Elections in California

The Top Two Candidates Open Primary Act, which took effect January 1, 2011, requires that all candidates for a voter-nominated office be listed on the same ballot. Voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate, regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election regardless of vote totals. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held. Even if there are only two candidates for an office in the open primary, a general election for that office is still required.

California's open primary system does not apply to candidates running for local offices.

California law requires that the following information be printed in this pamphlet.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Redistricting

New electoral district boundaries are drawn every 10 years in order to equalize district populations. Boundaries for the congressional, state legislative, and county supervisorial districts are now different. Boundary changes also apply to any city, school district, or special district that votes by trustee areas or divisions. To see the new district maps, visit the Registrar of Voters website at www.voteinfo.net.

HOW TO MARK YOUR PAPER BALLOT

Please refer to the following instructions on how to properly complete your official ballot:

- ▶ Connect the head and tail of the arrow that points to your choice like the example provided.
- ▶ Check both front and back of ballot for voting contests.
- ▶ Use a black ball point pen. Do not use felt tip, red or gel ink.
- ▶ One line connecting the arrow is preferred.
- ▶ Vote for no more than the number of votes allowed in each contest (e.g. vote for one, vote for no more than two, etc.).
- ▶ Please keep the vote-by-mail ballot folded the same way you received it.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

BRIAN NESTANDE, Republican

AGE: 50

OCCUPATION: State Assemblyman / Businessman

EDUCATION AND QUALIFICATIONS:

Congress isn't getting anything done, and the current Congress is one of history's worst.

In Congress, I'll work to:

- ✓ Immediately secure the border as the FIRST step in immigration reform
- ✓ STOP the overspending and pass a balanced budget amendment
- ✓ Hold Congress accountable - no balanced budget = no paycheck
- ✓ Create policies that encourage businesses to expand so we have high quality good paying jobs

Middle class families cannot afford another do-nothing Congress. In the last two years, Congress sent America another \$2 trillion deeper into debt - an amount equal to an additional \$9,000 of debt per U.S. taxpayer.

At the same time, the cost of healthcare under Obamacare has risen by as much as fifty percent, and millions of seniors have seen their Medicare benefits reduced.

Worker wages have remained stagnant, and more businesses are moving off-shore as Congress debates adding even higher taxes and more regulations.

My wife Gina and I are raising our family and we know first-hand how difficult Washington is making it for middle class families to get ahead.

I'll make sure the priorities of seniors and middle-class families are put into action, and that's the difference. That's why I've been endorsed by most of the local elected leaders in our District - people who understand how difficult it's been to have a voice in Congress. I would be honored to have your vote.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
28TH SENATORIAL DISTRICT**

JEFF STONE, Republican

OCCUPATION: Riverside County Supervisor / Small Business Owner

EDUCATION AND QUALIFICATIONS:

As a Riverside County Supervisor and longtime small business owner, I'm proud to be running for the Senate with the support of local taxpayers, seniors, veterans, small business owners and over 45 city council members and elected officials from the Coachella Valley and Riverside County. Councilman Glenn Miller, who ran a strong campaign in June, has now endorsed me.

I'm also honored to be the choice of Riverside County Sheriff Stan Sniff and the Riverside Sheriffs Association. Over 3,200 law enforcement officers and investigators in Riverside County endorse me because they know I will **OPPOSE EARLY RELEASE** of dangerous prisoners and work to keep our neighborhoods, schools and homes safe.

I signed the NO NEW TAXES pledge. As a local official, I successfully lowered taxes without cutting vital services. I'll work to do the same in Sacramento.

I strongly oppose the federal government's policy of moving illegal immigrants from the Texas border to Riverside County communities. The Feds need to enforce the law and control the border.

My priorities are: JOB CREATION and Improving the Business Climate; No New Taxes, Cut Waste and Balance the Budget.

Special interests in Sacramento are spending massive sums of money to influence your vote and defeat me. Ask yourself: do you want a Senator who will be a voice for the special interests; or one who will be a voice for you and Riverside County?

I'd be honored to receive your vote. Please visit www.JeffStone2014.com to read more. Thank you.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
28TH SENATORIAL DISTRICT**

BONNIE GARCIA, Republican

OCCUPATION: Small Business Woman

EDUCATION AND QUALIFICATIONS:

California is broken and in dire need of commonsense solutions.

During the six years I served in the Assembly, I kept my promise and refused to support tax increases and reckless spending. My commitment to California's hardworking taxpayers earned me the support of the Howard Jarvis Taxpayers Association and local elected officials from across the county.

A strong workforce is more important than senseless regulations. The California Small Business Association supports me because I created thousands of jobs, expanded opportunities for veterans and secured funding for small businesses.

I'm from a law enforcement and military family, value freedom and understand personal sacrifice. The California Police Chief's Association and Crime Victims United have endorsed me due to my strong support of public safety and fervent opposition toward the Governor's early release program for hardened criminals.

We must focus on issues that directly affect the future of our state and its industries: namely, our dwindling water supply. As your Senator, I will fight to ensure that California's water supply is readily available for those who need it most: families and small businesses that depend on this critical resource to create jobs and sustain our high standard of living.

With your support I will continue to use my experience and degree in Workforce Development and Education to promote a broad array of conservative priorities - sound fiscal policies, quality schools, safer communities and protecting the value of every life.

Experience and ethics matter.

CHAD MAYES, Republican
OCCUPATION: Chief of Staff
EDUCATION AND QUALIFICATIONS:

AGE: 37

The past few months have been some of the most satisfying times of my life in public service.

I have become reacquainted with old friends and have had the chance to meet and visit with neighbors from across our district and from all political parties. Together, we've discussed the issues facing California and shared our hopes for our region. I can say without hesitation that I've listened and learned from each one of those conversations.

Like many, I'm frustrated with Sacramento's lack of progress on job creation, better schools, and safe communities - important priorities that have fallen victim to partisan politics.

With a servant's heart, I'll work to end partisan bickering in Sacramento. I'll work with both Democrats and Republicans to make government accountable, protect taxpayers by defending Proposition 13, strengthen our economy, and provide the outstanding education our children deserve.

With your trust, I'm prepared to get the job done.

I'm honored to have earned the endorsement of Congressman Paul Cook, every Member of the Riverside County Board of Supervisors, the Riverside County Sheriffs' Association, CAL FIRE, the Howard Jarvis Taxpayers Association, and dozens of local elected officials. To be honest, the support that matters most is yours.

As you consider whom to support, please know that I would be honored to have your vote. If you have questions about where I stand on the issues, call me at (760) 413-9048 or email me at Chad@ChadMayes.com and I'll respond personally.

KARALEE HARGROVE, Democratic
OCCUPATION: School Board Trustee
EDUCATION AND QUALIFICATIONS:

AGE: 32

California faces challenges. Challenges expose opportunities. My background and experience qualifies me to nurture California's opportunities.

As a Morongo Unified School Board Trustee I know that vigorous education is essential to cultivating critical thinking skills and creativity. Creative minds incubate innovative solutions for California's challenges.

Every student need not attend college. In addition to math and science, students need opportunities to learn skilled trades, arts, and music. Preschools significantly jump-start good learning skills.

Independent and innovative thinking, rather than political stubbornness, fosters representative government. Some things are best solved on a large coordinated scale, others locally. I reach out to others who consider the impact on whole communities not just on legislation benefiting narrow special interests. Ours is a community of diverse needs.

I will listen, learn, and act, by initiating and supporting State policies that reflect the realistic aspirations of the 42nd Assembly district.

As a wife, mother of five children, school board member, and student I relate to everyday real life challenges. My school board record reflects my dedication to excellence.

As an elected woman, the gender gap could narrow in the legislature. This is good for truly representative government.

I ask for your vote so we all win.

After being seasonal visitor to Palm Desert for 15 years, I chose to make Palm Desert my permanent full time home in 2009, because of my love for the desert area and the community. I now want to do what I can to ensure that the community of Palm Desert remains as welcoming and inviting in its future as when I chose to make this my home. In 2012, as I was recovering from cancer treatments, I experienced firsthand the support that could be given from this community, and I attribute much of the speed of my recovery to living here and want to help make sure that Palm Desert keeps its personality as it grows into the future.

As a local insurance agent, I have been able to become deeply involved with the business community through involvement in the Chamber of Commerce, local charities, and working one-on-one with many of our neighbors. GLEN GRAYMAN

AGE: 65

OCCUPATION: District Director / Physician
EDUCATION AND QUALIFICATIONS:

Having been a practicing emergency physician in the Desert Health Care District for 27 years, I have had the privilege of caring for thousands of residents of the Coachella Valley. Since 1998, it has also been my honor to serve those residents in a different way—as a publicly elected member of the District's Board of Directors.

Since obtaining a B.A. at UC Riverside and an M.D. at UCLA, I became Board Certified in Internal Medicine, Emergency Medicine, Quality Assurance, and Medical Management. As a previous Chief of Staff and Medical Director of the Emergency/Trauma Center at Desert Regional Medical Center, I realized that, whether we like it or not, medicine contains all the aspects of art, science, and business. To hone my skills in that third aspect, I obtained an M.B.A. in Healthcare at UC Irvine in 1998, and became a California-certified mediator.

My family and I are proud, full-time residents of the Coachella Valley and the District.

It has been said of the three goals of healthcare—quality, access, and cost—"pick any two." My aim is to expand the ability of District residents to, in fact, simultaneously have all three.

CITY OF PALM DESERT, CALIFORNIA

APPROVED AS TO FORM:

DAVID J. ERWIN, CITY ATTORNEY
CITY OF PALM DESERT, CALIFORNIA

IMPARTIAL ANALYSIS OF MEASURE "G"

The City of Palm Desert currently imposes a 9% general tax on rent charged by the operator of any hotel, short-term rental, or similar lodging in the City of Palm Desert for guests staying fewer than thirty days. This tax is called the Transient Occupancy Tax ("TOT") and is collected by hotel and short-term rental operators at the time rent is paid by the guests. All funds collected from the TOT are deposited into the City's General Fund.

Measure "G," which has been placed on the ballot by the City Council of the City of Palm Desert, proposes the adoption of an Ordinance of the City of Palm Desert which would increase the TOT from 9% to 11%. The additional 2% in revenue represents about \$2 million dollars a year to the General Fund.

The proposed TOT is a general tax and may be used for any general governmental purpose of the City, for example, marketing signature events, promoting tourism, hotel attractions/improvements, law enforcement and fire protection; street maintenance; and maintenance of parks and sports fields. In order for the City to adopt the Ordinance amending its Municipal Code and authorizing the increase in the rate of the TOT described above, Measure "G" must be approved by a majority vote of the votes cast on the measure.

A "yes" vote on Measure "G" would adopt the Ordinance described above.

A "no" vote on Measure "G" would mean that the Ordinance described above is not adopted.

The above statement is an impartial analysis of Measure "G". If you desire a copy of Measure "G" (Ordinance No. 1270), please call the elections official's office at (760) 346- 0611 and a copy will be mailed at no cost to you.

By: David J. Erwin, Esq.
City Attorney, City of Palm Desert

ARGUMENT IN FAVOR OF MEASURE “G”

Tens of thousands of visitors come to Palm Desert annually to enjoy its scenic beauty, relaxed lifestyle, and more than 360 days of sunshine each year. The dollars they spend here support area businesses and are vital to our local economy.

Balancing the costs and benefits of tourism is essential to Palm Desert's uniquely wonderful quality of life. Setting an appropriate Transient Occupancy Tax (TOT) rate is vital to preserving that balance.

TOT, also known as a bed tax, is a tax on visitors. It is not a tax on hotels or businesses that offer vacation rentals. It is collected by these businesses, on the City's behalf, from the visitors who stay there.

TOT funds are discretionary, which means that the Palm Desert City Council can use the funds for any legitimate municipal expense. These funds are used in a variety of ways in Palm Desert to help address the impacts of tourism and to support services and amenities that benefit visitors and residents including police and fire services, parks and recreation, streets maintenance, and more.

Palm Desert's existing 9% TOT rate was set 22 years ago and is the lowest such rate in the Coachella Valley. The proposed increase to 11% would still place Palm Desert among the lower TOT rates in the region, tied with the city of La Quinta and lower than the cities of Cathedral City, Desert Hot Springs, Indian Wells, and Palm Springs.

Because this tax has no financial impact on Palm Desert residents unless they stay at a Palm Desert hotel, and because the money generated by TOT helps pay for the high level of service and benefits enjoyed by our community, the City Council supports the proposed change and asks for residents' approval in this November's election.

NO REBUTTAL ARGUMENT FILED**ARGUMENT AGAINST MEASURE “G”**

As a member of the Palm Desert City Council for over thirty years, a consistent priority of mine has been fiscal responsibility and that is why I urge you to vote NO to raising our TOT (Transient Occupancy Tax) from 9 percent to 11 percent. The proposed over 20 percent tax increase is a classic case of greed over need.

Palm Desert has always had the benefit of the lowest TOT rate in our valley. Having spent much of my work career in the travel business I know that convention planners and individuals look at the bottom line before booking into our hotels. Money not spent on TOT can flow into other parts of our local economy, thereby benefiting many of us.

Palm Desert has uncommitted financial reserves of over 50 million dollars, among the largest of any city in California. Palm Desert now spends nearly a million budgeted dollars on marketing related activities, and we can easily afford to continue or increase the programs noted in the “need” for a tax increase. There is simply no legitimate reason to pander to greed for more money to spend.

As I retire this year I wish financial responsibility to remain as a priority for our city. If and when actually needed, a TOT increase can be placed on the ballot again but now there is no need only greed for “more”. Let's continue our over forty-one year success story.

IMPARTIAL ANALYSIS OF MEASURE "H"

Measure "H" is an advisory measure concerning the recommended expenditure of new City of Palm Desert Transient Occupancy Tax ("TOT") revenues if Measure "G" is approved by the voters.

Measure "H", which has been placed on the ballot by the City Council of the City of Palm Desert, does not increase the TOT. Rather, Measure "H" allows voters within the City of Palm Desert to voice their opinions on whether they believe the City should allocate the additional 2% of TOT revenue, if Measure "G" is approved, to promotional efforts including advertising, public relations, special event publicity, marketing collateral development, the City's monthly BrightSide newsletter, and the official Palm Desert tourism website to maintain a consistent image for the City's local, regional, and national marketing campaigns.

Section 9603(c) of the California Elections Code governing the purpose and effect of such an advisory vote states:

"... 'advisory vote' means an indication of general voter opinion regarding the ballot proposal. The result of the advisory vote will in no manner be controlling on the sponsoring legislative body."

The opinion expressed through the vote on this advisory measure, while of interest to the City Council, is not legally controlling on the City Council's use of the TOT revenue. If a majority of the voters vote "yes" on this measure, it will be an indication to the City Council that voters believe that the City Council should spend the additional TOT revenue on the promotional efforts described above.

The above statement is an impartial analysis of Measure "H". If you desire a copy of the Resolution regarding Measure "H" (Resolution No. 2014-25), please call the election official's office at (760) 346-0611 and a copy will be mailed at no cost to you.

ARGUMENT AGAINST MEASURE "H"

As stated in my opposition to Measure "G" I urge you to vote no on Measure "H". Palm Desert has very successfully marketed itself for the past forty-one years, spending over a million dollars a year plus the dollars spent on special events, the Bright Side Newsletter and on the website. Money is already available for continuing or expanding these programs keeping the TOT at 9 percent encourages meeting planners and tourists to book our hotels and saves this source of income for when a real financial emergency occurs.
