## **IMPORTANT NOTICE TO VOTERS**

In an effort to maintain current voter rolls and reduce waste, the Riverside County Registrar of Voters will be mailing an alternate residency confirmation notice after the November 4, 2008 Consolidated General Election, pursuant to California Elections Code § 2224 that permits removal from the active voter roll the names of those registered voters who have **NOT** voted in any election nor had their registration updated in the preceding four years.

The pre-addressed return postage-paid card **MUST BE RETURNED** to the registrar of voters if he or she wish to remain on the active voter roll. However, if you receive a card for someone who has moved or does not live at the address shown return the card so that we can maintain a current voter file.

Voters who return the notice with an affirmative response will remain on the active list of registered voters.

Voters who do **NOT** respond affirmatively will be placed on an inactive voter list, and they will no longer receive election materials. If they fail to vote in any election between the time they receive the notice and the next two federal general elections, they may be canceled from the voter file.

de efecto invernadero que causan el calentamiento global y nuestra dependencia en petróleo extranjero, ¿se deberán emitir bonos por un valor de \$9.95 mil millones para establecer un servicio limpio y eficiente de trenes de alta velocidad que una el Sur de California, el Valle de Sacramento/San Joaquín y el Área de la Bahía de San Francisco, con un mínimo del 90 por ciento de los fondos de los bonos gastados en proyectos específicos, con fondos de contrapartida privados y públicos requeridos, incluyendo, pero sin limitarse a, fondos federales, fondos provenientes de las recaudaciones de los bonos y fondos locales, y con todos los fondos de los bonos sujetos a auditorías independientes? Impacto fiscal: Costos para el estado de \$19.4 mil millones, suponiendo 30 años para saldar los costos de capital e intereses de los bonos. Los pagos en promedio serían de unos \$647 millones por año. Cuando esté construido, costos operativos y de mantenimiento desconocidos, probablemente de más de mil millones de dólares anuales contrarrestados al menos parcialmente, y posiblemente en su totalidad, por las tarifas de pasajeros.

GOVERNING BOARD MEMBER,  
RIVERSIDE COMMUNITY COLLEGE DISTRICT**

**MARY FIGUEROA**

**AGE: 52**

**EDUCATION AND QUALIFICATIONS:**

As RCC prepares for important changes and expansion amid challenging economic times, the Board needs experienced leaders equipped to make the right decisions.

In my role as Board President, I've seen firsthand how well we've served our communities by providing our diverse student population with accessible educational and occupational opportunities. Now more than ever, helping produce a skilled work force is vital to the health of our local economy.

A Riverside native, UC Riverside graduate and board member since 1995, I've long been proud of RCC's contributions. Others are taking note; *Community College Week* recently ranked us among the top 25 community colleges in the nation in four categories.

We are seeing evidence of our unlimited potential: Moreno Valley and Norco campuses will be accredited as independent colleges next year; we're erecting an \$85 million Nursing/Sciences Building, paid for by Measure C and state funds; and we're strengthening public-private partnerships.

My priorities will continue to be fiscal responsibility, and student access and opportunity, while bolstering RCC's regional role in economic and workforce development.

It's been my honor to work for our students and their future. Please support my efforts to make RCC the college system our community deserves.

GOVERNING BOARD MEMBER,  
RIVERSIDE COMMUNITY COLLEGE DISTRICT**

**MARK A. TAKANO**

**AGE: 47**

**OCCUPATION: Teacher and Riverside Community College Trustee  
EDUCATION AND QUALIFICATIONS:**

Education: Harvard College, Bachelors in Government.

RCC is in good hands.

The District enters the current economic slow down with a strong financial position. While other districts must cut positions, RCC will serve students and workers who need classes and retraining. As the financial situation brightens, hiring more full-time will be a priority.

As the Board's senior member with 18 years experience, I will guide RCC towards implementing important projects such as the Riverside School for the Arts, Allied Health Sciences programs and the Ben Clark Academy in Moreno Valley, Phase II construction at Norco College, and a Hospitality and Culinary Academy in South Corona.

RCC's affordable programs in Nursing and Physician Assistance continue to provide high paying career opportunities. See [www.marktakano.com](http://www.marktakano.com) for a link to an independent analysis of RCC's excellent U.S. Education Department rankings.

RCC will need experienced trustees as Norco and Moreno Valley Colleges apply for full independent accreditation and as the search continues for a permanent chancellor. I led the national search 17 years ago for the previous successful chancellor. I have the judgment and experience to guide the selection of the next one.

Ever honored to serve you, I ask for your vote again.

**CANDIDATE STATEMENT FOR  
GOVERNING BOARD MEMBER,  
CORONA-NORCO UNIFIED SCHOOL DISTRICT**

**JOSE LALAS**

**AGE: 57**

**OCCUPATION: Professor**

**EDUCATION AND QUALIFICATIONS:**

The Corona-Norco School District is facing multiple problems: an uncertain State budget, uneven growth, disparities in academic achievement, and urbanization with growing trends in violence, drugs, and gang activities. The District needs a School Trustee who has the professional experience, academic background, and community involvement to tackle these difficult issues. I am that person.

I was a School Board member from 1990 to 2003 and was instrumental in bringing a collaborative style of problem-solving to the District. I helped to guide the District through previous budget crises without cutting classroom programs. I am a professor at University of Redlands and former classroom teacher. A parent of four students in the Corona-Norco School District, my master's, specialist, and Ph.D. degrees are in education. I am experienced and highly trained to serve our children.

I will pursue more vocational opportunities, parental involvement, and a balanced curriculum that offers not only academics but also critical thinking, vocational training, art, and music for all college or career-bound students.

The Corona-Norco teachers, police, and firefighters have endorsed me to be your school trustee.

I ask you to support my campaign for quality education. Call me at (909) 279-1670 or e-mail me at jose\_lalas@ca.rr.com.

**EDUCATION AND QUALIFICATIONS:**

I have lived and worked in the Corona-Norco Unified School District for over 40 years. I have been married over 40 years and have one daughter. I have served in many capacities in the district including teacher, secondary principal, district administrator and school board member. I have served as a Board delegate and president of the Riverside County School Board's Association.

My BA and MA are from Loma Linda University. The greatest compliment to my formal education is the experience I received "on the job". The time and commitment to the students in the community is my strength.

I have worked to support a quality education for all children. My commitment is to establish or strengthen the school programs so our student achievement continues to improve. Secondly, student safety and housing issues need to be an ongoing commitment.

The welfare of our children must be the major concern in the school community. My experience in education, working with PTA and involvement in the community provide me with a broad base to accomplish a positive education for children. Helping to make a positive difference for children is my goal.
