Elections in California

The Top Two Candidates Open Primary Act, which took effect January 1, 2011, requires that all candidates for a voter-nominated office be listed on the same ballot. Voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate, regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election regardless of vote totals. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held. Even if there are only two candidates for an office in the open primary, a general election for that office is still required.

California's open primary system does not apply to candidates running for local offices.

California law requires that the following information be printed in this pamphlet.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Redistricting

New electoral district boundaries are drawn every 10 years in order to equalize district populations. Boundaries for the congressional, state legislative, and county supervisorial districts are now different. Boundary changes also apply to any city, school district, or special district that votes by trustee areas or divisions. To see the new district maps, visit the Registrar of Voters website at www.voteinfo.net.

HOW TO MARK YOUR PAPER BALLOT

Please refer to the following instructions on how to properly complete your official ballot:

- ▶ Connect the head and tail of the arrow that points to your choice like the example provided.
- ▶ Check both front and back of ballot for voting contests.
- ▶ Use a black ball point pen. Do not use felt tip, red or gel ink.
- ▶ One line connecting the arrow is preferred.
- ▶ Vote for no more than the number of votes allowed in each contest (e.g. vote for one, vote for no more than two, etc.).
- ▶ Please keep the vote-by-mail ballot folded the same way you received it.

STEVE ADAMS, Republican

AGE: 61

**OCCUPATION: Councilman / Retired Policeman
EDUCATION AND QUALIFICATIONS:**

As a Riverside resident since 1958, a retired Riverside Police Officer, a small business owner, and 3rd term Riverside City Councilman, I am uniquely aware of the issues facing the residents of the 41st District.

Over-regulation from Congress and Washington politicians is restraining economic growth, stifling job creation hurting the residents of the 41st. We need and deserve better than single issue politicians with extreme agendas.

As a three-term Councilman, I've been intricately involved in the betterment of my community. I was successful in helping make Riverside #1 in the Nation in new jobs and top 8 places to be. I was part of the team that brought in the UC Riverside Medical School, bringing quality jobs and millions of dollars to our economy. I will continue to do this for the 41st District.

An uncontrolled border has negatively impacted our lives; jobs, economy, education, crime, hospitals and more. We must stop the human trafficking, victimizing children and women and the flow of drugs and criminals into our cities. The first step is a secure and safe boarder for legal entry. I will go to Congress to help broker real solutions and break the gridlock and partisanship that has plagued this country for the past six years.

Our region has experienced tremendous growth over the years, straining our infrastructure and roadways. Serving on local, state and national transportation committees I know the issues and offer real solutions that I will take to Washington and fight for our region.

MARK TAKANO, Democratic

AGE: 53

**OCCUPATION: United States Representative / Teacher
EDUCATION AND QUALIFICATIONS:**

Dear Neighbor,

Congress is broken, and I have used my first term in office fighting for the commonsense reforms we all know it desperately needs.

As your Representative, I have fought for the middle class, worked to create good paying jobs in the Inland Empire, and stood up to the leaders of both parties to protect Social Security and Medicare.

Over the past two years, my office has secured more than \$1 million in benefits owed to veterans and held several town hall meetings to understand local priorities. I introduced legislation to strengthen and improve school curriculum, increase business participation in job training programs, make it easier for veterans to go back to school, and support the creation of advanced manufacturing jobs.

I will continue to fight for the middle class by supporting job-creating local investments like the UC Riverside Medical School and I'll stand up against tax cuts for billionaires and corporations that want to ship American jobs overseas.

Prior to being elected to the House of Representatives, I dedicated my life to public service as a high school teacher and Riverside Community College Trustee. Those roles prepared me to be an effective advocate for local schools, businesses, veterans, seniors, and middle class families.

I am proud to have the support of local leaders from throughout Riverside, Moreno Valley, Jurupa Valley, and Perris.

I respectfully ask for your vote on November 4th so we can continue to grow our economy and fix Congress.

MEMBER OF THE STATE ASSEMBLY,
61ST ASSEMBLY DISTRICT**

RUDY ARANDA, Republican
OCCUPATION: Retired LAPD
EDUCATION AND QUALIFICATIONS:

My name is Rudy Aranda, and I respectfully ask for your vote.

I have dedicated my life to public service, and I would be honored to serve you as your next Assemblyman.

As a young man, I couldn't sit in class doing nothing while my country was at war. I had to do something. I joined the Army and proudly served in Vietnam.

After the military, I joined the Los Angeles Police Department where I was proud "to protect and to serve" for over 28 years.

All my adult life I have served my country and community with honor and integrity. I will take that honor and integrity with me to Sacramento, and I will work to bring back common sense to state government with my guiding principle being: "What is best for California?"

California faces many challenges. The Inland Empire needs jobs. Our communities need to be safe. Our students need quality education. Taxpayers need relief from excessive taxes, and our state needs a reliable sources of water during this prolonged drought and beyond. These issues, and others, have been ignored for too long and will only be resolved with a common sense approach and cooperation from all stakeholders.

Also, as veteran, I will be the voice and advocate for California veterans and their families in Sacramento.

Let's get California moving again. I ask for your vote on November 4th.

Respectfully,

Rudy Aranda

EDWARD T. REPUCCI

OCCUPATION: Retired Peace Officer
EDUCATION AND QUALIFICATIONS:

I obtained a Bachelor of Science in Criminal Justice and a minor in Sociology and Business Management from California State University, Long Beach. Twenty eight years ago, I moved to Nuevo and have resided here since. During that time, I have been very involved in the community and the youth of Nuevo, including co-founding both the local American Youth Soccer Organization (AYSO) and the community group, Friends of Nuevo. I have been involved and coached soccer on many levels, including AYSO, Nuvview Bridge Early College High School, Perris High School, and baseball with Perris Little League. Having six children, all of which went through the Nuvview School District, I became very focused on the youth, along with improving the schools and the community. As a retired peace officer, I continue to be committed to helping the youth of the Nuvview School District and the community. Our students are our future and I strive to help our youth obtain their goals, as we need strong, independent thinking leaders for our future. I am dedicated to assuring that ALL STUDENTS who pass through the Nuvview School District have an enjoyable learning experience, keep their independence and receive the best education possible.

ANDREA S. MOORE

OCCUPATION: Community Volunteer
EDUCATION AND QUALIFICATIONS:

My husband and I have two wonderful children who attend(ed) Nuvview schools. After promoting from Mountain Shadows last spring our daughter started 9th grade at Heritage while our son has started 6th grade at Nuvview. The two of them have experienced many of the districts programs throughout the years.

In 2007, when both of my children attended Valley View, I started volunteering. From classroom mom to booster club member I enjoyed making a difference. I love reading aloud to children of all ages and doing art projects with the resource and general education classrooms.

For 2 years I have devoted a lot of hours to the MSBC and their monthly community BINGO nights. I believe this monthly tradition has brought our school district and our community members closer together.

Last school year I was asked to serve on the Preschool Parent Advisory Board as well as the Nuvview Knights Athletic Booster Club. That experience has helped me see that our schools and programs within our district have very different and very specific needs.

My volunteer experience over the past 7 years within our community has opened my eyes to a lot of areas I know we can improve together.

I have been a resident of Nuevo for the past 29 years and my three children all attended school in the Nuvview Union School District. I have been a farmer and a businessman for 34 years and have made it a priority to be involved with the youth of our community. For the past 20 years, I have coached numerous sports teams at our high school and through AYSO. I believe we need to be innovative in making sure every student in the district is treated as an individual. We also need to gear their education to fit each student's needs, so that every student has the opportunity to be successful. I believe we need to do what is best for our Nuevo youth by making their education our number one priority, since they are the future of our community and our country.

DAVID S. MC CABE

AGE: 44

OCCUPATION: Professor
EDUCATION AND QUALIFICATIONS:

Nuevo is my hometown and my entire professional career has been dedicated to children. I have served as a teacher, principal, author, professor of education, and a father.

When I ran for Board in 2010, Nuvview was facing an unprecedented financial crises and had a need for leaders who were committed to providing our children with an outstanding education through fiscal responsibility and making student success the priority in every decision made.

During these trying times, I worked with my colleagues to hire an exemplary superintendent, successfully applied for a literacy grant, reduced class sizes, hired more teachers, increased the classroom supply budget and developed public-private partnerships with companies like Chevron to help our district "go green" and bring an award winning STEM Lab to our district.

My experience as a teacher has helped me to understand the demands of the classroom. My experience as a principal has taught me to manage budgets, personnel and the diverse needs of children. My experience as a college professor has kept me informed regarding the latest trends in education. Finally, my commitment to our children has honored the trust that you have placed in me as a trustee.

EDUCATION AND QUALIFICATIONS:

I'm running for water board because I believe we need someone on the board with experience and training to understand how affordable clean water is delivered to our homes. As a member of the City of Moreno Valley Environmental/Historic Resources Board, and 25 years with City of Riverside Parks Recreation and Community Services Department I have experience working boards and commissions. As a disabled veteran of the Navy I have experience working with water desalinization processes in creating fresh water for ship board needs. I have some fresh ideas on how to recycle waste waste water. I believe the processes of raising water rates and what the money is being used for should be open to the residents and that they should have input into the process.

DAVID J. SLAWSON

AGE: 60

OCCUPATION: Engineering Business Owner

EDUCATION AND QUALIFICATIONS:

As the owner of a civil engineering and land surveying firm in Moreno Valley for almost 29 years, I believe I have the technical and business knowledge necessary to serve as your Director.

Almost 70% of our potable water is imported from northern California, and that water has been reduced by federal court environmental rulings and continued drought. It is, then, imperative that we pursue water use efficiency and local water projects to minimize our reliance on imported water. To achieve these goals I will encourage engineering innovation in the development of cost-effective projects for desalination, groundwater recharge, wastewater reclamation and direct potable reuse.

I have served on the Santa Ana Watershed Project Authority Commission and the California Department of Consumer Affairs Board regulating the practice and licensing of civil engineering and land surveying.

I have a B.S. degree in Business Management and Certificates in Water Supply Operations, Executive Management, and Economic Development.

My wife Erin is a public school teacher and we have 2 children at home, Charlese and Luke. We are all active in our church and our children attend AWANA.

Remember to vote on November 4.

Thank you,

MEASURE “AA” – MT. SAN JACINTO COMMUNITY COLLEGE DISTRICT

EXHIBIT B

FULL TEXT BALLOT PROPOSITION

**MT. SAN JACINTO COMMUNITY COLLEGE DISTRICT
BOND MEASURE ELECTION NOVEMBER 4, 2014**

MT. SAN JACINTO COLLEGE AFFORDABLE EDUCATION AND JOB TRAINING MEASURE. “To expand college buildings serving four-year university transfer, veterans’ education, and career training, by expanding career/support facilities for veterans/military, ensuring buildings are accessible for the disabled, upgrading nursing, emergency responder, criminal justice, vocational job training classrooms, updating science labs, electrical systems, technology infrastructure, acquiring, constructing, and repairing classrooms, facilities, sites/equipment, shall Mt. San Jacinto Community College District issue \$295,000,000 in bonds at legal rates with annual financial audits, citizens’ oversight of funds, all funds remaining local?”

Bonds – Yes

Bonds – No

PROJECTS

The Board of Trustees of the Mt. San Jacinto Community College District, to be responsive to the needs of its community, evaluated Mt. San Jacinto College’s urgent and critical facility needs, and its capacity to provide students, active military and **Veterans** with **support** facilities, an affordable education and prepare them for success in college and careers. Safety issues, enrollment growth, class size reduction and class offerings, and information and computer technology infrastructure were each considered, in developing the scope of projects to be funded, as outlined in the District’s Master Facility Plan, incorporated herein by reference in its entirety (the “Master Plan”), and available for review on the District’s website (www.msji.edu). In developing the scope of projects, the faculty, staff, students and community have prioritized providing **essential job training and workforce preparation skills** students need to **succeed in today’s competitive job market**, and ensuring **buildings** are **accessible** for the disabled, and facilities available to support an **affordable education**, so that the most critical needs that will make the Mt. San Jacinto College an effective place for learning, would be addressed. In the course of developing the Master Plan, public input was received from hundreds of constituents. It was concluded that if these facility needs were not addressed now, the Mt. San Jacinto College would be unable to remain competitive in preparing students for jobs in high demand industries and university transfer. The Board concluded that the longer they waited to repair and upgrade Mt. San Jacinto College, the more expensive it would be. **In implementing the Master Plan the Board of Trustees determines that Mt. San Jacinto College MUST:**

- (i) **Expand career and SUPPORT FACILITIES FOR VETERANS and military personnel;**
- (ii) **Increase workforce preparation skills students need to succeed in today’s job market;**
- (iii) **Ensure BUILDINGS are ACCESSIBLE FOR THE DISABLED;**
- (iv) **Provide AFFORDABLE, LOW-COST, HIGH QUALITY EDUCATION in San Jacinto, Menifee Valley, San Geronio and Temecula, needed to successfully transfer to four-year universities; and**
- (v) **Qualify the College for any available State matching funds; and**
- (vi) **Ensure that the College has the capacity and high quality classrooms and facilities to meet academic needs and demands of its regional students; and**
- (vii) **Adhere to stringent FISCAL ACCOUNTABILITY safeguards including:**
 - (a) **REQUIRE ANNUAL FINANCIAL AUDITS,**
 - (b) **Require citizens’ oversight of all funds,**
 - (c) **No funds will be used for administrators’ salaries and pensions,**
 - (d) **ALL FUNDS WILL BE SUBJECT TO LOCAL CONTROL AND WILL REMAIN LOCAL IN MT. SAN JACINTO COLLEGE.**

The Master Plan is available for review at the Superintendent/President’s office and at www.msji.edu. The following types of projects are authorized to be undertaken at Mt. San Jacinto College facilities in Menifee, Temecula, San Jacinto, San Geronio, as well as at a to be constructed technology campus in the Interstate 15 corridor:

**Academic Facility and Technology Upgrade Projects to Help Students
and Veterans be Trained for Good Jobs**

Goal and Purpose: Because it is extremely hard to get a job in today’s economy, Mt. San Jacinto College must provide the essential job training and workforce preparation skills students need to succeed in to today’s highly competitive job market. **This measure will** expand local education in nursing, science, technology, engineering and math to meet the needs of our local, regional employers and help attract more high paying jobs and businesses to our region.

Mt. San Jacinto College has served thousands of military veterans, many who have recently returned from war zones and face challenges including post-traumatic stress disorder and permanent disabilities. The College is a national leader in helping returning veterans reintegrate with their education and careers, and **this measure will upgrade and expand veteran services and job training so returning service members receive the support they need to complete their education and enter the civilian workforce.**

Thus the District requires FUNDS that ARE LOCALLY CONTROLLED to improve academic facilities and technology implementations which will allow them to continue providing ACCESS TO AFFORDABLE, HIGH QUALITY EDUCATION to local students, active military and veterans, including:

- **Upgrade and expand facilities for career training in well-paying careers and transfer to universities.**
- Expand course opportunities to increase enrollment, classrooms and instructional facilities in nursing, emergency responder, criminal justice, vocational job training classrooms, and other core academic classes.
- **Expand facilities for veterans to provide career training and support services to returning veterans seeking training or retraining to reenter the workforce.**
- Upgrade outdated science, math and computer labs and expand College facilities providing instruction in Science, Technology, Engineering and Math (STEM).
- Install additional technology infrastructure to improve computer technology and Internet access.
- Upgrade outdated job-training classrooms, labs and equipment to provide all students with opportunities to learn job skills.
- Upgrade support facilities for currently active military personnel.
- Upgrade and replace existing information technology infrastructure and network systems to improve efficiency and increase capacity.
- Upgrade and expand telecommunications, Internet and network connections.
- Upgrade and build academic buildings to expand classrooms for career training in science, medical, public safety and other in-demand jobs.
- Upgrade and replace technology, computers, hardware and systems used for job training and retraining programs.

Repair and Construction Projects to Provide Greater Access to an Affordable Education

Goal and Purpose: Since the cost of attending a public university has risen to as much as six (6) times that of attending Mt. San Jacinto College, students rely on Mt. San Jacinto to save as much as \$35,000 in tuition on their way to a four-year degree. Therefore, keeping Mt. San Jacinto's facilities upgraded will best serve all local students, military and veterans who can earn college credits, certificates and job skills at a reasonable price:

- **ENSURE BUILDINGS ARE ACCESSIBLE FOR THE DISABLED.**
- Upgrade aging roofs, bathrooms and disabled accessibility, repair floors, walkways, lighting and electrical systems.
- Construct more classroom space.
- Remove asbestos.
- Upgrade campus facilities to provide improved access, including road and parking upgrades to improve safety, access and traffic flow.
- Improve heating, ventilation, insulation, doors, lighting, and windows to increase energy efficiency and save money.
- Upgrade outdated electrical systems and wiring for computer technology and Internet access.
- Renovate, repair or replace outdated laboratories, classrooms, training centers and support facilities.
- Upgrade and replace classroom instructional equipment.
- Improve student safety, emergency preparedness, and security systems, including lighting, fencing, smoke detectors, fire alarms and sprinklers, gas and sewer lines.

2. **FISCAL ACCOUNTABILITY.** THE EXPENDITURE OF BOND MONEY ON THESE PROJECTS IS SUBJECT TO STRINGENT FINANCIAL ACCOUNTABILITY REQUIREMENTS. THE CITIZENS' OVERSIGHT COMMITTEE MUST INCLUDE, AMONG OTHERS, TWO REPRESENTATIVES OF A BONA FIDE TAXPAYERS ASSOCIATION, ONE REPRESENTATIVE OF A BUSINESS ORGANIZATION AND ONE REPRESENTATIVE OF A SENIOR CITIZENS ORGANIZATION. NO DISTRICT EMPLOYEES OR VENDORS ARE ALLOWED TO SERVE ON THE CITIZENS' OVERSIGHT COMMITTEE.

3. **BOND ISSUANCE LIMITS.**

- (e) Projects shall be evaluated, in part, on their availability to expand capacity for enrollment growth to better serve the community.

The listed projects will be completed as needed. Each project is assumed to include its share of furniture, equipment, architectural, engineering, and similar planning costs, program/project management, staff training expenses and a customary contingency. In addition to the listed projects stated above, authorized projects also include the acquisition of a variety of instructional, maintenance and operational equipment, including the reduction or retirement of outstanding lease obligations and interim funding incurred to advance fund projects from payment of the costs of preparation of all facility planning, facility studies, assessment reviews, facility master plan preparation and updates, environmental studies (including environmental investigation, remediation and monitoring), design and construction documentation, and temporary housing of dislocated college activities caused by construction projects. The allocation of bond proceeds will be affected by the District's receipt of State matching funds and the final costs of each project. In the absence of State matching funds, which the District will aggressively pursue to reduce the District's share of the costs of the projects, the District will not be able to complete some of the projects listed above. Some projects, such as physical education facilities, may be undertaken as joint use projects in cooperation with other local public or non-profit agencies. The budget for each project is an estimate and may be affected by factors beyond the District's control. The final cost of each project will be determined as plans and construction documents are finalized, construction bids are received, construction contracts are awarded and projects are completed. Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed. Demolition of existing facilities and reconstruction of facilities scheduled for repair and upgrade may occur, if the Board determines that such an approach would be more cost-effective in creating more enhanced and operationally efficient campuses. Necessary site preparation/restoration may occur in connection with new construction, renovation or remodeling, or installation or removal of relocatable classrooms, including ingress and egress, removing, replacing, or installing irrigation, utility lines, trees and landscaping, relocating fire access roads, and acquiring any necessary easements, licenses, or rights of way to the property. MEASURE “AA” – MT. SAN JACINTO COMMUNITY COLLEGE DISTRICT

Mt. San Jacinto Community College District 2014 Bond Election Tax Rate Statement

An election will be held in the Mt. San Jacinto Community District (the “District”) on November 4, 2014, to authorize the sale of up to \$295,000,000 in bonds of the District to finance facilities as described in the proposition. If the bonds are approved, the District expects to issue the Bonds in multiple series over time. Principal and interest on the bonds will be payable from the proceeds of tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400 through 9404 of the California Elections Code.

1. The best estimate of the tax which would be required to be levied to fund this bond issue during the first fiscal year after the sale of the first series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is \$0.01320 per \$100 (\$13.20 per \$100,000) of assessed valuation in fiscal year 2015-16.
2. The best estimate of the tax rate which would be required to be levied to fund this bond issue during the first fiscal year after the sale of the last series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is \$0.01320 per \$100 (\$13.20 per \$100,000) of assessed valuation in fiscal year 2024-25.
3. The best estimate of the highest tax rate which would be required to be levied to fund this bond issue, based on estimated assessed valuations available at the time of filing of this statement, is \$0.01320 per \$100 (\$13.20 per \$100,000) of assessed valuation, which is projected to be the same in every fiscal year that the bonds remain outstanding.

Voters should note that estimated tax rates are based on the ASSESSED VALUE of taxable property on the County's official tax rolls, not on the property's market value, which could be more or less than the assessed value. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Certain taxpayers may also be eligible to postpone payment of taxes. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that the foregoing information is based upon the District's projections and estimates only, which are not binding upon the District. The actual tax rates and the years in which they will apply may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The dates of sale and the amount of bonds sold at any given time will be determined by the District based on need for construction funds and other factors. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

Superintendent/President

IMPARTIAL ANALYSIS OF MEASURE “AA”

The Board of Trustees (“Board”) of the Mt. San Jacinto Community College (“District”) by adopting Resolution No. 2014/15-001 (“Resolution”), elected to call an election pursuant to Section 18 of Article XVI and Section 1 of Article XIII A of the California Constitution and Section 15100 and 15624 *et seq.* of the California Education Code to obtain authorization to issue and sell general obligation Bonds (“Bonds”) in the aggregate amount principal amount of two hundred and ninety-five millions dollars (\$295,000,000).

This Measure was placed on the ballot by the Board of the above-identified District.

The Bonds would be used by the District to repair and upgrade campus facilities for career technical education, upgrade classrooms to support programs for veterans and active military personnel, repair and renovate infrastructure to allow access to the disabled, repair, update and modernize infrastructure, including technology, plumbing, electrical, parking and security. The Bonds would not be used to fund the salaries, pensions or benefits of any board members, administrator, and/or teachers or for other school operating expenses.

If Measure “AA” is approved, the Board of the District will appoint a citizens' oversight committee and conduct annual independent audits to assure that bond funds are spent only on the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities, and for no other purposes.

An ad valorem tax would be levied and collected on property within the boundaries of the District to pay the principal and interest on the Bonds.

The Resolution provides that the maximum interest rate on the Bonds will not exceed the maximum interest rate permitted by the applicable laws of the State and the maximum term of the Bonds, or any series thereof, will not exceed 40 years.

Approval of Measure “AA” does not guarantee that the proposed project or projects in the Mt. San Jacinto Community College District that are the subject of the Bonds under Measure “AA” will be funded beyond the local revenues generated by Measure “AA”. The District's proposal for the project or projects may assume the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

For this Measure to be approved fifty-five percent (55%) of qualified voters who vote on the Measure must vote yes.

A “YES” vote on Measure “AA” is a vote to allow the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

A “NO” vote on Measure “AA” is a vote against allowing the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

ARGUMENT IN FAVOR OF MEASURE “AA”

In the last four years, the state has cut millions of dollars from Mt. San Jacinto Community College. We won't stand for this, and can't rely on Sacramento politicians to help our local colleges—vote **YES on “AA”**!

Do you think it's difficult to get a job in today's slowly recovering economy? We sure do! Vote **YES on “AA”** to expand essential job training and workforce preparation skills in nursing, science, technology, engineering and math to meet the needs of our local, regional employers. A skilled workforce helps attract more high paying jobs and businesses to our region.

YES on “AA” ensures that our tax dollars stay local to address our area's educational and job training needs. Sacramento is legally prohibited from taking Measure “AA” funds!

YES on “AA” helps provide job training and education for our returning military veterans. It is shameful how the federal government is treating our war veterans. Mt. San Jacinto College is a national leader in helping returning veterans reintegrate with their education and careers. It upgrades and expands veteran services and job training so returning veterans receive the support they need to complete their education and enter the civilian workforce.

YES on “AA” will:

- Improve our nationally-recognized, award-winning education by expanding our transfer preparation and career training opportunities/increasing partnerships with area employers to fill local job training needs
- Benefit students from EVERY region in the District
- Double the college's student capacity
- Upgrade leaky roofs and bathrooms
- Upgrade outdated nursing labs, paramedic, 9-1-1, law enforcement and job training classrooms
- Ensure disabled accessibility

YES on “AA”'s strict Fiscal Accountability requirements include an expanded Independent Citizens' Oversight Committee and annual financial audits ensuring money is spent as promised. No money will go towards salaries or pensions and ALL money will stay local to address our region's education and job training needs.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “AA”

While State Funding was curtailed following the “Great Recession,” Bond Proponents Falsely Argue that MSJC received only cuts during the past 4 years. Rather, the 2014-15 State Budget increases Funding by almost \$1 Billion, or about 11 Percent over the previous year. “I’m calling it a Grand Slam,” said Scott Lay, President of the Community College League of California, a Nonprofit Association for Community College Districts Statewide. “It freezes tuition and brings us back to the Funding Levels of 2007-2008.” Budget Increases Include:

- \$155.2 Million to fund a 3 percent restoration of access allowing Colleges to add approximately 70,000 students.
- \$48.5 Million to fund a Cost of Living Adjustment of 0.86 percent.
- \$175 Million for deferred maintenance and instructional equipment.
- \$235.6 Million reduction in payment deferrals, combined with \$356.8 million proposed in one-time funds for this purpose.
- \$39 Million in Proposition 39 funds for energy efficiency and workforce development projects.
- \$2.5 Million for local technical assistance supporting implementation of effective student success practices, with priority placed on underperforming districts.
- \$1.1 Million and nine new Chancellor's Office positions to develop student success indicators and monitor College/District performance.
- \$50 Million in one-time funding for incentive awards recognizing models of innovation in Higher Education.
- NO student fee increase for the 2014-15 Academic Year.

State Funding is Rebounding to Pre-Recession Levels. It's the **WRONG** time to Burden Locals with More Debt and Higher Taxes. Please **Vote NO on Measure “AA”**

ARGUMENT AGAINST MEASURE "AA"

A vote in favor of this Controversial Bond Measure means Higher Taxes. Measure "AA" means that **WE** Assume the Obligation to Repay \$Millions of Dollars in Debt issued on behalf of Mt. San Jacinto Community College – in addition to Interest and Debt Servicing – which makes Payback on Bonds as high as 1½ to 2 times the Original Debt. So although MSJC will have roughly \$300 \$Million to Spend, the Money **WE** are Obligated to Repay could reach nearly \$600 \$Million – which Bottom Line remains Unknown because MSJC Neglects to Disclose specifics of this 'Minor' detail. Bond issuers and Wall Street types are Salivating over Stuffing their pockets full of Your Cash.

Measure "AA" also means **OUR** Homes become Collateral for Repayment of these Bonds. Bond Holders gain a legal Right to Foreclose and Auction off **OUR** Homes to Secure Debt Payments in event of Default. So if You become short on Funds and choose "Extravagances" such as food, clothing, health care, rent, car payments or gasoline over Repaying MSJC's Bond, You will risk Foreclosure and having Your Home Sold off at a Public Auction to Repay Bonded Indebtedness.

Measure "AA" is swirling in Controversy even before ink dries on the ballots. The MSJC Board of Trustees could Not even reach a consensus on their Decision to load You Down with more Debt. The vote was 4-1, with Trustee Eugene Kadow voting **NO on Bonds**.

MSJC is among the Lowest performing Junior Colleges Statewide. They manage resources Poorly and have left \$Millions in State Funding on the table by Failing to increase Class Sections. Now they want You to Backfill their Underperformance with Bonds – Adding ways for You to Lose your \$Money and Possibly even Your Home. Enough is enough. StopTheMoneyGrab.com

MEASURE "I" – CITY OF MORENO VALLEY

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, AMENDING CHAPTER 2.04 OF THE MORENO VALLEY MUNICIPAL CODE PERTAINING TO TERM LIMITS FOR MEMBERS OF THE CITY COUNCIL

The City Council of the City of Moreno Valley does ordain as follows:

SECTION 1.

Moreno Valley Municipal Code, Chapter 2.04, "Council," is amended to add Section 2.04.025 to read as follows:

2.04.025 Term Limits.

Any person who shall have served three (3) successive terms as a member of the City Council shall be ineligible to serve again in the office until an intervening period of two (2) years has elapsed. For the purposes hereof, any person who serves as a Councilmember for two (2) years or more of an appointed or elected term shall be considered to have served a term. Neither terms completed prior to this provision taking effect nor terms that are in progress at the time this provision takes effect shall count toward the three (3) term limit.

SECTION 2. EFFECT OF ENACTMENT:

Except as specifically provided herein, nothing contained in this ordinance shall be deemed to modify or supersede any prior enactment of the City Council which addresses the same subject addressed herein. If any provision of this ordinance or the application thereof to any person or circumstance is held invalid, the remainder of this ordinance, including the application of such part or provision to other persons or circumstances shall not be affected thereby and shall continue in full force and effect. To this end, provisions of this ordinance are severable. The City Council of the City of Moreno Valley hereby declares that it would have adopted each section, subsection, subdivision, paragraph, sentence, clause, or phrase hereof irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses, or phrases be held unconstitutional, invalid, or unenforceable.

SECTION 3. NOTICE OF ADOPTION:

Within fifteen days after the date of adoption hereof, the City Clerk shall certify to the adoption of this ordinance and cause it to be posted in three public places within the city. Upon adoption of this ordinance pursuant to the voter approval referenced in Resolution No. 2014-35, the City Clerk, in consultation with the City Attorney, is hereby authorized and directed to codify this ordinance in the Moreno Valley Municipal Code.

SECTION 4. EFFECTIVE DATE:

IMPARTIAL ANALYSIS OF MEASURE "I"

Councilmembers in the City of Moreno Valley are elected for four year terms. Under current law, there is no limit on the number of terms an individual may serve as a councilmember.

Voters may impose term limits on city councilmembers. Measure "I", if adopted by a simple majority vote of the people, will impose term limits on councilmembers and would prohibit a councilmember from serving more than three successive four-year terms until an intervening period of two years has elapsed. Appointment to fill a vacancy on the City Council will count as serving for a full four-year term if the appointed councilmember serves two or more years on the City Council.

Measure "I" was placed on the ballot by the City Council. If adopted by the voters, the proposed ordinance will take effect ten (10) days after the results of the election are certified by the City Council. If the proposed ordinance is adopted, term limits would apply prospectively, meaning that council terms in progress or completed before the effective date of the ordinance would not count toward the three-term limit.

If Measure "I" passes, the term limits ordinance can only be amended by the voters. If Measure "I" fails, there will continue to be no limit on the number of terms an individual may serve as a councilmember.

The above statement is an impartial analysis of Measure "I". If you desire a copy of the ordinance or measure, please call the City Clerk's Office at (951) 413-3001 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE "I"

The question of term limits is not new. The reason we should have term limits is "in free governments the rulers are the servants and the people are their superiors. "For the former to return among the latter does not degrade but promote them." It was Benjamin Franklin who summed up this best case more than two centuries ago.

The founding fathers did not want a monarchy; they wanted a government "by the people". Without the necessary restrictions of term limits, "The people" would soon devolve down to a very small, very powerful, very rich group of elites.

Local politics at the city and county level may not have as many branches, but they serve the same purpose. The city council is supposed to be made up of its constituents, who are drafted out of their local population to serve.

Term limits serve as the best buffer to keep those career-minded types from gumming up the system, which is why term limits are so very important.

A politician working without term limits is a politician working purely on re-election and amassing power.

If regular people are allowed the opportunity to run for office on a level playing field, term limits wouldn't be needed.

Regardless of how you vote, we the People will decide. Your decision will count and be respected.

Term limits

The Concerned Citizens of Moreno Valley were involved in gathering signatures to recall the entire Moreno Valley City council because they were targets of an extensive criminal investigative probe by the FBI Criminal Political Corruption Task Force for using their position for personal gains. Some of these same individuals have decided to place Measure "I" and Measure "R" on the ballot for your approval. They cannot be trusted. They must clear themselves of the corruption allegations and regain the trust of the citizens of Moreno Valley before proposing any measure that impacts the leadership structure and our quality of life within Moreno Valley.

Measure "I" is fraudulent. The purpose of term limits is to remove entrenched power and reduce the influence of money and special interest in politics.

We support real term limits such as 2 four year terms (8 years). The president of the United States of America can only serve 2 four year terms.

Murrieta successfully passed Measure "C" (November 2010) by 67% of the votes so that elected official can only serve two consecutive terms.

We ask you to vote NO on Measure "I".

ARGUMENT AGAINST MEASURE “I”

Please vote no on Measure “I” because this ballot measure does not limit the number of terms that a city council person can be elected. The title of this initiative is misleading. This measure merely requires a 2 year break after each 12 years served but it does not limit the number of terms a person can be on the council. This measure was written without consideration of public input or the public's opinion and Moreno Valley voters deserve better.

If these “term limits” were implemented, a councilperson would still be able to serve 24 out of 26 years, 36 out of 40 years or even 48 out of 54 years. This is a poor excuse for term limits and Moreno Valley voters should reject it. Measure “I” is fraudulent and does not represent the real purpose of term limits which is to remove entrenched power and reduce the influence of money and special interests from our elected leaders.

We are in support of real term limits such as 2 four year terms (8 years) or 3 four year terms (12 years) as a lifetime limit. The president of the USA can only serve 2 four year terms. The City of Murrieta successfully passed Measure “C” in November of 2010 with 67% of the vote to limit the City Council to no more than two consecutive terms in office.

We are in favor of real term limits but this does not accomplish the task. Please let the majority of Moreno Valley City Council know they can't fool the voters by giving them a measure that doesn't do what it claims to do.

REBUTTAL TO ARGUMENT AGAINST MEASURE “I”

Voting Yes on Measure “I”, to have term limits will level the playing field.

The opposition claim that this measure is not absolute and they can run again in two years. By having a break in the election this helps in giving an exceptional councilmember a chance to run again, the mediocre ones will be weeded out.

Currently council members who hold office for long periods becoming out of touch with the citizens that elected them. Currently they amass power and influence, that eventually leads them to an oligarchy, and susceptible to corruption. This is evident of many city councils and county governments.

With this ballot measure you the people will have a chance to decide the term limits. Please stop the oligarchy. “Government by the people for the people.”

Ultimately it is your decision and it will be respected.

ORDINANCE NO. 879

WHEREAS, on November 6, 1984, the voters approved Measure "F", providing for the incorporation of the City of Moreno Valley with a five (5) member City Council elected at large; and

WHEREAS, on November 6, 1984, the voters approved Measure "G", providing that members of the City Council would be elected "by districts," meaning that each member of the City Council is elected by voters who only reside within each of five districts; and

WHEREAS, on November 2, 2010, the City Council placed two advisory questions on the municipal general election ballot, the first of which asked voters if they support the change from an appointed Mayor to an elected Mayor, and the second of which asked voters if, whether or not they support such a change, the City Council should call a binding election to decide the issue, and a majority of voters voted "yes" on each question; and

WHEREAS, the City Council desires to place these questions on the ballot during the statewide election conducted the first Tuesday after the first Monday in November of this year; and

WHEREAS, this ordinance shall take effect thirty (30) days after its adoption by a majority of the voters of the City of Moreno Valley, and shall only take effect if, prior to submission of this ordinance to the voters for their approval, the City's Planning Commission adopts a resolution making those findings required by California Government Code section 34875.

The City Council of the City of Moreno Valley does ordain as follows:

SECTION 1.

Moreno Valley Municipal Code, Chapter 2.04, "Council," is amended to add Section 2.04.005 to read as follows:

SECTION 2.

Chapter 2.04, "Commission Appointments," of the Moreno Valley Municipal Code, is amended at Section 2.04.060 to read as follows:

SECTION 3.

Chapter 2.06, "Boards and Commissions-General Provisions," of the Moreno Valley Municipal Code, is amended at Section 2.06.010 to read as follows:

2.06.010 General Rules Regarding Appointments, Terms, Vacancies.

- A. Unless otherwise provided by law or by ordinance or resolution, all members of boards and commissions of the city shall be appointed by the mayor with the approval of the city council for three-year terms commencing as of July 1st of the year of appointment; provided, that interim vacancies shall be filled by appointment to the specific unexpired term of the member replaced. This rule shall not apply to newly established boards or commissions, the initial appointments to which shall be made on a staggered-term basis, provided that the longest such term shall not exceed three years, commencing with the July 1st next following the appointment.

- B. Unless otherwise provided by law, and notwithstanding that an ordinance or resolution establishing a board or commission may fail to so provide, then in addition to the number of members of a board or commission set forth in the enactment establishing such board or commission, the mayor may, with the approval of the city council and in his or her discretion, appoint one or more alternate members to each board or commission. During their incumbency as such, alternate members shall have no vote in the proceedings of the board or commission. If a member is absent without advance permission of the board or commission or of the appointing authority, from three regular meetings or from twenty-five (25) percent of the duly scheduled meetings of the board or commission within any fiscal year, the membership shall thereupon become vacant and shall be filled as any other vacancy.
- D. - E. Unless otherwise specifically provided by the action establishing the body or appointing its initial members, no person shall be at the same time a member of more than one citizens advisory body created by ordinance or resolution of the city council.

SECTION 4.

If the majority of Moreno Valley voters approve the measure concerning the direct election of the mayor and the reapportionment of councilmanic districts as set forth in Exhibit A (attached hereto and incorporated herein by this reference), Resolution No. 2011-107 shall be repealed and in place of Resolution No. 2011-07, new district boundaries and the designation of each of the four (4) council districts as set forth in Exhibit A including a map of the districts will be adopted. If the measure is approved, the councilmanic office previously designated as District 5 will be designated as the office of the mayor and the voters of the entire city will directly elect the mayor in the municipal general election of 2016. Districts 1 and 3 will elect Councilmembers in 2016 and Districts 2 and 4 will elect Councilmembers in 2018.

SECTION 5.

This ordinance is hereby adopted and submitted to the City Clerk, who is directed to transmit the ordinance to the Planning Commission to make findings by resolution as to the matters set forth in California Government Code section 34875. SECTION 6.

This ordinance shall take effect thirty (30) days after its adoption by a majority of the voters of the City of Moreno Valley, and shall only take effect if, prior to submission of this ordinance to the voters for their approval, the City's Planning Commission adopts a resolution making those findings required by California Government Code section 34875.

IMPARTIAL ANALYSIS OF MEASURE "R"

Background

Measure "R" is one of three ballot measures placed on the ballot by the City Council related to establishing a directly elected mayor of the City of Moreno Valley ("City"). Since incorporation as a general law city, the City has been governed by a five-member Council and the Council selects one of its members to serve as mayor for the next year. The mayor serves as the presiding officer of Council meetings, performs certain ceremonial functions, performs limited administrative duties such as signing Council approved contracts and adopted resolutions and ordinances.

As a general law city seeking to create the office of an elected mayor, State law requires that three separate but related questions be posed to the voters.

- (1) Measure "R" will ask whether the mayor of the City of Moreno Valley should be elected on a citywide basis and that the Council members be elected by 4 districts?
- (2) Measure "S" asks whether the term of office of mayor should be two years?
- (3) Measure "T" asks whether the term of office of mayor should be four years?

Powers and Duties of an Elected Mayor:

If passed, Measure "R" would designate the office of elected mayor in the City in place of one of the existing Council seats beginning in November of 2016, when the next general election for the City is scheduled. So the City would change from having a City Council elected by five (5) districts to having a City Council elected by four (4) districts and a city wide election for the mayor.

The office of elected mayor in a general law city has all the same powers and duties as a City Council member and would also make all appointments to boards, commissions, and committees (unless otherwise specified by state law) subject to the approval of the Council.

Measure "R" requires a simple majority vote to pass. Either Measure "S" or "T" shall determine the term of office, which would begin upon the seating of the new Council in November 2016.

The above statement is an impartial analysis of Measure "R". If you desire a copy of the ordinance or measure, please call the City Clerk's Office at (951) 413-3001 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE "R"

PUT RESIDENTS IN CHARGE NOT POLITICIANS

Those opposing Measure "R" want politicians to continue to choose Moreno Valley's "Ceremonial Mayor" amongst themselves. Opponents say the current system is "not broken" and "the measure gives too much power to the Mayor."

NOTHING COULD BE FURTHER FROM THE TRUTH.

The Mayor's powers are essentially unchanged. The City Manager is in charge of the day-to-day operations of the city and there are major problems with the current system:

- Rotating the Mayor every year weakens the Mayor's ability to effectively represent Moreno Valley's interest with other governmental agencies. Some projects require the Mayor's attention for more than a year's time.
- The ceremonial selection of the Mayor prohibits residents from participating in the election of the primary representative of their city.
- Currently Mayors are councilmembers who are responsible to only their district's interest but must weigh decisions affecting the interest of the entire city. Oftentimes they're at odds.
- The ceremonial "my turn" selection of the mayor fails to provide for a consensus making leader that is accountable to residents citywide.

MORENO VALLEY RESIDENTS KNOW WHAT'S BEST

In a 2010 non-binding referendum, over 80% of voters supported a citywide elected Mayor. Despite overwhelming support it wasn't economically feasible to place this issue on the ballot. The voters felt ignored. The time to elect our Mayor is NOW!

The campaign for citywide Mayor will focus debate on citywide issues and increase voter participation.

- The Mayor will serve as an elected official answerable to a citywide constituency.
- A citywide elected Mayor with a four year term will significantly enhance the stature of the Mayor in dealings with outside government agencies.

YOUR MAYOR SHOULD BE ACCOUNTABLE TO YOU!

THE TIME HAS COME FOR MORENO VALLEY TO HAVE AN ELECTED MAYOR!

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE "R"

WE DO NOT OPPOSE HAVING THE PEOPLE ELECT OUR MAYOR.

WE OPPOSE THIS POORLY DRAFTED MEASURE.

Our opponents claim this measure does not change the Mayor's powers. **That is untrue.** Currently, the entire Council screens applicants for boards and commissions. This measure gives the Mayor sole power to choose board and commission members. The illegal appointment of the recently removed District 4 Councilman illustrates the potential negative outcome of such power.

This measure reduces the number of Councilmembers and Districts from five to four. Many residents support increasing the number of Districts in our growing City. Our opponents claim a larger Council would cost more. **That is untrue.** Pay and benefits for each Councilmember currently total about \$40,000 per year. Splitting the \$200,000 salary budget between six Councilmembers and a Mayor leaves pay of about \$30,000 per year.

Our opponents claim an appointed mayor is weak and ineffective. **That is untrue.** The Mayor, whether elected or appointed, creates their own success.

This measure reflects the dishonest character of the politicians behind it, who are being recalled and investigated for corruption. The recently recalled Mayor initiated this measure and the illegally appointed District 4 Councilman supported it. Only two of the current Councilmembers support this measure, and one of them faces recall in November.

THIS MEASURE WOULD NOT BE EFFECTIVE UNTIL 2016. WE HAVE TIME TO DEVELOP A BETTER MEASURE WITH THE NEW COUNCIL THAT WILL BE IN PLACE AFTER THE NOVEMBER ELECTION.

ARGUMENT AGAINST MEASURE "R"

PLEASE VOTE **NO** ON MEASURE "R"!

In 2010 the voters were asked if they want a directly-elected Mayor. They answered that question, without having been provided all the facts. The Council majority claims this new measure simply fulfills the voters' 2010 decision. This rushed and hushed measure is very different from what the voters expected in 2010 and includes many hidden provisions that are not in the long-term best interests of the City of Moreno Valley.

- **This measure reduces representation.** This measure combines five existing Council Districts into four substantially larger districts. Each Councilmember will represent about 10,000 more people.
- **This measure silences the People in deciding the number of Council Districts.** The law allows four, six or eight Council districts with a directly-elected Mayor. The Council majority decided on four Districts, without giving you a choice.
- **Your Council representative may change in December even though your District is not voting in this election.** This measure includes a redistricting element that is not openly disclosed. Reorganizing the five existing Districts into four creates new voting boundaries. The shuffling of Council District boundaries disrupts election cycles such that **some areas that last voted in 2012 will not vote again until 2018.**
- **The People deserve more opportunity for participation, not less.** If this measure passes, the Mayor will choose all commission and board appointees.

We support the People's right to determine how they should be governed. This measure is typical of problems in Moreno Valley government that led to the recalls and the ongoing corruption investigation.

If this ill-conceived measure passes, it will be difficult to repair the damage. The People would have to force another election to undo the reduction in the number of Council seats and the related redistricting.

REBUTTAL TO ARGUMENT AGAINST MEASURE "R"

The benefits of having a directly elected Mayor is not a new question.

Since 2001, it has been discussed but no one had the guts to bring it forward to the voters. At a April 24, 2001 council meeting, there were talks of petitioning for a directly appointed Mayor by a citizen and encouraged by the Mayor, with no action taken.

In June 2007, discussed at a study session, the mayor issue was brought forward by Council Members , again, no action.

Currently in the round robin selection, the Mayor is accountable to his constituents and has a tendency to be "biased" in his district. This is obvious. In 2010, the city of Murrieta saw this and corrected it.

A two year term everyone has the choice to elect their representatives, you do not have that opportunity now.

A four year term during the presidential election, can also work, but it's up to you the voter to decide.

Under this proposal, you will double your elected representation, which make them both accountable to you, the voter.

In November 2010, Measure "N" asked the voters of Moreno Valley if they support changing to an elected Mayor, it was overwhelmingly approved. It is time to take action!

Regardless of past discussions, this issue has come before the citizens to decide.

IMPARTIAL ANALYSIS OF MEASURE "S"

NO ARGUMENTS FILED IN FAVOR OR AGAINST MEASURE "S"

Background

Measure "S" is one of three ballot measures placed on the ballot by the City Council related to establishing a directly elected mayor for the City of Moreno Valley ("City"). Since incorporation as a general law city, the City has been governed by a five-member Council, and the Council selects one of its members to serve as mayor for the next year.

As a general law city seeking to create the office of an elected mayor, State law requires that three separate but related questions be posed to the voters.

- (1) Measure "R" will ask whether the mayor of the City of Moreno Valley should be elected on a citywide basis and that the Council members be elected by 4 districts?
- (2) Measure "S" asks whether the term of office of mayor should be two years?
- (3) Measure "T" asks whether the term of office of mayor should be four years?

Effect

Measure "S" is a companion proposition to Measures "R" and "T". The passage of Measure "S" would set the term for an elected mayor at two years only if both of the following occur:

- (1) A majority of voters approve Measure "R" to establish the office of an elected mayor in the City; and
- (2) This Measure "S" (the two-year term of office measure) receives more votes than Measure "T" (the four-year term of office measure).

If passed, the first opportunity to elect the mayor would be in November of 2016, when the next general election for the City is scheduled.

The above statement is an impartial analysis of Measure "S". If you desire a copy of the measure, please call the City Clerk's Office at (951) 413-3001 and a copy will be mailed at no cost to you.

NO ARGUMENTS FILED IN FAVOR OR AGAINST MEASURE "T"

Background

Measure "T" is one of three ballot measures placed on the ballot by the City Council related to establishing a directly elected mayor of the City of Moreno Valley ("City"). Since incorporation as a general law city, the City has been governed by a five-member Council, and the Council selects one of its members to serve as mayor for the next year.

As a general law city seeking to create the office of an elected mayor, State law requires that three separate but related questions be posed to the voters.

- (1) Measure "R" will ask whether the mayor of the City of Moreno Valley should be elected on a citywide basis and that the Council members be elected by 4 districts?
- (2) Measure "S" asks whether the term of office of mayor should be two years?
- (3) Measure "T" asks whether the term of office of mayor should be four years?

Effect

Measure "T" is a companion proposition to Measures "R" and "S". The passage of Measure "T" would set the term for an elected mayor at four years only if both of the following occur:

- (1) A majority of voters approve Measure "R" to establish the office of an elected mayor in the City; and
- (2) This Measure "T" (the four-year term of office measure) receives more votes than Measure "S" (the two-year term of office measure).

If passed, the first opportunity to elect the mayor would be in November of 2016, when the next general election for the City is scheduled.

The above statement is an impartial analysis of Measure "T". If you desire a copy of the measure, please call the City Clerk's Office at (951) 413-3001 and a copy will be mailed at no cost to you.
