REGISTRAR OF VOTERS COUNTY OF RIVERSIDE

Dear Voter:

November 4, 2014 is Election Day. This Sample Ballot and Information Pamphlet provides ballot marking instructions, polling place location, candidate information, and other important election details that you should review before you vote. You may mark your selections on your Sample Ballot and take it with you to the polls for easy reference.

You have several options for voting:

Vote-by-Mail – Voting by mail is convenient and easy. You will find an application to receive a Vote-by-Mail ballot on the back cover of this pamphlet. The deadline to request a vote-by-mail ballot is October 28. You have several options for returning your ballot:

- Mail your ballot in time to reach the Registrar of Voters office by 8 p.m. on Election Day, November 4, 2014. Postmarks are not accepted.
- Return your ballot in person to the Registrar of Voters office during regular business hours and until close of polls on Election Day. For your convenience the Registrar's office has a secure locked drop box at its entry for ballot drop off 24 hours a day.
- Deposit your ballot in one of the secure drop-off boxes available at designated City Clerks' offices from October 6 through November 3. Please visit our website to view a map of ballot drop-off locations.
- Take your ballot to any polling place (before 8 p.m.) in Riverside County on Election Day.
- You may confirm that the Registrar of Voters office has received your returned Vote-by-Mail ballot on our website at www.voteinfo.net.
- **Vote First, Count First!** Vote-by-mail ballots received before Election Day are counted first. Return your ballot as soon as possible to ensure that it is included in the first Election Night results!

Early Voting – Vote at the Registrar of Voters office beginning October 6 through November 3 (excluding Holidays), Monday through Friday, from 8:00 a.m. to 5:00 p.m.; Saturday, October 25 and November 1, from 9:00 a.m. to 4:00 p.m.; and Election Day, November 4, from 7:00 a.m. to 8:00 p.m. Early voting will also be available at participating malls in Riverside County on October 24 through October 26. Please visit our website at www.voteinfo.net for additional early voting information.

Vote on Election Day November 4 – See the back cover of this Sample Ballot for your polling place location.

There is still time to volunteer to be a poll worker. We need Polling Officers to work at the polls on Election Day and we are eager to train you to assist voters with our proudest legacy – the right to vote.

The Registrar of Voters team is here to serve you. Please contact us anytime, so we can help make your voting experience a positive one. Thank you for participating in this election -- your vote counts!

Sincerely,

Rebecca Spencer

Elections in California

The Top Two Candidates Open Primary Act, which took effect January 1, 2011, requires that all candidates for a voter-nominated office be listed on the same ballot. Voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate, regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election regardless of vote totals. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held. Even if there are only two candidates for an office in the open primary, a general election for that office is still required.

California's open primary system does not apply to candidates running for local offices.

California law requires that the following information be printed in this pamphlet.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Redistricting

New electoral district boundaries are drawn every 10 years in order to equalize district populations. Boundaries for the congressional, state legislative, and county supervisorial districts are now different. Boundary changes also apply to any city, school district, or special district that votes by trustee areas or divisions. To see the new district maps, visit the Registrar of Voters website at www.voteinfo.net.

HOW TO MARK YOUR PAPER BALLOT

Please refer to the following instructions on how to properly complete your official ballot:

- ▶ Connect the head and tail of the arrow that points to your choice like the example provided.
- ▶ Check both front and back of ballot for voting contests.
- ▶ Use a black ball point pen. Do not use felt tip, red or gel ink.
- ▶ One line connecting the arrow is preferred.
- ▶ Vote for no more than the number of votes allowed in each contest (e.g. vote for one, vote for no more than two, etc.).
- ▶ Please keep the vote-by-mail ballot folded the same way you received it.

MEASURES SUBMITTED TO THE VOTERS / MEDIDAS SOMETIDAS A LOS VOTANTES

STATE / ESTADO

1

WATER BOND. FUNDING FOR WATER QUALITY, SUPPLY, TREATMENT, AND STORAGE PROJECTS. Authorizes \$7.545 billion in general obligation bonds for state water supply infrastructure projects, including surface and groundwater storage, ecosystem and watershed protection and restoration, and drinking water protection. Fiscal Impact: Increased state bond costs averaging \$360 million annually over 40 years. Local government savings for water-related projects, likely averaging a couple hundred million dollars annually over the next few decades.

BONOS DE AGUA. FINANCIAMIENTO PARA LA CALIDAD, SUMINISTRO, TRATAMIENTO Y PROYECTOS DE ALMACENAMIENTO DE AGUA. Autoriza \$7.545 mil millones en bonos de obligación general para proyectos estatales de infraestructura de suministro de agua, incluyendo almacenamiento de aguas superficiales y subterráneas, protección y restauración del ecosistema y las cuencas, y protección del agua potable. Impacto fiscal: Incremento de los costos de los bonos estatales con un promedio de \$360 millones anuales durante 40 años. Ahorros para el gobierno local por proyectos relacionados con el agua, posiblemente promediando un par de cientos de millones de dólares anuales durante las próximas décadas.

2

STATE BUDGET. BUDGET STABILIZATION ACCOUNT. LEGISLATIVE CONSTITUTIONAL AMENDMENT. Requires annual transfer of state general fund revenues to budget stabilization account. Requires half the revenues be used to repay state debts. Limits use of remaining funds to emergencies or budget deficits. Fiscal Impact: Long-term state savings from faster payment of existing debts. Different levels of state budget reserves, depending on economy and decisions by elected officials. Smaller local reserves for some school districts.

PRESUPUESTO ESTATAL. CUENTA DE ESTABILIZACIÓN DEL PRESUPUESTO. ENMIENDA CONSTITUCIONAL LEGISLATIVA. Exige una transferencia anual de las rentas del fondo general a la cuenta de estabilización del presupuesto. Exige que la mitad de las rentas sea utilizada para pagar las deudas del estado. Limita el uso del remanente de fondos a emergencias o déficit presupuestarios. Impacto fiscal: Ahorros a largo plazo del estado por pago más rápido de las deudas actuales. Diferentes niveles de reservas del presupuesto estatal, dependiendo de la economía y las decisiones de funcionarios elegidos. Menores reservas locales para algunos distritos escolares.

HEALTHCARE INSURANCE. RATE CHANGES. INITIATIVE STATUTE. Requires Insurance Commissioner's approval before health insurer can change its rates or anything else affecting the charges associated with health insurance. Provides for public notice, disclosure, and hearing, and subsequent judicial review. Exempts employer large group health plans. Fiscal Impact: Increased state administrative costs to regulate health insurance, likely not exceeding the low millions of dollars annually in most years, funded from fees paid by health insurance companies.

SEGURO DE CUIDADOS DE LA SALUD. CAMBIOS DE TARIFAS. INICIATIVA PARA PROMULGAR UN ESTATUTO. Exige la aprobación del Comisionado de Seguros antes de que las aseguradoras de salud puedan cambiar sus tarifas o cualquier cosa que afecte los cargos relacionados con el seguro de salud. Prevé aviso público, divulgación, y audiencia, y posterior revisión judicial. Exime a los planes de salud para grupos grandes proporcionados por empleadores. Impacto fiscal: Incremento de los costos administrativos del estado para regular el seguro de salud, que muy probablemente no excederá unos pocos millones de dólares anuales en la mayoría de los años, financiado con las tarifas pagadas por las compañías de seguro.

DRUG AND ALCOHOL TESTING OF DOCTORS. MEDICAL NEGLIGENCE LAWSUITS. INITIATIVE STATUTE. Requires drug testing of doctors. Requires review of statewide prescription database before prescribing controlled substances. Increases \$250,000 pain/suffering cap in medical negligence lawsuits for inflation. Fiscal Impact: State and local government costs from raising the cap on medical malpractice damages ranging from tens of millions to several hundred million dollars annually, offset to some extent by savings from requirements on health care providers.

PRUEBAS DE DETECCIÓN DE DROGA Y ALCOHOL A DOCTORES. DEMANDAS POR NEGLIGENCIA MÉDICA. INICIATIVA PARA PROMULGAR UN ESTATUTO. Exige pruebas de detección de drogas a doctores. Exige revisar la base de datos estatal de medicamentos con receta antes de prescribir sustancias controladas. Incrementa el tope de \$250,000 de indemnización por dolor/sufrimiento en demandas de negligencia médica para compensar por la inflación. Impacto fiscal: Costos para los gobiernos estatal y local al aumentar el tope de indemnización por mala praxis médica, en el orden de decenas de millones a varios cientos de millones de dólares anuales, compensados en cierto modo por ahorros en los requerimientos sobre los proveedores de cuidados de la salud.

CRIMINAL SENTENCES. MISDEMEANOR PENALTIES. INITIATIVE STATUTE. Requires misdemeanor sentence instead of felony for certain drug and property offenses. Inapplicable to persons with prior conviction for serious or violent crime and registered sex offenders. Fiscal Impact: State and county criminal justice savings potentially in the high hundreds of millions of dollars annually. State savings spent on school truancy and dropout prevention, mental health and substance abuse treatment, and victim services.

CONDENAS PENALES. PENAS POR DELITOS MENORES. INICIATIVA PARA PROMULGAR UN ESTATUTO. Exige condenas por delito menor en lugar de delito mayor para ciertas infracciones relacionadas con las drogas y la propiedad. No aplicable a personas con condenas anteriores por delitos graves o violentos y ofensores sexuales registrados. Impacto fiscal: Ahorros a los sistemas penales del estado y condado potencialmente en varios cientos de millones de dólares anuales. Los ahorros estatales se gastarán en la prevención del ausentismo y deserción escolar, tratamiento de salud mental y abuso de sustancias, y servicios a las víctimas.

STEVE ADAMS, Republican

AGE: 61

**OCCUPATION: Councilman / Retired Policeman
EDUCATION AND QUALIFICATIONS:**

As a Riverside resident since 1958, a retired Riverside Police Officer, a small business owner, and 3rd term Riverside City Councilman, I am uniquely aware of the issues facing the residents of the 41st District.

Over-regulation from Congress and Washington politicians is restraining economic growth, stifling job creation hurting the residents of the 41st. We need and deserve better than single issue politicians with extreme agendas.

As a three-term Councilman, I've been intricately involved in the betterment of my community. I was successful in helping make Riverside #1 in the Nation in new jobs and top 8 places to be. I was part of the team that brought in the UC Riverside Medical School, bringing quality jobs and millions of dollars to our economy. I will continue to do this for the 41st District.

An uncontrolled border has negatively impacted our lives; jobs, economy, education, crime, hospitals and more. We must stop the human trafficking, victimizing children and women and the flow of drugs and criminals into our cities. The first step is a secure and safe boarder for legal entry. I will go to Congress to help broker real solutions and break the gridlock and partisanship that has plagued this country for the past six years.

Our region has experienced tremendous growth over the years, straining our infrastructure and roadways. Serving on local, state and national transportation committees I know the issues and offer real solutions that I will take to Washington and fight for our region.

MARK TAKANO, Democratic

AGE: 53

**OCCUPATION: United States Representative / Teacher
EDUCATION AND QUALIFICATIONS:**

Dear Neighbor,

Congress is broken, and I have used my first term in office fighting for the commonsense reforms we all know it desperately needs.

As your Representative, I have fought for the middle class, worked to create good paying jobs in the Inland Empire, and stood up to the leaders of both parties to protect Social Security and Medicare.

Over the past two years, my office has secured more than \$1 million in benefits owed to veterans and held several town hall meetings to understand local priorities. I introduced legislation to strengthen and improve school curriculum, increase business participation in job training programs, make it easier for veterans to go back to school, and support the creation of advanced manufacturing jobs.

I will continue to fight for the middle class by supporting job-creating local investments like the UC Riverside Medical School and I'll stand up against tax cuts for billionaires and corporations that want to ship American jobs overseas.

Prior to being elected to the House of Representatives, I dedicated my life to public service as a high school teacher and Riverside Community College Trustee. Those roles prepared me to be an effective advocate for local schools, businesses, veterans, seniors, and middle class families.

I am proud to have the support of local leaders from throughout Riverside, Moreno Valley, Jurupa Valley, and Perris.

I respectfully ask for your vote on November 4th so we can continue to grow our economy and fix Congress.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
60TH ASSEMBLY DISTRICT**

KEN PARK, Democratic

AGE: 69

OCCUPATION: Small Business Man

EDUCATION AND QUALIFICATIONS:

My name is Ken Park, and I am an American citizen born and raised in Korea. I came to Canada in 1971 after studying Business Administration in Korea, and working in the Middle East. I worked for Canadian National Railroad for nearly 10 years, and came to the US in 1987. Since then I worked as a businessman, opening a Chevron gas station, a vitamin store, and also working in real estate. Through my experience as a businessman I was able to greatly understand the needs and wants of the communities that I served, and felt that there were a lot of things in our modern society that could use improvement.

I am running for the 60th State Assembly District in the hopes of changing and / or improving the following issues:

- 1) Job creation/ Job Retaining - Several important industries are leaving California due to a lack of government subsidies, including but not limited to the entertainment and the auto industry.
- 2) Improving Educational System--- more teachers, more programs that focus on bring the schools and their surrounding communities together
- 3) Improving the Veterans welfare system---more jobs for veterans, more available housing

This is only the beginning of what I wish to do in office, but I can't do it without your help and support. I feel that times are tough for our young, our disabled, and our brave entrepreneurs, and that we must reform the current systems set in place to improve the ever-lowering standards in our state.

AGE: 65

OCCUPATION: Riverside Community College District Trustee
EDUCATION AND QUALIFICATIONS:

I have been honored to serve on the Riverside Community College District Board of Trustees for the past eight years. While on the Board, I have served four years as President and three years as Vice-President. During that time, I have built a record centered on service to students, strong fiscal management, open leadership, cooperative problem-solving, and delivering results.

In recent years, we opened a new Math & Science and School of Nursing Complex; established Veterans Resource Centers for returning military personnel; and stabilized district finances through careful cost savings – while keeping cuts away from the classroom. We also began or completed work on a range of construction projects, investing in RCC for the long term while helping the local economy. In 2016 – to mark the centennial of RCC – we will open a new education plaza in downtown Riverside, featuring a Culinary Academy and the Coil School for the Arts.

I am a graduate of RCC, a former teacher at RCC and currently a practicing attorney of 39 years in downtown Riverside. I am asking for your vote so I may have the opportunity to continue the good work we have started.

MARK L. FORD

OCCUPATION: Student

EDUCATION AND QUALIFICATIONS:

Hello Voter,

R.C.C.'s recent construction is the result of Measure "C" - a \$350 million bond measure which passed in 2004. Which means this money was borrowed on interest! Over the past three years R.C.C.'s budget has been cut by 60% (20% a year). Which means that unless there is a change in the next two years, we will be saying that its budget has been cut by 100% in the last five years.

In 2012, 26 full-time jobs were cut to fix a budgetary shortfall of \$14.3 million. Additionally, \$3 million was cut from the contingency fund, a \$2 million loan was taken out, and the repayment of a \$1 million loan was deferred.

As a former student at R.C.C., I want it to be the best Community College in the world. However, wanting something is not enough — without action! Therefore, I've chosen to get involved in order to make a positive difference. My experience in sales, teaching, fundraising, running my own business and education (e.g. M.I.D.I certificate; B.A: Theology; M.S.: Management; M.B.A: Marketing; And that I'm currently studying for a doctorate in Educational Leadership equips me for this task.

May I have your vote?

Truly,

MEASURE “GG” – CORONA-NORCO UNIFIED SCHOOL DISTRICT

FULL TEXT BALLOT PROPOSITION OF THE CORONA-NORCO UNIFIED SCHOOL DISTRICT BOND MEASURE ELECTION NOVEMBER 4, 2014

The following is the full proposition presented to the voters by the Corona-Norco Unified School District.

“Shall Corona Norco Unified School District, serving areas of Corona, Norco and Eastvale, upgrade classrooms, science labs, computers, career-training technology to support high-quality instruction in math, science, engineering, technology/skilled trades, repair/replace leaky roofs, floors, plumbing/hazardous materials where needed, address overcrowding, improve student safety/security, repair, construct, acquire, equip classrooms, facilities/sites, by issuing \$396 million in bonds, at legal rates, with citizen oversight, no administrator salaries, and all funds dedicated to improving local neighborhood schools?”

PROJECT LIST

The Board of Education of the Corona-Norco Unified School District is committed to maintaining the quality of education in local schools with safe, upgraded classrooms, libraries, science labs and technology systems to keep pace with 21st century learning standards. To that end, the Board evaluated the District's urgent and critical facility needs, including safety issues, class size, computer and information technology, enrollment trends and prepared a Master Facilities Plan which is incorporated herein in its entirety, in developing the scope of projects to be funded. The District conducted a facilities evaluation and received public input in developing this Project List. Teachers, staff, community members and the Board have prioritized the key health and safety needs so that the most critical facility needs are addressed. The Board concluded that if these needs are not addressed now, the problems will only become more pressing and expensive to address. **Therefore, in approving this Project List, the Board of Education determines that the District must:**

- (i) **Provide classrooms, labs and equipment needed for career and technical education classes so students are prepared for college and good-paying jobs in fields like science, technology, engineering and the skilled trades; and**
- (ii) **Update instructional technology in the classroom for improved student learning in core subjects like reading, math, science and technology; and**
- (iii) **Repair or replace old, deteriorating roofs, floors, plumbing, electrical and remove hazardous materials where needed; and**
- (iv) **Distribute all bond funds equitably between projects benefiting the areas of Corona, Norco and Eastvale based on each area's current assessed valuation; and**
- (v) **Adhere to specific fiscal accountability safeguards such as:**
 - (a) **Sacramento must be prohibited from taking any of the funds raised.**
 - (b) **All expenditures must be subject to annual independent financial audits.**
 - (c) **No funds can be used for administrators' salaries and pensions.**
 - (d) **ALL FUNDS MUST STAY IN THE DISTRICT AND BE SUBJECT TO LOCAL CONTROL.**
 - (e) **An independent citizens' oversight committee must be appointed to ensure that all funds are spent only as authorized.**

The Project List includes the following types of upgrades and improvements at the District schools:

Renovation, Repair and Upgrade Projects

Goal and Purpose: Since providing classrooms, labs, and equipment needed for career and technical education classes so students are prepared for college and high-demand jobs in fields like science, engineering, technology, and skilled trade is critical, local schools will benefit from projects including:

- Upgrade and construct classrooms, science labs, career-training facilities and computer systems to keep pace with technology.
- **Repair or replace old, deteriorated roofs, floors, plumbing and remove hazardous materials where needed.**
- Repair and renovate outdated classrooms and school buildings.
- Add electrical service capacity to relieve overloaded electrical systems so that it can handle modern instructional technology.
- Provide improved, up-to-date computers and computer labs.
- Create a new magnet or STEM-type high school academy to emphasize 21st Century skills and address student capacity issues in the Eastvale community.
- Construct classrooms to reduce overcrowding.

Safety, Security and Energy Efficiency School Projects

Goal and Purpose: Whether or not you have school-age children, protecting the quality of our schools, the quality of life in our community, and the value of our homes is a wise investment. This measure will upgrade security lighting, fencing, smoke detectors, fire alarms, sprinklers, and campus security systems for improved student safety. Schools will benefit from a variety of safety and efficiency projects, such as:

Student Safety and Security

- Replace aging, outdated portables with modern classrooms that meet 21st century health, safety and academic standards.
- Upgrade fire alarm systems to automatic systems, repair fire safety equipment, add sprinklers and fire safety doors to make students safe in the event of an emergency.
- Improve older schools so that they meet the same safety and academic standards as newer schools.
- **Upgrade schools to make them accessible to students with disabilities.**
- **Upgrade and install new security systems, such as outdoor lighting, fencing, gates and classroom door locks.**
- Upgrade emergency communication systems to improve student safety.
- Improve pick-up and drop-off zones and parking lots at school sites to improve student safety and the flow of traffic.

Energy Efficiency – Returning Savings to the Classroom

- Replace old and inefficient windows, lighting, irrigation, heating and ventilation systems which waste money and use the savings to protect the quality of instruction in core subjects like reading, math, science and technology.
- **Install energy efficient systems to save money and return the savings to the classroom.**

District-Wide Instructional Technology and Wiring Projects For Improved Student Learning

Goal and Purpose: If we want our kids to succeed in college and careers, they must be skilled in the use of 21st Century technologies and have a solid background in science, math and technology. This measure will update instructional technology in the classroom for improved student learning in core subjects like reading, math, science and technology.

- Upgrade instructional technology in the classroom for improved student learning.
- Provide and maintain up-to-date technology, data and communication equipment.
- Upgrade and expand wireless systems, telecommunications, Internet and network connections.
- Upgrade and replace computers, hardware and software systems, classroom and library technology and teaching equipment to enhance instruction.

* * *

The listed projects will be completed as needed. Each project is assumed to include its share of furniture, equipment, architectural, engineering, and similar planning costs, program management, staff training expenses and a customary contingency, and escalation for unforeseen design and construction costs. In addition to the listed projects stated above, the Project List also includes the payment of the costs of preparation of all facility planning, facility assessment reviews, environmental studies, construction documentation, inspection and permit fees, and temporary housing of dislocated District activities caused by bond projects. The upgrading of technology infrastructure includes, but is not limited to, computers, projectors, portable interface devices, servers, switches, routers, modules, smart boards, sound projection systems, printers, digital white boards, document projectors, upgrade voice-over-IP, phone systems, call manager and network security/firewall, and other miscellaneous equipment and software. The repair of school facilities includes upgrading/replacing school site parking, campus accessibility, utilities, playground equipment, hard court surfaces, shade structures for student assembly and protecting students from inclement weather during lunch, libraries, District support facilities, campus signage, fire sensors; replace damaged and unsafe gym bleachers, upgrade athletic and play fields turf for safety or operational efficiency; renovate and paint interior and exterior building surfaces to extend their useful life; upgrade physical education facilities; construct classrooms and facilities; install security, safety and communication systems and equipment; upgrade window and floor coverings (including tiles and carpeting), kitchen equipment; upgrade irrigation systems; acquire furnishings and/or other electronic equipment and systems. The Project List also includes the refinancing of any outstanding lease obligations, or the bridge loans taken to initiate voter approved projects. The allocation of bond proceeds may be affected by the District's receipt of State matching funds and the final costs of each project. In the absence of State matching funds, which the District will aggressively pursue to reduce the District's share of the costs of the projects, the District may not be able to complete some of the projects listed above. The budget for each project is an estimate and may be affected by factors beyond the District's control. The final cost of each project will be determined as plans are finalized, construction bids are awarded and projects are completed. Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed. Demolition of existing facilities and reconstruction of facilities scheduled for repair and upgrade may occur, if the Board determines that such an approach would be more cost-effective in creating enhanced and operationally efficient campuses. Necessary site preparation/restoration and landscaping, may occur in connection with new construction, renovation or remodeling, or installation or removal of relocatable classrooms, including ingress and egress, removing, replacing, or installing irrigation, utility lines, trees and landscaping, redirecting fire access, and acquiring any necessary easements, licenses, or rights of way to the property.

Bond proceeds shall be expended only for the specific purposes identified herein. Proceeds of the bonds may be used to pay or reimburse

the District for the cost of District staff when performing work on or necessary and incidental to the bond projects. The District shall create an account into which proceeds of the bonds shall be deposited and comply with the reporting requirements of Government Code § 53410.

FINANCIAL ACCOUNTABILITY: IN ACCORDANCE WITH EDUCATION CODE SECTION 15272, THE BOARD OF EDUCATION WILL APPOINT A CITIZENS' OVERSIGHT COMMITTEE AND CONDUCT ANNUAL INDEPENDENT AUDITS TO ASSURE THAT FUNDS ARE SPENT ONLY ON DISTRICT PROJECTS AND FOR NO OTHER PURPOSE, THE EXPENDITURE OF BOND MONEY ON THESE PROJECTS IS SUBJECT TO STRINGENT FINANCIAL ACCOUNTABILITY REQUIREMENTS, BY LAW, PERFORMANCE AND FINANCIAL AUDITS WILL BE PERFORMED ANNUALLY, AND ALL BOND EXPENDITURES WILL BE MONITORED BY AN INDEPENDENT CITIZENS' OVERSIGHT COMMITTEE TO ENSURE THAT FUNDS ARE SPENT AS PROMISED AND SPECIFIED, THE CITIZENS' OVERSIGHT COMMITTEE MUST INCLUDE, AMONG OTHERS, REPRESENTATION OF A BONA FIDE TAXPAYERS ASSOCIATION, A BUSINESS ORGANIZATION AND A SENIOR CITIZENS ORGANIZATION, NO DISTRICT EMPLOYEES OR VENDORS ARE ALLOWED TO SERVE ON THE CITIZENS' OVERSIGHT COMMITTEE.

No Administrator Salaries: Proceeds from the sale of the bonds authorized by this proposition shall be used only for the acquisition, construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, and not for any other purpose, including teacher and school administrator salaries and other operating expenses.

MEASURE "GG" – CORONA-NORCO UNIFIED SCHOOL DISTRICT

Tax Rate Statement Corona-Norco Unified School District Bond Measure November 4, 2014 Election

To: The voters voting in the November 4, 2014 election on the question of the issuance of \$396,000,000 General Obligation Bonds of the Corona-Norco Unified School District.

You are hereby notified in accordance with Section 9401 of the Elections Code of the State of California of the following:

1. The best estimate from official sources of the tax rate which would be required to be levied to fund principal and interest payments during the first fiscal year after the first sale of bonds (Fiscal Year 2015-2016), based on assessed valuations available at the time of the election and taking into account estimated future growth, is \$.024000 per \$100 of assessed valuation, which equates to \$24.00 per \$100,000.
2. The best estimate from official sources of the tax rate which would be required to be levied to fund principal and interest payments during the first fiscal year after the last sale of bonds (Fiscal Year 2036-2037), based on assessed valuations available at the time of the election and taking into account estimated future growth, is \$.024000 per \$100 of assessed valuation, which equates to \$24.00 per \$100,000.
3. The best estimate from official sources of the highest tax rate which would be required to be levied to fund principal and interest payments on the bonds and an estimate of the year in which that rate will apply, based on assessed valuations available at the time of the election and taking into account estimated future growth, is \$.024000 per \$100 of assessed valuation, which equates to \$24.00 per \$100,000. The tax rate is projected to be the same every year.

The attention of all voters is directed to the fact that the foregoing information is based upon projections and estimates only. The actual tax rates and the years in which they will apply may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The date of sale and the amount of bonds sold at any given time will be determined by the District based on its need for construction funds and other factors. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of sale. Actual future assessed valuations will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process. Accordingly, the actual tax rates and the years in which such rates are applicable may vary from those presently estimated as above stated.

IMPARTIAL ANALYSIS OF MEASURE “GG”

The Board of Education (“Board”) of the Corona-Norco Unified School District (“District”) by adopting Resolution No. 40 (“Resolution”), elected to call an election pursuant to Section 18 of Article XVI and Section 1 of Article XIII A of the California Constitution and Section 15100 and 15624 *et seq.* of the California Education Code to obtain authorization to issue and sell general obligation Bonds (“Bonds”) in the aggregate amount principal amount of three hundred ninety six millions dollars (\$396,000,000).

This Measure was placed on the ballot by the Board of the above-identified District.

The Bonds would be used by the District to upgrade and rehabilitate existing school facilities, construct, acquire, repair and upgrade classroom sites and facilities with technology, repair and renovate existing school facilities, including roofing, plumbing, flooring and roofing infrastructure, improve safety and security at schools, and safety conditions in facilities and address overcrowding. The Bonds would not be used to fund the salaries or benefits of any board members, administrator, and/or teachers or for other school operating expenses.

If Measure “GG” is approved, the Board of the District will appoint a citizens’ oversight committee and conduct annual independent audits to assure that bond funds are spent only on the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities, and for no other purposes.

An ad valorem tax would be levied and collected on property within the boundaries of the District to pay the principal and interest on the Bonds.

The Resolution provides that the maximum interest rate on the Bonds will not exceed the maximum interest rate permitted by the applicable laws of the State and the maximum term of the Bonds, or any series thereof, will not exceed 40 years.

Approval of Measure “GG” does not guarantee that the proposed project or projects in the Corona-Norco Unified School District that are the subject of the Bonds under Measure “GG” will be funded beyond the local revenues generated by Measure “GG”. The District’s proposal for the project or projects may assume the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

For this Measure to be approved fifty-five percent (55%) of qualified voters who vote on the Measure must vote yes.

A “YES” vote on Measure “GG” is a vote to allow the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

A “NO” vote on Measure “GG” is a vote against allowing the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

By: Ronak N. Patel, Deputy County Counsel

ARGUMENT IN FAVOR OF MEASURE “GG”

Corona Norco Unified School District provides a nationally recognized, high-quality education. Whether or not you have school-age children, protecting the quality of our great local schools and the value of our homes is a wise investment.

Academic standards are rising to meet the needs of the 21st century. If we want our kids to succeed in college and careers they must have a solid background in science, math and technology. Older schools need upgrades and repairs to meet the technology needs of 21st-century education, meet current safety standards and address overcrowding.

Measure “GG” invests in upgrades to maintain high-quality education in Corona, Norco and Eastvale area schools by:

- Providing labs and updating classrooms for career technical education
- Updating instructional technology in the classroom for improved student learning
- Upgrading classrooms, libraries, science labs and computer systems to keep pace with technology and rising academic standards
- Improving student safety and security, including security lighting and cameras, fencing, smoke detectors, fire alarms and sprinklers
- Ensuring science and computer labs and classroom instruction keeps pace with modern technology
- Repairing or replacing deteriorated roofs, floors, electrical systems and plumbing and removing hazardous materials in older schools
- Reducing classroom overcrowding at elementary schools where needed by providing new classrooms and facilities

Strict fiscal accountability ensures funds stay in local neighborhood schools:

- No funds can be used for district administration or employee salaries
- A Citizens’ Oversight Committee with representatives from all communities and annual independent audits will ensure that money is spent only on the voter-approved project list
- Funds can’t be taken by the State or diverted to other areas
- Community members will receive regular updates regarding bond projects

Vote Yes on “GG” to maintain our great, local Corona, Norco and Eastvale area schools and prepare our students for the 21st century!

IMPARTIAL ANALYSIS OF MEASURE "L"

Development in the La Sierra Hills and La Sierra Lands is generally governed by the City of Riverside's General Plan 2025, Zoning Code, Proposition "R", which set forth goals and policies for development in the La Sierra Lands, and Measure "C", which required adoption of the Rancho La Sierra Specific Plan ("Planning Documents").

The existing Planning Documents generally allow for single-family residential uses ranging from 0.20 to 2.0 dwelling units per acre in the La Sierra Hills and the La Sierra Lands. Development of hillside areas in the La Sierra Hills is limited, and allowable uses include single-family residences, orchards and other crops, limited keeping of poultry, rabbits, horses and bees, parks and playgrounds, golf courses, accessory buildings and uses, and family daycare homes. Allowable uses in the La Sierra Lands, set forth in the Rancho La Sierra Specific Plan, include recreation and open space, community facilities, single-family residences and agriculture, as well as the requirement for natural open space for projects proposed in the area.

Measure "L" has been placed on the ballot by a petition signed by the requisite number of voters and would amend the City's Planning Documents as follows: repeal the Rancho La Sierra Specific Plan in its entirety; amend Proposition "R" and Measure "C" to eliminate their applicability to the La Sierra Lands; amend General Plan 2025 by setting forth a new vision for the Rancho La Sierra Specific Plan, adding an Open Space/Natural Resources Land Use Designation to the La Sierra Hills and the Medium Density Residential Land Use Designation to the La Sierra Lands, and amending various policies and objectives in the Land Use and Urban Design and Open Space and Conservation Elements to ensure consistency with Measure "L"; amend Title 19 (Zoning) of the Riverside Municipal Code by adding two new zones, the Open Space Zone applicable to the La Sierra Hills and the Residential/Open Space Zone applicable to the La Sierra Lands.

Measure "L" would permanently preserve the La Sierra Hills as public open space. The Open Space/Natural Resources Land Use Designation is limited to private and public lands used for resource conservation and open space, while the new Open Space Zone added by Measure "L" indicates only that it is established to preserve areas of permanent open space. A legal question exists regarding whether Measure "L's" limitation on allowable uses within the La Sierra Hills would constitute a taking of private property without just compensation under the federal and State constitutions.

Measure "L" would allow for residential development of the La Sierra Lands tied to the preservation of open space, by requiring one acre of open space to be set aside for each 1.6 acres developed. Development is limited to an average of 3.0 dwelling units per acre, resulting in the construction of no more than 1,950 residential homes. This increases allowable density from the current zoning applicable to La Sierra Lands, which allows for 1 dwelling unit per 5 acres.

The above statement is an impartial analysis of Measure "L". If you desire a copy of the measure, please call the elections official's office at (951) 826-5557 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE “L”

Vote Yes on Measure “L” to forever preserve La Sierra Hills and restrict development on La Sierra Lands.

The La Sierra Hills and La Sierra Lands properties together consist of about 1,300 acres. Current regulations allow development throughout approximately 1,300 acres of both La Sierra Hills and La Sierra Lands and fail to account for smart, sustainable land planning principles that are the standard for today’s development. The outdated regulations governing development in the La Sierra area have prevented Riverside from advancing smart growth proposals that would protect open space in the La Sierra area.

Vote Yes on Measure “L” to permanently protect approximately 900 acres, including the entire La Sierra Hills, as public open space.

Vote Yes on Measure “L” to restrict development to approximately 400 acres of La Sierra Lands.

Vote Yes on Measure “L” to improve the economy of Riverside and the local region by creating thousands of jobs through the future development of La Sierra Lands, helping people get back to work. Riverside’s unemployment rate is higher than both the state and national average.

Vote Yes on Measure “L” to provide millions of dollars to the City of Riverside, supporting police and fire services and maintaining local roadways through revenue generated from future projects in La Sierra Lands.

Vote Yes on Measure “L” to mandate that any future specific plan for La Sierra Lands designates land for senior living facilities, public safety facilities, as well as parks and hiking trails.

Vote Yes on Measure “L” to ensure future development envisioned by the measure shall undergo a strict environmental review process, including numerous opportunities for public participation, as well as review by the City of Riverside Planning Commission and City Council.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “L”

Dear Concerned Riverside Voter,

Measure “L” may be unconstitutional.

The Las Vegas developer is betting he can dupe Riverside voters and win the jackpot with Measure “L”, walking away with mega-millions in profits. Measure “L” seeks to gain voter approval to build 1,950 housing units in La Sierra by repealing voter-passed laws “R” & “C”, which only allow 162 homes. Too many houses, too much traffic and don’t forget our water shortage!

Measure “L” was drafted behind closed doors. There were no public hearings or analysis to justify breaking down our laws to build a massive housing project.

The developer is misleading voters with phony claims of Measure “Ls” conservation benefits. The Hills are already protected!

Riverside taxpayers may be on the hook for millions of dollars in legal costs. Our City Attorney’s Impartial Analysis states “A legal question exists regarding whether Measure “Ls” limitation on allowable uses within the La Sierra Hills would constitute a taking of private property without just compensation under the federal and State constitutions.”

Riverside residents fought to pass Prop. “R” in 1979 and Measure “C” in 1987. These laws made Sycamore Canyon Park and the Citrus State Historic Park possible, and protected the Greenbelt, Victoria Avenue, spectacular arroyos, a natural Santa Ana River, and scenic hills like La Sierra’s. Saving these unique assets makes even more sense today with surrounding population growth.

Stop the repeal of “R” & “C”. Protect our property values and quality of life.

Vote No on Measure “L”.

ARGUMENT AGAINST MEASURE “L”

Dear Riversider,

A Las Vegas developer spent over \$600,000 to put Measure “L” on the ballot. Paid petition circulators claimed Measure “L” saves Riverside’s La Sierra Hills for public open space.

The developer dangles the Hills like bait to reel voters in. The Hills’ scenic value is already preserved by law and they are too steep for general public recreation.

The truth is Measure “L” permits a massive development of 1,950 houses on Rancho La Sierra lands instead of the 162 voters approved by initiatives “R” and “C”. Rancho lands are next to Norco and the Santa Ana River’s Hidden Valley Wildlife Refuge. The Norco City Council voted unanimously to oppose Measure “L”.

The developer – with only an option to buy – wants you to pass Measure “L” so he is guaranteed huge profits before purchasing the property. His scheme is to grab over 10 times the density allowed on the Rancho and dump the hard-to-develop Hills.

This housing project generates nearly 20,000 daily car trips, worsening severe traffic congestion on main roads, the 91 and 15 freeways. No permanent jobs are created, forcing more commuting.

Overdevelopment depletes Riverside’s limited water supply. This hurts all City utility ratepayers. Residents are already being asked to reduce water use 15 percent.

Measure “L” repeals longstanding protections of La Sierra lands and sets a dangerous precedent citywide. Developers and land speculators get the green light to try to build high density housing and apartments. Riverside’s Greenbelt, Victoria Avenue, orange groves, hillsides and arroyos are threatened. These irreplaceable assets increase property values and preserve our quality of life.

Don’t let an out-of-state developer damage the Riverside we know and love.

We are proud of Riverside. Vote No on Measure “L”.

REBUTTAL TO ARGUMENT AGAINST MEASURE “L”

The Measure “L” opposition can’t get its facts straight. If you can’t trust them to give you accurate information, how can you trust them to look out for Riverside’s interests?

Measure “L” is supported by a large, diverse group of local residents, conservationists, environmentalists, and community and business leaders who know this measure is good for Riverside. Here are the facts on Measure “L”:

Fact: Current zoning allows for homes to be built throughout La Sierra Hills. This is a matter of law, not an opinion. Riverside needs Measure “L” because La Sierra Hills deserves to be protected as public open space for all Riversiders to enjoy.

Fact: Measure “L” doesn’t permit a single home to be built. Rather, it sets minimum requirements for future projects that will guide growth in the La Sierra area. These requirements include providing land for a school and public safety facilities, multi-purpose trails, senior housing and parks. Riverside needs Measure “L” because current laws do not require these public amenities.

Fact: Measure “L” restricts future development, while the law already requires any future development to offset environmental impacts with mitigation measures such as road improvements and water conservation.

Fact: The City Attorney’s analysis is absolutely clear – Measure “L” only affects specific lands in the La Sierra area neighboring the City of Norco. It doesn’t affect any other areas of Riverside, meaning the Greenbelt and Victoria Avenue will remain untouched.

Stand with Riverside. Save the Hills. Vote Yes on Measure “L”!
