Elections in California

The Top Two Candidates Open Primary Act, which took effect January 1, 2011, requires that all candidates for a voter-nominated office be listed on the same ballot. Voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate, regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election regardless of vote totals. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held. Even if there are only two candidates for an office in the open primary, a general election for that office is still required.

California's open primary system does not apply to candidates running for local offices.

California law requires that the following information be printed in this pamphlet.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Redistricting

New electoral district boundaries are drawn every 10 years in order to equalize district populations. Boundaries for the congressional, state legislative, and county supervisorial districts are now different. Boundary changes also apply to any city, school district, or special district that votes by trustee areas or divisions. To see the new district maps, visit the Registrar of Voters website at www.voteinfo.net.

HOW TO MARK YOUR PAPER BALLOT

Please refer to the following instructions on how to properly complete your official ballot:

- ▶ Connect the head and tail of the arrow that points to your choice like the example provided.
- ▶ Check both front and back of ballot for voting contests.
- ▶ Use a black ball point pen. Do not use felt tip, red or gel ink.
- ▶ One line connecting the arrow is preferred.
- ▶ Vote for no more than the number of votes allowed in each contest (e.g. vote for one, vote for no more than two, etc.).
- ▶ Please keep the vote-by-mail ballot folded the same way you received it.

STEVE ADAMS, Republican

AGE: 61

**OCCUPATION: Councilman / Retired Policeman
EDUCATION AND QUALIFICATIONS:**

As a Riverside resident since 1958, a retired Riverside Police Officer, a small business owner, and 3rd term Riverside City Councilman, I am uniquely aware of the issues facing the residents of the 41st District.

Over-regulation from Congress and Washington politicians is restraining economic growth, stifling job creation hurting the residents of the 41st. We need and deserve better than single issue politicians with extreme agendas.

As a three-term Councilman, I've been intricately involved in the betterment of my community. I was successful in helping make Riverside #1 in the Nation in new jobs and top 8 places to be. I was part of the team that brought in the UC Riverside Medical School, bringing quality jobs and millions of dollars to our economy. I will continue to do this for the 41st District.

An uncontrolled border has negatively impacted our lives; jobs, economy, education, crime, hospitals and more. We must stop the human trafficking, victimizing children and women and the flow of drugs and criminals into our cities. The first step is a secure and safe boarder for legal entry. I will go to Congress to help broker real solutions and break the gridlock and partisanship that has plagued this country for the past six years.

Our region has experienced tremendous growth over the years, straining our infrastructure and roadways. Serving on local, state and national transportation committees I know the issues and offer real solutions that I will take to Washington and fight for our region.

MARK TAKANO, Democratic

AGE: 53

**OCCUPATION: United States Representative / Teacher
EDUCATION AND QUALIFICATIONS:**

Dear Neighbor,

Congress is broken, and I have used my first term in office fighting for the commonsense reforms we all know it desperately needs.

As your Representative, I have fought for the middle class, worked to create good paying jobs in the Inland Empire, and stood up to the leaders of both parties to protect Social Security and Medicare.

Over the past two years, my office has secured more than \$1 million in benefits owed to veterans and held several town hall meetings to understand local priorities. I introduced legislation to strengthen and improve school curriculum, increase business participation in job training programs, make it easier for veterans to go back to school, and support the creation of advanced manufacturing jobs.

I will continue to fight for the middle class by supporting job-creating local investments like the UC Riverside Medical School and I'll stand up against tax cuts for billionaires and corporations that want to ship American jobs overseas.

Prior to being elected to the House of Representatives, I dedicated my life to public service as a high school teacher and Riverside Community College Trustee. Those roles prepared me to be an effective advocate for local schools, businesses, veterans, seniors, and middle class families.

I am proud to have the support of local leaders from throughout Riverside, Moreno Valley, Jurupa Valley, and Perris.

I respectfully ask for your vote on November 4th so we can continue to grow our economy and fix Congress.

OCCUPATION: Retired LAPD
EDUCATION AND QUALIFICATIONS:

My name is Rudy Aranda, and I respectfully ask for your vote.

I have dedicated my life to public service, and I would be honored to serve you as your next Assemblyman.

As a young man, I couldn't sit in class doing nothing while my country was at war. I had to do something. I joined the Army and proudly served in Vietnam.

After the military, I joined the Los Angeles Police Department where I was proud "to protect and to serve" for over 28 years.

All my adult life I have served my country and community with honor and integrity. I will take that honor and integrity with me to Sacramento, and I will work to bring back common sense to state government with my guiding principle being: "What is best for California?"

California faces many challenges. The Inland Empire needs jobs. Our communities need to be safe. Our students need quality education. Taxpayers need relief from excessive taxes, and our state needs a reliable sources of water during this prolonged drought and beyond. These issues, and others, have been ignored for too long and will only be resolved with a common sense approach and cooperation from all stakeholders.

Also, as veteran, I will be the voice and advocate for California veterans and their families in Sacramento.

Let's get California moving again. I ask for your vote on November 4th.

A society with only doctors would crumble, we also need teachers, janitors and all the other careers, in order to prosper. The question they need to ask themselves is what do they want to do and how are they going accomplish it.

Growing up in Central California, I worked in agricultural farms in the summers, an experience that taught me to value education and my community. I earned my bachelors from UC Riverside and my master in Educational Counseling from the University of Redlands.

California has faced a financial crisis over the years. Our school system was broken. Budgets were slashed. Teachers and support staff were laid off. Programs were cut. Many lost faith in the public school system.

Yet, Val Verde improved test scores. From the worst in Riverside County to a top six district of choice.

Today, we hold the highest attendance rate at 96%, the lowest truancy rate, and our graduation rate is at 90.2%.

I've kept my promise to improve test scores at Val Verde, and I've supported a technology driven education utilizing computers to engage students.

Our world is changing. Education is changing.

Our new high school is under construction and will open in 2016 with a focus on Science, Technology, Engineering, Arts, and Math (STEAM) program.

Inspiring students to learn through discovery while encouraging them to reach their full potential.

Our students and our community deserve that.

Great teachers, safe schools, the latest in technology, and a new high school.

The very foundation to live a prosperous life in a community of progress and growth.

MEASURE "I" – CITY OF MORENO VALLEY

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, AMENDING CHAPTER 2.04 OF THE MORENO VALLEY MUNICIPAL CODE PERTAINING TO TERM LIMITS FOR MEMBERS OF THE CITY COUNCIL

The City Council of the City of Moreno Valley does ordain as follows:

SECTION 1.

Moreno Valley Municipal Code, Chapter 2.04, "Council," is amended to add Section 2.04.025 to read as follows:

2.04.025 Term Limits.

Any person who shall have served three (3) successive terms as a member of the City Council shall be ineligible to serve again in the office until an intervening period of two (2) years has elapsed. For the purposes hereof, any person who serves as a Councilmember for two (2) years or more of an appointed or elected term shall be considered to have served a term. Neither terms completed prior to this provision taking effect nor terms that are in progress at the time this provision takes effect shall count toward the three (3) term limit.

SECTION 2. EFFECT OF ENACTMENT:

Except as specifically provided herein, nothing contained in this ordinance shall be deemed to modify or supersede any prior enactment of the City Council which addresses the same subject addressed herein. If any provision of this ordinance or the application thereof to any person or circumstance is held invalid, the remainder of this ordinance, including the application of such part or provision to other persons or circumstances shall not be affected thereby and shall continue in full force and effect. To this end, provisions of this ordinance are severable. The City Council of the City of Moreno Valley hereby declares that it would have adopted each section, subsection, subdivision, paragraph, sentence, clause, or phrase hereof irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses, or phrases be held unconstitutional, invalid, or unenforceable.

ATTEST:

City Clerk

Mayor

APPROVED AS TO FORM:

City Attorney

IMPARTIAL ANALYSIS OF MEASURE "I"

Councilmembers in the City of Moreno Valley are elected for four year terms. Under current law, there is no limit on the number of terms an individual may serve as a councilmember.

Voters may impose term limits on city councilmembers. Measure "I", if adopted by a simple majority vote of the people, will impose term limits on councilmembers and would prohibit a councilmember from serving more than three successive four-year terms until an intervening period of two years has elapsed. Appointment to fill a vacancy on the City Council will count as serving for a full four-year term if the appointed councilmember serves two or more years on the City Council.

Measure "I" was placed on the ballot by the City Council. If adopted by the voters, the proposed ordinance will take effect ten (10) days after the results of the election are certified by the City Council. If the proposed ordinance is adopted, term limits would apply prospectively, meaning that council terms in progress or completed before the effective date of the ordinance would not count toward the three-term limit.

If Measure "I" passes, the term limits ordinance can only be amended by the voters. If Measure "I" fails, there will continue to be no limit on the number of terms an individual may serve as a councilmember.

The above statement is an impartial analysis of Measure "I". If you desire a copy of the ordinance or measure, please call the City Clerk's Office at (951) 413-3001 and a copy will be mailed at no cost to you.

By: City Attorney

ARGUMENT IN FAVOR OF MEASURE "I"

The question of term limits is not new. The reason we should have term limits is "in free governments the rulers are the servants and the people are their superiors. "For the former to return among the latter does not degrade but promote them." It was Benjamin Franklin who summed up this best case more than two centuries ago.

The founding fathers did not want a monarchy; they wanted a government "by the people". Without the necessary restrictions of term limits, "The people" would soon devolve down to a very small, very powerful, very rich group of elites.

Local politics at the city and county level may not have as many branches, but they serve the same purpose. The city council is supposed to be made up of its constituents, who are drafted out of their local population to serve.

Term limits serve as the best buffer to keep those career-minded types from gumming up the system, which is why term limits are so very important.

A politician working without term limits is a politician working purely on re-election and amassing power.

If regular people are allowed the opportunity to run for office on a level playing field, term limits wouldn't be needed.

Regardless of how you vote, we the People will decide. Your decision will count and be respected.

Vote "YES" on Measure "I"

By: Jesse L. Molina, Mayor Moreno Valley
Lidia Molina

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE "I"

Term limits

The Concerned Citizens of Moreno Valley were involved in gathering signatures to recall the entire Moreno Valley City council because they were targets of an extensive criminal investigative probe by the FBI Criminal Political Corruption Task Force for using their position for personal gains. Some of these same individuals have decided to place Measure "I" and Measure "R" on the ballot for your approval. They cannot be trusted. They must clear themselves of the corruption allegations and regain the trust of the citizens of Moreno Valley before proposing any measure that impacts the leadership structure and our quality of life within Moreno Valley.

Measure "I" is fraudulent. The purpose of term limits is to remove entrenched power and reduce the influence of money and special interest in politics.

We support real term limits such as 2 four year terms (8 years). The president of the United States of America can only serve 2 four year terms.

Murrieta successfully passed Measure "C" (November 2010) by 67% of the votes so that elected official can only serve two consecutive terms.

We ask you to vote NO on Measure "I".

By: Craig R. Givens, Concerned Citizens of Moreno Valley Advocacy Group

Curtis L. Gardner, Concerned Citizens of Moreno Valley Advocacy Group

ARGUMENT AGAINST MEASURE “I”

Please vote no on Measure “I” because this ballot measure does not limit the number of terms that a city council person can be elected. The title of this initiative is misleading. This measure merely requires a 2 year break after each 12 years served but it does not limit the number of terms a person can be on the council. This measure was written without consideration of public input or the public's opinion and Moreno Valley voters deserve better.

If these “term limits” were implemented, a councilperson would still be able to serve 24 out of 26 years, 36 out of 40 years or even 48 out of 54 years. This is a poor excuse for term limits and Moreno Valley voters should reject it. Measure “I” is fraudulent and does not represent the real purpose of term limits which is to remove entrenched power and reduce the influence of money and special interests from our elected leaders.

We are in support of real term limits such as 2 four year terms (8 years) or 3 four year terms (12 years) as a lifetime limit. The president of the USA can only serve 2 four year terms. The City of Murrieta successfully passed Measure “C” in November of 2010 with 67% of the vote to limit the City Council to no more than two consecutive terms in office.

We are in favor of real term limits but this does not accomplish the task. Please let the majority of Moreno Valley City Council know they can't fool the voters by giving them a measure that doesn't do what it claims to do.

By: Deanna Reeder, Stop Votes For Sale Network

Craig R. Givens, Concerned Citizens of Moreno Valley
Advocacy Group

Curtis L. Gardner, Concerned Citizens of Moreno Valley
Advocacy Group

REBUTTAL TO ARGUMENT AGAINST MEASURE “I”

Voting Yes on Measure “I”, to have term limits will level the playing field.

The opposition claim that this measure is not absolute and they can run again in two years. By having a break in the election this helps in giving an exceptional councilmember a chance to run again, the mediocre ones will be weeded out.

Currently council members who hold office for long periods becoming out of touch with the citizens that elected them. Currently they amass power and influence, that eventually leads them to an oligarchy, and susceptible to corruption. This is evident of many city councils and county governments.

With this ballot measure you the people will have a chance to decide the term limits. Please stop the oligarchy. “Government by the people for the people.”

Ultimately it is your decision and it will be respected.

WHEREAS, California Government Code section 34900 *et seq.*, authorizes the City Council to submit to the voters the question of whether the voters shall elect a Mayor and four (4) City Councilmembers, and whether the Mayor shall serve a two-year term or four-year term; and

WHEREAS, on November 2, 2010, the City Council placed two advisory questions on the municipal general election ballot, the first of which asked voters if they support the change from an appointed Mayor to an elected Mayor, and the second of which asked voters if, whether or not they support such a change, the City Council should call a binding election to decide the issue, and a majority of voters voted "yes" on each question; and

WHEREAS, the City Council desires to place these questions on the ballot during the statewide election conducted the first Tuesday after the first Monday in November of this year; and

WHEREAS, this ordinance shall take effect thirty (30) days after its adoption by a majority of the voters of the City of Moreno Valley, and shall only take effect if, prior to submission of this ordinance to the voters for their approval, the City's Planning Commission adopts a resolution making those findings required by California Government Code section 34875.

The City Council of the City of Moreno Valley does ordain as follows:

SECTION 1.

Moreno Valley Municipal Code, Chapter 2.04, "Council," is amended to add Section 2.04.005 to read as follows:

2.04.005 Mayor and Councilmembers.

- (a) The electors shall elect a mayor and four (4) councilmembers.
- (b) The council shall consist of the mayor and four (4) councilmembers.
- (c) The term of the office of mayor shall be that preferred by a majority of those voting on the proposition approving the election of the mayor, and the term of office of each councilmember shall be four (4) years.
- (d) Councilmembers shall be elected "by district" as that term is defined in Government Code section 34871.

SECTION 2.

Chapter 2.04, "Commission Appointments," of the Moreno Valley Municipal Code, is amended at Section 2.04.060 to read as follows:

2.04.060 Commission Appointments.

Unless otherwise specifically provided in this code or by state law, all city board, commission and committee appointments shall be made by the mayor with the approval of the city council.

SECTION 3.

Chapter 2.06, "Boards and Commissions-General Provisions," of the Moreno Valley Municipal Code, is amended at Section 2.06.010 to read as follows:

2.06.010 General Rules Regarding Appointments, Terms, Vacancies.

- A. Unless otherwise provided by law or by ordinance or resolution, all members of boards and commissions of the city shall be appointed by the mayor with the approval of the city council for three-year terms commencing as of July 1st of the year of appointment; provided, that interim vacancies shall be filled by appointment to the specific unexpired term of the member replaced. This rule shall not apply to newly established boards or commissions, the initial appointments to which shall be made on a staggered-term basis, provided that the longest such term shall not exceed three years, commencing with the July 1st next following the appointment.

- B. Unless otherwise provided by law, and notwithstanding that an ordinance or resolution establishing a board or commission may fail to so provide, then in addition to the number of members of a board or commission set forth in the enactment establishing such board or commission, the mayor may, with the approval of the city council and in his or her discretion, appoint one or more alternate members to each board or commission. During their incumbency as such, alternate members shall have no vote in the proceedings of the board or commission. In the event of one or more interim vacancies in a board or commission as declared by the city council, and subject to confirmation by the city council, alternate members to such board or commission shall assume the vacated seat or seats for the unexpired portion of the term of the member replaced.
- C. Any member of a board or commission of this city may be removed from office at any time, with or without cause, by a majority vote of the city council, except in cases where the mayor or city council are not the appointing authority (in which cases such regular appointing authority may exercise this power of removal). If a member is absent without advance permission of the board or commission or of the appointing authority, from three regular meetings or from twenty-five (25) percent of the duly scheduled meetings of the board or commission within any fiscal year, the membership shall thereupon become vacant and shall be filled as any other vacancy.
- D. Unless otherwise provided by law, or by ordinance or resolution of the city council, all members of any board or commission of the city appointed by the mayor and approved by the city council shall be at the inception of and throughout their incumbencies, bona fide residents of the city. No member of a board or commission of the city shall be an employee of the city during such membership.
- E. Unless otherwise specifically provided by the action establishing the body or appointing its initial members, no person shall be at the same time a member of more than one citizens advisory body created by ordinance or resolution of the city council.

SECTION 4.

If the majority of Moreno Valley voters approve the measure concerning the direct election of the mayor and the reapportionment of councilmanic districts as set forth in Exhibit A (attached hereto and incorporated herein by this reference), Resolution No. 2011-107 shall be repealed and in place of Resolution No. 2011-07, new district boundaries and the designation of each of the four (4) council districts as set forth in Exhibit A including a map of the districts will be adopted. If the measure is approved, the councilmanic office previously designated as District 5 will be designated as the office of the mayor and the voters of the entire city will directly elect the mayor in the municipal general election of 2016. Districts 1 and 3 will elect Councilmembers in 2016 and Districts 2 and 4 will elect Councilmembers in 2018.

SECTION 5.

This ordinance is hereby adopted and submitted to the City Clerk, who is directed to transmit the ordinance to the Planning Commission to make findings by resolution as to the matters set forth in California Government Code section 34875. Upon adoption of such a resolution by the Planning Commission within ninety (90) days of the adoption of this ordinance, the City Clerk is directed to bring before the City Council a resolution calling a municipal election, placing a measure concerning the direct election of the mayor and reapportionment of councilmanic districts on the municipal election ballot, and requesting consolidation of the municipal election with the statewide general election of November 4, 2014.

SECTION 6.

This ordinance shall take effect thirty (30) days after its adoption by a majority of the voters of the City of Moreno Valley, and shall only take effect if, prior to submission of this ordinance to the voters for their approval, the City's Planning Commission adopts a resolution making those findings required by California Government Code section 34875.

IMPARTIAL ANALYSIS OF MEASURE "R"

Background

Measure "R" is one of three ballot measures placed on the ballot by the City Council related to establishing a directly elected mayor of the City of Moreno Valley ("City"). Since incorporation as a general law city, the City has been governed by a five-member Council and the Council selects one of its members to serve as mayor for the next year. The mayor serves as the presiding officer of Council meetings, performs certain ceremonial functions, performs limited administrative duties such as signing Council approved contracts and adopted resolutions and ordinances.

As a general law city seeking to create the office of an elected mayor, State law requires that three separate but related questions be posed to the voters.

- (1) Measure "R" will ask whether the mayor of the City of Moreno Valley should be elected on a citywide basis and that the Council members be elected by 4 districts?
- (2) Measure "S" asks whether the term of office of mayor should be two years?
- (3) Measure "T" asks whether the term of office of mayor should be four years?

Powers and Duties of an Elected Mayor:

If passed, Measure "R" would designate the office of elected mayor in the City in place of one of the existing Council seats beginning in November of 2016, when the next general election for the City is scheduled. So the City would change from having a City Council elected by five (5) districts to having a City Council elected by four (4) districts and a city wide election for the mayor.

The office of elected mayor in a general law city has all the same powers and duties as a City Council member and would also make all appointments to boards, commissions, and committees (unless otherwise specified by state law) subject to the approval of the Council.

Measure "R" requires a simple majority vote to pass. Either Measure "S" or "T" shall determine the term of office, which would begin upon the seating of the new Council in November 2016.

The above statement is an impartial analysis of Measure "R". If you desire a copy of the ordinance or measure, please call the City Clerk's Office at (951) 413-3001 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE "R"

PUT RESIDENTS IN CHARGE NOT POLITICIANS

Those opposing Measure "R" want politicians to continue to choose Moreno Valley's "Ceremonial Mayor" amongst themselves. Opponents say the current system is "not broken" and "the measure gives too much power to the Mayor."

NOTHING COULD BE FURTHER FROM THE TRUTH.

The Mayor's powers are essentially unchanged. The City Manager is in charge of the day-to-day operations of the city and there are major problems with the current system:

- Rotating the Mayor every year weakens the Mayor's ability to effectively represent Moreno Valley's interest with other governmental agencies. Some projects require the Mayor's attention for more than a year's time.
- The ceremonial selection of the Mayor prohibits residents from participating in the election of the primary representative of their city.
- Currently Mayors are councilmembers who are responsible to only their district's interest but must weigh decisions affecting the interest of the entire city. Oftentimes they're at odds.
- The ceremonial "my turn" selection of the mayor fails to provide for a consensus making leader that is accountable to residents citywide.

MORENO VALLEY RESIDENTS KNOW WHAT'S BEST

In a 2010 non-binding referendum, over 80% of voters supported a citywide elected Mayor. Despite overwhelming support it wasn't economically feasible to place this issue on the ballot. The voters felt ignored. The time to elect our Mayor is NOW!

The campaign for citywide Mayor will focus debate on citywide issues and increase voter participation.

- The Mayor will serve as an elected official answerable to a citywide constituency.
- A citywide elected Mayor with a four year term will significantly enhance the stature of the Mayor in dealings with outside government agencies.

YOUR MAYOR SHOULD BE ACCOUNTABLE TO YOU!

THE TIME HAS COME FOR MORENO VALLEY TO HAVE AN ELECTED MAYOR!

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE "R"

WE DO NOT OPPOSE HAVING THE PEOPLE ELECT OUR MAYOR.

WE OPPOSE THIS POORLY DRAFTED MEASURE.

Our opponents claim this measure does not change the Mayor's powers. **That is untrue.** Currently, the entire Council screens applicants for boards and commissions. This measure gives the Mayor sole power to choose board and commission members. The illegal appointment of the recently removed District 4 Councilman illustrates the potential negative outcome of such power.

This measure reduces the number of Councilmembers and Districts from five to four. Many residents support increasing the number of Districts in our growing City. Our opponents claim a larger Council would cost more. **That is untrue.** Pay and benefits for each Councilmember currently total about \$40,000 per year. Splitting the \$200,000 salary budget between six Councilmembers and a Mayor leaves pay of about \$30,000 per year.

Our opponents claim an appointed mayor is weak and ineffective. **That is untrue.** The Mayor, whether elected or appointed, creates their own success.

This measure reflects the dishonest character of the politicians behind it, who are being recalled and investigated for corruption. The recently recalled Mayor initiated this measure and the illegally appointed District 4 Councilman supported it. Only two of the current Councilmembers support this measure, and one of them faces recall in November.

THIS MEASURE WOULD NOT BE EFFECTIVE UNTIL 2016. WE HAVE TIME TO DEVELOP A BETTER MEASURE WITH THE NEW COUNCIL THAT WILL BE IN PLACE AFTER THE NOVEMBER ELECTION.

ARGUMENT AGAINST MEASURE "R"

PLEASE VOTE **NO** ON MEASURE "R"!

In 2010 the voters were asked if they want a directly-elected Mayor. They answered that question, without having been provided all the facts. The Council majority claims this new measure simply fulfills the voters' 2010 decision. This rushed and hushed measure is very different from what the voters expected in 2010 and includes many hidden provisions that are not in the long-term best interests of the City of Moreno Valley.

- **This measure reduces representation.** This measure combines five existing Council Districts into four substantially larger districts. Each Councilmember will represent about 10,000 more people.
- **This measure silences the People in deciding the number of Council Districts.** The law allows four, six or eight Council districts with a directly-elected Mayor. The Council majority decided on four Districts, without giving you a choice.
- **Your Council representative may change in December even though your District is not voting in this election.** This measure includes a redistricting element that is not openly disclosed. Reorganizing the five existing Districts into four creates new voting boundaries. The shuffling of Council District boundaries disrupts election cycles such that **some areas that last voted in 2012 will not vote again until 2018.**
- **The People deserve more opportunity for participation, not less.** If this measure passes, the Mayor will choose all commission and board appointees.

We support the People's right to determine how they should be governed. This measure is typical of problems in Moreno Valley government that led to the recalls and the ongoing corruption investigation.

If this ill-conceived measure passes, it will be difficult to repair the damage. The People would have to force another election to undo the reduction in the number of Council seats and the related redistricting.

REBUTTAL TO ARGUMENT AGAINST MEASURE "R"

The benefits of having a directly elected Mayor is not a new question.

Since 2001, it has been discussed but no one had the guts to bring it forward to the voters. At a April 24, 2001 council meeting, there were talks of petitioning for a directly appointed Mayor by a citizen and encouraged by the Mayor, with no action taken.

In June 2007, discussed at a study session, the mayor issue was brought forward by Council Members , again, no action.

Currently in the round robin selection, the Mayor is accountable to his constituents and has a tendency to be "biased" in his district. This is obvious. In 2010, the city of Murrieta saw this and corrected it.

A two year term everyone has the choice to elect their representatives, you do not have that opportunity now.

A four year term during the presidential election, can also work, but it's up to you the voter to decide.

Under this proposal, you will double your elected representation, which make them both accountable to you, the voter.

In November 2010, Measure "N" asked the voters of Moreno Valley if they support changing to an elected Mayor, it was overwhelmingly approved. It is time to take action!

Regardless of past discussions, this issue has come before the citizens to decide.

IMPARTIAL ANALYSIS OF MEASURE "S"

NO ARGUMENTS FILED IN FAVOR OR AGAINST MEASURE "S"

Background

Measure "S" is one of three ballot measures placed on the ballot by the City Council related to establishing a directly elected mayor for the City of Moreno Valley ("City"). Since incorporation as a general law city, the City has been governed by a five-member Council, and the Council selects one of its members to serve as mayor for the next year.

- (2) Measure "S" asks whether the term of office of mayor should be two years?
- (3) Measure "T" asks whether the term of office of mayor should be four years?

Effect

Measure "S" is a companion proposition to Measures "R" and "T". The passage of Measure "S" would set the term for an elected mayor at two years only if both of the following occur:

- (1) A majority of voters approve Measure "R" to establish the office of an elected mayor in the City; and
- (2) This Measure "S" (the two-year term of office measure) receives more votes than Measure "T" (the four-year term of office measure).

If passed, the first opportunity to elect the mayor would be in November of 2016, when the next general election for the City is scheduled.
