REGISTRAR OF VOTERS
COUNTY OF RIVERSIDE

Dear Riverside County Voter,

Please note – this year voting is different! This Voter Information Guide contains information for the November 3, 2020 Consolidated General Election. In an effort to reduce the spread of COVID-19 and in accordance with State Law, the Riverside County Registrar of Voters will be deploying a new election model for the upcoming November 3, 2020 Election. This will offer our voters more ways and more days to vote safely. Each eligible registered voter for the November 3, 2020 Election will receive a ballot by mail beginning Monday, October 5, 2020 in accordance with the Governor's Executive Order.

Voters can verify their voter registration at voterstatus.sos.ca.gov or register to vote at registertovote.ca.gov.

- Your Vote-By-Mail ballot may be returned at any of our 80 secure Ballot Drop-Off locations that will be available beginning October 5, 2020 or via USPS (no postage required).
- We are now operating nearly 130 Voter Assistance Centers throughout Riverside County. You can vote in-person at any location from October 31 – November 3, 2020.
- You may track your ballot by registering at WheresMyBallot.sos.ca.gov.
- A list of all Ballot Drop-Off locations and Voter Assistance Centers is posted at www.voteinfo.net.

The Riverside County Registrar of Voters recommends that voters only use the in-person Voter Assistance Centers if absolutely necessary, as the generalized use of in-person voting presents risks to public health and safety in light of the COVID-19 pandemic. Social distancing will be required when visiting a Voter Assistance Center and face coverings are strongly encouraged.

Please feel free to contact the Riverside County Registrar of Voters at (951) 486-7200 with any questions or concerns regarding the upcoming November 3, 2020 General Election.

Sincerely,

REBECCA SPENCER
Registrar of Voters

Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent +1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committees, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California law requires the following information to be printed in this guide.

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
42ND CONGRESSIONAL DISTRICT**

WILLIAM "LIAM" O'MARA, Democratic
OCCUPATION: University Professor / Historian
EDUCATION AND QUALIFICATIONS:

AGE: 46

I'm Dr Liam O'Mara, a professor of history and former longshoreman & frycook, and as both a scholar and working person I understand our struggles in Riverside County.

This pandemic has killed many Americans and we are in a Depression -- 33% of GDP gone, with millions unemployed and up to 42% of lost jobs not returning.

THIS WAS ALL AVOIDABLE. I prefer a government that respects science and follows economic history to make sound policy.

For decades wages have been stagnant while costs rose. We are selling out the AMERICAN DREAM, and I am running because I know how we got here and what we can do about it.

OUR FAMILIES deserve better than grinding traffic and low-wage jobs. Incomes in this district are below the national average.

We need trade schools and a university, and sustainable economic development. We need to INVEST IN OUR CHILDREN and prepare for the JOBS OF TOMORROW.

We can keep more of what we earn, and still ensure everyone has adequate healthcare, a good education, and a place to live.

Our district needs CHANGE, and LEADERSHIP ready to face the immensity of this moment.

It's time we had a Congressperson willing to tackle the corruption and SAVE THE MIDDLE CLASS. I'm in this to represent the PEOPLE, not corporate lobbyists.

I humbly ask for your vote.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
42ND CONGRESSIONAL DISTRICT**

KEN CALVERT, Republican
OCCUPATION: U.S. Representative
EDUCATION AND QUALIFICATIONS:

AGE: 67

It is an honor and privilege to represent you in the U.S. House of Representatives.

The ongoing pandemic has caused both a health and economic crisis. To keep Americans safe, I have supported legislation to get essential resources to frontline health care workers, expand testing capabilities, and accelerate the development of vaccines and therapeutics so we can resume our normal lives as soon as possible.

Small businesses and the workers they employ have been severely impacted by the closure of many sectors of our economy. I supported legislation creating new job-saving programs that have helped keep an estimated 90,000 workers on payrolls in the 42nd District alone. I also backed efforts to provide food and financial assistance to families in need.

I have delivered solutions to challenges facing our region and state, including securing a \$50 million federal highway grant to reduce congestion along Interstate 15 in Temecula, funding for programs that clean the air we breathe, and support for our military bases.

I will oppose Democrat efforts to force us into a government run health care system and stand against the misguided Green New Deal -- all that they'd pay for through a massive tax hike on working families. I oppose amnesty for illegal immigrants. I will fight efforts to defund the police because taking officers off our streets will make our neighborhoods less safe.

I am eager to keep working in Congress for you, your family and our region. I humbly ask for your vote.

KEN CALVERT
U.S. Representative

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
75TH ASSEMBLY DISTRICT**

MARIE WALDRON, Republican

OCCUPATION: Business Owner / Assemblymember

EDUCATION AND QUALIFICATIONS:

Our world has changed drastically. We need strong leadership to support our families, education, healthcare and our economy. The daughter of immigrants, and owner of a small business I understand how hardworking families struggle every day to make ends meet.

A strong advocate for patient access to health care, substance abuse and mental health treatment, I am working to increase mental health services during the traumatic times we have experienced. Ensuring adequate personal protection for healthcare workers, patients and protecting our safety is critical.

I SUPPORT:

- Ensuring people get the resources and aid they need especially unemployment and business support.
- Reforming Employment Development Department - it isn't working
- Quality education for our children - whether in class or distance. Laptops and high speed internet even in rural parts of our district are critical.
- Reducing homelessness compassionately but firmly, focusing on treating drug addiction and mental illness along with wraparound services and housing.
- Fighting crime must be a priority by getting rid of laws which let dangerous felons out of jail early.
- Proven Taxfighter: Californians are over taxed: the highest in the nation! Gas taxes and fees directly hurt our working families, making California unaffordable.
- Proven Record: As a former city councilmember for 14 years, I supported transportation planning, water affordability and lower taxes.
- Many years supporting local civic organizations, Little League parent and member of the YMCA. Have worked to create the successful "Cruisin' Grand" hotrod event in Escondido for 20 years.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
75TH ASSEMBLY DISTRICT**

KAREN "KATE" SCHWARTZ, Democratic

OCCUPATION: Public Health Professional

EDUCATION AND QUALIFICATIONS:

I am Kate Schwartz and I am running to represent Assembly District 75. I serve as a Regional Health District Director and Public Health Champion. As a licensed healthcare provider of 35 years, I advocate for patients, families and communities. I relocated to the district in 2000, having chosen to work and raise my family here. I am a native Californian, a graduate of California public schools through my undergraduate education, and Columbia University where I received my graduate degree. After completing my graduate and postgraduate training in New York City and Boston, I returned to California with my family. I am prepared to fight for your values in Sacramento, honoring diversity, inclusion and social justice. My top priorities include:

Public Health - Effectively navigate the Pandemic Recovery for Californians, advocate for access to affordable healthcare for all Californians and ensure future emergency preparedness readiness.

Address the need for affordable housing for our communities and decrease the numbers of community members living on the streets. Increased affordable housing stock equates to local jobs at living wages.

Investing in our transportation infrastructure and public transit systems to decrease traffic congestion while creating new green jobs. Invest in remote workforce and repurpose unused office space for affordable apartment units.

Address environmental protections for our local communities, increasing our renewable energy systems, use of EV and solar for working Californians and increasing EV charging stations.

Invest in our public education pre-K thru community college.

I would be honored to serve you. kateforassembly2020.com

EDISON GOMEZ-KRAUSS

AGE: 32

OCCUPATION: ESL Teacher

EDUCATION AND QUALIFICATIONS:

I'm an ESL teacher with a bachelor's in gastronomy. Education is my profession, passion and priority.

My entire life, I've worked with underserved communities, focusing on extracurricular activities for the youth, homeless outreach programs, civil rights and environmental justice on both sides of the US-Mexico border.

I am an educator, not a career politician who sits on countless committees. I seek to serve our community on the MSJC District board to aid students on their academic journey and empower teachers with the necessary resources to meet the needs of each student. As an online educator I bring experience with available technologies to provide quality remote education. Distance learning is essential during this pandemic, but proper implementation will help reach students in rural communities as well as limited mobility homeless and transient youth in the immediate future.

I strongly support community colleges taking bolder steps to facilitate learning environments for special needs students, English Language Learners, BIPOC and underserved communities.

MSJC has a 27% graduation rate and a 13% transfer out rate; these unacceptable numbers are the result of bureaucratic boards focused on politics rather than helping students see their studies to completion.

It's time we treat the youth right.

AGE: 41

EDUCATION AND QUALIFICATIONS:

In 2016, I was elected to serve the Beaumont Unified School District; now in 2020, I look forward to your support as I bring my skill sets to a new role, as your next representative on the MSJC Board of Trustees. I have worked in the community college system for well over a decade. I understand the way community colleges operate and the laws and regulations which govern them. This knowledge assures that I will safeguard and enhance taxpayers' investment in the college. But most important to me is the fact that I am a proud graduate of the community college system. Also since 2016, I have served on the MSJC Measure AA Citizens Oversight Committee, I appreciate the complex nature of how Measure AA is best suited for our community and have been intimately involved in its disbursement for the future needs of the College District. As a Board member in a growing K-12 District, I realize answering future growth comes down to two huge components: Money and Facilities. My experience in managing and understanding both of those components is why I should be your next representative on the MSJC Board of Trustees. Vote Sylva for MSJC!

OCCUPATION: Navy Reservist / Student
EDUCATION AND QUALIFICATIONS:

Greetings Temecula! My name is Mark Gular and as your neighbor I am running to represent our community of District 4. My ambition is to serve you, the people of our city who come from a profession of service. Having engaged with our military veterans, law enforcement, fire fighters, healthcare workers, teachers and service industry personnel that make up our community, I believe I can be the voice for our district.

Enlisting in the Navy at age 19, I joined a long lineage of service to our great nation as a 4th generation military service member. I am both proud and humbled to have continued that legacy with three overseas tours in support of Operation Iraqi Freedom, New Dawn, and Spartan Shield. My educational background includes a Bachelor in Advertising from The Art Institute of California San Diego, an IFSAC Level 1 & 2 Firefighter from the San Pasqual Reservation Fire Academy, and EMT-Basic from the Southern California EMS Training Institute. SONIA PEREZ

OCCUPATION: Small Businessowner
EDUCATION AND QUALIFICATIONS:

I am a native California businesswoman who built and established her business in Temecula seventeen years ago. My daughters graduated from Temecula Schools and as a retired Unified School District employee I understand the issues of both the public and private business sector.

Entrepreneurship, and mentoring are what strengthens communities and keeps them safe. I believe in teaching a man how to fish so he can be self-sufficient and an integral part of society. My early years were spent with my husband building our business, mentoring the youth in our community and teaching them a great work ethic.

In 2011, I pioneered a Jr. Toastmasters program. This program prepared the youth to confidently organize and articulate their voice to focus on the lost art of public speaking and leadership. I simultaneously presided over the Temecula Toastmasters Club where fellow distinguished speakers supported the youth club by presenting their speeches and leadership skills. Since 2015, I have served the youth at Oak Grove Center where I continue to teach teamwork and hands on entrepreneurship.

I am committed to keeping Temecula strong by continuing to build safe and healthy relationships through the collaborative efforts of the seasoned leaders in this city.

BRIAN J. BRADY

OCCUPATION: Water Resources Engineer

EDUCATION AND QUALIFICATIONS:

Actions speak louder than words, and my background reflects 30 years of proven, measurable results managing public and private water utilities.

As general manager of Rancho California Water District from 2003-2008, my top priority was to maximize and safeguard our local water supplies by developing and implementing recycling and groundwater protection programs. Today, my independent consulting practice focuses on water utility management, strategic operations, assessment of water supplies, and water rights. A registered Civil Engineer, I'm a graduate of Loyola University (BSE, Water Resource Management); of the University of Southern California (MBA, Finance); and Pepperdine University (EdD, Organizational Leadership) where my doctoral research probed the responsibilities of elected water board officials.

My pledge to the community is to ensure that our families, businesses, and agricultural interests receive high-quality water at the lowest possible cost. To do that, we must continue to protect and grow our groundwater resources; reduce dependence on expensive imported water; and recognize that prudent environmental stewardship and a safe, reliable, and affordable water supply are critical to our prosperity.

Thank you for your vote.

EDUCATION AND QUALIFICATIONS:

A lifelong Temecula Valley resident and local strategy consultant, Skylar Tempel is committed to the affordability, quality, and reliability of water resources in the Rancho California Water District.

Skylar is committed to 3 general principles:

1. Lower Water Rates

With the Coronavirus affecting nearly every sector of our economy, it's important that the Water District find innovative ways to reduce the cost to ratepayers. During these difficult times, no one should be denied access to clean, reliable water.

2. Water District Oversight and Transparency

The Water District needs to be more accessible for public oversight. Board meetings currently occur on a weekday at 8:30 AM. This needs to change so that members of the community can be more involved.

3. Ensuring High Quality Water for Our Community

Skylar will work to continue testing our water quality at our schools, businesses and public facilities to ensure that our water is healthy and safe to drink.

Skylar is dedicated to fighting to keep water rates low, fighting for more public oversight, and protecting our high quality water.

JOHN E. HOAGLAND

OCCUPATION: Retired Water Manager

EDUCATION AND QUALIFICATIONS:

I am a UCLA graduate with a MS in Water Resources Engineering and have spent my entire professional career in the Water/Wastewater industry working as the Utilities Manager for two Cities (Santa Monica and Escondido) and as the General Manager of three Water Districts (Elsinore Valley MWD, Lake Arrowhead CSD and Idyllwild Water District). I am proficient in the engineering, financial and administrative aspects of utility operations. From my experience as a City of Temecula Planning Commissioner and as an elected Director of RCWD, I understand how local government is supposed to represent and interact with the public.

Since I know the "ins and outs" of the water business, I will insist that communication with ratepayers, whether to foster the efficient use water or to explain the District's cost and rate structure is straightforward and direct, and that the District take all possible steps to maximize its efficiency and minimize costs.

I am a 32-year resident of Temecula and I understand and support the vibrant interaction of the suburban and agricultural aspects of our region.

I pledge to keep RCWD accessible, transparent, and operating in the fairest fashion for all ratepayers.

OCCUPATION: Small Business Owner

EDUCATION AND QUALIFICATIONS:

My name is Kendall Stuart. I am running for the Rancho California Water District Board. I am Temecula born and raised by farmers in our wine country. I have developed a strong passion for farming over the years. My family owned a winery growing up and I found myself fascinated with winemaking and farming the vineyards. Because farming is my heritage and passion, I decided to start my own farm management business. I now successfully manage farms in the valley which has allowed me to develop a superior skill set of efficiencies for our water system and maintenance of our green belts. I understand the community's water needs not only because of farming, but also because I live in a house here in the valley like you. My whole life I have seen the rates of water continuously rise, but these last few years have really allowed me to grasp the water system. I want to continue that understanding and serve my community that has been home to me my entire life. I am not a water professional, but I am a water user just like you. I humbly request your vote to keep our water rates low.

RICHARD SCOTT WILLIAMSON

OCCUPATION: Water Resource Consultant

EDUCATION AND QUALIFICATIONS:

A Director of the Rancho California Water District (RCWD) should focus on three major areas to insure the ongoing success of the community... those being WATER AVAILABILITY, WATER QUALITY, and last, but certainly not least, (3) WATER AFFORDABILITY. In order to serve and protect the customers of the water district a Director should have the education and experience to insure the attainment of these goals. I have spent over 45 years in the water industry. I have a degree in Water Resources Engineering from UCLA, and substantial graduate work in finance, and management. My career has included water management roles at the federal, State and local levels, including over 4 years as Assistant General Manager for RCWD. I have also served as General Manager of several water agencies. I have conducted numerous Water Rate studies, Financial Plans, Groundwater Management Plans, and been certified as an expert witness in water rights and water rates matters in State and federal Court jurisdictions. EDUCATION AND QUALIFICATIONS:

My name is Jenna (Fenton) Kofler, and I am running for the Rancho Water Board of Directors. I am a home-grown Great Oak and 2020 Cal Poly Pomona graduate. I'm a second-generation Temecula olive farmer and businesswoman with my husband Hayden. Rest assured, I'm not a water industry bureaucrat with a long resume and history of raising your water rates.

Over the years, I have witnessed our town grow exponentially and thrive. Today, we rely too heavily on imported water that has increased water rates to meet the basic needs for our residents, businesses, and farmers.

If elected, I will always advocate for:

- ✓ Low water rates
- ✓ Sustainable water management
- ✓ Intelligent and innovative development
- ✓ Drought planning
- ✓ Preserving our groundwater resources
- ✓ The aesthetics of our landscapes
- ✓ Balancing the needs of our entire community

With your help, I will ensure that our future water needs are met and our water sources keep growing at the lowest possible cost to ratepayers. I will do this in a forward-thinking and sustainable manner.

JOHN V. ROSSI

OCCUPATION: Director

EDUCATION AND QUALIFICATIONS:

It has been an honor to serve as an appointed Director to the Rancho California Water District Board since January 2019. I respectfully ask you to consider my candidacy to complete the remaining two years of this Board seat.

My wife and I raised our six adopted children since moving to Temecula in 1993. I worked as a water manager for a 27-year career and retired in 2017. I continue to stay engaged with the water industry's issues and challenges. I look forward to giving back to the community by helping the District deal with today's complex issues such as rising costs and rates, water quality concerns, needed replacement of aging infrastructure, a maturing workforce, and pension reform.

With a background in water management and finance, I believe I can positively contribute to the District's efforts to strengthen water system reliability, transparency, and operational efficiency. Rate increases need to be held to the lowest levels necessary to maintain outstanding customer service and sound infrastructure.

I pledge continued commitment to high-quality drinking water at the lowest rates, exceptional stewardship of our financial and natural resources, and open and honest leadership. Please vote John Rossi.

2. Complete a voter registration card or register online at RegisterToVote.ca.gov.
3. Vote your ballot.

California Motor Voter

The California Motor Voter program is making registering to vote at the California Department of Motor Vehicles (DMV) more convenient and secure. All eligible individuals completing driver license or ID card or change of address transactions at the DMV will be registered to vote with the California Secretary of State unless they "opt out" of automatic voter registration.

The California Motor Voter program applies to Californians who are 18 years or older and meet the following criteria:

- A United States citizen and a resident of California.
- Not currently in state or federal prison or on parole for the conviction of a felony.
- Not currently found mentally incompetent to vote by a court.

Note: Voter pre-registration is available for those 16 and 17 years of age. Their voter registration will become active automatically when they turn 18.

Before visiting a DMV field office, we recommend making an appointment. Visit <https://www.dmv.ca.gov/portal/dmv/detail/portal/foa/welcome> to get started. You can also use DMV online services (<https://www.dmv.ca.gov/portal/dmv/dmv/onlinesvcs>) to renew your driver license or ID card or change your address.

If you indicate you're eligible to vote, once you complete your driver license or state ID renewal form transaction online, by mail or in person at the DMV, your voter information is then transmitted securely and electronically to the California Secretary of State.

Please note that drivers with an AB 60 driver's license are not eligible to participate in the California Motor Voter program and are not eligible to vote.
