Elections in California

The Top Two Candidates Open Primary Act, which took effect January 1, 2011, requires that all candidates for a voter-nominated office be listed on the same ballot. Voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate, regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election regardless of vote totals. If a candidate receives a majority of the vote (50 percent + 1), a general election still must be held. Even if there are only two candidates for an office in the open primary, a general election for that office is still required.

California's open primary system does not apply to candidates running for local offices.

California law requires that the following information be printed in this pamphlet.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan State Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Redistricting

New electoral district boundaries are drawn every 10 years in order to equalize district populations. Boundaries for the congressional, state legislative, and county supervisorial districts are now different. Boundary changes also apply to any city, school district, or special district that votes by trustee areas or divisions. To see the new district maps, visit the Registrar of Voters website at www.voteinfo.net.

HOW TO MARK YOUR PAPER BALLOT

Please refer to the following instructions on how to properly complete your official ballot:

- ▶ Connect the head and tail of the arrow that points to your choice like the example provided.
- ▶ Check both front and back of ballot for voting contests.
- ▶ Use a black ball point pen. Do not use felt tip, red or gel ink.
- ▶ One line connecting the arrow is preferred.
- ▶ Vote for no more than the number of votes allowed in each contest (e.g. vote for one, vote for no more than two, etc.).
- ▶ Please keep the vote-by-mail ballot folded the same way you received it.

My name is Tim Sheridan. With your vote, we can make a positive change in Congress!

Right now, Congress is broken. It simply does not work. There is too much fighting among the professional politicians who have been in office for a long time. Instead of working together to achieve a result, they blame others.

The only way to change Washington is to change the people we send to Washington. We've all heard the saying, "Throw the bums out!" Now is the time!

I'm not a professional politician and I have never run for public office. I'm a hard worker who believes in putting the needs of people first.

Regular citizens, like you, are helping me. They want someone in Congress who will be responsive to voters – someone who will work on behalf of everyday Americans.

I have traveled around California's 42nd District extensively this past year, meeting people and listening to their concerns. I pledge that when I'm elected to Congress, I will continue to do this. Listening to you will be a priority – especially to those who disagree with me.

My focus will be on bringing good paying jobs to Riverside County, improving public education, and protecting Social Security for seniors. I will support women's rights, fair wages, and increased pay and benefits for our military personnel, veterans and their families.

This time let's take a break from the professional politicians! I would appreciate your vote.

UNITED STATES REPRESENTATIVE,
42ND CONGRESSIONAL DISTRICT**

KEN CALVERT, Republican
OCCUPATION: U.S. Representative
EDUCATION AND QUALIFICATIONS:

AGE: 61

It's an honor to represent Riverside County in Congress and I stand ready to continue serving as your voice for a more effective, accountable government in Washington.

I'm running because President Obama continues to lead our country down the wrong path.

Instead of enacting policies that will create jobs, President Obama burdens small businesses with unnecessary red tape and regulations that raise the cost to hire more employees.

Instead of stopping our immigration crisis, President Obama invites more illegal immigrants with his pro-amnesty policies.

Instead of ensuring Americans receive patient-centered healthcare, President Obama is imposing a healthcare system controlled by Washington bureaucrats.

I'm a lifelong Riverside County resident who believes that people know what's best for them and they, not the government, should be left to make their own decisions.

As a former small business owner, I know what it's like to sign the front of a paycheck and how much those paychecks mean to hard working families.

I oppose amnesty, want to send our National Guard to secure the border and make the use of E-Verify mandatory.

I'm committed to finding economic solutions that will help improve the quality of life for middle-class American families today and in the future.

My priorities include: improving our economy; addressing our immigration crisis, supporting the military; and tackling our energy and water challenges.

I humbly ask for your vote and thank you for the opportunity to represent you.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
67TH ASSEMBLY DISTRICT**

CONRAD MELTON, Democratic

OCCUPATION: Retired Firefighter

EDUCATION AND QUALIFICATIONS:

Are you concerned about the excessive influence corporations have over government?

They spend millions hiring lobbyists who "support" legislators who then write new laws and loopholes for greater profits. The people pay and pay.

I say corporations are NOT PEOPLE and money is NOT SPEECH. That's why election reform is at the top of my agenda!

Giant agriculture now grows food with Genetically Modified Organisms. They oppose even *labeling* those foods. 46 European nations and I agree: accurate, honest labels on food is mandatory.

Factory farms put unnecessary antibiotics into food animals. They get bigger chickens, heavier hogs, and higher profits, but the people get antibiotic-resistant staph infections that kill 99,000 every year.

Oil companies are spending millions to keep "fracking" legal even though it has caused earthquakes and poisoned drinking water. We must safeguard our water and NOT agitate the seismic plates!

Government's priorities should value PEOPLE BEFORE CORPORATIONS!

Minimum wage should be raised significantly!

Military families should not need to apply for food stamps.

New infrastructure construction and timely repairs will create jobs.

Women's health issues should be between the woman and her Doctor.

We need a sensible immigration program and a reasonable path to citizenship.

It's time to provide "Medicare for All."

Families don't need anti-tank guns and hunters don't need 50 shot clips.

Think my positions should be our State's laws?

60,000 voters in AD-67 will not vote because they think it won't matter.

Please don't be one of them.

CARL JOHNSON, SR. **AGE: 61**
OCCUPATION: Community After School Youth Coordinator
EDUCATION AND QUALIFICATIONS:

I have lived in the Perris Valley community for over 25 years, active as a youth volunteer and community organizer. I have consistently address the needs of our youth personally or by partnering with city and/private organizations. I worked with the Perris Elementary School District in the early 1990's to address our community gang problem. I started an after school basketball program/club within the district. It became an alternative to gang activities. From that venture, I started a travel basketball program that includes youth from 3rd grade to high school.

I also served as a member of the Park Avenue Elementary School Site Council. We improved test scores which removed it from the state's designation as a school improvement program. I serve on the Perris Elementary Measure "S" Oversight Committee which oversees the bond money expenditures. If I am elected, I will work to improve the Perris High School test scores by at least a 50%. I will also work to reduce the number of suspensions at Perris High School. But, one of my first priorities, will be to budget for students to enroll in classes offering trades in Auto Body/Mechanic, other trades and technical careers.

BRADY ALAN MC CARRON **AGE: 45**
OCCUPATION: Radio Host / Teacher
EDUCATION AND QUALIFICATIONS:

I have made it my goal over the past five years to do everything I can to be the best candidate for the Perris Union High School District. In that time, I earned my second Masters Degree, this one in Public Administration from Cal State Northridge, graduating with honors. I have been a substitute teacher for the district for four years and have taught over 200 days on my days off from my regular job in order to get firsthand knowledge of the day to day situations our students and teachers face. From the money I earned teaching, I gladly donated much of it back for scholarships, club fundraisers, and supplies for students and teachers.

As a retired Air Force member, I believe in service before self and integrity in all you do. I will bring that same attitude to the board. Every student deserves the best opportunity for education no matter what school they attend or where they live. We need to work together to have the best facilities, highest education standards, and outstanding teachers and administrators who will ensure our students education is the best possible.

Thank you for your consideration. Please vote for Brady McCarron.

MAYOR,
CITY OF MENIFEE**

SCOTT A. MANN

AGE: 52

OCCUPATION: Director, Risk Management
EDUCATION AND QUALIFICATIONS:

You elected me Mayor in 2012 to deliver strong leadership and to 'Keep Menifee Moving'! As I campaigned you told me we needed a plan to:

- Restore Good Governance/Change City Hall Culture
- Advance Economic Development/Attract Businesses
- Improve Infrastructure and Traffic Circulation
- Establish Parks Commission and Senior Advisory Committee
- Enhance Public Safety

I listened, and together we delivered on those commitments! I remain dedicated to those priorities and pledge, if I'm re-elected, to 'Keep Menifee Moving.'

After 25 years in the Navy, I retired as a Lieutenant Commander and opened my own business. Menifee voters have elected me to the founding city council, the Menifee school board and as our first citywide elected Mayor in 2012.

As your Mayor, I've been able to accelerate our transportation improvements through service on the Riverside County Transportation Commission. Regional planning bodies like these channel funds, delivering genuine infrastructure improvements to Menifee.

I'll continue my commitment to 'Keep Menifee Moving' by focusing on economic development, public safety and traffic flow. With the right infrastructure in place, Menifee can attract the right kind of jobs and services while preserving our neighborhoods.

I'd be honored to receive your vote on November 4th!

EDUCATION AND QUALIFICATIONS:

My name is Paul Wiggins and I am running for mayor because your voice has not been heard and I can help you make a difference. The following are some examples:

- Better traffic. Build the roads first - - then the houses.
- If elected I will sign the City Council pledge site to not accept campaign contributions from developers.
- Police. We currently are short the recommended number of police per thousand population. Again, we need less high density housing and more police.
- Quality of life: theaters, fine restaurants, sport parks; we should build what Menifee wants; not what the developer wants.
- Jobs: Protect our small businesses and stop charging high fees - - gain more revenue from sales tax.
- Seniors: Provide the needed support for our large senior population.
- Rural area: This is part of what makes Menifee; let us protect our natural resources.

MEASURE "AA" – MT. SAN JACINTO COMMUNITY COLLEGE DISTRICT

EXHIBIT B

FULL TEXT BALLOT PROPOSITION

MT. SAN JACINTO COMMUNITY COLLEGE DISTRICT BOND MEASURE ELECTION NOVEMBER 4, 2014

MT. SAN JACINTO COLLEGE AFFORDABLE EDUCATION AND JOB TRAINING MEASURE. "To expand college buildings serving four-year university transfer, veterans' education, and career training, by expanding career/support facilities for veterans/military, ensuring buildings are accessible for the disabled, upgrading nursing, emergency responder, criminal justice, vocational job training classrooms, updating science labs, electrical systems, technology infrastructure, acquiring, constructing, and repairing classrooms, facilities, sites/equipment, shall Mt. San Jacinto Community College District issue \$295,000,000 in bonds at legal rates with annual financial audits, citizens' oversight of funds, all funds remaining local?"

Bonds – Yes

Bonds – No

PROJECTS

The Board of Trustees of the Mt. San Jacinto Community College District, to be responsive to the needs of its community, evaluated Mt. San Jacinto College's urgent and critical facility needs, and its capacity to provide students, active military and **Veterans** with **support** facilities, an affordable education and prepare them for success in college and careers. Safety issues, enrollment growth, class size reduction and class offerings, and information and computer technology infrastructure were each considered, in developing the scope of projects to be funded, as outlined in the District's Master Facility Plan, incorporated herein by reference in its entirety (the "Master Plan"), and available for review on the District's website (www.msji.edu). In developing the scope of projects, the faculty, staff, students and community have prioritized providing **essential job training and workforce preparation skills** students need to **succeed in today's competitive job market**, and ensuring **buildings** are **accessible** for the disabled, and facilities available to support an **affordable education**, so that the most critical needs that will make the Mt. San Jacinto College an effective place for learning, would be addressed. In the course of developing the Master Plan, public input was received from hundreds of constituents. It was concluded that if these facility needs were not addressed now, the Mt. San Jacinto College would be unable to remain competitive in preparing students for jobs in high demand industries and university transfer. The Board concluded that the longer they waited to repair and upgrade Mt. San Jacinto College, the more expensive it would be. **In implementing the Master Plan the Board of Trustees determines that Mt. San Jacinto College MUST:**

- (i) **Expand career and SUPPORT FACILITIES FOR VETERANS and military personnel;**
- (ii) **Increase workforce preparation skills students need to succeed in today's job market;**
- (iii) **Ensure BUILDINGS are ACCESSIBLE FOR THE DISABLED;**
- (iv) **Provide AFFORDABLE, LOW-COST, HIGH QUALITY EDUCATION in San Jacinto, Menifee Valley, San Geronio and Temecula, needed to successfully transfer to four-year universities; and**
- (v) **Qualify the College for any available State matching funds; and**
- (vi) **Ensure that the College has the capacity and high quality classrooms and facilities to meet academic needs and demands of its regional students; and**
- (vii) **Adhere to stringent FISCAL ACCOUNTABILITY safeguards including:**
 - (a) **REQUIRE ANNUAL FINANCIAL AUDITS,**
 - (b) **Require citizens' oversight of all funds,**
 - (c) **No funds will be used for administrators' salaries and pensions,**
 - (d) **ALL FUNDS WILL BE SUBJECT TO LOCAL CONTROL AND WILL REMAIN LOCAL IN MT. SAN JACINTO COLLEGE.**

The Master Plan is available for review at the Superintendent/President's office and at www.msji.edu. The following types of projects are authorized to be undertaken at Mt. San Jacinto College facilities in Menifee, Temecula, San Jacinto, San Geronio, as well as at a to be constructed technology campus in the Interstate 15 corridor:

Academic Facility and Technology Upgrade Projects to Help Students and Veterans be Trained for Good Jobs

Goal and Purpose: Because it is extremely hard to get a job in today's economy, Mt. San Jacinto College must provide the essential job training and workforce preparation skills students need to succeed in to today's highly competitive job market. **This measure will** expand local education in nursing, science, technology, engineering and math to meet the needs of our local, regional employers and help attract more high paying jobs and businesses to our region.

Mt. San Jacinto College has served thousands of military veterans, many who have recently returned from war zones and face challenges including post-traumatic stress disorder and permanent disabilities. The College is a national leader in helping returning veterans reintegrate with their education and careers, and **this measure will upgrade and expand veteran services and job training so returning service members receive the support they need to complete their education and enter the civilian workforce.**

Thus the District requires FUNDS that ARE LOCALLY CONTROLLED to improve academic facilities and technology implementations which will allow them to continue providing ACCESS TO AFFORDABLE, HIGH QUALITY EDUCATION to local students, active military and veterans, including:

- **Upgrade and expand facilities for career training in well-paying careers and transfer to universities.**
- Expand course opportunities to increase enrollment, classrooms and instructional facilities in nursing, emergency responder, criminal justice, vocational job training classrooms, and other core academic classes.
- **Expand facilities for veterans to provide career training and support services to returning veterans seeking training or retraining to reenter the workforce.**
- Upgrade outdated science, math and computer labs and expand College facilities providing instruction in Science, Technology, Engineering and Math (STEM).
- Install additional technology infrastructure to improve computer technology and Internet access.
- Upgrade outdated job-training classrooms, labs and equipment to provide all students with opportunities to learn job skills.
- Upgrade support facilities for currently active military personnel.
- Upgrade and replace existing information technology infrastructure and network systems to improve efficiency and increase capacity.
- Upgrade and expand telecommunications, Internet and network connections.
- Upgrade and build academic buildings to expand classrooms for career training in science, medical, public safety and other in-demand jobs.
- Upgrade and replace technology, computers, hardware and systems used for job training and retraining programs.

Repair and Construction Projects to Provide Greater Access to an Affordable Education

Goal and Purpose: Since the cost of attending a public university has risen to as much as six (6) times that of attending Mt. San Jacinto College, students rely on Mt. San Jacinto to save as much as \$35,000 in tuition on their way to a four-year degree. Therefore, keeping Mt. San Jacinto's facilities upgraded will best serve all local students, military and veterans who can earn college credits, certificates and job skills at a reasonable price:

- **ENSURE BUILDINGS ARE ACCESSIBLE FOR THE DISABLED.**
- Upgrade aging roofs, bathrooms and disabled accessibility, repair floors, walkways, lighting and electrical systems.
- Construct more classroom space.
- Remove asbestos.
- Upgrade campus facilities to provide improved access, including road and parking upgrades to improve safety, access and traffic flow.
- Improve heating, ventilation, insulation, doors, lighting, and windows to increase energy efficiency and save money.
- Upgrade outdated electrical systems and wiring for computer technology and Internet access.
- Renovate, repair or replace outdated laboratories, classrooms, training centers and support facilities.
- Upgrade and replace classroom instructional equipment.
- Improve student safety, emergency preparedness, and security systems, including lighting, fencing, smoke detectors, fire alarms and sprinklers, gas and sewer lines.

The allocation of bond proceeds will be affected by the District's receipt of State matching funds and the final costs of each project. In the absence of State matching funds, which the District will aggressively pursue to reduce the District's share of the costs of the projects, the District will not be able to complete some of the projects listed above. Some projects, such as physical education facilities, may be undertaken as joint use projects in cooperation with other local public or non-profit agencies. The budget for each project is an estimate and may be affected by factors beyond the District's control. Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed. MEASURE “AA” – MT. SAN JACINTO COMMUNITY COLLEGE DISTRICT

Mt. San Jacinto Community College District 2014 Bond Election Tax Rate Statement

An election will be held in the Mt. San Jacinto Community District (the “District”) on November 4, 2014, to authorize the sale of up to \$295,000,000 in bonds of the District to finance facilities as described in the proposition. If the bonds are approved, the District expects to issue the Bonds in multiple series over time. Principal and interest on the bonds will be payable from the proceeds of tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400 through 9404 of the California Elections Code.

1. The best estimate of the tax which would be required to be levied to fund this bond issue during the first fiscal year after the sale of the first series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is \$0.01320 per \$100 (\$13.20 per \$100,000) of assessed valuation in fiscal year 2015-16.
2. The best estimate of the tax rate which would be required to be levied to fund this bond issue during the first fiscal year after the sale of the last series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is \$0.01320 per \$100 (\$13.20 per \$100,000) of assessed valuation in fiscal year 2024-25.
3. The best estimate of the highest tax rate which would be required to be levied to fund this bond issue, based on estimated assessed valuations available at the time of filing of this statement, is \$0.01320 per \$100 (\$13.20 per \$100,000) of assessed valuation, which is projected to be the same in every fiscal year that the bonds remain outstanding.

Voters should note that estimated tax rates are based on the ASSESSED VALUE of taxable property on the County's official tax rolls, not on the property's market value, which could be more or less than the assessed value. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Certain taxpayers may also be eligible to postpone payment of taxes. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that the foregoing information is based upon the District's projections and estimates only, which are not binding upon the District. The actual tax rates and the years in which they will apply may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The dates of sale and the amount of bonds sold at any given time will be determined by the District based on need for construction funds and other factors. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

IMPARTIAL ANALYSIS OF MEASURE “AA”

The Board of Trustees (“Board”) of the Mt. San Jacinto Community College (“District”) by adopting Resolution No. 2014/15-001 (“Resolution”), elected to call an election pursuant to Section 18 of Article XVI and Section 1 of Article XIII A of the California Constitution and Section 15100 and 15624 *et seq.* of the California Education Code to obtain authorization to issue and sell general obligation Bonds (“Bonds”) in the aggregate amount principal amount of two hundred and ninety-five millions dollars (\$295,000,000).

A “YES” vote on Measure “AA” is a vote to allow the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

ARGUMENT IN FAVOR OF MEASURE “AA”

In the last four years, the state has cut millions of dollars from Mt. San Jacinto Community College. We won't stand for this, and can't rely on Sacramento politicians to help our local colleges—vote **YES on “AA”**!

Do you think it's difficult to get a job in today's slowly recovering economy? We sure do! Vote **YES on “AA”** to expand essential job training and workforce preparation skills in nursing, science, technology, engineering and math to meet the needs of our local, regional employers. A skilled workforce helps attract more high paying jobs and businesses to our region.

YES on “AA” ensures that our tax dollars stay local to address our area's educational and job training needs. Sacramento is legally prohibited from taking Measure “AA” funds!

YES on “AA” helps provide job training and education for our returning military veterans. It is shameful how the federal government is treating our war veterans. Mt. San Jacinto College is a national leader in helping returning veterans reintegrate with their education and careers. It upgrades and expands veteran services and job training so returning veterans receive the support they need to complete their education and enter the civilian workforce.

YES on “AA” will:

- Improve our nationally-recognized, award-winning education by expanding our transfer preparation and career training opportunities/increasing partnerships with area employers to fill local job training needs
- Benefit students from EVERY region in the District
- Double the college's student capacity
- Upgrade leaky roofs and bathrooms
- Upgrade outdated nursing labs, paramedic, 9-1-1, law enforcement and job training classrooms
- Ensure disabled accessibility

YES on “AA”'s strict Fiscal Accountability requirements include an expanded Independent Citizens' Oversight Committee and annual financial audits ensuring money is spent as promised. No money will go towards salaries or pensions and ALL money will stay local to address our region's education and job training needs.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “AA”

While State Funding was curtailed following the “Great Recession,” Bond Proponents Falsely Argue that MSJC received only cuts during the past 4 years. Rather, the 2014-15 State Budget increases Funding by almost \$1 Billion, or about 11 Percent over the previous year. “I’m calling it a Grand Slam,” said Scott Lay, President of the Community College League of California, a Nonprofit Association for Community College Districts Statewide. “It freezes tuition and brings us back to the Funding Levels of 2007-2008.” Budget Increases Include:

- \$155.2 Million to fund a 3 percent restoration of access allowing Colleges to add approximately 70,000 students.
- \$48.5 Million to fund a Cost of Living Adjustment of 0.86 percent.
- \$175 Million for deferred maintenance and instructional equipment.
- \$235.6 Million reduction in payment deferrals, combined with \$356.8 million proposed in one-time funds for this purpose.
- \$39 Million in Proposition 39 funds for energy efficiency and workforce development projects.
- \$2.5 Million for local technical assistance supporting implementation of effective student success practices, with priority placed on underperforming districts.
- \$1.1 Million and nine new Chancellor's Office positions to develop student success indicators and monitor College/District performance.
- \$50 Million in one-time funding for incentive awards recognizing models of innovation in Higher Education.
- NO student fee increase for the 2014-15 Academic Year.

State Funding is Rebounding to Pre-Recession Levels. It's the **WRONG** time to Burden Locals with More Debt and Higher Taxes. Please **Vote NO on Measure “AA”**

ARGUMENT AGAINST MEASURE "AA"

A vote in favor of this Controversial Bond Measure means Higher Taxes. Measure "AA" means that **WE** Assume the Obligation to Repay \$Millions of Dollars in Debt issued on behalf of Mt. San Jacinto Community College – in addition to Interest and Debt Servicing – which makes Payback on Bonds as high as 1½ to 2 times the Original Debt. So although MSJC will have roughly \$300 \$Million to Spend, the Money **WE** are Obligated to Repay could reach nearly \$600 \$Million – which Bottom Line remains Unknown because MSJC Neglects to Disclose specifics of this 'Minor' detail. Bond issuers and Wall Street types are Salivating over Stuffing their pockets full of Your Cash.

Measure "AA" also means **OUR** Homes become Collateral for Repayment of these Bonds. Bond Holders gain a legal Right to Foreclose and Auction off **OUR** Homes to Secure Debt Payments in event of Default. So if You become short on Funds and choose "Extravagances" such as food, clothing, health care, rent, car payments or gasoline over Repaying MSJC's Bond, You will risk Foreclosure and having Your Home Sold off at a Public Auction to Repay Bonded Indebtedness.

Measure "AA" is swirling in Controversy even before ink dries on the ballots. The MSJC Board of Trustees could Not even reach a consensus on their Decision to load You Down with more Debt. The vote was 4-1, with Trustee Eugene Kadow voting **NO on Bonds**.

MSJC is among the Lowest performing Junior Colleges Statewide. They manage resources Poorly and have left \$Millions in State Funding on the table by Failing to increase Class Sections. Now they want You to Backfill their Underperformance with Bonds – Adding ways for You to Lose your \$Money and Possibly even Your Home. Enough is enough. StopTheMoneyGrab.com

IMPARTIAL ANALYSIS OF MEASURE “K”

Measure “K”, if approved by a majority of the voters, will increase the Mayor’s salary for the 2014-2016 term of office to \$9,000 annually and will permit future increases in the Mayor’s compensation in the same manner as currently permitted by Elections Code 36516 for all other members of the City Council, adjusted, if necessary, to assure that the Mayor earns \$100 per month more than other members of the Council.

Government Code Section 36516.1 permits the voters to set compensation for a directly elected Mayor at any level selected by the voters. Measure “CC”, adopted by Menifee voters in 2010, set compensation for the Mayor at \$8,000 annually (\$666 per month) with no mechanism for future adjustment in compensation. Base salaries for other members of the City Council, who are elected by electoral districts, was originally set in accord with the provisions of Government Code Section 36516 at \$6,000 per year (\$500 per month).

Measure “CC” created a clear distinction in salary between the Mayor, who is elected by all voters in Menifee, and other members of the council who are elected by one of four voting districts. Unless Measure “CC” is amended to include a method for adjustment of the Mayor’s salary that goal will soon be frustrated.

Section 36516 provides that a City Council may increase compensation for members of the City Council by up to 5% per year and for increased population, but that any increase may only be implemented when a new term of office begins. Under the provisions of Government Code Section 36516, the City Council has approved an increase in compensation for district-elected members of the City Council that will take effect after the November election in 2014. That legally permitted increase will raise salaries for district-elected members of the City Council to \$650 per month (\$7,800 per year) reducing the differential between Mayoral income and councilmember income to \$16 per month. Should additional increases be authorized in the future, councilmember salaries will exceed the fixed salary of the Mayor.

Because Measure “CC” was enacted by a vote of the people, it can only be repealed or amended through the election process. The City Council has prepared this initiative measure in accord with Elections Code Section 9222 to permit salary adjustments to the fixed salary set forth in Measure “CC” for the Mayor.

If enacted, Measure “K” will increase the cost to the City for compensating the Mayor from \$8,000 per year to \$9,000 per year for the 2014-2016 term of office. Thereafter, increases of up to 5% annually may be approved for the position of Mayor by the City Council as permitted by Government Code Section 36516.

The above statement is an impartial analysis of Measure “K”. If you desire a copy of the measure, please call the Menifee City Clerk’s office at (951-672-6777) and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE “K”

Measure “K” is a City Council sponsored initiative that will restore the recognition voters intended for a directly elected Mayor. It is important that current law be changed so that the Mayor is equitably compensated. Our city should not shortchange our elected leaders.

When the City voted to create electoral districts, a salary of \$6,000 per year was set for each district-elected Councilmember, subject to increases permitted by California law. A separate initiative measure set the salary for the Mayor at \$8,000 per year but did not include a provision allowing any increase over time.

The City Council has since approved a statutory increase of 5% per year for district-elected members of the City Council, increasing their salaries to \$7,800 in 2014. Unless Measure “K” is passed, the Mayor will fall behind in compensation if another increase is approved for district-elected Councilmembers, contrary to the intent of the ballot measures and good sense.

The Mayor is the only member of the City Council who is elected by all the people of Menifee. That stature alone justifies higher compensation. California law recognizes that principle and allows the electorate to set any compensation it chooses for a directly elected Mayor. Measure “K” will guarantee a \$1,200 annual difference between district-elected members of the City Council and our Mayor who is elected at-large.

Menifee should treat its elected officials fairly and abide by state law as to adjustments of compensation for the Mayor. This is not a matter that should be at issue in a reasonable community. The City Council urges voters to VOTE YES on Measure “K” for sound and equitable government that recognizes a distinction between a Mayor elected by all the people of our community and district-elected members of the City Council.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “K”

Measure “K”, is Council sponsored, a complete contradiction to 4 by districts and Mayor elected at large that was a sponsored initiative by the voters of Menifee in 2010 that restored the power to the people to elect the Mayor, determine Salary and term of Office.

California law recognizes that the electorate can set any compensation it chooses for a directly elected Mayor. The electorate had a choice between \$8,000.00 and \$10,000.00 and with informed knowledge decided \$8,000.00 was fair and equitable compensation for the Mayor.

The Mayor Salary as approved by the voters of Menifee did recognize there is no distinctions between the Mayors duties and other Council members. One vote per council member . The only difference is the people elect the mayor instead of the City Council.

The taxpayers of Menifee pay for all the Mayors travel expense, hotels, meals, etc. The Mayor has no out of pocket expenses and receives fair and equitable compensation.

The State Law allowing a 5% adjustment of Compensation for Council members is not automatic. The city Council can accept or reject that increase.

If Measure “K” passes the Mayor salary would be \$9,600.00 in one year and \$11,280.00 in two years the complete opposite of what the people voted and approved for the Mayors compensation. No end to pay hikes or the burden imposed on the taxpayer if measure “K” should pass.

VOTE NO ON MEASURE “K” AND SAVE THE TAXPAYERS MONEY

By: Anne E. Pica

ARGUMENT AGAINST MEASURE "K"

Argument against measure "K" and why the voters of Menifee should vote NO. The Mayors compensation was decided by the people at the November 2, 2010 election where voters were given the opportunity to decide between \$8,000.00 or \$10,000.00 a year. The people voted for \$8,000.00 Salary for the Mayor.

Now the Mayor and City Council have decided they don't care what the voters approved they want more money.

Measure "K" is very deceitful, calling an amendment to measure "CC" when it was measure "AA" on the ballot that passed, all in an effort to overthrow the vote of the people.

As the author of measure "AA" the only difference is the people elect the Mayor, term of office and salary not the Council.

Measure "K" gives the mayor a 5% increase per year and adds another \$1200.00 per year on top of that. In two years the Mayor would earn a salary of \$11,403.00.

In four years the Mayors salary would be \$15,154.00 and in six years it would be \$19,289.00 paid by the hard working taxpayers of Menifee. It never ends if you pass measure "K" (Salary)

Menifee City is working on a deficit budget for the last 2 years and we cannot afford this back door action by this city council.

Menifee violent crime rate is up 200% and no City funds to increase the Police force according to the Council but they want a double dip pay increase for the Mayor position.

This is complete madness folks no end in sight for pay hikes if measure "K" passes.

the taxpayers of Menifee pay the Mayors travel expenses, hotels, meals, car rentals, etc. Mayor doesn't pay a dime.

MAKE THE TAXPAYERS VOTE IN 2010 COUNT AND MARK NO ON MEASURE "K" ON NOV. 4, 2014.

REBUTTAL TO ARGUMENT AGAINST MEASURE "K"

Seldom have so many misrepresentations appeared in a ballot argument as those set forth by the opponents to Measure "K".

Measure "K" will amend measure "CC", which set compensation for the Mayor at \$8,000 annually with no provision for any increase ever.

If Measure "K" is enacted, it will permit adjustment of the Mayor's compensation over time so that it is always \$100 more per month than whatever increase in compensation the City Council approves for district-elected representatives. There is nothing automatic about the council approved increase that is allowed.

In December 2014, district-elected councilmembers' compensation will be \$650 per month (\$7,200 annually). Under Measure "K", the Mayor's salary would then be set at \$750 per month (\$9,200 annually).

Under California law, the City Council has the authority to increase its compensation by up to 5% annually, but only for prospective terms of office. So, if the City Council increases compensation for district-elected members as allowed by law for the 2016 term by 10% (5% per year) their compensation will increase to \$715 (\$8,580 annually) and the Mayor's compensation will increase to \$815 (\$9,780 annually).

The numbers shown in the Argument Against Measure "K" are patently false and misleading, as are the outrageous statements that Menifee has operated with a "deficit budget" or that the crime rate has increased by 200%.

Do the right thing to assure the Office of Mayor of Menifee is properly compensated as the voters intended in 2010.

Vote YES on MEASURE "K".
