Elections in California

The Top Two Candidates Open Primary Act, which took effect January 1, 2011, requires that all candidates for a voter-nominated office be listed on the same ballot. Voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate, regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election regardless of vote totals. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held. Even if there are only two candidates for an office in the open primary, a general election for that office is still required.

California's open primary system does not apply to candidates running for local offices.

California law requires that the following information be printed in this pamphlet.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Redistricting

New electoral district boundaries are drawn every 10 years in order to equalize district populations. Boundaries for the congressional, state legislative, and county supervisorial districts are now different. Boundary changes also apply to any city, school district, or special district that votes by trustee areas or divisions. To see the new district maps, visit the Registrar of Voters website at www.voteinfo.net.

HOW TO MARK YOUR PAPER BALLOT

Please refer to the following instructions on how to properly complete your official ballot:

- ▶ Connect the head and tail of the arrow that points to your choice like the example provided.
- ▶ Check both front and back of ballot for voting contests.
- ▶ Use a black ball point pen. Do not use felt tip, red or gel ink.
- ▶ One line connecting the arrow is preferred.
- ▶ Vote for no more than the number of votes allowed in each contest (e.g. vote for one, vote for no more than two, etc.).
- ▶ Please keep the vote-by-mail ballot folded the same way you received it.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
50TH CONGRESSIONAL DISTRICT**

DUNCAN HUNTER, Republican
OCCUPATION: U.S. Representative
EDUCATION AND QUALIFICATIONS:

It is an honor to serve as your elected representative of the 50th CA district in U.S. Congress. As Americans, we are proud of our history and we all share the core belief that America holds endless potential. The future is bright but achieving success--measured through a rebalancing of government, whereby influence is limited and citizens are empowered--will be possible through strong leadership and perseverance.

Having served in the Marine Corps, through tours in Iraq and Afghanistan, I was fortunate to be part of an organization with great purpose and a commitment to preserving freedom. That same sense of purpose continues to drive my efforts in Congress.

Together, we are unrelenting in our pursuit to reduce the national debt, by addressing the real cost drivers in the budget. We are working to lower the tax and regulatory burdens on small business--the backbone of our regional and national economy. We share a commitment to securing the border and enforcing existing laws, as we respect the same legal channels of entry that have contributed to America's greatness for more than two centuries. And we are demanding energy independence and refuse to compromise our belief in a strong national defense.

Defending these interests and principles is a duty that I take seriously and I am grateful to have earned your trust and confidence. I ask again for your vote and the trust to continue representing you in Congress.

Congressman Duncan Hunter

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
50TH CONGRESSIONAL DISTRICT**

JAMES H. KIMBER, Democratic
OCCUPATION: Neurosurgery Physician Assistant
EDUCATION AND QUALIFICATIONS:

AGE: 52

I graduated from George Washington University with a Bachelor of Science in Health Sciences and I'm a graduate of the Physician Assistant Program at Stanford University School of Medicine. I am currently on medical staff at three major trauma healthcare facilities in San Diego County where I practice Neurosurgery.

I served 20 years on active duty in the United States Navy and retired in 2002 as a Senior Chief Hospital Corpsman. I'm an active member of The American Legion and Veterans of Foreign Wars. I understand the issues facing our veterans of the Iraq and Afghanistan wars, particularly in light of the recent problems with the Veterans Administration. Veterans care and support will always be a number one issue and I will never use veteran benefits as a bargaining tool.

Although the unemployment rate has dropped and we have seen thousands of new jobs created, the economy has not fully recovered. I know we can do more to bring jobs to this district and it will be a priority of mine to work with and help small businesses.

The country has seen the direct effects from delayed immigration reform with thousands trying to enter the United States from other countries. I will work with both sides to come up with a solution that addresses a broken immigration system and strengthens our borders. We can work on both.

If elected I will always work across the aisle. Please visit my website at KimberforCongress.com and follow us on social media. Thank you.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
28TH SENATORIAL DISTRICT**

JEFF STONE, Republican

OCCUPATION: Riverside County Supervisor / Small Business Owner

EDUCATION AND QUALIFICATIONS:

As a Riverside County Supervisor and longtime small business owner, I'm proud to be running for the Senate with the support of local taxpayers, seniors, veterans, small business owners and over 45 city council members and elected officials from the Coachella Valley and Riverside County. Councilman Glenn Miller, who ran a strong campaign in June, has now endorsed me.

I'm also honored to be the choice of Riverside County Sheriff Stan Sniff and the Riverside Sheriffs Association. Over 3,200 law enforcement officers and investigators in Riverside County endorse me because they know I will **OPPOSE EARLY RELEASE** of dangerous prisoners and work to keep our neighborhoods, schools and homes safe.

I signed the NO NEW TAXES pledge. As a local official, I successfully lowered taxes without cutting vital services. I'll work to do the same in Sacramento.

I strongly oppose the federal government's policy of moving illegal immigrants from the Texas border to Riverside County communities. The Feds need to enforce the law and control the border.

My priorities are: JOB CREATION and Improving the Business Climate; No New Taxes, Cut Waste and Balance the Budget.

Special interests in Sacramento are spending massive sums of money to influence your vote and defeat me. Ask yourself: do you want a Senator who will be a voice for the special interests; or one who will be a voice for you and Riverside County?

I'd be honored to receive your vote. Please visit www.JeffStone2014.com to read more. Thank you.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
28TH SENATORIAL DISTRICT**

BONNIE GARCIA, Republican

OCCUPATION: Small Business Woman

EDUCATION AND QUALIFICATIONS:

California is broken and in dire need of commonsense solutions.

During the six years I served in the Assembly, I kept my promise and refused to support tax increases and reckless spending. My commitment to California's hardworking taxpayers earned me the support of the Howard Jarvis Taxpayers Association and local elected officials from across the county.

A strong workforce is more important than senseless regulations. The California Small Business Association supports me because I created thousands of jobs, expanded opportunities for veterans and secured funding for small businesses.

I'm from a law enforcement and military family, value freedom and understand personal sacrifice. The California Police Chief's Association and Crime Victims United have endorsed me due to my strong support of public safety and fervent opposition toward the Governor's early release program for hardened criminals.

We must focus on issues that directly affect the future of our state and its industries: namely, our dwindling water supply. As your Senator, I will fight to ensure that California's water supply is readily available for those who need it most: families and small businesses that depend on this critical resource to create jobs and sustain our high standard of living.

With your support I will continue to use my experience and degree in Workforce Development and Education to promote a broad array of conservative priorities - sound fiscal policies, quality schools, safer communities and protecting the value of every life.

Experience and ethics matter.

RICHARD SHAFER

AGE: 62

**OCCUPATION: Incumbent
EDUCATION AND QUALIFICATIONS:**

My wife Sharon and I have lived in Temecula for 25 years. I am a practicing CPA and have served on the TVUSD Governing Board for over 17 years. We have four adult daughters including one teaching in the district.

The challenges confronting education in the State of California remain complex. The budget shortfall has taken its toll and impacted our District's journey to excellence. We have been through "No Child Left Behind" and are currently facing the implementation of "Common Core". We will meet these mandated challenges, while fighting for local control and providing programs that invigorate our schools. We will continue to strengthen our children's basic education and provide resources for arts, music, technology, vocational preparedness and special needs.

I am a businessman, father, and now grandfather who has a vested interest in the success of TVUSD. I want to support this district and the current leadership. I do not rush to make decisions but I listen, gather facts and ask questions. I promise to carry out my duties as your trustee with the highest level of integrity and honesty.

VOTE FOR RICHARD SHAFER,

I understand my responsibility is to serve all children, invite parents into the schools to help, provide facilities that make our community proud and to make all schools a safe place to learn. We have the finest teachers and support staff of any school district; we have the highest test scores in our region, we graduate students who go on to military academies and highest rated universities. Our CSU and community college systems are enriched by our graduates. Our businesses hire our students. Our students give back. This is what makes Temecula great.

We're facing challenges however we are keeping our eye on what's important and we're focusing on delivering the finest education we can provide. My goals would be, continue the high level of educational standards we have today, upgrade facilities at the older schools and see the beginning or completion of high school number four in French Valley. We have a "can do" spirit and about 30,000 reasons for staying positive. I ask for your support to continue this pathway of excellence. I promise I won't let you down.

- Be a vocal proactive leader, willing to take a stand and tackle difficult issues.
- Refine district goals to support student's need for a classic, well-rounded education that includes music, art, p.e. and more.
- Open direct lines of communication from stakeholders to decision-makers by creating a permanent "Superintendent's Parent Council" and a "mock school board" made of students.

MEASURE "AA" – MT. SAN JACINTO COMMUNITY COLLEGE DISTRICT

EXHIBIT B

FULL TEXT BALLOT PROPOSITION

MT. SAN JACINTO COMMUNITY COLLEGE DISTRICT BOND MEASURE ELECTION NOVEMBER 4, 2014

MT. SAN JACINTO COLLEGE AFFORDABLE EDUCATION AND JOB TRAINING MEASURE. "To expand college buildings serving four-year university transfer, veterans' education, and career training, by expanding career/support facilities for veterans/military, ensuring buildings are accessible for the disabled, upgrading nursing, emergency responder, criminal justice, vocational job training classrooms, updating science labs, electrical systems, technology infrastructure, acquiring, constructing, and repairing classrooms, facilities, sites/equipment, shall Mt. San Jacinto Community College District issue \$295,000,000 in bonds at legal rates with annual financial audits, citizens' oversight of funds, all funds remaining local?"

Bonds – Yes

Bonds – No

PROJECTS

The Board of Trustees of the Mt. San Jacinto Community College District, to be responsive to the needs of its community, evaluated Mt. San Jacinto College's urgent and critical facility needs, and its capacity to provide students, active military and **Veterans** with **support** facilities, an affordable education and prepare them for success in college and careers. Safety issues, enrollment growth, class size reduction and class offerings, and information and computer technology infrastructure were each considered, in developing the scope of projects to be funded, as outlined in the District's Master Facility Plan, incorporated herein by reference in its entirety (the "Master Plan"), and available for review on the District's website (www.msji.edu). In developing the scope of projects, the faculty, staff, students and community have prioritized providing **essential job training and workforce preparation skills** students need to **succeed in today's competitive job market**, and ensuring **buildings are accessible** for the disabled, and facilities available to support an **affordable education**, so that the most critical needs that will make the Mt. San Jacinto College an effective place for learning, would be addressed. In the course of developing the Master Plan, public input was received from hundreds of constituents. It was concluded that if these facility needs were not addressed now, the Mt. San Jacinto College would be unable to remain competitive in preparing students for jobs in high demand industries and university transfer. The Board concluded that the longer they waited to repair and upgrade Mt. San Jacinto College, the more expensive it would be. **In implementing the Master Plan the Board of Trustees determines that Mt. San Jacinto College MUST:**

- (i) **Expand career and SUPPORT FACILITIES FOR VETERANS and military personnel;**
- (ii) **Increase workforce preparation skills students need to succeed in today's job market;**
- (iii) **Ensure BUILDINGS are ACCESSIBLE FOR THE DISABLED;**
- (iv) **Provide AFFORDABLE, LOW-COST, HIGH QUALITY EDUCATION in San Jacinto, Menifee Valley, San Geronio and Temecula, needed to successfully transfer to four-year universities; and**
- (v) **Qualify the College for any available State matching funds; and**
- (vi) **Ensure that the College has the capacity and high quality classrooms and facilities to meet academic needs and demands of its regional students; and**
- (vii) **Adhere to stringent FISCAL ACCOUNTABILITY safeguards including:**
 - (a) **REQUIRE ANNUAL FINANCIAL AUDITS,**
 - (b) **Require citizens' oversight of all funds,**
 - (c) **No funds will be used for administrators' salaries and pensions,**
 - (d) **ALL FUNDS WILL BE SUBJECT TO LOCAL CONTROL AND WILL REMAIN LOCAL IN MT. SAN JACINTO COLLEGE.**

The Master Plan is available for review at the Superintendent/President's office and at www.msji.edu. The following types of projects are authorized to be undertaken at Mt. San Jacinto College facilities in Menifee, Temecula, San Jacinto, San Geronio, as well as at a to be constructed technology campus in the Interstate 15 corridor:

Academic Facility and Technology Upgrade Projects to Help Students and Veterans be Trained for Good Jobs

Goal and Purpose: Because it is extremely hard to get a job in today's economy, Mt. San Jacinto College must provide the essential job training and workforce preparation skills students need to succeed in to today's highly competitive job market. **This measure will** expand local education in nursing, science, technology, engineering and math to meet the needs of our local, regional employers and help attract more high paying jobs and businesses to our region.

Mt. San Jacinto College has served thousands of military veterans, many who have recently returned from war zones and face challenges including post-traumatic stress disorder and permanent disabilities. The College is a national leader in helping returning veterans reintegrate with their education and careers, and **this measure will upgrade and expand veteran services and job training so returning service members receive the support they need to complete their education and enter the civilian workforce.**

Thus the District requires FUNDS that ARE LOCALLY CONTROLLED to improve academic facilities and technology implementations which will allow them to continue providing ACCESS TO AFFORDABLE, HIGH QUALITY EDUCATION to local students, active military and veterans, including:

- **Upgrade and expand facilities for career training in well-paying careers and transfer to universities.**
- Expand course opportunities to increase enrollment, classrooms and instructional facilities in nursing, emergency responder, criminal justice, vocational job training classrooms, and other core academic classes.
- **Expand facilities for veterans to provide career training and support services to returning veterans seeking training or retraining to reenter the workforce.**
- Upgrade outdated science, math and computer labs and expand College facilities providing instruction in Science, Technology, Engineering and Math (STEM).
- Install additional technology infrastructure to improve computer technology and Internet access.
- Upgrade outdated job-training classrooms, labs and equipment to provide all students with opportunities to learn job skills.
- Upgrade support facilities for currently active military personnel.
- Upgrade and replace existing information technology infrastructure and network systems to improve efficiency and increase capacity.
- Upgrade and expand telecommunications, Internet and network connections.
- Upgrade and build academic buildings to expand classrooms for career training in science, medical, public safety and other in-demand jobs.
- Upgrade and replace technology, computers, hardware and systems used for job training and retraining programs.

Repair and Construction Projects to Provide Greater Access to an Affordable Education

Goal and Purpose: Since the cost of attending a public university has risen to as much as six (6) times that of attending Mt. San Jacinto College, students rely on Mt. San Jacinto to save as much as \$35,000 in tuition on their way to a four-year degree. Therefore, keeping Mt. San Jacinto's facilities upgraded will best serve all local students, military and veterans who can earn college credits, certificates and job skills at a reasonable price:

- **ENSURE BUILDINGS ARE ACCESSIBLE FOR THE DISABLED.**
- Upgrade aging roofs, bathrooms and disabled accessibility, repair floors, walkways, lighting and electrical systems.
- Construct more classroom space.
- Remove asbestos.
- Upgrade campus facilities to provide improved access, including road and parking upgrades to improve safety, access and traffic flow.
- Improve heating, ventilation, insulation, doors, lighting, and windows to increase energy efficiency and save money.
- Upgrade outdated electrical systems and wiring for computer technology and Internet access.
- Renovate, repair or replace outdated laboratories, classrooms, training centers and support facilities.
- Upgrade and replace classroom instructional equipment.
- Improve student safety, emergency preparedness, and security systems, including lighting, fencing, smoke detectors, fire alarms and sprinklers, gas and sewer lines.

The allocation of bond proceeds will be affected by the District's receipt of State matching funds and the final costs of each project. MEASURE “AA” – MT. SAN JACINTO COMMUNITY COLLEGE DISTRICT

Mt. San Jacinto Community College District 2014 Bond Election Tax Rate Statement

An election will be held in the Mt. San Jacinto Community District (the “District”) on November 4, 2014, to authorize the sale of up to \$295,000,000 in bonds of the District to finance facilities as described in the proposition. If the bonds are approved, the District expects to issue the Bonds in multiple series over time. Principal and interest on the bonds will be payable from the proceeds of tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400 through 9404 of the California Elections Code.

1. The best estimate of the tax which would be required to be levied to fund this bond issue during the first fiscal year after the sale of the first series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is \$0.01320 per \$100 (\$13.20 per \$100,000) of assessed valuation in fiscal year 2015-16.
2. The best estimate of the tax rate which would be required to be levied to fund this bond issue during the first fiscal year after the sale of the last series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is \$0.01320 per \$100 (\$13.20 per \$100,000) of assessed valuation in fiscal year 2024-25.
3. The best estimate of the highest tax rate which would be required to be levied to fund this bond issue, based on estimated assessed valuations available at the time of filing of this statement, is \$0.01320 per \$100 (\$13.20 per \$100,000) of assessed valuation, which is projected to be the same in every fiscal year that the bonds remain outstanding.

Voters should note that estimated tax rates are based on the ASSESSED VALUE of taxable property on the County’s official tax rolls, not on the property’s market value, which could be more or less than the assessed value. In addition, taxpayers eligible for a property tax exemption, such as the homeowner’s exemption, will be taxed at a lower effective tax rate than described above. Certain taxpayers may also be eligible to postpone payment of taxes. Property owners should consult their own property tax bills and tax advisors to determine their property’s assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that the foregoing information is based upon the District’s projections and estimates only, which are not binding upon the District. The actual tax rates and the years in which they will apply may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The dates of sale and the amount of bonds sold at any given time will be determined by the District based on need for construction funds and other factors. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

Superintendent/President

The Board of Trustees (“Board”) of the Mt. San Jacinto Community College (“District”) by adopting Resolution No. 2014/15-001 (“Resolution”), elected to call an election pursuant to Section 18 of Article XVI and Section 1 of Article XIII A of the California Constitution and Section 15100 and 15624 *et seq.* of the California Education Code to obtain authorization to issue and sell general obligation Bonds (“Bonds”) in the aggregate amount principal amount of two hundred and ninety-five millions dollars (\$295,000,000).

An ad valorem tax would be levied and collected on property within the boundaries of the District to pay the principal and interest on the Bonds.

The Resolution provides that the maximum interest rate on the Bonds will not exceed the maximum interest rate permitted by the applicable laws of the State and the maximum term of the Bonds, or any series thereof, will not exceed 40 years.

ARGUMENT IN FAVOR OF MEASURE “AA”

In the last four years, the state has cut millions of dollars from Mt. San Jacinto Community College. We won't stand for this, and can't rely on Sacramento politicians to help our local colleges—vote **YES on “AA”**!

Do you think it's difficult to get a job in today's slowly recovering economy? We sure do! Vote **YES on “AA”** to expand essential job training and workforce preparation skills in nursing, science, technology, engineering and math to meet the needs of our local, regional employers. A skilled workforce helps attract more high paying jobs and businesses to our region.

YES on “AA” ensures that our tax dollars stay local to address our area's educational and job training needs. Sacramento is legally prohibited from taking Measure “AA” funds!

YES on “AA” helps provide job training and education for our returning military veterans. It is shameful how the federal government is treating our war veterans. Mt. San Jacinto College is a national leader in helping returning veterans reintegrate with their education and careers. It upgrades and expands veteran services and job training so returning veterans receive the support they need to complete their education and enter the civilian workforce.

YES on “AA” will:

- Improve our nationally-recognized, award-winning education by expanding our transfer preparation and career training opportunities/increasing partnerships with area employers to fill local job training needs
- Benefit students from EVERY region in the District
- Double the college's student capacity

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “AA”

While State Funding was curtailed following the “Great Recession,” Bond Proponents Falsely Argue that MSJC received only cuts during the past 4 years. Rather, the 2014-15 State Budget increases Funding by almost \$1 Billion, or about 11 Percent over the previous year. “I’m calling it a Grand Slam,” said Scott Lay, President of the Community College League of California, a Nonprofit Association for Community College Districts Statewide. “It freezes tuition and brings us back to the Funding Levels of 2007-2008.” Budget Increases Include:

- \$155.2 Million to fund a 3 percent restoration of access allowing Colleges to add approximately 70,000 students.
- \$48.5 Million to fund a Cost of Living Adjustment of 0.86 percent.
- \$175 Million for deferred maintenance and instructional equipment.
- \$235.6 Million reduction in payment deferrals, combined with \$356.8 million proposed in one-time funds for this purpose.
- \$39 Million in Proposition 39 funds for energy efficiency and workforce development projects.
- \$2.5 Million for local technical assistance supporting implementation of effective student success practices, with priority placed on underperforming districts.
- \$1.1 Million and nine new Chancellor's Office positions to develop student success indicators and monitor College/District performance.
- \$50 Million in one-time funding for incentive awards recognizing models of innovation in Higher Education.
- NO student fee increase for the 2014-15 Academic Year.

State Funding is Rebounding to Pre-Recession Levels. It's the **WRONG** time to Burden Locals with More Debt and Higher Taxes. Please **Vote NO on Measure “AA”**

ARGUMENT AGAINST MEASURE "AA"

A vote in favor of this Controversial Bond Measure means Higher Taxes. Measure "AA" means that **WE** Assume the Obligation to Repay \$Millions of Dollars in Debt issued on behalf of Mt. San Jacinto Community College – in addition to Interest and Debt Servicing – which makes Payback on Bonds as high as 1½ to 2 times the Original Debt. So although MSJC will have roughly \$300 \$Million to Spend, the Money **WE** are Obligated to Repay could reach nearly \$600 \$Million – which Bottom Line remains Unknown because MSJC Neglects to Disclose specifics of this 'Minor' detail. Bond issuers and Wall Street types are Salivating over Stuffing their pockets full of Your Cash.

Measure "AA" also means **OUR** Homes become Collateral for Repayment of these Bonds. Bond Holders gain a legal Right to Foreclose and Auction off **OUR** Homes to Secure Debt Payments in event of Default. So if You become short on Funds and choose "Extravagances" such as food, clothing, health care, rent, car payments or gasoline over Repaying MSJC's Bond, You will risk Foreclosure and having Your Home Sold off at a Public Auction to Repay Bonded Indebtedness.

Measure "AA" is swirling in Controversy even before ink dries on the ballots. The MSJC Board of Trustees could Not even reach a consensus on their Decision to load You Down with more Debt. The vote was 4-1, with Trustee Eugene Kadow voting **NO on Bonds**.

MSJC is among the Lowest performing Junior Colleges Statewide. They manage resources Poorly and have left \$Millions in State Funding on the table by Failing to increase Class Sections. Now they want You to Backfill their Underperformance with Bonds – Adding ways for You to Lose your \$Money and Possibly even Your Home. Enough is enough. StopTheMoneyGrab.com

REBUTTAL TO ARGUMENT AGAINST MEASURE "AA"

The fact is, in the last four years, the state has cut millions of dollars from Mt. San Jacinto College.

This is why the community is united behind **Yes on "AA"**. Business leaders, veterans, city leaders, residents, taxpayers, teachers, students, and homeowners all support Measure "AA".

FACT: Measure "AA" is fiscally sound and has strict Fiscal Accountability requirements including an expanded Citizens Oversight Committee and annual financial audits ensuring money is spent as promised. NO money will go towards salaries or pensions.

FACT: Yes on "AA" expands essential job training and workforce preparation skills in nursing, science, technology, engineering and math to meet the needs of our local, regional employers. A skilled workforce helps attract more high paying jobs and businesses to our region!
