Elections in California

The Top Two Candidates Open Primary Act, which took effect January 1, 2011, requires that all candidates for a voter-nominated office be listed on the same ballot. Voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate, regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election regardless of vote totals. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held. Even if there are only two candidates for an office in the open primary, a general election for that office is still required.

California's open primary system does not apply to candidates running for local offices.

California law requires that the following information be printed in this pamphlet.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Redistricting

New electoral district boundaries are drawn every 10 years in order to equalize district populations. Boundaries for the congressional, state legislative, and county supervisorial districts are now different. Boundary changes also apply to any city, school district, or special district that votes by trustee areas or divisions. To see the new district maps, visit the Registrar of Voters website at www.voteinfo.net.

HOW TO MARK YOUR PAPER BALLOT

Please refer to the following instructions on how to properly complete your official ballot:

- ▶ Connect the head and tail of the arrow that points to your choice like the example provided.
- ▶ Check both front and back of ballot for voting contests.
- ▶ Use a black ball point pen. Do not use felt tip, red or gel ink.
- ▶ One line connecting the arrow is preferred.
- ▶ Vote for no more than the number of votes allowed in each contest (e.g. vote for one, vote for no more than two, etc.).
- ▶ Please keep the vote-by-mail ballot folded the same way you received it.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
42ND CONGRESSIONAL DISTRICT**

TIM SHERIDAN, Democratic
OCCUPATION: National Field Representative
EDUCATION AND QUALIFICATIONS:

AGE: 48

My name is Tim Sheridan. With your vote, we can make a positive change in Congress!

Right now, Congress is broken. It simply does not work. There is too much fighting among the professional politicians who have been in office for a long time. Instead of working together to achieve a result, they blame others.

The only way to change Washington is to change the people we send to Washington. We've all heard the saying, "Throw the bums out!" Now is the time!

I'm not a professional politician and I have never run for public office. I'm a hard worker who believes in putting the needs of people first.

Regular citizens, like you, are helping me. They want someone in Congress who will be responsive to voters – someone who will work on behalf of everyday Americans.

I have traveled around California's 42nd District extensively this past year, meeting people and listening to their concerns. I pledge that when I'm elected to Congress, I will continue to do this. Listening to you will be a priority – especially to those who disagree with me.

My focus will be on bringing good paying jobs to Riverside County, improving public education, and protecting Social Security for seniors. I will support women's rights, fair wages, and increased pay and benefits for our military personnel, veterans and their families.

This time let's take a break from the professional politicians! I would appreciate your vote.

KEN CALVERT, Republican
OCCUPATION: U.S. Representative
EDUCATION AND QUALIFICATIONS:

AGE: 61

It's an honor to represent Riverside County in Congress and I stand ready to continue serving as your voice for a more effective, accountable government in Washington.

I'm running because President Obama continues to lead our country down the wrong path.

Instead of enacting policies that will create jobs, President Obama burdens small businesses with unnecessary red tape and regulations that raise the cost to hire more employees.

Instead of stopping our immigration crisis, President Obama invites more illegal immigrants with his pro-amnesty policies.

Instead of ensuring Americans receive patient-centered healthcare, President Obama is imposing a healthcare system controlled by Washington bureaucrats.

I'm a lifelong Riverside County resident who believes that people know what's best for them and they, not the government, should be left to make their own decisions.

As a former small business owner, I know what it's like to sign the front of a paycheck and how much those paychecks mean to hard working families.

I oppose amnesty, want to send our National Guard to secure the border and make the use of E-Verify mandatory.

I'm committed to finding economic solutions that will help improve the quality of life for middle-class American families today and in the future.

My priorities include: improving our economy; addressing our immigration crisis, supporting the military; and tackling our energy and water challenges.

I humbly ask for your vote and thank you for the opportunity to represent you.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
28TH SENATORIAL DISTRICT**

JEFF STONE, Republican

OCCUPATION: Riverside County Supervisor / Small Business Owner

EDUCATION AND QUALIFICATIONS:

As a Riverside County Supervisor and longtime small business owner, I'm proud to be running for the Senate with the support of local taxpayers, seniors, veterans, small business owners and over 45 city council members and elected officials from the Coachella Valley and Riverside County. Councilman Glenn Miller, who ran a strong campaign in June, has now endorsed me.

I'm also honored to be the choice of Riverside County Sheriff Stan Sniff and the Riverside Sheriffs Association. Over 3,200 law enforcement officers and investigators in Riverside County endorse me because they know I will **OPPOSE EARLY RELEASE** of dangerous prisoners and work to keep our neighborhoods, schools and homes safe.

I signed the NO NEW TAXES pledge. As a local official, I successfully lowered taxes without cutting vital services. I'll work to do the same in Sacramento.

I strongly oppose the federal government's policy of moving illegal immigrants from the Texas border to Riverside County communities. The Feds need to enforce the law and control the border.

My priorities are: JOB CREATION and Improving the Business Climate; No New Taxes, Cut Waste and Balance the Budget.

Special interests in Sacramento are spending massive sums of money to influence your vote and defeat me. Ask yourself: do you want a Senator who will be a voice for the special interests; or one who will be a voice for you and Riverside County?

I'd be honored to receive your vote. Please visit www.JeffStone2014.com to read more. Thank you.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
28TH SENATORIAL DISTRICT**

BONNIE GARCIA, Republican

OCCUPATION: Small Business Woman

EDUCATION AND QUALIFICATIONS:

California is broken and in dire need of commonsense solutions.

During the six years I served in the Assembly, I kept my promise and refused to support tax increases and reckless spending. My commitment to California's hardworking taxpayers earned me the support of the Howard Jarvis Taxpayers Association and local elected officials from across the county.

A strong workforce is more important than senseless regulations. The California Small Business Association supports me because I created thousands of jobs, expanded opportunities for veterans and secured funding for small businesses.

I'm from a law enforcement and military family, value freedom and understand personal sacrifice. The California Police Chief's Association and Crime Victims United have endorsed me due to my strong support of public safety and fervent opposition toward the Governor's early release program for hardened criminals.

We must focus on issues that directly affect the future of our state and its industries: namely, our dwindling water supply. As your Senator, I will fight to ensure that California's water supply is readily available for those who need it most: families and small businesses that depend on this critical resource to create jobs and sustain our high standard of living.

With your support I will continue to use my experience and degree in Workforce Development and Education to promote a broad array of conservative priorities - sound fiscal policies, quality schools, safer communities and protecting the value of every life.

Experience and ethics matter.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
67TH ASSEMBLY DISTRICT**

CONRAD MELTON, Democratic

OCCUPATION: Retired Firefighter

EDUCATION AND QUALIFICATIONS:

Are you concerned about the excessive influence corporations have over government?

They spend millions hiring lobbyists who "support" legislators who then write new laws and loopholes for greater profits. The people pay and pay.

I say corporations are NOT PEOPLE and money is NOT SPEECH. That's why election reform is at the top of my agenda!

Giant agriculture now grows food with Genetically Modified Organisms. They oppose even *labeling* those foods. 46 European nations and I agree: accurate, honest labels on food is mandatory.

Factory farms put unnecessary antibiotics into food animals. They get bigger chickens, heavier hogs, and higher profits, but the people get antibiotic-resistant staph infections that kill 99,000 every year.

Oil companies are spending millions to keep "fracking" legal even though it has caused earthquakes and poisoned drinking water. We must safeguard our water and NOT agitate the seismic plates!

Government's priorities should value PEOPLE BEFORE CORPORATIONS!

Minimum wage should be raised significantly!

Military families should not need to apply for food stamps.

New infrastructure construction and timely repairs will create jobs.

Women's health issues should be between the woman and her Doctor.

We need a sensible immigration program and a reasonable path to citizenship.

It's time to provide "Medicare for All."

Families don't need anti-tank guns and hunters don't need 50 shot clips.

Think my positions should be our State's laws?

60,000 voters in AD-67 will not vote because they think it won't matter.

Please don't be one of them.

SAN JACINTO COMMUNITY COLLEGE DISTRICT, TRUSTEE AREA 4 VIRNIECIA GREEN-JORDAN AGE: 60 OCCUPATION: Educator EDUCATION AND QUALIFICATIONS: Economic vitality and sustainability depends on future generations' prosperity. Presently, a serious concern impacting Riverside County's destiny is that MSJC has one of the lowest attendance rate in California indicating community lack of interest/irrelevant course options. In addition to MSJC primary mission of academic, vocational and remedial instruction, it should prepare students for local productivity and global competitiveness. Thus, MSJC as an extension of the community it serves must be actively involved by continually educating, training, and contributing to workforce growth. **CANDIDATE STATEMENT FOR
CITY COUNCIL MEMBER,
CITY OF CANYON LAKE**

DAWN HAGGERTY

OCCUPATION: Director, C.L. POA
EDUCATION AND QUALIFICATIONS:

My career as a consultant to major companies, involved finding ways to increase productivity and/or reduce costs.

I am currently completing my sixth year serving as Director on the Canyon Lake POA. While President, I worked with City Representatives and the City Manager in round table discussions regarding mutual concerns.

Past City Councils have seriously neglected addressing financial issues. Now we face a potential heavy tax burden to provide city services. They have not provided us any information regarding the choices we have or the consequences of tax versus declaring bankruptcy.

I support cityhood, if there's any reasonable means to sustain it, however, I won't support a burdensome escalating tax, that will continue to rise, so the city can continue its non transparent path with no planning for resolution of the problem.

The vague threats of consequences, if this tax isn't approved, do not provide any "facts" to voters regarding what will happen to Canyon Lake if the tax isn't approved. This tax is just another quick fix pot of spending money for a less than frugal council.

We must know what our choices are, to make a good decision. I pledge to provide this information to all.

**CANDIDATE STATEMENT FOR
CITY COUNCIL MEMBER,
CITY OF CANYON LAKE**

RANDALL P. BONNER

OCCUPATION: Incumbent
EDUCATION AND QUALIFICATIONS:

I am proud to have been a member of your Canyon Lake Council, including the Mayor.

Results are the operative word. Integrity is the foundation of absolute transparency.

Established a monthly Roundtable meeting with the POA, Chief of Police, and City Manager. We discuss common goals for operational efficiencies and a coordinated public safety effort.

A new Roundtable was founded with the Chamber of Commerce, Merchant Owners Association, prominent Town Center owners, POA, and City Manager. This group includes a Marketing executive with IBM and a developer of market centers. Our mission is to raise the exposure level of our community. Our citizens and neighboring communities want a positive shopping experience in Canyon Lake.

This City Council is diligently working toward a sound financial future. Our goal is to accomplish this expeditiously.

Experience with the Riverside Conservative Agency for 2 years and now on the Riverside Transit Agency Board of Directors.

Chair of City Finance Committee 3 years and now the Chair of the City Public Safety Committee.

I am a retired USMCR veteran and from the computer industry.

This City Council needs to find positive solutions. We live in a unique community — A Bit of Paradise.
Let's preserve what we have!

**CANDIDATE STATEMENT FOR
CITY COUNCIL MEMBER,
CITY OF CANYON LAKE**

JOHN ZAITZ

EDUCATION AND QUALIFICATIONS:

Canyon Lake is a great place to live and play, however without strong leadership at the council level, all of this can change.

Since 2008, the reserves have dropped by 70%, twice residents have – appropriately – rejected new taxes, and our fire station – with the paramedics I helped ensure – is in danger of closing.

Now the council has decided that a third attempt at taxing city residents is the solution. This tax effort does nothing to ensure the permanent future viability of the city and at best delays the inevitable.

These tactics have jeopardized Canyon Lake's future. It may be that the municipal status of Canyon Lake changes, but our private gated community will remain intact no matter what and will remain our "little bit of paradise."

What we need now is a serious, experienced and knowledgeable person to navigate the legal and political challenges and act in the best interests of the residents of Canyon Lake

I have the necessary experience and knowledge to make sure that no matter what the future holds the residents of Canyon Lake will be safe, secure, and prosperous.

I would appreciate your vote

Canyon Lake is a small city facing big city problems. Strong leadership, dedication and clear thinking are needed to preserve and defend this city, to help it prosper, and to protect its citizens.

My name is Vicki Warren and I bring with me over 14 years of experience working on State and Federal advisory boards and roundtables. I know what it takes to get the job done.

This is the first time I have been moved to run for an elective office. I am not a "professional politician." I am a real person and I believe in complete transparency in government.

Protecting Canyon Lake is my goal and I gladly give my heart and loyalty to this city and its people. I am running for City Council because I cannot stand idly by as our resources continue to dwindle and our citizens are left vulnerable.

The time for action is now, before we lose more ground in this fight for our lifestyle, our homes and the future of Canyon Lake.

**CANDIDATE STATEMENT FOR
DIRECTOR,
ELSINORE VALLEY MUNICIPAL WATER DISTRICT, DIVISION 1**

NANCY C. HORTON

OCCUPATION: Retired / Canyon Lake City Council Member
EDUCATION AND QUALIFICATIONS:

Your water district board must be well informed and dedicated to solving the problems of water supply, price, and quality. I am well prepared to represent Division 1.

For the past six years, I have devoted considerable time to Canyon Lake, Lake Elsinore, and Quail Valley, on compliance, funding, and water agencies. With the continuous drought throughout the state and the threat of water rationing, it is essential to have solid representation on EVMWD fighting for reliable, clean, and affordable water.

I am Immediate Past President of the LESJWA; Member of the TMDL Task Force; Director for the San Jacinto River Watershed Council; Secretary-Treasurer of the Quail Valley Environmental Coalition; Canyon Lake City Council member; and coordinator of water education events & workshops. These experiences have given me an extensive knowledge of water issues in the San Jacinto River Watershed.

I hold two masters degrees.

When I am elected to Division One, EVMWD, *I pledge to represent all residents of Division One, to keep costs to the minimum while providing high quality drinking water, expanding the use of recycled water, and assuring a clean, healthy water supply for the future.* On November 4, I would be honored to have your vote.

AGE: 34

OCCUPATION: Self Employed Photographer
EDUCATION AND QUALIFICATIONS:

I moved to Lake Elsinore in 2002 to pursue my dream of becoming a business owner. At 22 years old it was a huge challenge to establish myself and my company in a region that I had not grown up in. Being in business for the past 12 years, I know first hand the kind of red tape one has to navigate to open a business or establish service at an address. Once elected, I will be your advocate and your voice.

As your water board director I will ensure that:

- Water and sewer rates remain reasonable and affordable.
- We will always have access to clean drinking water.
- Businesses are not driven away due to unreasonable fees and burdensome processes.

Since moving to Lake Elsinore Valley, I have been involved in many community organizations including Rotary, Lake Elsinore Public Safety Commission and the Lake Elsinore Valley Chamber of Commerce.

With your support, I will work closely with my district to make sure necessary infrastructure upgrades and improvements are pushed forward as well as maintaining our lakes water quality and levels.

KENNETH DUCKWALD

OCCUPATION: Small Business Owner
EDUCATION AND QUALIFICATIONS:

I've been a hard working Business Owner for three decades. As a Small Business Owner, my business has had to adjust spending, reduce cost, and manage details very closely since the slow down of our economy. This awareness of cost and ability to reduce spending is something required of our elected officials.

My business experience over the last three decades has also made me a no-nonsense negotiator.

If elected to the Board of Directors of the Elsinore Valley Municipal Water District, I'm committed to reduce cost at every opportunity, keeping our water supply safe and reliable.

Being a homeowner and having an HOA, recreation is very important to me and our communities as a whole. I promise to fight for continued use of Railroad Canyon Reservoir (Canyon Lake) and Lake Elsinore for recreation and the quality of the water necessary for recreational use.

Furthermore, I'm committed to maximizing our resources and protecting our water supply by supporting recycled water for irrigation purposes and reducing our dependency on expensive imported water.

I humbly seek your support in this election for a Safe, Affordable, and Reliable Water Supply. Vote Kenneth Duckwald for Director Elsinore Valley Municipal Water District.

PETER WEBER

AGE: 53

OCCUPATION: Manufacturing Manager / Accountant
EDUCATION AND QUALIFICATIONS:

As an EVMWD Board member I will work to ensure:

- we have quality water at the lowest rate
- stop the addition of fluoride into our drinking water
- eliminate pollution in both Canyon Lake and Lake Elsinore by utilizing millions of dollars in unallocated funds to move projects forward.

Over the last decade little progress has been made to upgrade water quality and water costs have increased more rapidly than at comparable water companies. I place this failure on EVMWD management which needs to understand that we are a water company with a first responsibility to our customers. I have experience serving as the City Treasurer and City Council Member. My decisions have resulted in positive changes for the city's finances and management operations. With your vote, I promise to make positive changes at EVMWD as well.

I have served as an officer in the U.S. Air Force and have a bachelor's degree in engineering and a master's degree in accounting. I work as a manufacturing manager in a national food manufacturing facility with over 2000 employees. My wife of 22 years is a Registered Nurse and we are raising two sons in Canyon Hills. Thanks for your support.

As a direct WMWD retail rate payer, I completely understand the need to save money and water. I believe we can provide clean, reliable water without automatic rate increases.

For the past four years I have been involved in the community in an array of roles to include serving on the board of a local residents association fighting to give our community a voice. I pride myself in bringing facts to the issues and making sure all those affected are informed.

Hard facts should drive decisions and ratepayers like you and I should have a voice at WMWD; not decisions made for government bureaucrats. I continue to keep the community informed and speak against unnecessary charges and usage restrictions. Creative solutions must be found to deal with our current crisis, not just another increase or ration.

If elected, I feel it would be my duty to continue to fight unnecessary rate hikes and strive to bring you clean, affordable and reliable water. My attention to detail, along with my dedication to conserve current resources, will positively serve our community.

MEASURE "AA" – MT. SAN JACINTO COMMUNITY COLLEGE DISTRICT

EXHIBIT B

FULL TEXT BALLOT PROPOSITION

MT. SAN JACINTO COMMUNITY COLLEGE DISTRICT BOND MEASURE ELECTION NOVEMBER 4, 2014

MT. SAN JACINTO COLLEGE AFFORDABLE EDUCATION AND JOB TRAINING MEASURE. "To expand college buildings serving four-year university transfer, veterans' education, and career training, by expanding career/support facilities for veterans/military, ensuring buildings are accessible for the disabled, upgrading nursing, emergency responder, criminal justice, vocational job training classrooms, updating science labs, electrical systems, technology infrastructure, acquiring, constructing, and repairing classrooms, facilities, sites/equipment, shall Mt. San Jacinto Community College District issue \$295,000,000 in bonds at legal rates with annual financial audits, citizens' oversight of funds, all funds remaining local?"

Bonds – Yes

Bonds – No

PROJECTS

The Board of Trustees of the Mt. San Jacinto Community College District, to be responsive to the needs of its community, evaluated Mt. San Jacinto College's urgent and critical facility needs, and its capacity to provide students, active military and **Veterans** with **support** facilities, an affordable education and prepare them for success in college and careers. Safety issues, enrollment growth, class size reduction and class offerings, and information and computer technology infrastructure were each considered, in developing the scope of projects to be funded, as outlined in the District's Master Facility Plan, incorporated herein by reference in its entirety (the "Master Plan"), and available for review on the District's website (www.msji.edu). In developing the scope of projects, the faculty, staff, students and community have prioritized providing **essential job training and workforce preparation skills** students need to **succeed in today's competitive job market**, and ensuring **buildings are accessible** for the disabled, and facilities available to support an **affordable education**, so that the most critical needs that will make the Mt. San Jacinto College an effective place for learning, would be addressed. In the course of developing the Master Plan, public input was received from hundreds of constituents. It was concluded that if these facility needs were not addressed now, the Mt. San Jacinto College would be unable to remain competitive in preparing students for jobs in high demand industries and university transfer. The Board concluded that the longer they waited to repair and upgrade Mt. San Jacinto College, the more expensive it would be. **In implementing the Master Plan the Board of Trustees determines that Mt. San Jacinto College MUST:**

- (i) **Expand career and SUPPORT FACILITIES FOR VETERANS and military personnel;**
- (ii) **Increase workforce preparation skills students need to succeed in today's job market;**
- (iii) **Ensure BUILDINGS are ACCESSIBLE FOR THE DISABLED;**
- (iv) **Provide AFFORDABLE, LOW-COST, HIGH QUALITY EDUCATION in San Jacinto, Menifee Valley, San Geronio and Temecula, needed to successfully transfer to four-year universities; and**
- (v) **Qualify the College for any available State matching funds; and**
- (vi) **Ensure that the College has the capacity and high quality classrooms and facilities to meet academic needs and demands of its regional students; and**
- (vii) **Adhere to stringent FISCAL ACCOUNTABILITY safeguards including:**
 - (a) **REQUIRE ANNUAL FINANCIAL AUDITS,**
 - (b) **Require citizens' oversight of all funds,**
 - (c) **No funds will be used for administrators' salaries and pensions,**
 - (d) **ALL FUNDS WILL BE SUBJECT TO LOCAL CONTROL AND WILL REMAIN LOCAL IN MT. SAN JACINTO COLLEGE.**

The Master Plan is available for review at the Superintendent/President's office and at www.msji.edu. The following types of projects are authorized to be undertaken at Mt. San Jacinto College facilities in Menifee, Temecula, San Jacinto, San Geronio, as well as at a to be constructed technology campus in the Interstate 15 corridor:

Academic Facility and Technology Upgrade Projects to Help Students and Veterans be Trained for Good Jobs

Goal and Purpose: Because it is extremely hard to get a job in today's economy, Mt. San Jacinto College must provide the essential job training and workforce preparation skills students need to succeed in to today's highly competitive job market. **This measure will** expand local education in nursing, science, technology, engineering and math to meet the needs of our local, regional employers and help attract more high paying jobs and businesses to our region.

Mt. San Jacinto College has served thousands of military veterans, many who have recently returned from war zones and face challenges including post-traumatic stress disorder and permanent disabilities. The College is a national leader in helping returning veterans reintegrate with their education and careers, and **this measure will upgrade and expand veteran services and job training so returning service members receive the support they need to complete their education and enter the civilian workforce.**

Thus the District requires FUNDS that ARE LOCALLY CONTROLLED to improve academic facilities and technology implementations which will allow them to continue providing ACCESS TO AFFORDABLE, HIGH QUALITY EDUCATION to local students, active military and veterans, including:

- **Upgrade and expand facilities for career training in well-paying careers and transfer to universities.**
- Expand course opportunities to increase enrollment, classrooms and instructional facilities in nursing, emergency responder, criminal justice, vocational job training classrooms, and other core academic classes.
- **Expand facilities for veterans to provide career training and support services to returning veterans seeking training or retraining to reenter the workforce.**
- Upgrade outdated science, math and computer labs and expand College facilities providing instruction in Science, Technology, Engineering and Math (STEM).
- Install additional technology infrastructure to improve computer technology and Internet access.
- Upgrade outdated job-training classrooms, labs and equipment to provide all students with opportunities to learn job skills.
- Upgrade support facilities for currently active military personnel.
- Upgrade and replace existing information technology infrastructure and network systems to improve efficiency and increase capacity.
- Upgrade and expand telecommunications, Internet and network connections.
- Upgrade and build academic buildings to expand classrooms for career training in science, medical, public safety and other in-demand jobs.
- Upgrade and replace technology, computers, hardware and systems used for job training and retraining programs.

Repair and Construction Projects to Provide Greater Access to an Affordable Education

Goal and Purpose: Since the cost of attending a public university has risen to as much as six (6) times that of attending Mt. San Jacinto College, students rely on Mt. San Jacinto to save as much as \$35,000 in tuition on their way to a four-year degree. Therefore, keeping Mt. San Jacinto's facilities upgraded will best serve all local students, military and veterans who can earn college credits, certificates and job skills at a reasonable price:

- **ENSURE BUILDINGS ARE ACCESSIBLE FOR THE DISABLED.**
- Upgrade aging roofs, bathrooms and disabled accessibility, repair floors, walkways, lighting and electrical systems.
- Construct more classroom space.
- Remove asbestos.
- Upgrade campus facilities to provide improved access, including road and parking upgrades to improve safety, access and traffic flow.
- Improve heating, ventilation, insulation, doors, lighting, and windows to increase energy efficiency and save money.
- Upgrade outdated electrical systems and wiring for computer technology and Internet access.
- Renovate, repair or replace outdated laboratories, classrooms, training centers and support facilities.
- Upgrade and replace classroom instructional equipment.
- Improve student safety, emergency preparedness, and security systems, including lighting, fencing, smoke detectors, fire alarms and sprinklers, gas and sewer lines.

FISCAL ACCOUNTABILITY

This bond measure has strict accountability requirements including (a) an independent Citizens' Oversight Committee with representation from throughout our region; (b) annual financial audits to make sure money is being spent as promised; (c) no money from this measure will go towards salaries or pensions, and (d) all money will stay local and cannot be taken by Sacramento politicians.

I. NO ADMINISTRATOR SALARIES. PROCEEDS FROM THE SALE OF THE BONDS AUTHORIZED BY THIS PROPOSITION SHALL BE USED ONLY FOR THE ACQUISITION, CONSTRUCTION, RECONSTRUCTION, REHABILITATION, OR REPLACEMENT OF SCHOOL FACILITIES, INCLUDING THE FURNISHING AND EQUIPPING OF SCHOOL FACILITIES, AND NOT FOR ANY OTHER PURPOSE, INCLUDING TEACHER AND COLLEGE ADMINISTRATOR SALARIES, PENSIONS AND OTHER OPERATING EXPENSES.

2. **FISCAL ACCOUNTABILITY.** THE EXPENDITURE OF BOND MONEY ON THESE PROJECTS IS SUBJECT TO STRINGENT FINANCIAL ACCOUNTABILITY REQUIREMENTS. BY LAW, PERFORMANCE AND FINANCIAL AUDITS WILL BE PERFORMED ANNUALLY, AND ALL BOND EXPENDITURES WILL BE MONITORED BY A NINE-MEMBER INDEPENDENT CITIZENS' OVERSIGHT COMMITTEE TO ENSURE THAT FUNDS ARE SPENT AS PROMISED AND SPECIFIED. THE CITIZENS' OVERSIGHT COMMITTEE MUST INCLUDE, AMONG OTHERS, TWO REPRESENTATIVES OF A BONA FIDE TAXPAYERS ASSOCIATION, ONE REPRESENTATIVE OF A BUSINESS ORGANIZATION AND ONE REPRESENTATIVE OF A SENIOR CITIZENS ORGANIZATION. NO DISTRICT EMPLOYEES OR VENDORS ARE ALLOWED TO SERVE ON THE CITIZENS' OVERSIGHT COMMITTEE.

3. **BOND ISSUANCE LIMITS.**

- (a) No bonds shall be issued until the Board has established specific project priorities.
- (b) Bonds must be phased in over time so that project success can be determined before more bonds are issued.
- (c) Bonds must have a term not longer than the useful life of the project or equipment being financed.
- (d) The availability of State matching funds shall be considered in selecting projects.
- (e) Projects shall be evaluated, in part, on their availability to expand capacity for enrollment growth to better serve the community.

The listed projects will be completed as needed. Each project is assumed to include its share of furniture, equipment, architectural, engineering, and similar planning costs, program/project management, staff training expenses and a customary contingency. In addition to the listed projects stated above, authorized projects also include the acquisition of a variety of instructional, maintenance and operational equipment, including the reduction or retirement of outstanding lease obligations and interim funding incurred to advance fund projects from payment of the costs of preparation of all facility planning, facility studies, assessment reviews, facility master plan preparation and updates, environmental studies (including environmental investigation, remediation and monitoring), design and construction documentation, and temporary housing of dislocated college activities caused by construction projects. In addition to the projects listed above, repair, renovation and construction projects may include, but not be limited to, some or all of the following: renovation of student and staff restrooms; replace aging electrical and plumbing systems; repair and replacement of heating and ventilation systems; upgrade of facilities for energy efficiencies, including photovoltaic/solar installations; repair and replacement of worn-out and leaky roofs, windows, walls doors and drinking fountains; removal of outdated buildings and construction of new classrooms and support buildings; installation of wiring and electrical systems to safely accommodate computers, technology and other electrical devices and needs; upgrade facilities to meet current earthquake safety standards; repair and replacement of fire alarms, emergency communications and security systems; upgrading, resurfacing, replacing or relocating of hard courts, fields, turf and irrigation systems; upgrade classrooms; build or upgrade facilities for math, physical sciences, fine arts, theatre arts, and horticulture; upgrade existing parking lots/garages; repair, upgrade and install interior and exterior lighting systems; replace water and sewer lines and other plumbing systems; construct, upgrade or expand foreign language, humanities buildings, physical education/stadium/aquatic facilities, administrative offices, maintenance yard/warehouse/building, student service and instructional buildings, cultural arts center, science and technology building, library, business technology center, campus police building, print shop, auto shop, athletic fields, student services building, Allied Health building, parking lots, turf; upgrade to sustainable landscaping; improve water conservation and energy efficiency; replace elevators; replace outdated security systems; replace existing window systems with energy-efficient systems to reduce costs; develop a new campus along the I-15 corridor to serve additional students; improve insulation, weatherproofing and roofs to reduce costs; improve access for the disabled; install and repair fire safety equipment, including alarms, smoke detectors, sprinklers, emergency lighting, and fire safety doors; replace broken concrete walks, deteriorated asphalt; replace/upgrade existing signage, bells and clocks; demolition of unsafe facilities; install new security systems, such as security (surveillance) cameras, outdoor lighting, fencing, gates and classroom door locks; replace sewer lines and improve drainage systems to prevent flooding; upgrade roadway and pedestrian paths for improved safety and access for emergency vehicles, site parking, utilities and grounds. The project list also includes the refinancing of outstanding lease obligations. The upgrading of technology infrastructure includes, but is not limited to, the funding of a technology endowment, LCD projectors, portable interface devices, servers, switches, routers, modules, sound projection systems, information systems, printers, digital white boards, upgrade voice-over-IP, communication systems, call manager and network security/firewall, Internet connectivity, wireless systems, technology infrastructure, and other miscellaneous equipment and software.

The allocation of bond proceeds will be affected by the District's receipt of State matching funds and the final costs of each project. In the absence of State matching funds, which the District will aggressively pursue to reduce the District's share of the costs of the projects, the District will not be able to complete some of the projects listed above. Some projects, such as physical education facilities, may be undertaken as joint use projects in cooperation with other local public or non-profit agencies. The budget for each project is an estimate and may be affected by factors beyond the District's control. The final cost of each project will be determined as plans and construction documents are finalized, construction bids are received, construction contracts are awarded and projects are completed. Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed. Demolition of existing facilities and reconstruction of facilities scheduled for repair and upgrade may occur, if the Board determines that such an approach would be more cost-effective in creating more enhanced and operationally efficient campuses. Necessary site preparation/restoration may occur in connection with new construction, renovation or remodeling, or installation or removal of relocatable classrooms, including ingress and egress, removing, replacing, or installing irrigation, utility lines, trees and landscaping, relocating fire access roads, and acquiring any necessary easements, licenses, or rights of way to the property. Proceeds of the bonds may be used to pay or reimburse the District for the cost of District staff when performing work on or necessary and incidental to bond projects. Bond proceeds shall only be expended for the specific purposes identified herein. The District shall create an account into which proceeds of the bonds shall be deposited and comply with the reporting requirements of Government Code § 53410.

MEASURE “AA” – MT. SAN JACINTO COMMUNITY COLLEGE DISTRICT

Mt. San Jacinto Community College District 2014 Bond Election Tax Rate Statement

An election will be held in the Mt. San Jacinto Community District (the “District”) on November 4, 2014, to authorize the sale of up to \$295,000,000 in bonds of the District to finance facilities as described in the proposition. If the bonds are approved, the District expects to issue the Bonds in multiple series over time. Principal and interest on the bonds will be payable from the proceeds of tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400 through 9404 of the California Elections Code.

1. The best estimate of the tax which would be required to be levied to fund this bond issue during the first fiscal year after the sale of the first series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is \$0.01320 per \$100 (\$13.20 per \$100,000) of assessed valuation in fiscal year 2015-16.
2. The best estimate of the tax rate which would be required to be levied to fund this bond issue during the first fiscal year after the sale of the last series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is \$0.01320 per \$100 (\$13.20 per \$100,000) of assessed valuation in fiscal year 2024-25.
3. The best estimate of the highest tax rate which would be required to be levied to fund this bond issue, based on estimated assessed valuations available at the time of filing of this statement, is \$0.01320 per \$100 (\$13.20 per \$100,000) of assessed valuation, which is projected to be the same in every fiscal year that the bonds remain outstanding.

Voters should note that estimated tax rates are based on the ASSESSED VALUE of taxable property on the County's official tax rolls, not on the property's market value, which could be more or less than the assessed value. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Certain taxpayers may also be eligible to postpone payment of taxes. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that the foregoing information is based upon the District's projections and estimates only, which are not binding upon the District. The actual tax rates and the years in which they will apply may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The dates of sale and the amount of bonds sold at any given time will be determined by the District based on need for construction funds and other factors. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

IMPARTIAL ANALYSIS OF MEASURE “AA”

The Board of Trustees (“Board”) of the Mt. San Jacinto Community College (“District”) by adopting Resolution No. 2014/15-001 (“Resolution”), elected to call an election pursuant to Section 18 of Article XVI and Section 1 of Article XIII A of the California Constitution and Section 15100 and 15624 *et seq.* of the California Education Code to obtain authorization to issue and sell general obligation Bonds (“Bonds”) in the aggregate amount principal amount of two hundred and ninety-five millions dollars (\$295,000,000).

This Measure was placed on the ballot by the Board of the above-identified District.

The Bonds would be used by the District to repair and upgrade campus facilities for career technical education, upgrade classrooms to support programs for veterans and active military personnel, repair and renovate infrastructure to allow access to the disabled, repair, update and modernize infrastructure, including technology, plumbing, electrical, parking and security. The Bonds would not be used to fund the salaries, pensions or benefits of any board members, administrator, and/or teachers or for other school operating expenses.

If Measure “AA” is approved, the Board of the District will appoint a citizens' oversight committee and conduct annual independent audits to assure that bond funds are spent only on the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities, and for no other purposes.

An ad valorem tax would be levied and collected on property within the boundaries of the District to pay the principal and interest on the Bonds.

The Resolution provides that the maximum interest rate on the Bonds will not exceed the maximum interest rate permitted by the applicable laws of the State and the maximum term of the Bonds, or any series thereof, will not exceed 40 years.

Approval of Measure “AA” does not guarantee that the proposed project or projects in the Mt. San Jacinto Community College District that are the subject of the Bonds under Measure “AA” will be funded beyond the local revenues generated by Measure “AA”. The District's proposal for the project or projects may assume the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

For this Measure to be approved fifty-five percent (55%) of qualified voters who vote on the Measure must vote yes.

A “YES” vote on Measure “AA” is a vote to allow the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

A “NO” vote on Measure “AA” is a vote against allowing the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

ARGUMENT IN FAVOR OF MEASURE “AA”

In the last four years, the state has cut millions of dollars from Mt. San Jacinto Community College. We won't stand for this, and can't rely on Sacramento politicians to help our local colleges—vote **YES on “AA”**!

Do you think it's difficult to get a job in today's slowly recovering economy? We sure do! Vote **YES on “AA”** to expand essential job training and workforce preparation skills in nursing, science, technology, engineering and math to meet the needs of our local, regional employers. A skilled workforce helps attract more high paying jobs and businesses to our region.

YES on “AA” ensures that our tax dollars stay local to address our area's educational and job training needs. Sacramento is legally prohibited from taking Measure “AA” funds!

YES on “AA” helps provide job training and education for our returning military veterans. It is shameful how the federal government is treating our war veterans. Mt. San Jacinto College is a national leader in helping returning veterans reintegrate with their education and careers. It upgrades and expands veteran services and job training so returning veterans receive the support they need to complete their education and enter the civilian workforce.

YES on “AA” will:

- Improve our nationally-recognized, award-winning education by expanding our transfer preparation and career training opportunities/increasing partnerships with area employers to fill local job training needs
- Benefit students from EVERY region in the District
- Double the college's student capacity
- Upgrade leaky roofs and bathrooms
- Upgrade outdated nursing labs, paramedic, 9-1-1, law enforcement and job training classrooms
- Ensure disabled accessibility

YES on “AA”'s strict Fiscal Accountability requirements include an expanded Independent Citizens' Oversight Committee and annual financial audits ensuring money is spent as promised. No money will go towards salaries or pensions and ALL money will stay local to address our region's education and job training needs.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “AA”

While State Funding was curtailed following the “Great Recession,” Bond Proponents Falsely Argue that MSJC received only cuts during the past 4 years. Rather, the 2014-15 State Budget increases Funding by almost \$1 Billion, or about 11 Percent over the previous year. “I'm calling it a Grand Slam,” said Scott Lay, President of the Community College League of California, a Nonprofit Association for Community College Districts Statewide. “It freezes tuition and brings us back to the Funding Levels of 2007-2008.” Budget Increases Include:

- \$155.2 Million to fund a 3 percent restoration of access allowing Colleges to add approximately 70,000 students.
- \$48.5 Million to fund a Cost of Living Adjustment of 0.86 percent.
- \$175 Million for deferred maintenance and instructional equipment.
- \$235.6 Million reduction in payment deferrals, combined with \$356.8 million proposed in one-time funds for this purpose.
- \$39 Million in Proposition 39 funds for energy efficiency and workforce development projects.
- \$2.5 Million for local technical assistance supporting implementation of effective student success practices, with priority placed on underperforming districts.
- \$1.1 Million and nine new Chancellor's Office positions to develop student success indicators and monitor College/District performance.
- \$50 Million in one-time funding for incentive awards recognizing models of innovation in Higher Education.
- NO student fee increase for the 2014-15 Academic Year.

State Funding is Rebounding to Pre-Recession Levels. It's the **WRONG** time to Burden Locals with More Debt and Higher Taxes. Please **Vote NO on Measure “AA”**

ARGUMENT AGAINST MEASURE "AA"

A vote in favor of this Controversial Bond Measure means Higher Taxes. Measure "AA" means that **WE** Assume the Obligation to Repay \$Millions of Dollars in Debt issued on behalf of Mt. San Jacinto Community College – in addition to Interest and Debt Servicing – which makes Payback on Bonds as high as 1½ to 2 times the Original Debt. So although MSJC will have roughly \$300 \$Million to Spend, the Money **WE** are Obligated to Repay could reach nearly \$600 \$Million – which Bottom Line remains Unknown because MSJC Neglects to Disclose specifics of this 'Minor' detail. Bond issuers and Wall Street types are Salivating over Stuffing their pockets full of Your Cash.

Measure "AA" also means **OUR** Homes become Collateral for Repayment of these Bonds. Bond Holders gain a legal Right to Foreclose and Auction off **OUR** Homes to Secure Debt Payments in event of Default. So if You become short on Funds and choose "Extravagances" such as food, clothing, health care, rent, car payments or gasoline over Repaying MSJC's Bond, You will risk Foreclosure and having Your Home Sold off at a Public Auction to Repay Bonded Indebtedness.

Measure "AA" is swirling in Controversy even before ink dries on the ballots. The MSJC Board of Trustees could Not even reach a consensus on their Decision to load You Down with more Debt. The vote was 4-1, with Trustee Eugene Kadow voting **NO on Bonds**.

MSJC is among the Lowest performing Junior Colleges Statewide. They manage resources Poorly and have left \$Millions in State Funding on the table by Failing to increase Class Sections. Now they want You to Backfill their Underperformance with Bonds – Adding ways for You to Lose your \$Money and Possibly even Your Home. Enough is enough. StopTheMoneyGrab.com

IMPARTIAL ANALYSIS OF MEASURE “DD”

Measure “DD” was placed on the ballot by the City Council by action at its August 6, 2014 meeting. If approved by majority vote of the voters voting on the measure, Measure “DD” would approve an ordinance adopting a Utility User Tax (“UUT”). Based upon an analysis from an independent financial adviser, the revenues from the UUT would have been sufficient to eliminate the City budget shortfall identified in the 2013-14 fiscal year.

A UUT is a tax on utility services used by City residents within the City. The ordinance broadly defines received “utility services” as those for electricity, natural gas, water and sewer, telephone and solid waste/refuse collection. The ordinance presumes that billings received by Canyon Lake residents are for such services used within the City. The ordinance provides details regarding the levy and collection of the tax; however, state and federal laws will supersede the ordinance provisions. For example, certain internet services and solar electrical energy generated only for personal use are exempt from taxation pursuant to the provisions of state law and the proposed ordinance. Propane tanks purchased for use within the City are exempted from tax by the ordinance. There is an appeal process to dispute the imposition or amount of the tax.

The tax rate proposed is 3.95% with no increase allowed. The tax would be levied on the amount of each separate utility bill, so the amount of tax would vary with the cost of the utility services provided for that billing period. The tax would be collected by each utility provider and paid to the City. There are penalties for non-collection as well as for non-payment. The ordinance requires an annual, independent audit of the collection and use of funds.

If approved, the collection of the tax will begin as soon as possible after such approval, but no later than January 1, 2015. The tax will terminate by its terms on December 31, 2020.

If Measure “DD” is not approved by a majority vote of the voters voting on the Measure, then the UUT will not be approved and will not go into effect.

The above statement is an impartial analysis of Measure “DD”. If you desire a copy of the measure, and the ordinance, please call the election official's office at (951) 246-2024 and a copy will be provided to you at no cost to you.

City of Canyon Lake

ARGUMENT IN FAVOR OF MEASURE “DD”

Vote **YES on “DD”** –**SAVE OUR CITY, MAINTAIN LOCAL CONTROL!**

YES on “DD” maintains Canyon Lake as an independent, self-governing City to protect our interests from County bureaucrats, developers and politicians.

YES on “DD” maintains our local control and authority over land use issues.

YES on “DD” maintains funding for rapid 9-1-1 emergency response times that save lives and property.

YES on “DD” maintains funding for local needs, like keeping Railroad Canyon Road in good condition.

Without more money, Canyon Lake won't survive beyond the next several years. The City of Canyon Lake provides police and fire protection at the level needed for our residents, many of whom are seniors—**YES on “DD”!**

Currently, Canyon Lake paramedics and firefighters respond to your 9-1-1 calls within 3-4 minutes. Without funding from “DD”, it would be up to County officials to determine the level of these services, not your local elected City Council accountable to you. Closure of the City's only local Fire Station would extend response times to 8-10 minutes, or longer, outside of the 5 minute safety parameter cited by the American Medical Association—**YES on “DD”!**

Other services – ensuring Lake quality, conducting code enforcement and maintaining control over our own land use decisions—also preserve the quality of life we all value so highly. **YES on “DD”** ensures Canyon Lake has the financial resources to continue providing these services.

YES on “DD” is Fiscally Accountable, requiring independent annual audits, NO tax increase without voter approval, and expiration in six years.

We incorporated in the early 1990's to ensure Local Control over our own destiny and services. **YES on “DD”** preserves our local authority so we aren't subject to the whims of County politicians who don't live in our City. Vote **YES on “DD” for the future of Canyon Lake!**

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “DD”

Canyon Lake City Council tried twice to convince you to vote for a tax to fund the fire station, each time the tax measure failed because it did not receive the required 2/3 majority to pass. So they call this tax a utility tax for the City General fund (not the Fire Station) so it can pass with 50% +1 vote.

The City published their budget and all expenses are accounted for, except one. That one is Fire, which is \$750,000 short. The proponents claim (no independent certification) this tax will raise \$775,000 annually. Amazing that amount is the same that's needed to fund the Fire Station. But if they told you the truth then passing vote would be 2/3 and they know you will not, and have not, passed a tax like that.

The council has refused to discuss any alternatives to the tax. The City Council refuses to provide financial projections, the council cannot insure that this tax will even take care of the immediate problems, much less the annual increases in services.

If this tax passes you will pay more for your utility bills every month, forever. But you will also pay higher POA dues because the POA will have to pay more for their water and electricity costs which then - is passed on to us.

The alternative to taxing is leadership and planning. Taxing the citizens doesn't take thought, planning, discussion, or action.

Don't double tax yourselves. Vote NO on Measure “DD”

By: John Zaitz

ARGUMENT AGAINST MEASURE “DD”

The Canyon Lake City Council is at it again. They have decided that asking residents twice to tax themselves and residents responding with a resounding “No” twice is not enough. Now, they want to try it for a third time. The first two times they needed it to keep fire station 60 open, but the station is still open.

This time they cannot even guarantee the station will remain open if the tax passes. This time they are trying an end run around the two-thirds approval requirement of past efforts and trying to impose a utility tax, the proceeds of which will go directly into the city's general account where the council can do anything it pleases with the funds. They are telling us now they need it for Railroad Canyon Road, a road that was just upgraded.

The City Council does not have any financial projections to determine if the tax would make a difference for the long term financial stability of Canyon Lake, who would administer it, where the money would actually end up, exactly how it would be collected, etc. The **Council and City Staff** have **failed** to do their jobs and are asking you to decide what to do without even providing crucial information.

If Canyon Lake is to remain a city, we need a long-term solution to our chronic financial problems, **not another short-term tax band aid**. And if we do not remain a city, we should remember that nothing will change our gated community. We will still have our “bit of paradise.” We can have the same response time for emergencies even under another city. We can get everything we have today without a Utility Tax. A NO vote gives us what we have today - we won't lose anything.

Vote No on “DD”

By: John Zaitz

REBUTTAL TO ARGUMENT AGAINST MEASURE “DD”

Our opponent thinks it's a myth that an independent, locally controlled Canyon Lake isn't in jeopardy. The fact is, **YES on “DD”** is the best choice to keeping Canyon Lake a self-governing City!

FACT: YES on “DD” ensures local funding and control over OUR City services and decision-making. Would a County bureaucrat know what's best for us? NO! **Vote YES on “DD”!**

FACT: YES on “DD” maintains critical funding to preserve rapid emergency 9-1-1 response times that save lives and property. Without Measure DD, emergency fire and paramedic response times would increase to 11-14 minutes – outside of the safety parameters cited by the American Medical Association.

FACT: By law, YES on “DD” requires strong transparency and fiscal accountability protections – including annual independent audits, NO future tax increase without voter approval, and expiration in six years. Measure “DD” proceeds will be spent responsibly and as promised!

FACT: YES on “DD” preserves local decision-making power on policy issues, including land use, Lake quality and essential public safety services we all use. Measure “DD” maintains Railroad Canyon Road and other City services – and won't be subject to the whims of out-of-town County bureaucrats.

YES on “DD” preserves Canyon Lake as an independent city with rapid 9-1-1 emergency response services, local control over land use, and fiscal accountability to local residents.

Join Canyon Lake City Council members, property owners, longtime residents and longtime community members –vote **YES on “DD”!** We all agree - vote **YES on “DD”** for the future of Canyon Lake.
