Elections in California

The Top Two Candidates Open Primary Act, which took effect January 1, 2011, requires that all candidates for a voter-nominated office be listed on the same ballot. Voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate, regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election regardless of vote totals. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held. Even if there are only two candidates for an office in the open primary, a general election for that office is still required.

California's open primary system does not apply to candidates running for local offices.

California law requires that the following information be printed in this pamphlet.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Redistricting

New electoral district boundaries are drawn every 10 years in order to equalize district populations. Boundaries for the congressional, state legislative, and county supervisorial districts are now different. Boundary changes also apply to any city, school district, or special district that votes by trustee areas or divisions. To see the new district maps, visit the Registrar of Voters website at www.voteinfo.net.

HOW TO MARK YOUR PAPER BALLOT

Please refer to the following instructions on how to properly complete your official ballot:

- ▶ Connect the head and tail of the arrow that points to your choice like the example provided.
- ▶ Check both front and back of ballot for voting contests.
- ▶ Use a black ball point pen. Do not use felt tip, red or gel ink.
- ▶ One line connecting the arrow is preferred.
- ▶ Vote for no more than the number of votes allowed in each contest (e.g. vote for one, vote for no more than two, etc.).
- ▶ Please keep the vote-by-mail ballot folded the same way you received it.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
41ST CONGRESSIONAL DISTRICT**

STEVE ADAMS, Republican

AGE: 61

**OCCUPATION: Councilman / Retired Policeman
EDUCATION AND QUALIFICATIONS:**

As a Riverside resident since 1958, a retired Riverside Police Officer, a small business owner, and 3rd term Riverside City Councilman, I am uniquely aware of the issues facing the residents of the 41st District.

Over-regulation from Congress and Washington politicians is restraining economic growth, stifling job creation hurting the residents of the 41st. We need and deserve better than single issue politicians with extreme agendas.

As a three-term Councilman, I've been intricately involved in the betterment of my community. I was successful in helping make Riverside #1 in the Nation in new jobs and top 8 places to be. I was part of the team that brought in the UC Riverside Medical School, bringing quality jobs and millions of dollars to our economy. I will continue to do this for the 41st District.

An uncontrolled border has negatively impacted our lives; jobs, economy, education, crime, hospitals and more. We must stop the human trafficking, victimizing children and women and the flow of drugs and criminals into our cities. The first step is a secure and safe boarder for legal entry. I will go to Congress to help broker real solutions and break the gridlock and partisanship that has plagued this country for the past six years.

Our region has experienced tremendous growth over the years, straining our infrastructure and roadways. Serving on local, state and national transportation committees I know the issues and offer real solutions that I will take to Washington and fight for our region.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
41ST CONGRESSIONAL DISTRICT**

MARK TAKANO, Democratic

AGE: 53

**OCCUPATION: United States Representative / Teacher
EDUCATION AND QUALIFICATIONS:**

Dear Neighbor,

Congress is broken, and I have used my first term in office fighting for the commonsense reforms we all know it desperately needs.

As your Representative, I have fought for the middle class, worked to create good paying jobs in the Inland Empire, and stood up to the leaders of both parties to protect Social Security and Medicare.

Over the past two years, my office has secured more than \$1 million in benefits owed to veterans and held several town hall meetings to understand local priorities. I introduced legislation to strengthen and improve school curriculum, increase business participation in job training programs, make it easier for veterans to go back to school, and support the creation of advanced manufacturing jobs.

I will continue to fight for the middle class by supporting job-creating local investments like the UC Riverside Medical School and I'll stand up against tax cuts for billionaires and corporations that want to ship American jobs overseas.

Prior to being elected to the House of Representatives, I dedicated my life to public service as a high school teacher and Riverside Community College Trustee. Those roles prepared me to be an effective advocate for local schools, businesses, veterans, seniors, and middle class families.

I am proud to have the support of local leaders from throughout Riverside, Moreno Valley, Jurupa Valley, and Perris.

I respectfully ask for your vote on November 4th so we can continue to grow our economy and fix Congress.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
61ST ASSEMBLY DISTRICT**

RUDY ARANDA, Republican
OCCUPATION: Retired LAPD
EDUCATION AND QUALIFICATIONS:

My name is Rudy Aranda, and I respectfully ask for your vote.

I have dedicated my life to public service, and I would be honored to serve you as your next Assemblyman.

As a young man, I couldn't sit in class doing nothing while my country was at war. I had to do something. I joined the Army and proudly served in Vietnam.

After the military, I joined the Los Angeles Police Department where I was proud "to protect and to serve" for over 28 years.

All my adult life I have served my country and community with honor and integrity. I will take that honor and integrity with me to Sacramento, and I will work to bring back common sense to state government with my guiding principle being: "What is best for California?"

California faces many challenges. The Inland Empire needs jobs. Our communities need to be safe. Our students need quality education. Taxpayers need relief from excessive taxes, and our state needs a reliable sources of water during this prolonged drought and beyond. These issues, and others, have been ignored for too long and will only be resolved with a common sense approach and cooperation from all stakeholders.

Also, as veteran, I will be the voice and advocate for California veterans and their families in Sacramento.

Let's get California moving again. I ask for your vote on November 4th.

Respectfully,

Rudy Aranda

**CANDIDATE STATEMENT FOR
GOVERNING BOARD MEMBER,
RIVERSIDE COMMUNITY COLLEGE DISTRICT, TRUSTEE AREA 4**

BEN JOHNSON **AGE: 49**
OCCUPATION: School Board Member / Businessperson
EDUCATION AND QUALIFICATIONS:

As a school board member for Alvord School District for 17 years, I have always put the needs of students first. My track record includes a proven ability to improve student performance, manage declining revenue with the least impact on teacher and staff jobs, while still supporting education that will prepare students for college and career. I will bring these priorities to the RCCD Board of Trustees. I understand the desire of parents to see their children transition successfully to college.

My wife Stacy and I have four daughters, two of whom attend Riverside Community College District. As a parent, I understand how important a good education is to our families and community. I will make education count by working to ensure students earn a degree in 2 years by expanding Completion Counts to all campuses and providing 21st Century education for 21st Century jobs.

I believe my proven leadership as a school board member, and an executive in the health care industry, has well prepared me to serve as an RCCD Trustee.

JULIANN ANDERSON **AGE: 50**
OCCUPATION: Educator / Municipal Attorney
EDUCATION AND QUALIFICATIONS:

Riverside City College, Moreno Valley College, and Norco College are vital to our students and economy. Yet, all three colleges have been allowed to decline. Job training programs have been cut, students have little guidance, and many can't get the classes they need to graduate or transfer.

I know how education can be life-changing. My brother and I were the first in my family to go to college. I attended public schools and went on to graduate from Stanford University and Harvard Law School. I've served as a criminal prosecutor, city attorney, and college instructor over a 24-year career that was only possible because of the educational opportunities I had.

I'm running for the RCCD Board to ensure that our students get the quality education and job training they need in today's economy. I will work to increase Board accountability, improve graduation rates, and invest in programs that will prepare students for today's jobs.

I am honored to have the support of faculty and community leaders throughout Riverside County. I look forward to hearing from you -- contact me anytime at (951) 833-1328, Juliann.Anderson@gmail.com, or www.JuliannAnderson.com. I would be honored to receive your vote.

**CANDIDATE STATEMENT FOR
DIRECTOR,
WESTERN MUNICIPAL WATER DISTRICT, DIVISION 2**

TOM EVANS

OCCUPATION: Water District Director

EDUCATION AND QUALIFICATIONS:

I am grateful to have represented Division 2 customers on the Western Municipal Water District Board of Directors since 2007. I believe I am well qualified to represent Division 2 again for the next 4 years.

Water District Board members must make decisions that benefit current and future customers. My record of working collaboratively with other organizations and groups has been particularly valuable in this regard.

As a member of the WMWD Board of Directors, we have;

- Reached a historic agreement with the City of Riverside, resulting in lower water costs for Western's retail customers and \$11.7 million new revenue to the City. This agreement also helped offset water cost to Riverside residents served directly by the City.
- Implemented the use of non-potable water for Riverside National Cemetery and other agricultural irrigation, thus stretching the supply of precious drinking water.
- Provided about \$3.8 million in water efficiency rebates to customers throughout Riverside and the surrounding area.

I have represented WMWD customers on the Board of the Metropolitan Water District of Southern California since 2009. I have been an aggressive advocate for cost control, leading to dramatically lower rate increases.

Please vote for me on November 4, 2014.

IMPARTIAL ANALYSIS OF MEASURE "L"

Development in the La Sierra Hills and La Sierra Lands is generally governed by the City of Riverside's General Plan 2025, Zoning Code, Proposition "R", which set forth goals and policies for development in the La Sierra Lands, and Measure "C", which required adoption of the Rancho La Sierra Specific Plan ("Planning Documents").

The existing Planning Documents generally allow for single-family residential uses ranging from 0.20 to 2.0 dwelling units per acre in the La Sierra Hills and the La Sierra Lands. Development of hillside areas in the La Sierra Hills is limited, and allowable uses include single-family residences, orchards and other crops, limited keeping of poultry, rabbits, horses and bees, parks and playgrounds, golf courses, accessory buildings and uses, and family daycare homes. Allowable uses in the La Sierra Lands, set forth in the Rancho La Sierra Specific Plan, include recreation and open space, community facilities, single-family residences and agriculture, as well as the requirement for natural open space for projects proposed in the area.

Measure "L" has been placed on the ballot by a petition signed by the requisite number of voters and would amend the City's Planning Documents as follows: repeal the Rancho La Sierra Specific Plan in its entirety; amend Proposition "R" and Measure "C" to eliminate their applicability to the La Sierra Lands; amend General Plan 2025 by setting forth a new vision for the Rancho La Sierra Specific Plan, adding an Open Space/Natural Resources Land Use Designation to the La Sierra Hills and the Medium Density Residential Land Use Designation to the La Sierra Lands, and amending various policies and objectives in the Land Use and Urban Design and Open Space and Conservation Elements to ensure consistency with Measure "L"; amend Title 19 (Zoning) of the Riverside Municipal Code by adding two new zones, the Open Space Zone applicable to the La Sierra Hills and the Residential/Open Space Zone applicable to the La Sierra Lands.

Measure "L" would permanently preserve the La Sierra Hills as public open space. The Open Space/Natural Resources Land Use Designation is limited to private and public lands used for resource conservation and open space, while the new Open Space Zone added by Measure "L" indicates only that it is established to preserve areas of permanent open space. A legal question exists regarding whether Measure "L's" limitation on allowable uses within the La Sierra Hills would constitute a taking of private property without just compensation under the federal and State constitutions.

Measure "L" would allow for residential development of the La Sierra Lands tied to the preservation of open space, by requiring one acre of open space to be set aside for each 1.6 acres developed. Development is limited to an average of 3.0 dwelling units per acre, resulting in the construction of no more than 1,950 residential homes. This increases allowable density from the current zoning applicable to La Sierra Lands, which allows for 1 dwelling unit per 5 acres.

Supervising Deputy City Attorney

The above statement is an impartial analysis of Measure "L". If you desire a copy of the measure, please call the elections official's office at (951) 826-5557 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE “L”

Vote Yes on Measure “L” to forever preserve La Sierra Hills and restrict development on La Sierra Lands.

The La Sierra Hills and La Sierra Lands properties together consist of about 1,300 acres. Current regulations allow development throughout approximately 1,300 acres of both La Sierra Hills and La Sierra Lands and fail to account for smart, sustainable land planning principles that are the standard for today’s development. The outdated regulations governing development in the La Sierra area have prevented Riverside from advancing smart growth proposals that would protect open space in the La Sierra area.

Vote Yes on Measure “L” to permanently protect approximately 900 acres, including the entire La Sierra Hills, as public open space.

Vote Yes on Measure “L” to restrict development to approximately 400 acres of La Sierra Lands.

Vote Yes on Measure “L” to improve the economy of Riverside and the local region by creating thousands of jobs through the future development of La Sierra Lands, helping people get back to work. Riverside’s unemployment rate is higher than both the state and national average.

Vote Yes on Measure “L” to provide millions of dollars to the City of Riverside, supporting police and fire services and maintaining local roadways through revenue generated from future projects in La Sierra Lands.

Vote Yes on Measure “L” to mandate that any future specific plan for La Sierra Lands designates land for senior living facilities, public safety facilities, as well as parks and hiking trails.

Vote Yes on Measure “L” to ensure future development envisioned by the measure shall undergo a strict environmental review process, including numerous opportunities for public participation, as well as review by the City of Riverside Planning Commission and City Council.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “L”

Dear Concerned Riverside Voter,

Measure “L” may be unconstitutional.

The Las Vegas developer is betting he can dupe Riverside voters and win the jackpot with Measure “L”, walking away with mega-millions in profits. Measure “L” seeks to gain voter approval to build 1,950 housing units in La Sierra by repealing voter-passed laws “R” & “C”, which only allow 162 homes. Too many houses, too much traffic and don’t forget our water shortage!

Measure “L” was drafted behind closed doors. There were no public hearings or analysis to justify breaking down our laws to build a massive housing project.

The developer is misleading voters with phony claims of Measure “Ls” conservation benefits. The Hills are already protected!

Riverside taxpayers may be on the hook for millions of dollars in legal costs. Our City Attorney’s Impartial Analysis states “A legal question exists regarding whether Measure “Ls” limitation on allowable uses within the La Sierra Hills would constitute a taking of private property without just compensation under the federal and State constitutions.”

Riverside residents fought to pass Prop. “R” in 1979 and Measure “C” in 1987. These laws made Sycamore Canyon Park and the Citrus State Historic Park possible, and protected the Greenbelt, Victoria Avenue, spectacular arroyos, a natural Santa Ana River, and scenic hills like La Sierra’s. Saving these unique assets makes even more sense today with surrounding population growth.

Stop the repeal of “R” & “C”. Protect our property values and quality of life.

Vote No on Measure “L”.

ARGUMENT AGAINST MEASURE “L”

Dear Riversider,

A Las Vegas developer spent over \$600,000 to put Measure “L” on the ballot. Paid petition circulators claimed Measure “L” saves Riverside’s La Sierra Hills for public open space.

The developer dangles the Hills like bait to reel voters in. The Hills’ scenic value is already preserved by law and they are too steep for general public recreation.

The truth is Measure “L” permits a massive development of 1,950 houses on Rancho La Sierra lands instead of the 162 voters approved by initiatives “R” and “C”. Rancho lands are next to Norco and the Santa Ana River’s Hidden Valley Wildlife Refuge. The Norco City Council voted unanimously to oppose Measure “L”.

The developer – with only an option to buy – wants you to pass Measure “L” so he is guaranteed huge profits before purchasing the property. His scheme is to grab over 10 times the density allowed on the Rancho and dump the hard-to-develop Hills.

This housing project generates nearly 20,000 daily car trips, worsening severe traffic congestion on main roads, the 91 and 15 freeways. No permanent jobs are created, forcing more commuting.

Overdevelopment depletes Riverside’s limited water supply. This hurts all City utility ratepayers. Residents are already being asked to reduce water use 15 percent.

Measure “L” repeals longstanding protections of La Sierra lands and sets a dangerous precedent citywide. Developers and land speculators get the green light to try to build high density housing and apartments. Riverside’s Greenbelt, Victoria Avenue, orange groves, hillsides and arroyos are threatened. These irreplaceable assets increase property values and preserve our quality of life.

Don’t let an out-of-state developer damage the Riverside we know and love.

We are proud of Riverside. Vote No on Measure “L”.

REBUTTAL TO ARGUMENT AGAINST MEASURE “L”

The Measure “L” opposition can’t get its facts straight. If you can’t trust them to give you accurate information, how can you trust them to look out for Riverside’s interests?

Measure “L” is supported by a large, diverse group of local residents, conservationists, environmentalists, and community and business leaders who know this measure is good for Riverside. Here are the facts on Measure “L”:

Fact: Current zoning allows for homes to be built throughout La Sierra Hills. This is a matter of law, not an opinion. Riverside needs Measure “L” because La Sierra Hills deserves to be protected as public open space for all Riversiders to enjoy.

Fact: Measure “L” doesn’t permit a single home to be built. Rather, it sets minimum requirements for future projects that will guide growth in the La Sierra area. These requirements include providing land for a school and public safety facilities, multi-purpose trails, senior housing and parks. Riverside needs Measure “L” because current laws do not require these public amenities.

Fact: Measure “L” restricts future development, while the law already requires any future development to offset environmental impacts with mitigation measures such as road improvements and water conservation.

Fact: The City Attorney’s analysis is absolutely clear – Measure “L” only affects specific lands in the La Sierra area neighboring the City of Norco. It doesn’t affect any other areas of Riverside, meaning the Greenbelt and Victoria Avenue will remain untouched.

Stand with Riverside. Save the Hills. Vote Yes on Measure “L”!
