riverside County Registrar of Voters will be deploying a new election model for the upcoming November 3, 2020 Election. This will offer our voters more ways and more days to vote safely. Each eligible registered voter for the November 3, 2020 Election will receive a ballot by mail beginning Monday, October 5, 2020 in accordance with the Governor's Executive Order.

Voters can verify their voter registration at voterstatus.sos.ca.gov or register to vote at registertovote.ca.gov.

- Your Vote-By-Mail ballot may be returned at any of our 80 secure Ballot Drop-Off locations that will be available beginning October 5, 2020 or via USPS (no postage required).
- We are now operating nearly 130 Voter Assistance Centers throughout Riverside County. You can vote in-person at any location from October 31 – November 3, 2020.
- You may track your ballot by registering at WheresMyBallot.sos.ca.gov.
- A list of all Ballot Drop-Off locations and Voter Assistance Centers is posted at www.voteinfo.net.

The Riverside County Registrar of Voters recommends that voters only use the in-person Voter Assistance Centers if absolutely necessary, as the generalized use of in-person voting presents risks to public health and safety in light of the COVID-19 pandemic. Social distancing will be required when visiting a Voter Assistance Center and face coverings are strongly encouraged.

Please feel free to contact the Riverside County Registrar of Voters at (951) 486-7200 with any questions or concerns regarding the upcoming November 3, 2020 General Election.

Sincerely,

REBECCA SPENCER
Registrar of Voters

Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent +1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committees, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California law requires the following information to be printed in this guide.

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
42ND CONGRESSIONAL DISTRICT**

WILLIAM "LIAM" O'MARA, Democratic
OCCUPATION: University Professor / Historian
EDUCATION AND QUALIFICATIONS:

AGE: 46

I'm Dr Liam O'Mara, a professor of history and former longshoreman & frycook, and as both a scholar and working person I understand our struggles in Riverside County.

This pandemic has killed many Americans and we are in a Depression -- 33% of GDP gone, with millions unemployed and up to 42% of lost jobs not returning.

THIS WAS ALL AVOIDABLE. I prefer a government that respects science and follows economic history to make sound policy.

For decades wages have been stagnant while costs rose. We are selling out the AMERICAN DREAM, and I am running because I know how we got here and what we can do about it.

OUR FAMILIES deserve better than grinding traffic and low-wage jobs. Incomes in this district are below the national average.

We need trade schools and a university, and sustainable economic development. We need to INVEST IN OUR CHILDREN and prepare for the JOBS OF TOMORROW.

We can keep more of what we earn, and still ensure everyone has adequate healthcare, a good education, and a place to live.

Our district needs CHANGE, and LEADERSHIP ready to face the immensity of this moment.

It's time we had a Congressperson willing to tackle the corruption and SAVE THE MIDDLE CLASS. I'm in this to represent the PEOPLE, not corporate lobbyists.

I humbly ask for your vote.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
42ND CONGRESSIONAL DISTRICT**

KEN CALVERT, Republican
OCCUPATION: U.S. Representative
EDUCATION AND QUALIFICATIONS:

AGE: 67

It is an honor and privilege to represent you in the U.S. House of Representatives.

The ongoing pandemic has caused both a health and economic crisis. To keep Americans safe, I have supported legislation to get essential resources to frontline health care workers, expand testing capabilities, and accelerate the development of vaccines and therapeutics so we can resume our normal lives as soon as possible.

Small businesses and the workers they employ have been severely impacted by the closure of many sectors of our economy. I supported legislation creating new job-saving programs that have helped keep an estimated 90,000 workers on payrolls in the 42nd District alone. I also backed efforts to provide food and financial assistance to families in need.

I have delivered solutions to challenges facing our region and state, including securing a \$50 million federal highway grant to reduce congestion along Interstate 15 in Temecula, funding for programs that clean the air we breathe, and support for our military bases.

I will oppose Democrat efforts to force us into a government run health care system and stand against the misguided Green New Deal -- all that they'd pay for through a massive tax hike on working families. I oppose amnesty for illegal immigrants. I will fight efforts to defund the police because taking officers off our streets will make our neighborhoods less safe.

I am eager to keep working in Congress for you, your family and our region. I humbly ask for your vote.

KEN CALVERT
U.S. Representative

**CANDIDATE STATEMENT FOR
STATE SENATOR,
31ST SENATORIAL DISTRICT**

ROD TAYLOR, Republican

AGE: 50

OCCUPATION: Small Business Owner

EDUCATION AND QUALIFICATIONS:

Being a lifelong resident of California, I have decided to throw my name in the hat for State Senate. I am NOT a Politician and do not claim to be a Politician. I'm just your everyday California citizen that wants the best for our State. Our politicians have forgot they work for us, the CITIZENS, NOT the other way around and NOT for special interest groups. We know what's best for us, NOT policy makers in Sacramento. Every time we turn around, we see our basic rights and liberties taken away; new taxes imposed; restrictive legislation implemented; misleading information; and an increasing deterioration of living.

California needs change. California State Taxes are among the highest nationwide. California went from a 30 billion surplus to a 54.3 billion Deficit. California unemployment went from 4% to 15.5%. All within the last year. There will be more to come. Its time to put a stop to this and hold elective representatives responsible.

Let's stop the Super majority! The opposition has been in control since 1970, its time for a changing of the guard, together we can make our Great State Better. NO more catering to special interest groups. NO more taxes. NO more misinformation. No more back door deals. Put common sense back in Sacramento.

California is overdue for realignment – lets work together and make it happen.

I look forward to becoming your next State Senator.

Thanks for your support,

Now LET'S GET to WORK

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
60TH ASSEMBLY DISTRICT**

SABRINA CERVANTES, Democratic
OCCUPATION: California State Assemblymember
EDUCATION AND QUALIFICATIONS:

I work hard every day to deliver results for our district and serve as an accessible, thoughtful and responsive advocate for Riverside County residents in the State Assembly.

As your State Assemblymember, I championed legislation to purchase emergency PPE supplies for our nurses, doctors and frontline workers, and I worked to help local businesses and workers recover financially. I secured funding for the vital UC Riverside Medical School and the building of the first Veterans Resource Center at Norco College. I also helped negotiate a state budget that makes critical new investments in wildfire detection and prevention, and I secured \$427 million to reduce traffic locally by repairing our roads and bridges.

As the Chairwoman of the State Assembly's Jobs Committee, I'm helping to lead California's economic recovery and fighting to create new jobs and workforce training programs here in the Inland Empire. As a mother of triplets, I understand the challenges that working parents are facing and that is why I fought to expand access to paid family and sick leave.

I'm proud to have the support of local leaders from throughout Corona, Eastvale, Jurupa Valley, Norco, Riverside and unincorporated communities. I'd be honored to earn your vote.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
60TH ASSEMBLY DISTRICT**

CHRISTOPHER RAAHAUGE, Republican
OCCUPATION: Peace Officer
EDUCATION AND QUALIFICATIONS:

AGE: 34

Sacramento politicians act like it is business as usual. They've mismanaged our economy, destroyed lives, banned singing in places of worship, and released over 20,000 felons into our neighborhoods.

As a Supervising Correctional Officer, Chris Raahauge knows how important it is to fight to keep ALL neighborhoods safe.

Otherwise, working people trying to make ends meet, our seniors and our most vulnerable will be left unprotected and defenseless.

That is why Chris Raahauge will NEVER de-fund our police!

Raahauge knows that working families are already under attack from state taxes on gas, water and electricity, but now proposed miles-driven taxes and texting taxes too - ENOUGH IS ENOUGH!

Without a change we will continue to have the highest energy prices, rolling black-outs and power shut-offs endangering the elderly.

JFK would not feel welcome in this group of far-left radicals running California. They are still committed to failed ideas like high speed rail and backroom deals giving billions in contracts to Chinese political donors.

Chris Raahauge is an Eastvale resident, Corona High School graduate and has dedicated his life to helping the less fortunate - serving on the Board of Directors for the Norco-based "Shelter for Change" which helps feed thousands of Riverside County families and helps those with addiction - insured or uninsured.

Chris Raahauge will deliver compassion without corruption, safe neighborhoods and will be someone who speaks up when our political leaders mismanage our economy, destroy jobs and destroy lives.

It is time for an independent leader who will keep our neighborhoods safe!

OCCUPATION: Councilmember / Retired Principal
EDUCATION AND QUALIFICATIONS:

This year, our City has been tested like never before, having to confront and react to this crisis while still focusing on keeping the City running and planning for the future. As your City Councilmember, I am proud of all we've done.

We've provided our first responders with the necessary equipment to keep them safe. We've passed new policies to help our local businesses survive. And we have worked hard to provide the public with continued news about health information, testing locations, emergency housing assistance programs, and food distribution points.

At the same time, we haven't lost focus of our basic responsibilities. We have been solving serious issues, with an eye focused on keeping our budget balanced and our tax dollars local.

We know that especially during these times when emergencies arise, residents rely on a prompt 911 response. That's why we've focused on reducing response times by ordering 4 new fire trucks and hiring more 911 dispatchers.

We also continue to work on solutions addressing homelessness, repairing our roads, and building more affordable housing. And I am excited about the Corona Mall's renovations.

We're doing a lot and have more planned. I'd be honored to have your vote.

TOM RICHINS

AGE: 46

OCCUPATION: Electrical Contractor
EDUCATION AND QUALIFICATIONS:

In my youth I had the opportunity of participating in the Scouting program. As I journeyed the pathway to earning the rank of Eagle Scout, it was the "Citizenship in the Community" merit badge that first educated me on city government.

In 2003 my wife and I were married and established our family in Corona. As the years passed, I finished my bachelor's degree in business management. In 2007, my wife started her company Align Architecture, and in 2016 I launched Strong Electric Inc, my current career. Proud to say, both of our business are based here in Corona.

Over time, Porter, Wyatt and River Belle joined our family. Additionally, we purchased an old craftsman house on the corner of Garretson and East Grand and restored its original beauty.

Corona is no doubt a beautiful city. That said, there are some ways we can make it better:

- We need to have 8-year term limits for City Council
- We need to vote "NO" on the 1% sales tax increase.
- We need honesty in our city government

Here in Corona we need strong council members looking out for your best interests. I respectfully and humbly ask for your vote.

EDUCATION AND QUALIFICATIONS:

I am running for City Treasurer because I believe Corona taxpayers deserve a financial leader with expertise and ethics.

You can have confidence in my 18+ years of professional experience being entrusted to make financial decisions for families and businesses. I am not a politician. I am a businessman.

After nine years at Merrill Lynch, I started my business, Pacific Capital, in 2011. I know how to succeed in a volatile economy. I was elected in 2016 and have kept all my commitments while serving our community. City Treasurer used to be a ceremonial steppingstone to higher political offices, and I changed that. I improved our investment portfolio and brought in millions more in interest earnings for our city than previous years, despite low interest rates.

Corona cannot afford an inexperienced City Treasurer managing \$300+ million. We still need real expertise. I am a Certified Financial Fiduciary®, Accredited Wealth Management Advisor®, Certified Retirement Planning Counselor®, and a member of the National Ethics Association.

Corona is the community where my wife and I built a successful business and are raising our five children. I care deeply about our future and about the financial stability of our city.

IMPARTIAL ANALYSIS OF MEASURE "X"

1% TRANSACTIONS AND USE (SALES TAX)

On July 15, 2020, the City Council voted to place Measure "X" on the November 3, 2020 general municipal election ballot.

If approved by a majority of Corona voters, this Measure would authorize a one percent (1%) retail transactions and use (sales) tax within the City of Corona. A 1% rate equates to an extra \$1.00 per \$100 purchased. It is estimated that Measure "X" will provide an additional \$30,000,000 in annual local funding for general City services, such as police, fire, paramedic and 9-1-1 emergency response, programs to address homelessness, public health and natural disaster response, local small business assistance, cleaning and maintenance of public areas, traffic impact reduction programs, and other general services. This tax would be a "general tax," meaning that revenues raised from the tax would go into the City's general fund to pay for any lawful City program, improvement, or service.

All revenues generated to the City by the Measure are local and thus would remain in the City and would not be shared with the State, County, or any other agency. The Measure is subject to existing required accountability provisions, including public disclosure of all spending and annual independent financial audits.

California Revenue and Taxation Code section 7285.9 and Article XIII C of the California Constitution (Proposition 218) authorize the City to levy a general transactions and use/sales tax at a rate of one percent (1%), so long as the tax is approved by a majority of the voters voting in an election on that issue. By placing Measure "X" on the November 3, 2020 ballot, the City has complied with this legal prerequisite.

If approved, the operative date of the tax could have been April 1, 2021, but has been delayed until July 1, 2021. It would remain in effect until repealed by Corona voters voting at a subsequent election.

The tax would be paid in addition to current sales taxes and would be collected at the same time and in the same manner as existing sales taxes.

A "yes" vote on Measure "X" will authorize the 1% transactions and use (sales) tax.

A "no" vote on Measure "X" will not authorize the 1% transactions and use (sales) tax.

If Measure "X" is not approved, the General Fund will not receive the sales tax revenues identified in the Measure. The City Council will then have to decide, as part of the budgeting process, whether other revenues are available to pay for City programs and services, or whether City programs and services will have to be reduced.

The above statement is an impartial analysis of Measure "X". If you desire a copy of the Measure, please call the City's elections official at (951) 736-2201 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE “X”

KEEP CORONA SAFE AND PROTECT OUR 911! YES ON X: ALL MONEY FOR CORONA.

Measure X keeps taxpayer dollars in Corona to prevent additional devastating cuts to our emergency response and allow Corona to address the impacts of COVID19.

STATE MONEY GRABS HAVE TAKEN MILLIONS FROM CORONA—forcing the City to CUT vital services.

Unless we act, CORONA will have NO CHOICE BUT TO FURTHER CUT EMERGENCY RESPONSE, FIRE, AND HOMELESSNESS services to address these takeaways.

Yes on X Keeps CORONA SAFE.

In 2019, the Corona Fire Department responded to 9,000 emergency medical/rescue calls alone.

But because of cuts, medical response times are longer than national standards 20% of the time, and 911 dispatch response is more than twice as slow!

Local firefighters and paramedics are using aging technology, equipment, breathing apparatuses and protective clothing!

Yes on X will restore cuts to fire, upgrade the equipment and tools firefighters and paramedics need, and help them quickly respond to medical emergencies, house and wildfires and save lives.

YES on X helps city departments addresses homelessness.

The pandemic has shown just how much more we need to do to help homeless neighbors in need and keep public areas safe and clean for everyone.

Yes on X will help prevent homelessness, connect those in need to regional resources, and help train first responders to help those with mental illness or in need.

YES ON X IS FISCALLY ACCOUNTABLE: It includes strict fiscal accountability requirements public spending reports, and annual independent audits.

ALL Measure X funds are required by law to REMAIN LOCAL.

PROTECT OUR SAFETY, NEIGHBORHOODS, AND COMMUNITY!

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “X”**VOTE NO ON MEASURE X!**

The real truth is that the cuts to police and fire were done as a temporary political stunt in preparation for the last tax hike push in 2016 by the previous council. Those cuts have been largely (if not completely) restored since.

The real truth is that the city has added several new entirely new positions to the police department in the last few months.

The fire union has negotiated for 12 positions to remain empty, which creates a massive amount of overtime for the union, however this is not an item that will be addressed by Measure X. There are no public safety cuts slated or proposed.

Our police response times from the time dispatched are well under national averages...we have hired new dispatchers and officers, purchased entire fleets of new vehicles and several new pieces of fire equipment in the last 2 years...all the while growing our various cash surpluses.

Our city recently adopted a comprehensive Homelessness Strategic plan, funded in part by one-time monies, but the program is intended to be funded primarily by outside sources, not city funds.

Measure X is nothing but an attempt to loosen the purse strings and grow the paychecks of the highest paid employees in the city.

According to Transparent California, the median pay of City employees is \$182,000/yr while the median household income in Corona is only \$79,000/yr. Enough is Enough.

VOTE NO ON MEASURE X!

ARGUMENT AGAINST MEASURE “X”

Don't be fooled.

Corona has amassed nearly \$70 million in cash reserves and passed a \$30 million water rate hike THIS YEAR. They have the money they need to operate the city in good times or bad. They have actually broken even during the COVID-19 downturn while the City Council has spent over \$300,000 on political consultants to convince you otherwise.

Despite the misleading claims, there is nothing written in “Measure X” that identifies any particular services or spending that will come from the additional \$30+ million in tax revenue.

There is no oversight whatsoever written into “Measure X” to protect our money. It's a pure and simple political slush fund.

Our city has not performed a comprehensive financial audit since 2008. The City has recently discovered a miscalculated overpayment to employees of more than \$500,000 in 2019 alone and that possibly dates back to 1999.

By expanding the payroll, Measure X will lead to an increase in future pension obligations which are already a serious issue. It will result in higher debt over time with no increase to services or quality of life — just as in surrounding cities like Norco, Riverside and Hemet where extra sales taxes are collected, but services haven't improved.

REBUTTAL TO ARGUMENT AGAINST MEASURE “X”

Don't be misled by political grandstanding and rhetoric. **Get the FACTS. For accountable LOCAL safety and services, Vote YES on X.**

We need faster Fire and 911 Emergency response, NOW.

FACT: For years, California has taken tens of millions of dollars from Corona- forcing YEARS of LOCAL budget cuts to make ends meet.

FACT: Due to budget cuts, the Corona Fire Department was FORCED to cut critical emergency response services.

Today- 911 emergency dispatch response is MORE THAN TWICE as slow as National standards, medical dispatch is slower 20% of the time, and firefighters are using outdated tools and equipment.

YES on X will help reverse YEARS of cuts to fire safety and 911 emergency medical response- just when we need those services most.

FACT: Measure X addresses LOCAL priorities. Thousands of Corona residents provided input on community priorities Measure X will address, including fire/emergency response, public health/safety, addressing homelessness, and helping local businesses.

FACT: Measure X is TRANSPARENT and ACCOUNTABLE.

Corona voters retain the power to end Measure X at ANY time. By law- California cannot take a penny of Measure X funds.

Measure X REQUIRES annual independent financial audits and public spending reports.

Here's what Measure X WON'T do:

Measure X is NOT a tax on your home or property.

Measure X will NOT be applied to food purchased as groceries or prescription medication.

MEASURE "Y" - CITY OF CORONA

ORDINANCE NO. 3317

AN ORDINANCE OF THE PEOPLE OF THE CITY OF CORONA, CALIFORNIA TO AMEND CHAPTER 2.08 OF THE CORONA MUNICIPAL CODE TO ESTABLISH A LIFETIME LIMIT OF THREE TERMS FOR CITY COUNCIL MEMBERS PURSUANT TO GOVERNMENT CODE SECTION 36502(B)

WHEREAS, pursuant to Government Code Sections 36502(b), the City Council of the City of Corona ("City") is proposing that the voters of the City consider whether to impose term limits on the office of City Council Members; and

WHEREAS, this proposal is submitted for approval of the voters of the City.

NOW THEREFORE, THE PEOPLE OF THE CITY OF CORONA DO ORDAIN AS FOLLOWS:

SECTION 1. City Council Term Limits. Section 2.08.180 (Term Limits) is hereby added to Chapter 2.08 (City Council) of the Corona Municipal Code to read as follows:

"2.08.180 Term Limits.

Pursuant to Government Code Section 36502(b), term limits are imposed upon persons serving on the City Council as follows:

- A. As further provided in Section (B) below, no person shall be eligible for nomination and/or election to more than three (3) terms of office as a City Council Member, whether by election or appointment and whether served consecutively or not.
- B. As used herein, a term of office shall include any term as City Council Member which commences on or after November 3, 2020, whether by election or appointment, and which lasts for two (2) years and one (1) day or more. Notwithstanding the foregoing, any person who resigns their office as a City Council Member shall be deemed to have served a full term of office regardless of when during their term of office their resignation becomes effective.
- C. If a person is ineligible to hold office as a City Council Member pursuant to this Section, the City Clerk must reject, refuse to accept for filing, and otherwise refuse to process any nominating papers or other equivalent declaration of candidacy that is required or authorized by law for that person, including, without limitation, as a write-in candidate.
- D. As provided for in Section (B) above, this Section applies prospectively only, meaning that only terms of office commencing on or after November 3, 2020 shall be counted towards the term limit calculation.
- E. The City Council may, by majority vote of its membership, make non-substantive revisions to this Section 2.08.180 in order to implement its substantive provisions, provided that such revisions are consistent with and further the purposes and intent of the voters in approving the Ordinance which adopted this Section."

SECTION 2. Broadly Construed; Conflicting Laws. To the fullest extent allowed by law, this Ordinance shall be broadly construed in order to achieve its purposes, and the provisions of this Ordinance shall prevail over and supersede all other provisions of the Corona Municipal Code and any ordinances, resolutions or other City laws, rules or regulations which are in conflict with this Ordinance.

SECTION 3. Severability. If any provision or clause of this Ordinance or any application of it to any person, firm, organization, partnership or corporation is held invalid, such invalidity shall not affect other provisions of this Ordinance which can be given effect without the invalid provision or application. To this end, the provisions of this Ordinance are declared to be severable.

SECTION 4. Effective Date. If a majority of the voters voting at an election on this Ordinance approve this Ordinance, it shall take effect ten (10) calendar days following the City Council's final certification of the election results, as required by California Elections Code Section 9217. The Mayor shall thereafter sign this Ordinance and the City Clerk shall attest thereto.

PASSED, APPROVED AND ADOPTED by the voters at the general municipal election on November 3, 2020. Election results were certified by the Corona City Council on the [INSERT DATE] day of [INSERT MONTH], 2020.

Mayor of the City of Corona, California

ATTEST:

City Clerk of the City of Corona, California

IMPARTIAL ANALYSIS OF MEASURE "Y"

CITY COUNCIL TERM LIMITS

On July 15, 2020, the City Council voted to place Measure "Y" on the November 3, 2020 general municipal election ballot.

If approved by a majority of Corona voters, Measure "Y" would add Section 2.08.180 to the Corona Municipal Code to prospectively establish a lifetime limit of three terms of office for City Council Members. That is, on or after November 3, 2020 no person would be eligible to serve more than three terms of office as a City Council Member, whether by election or appointment and whether served consecutively or not.

Sometimes, a City Council Member does not serve a full four-year term, either because they are appointed or elected during the term to fill a vacancy, they resign, or for other reasons. For purposes of computing the term limit, Measure "Y" states that a partial term of two years and one day or more would count as a full four-year term; provided, however, that any person who resigns their office as a City Council Member shall be deemed to have served a full four-year term of office, regardless of when their resignation becomes effective.

The City Council is comprised of five members who are elected to four-year terms by the voters in five Council districts. The terms are staggered, such that every two years the voters from either two or three Council districts vote for their Council Members. Currently, there are no applicable term limits for City Council Members. Thus, City Council Members currently have the ability to serve an unlimited number of terms.

California Government Code section 36502(b) authorizes the City to establish limits on the number of terms that City Council Members may serve, so long as the measure is approved by a majority of the voters voting in an election on that issue. By placing Measure "Y" on the November 3, 2020 ballot, the City has complied with this legal prerequisite.

As referenced above, Measure "Y" would apply prospectively only. Thus, only terms of office commencing on or after November 3, 2020 would be counted towards the term limit calculation.

Measure "Y" would also allow the City Council, by majority vote of its membership, to make non-substantive revisions to Section 2.08.180 in order to implement its substantive provisions, provided that such revisions are consistent with and further the purposes and intent of the voters.

A "yes" vote on Measure "Y" will establish the term limits on City Council Members outlined above.

A "no" vote on Measure "Y" will not establish the term limits on City Council Members outlined above, and thus City Council Members would continue to have the ability to serve an unlimited number of terms.

The above statement is an impartial analysis of Measure "Y". If you desire a copy of the Measure, please call the City's elections official at (951) 736-2201 and a copy will be mailed at no cost to you.

Conditional Voter Registration

Did you forget to register or update your voter registration? No Problem! A new law allows you to register to vote and vote until 8:00 p.m. on Election Day at your county elections office or at any voter assistance center in your county. This process is called Conditional Voter Registration (CVR) and is commonly referred to as Same Day Voter Registration. Here's how it works:

1. Visit the Registrar of Voters office or any Voter Assistance Center.
2. Complete a voter registration card or register online at RegisterToVote.ca.gov.
3. Vote your ballot.
4. Once the county elections official processes your registration and determines you are eligible, you will be registered to vote and your ballot will be counted.

To learn more about Conditional Voter Registration, visit vote.ca.gov.

If you have questions regarding Conditional Voter Registration, please call (951) 486-7200 or toll free (800) 773-VOTE (8683).

You may check the status of your voter registration at www.voteinfo.net/AmIRegistered.

California Motor Voter

The California Motor Voter program is making registering to vote at the California Department of Motor Vehicles (DMV) more convenient and secure. All eligible individuals completing driver license or ID card or change of address transactions at the DMV will be registered to vote with the California Secretary of State unless they "opt out" of automatic voter registration.

The California Motor Voter program applies to Californians who are 18 years or older and meet the following criteria:

- A United States citizen and a resident of California.
- Not currently in state or federal prison or on parole for the conviction of a felony.
- Not currently found mentally incompetent to vote by a court.

Note: Voter pre-registration is available for those 16 and 17 years of age. Their voter registration will become active automatically when they turn 18.

Before visiting a DMV field office, we recommend making an appointment. Visit <https://www.dmv.ca.gov/portal/dmv/detail/portal/foa/welcome> to get started. You can also use DMV online services (<https://www.dmv.ca.gov/portal/dmv/dmv/onlinesvcs>) to renew your driver license or ID card or change your address.

If you indicate you're eligible to vote, once you complete your driver license or state ID renewal form transaction online, by mail or in person at the DMV, your voter information is then transmitted securely and electronically to the California Secretary of State.

Please note that drivers with an AB 60 driver's license are not eligible to participate in the California Motor Voter program and are not eligible to vote.

For more information, visit MotorVoter.sos.ca.gov.

Tips for California's Military and Overseas Voters

Taking part in elections is more convenient than ever for Californians serving in the military or living outside the United States. It begins when you register to vote as a military or overseas voter and receive election materials by mail, fax, or email.

- **Start early.** California's county elections officials begin sending ballots to military and overseas voters 60 days before Election Day. Fill out a voter registration application early at RegisterToVote.ca.gov to ensure that you receive your voting materials in time.
- **Know your options.** When registering to vote as a military or overseas voter, you can choose to have your ballot mailed, faxed, or emailed to you. You may return your voted ballot to your county elections official by mail or, in certain circumstances, by fax. If you meet the requirements to return your ballot by fax, you must also fax the Oath of Voter form (available from your county elections official) waiving your right to a confidential ballot.
- **Stay in touch.** Once you register as a military or overseas voter, you will continue to receive a ballot and election materials from your county elections official before each election. We encourage you to update your registration each year, if needed; however, you *must* re-register to vote if you change your address, your name, or your political party preference, or if you do not participate in four consecutive statewide general elections. Visit www.sos.ca.gov/elections/voter-registration/military-overseas-voters/ for more election resources designed especially for you.

Dates to remember:

October 19: last day to register to vote and request your ballot

October 27: last day to update or change how you want to receive your ballot

November 3: Election Day. Mailed ballots must be postmarked on or before Election Day **and** received by your county elections office no later than November 20. Faxed ballots must be delivered to your county elections office by close of polls, no later than 8:00 p.m. Pacific Standard Time, on Election Day.
