## **IMPORTANT NOTICE TO VOTERS**

In an effort to maintain current voter rolls and reduce waste, the Riverside County Registrar of Voters will be mailing an alternate residency confirmation notice after the November 4, 2008 Consolidated General Election, pursuant to California Elections Code § 2224 that permits removal from the active voter roll the names of those registered voters who have **NOT** voted in any election nor had their registration updated in the preceding four years.

The pre-addressed return postage-paid card **MUST BE RETURNED** to the registrar of voters if he or she wish to remain on the active voter roll. However, if you receive a card for someone who has moved or does not live at the address shown return the card so that we can maintain a current voter file.

Voters who return the notice with an affirmative response will remain on the active list of registered voters.

Voters who do **NOT** respond affirmatively will be placed on an inactive voter list, and they will no longer receive election materials. If they fail to vote in any election between the time they receive the notice and the next two federal general elections, they may be canceled from the voter file.

SAFE, RELIABLE HIGH-SPEED PASSENGER TRAIN BOND ACT. To provide Californians a safe, convenient, affordable, and reliable alternative to driving and high gas prices; to provide good-paying jobs and improve California's economy while reducing air pollution, global warming greenhouse gases, and our dependence on foreign oil, shall \$9.95 billion in bonds be issued to establish a clean, efficient high-speed train service linking Southern California, the Sacramento/San Joaquin Valley, and the San Francisco Bay Area, with at least 90 percent of bond funds spent for specific projects, with private and public matching funds required, including, but not limited to, federal funds, funds from revenue bonds, and local funds, and all bond funds subject to independent audits? Fiscal Impact: State costs of \$19.4 billion, assuming 30 years to pay both principal and interest costs of the bonds. Payments would average about \$647 million per year. When constructed, unknown operation and maintenance costs, probably over \$1 billion annually; at least partially, and potentially fully, offset by passenger fares.

**EDUCATION AND QUALIFICATIONS:**

California Voters,

I have "A Real Direction" for District 37. I am the candidate that produces results! Our district is in grave need of educational resources, veteran and senior services, crime prevention, healthcare services, rapid transportation, economic stability, and family financial security. I am ready to work with our elected State officials to complete this task using sensible planning.

My education and experience includes: Army Veteran, School Counselor/Educator, Computer Systems Technologist for 25 years, Air Quality Management controller, Trails Open Space and Beautification Commissioner, Geographic Information Systems Operator, Health Care services, Community Volunteer, and Laborer.

My work provides me with great flexibility in various professions to make logical and well planned working solutions for District 37. It's time to move forward not backward! Your vote will get us back on our feet economically with my Environmental, Educational, and Transportation Technology Plan.

I am Endorsed by the California Labor Federation (AFL-CIO), The California Federation of Teachers, COPE, Communication Workers of America, and The California Democratic Party.

As State Senator and citizen, being aware of our State's shortfalls, I will create new long-term programs for families, business, and workers. My neighbors of Riverside County it's time to get what is long overdue our County through State and Federal funding. Your voice needs to be heard. I am committed to work hard and listen to your concerns 100%. It's time to move and change towards a new direction for the people of District 37. I am the Democrat to do just that!

**CANDIDATE STATEMENT FOR  
GOVERNING BOARD MEMBER,  
RIVERSIDE COMMUNITY COLLEGE DISTRICT**

**MARY FIGUEROA**

**AGE: 52**

**EDUCATION AND QUALIFICATIONS:**

As RCC prepares for important changes and expansion amid challenging economic times, the Board needs experienced leaders equipped to make the right decisions.

In my role as Board President, I've seen firsthand how well we've served our communities by providing our diverse student population with accessible educational and occupational opportunities. Now more than ever, helping produce a skilled work force is vital to the health of our local economy.

A Riverside native, UC Riverside graduate and board member since 1995, I've long been proud of RCC's contributions. Others are taking note; *Community College Week* recently ranked us among the top 25 community colleges in the nation in four categories.

We are seeing evidence of our unlimited potential: Moreno Valley and Norco campuses will be accredited as independent colleges next year; we're erecting an \$85 million Nursing/Sciences Building, paid for by Measure C and state funds; and we're strengthening public-private partnerships.

My priorities will continue to be fiscal responsibility, and student access and opportunity, while bolstering RCC's regional role in economic and workforce development.

It's been my honor to work for our students and their future. Please support my efforts to make RCC the college system our community deserves.

**CANDIDATE STATEMENT FOR  
GOVERNING BOARD MEMBER,  
RIVERSIDE COMMUNITY COLLEGE DISTRICT**

**MARK A. TAKANO**

**AGE: 47**

**OCCUPATION: Teacher and Riverside Community College Trustee**

**EDUCATION AND QUALIFICATIONS:**

Education: Harvard College, Bachelors in Government.

RCC is in good hands.

The District enters the current economic slow down with a strong financial position. While other districts must cut positions, RCC will serve students and workers who need classes and retraining. As the financial situation brightens, hiring more full-time will be a priority.

As the Board's senior member with 18 years experience, I will guide RCC towards implementing important projects such as the Riverside School for the Arts, Allied Health Sciences programs and the Ben Clark Academy in Moreno Valley, Phase II construction at Norco College, and a Hospitality and Culinary Academy in South Corona.

RCC's affordable programs in Nursing and Physician Assistance continue to provide high paying career opportunities. See [www.marktakano.com](http://www.marktakano.com) for a link to an independent analysis of RCC's excellent U.S. Education Department rankings.

RCC will need experienced trustees as Norco and Moreno Valley Colleges apply for full independent accreditation and as the search continues for a permanent chancellor. I led the national search 17 years ago for the previous successful chancellor. I have the judgment and experience to guide the selection of the next one.

Ever honored to serve you, I ask for your vote again.
