Elections in California

The Top Two Candidates Open Primary Act, which took effect January 1, 2011, requires that all candidates for a voter-nominated office be listed on the same ballot. Voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate, regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election regardless of vote totals. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held. Even if there are only two candidates for an office in the open primary, a general election for that office is still required.

California's open primary system does not apply to candidates running for local offices.

California law requires that the following information be printed in this pamphlet.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Redistricting

New electoral district boundaries are drawn every 10 years in order to equalize district populations. Boundaries for the congressional, state legislative, and county supervisorial districts are now different. Boundary changes also apply to any city, school district, or special district that votes by trustee areas or divisions. To see the new district maps, visit the Registrar of Voters website at www.voteinfo.net.

HOW TO MARK YOUR PAPER BALLOT

Please refer to the following instructions on how to properly complete your official ballot:

- ▶ Connect the head and tail of the arrow that points to your choice like the example provided.
- ▶ Check both front and back of ballot for voting contests.
- ▶ Use a black ball point pen. Do not use felt tip, red or gel ink.
- ▶ One line connecting the arrow is preferred.
- ▶ Vote for no more than the number of votes allowed in each contest (e.g. vote for one, vote for no more than two, etc.).
- ▶ Please keep the vote-by-mail ballot folded the same way you received it.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

BRIAN NESTANDE, Republican

AGE: 50

OCCUPATION: State Assemblyman / Businessman

EDUCATION AND QUALIFICATIONS:

Congress isn't getting anything done, and the current Congress is one of history's worst.

In Congress, I'll work to:

- ✓ Immediately secure the border as the FIRST step in immigration reform
- ✓ STOP the overspending and pass a balanced budget amendment
- ✓ Hold Congress accountable - no balanced budget = no paycheck
- ✓ Create policies that encourage businesses to expand so we have high quality good paying jobs

Middle class families cannot afford another do-nothing Congress. In the last two years, Congress sent America another \$2 trillion deeper into debt - an amount equal to an additional \$9,000 of debt per U.S. taxpayer.

At the same time, the cost of healthcare under Obamacare has risen by as much as fifty percent, and millions of seniors have seen their Medicare benefits reduced.

Worker wages have remained stagnant, and more businesses are moving off-shore as Congress debates adding even higher taxes and more regulations.

My wife Gina and I are raising our family and we know first-hand how difficult Washington is making it for middle class families to get ahead.

I'll make sure the priorities of seniors and middle-class families are put into action, and that's the difference. That's why I've been endorsed by most of the local elected leaders in our District - people who understand how difficult it's been to have a voice in Congress. I would be honored to have your vote.

The past few months have been some of the most satisfying times of my life in public service.

I have become reacquainted with old friends and have had the chance to meet and visit with neighbors from across our district and from all political parties. Together, we've discussed the issues facing California and shared our hopes for our region. I can say without hesitation that I've listened and learned from each one of those conversations.

Like many, I'm frustrated with Sacramento's lack of progress on job creation, better schools, and safe communities - important priorities that have fallen victim to partisan politics.

With a servant's heart, I'll work to end partisan bickering in Sacramento. I'll work with both Democrats and Republicans to make government accountable, protect taxpayers by defending Proposition 13, strengthen our economy, and provide the outstanding education our children deserve.

With your trust, I'm prepared to get the job done.

I'm honored to have earned the endorsement of Congressman Paul Cook, every Member of the Riverside County Board of Supervisors, the Riverside County Sheriffs' Association, CAL FIRE, the Howard Jarvis Taxpayers Association, and dozens of local elected officials. To be honest, the support that matters most is yours.

As you consider whom to support, please know that I would be honored to have your vote. If you have questions about where I stand on the issues, call me at (760) 413-9048 or email me at Chad@ChadMayes.com and I'll respond personally.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
42ND ASSEMBLY DISTRICT**

KARALEE HARGROVE, Democratic
OCCUPATION: School Board Trustee
EDUCATION AND QUALIFICATIONS:

AGE: 32

California faces challenges. Challenges expose opportunities. My background and experience qualifies me to nurture California's opportunities.

As a Morongo Unified School Board Trustee I know that vigorous education is essential to cultivating critical thinking skills and creativity. Creative minds incubate innovative solutions for California's challenges.

Every student need not attend college. In addition to math and science, students need opportunities to learn skilled trades, arts, and music. Preschools significantly jump-start good learning skills.

Independent and innovative thinking, rather than political stubbornness, fosters representative government. Some things are best solved on a large coordinated scale, others locally. I reach out to others who consider the impact on whole communities not just on legislation benefiting narrow special interests. Ours is a community of diverse needs.

I will listen, learn, and act, by initiating and supporting State policies that reflect the realistic aspirations of the 42nd Assembly district.

As a wife, mother of five children, school board member, and student I relate to everyday real life challenges. My school board record reflects my dedication to excellence.

As an elected woman, the gender gap could narrow in the legislature. This is good for truly representative government.

I ask for your vote so we all win.

**CANDIDATE STATEMENT FOR
GOVERNING BOARD MEMBER,
YUCAIPA-CALIMESA JOINT UNIFIED SCHOOL DISTRICT**

SHARON BANNISTER

AGE: 61

**OCCUPATION: Retired Teacher
EDUCATION AND QUALIFICATIONS:**

Nobody knows better than parents what their kids need. And nobody works harder than teachers to prepare our students to meet the challenges of tomorrow. We need a school board that respects the teachers and the parents and works with them, in partnership to make decisions about our schools. Big changes are happening in both curriculum and funding of our schools with new directives from both the state and federal government. I would like to help our school district navigate these changes and prepare our students for college and careers.

As a former classroom teacher of 34 years and parent of students in Yucaipa Schools, I am excited about making that partnership effective. Throughout my career I took on leadership roles in developing curriculum and implementing new programs. I have experience working with administrators, teachers, and parents to find creative solutions to challenging situations. My husband Don graduated from YHS in 1968 and returned to the community to teach middle school math. Our children attended Yucaipa schools K-12. I look forward to the opportunity to continue my service to our kids and our community.

**CANDIDATE STATEMENT FOR
GOVERNING BOARD MEMBER,
YUCAIPA-CALIMESA JOINT UNIFIED SCHOOL DISTRICT**

PATRICIA "PATTY" INGRAM

AGE: 58

**OCCUPATION: Civil Engineer / Business Owner
EDUCATION AND QUALIFICATIONS:**

For the past 17 years, it has been my honor and privilege to serve on the Yucaipa-Calimesa School Board. My family moved here in 1969 because of the excellent schools. My mother taught in Yucaipa, my son and I graduated from Yucaipa High and my grandson currently attends Yucaipa Schools. Quality education is important to my family and is my highest priority.

Owning a Civil Engineering Business, I, like many of you, have been affected by the economy. Over the past few years, I have had to reduce expenses yet still provide quality services.

The School District has been in a similar situation. Our expected revenue declined more than 25% while required expenses rose. We have made tough financial decisions, including cutting services, all while maintaining excellent schools. This was demonstrated by our students, staff and schools winning many State and National awards.

Finally, with new funding, we have the potential to improve our schools, technology and services and maintain a balanced budget. My experience and dedication is a critical and essential asset in spending money wisely and in the best interest of our students.

I look forward to and appreciate your continued support and vote in this election.

**CANDIDATE STATEMENT FOR
DIRECTOR,
SAN GORGONIO PASS WATER AGENCY, AT LARGE**

GAIL ANN PAPARIAN

AGE: 70

**OCCUPATION: Public Relations Consultant
EDUCATION AND QUALIFICATIONS:**

I deserve your vote for The San Gorgonio Pass Water Agency because I will encourage greater collaboration and communication between the Agency and its retailers who are the City of Banning, the Beaumont-Cherry Valley Water District and the Yucaipa Valley Water District. When entities develop relationships and partnerships with each other, the taxpayer always wins, and the taxpayer without question deserves it.

My priorities include improved communications, water conservation and accountability between the Agency, its clients and the public. Water conservation should be a main concern and at the top of everyone's minds in dry and wet years.

I currently serve as a trustee for the Banning Library District. I have worked for municipalities, a school district and helped incorporate a city. I have provided public relations, marketing and strategic thinking for public, private and non-profit sectors. I was appointed to the Riverside Commission for Women (District 4 and 5) and I served as president of the League of Women Voters of the Coachella Valley.

I have a passion for water and I want to use my extensive board experience and communication skills to enhance relationships between water agencies in The Pass. I would appreciate the opportunity to serve.

**CANDIDATE STATEMENT FOR
DIRECTOR,
SAN GORGONIO PASS WATER AGENCY, AT LARGE**

RAY MORRIS

OCCUPATION: Retired

EDUCATION AND QUALIFICATIONS:

I need your vote. With your help I have served on the Board of Directors of the San Gorgonio Pass Water Agency for 17 consecutive years. During my tenure I have gained in knowledge and experience with issues concerning the Waters of the State of California. I have strived for excellence in leadership and teamwork to the end that the Agency can work more closely with other public agencies providing services to our area. Together we are coordinating our public services which is resulting in better, more efficient and less costly service to all of us that live in the pass area. I look forward to continuing the team work we have built with our staff, other board members and local agencies. Together we can continue to provide high quality service at the lowest possible cost. As a board member and a retired CHP Officer I am gratified for the experience and knowledge I have gained throughout my career working with and for the public. With your vote we can continue working together on the water issues that we face in our area. I appreciate your vote and thank you.

**CANDIDATE STATEMENT FOR
DIRECTOR,
SAN GORGONIO PASS WATER AGENCY, DIVISION 4**

BARBARA VOIGT

AGE: 71

**OCCUPATION: Director Div. 4
EDUCATION AND QUALIFICATIONS:**

I have the knowledge, experience and all the time needed to dedicate to the agency on behalf of the taxpayers.

I believe that new development should pay its fair share and not be subsidized by existing taxpayers.

Like many living on fixed and decreasing incomes, the issue of how our taxes are used is of concern to me.

During my tenure on the Board I've promoted and supported conservative, responsible and environmentally sound policies, procedures, and projects.

The agency is extremely transparent and fiscally responsible.

To promote water conservation I removed 10,000 square feet of lawn at my home and replaced it with drought tolerant trees and plants.

As a director I keep informed about local and state wide water issues and plan and prepare for future water needs within the San Gorgonio Pass area.

The San Gorgonio Pass Water Agency is 1 of 29 agencies that imports northern California water through the California Aqueduct into the San Gorgonio Pass area to local retail water districts to supplement local water supplies from Calimesa, eventually to Cabazon.

Cherry Valley property owner for 50 years.

I consider it an honor to serve the public.

I need your support, your vote.

Thank you.

Sincerely,

Barbara Voigt

**CANDIDATE STATEMENT FOR
DIRECTOR,
SAN GORGONIO PASS WATER AGENCY, DIVISION 4**

BLAIR M BALL

AGE: 57

**OCCUPATION: Optometrist
EDUCATION AND QUALIFICATIONS:**

100 million dollars. This is the estimated construction cost for a water recharge and transfer facility the Pass Agency is proposing. It will only be used twenty percent of the time. You will repay this debt through increased property taxes. Currently the Agency recharges and transfers water at no cost to the taxpayer by using existing facilities owned by the local water districts that supply your home with water. This project will provide no additional water to our region. The agency was voted into existence by the people in 1961 with the directive to secure additional water from outside this region and sell it to the local water districts. These districts have asked the Agency to fulfill its mission to secure reliable water for our future needs and not spend tax dollars on duplicate construction projects. Unfortunately, these requests have largely been ignored. I attend their meetings weekly. I have had a successful Optometric practice in Beaumont since the mid 1980s. Successful businesses prosper when they listen to their customers. A 100 million dollar debt that provides no additional water for income is a recipe for failure. The time for change is now. I ask for your vote.
