IMPORTANT NOTICE TO VOTERS

In an effort to maintain current voter rolls and reduce waste, the Riverside County Registrar of Voters will be mailing an alternate residency confirmation notice after the November 4, 2008 Consolidated General Election, pursuant to California Elections Code § 2224 that permits removal from the active voter roll the names of those registered voters who have **NOT** voted in any election nor had their registration updated in the preceding four years.

The pre-addressed return postage-paid card **MUST BE RETURNED** to the registrar of voters if he or she wish to remain on the active voter roll. However, if you receive a card for someone who has moved or does not live at the address shown return the card so that we can maintain a current voter file.

Voters who return the notice with an affirmative response will remain on the active list of registered voters.

Voters who do **NOT** respond affirmatively will be placed on an inactive voter list, and they will no longer receive election materials. If they fail to vote in any election between the time they receive the notice and the next two federal general elections, they may be canceled from the voter file.

CANDIDATE STATEMENT FOR MEMBER OF THE STATE ASSEMBLY, 66TH ASSEMBLY DISTRICT

KEVIN D. JEFFRIES, Republican AGE: 47
OCCUPATION: California State Assemblyman
EDUCATION AND QUALIFICATIONS:

Nearly two years ago I campaigned door to door to ask for the privilege of representing you in the California State Assembly. During the campaign I made a commitment that I would NOT vote to raise your taxes, nor would I support giving away our tax dollars to illegal immigrants. I'm proud to say I have kept those commitments while representing you in Sacramento.

As a fiscal conservative, small business owner, family man, long time resident and Volunteer Fire Captain, I have stood firm in the fight to protect taxpayers, families and our homes.

While serving in the California State Assembly I have been a strong voice in the effort to return California to a pro-jobs / pro-small business environment. My voting record has earned some of the highest grades possible from respected groups like the Howard Jarvis Taxpayers Association, California Taxpayers Association, California Farm Bureau and the California Chamber of Commerce.

As our State struggles with tough economic times, you can be assured that I will remain a strong voice for our communities and the wise use of our hard earned tax dollars for essential public safety services, keeping violent felons and sex offenders off our streets, badly needed freeway improvements, critical upgrades to our statewide water delivery system, and I will oppose any efforts to increase taxes on gasoline (again).

I would be honored to continue serving you as your State Assemblyman.

Respectfully,

Kevin Jeffries

CANDIDATE STATEMENT FOR MEMBER OF THE STATE ASSEMBLY, 66TH ASSEMBLY DISTRICT

GREY FRANDSEN, Democratic AGE: 30
OCCUPATION: CEO / Co-Owner of Small Business
EDUCATION AND QUALIFICATIONS:

More Leadership. No more politics-as-usual.

Our District requires new leadership to tackle our region's toughest challenges and to make government more accountable. I intend to provide that leadership and that's why Democrats, Republicans, and Independents are supporting our campaign for real and effective representation.

We must *fight hard* to protect working families, small businesses, teachers, and the elderly in this tough economy.

We must:

- ☐ Generate new high-quality jobs in the region;
- ☐ Protect home ownership;
- ☐ Reduce traffic congestion - now;
- ☐ Fight the proposed Liberty Quarry;
- ☐ Fight the state's massive budget deficit; and
- ☐ Enhance safety and fire protection services.

Not Politics-as-Usual

What we don't need is more politics-as-usual by long-time political operatives on either side of the political spectrum. We know that doesn't work! That's why this election isn't about being Democrat or Republican. It's about determining who best can lead across political lines to *actually get things done*.

The Experience to Lead - Locally and Nationally

I am a small business owner in Riverside and live in Temecula. I served the U.S. Government around the world with distinction after 9/11 on the toughest national security issues facing our country. I am a proud graduate of RCC, UCLA and Johns Hopkins University.

My proudest achievement, of course, is my family - I am lucky to be married to my incredible wife and we have two lovely young children. They're the reason I'm running.

NOW, LETS GET TO WORK!

SUSAN E. SCOTT

AGE: 51

OCCUPATION: Middle School Principal

EDUCATION AND QUALIFICATIONS:

As a parent, a grandparent, and an educator, I am concerned about the future of students in our district. It is crucial for our students to compete in a global, technologically advanced, and competitive society. Our students need more opportunities than simply college preparations or basic remediation. Our students deserve an education that prepares them for the challenges of their future.

In today's economic climate, it is extremely important that the district maximize the dollars that reach the classroom. As a Board Member, I will use my experience in private sector management and as a principal to insure that we allocate more money for educating students in the classroom and less at the District Office. All expenditures need to be in line with a district-wide vision where students come first.

My experiences have prepared me to meet the challenges and make the decisions that face school board members. I want my grandchildren to attend schools in this district that provide a superior educational experience. I know that only by bringing together and working with parents, teachers, classified staff, and administration will we be able to accomplish this goal. I ask for your vote on November 4.

JON GRAY

AGE: 46

OCCUPATION: Incumbent / Deputy Sheriff

EDUCATION AND QUALIFICATIONS:

Four years ago, when I was elected to the School Board, I was asked why I wanted to be a Board Member. My answer was simple. As a Father of three kids in Lake Elsinore Schools, and a Deputy Sheriff, I wanted to make a difference for all of the kids who attend our schools. I believe that I have made a difference and am very proud of what our district has accomplished. Five of our schools have been named California Distinguished Schools and test scores have risen dramatically. Last year, the Lake Elsinore Unified School District exceeded all of the requirements of the Federal Government's "No Child Left Behind" program, for the first time. This year, we far exceeded those requirements. These achievements would not have been possible if I, along with other Board Members, had not supported policies that put the academic needs of students first and, gave teachers the tools that they need to be successful. If reelected, I will continue to support policies that put students first, hold employees accountable and, even in tough economic times, keep this district financially sound. JEANIE B. CORRAL

AGE: 65

OCCUPATION: Incumbent / Writer

EDUCATION AND QUALIFICATIONS:

It's been my great honor to represent our District for the past 20 years. In that time, I helped oversee significant growth in student enrollment and facilities to meet the needs of our community.

There are a number of key issues facing education today. First and foremost is securing adequate state and federal funding to provide the quality education our children deserve. Local tax money needs to stay at home and not be held hostage by state legislators. Qualified teachers and necessary materials must be funded.

I hold Bachelor's and Master's degrees from Cal State Fullerton, as well as Master's degrees in Boardsmanship and Governance, the highest degrees conferred by the California School Boards Association.

Our school District, like others, has faced a host of challenges, including meeting state and federal requirements regarding student achievement and we have successfully closed gaps to ensure that our children learn what they will need to be competitive in the 21st Century.

During the past 12 years, I've co-chaired the Unity in Community parade. In addition, I serve on educational committees at the county and state level.

My husband is a retired teacher and all five of our children graduated from our schools.

GOVERNING BOARD MEMBER,

TINA CULLORS

AGE: 42

OCCUPATION: Director of Facilities

EDUCATION AND QUALIFICATIONS:

As the mother of two children in the District, and one graduate of LEUSD schools, I am intensely aware of the challenges we face in preparing students for the future. We must insure that our students are ready for the challenges of an ever-changing global society. As a Board Member, I will work with students, parents and teachers to establish ways to prepare our students for success. In addition, I will also make certain that parents are a welcome part of the educational process.

While we must continue to raise test scores, this cannot be the only function of the District. We must expand our students' opportunities for career exploration and strengthen the District's commitment to vocational and technical training. We must emphasize that ALL students have the opportunity to maximize their educational potential.

I have worked for 23 years in education and for the past 8 years in facilities management. I realize that successful schools are more than buildings. They are the combined efforts of students, teachers, and parents working to create a climate of success. I ask for your vote on November 4 so that together we can create that climate in Lake Elsinore.

CITY COUNCIL MEMBER,
CITY OF LAKE ELSINORE**

BOB MAGEE

AGE: 45

**OCCUPATION: Councilman / Businessman
EDUCATION AND QUALIFICATIONS:**

As a Councilmember, local businessman and long time resident, I have been a vocal champion for a well-planned Lake Elsinore, insisting on public safety improvements, parkland for our children and numerous road improvements.

My achievements in office include:

- Balancing the budget;
- Doubling financial commitment to law enforcement;
- Constructing a new fire station;
- Constructing three new parks;
- Improving code enforcement and graffiti removal programs; and
- Revitalizing the city's beach.

As a member of the County's Transportation Commission, I have worked hard to protect and preserve our neighborhoods by implementing traffic calming measures including: Improvements at Railroad Canyon Road and I-15; Widening of Highway 74; Signalization at Ortega Highway and Grand Avenue; and Securing funding to improve the Highway 74/I-15 Interchange.

I have worked to bring more shopping and dining opportunities to the valley, and the jobs that have followed.

I have also worked to revive and maintain our Lake's elevation and improve its water quality.

With your help, I would like the opportunity to continue to serve the residents and businesses of Lake Elsinore as a member of the City Council.

STEVE MANOS

**OCCUPATION: Business Owner
EDUCATION AND QUALIFICATIONS:**

Our City Council must provide better public safety, better spending discipline, and better business relations in the coming years.

I will raise the bar on public safety in several areas. Graffiti plagues our city and indicates that we must take aggressive action to reduce gang activity in our community. A Major Disaster Plan for our residents has not been put into action due to budget concerns. Our City's bridges and roadways are deteriorating to dangerous levels. We can not afford to ignore these safety issues.

I will be a voice for spending discipline and pledge to protect your tax dollars as your City Councilmember. I majored in Business Economics at UCLA and my business focus is on real estate development. My education and business experience give me a unique perspective on what lies ahead. I urge you to put that experience to work for you.

As a 21 year resident of this City, I recognize how important it is to protect and promote our City's heritage and tourist appeal. I would oppose new taxes and expand City revenues by attracting new business and quality development through better business relations.

**OCCUPATION: Veteran
EDUCATION AND QUALIFICATIONS:**

As a 10-year U.S. Navy veteran, mother of five, MBA graduate, and former PTA president, I understand the value of public service. I have first-hand experience in understanding how important it is to work together with many different types of people in decision-making processes.

I will work hard to protect the quality of life of all Lake Elsinore neighborhoods. I hold a strong commitment to managing growth, providing business opportunities, and preserving our safety. Maintaining a healthy city budget must be top priority.

As your council member, I will work to maintain balance and fairness in city government. Lake Elsinore is a terrific city with a great future. Realizing our full potential requires inclusion of all our citizens in the process.

We must continue to improve our lake and parks, and strive to grow our city. We must insure our zoning laws reflect that future planning decisions made are for the benefit of the people who live here. We must also exercise careful consideration of the environmental health and sustainability of our lake and our community.

I will continuously seek your involvement, respect your point of view, and I will remember that *it is a privilege to work for you*.

I have been a resident of Lake Elsinore since 1979 and have an acquired understanding of the City's development over the past three decades.

I have owned a business within the City, raised a family, served as a community volunteer, an event organizer and founded the annual Lake Elsinore Mayor's Prayer Breakfast, which is now in its eighth year.

Currently, I am the Corporate Director for a business involved in developing custom home properties within the City of Lake Elsinore.

My goal will be to ensure that our City continues to grow with balance and synergy between all sectors of government, business, schools, housing, churches, parks and land preservation. I will work toward unifying our community behind a solid, realistic, well developed plan which is relative to our City's unique DNA. The City of Lake Elsinore is currently at a crossroads. Dear Neighbor:

As Vice-Chairman for the Planning Commission, I often hear comments regarding the downturn of our local economy.

While it may be true that our housing and commercial development has a significant effect on our City, it is essential that long-range comprehensive planning is consistent with the goals and objectives for the future of Lake Elsinore.

The character of any community challenges require a positive role in our community relations. Being accessible and receptive will link opportunities to our City. Future prosperity for generations to come, depends on the framework set by elective officials.

On November 4th, this vision will be in your hands. You will elect three new council members to office.

I am committed to excellence and accountable for maintaining public confidence in a honest and efficient manner.

I am responsible and have the courage to protect the public's interest from personal gains and will carry out my duties on behalf of the public's interest first.

The challenges to enhance the quality of life are based on the safety and welfare of our community. I am ready to establish a clear course of direction and to provide a vision for the foreseeable future.

The City needs to be developed as a whole. I want our City to be a desirable place for people to live and raise their families.

MIKE NORKIN

OCCUPATION: Photographer

EDUCATION AND QUALIFICATIONS:

I have enjoyed living and working in Lake Elsinore since 2002 when I moved my business here. I serve on the board of directors of the Lake Elsinore Chamber of Commerce, as a volunteer for the Trauma Intervention Program, a member of the Lake Elsinore Rotary Club and the Chairman of the Public Safety Advisory Commission (PSAC). During my two-year term on the PSAC, we have recommended many new ordinances including:

- New graffiti ordinance increasing fines, sales restrictions & mandatory cleanup
- Park Smart program restricting large vehicles such as motor homes & rv's from taking permanent residence on city streets
- Loud party ordinance
- Lake Safety: High Speed Zone speed limit, Loaner Life Jackets, Ramp and Dock attendants for public boat launch
- School traffic safety

If elected to the City Council, I will ensure that the interests of city residents come first. I am pro-business and pro-development, but neither can come at the price of residents. Accountability of city hall, a balanced budget, roads and infrastructure, youth programs and the arts are all key items to me.

EDUCATION AND QUALIFICATIONS:

My family has a rich tradition of community service in Lake Elsinore. My wife, father, mother, and brother have been president of the historic society, the chamber of commerce, the woman's club and rotary respectively. For the last five years, I have been Vice Chairman and Chairman of the Lake Elsinore Planning Commission. Additionally, I have served on branding and General Plan committees.

Personally, I am married with two children. I own O'Neal Insurance which has been a fixture in Lake Elsinore for thirty years. I have been a community college instructor, president of the college's employee union, ex-officio member of the college's board of trustees, and contract negotiator.

After many conversations with new and old friends, we have outlined the importance of civic responsibility, leadership, duty and pride. We have shared our concerns and common sense solutions about fiscal prudence, public safety, traffic mitigation, rapid transit and self-government. Clearly, we have determined effective leadership requires a demonstrated commitment to community service, the ability to effectively plan for the next decade, and to maintain the critical linkages between the historic, and the new.

Together we are a force positive. Your vote is important, please join our team.

CANDIDATE STATEMENT FOR DIRECTOR, ELSINORE VALLEY MUNICIPAL WATER DISTRICT, DIVISION 4 PHIL WILLIAMS AGE: 48 OCCUPATION: Small Businessman EDUCATION AND QUALIFICATIONS: As your Director of EVMWD, I have experience applying common sense policies. I seek spending cuts instead of rate increases. Living in the Valley for over forty-eight years, I know how important dependable water resources are. Adequate water pressure and reasonable water and sewer rates are my priorities for your safety and service. I've seen how growth strains on our local resources, and I've worked hard to insure new development pays its own way. I have helped cut anticipated sewer increases by \$2.00 per month, District-wide. I've assisted in prudent decisions concerning retirement systems, resulting in annual savings for EVMWD of \$750,000, while maintaining a strong and efficient workforce. I encouraged use of solar power to support operations and help the environment. I have the experience needed to get us through this water crisis. We don't want water rates to be like gas prices; doubling in less than six months. I'm a Director that supports continued cost cutting measures and "The Right to Vote on Taxes Act". I respect your hard earned tax dollars and would be honored to continue as your Director on EVMWD's Board. I would appreciate your support and vote. Small Businessman, Director Phil Williams	CANDIDATE STATEMENT FOR DIRECTOR, ELSINORE VALLEY MUNICIPAL WATER DISTRICT, DIVISION 4 RICHARD L. KNAPP SR. AGE: 67 OCCUPATION: Real Estate Agent & Accountant EDUCATION AND QUALIFICATIONS: I am running for the Division 4 Director position because I believe it's <i>time for change in the leadership of EVMWD</i>. With the drought and issues in the Delta, we need to focus more on alternative water resources and conservation. Another of my goals is to stop the LEAPS project and get back our \$6M. All reports show the pumped storage project is not financially viable and I believe the series of LEAPS Power towers that the District is promoting to be run parallel to Horsethief Canyon and across the face of the mountains must be STOPPED. Educated in accounting, I was the Accounts Payable Manager for one of the largest manufacturing companies west of the Mississippi. I have also worked within the community for 30 years in real estate. I am retired but still active in the community and have spent over 25 years trying to make Lake Elsinore a stronger community. Some of my many accomplishments are: Treasurer for the City of Lake Elsinore from 1995 to 1999 and Paving 4 miles of Country Club Heights roads.
