Elections in California

The Top Two Candidates Open Primary Act, which took effect January 1, 2011, requires that all candidates for a voter-nominated office be listed on the same ballot. Voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate, regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election regardless of vote totals. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held. Even if there are only two candidates for an office in the open primary, a general election for that office is still required.

California's open primary system does not apply to candidates running for local offices.

California law requires that the following information be printed in this pamphlet.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Redistricting

New electoral district boundaries are drawn every 10 years in order to equalize district populations. Boundaries for the congressional, state legislative, and county supervisorial districts are now different. Boundary changes also apply to any city, school district, or special district that votes by trustee areas or divisions. To see the new district maps, visit the Registrar of Voters website at www.voteinfo.net.

HOW TO MARK YOUR PAPER BALLOT

Please refer to the following instructions on how to properly complete your official ballot:

- ▶ Connect the head and tail of the arrow that points to your choice like the example provided.
- ▶ Check both front and back of ballot for voting contests.
- ▶ Use a black ball point pen. Do not use felt tip, red or gel ink.
- ▶ One line connecting the arrow is preferred.
- ▶ Vote for no more than the number of votes allowed in each contest (e.g. vote for one, vote for no more than two, etc.).
- ▶ Please keep the vote-by-mail ballot folded the same way you received it.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
41ST CONGRESSIONAL DISTRICT**

STEVE ADAMS, Republican

AGE: 61

**OCCUPATION: Councilman / Retired Policeman
EDUCATION AND QUALIFICATIONS:**

As a Riverside resident since 1958, a retired Riverside Police Officer, a small business owner, and 3rd term Riverside City Councilman, I am uniquely aware of the issues facing the residents of the 41st District.

Over-regulation from Congress and Washington politicians is restraining economic growth, stifling job creation hurting the residents of the 41st. We need and deserve better than single issue politicians with extreme agendas.

As a three-term Councilman, I've been intricately involved in the betterment of my community. I was successful in helping make Riverside #1 in the Nation in new jobs and top 8 places to be. I was part of the team that brought in the UC Riverside Medical School, bringing quality jobs and millions of dollars to our economy. I will continue to do this for the 41st District.

An uncontrolled border has negatively impacted our lives; jobs, economy, education, crime, hospitals and more. We must stop the human trafficking, victimizing children and women and the flow of drugs and criminals into our cities. The first step is a secure and safe boarder for legal entry. I will go to Congress to help broker real solutions and break the gridlock and partisanship that has plagued this country for the past six years.

Our region has experienced tremendous growth over the years, straining our infrastructure and roadways. Serving on local, state and national transportation committees I know the issues and offer real solutions that I will take to Washington and fight for our region.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
41ST CONGRESSIONAL DISTRICT**

MARK TAKANO, Democratic

AGE: 53

**OCCUPATION: United States Representative / Teacher
EDUCATION AND QUALIFICATIONS:**

Dear Neighbor,

Congress is broken, and I have used my first term in office fighting for the commonsense reforms we all know it desperately needs.

As your Representative, I have fought for the middle class, worked to create good paying jobs in the Inland Empire, and stood up to the leaders of both parties to protect Social Security and Medicare.

Over the past two years, my office has secured more than \$1 million in benefits owed to veterans and held several town hall meetings to understand local priorities. I introduced legislation to strengthen and improve school curriculum, increase business participation in job training programs, make it easier for veterans to go back to school, and support the creation of advanced manufacturing jobs.

I will continue to fight for the middle class by supporting job-creating local investments like the UC Riverside Medical School and I'll stand up against tax cuts for billionaires and corporations that want to ship American jobs overseas.

Prior to being elected to the House of Representatives, I dedicated my life to public service as a high school teacher and Riverside Community College Trustee. Those roles prepared me to be an effective advocate for local schools, businesses, veterans, seniors, and middle class families.

I am proud to have the support of local leaders from throughout Riverside, Moreno Valley, Jurupa Valley, and Perris.

I respectfully ask for your vote on November 4th so we can continue to grow our economy and fix Congress.

RUDY ARANDA, Republican
OCCUPATION: Retired LAPD
EDUCATION AND QUALIFICATIONS:

My name is Rudy Aranda, and I respectfully ask for your vote.

I have dedicated my life to public service, and I would be honored to serve you as your next Assemblyman.

As a young man, I couldn't sit in class doing nothing while my country was at war. I had to do something. I joined the Army and proudly served in Vietnam.

After the military, I joined the Los Angeles Police Department where I was proud "to protect and to serve" for over 28 years.

All my adult life I have served my country and community with honor and integrity. I will take that honor and integrity with me to Sacramento, and I will work to bring back common sense to state government with my guiding principle being: "What is best for California?"

California faces many challenges. The Inland Empire needs jobs. Our communities need to be safe. Our students need quality education. Taxpayers need relief from excessive taxes, and our state needs a reliable sources of water during this prolonged drought and beyond. These issues, and others, have been ignored for too long and will only be resolved with a common sense approach and cooperation from all stakeholders.

Also, as veteran, I will be the voice and advocate for California veterans and their families in Sacramento.

Let's get California moving again. I ask for your vote on November 4th.

GOVERNING BOARD MEMBER,
VAL VERDE UNIFIED SCHOOL DISTRICT**

JULIO CESAR GONZALEZ RODRIGUEZ
OCCUPATION: Educator / Parent
EDUCATION AND QUALIFICATIONS:

As the father of three children attending schools within Val Verde, a citizen who pays property and Mello- Roos taxes and voted for Measure L, I have a vested interest in our district. Like most parents, I want the best for my children, which to me means a great education.

For about 14 years, I have worked for outreach departments at local colleges and university, promoting education and careers. I tell students that every job within society is valuable. A society with only doctors would crumble, we also need teachers, janitors and all the other careers, in order to prosper. The question they need to ask themselves is what do they want to do and how are they going accomplish it.

Growing up in Central California, I worked in agricultural farms in the summers, an experience that taught me to value education and my community. I earned my bachelors from UC Riverside and my master in Educational Counseling from the University of Redlands.

Through my professional, academic and personal background, and my desire to provide the best education to my children and all children within our district, I believe that I am a strong candidate. Vote for Julio Gonzalez.

California has faced a financial crisis over the years. Our school system was broken. Budgets were slashed. Teachers and support staff were laid off. Programs were cut. Many lost faith in the public school system.

Yet, Val Verde improved test scores. From the worst in Riverside County to a top six district of choice.

Today, we hold the highest attendance rate at 96%, the lowest truancy rate, and our graduation rate is at 90.2%.

I've kept my promise to improve test scores at Val Verde, and I've supported a technology driven education utilizing computers to engage students.

Our world is changing. Education is changing.

Our new high school is under construction and will open in 2016 with a focus on Science, Technology, Engineering, Arts, and Math (STEAM) program.

Inspiring students to learn through discovery while encouraging them to reach their full potential.

Our students and our community deserve that.

Great teachers, safe schools, the latest in technology, and a new high school.

The very foundation to live a prosperous life in a community of progress and growth.

**CANDIDATE STATEMENT FOR
DIRECTOR,
WESTERN MUNICIPAL WATER DISTRICT, DIVISION 2**

TOM EVANS

OCCUPATION: Water District Director

EDUCATION AND QUALIFICATIONS:

I am grateful to have represented Division 2 customers on the Western Municipal Water District Board of Directors since 2007. I believe I am well qualified to represent Division 2 again for the next 4 years.

Water District Board members must make decisions that benefit current and future customers. My record of working collaboratively with other organizations and groups has been particularly valuable in this regard.

As a member of the WMWD Board of Directors, we have;

- Reached a historic agreement with the City of Riverside, resulting in lower water costs for Western's retail customers and \$11.7 million new revenue to the City. This agreement also helped offset water cost to Riverside residents served directly by the City.
- Implemented the use of non-potable water for Riverside National Cemetery and other agricultural irrigation, thus stretching the supply of precious drinking water.
- Provided about \$3.8 million in water efficiency rebates to customers throughout Riverside and the surrounding area.

I have represented WMWD customers on the Board of the Metropolitan Water District of Southern California since 2009. I have been an aggressive advocate for cost control, leading to dramatically lower rate increases.

Please vote for me on November 4, 2014.
