Elections in California

The Top Two Candidates Open Primary Act, which took effect January 1, 2011, requires that all candidates for a voter-nominated office be listed on the same ballot. Voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate, regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election regardless of vote totals. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held. Even if there are only two candidates for an office in the open primary, a general election for that office is still required.

California's open primary system does not apply to candidates running for local offices.

California law requires that the following information be printed in this pamphlet.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Redistricting

New electoral district boundaries are drawn every 10 years in order to equalize district populations. Boundaries for the congressional, state legislative, and county supervisorial districts are now different. Boundary changes also apply to any city, school district, or special district that votes by trustee areas or divisions. To see the new district maps, visit the Registrar of Voters website at www.voteinfo.net.

HOW TO MARK YOUR PAPER BALLOT

Please refer to the following instructions on how to properly complete your official ballot:

- ▶ Connect the head and tail of the arrow that points to your choice like the example provided.
- ▶ Check both front and back of ballot for voting contests.
- ▶ Use a black ball point pen. Do not use felt tip, red or gel ink.
- ▶ One line connecting the arrow is preferred.
- ▶ Vote for no more than the number of votes allowed in each contest (e.g. vote for one, vote for no more than two, etc.).
- ▶ Please keep the vote-by-mail ballot folded the same way you received it.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
41ST CONGRESSIONAL DISTRICT**

STEVE ADAMS, Republican

AGE: 61

**OCCUPATION: Councilman / Retired Policeman
EDUCATION AND QUALIFICATIONS:**

As a Riverside resident since 1958, a retired Riverside Police Officer, a small business owner, and 3rd term Riverside City Councilman, I am uniquely aware of the issues facing the residents of the 41st District.

Over-regulation from Congress and Washington politicians is restraining economic growth, stifling job creation hurting the residents of the 41st. We need and deserve better than single issue politicians with extreme agendas.

As a three-term Councilman, I've been intricately involved in the betterment of my community. I was successful in helping make Riverside #1 in the Nation in new jobs and top 8 places to be. I was part of the team that brought in the UC Riverside Medical School, bringing quality jobs and millions of dollars to our economy. I will continue to do this for the 41st District.

An uncontrolled border has negatively impacted our lives; jobs, economy, education, crime, hospitals and more. We must stop the human trafficking, victimizing children and women and the flow of drugs and criminals into our cities. The first step is a secure and safe boarder for legal entry. I will go to Congress to help broker real solutions and break the gridlock and partisanship that has plagued this country for the past six years.

Our region has experienced tremendous growth over the years, straining our infrastructure and roadways. Serving on local, state and national transportation committees I know the issues and offer real solutions that I will take to Washington and fight for our region.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
41ST CONGRESSIONAL DISTRICT**

MARK TAKANO, Democratic

AGE: 53

**OCCUPATION: United States Representative / Teacher
EDUCATION AND QUALIFICATIONS:**

Dear Neighbor,

Congress is broken, and I have used my first term in office fighting for the commonsense reforms we all know it desperately needs.

As your Representative, I have fought for the middle class, worked to create good paying jobs in the Inland Empire, and stood up to the leaders of both parties to protect Social Security and Medicare.

Over the past two years, my office has secured more than \$1 million in benefits owed to veterans and held several town hall meetings to understand local priorities. I introduced legislation to strengthen and improve school curriculum, increase business participation in job training programs, make it easier for veterans to go back to school, and support the creation of advanced manufacturing jobs.

I will continue to fight for the middle class by supporting job-creating local investments like the UC Riverside Medical School and I'll stand up against tax cuts for billionaires and corporations that want to ship American jobs overseas.

Prior to being elected to the House of Representatives, I dedicated my life to public service as a high school teacher and Riverside Community College Trustee. Those roles prepared me to be an effective advocate for local schools, businesses, veterans, seniors, and middle class families.

I am proud to have the support of local leaders from throughout Riverside, Moreno Valley, Jurupa Valley, and Perris.

I respectfully ask for your vote on November 4th so we can continue to grow our economy and fix Congress.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
28TH SENATORIAL DISTRICT**

JEFF STONE, Republican

OCCUPATION: Riverside County Supervisor / Small Business Owner

EDUCATION AND QUALIFICATIONS:

As a Riverside County Supervisor and longtime small business owner, I'm proud to be running for the Senate with the support of local taxpayers, seniors, veterans, small business owners and over 45 city council members and elected officials from the Coachella Valley and Riverside County. Councilman Glenn Miller, who ran a strong campaign in June, has now endorsed me.

I'm also honored to be the choice of Riverside County Sheriff Stan Sniff and the Riverside Sheriffs Association. Over 3,200 law enforcement officers and investigators in Riverside County endorse me because they know I will **OPPOSE EARLY RELEASE** of dangerous prisoners and work to keep our neighborhoods, schools and homes safe.

I signed the NO NEW TAXES pledge. As a local official, I successfully lowered taxes without cutting vital services. I'll work to do the same in Sacramento.

I strongly oppose the federal government's policy of moving illegal immigrants from the Texas border to Riverside County communities. The Feds need to enforce the law and control the border.

My priorities are: JOB CREATION and Improving the Business Climate; No New Taxes, Cut Waste and Balance the Budget.

Special interests in Sacramento are spending massive sums of money to influence your vote and defeat me. Ask yourself: do you want a Senator who will be a voice for the special interests; or one who will be a voice for you and Riverside County?

I'd be honored to receive your vote. Please visit www.JeffStone2014.com to read more. Thank you.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
28TH SENATORIAL DISTRICT**

BONNIE GARCIA, Republican

OCCUPATION: Small Business Woman

EDUCATION AND QUALIFICATIONS:

California is broken and in dire need of commonsense solutions.

During the six years I served in the Assembly, I kept my promise and refused to support tax increases and reckless spending. My commitment to California's hardworking taxpayers earned me the support of the Howard Jarvis Taxpayers Association and local elected officials from across the county.

A strong workforce is more important than senseless regulations. The California Small Business Association supports me because I created thousands of jobs, expanded opportunities for veterans and secured funding for small businesses.

I'm from a law enforcement and military family, value freedom and understand personal sacrifice. The California Police Chief's Association and Crime Victims United have endorsed me due to my strong support of public safety and fervent opposition toward the Governor's early release program for hardened criminals.

We must focus on issues that directly affect the future of our state and its industries: namely, our dwindling water supply. As your Senator, I will fight to ensure that California's water supply is readily available for those who need it most: families and small businesses that depend on this critical resource to create jobs and sustain our high standard of living.

With your support I will continue to use my experience and degree in Workforce Development and Education to promote a broad array of conservative priorities - sound fiscal policies, quality schools, safer communities and protecting the value of every life.

Experience and ethics matter.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
67TH ASSEMBLY DISTRICT**

CONRAD MELTON, Democratic

OCCUPATION: Retired Firefighter

EDUCATION AND QUALIFICATIONS:

Are you concerned about the excessive influence corporations have over government?

They spend millions hiring lobbyists who "support" legislators who then write new laws and loopholes for greater profits. The people pay and pay.

I say corporations are NOT PEOPLE and money is NOT SPEECH. That's why election reform is at the top of my agenda!

Giant agriculture now grows food with Genetically Modified Organisms. They oppose even *labeling* those foods. 46 European nations and I agree: accurate, honest labels on food is mandatory.

Factory farms put unnecessary antibiotics into food animals. They get bigger chickens, heavier hogs, and higher profits, but the people get antibiotic-resistant staph infections that kill 99,000 every year.

Oil companies are spending millions to keep "fracking" legal even though it has caused earthquakes and poisoned drinking water. We must safeguard our water and NOT agitate the seismic plates!

Government's priorities should value PEOPLE BEFORE CORPORATIONS!

Minimum wage should be raised significantly!

Military families should not need to apply for food stamps.

New infrastructure construction and timely repairs will create jobs.

Women's health issues should be between the woman and her Doctor.

We need a sensible immigration program and a reasonable path to citizenship.

It's time to provide "Medicare for All."

Families don't need anti-tank guns and hunters don't need 50 shot clips.

Think my positions should be our State's laws?

60,000 voters in AD-67 will not vote because they think it won't matter.

Please don't be one of them.

BEN JOHNSON **AGE: 49**
OCCUPATION: School Board Member / Businessperson
EDUCATION AND QUALIFICATIONS:

As a school board member for Alvord School District for 17 years, I have always put the needs of students first. My track record includes a proven ability to improve student performance, manage declining revenue with the least impact on teacher and staff jobs, while still supporting education that will prepare students for college and career. I will bring these priorities to the RCCD Board of Trustees. I understand the desire of parents to see their children transition successfully to college.

My wife Stacy and I have four daughters, two of whom attend Riverside Community College District. As a parent, I understand how important a good education is to our families and community. I will make education count by working to ensure students earn a degree in 2 years by expanding Completion Counts to all campuses and providing 21st Century education for 21st Century jobs.

I believe my proven leadership as a school board member, and an executive in the health care industry, has well prepared me to serve as an RCCD Trustee.

JULIANN ANDERSON **AGE: 50**
OCCUPATION: Educator / Municipal Attorney
EDUCATION AND QUALIFICATIONS:

Riverside City College, Moreno Valley College, and Norco College are vital to our students and economy. Yet, all three colleges have been allowed to decline. Job training programs have been cut, students have little guidance, and many can't get the classes they need to graduate or transfer.

I know how education can be life-changing. My brother and I were the first in my family to go to college. I attended public schools and went on to graduate from Stanford University and Harvard Law School. I've served as a criminal prosecutor, city attorney, and college instructor over a 24-year career that was only possible because of the educational opportunities I had.

I'm running for the RCCD Board to ensure that our students get the quality education and job training they need in today's economy. I will work to increase Board accountability, improve graduation rates, and invest in programs that will prepare students for today's jobs.

I am honored to have the support of faculty and community leaders throughout Riverside County. I look forward to hearing from you -- contact me anytime at (951) 833-1328, Juliann.Anderson@gmail.com, or www.JuliannAnderson.com. I would be honored to receive your vote.

JULIO CESAR GONZALEZ RODRIGUEZ
OCCUPATION: Educator / Parent
EDUCATION AND QUALIFICATIONS:

As the father of three children attending schools within Val Verde, a citizen who pays property and Mello- Roos taxes and voted for Measure L, I have a vested interest in our district. Like most parents, I want the best for my children, which to me means a great education.

For about 14 years, I have worked for outreach departments at local colleges and university, promoting education and careers. I tell students that every job within society is valuable. A society with only doctors would crumble, we also need teachers, janitors and all the other careers, in order to prosper. The question they need to ask themselves is what do they want to do and how are they going accomplish it.

Growing up in Central California, I worked in agricultural farms in the summers, an experience that taught me to value education and my community. I earned my bachelors from UC Riverside and my master in Educational Counseling from the University of Redlands.

Through my professional, academic and personal background, and my desire to provide the best education to my children and all children within our district, I believe that I am a strong candidate. Vote for Julio Gonzalez.

EDUCATION AND QUALIFICATIONS:

California has faced a financial crisis over the years. Our school system was broken. Budgets were slashed. Teachers and support staff were laid off. Programs were cut. Many lost faith in the public school system.

Yet, Val Verde improved test scores. From the worst in Riverside County to a top six district of choice.

Today, we hold the highest attendance rate at 96%, the lowest truancy rate, and our graduation rate is at 90.2%.

I've kept my promise to improve test scores at Val Verde, and I've supported a technology driven education utilizing computers to engage students.

Our world is changing. Education is changing.

Our new high school is under construction and will open in 2016 with a focus on Science, Technology, Engineering, Arts, and Math (STEAM) program.

Inspiring students to learn through discovery while encouraging them to reach their full potential.

Our students and our community deserve that.

Great teachers, safe schools, the latest in technology, and a new high school.

The very foundation to live a prosperous life in a community of progress and growth.

**CANDIDATE STATEMENT FOR
DIRECTOR,
WESTERN MUNICIPAL WATER DISTRICT, DIVISION 2**

TOM EVANS

OCCUPATION: Water District Director

EDUCATION AND QUALIFICATIONS:

I am grateful to have represented Division 2 customers on the Western Municipal Water District Board of Directors since 2007. I believe I am well qualified to represent Division 2 again for the next 4 years.

Water District Board members must make decisions that benefit current and future customers. My record of working collaboratively with other organizations and groups has been particularly valuable in this regard.

As a member of the WMWD Board of Directors, we have;

- Reached a historic agreement with the City of Riverside, resulting in lower water costs for Western's retail customers and \$11.7 million new revenue to the City. This agreement also helped offset water cost to Riverside residents served directly by the City.
- Implemented the use of non-potable water for Riverside National Cemetery and other agricultural irrigation, thus stretching the supply of precious drinking water.
- Provided about \$3.8 million in water efficiency rebates to customers throughout Riverside and the surrounding area.

I have represented WMWD customers on the Board of the Metropolitan Water District of Southern California since 2009. I have been an aggressive advocate for cost control, leading to dramatically lower rate increases.

Please vote for me on November 4, 2014.
