IMPORTANT NOTICE TO VOTERS

In an effort to maintain current voter rolls and reduce waste, the Riverside County Registrar of Voters will be mailing an alternate residency confirmation notice after the November 4, 2008 Consolidated General Election, pursuant to California Elections Code § 2224 that permits removal from the active voter roll the names of those registered voters who have **NOT** voted in any election nor had their registration updated in the preceding four years.

The pre-addressed return postage-paid card **MUST BE RETURNED** to the registrar of voters if he or she wish to remain on the active voter roll. However, if you receive a card for someone who has moved or does not live at the address shown return the card so that we can maintain a current voter file.

Voters who return the notice with an affirmative response will remain on the active list of registered voters.

Voters who do **NOT** respond affirmatively will be placed on an inactive voter list, and they will no longer receive election materials. If they fail to vote in any election between the time they receive the notice and the next two federal general elections, they may be canceled from the voter file.

STATEMENTS OF LEGISLATIVE CANDIDATES SEEKING PARTISAN OFFICE

CANDIDATE STATEMENT FOR MEMBER OF THE STATE ASSEMBLY, 80TH ASSEMBLY DISTRICT

MANUEL PEREZ, Democratic EDUCATION AND QUALIFICATIONS:

My name is Manuel Perez, I am the Democratic Nominee for the State Assembly and I would be honored to have your support.

I grew up in Riverside County and I understand the struggles of working families. My parents were farm workers who taught me the importance of a good education and the value of hard work.

After graduating from U.C. Riverside I came home to teach and coach before earning my Masters in Education from Harvard University.

Now I live in Coachella with my wife Gladis and our two sons. As a School Board Member and Healthcare Director I've worked hard to deliver:

- \$250 million to modernize classrooms and build new schools
- New jobs and economic development
- Healthcare for children and seniors
- Fiscal leadership by balancing a multi-million dollar budget

As your Assemblymember, I will bring new leadership and fresh ideas to solve the challenges we face: creating new jobs, improving schools, and expanding healthcare.

I'll take on the Sacramento bureaucrats and fight for our fair share. We've been underrepresented for too long. Now is time for positive change.

**CANDIDATE STATEMENT FOR
GOVERNING BOARD MEMBER,
DESERT COMMUNITY COLLEGE DISTRICT, TRUSTEE AREA 2**

PAUL E. MILLER

OCCUPATION: Pastor

EDUCATION AND QUALIFICATIONS:

"If you want to have a good future, get a good education." College of the Desert exists for that very purpose, namely to provide the very best education opportunities. Therefore, I desire to serve on the Board of Trustees.

I have been an active leader in education as Student Body President at both a California community college and graduate school.

My wife, Karen, and I have been residents of the valley for 13 years, and I serve as pastor of Christ Lutheran Church. I have been chaplain for the Desert Hot Springs Police Dept. since 1997.

I am a strong proponent of the public safety and nursing programs at COD. As well, I strongly encourage additional emphasis on skills development and basic education to meet the needs of all Coachella Valley citizens.

New facilities' projects coming to fruition, such as east and west valley centers, are cause for great excitement. My platform follows:

- Fiscal Responsibility
- Encourage current leadership
- Quality Education for All
- Student Priority
- Community College Concept

**CANDIDATE STATEMENT FOR
GOVERNING BOARD MEMBER,
DESERT COMMUNITY COLLEGE DISTRICT, TRUSTEE AREA 2**

CHARLES H. HAYDEN, JR.

EDUCATION AND QUALIFICATIONS:

When I joined the Governing Board of College of the Desert I pledged to always consider students first, insure quality classroom teaching and strive for strong fiscal policies. I have, throughout my years of service, kept my pledges. For Example:

Our college academic transfers exceeded the state average. COD offers a wide range of occupational and certificate programs and professional business classes through the Training and Development Center

I have promoted programs for senior citizens and for those who wish to pursue lifelong learning.

Moreover, even in times of restricted educational budgets, my board colleagues and I have kept salaries, operating capital and reserves balanced. An achievement for which I am proud.

My Goals:

Keep COD affordable. Insure our mission of open access. Work with Sun Bus to help student transportation issues. Assist students in moving through academic programs. Work with the high schools to insure student success in college by creating pathway to success programs. Work to get our East and West Centers open on time.

As an incumbent board member I pledge to keep College of the Desert on the right track,

Please give me your vote on Election Day

Thank you , Charles Hayden

MERLE C. MILLER

OCCUPATION: Retired College Professor

EDUCATION AND QUALIFICATIONS:

College of the Desert is a unique and vitally important institution, serving multiple communities and a diverse student base. The College prepares students for professions, to qualify for admission to four year colleges and universities and to exercise their duties as citizens.

As a retired professor from the California State University system, I have a deep commitment and understanding of the district's obligation to operate in a fiscally responsible way, while providing an excellent education. Ways must be found to continue the recruitment of the most qualified faculty and provide them with the tools necessary to fulfill their educational mission.

The College serves a diverse population and the student body reflects that diversity. This presents the district with the exciting challenge of providing for students at different levels of accomplishment, with the goal of making them able to step into the next phase of their education.

The administrative and support staff need to be treated as valued employees who have invested in productive and satisfying careers.

I intend to work diligently to cooperate in an enlightened leadership to insure that the College meets its state mandated goals and serves our Valley as a credit to the taxpayers and citizens.

**CANDIDATE STATEMENT FOR
MAYOR,
CITY OF CATHEDRAL CITY**

PAUL S. MARCHAND

OCCUPATION: Attorney

EDUCATION AND QUALIFICATIONS:

In 2008, Cathedral City voters, like voters nationwide, want change.

After four long years of stalled progress, unfulfilled promises, and deferred dreams, Cathedral City deserves a new mayor.

I'm ready to be that Mayor -on Day One.

With six years' solid council experience, I know how to work hard -and smart- to fix what needs fixing. My achievements as councilmember include Cathedral City's award-winning Downtown Energy Project that, over its projected life, will save millions of taxpayer dollars off Cathedral City's Edison bill, remove thousands of tons of greenhouse gases from the atmosphere, and help reduce America's dependence on foreign energy.

As Mayor, I'll :

- Once again make economic development a priority.
- Work to make solar energy accessible to interested homeowners.
- Represent all residents, not just a favored few.

I'll live up to Five Principles for Public Service - Principles to which voters can hold me accountable:

- Good Policy Over Bad Politics
- Public Interest Over Private Agenda
- Service to All Over Favor to a Few
- Truth and Transparency Over Spin and Secrecy
- Courage and Commitment Over Inertia and Inaction

Working together, can we get Cathedral City back on track?

Yes, we can!

Paul S. Marchand, the right Mayor for Cathedral City.

**CANDIDATE STATEMENT FOR
MAYOR,
CITY OF CATHEDRAL CITY**

ROE LITTLE

AGE: 57

OCCUPATION: Business Manager

EDUCATION AND QUALIFICATIONS:

I have been a resident of Cathedral City for 15 years. I have watched the city go through various ups and downs. However, I have never see the city in as bad a situation. In the last 4 years the city has gone from an \$800,000 revenue overage to and \$11,000,000 spending shortage. Money has been spent faster than revenue has been increased. We need the courage and integrity to make the tough decisions required to solve this crisis. Instead the problem has been pushed off to the residents to impose a tax on themselves that is only a half-way measure not a solution. New leadership is required.

As a business manager I must make decisions daily that do not compromise our product and service, yet will retain our competitive edge and profitability. The City needs to partner with residents and business people to build a truly business friendly environment that will increase existing revenues and attract new revenue sources. Using motivation, experience and my abilities, as your Mayor, I will make the tough decisions, set priorities, provide the leadership and create the partnerships that will energize our city and solve our problems.

**CANDIDATE STATEMENT FOR
MAYOR,
CITY OF CATHEDRAL CITY**

TAHSEEN "TEE" AHMED

OCCUPATION: Small Business Owner

EDUCATION AND QUALIFICATIONS:

I have been living in Cathedral City for the past 18 years and in the Coachella Valley for 20 years. While other cities have boomed, during the past four to six years, Cathedral City has declined rapidly and dramatically. We have not seen any substantial new businesses established, nor have steps been taken to attract economic development. If I am elected mayor, my first priority will be to attract new business and establish an international center in the heart of the city. Cathedral City should have an attraction for which the city can be proud and which will attract visitors and residents alike. Taxation of residents should not be a priority when other options have not been explored.

I am a small business owner, accustomed to working within budgetary constraints. It is important to keep Cathedral City clean and beautiful while not overextending the budget, causing a financial burden to the populace. Difficult decisions will have to be made until the city is financially solvent. I know how to attract new business, get the budget balanced and restore the integrity to Cathedral City. A vote for me is a vote for a new direction in city government.

KATHLEEN DEROSA

AGE: 62

OCCUPATION: Mayor / Public Affairs Manager

EDUCATION AND QUALIFICATIONS:

For the past four years you have shown your support. Now more than ever, a third term as Mayor is important to continue the work we have begun in partnership together.

We face many challenges in the upcoming years. The economy of Cathedral City is vital to our growth. We are working to retain and attract new businesses with our Business Development Teams. I am dedicated to continuing our emphasis on strong fiscal responsibility and to continue to listen and respond to the residents of our community. The backbone of our City rests on public safety services and our families. You must feel safe in your homes and be able to walk and play in our parks. Now is the time we must work to bring our community together, to build our economic foundation, improve our public safety needs, and bring programs for our children.

I remain committed and dedicated to the success of Cathedral City and will continue to hold everyone accountable for our success. I ask you to join me and be a part of the vision so that together we can move Cathedral City into a brighter future.

I ask for your vote again this Nov 4.

**CANDIDATE STATEMENT FOR
CITY COUNCIL MEMBER,
CITY OF CATHEDRAL CITY**

ROBERT M. MORFORD

EDUCATION AND QUALIFICATIONS:

Cathedral City has serious financial issues. THE CITY COUNCIL NEEDS A MEMBER WHO HAS A SUCCESSFUL BUSINESS BACKGROUND.

Bob Morford retired from a Fortune 500 company as a corporate executive. He had responsibilities for budgets greater than that of Cathedral City's budget.

He had "hands on" experience managing the following disciplines:

- Civil Engineering
- Business Development
- Marketing & Sales
- Contract Negotiations

He served on the following Boards of Directors:

- Industrial Gas Cleaning Institute
- Technical Advisor to the Environmental Protection Agency
- Local Home Owners Association

He is a past member of the Structural Engineers Association of California.

After retiring, Bob consulted with small businesses, directing their focus and helping them acquire funds to accomplish their objectives.

Bob Morford has experience working with colleagues to solve problems. He is dedicated to finding new revenues for the city so that we can improve the "Quality of Life and provide Safety & Services" to our community.

Bob has the experience to deliver results.

THE CITY DESERVES MORE.

**CANDIDATE STATEMENT FOR
CITY COUNCIL MEMBER,
CITY OF CATHEDRAL CITY**

RONALD GARCIA

EDUCATION AND QUALIFICATIONS:

Cathedral City is unique and there is much to achieve for the City to become financially sustainable. The first thing the City must do is annex more land. The City has limited space from Date Palm to Cathedral Canyon.

Better planning is needed for commercial land in the downtown area for hotels, restaurants, and more commercial retail shops.

Since 1992, the City has been working on the downtown redevelopment project. The City must finish the downtown project with no more changes. Cathedral City is no longer considered a mom and pop community and it is not a destination resort. The City is caught in the middle; therefore, we must act and move forward with better planning for business.

Community preservation programs are vital. When code enforcement begins to maintain neighborhoods and remove blight, such as graffiti, illegal parking, and illegal home occupations, only then will the City begin to move forward. Code enforcement must also begin to enforce zoning issues such as signage, banners and commercial landscaping.

With over 20 years experience in city government, I understand the needs of the City and I know what it will take for the City to begin to move forward and experience growth.

CHARLES "BUD" ENGLAND

AGE: 46

OCCUPATION: Business Owner Incumbant

EDUCATION AND QUALIFICATIONS:

I want to thank the community of Cathedral City for the opportunity to serve you during the past eight years as your council member. It has been challenging yet rewarding to see the growth in our community, our neighborhoods and market place.

Current challenges are: improving our economic momentum, managing growth and working through the slow economy. Providing the most effective police, fire, and public works, while continuing to improve our budget; providing the necessary infrastructure that will allow for future growth and development north of I-10, bringing in new commercial, industrial, retail to our City; Finishing the downtown; Improving our neighborhoods and quality of life for our residents, just to name a few.

Recent goals achieved: developing partnerships that allowed the building and maintenance of the new soccer park without using general fund money; working with ICUC to improve the Dream Home neighborhood, helping to find money for the cove sewer project; Working with school board members on issues affecting both students and parents. Taking our high school band students to Carnegie Hall to perform; keeping a critical eye on our budget.

Thank you for your continued support in moving Cathedral City forward in this election.

DON THOMPSON

OCCUPATION: Company President / Musician

EDUCATION AND QUALIFICATIONS:

Educated at Both Oxford and Cambridge Universities and holding a Master's degree from each, I was a lecturer for ten years and for another ten years represented the State of California at the Worker's Compensation Appeals Board, fighting the insurance companies to get workers their full benefits under the law.

I have been a professional musician in theatres and on recordings all my life and though recently retired from that field I still serve as a church organist.

In San Francisco I was nominated Man of the Year and received a Certificate of Honor from the City, having been hailed for my many fund raising activities for charitable organizations. I served there on seven non-profit boards of directors and here on the Sewer Advisory Committee and still serve on the Public Arts Commission.

I am unhappy with the way things have been going in this city: the departure of many major businesses, the failure to attract new ones, the wasteland that exists close to downtown, the failure to prioritize and the carelessness that enabled the recent mud slides. If elected I intend to do my level best to make citizens proud to live here.

EDUCATION AND QUALIFICATIONS:

My pledge to you when reelected is to continue the pursuit of improved healthcare and access to healthcare for all of our residents. In that endeavor I will continue to refine our process of providing support to our nonprofit partners to enhance their activities in the pursuit of improved health. I have personally been involved directly in healthcare throughout my entire career. I continue to be enthusiastic about the many accomplishments in which our board has been involved and even more excited about the endless opportunities and challenges that we now face. My service on the board has included membership on all of the committees. I have also served as vice-president and I am currently serving my fourth year as board president. I appreciate the continuing trust that you have placed in me and I eagerly look forward to fulfilling our mission. I have been very fortunate to have been supported by a dedicated board of directors and a staff that has been professionally supportive of our board's endeavors. I have enjoyed the many opportunities to meet and participate with the numerous individuals and organizations that share my enthusiasm for improving healthcare. Thank you for your consideration.

DIRECTOR,
DESERT HEALTH CARE DISTRICT**

MARK J. MATTHEWS

AGE: 52

OCCUPATION: Incumbent

EDUCATION AND QUALIFICATIONS:

I have had the privilege of serving you as a Director of Desert Healthcare District since 1997. In that period many positive things have happened for your Healthcare District. A public debt of nearly 90 million dollars has been transformed into a cash reserve facilities replacement fund of over 50 million.

I personally championed and brought to fruition the following projects; the Wellness Park; the 3 million dollar grant to Cal State San Bernardino's Health Science building to address the nursing healthcare worker shortage; the collaborative effort with Desert Aids Project to build the County Health Services facility on Sunrise; the healthcare community planning effort in Desert Hot Springs. Plus I have supported approximately 20 Million in grants to healthcare charities.

I am a past President of the Mizell Senior Center and Desert Healthcare District. I have served the City of Palm Springs on the Airport Commission and the Planning Commission. I was a co-founder of the Veterans Day Parade. My education includes a BA in Speech-Communication and an MBA.

I love the diversity and strength of our community and ask for your vote to continue the work of your Desert Healthcare District.

MICHAEL R. SOLOMON

AGE: 48

OCCUPATION: Physician

EDUCATION AND QUALIFICATIONS:

Dr. Michael R. Solomon, M.D. is a graduate of the UCLA School of Medicine, and one of the co-founders of the highly acclaimed UCLA Center for East-West Medicine. He believes that integrating both traditional (allopathic) and non-traditional (complimentary) forms of medicine offers patients the benefit of the cutting-edge tools available to physicians as well as the ancient hands-on approaches used in the healing arts for thousands of years. His goals include getting patients healthy and off unnecessary medications, promoting quality of life and vitality, increasing the awareness and level of responsibility the patient can assume in their own wellness, and educating patients about how to best take care of their bodies.

Dr. Solomon has dedicated the past ten years establishing a successful private practice here in the Desert. During that time he has witnessed the difficulties and frustrations of patients and their families in having their medical needs met within the current model of our healthcare system. He knows that there must be changes made in how funding is allocated towards patient resources in order to better service our community and promote good health for the districts residents.

I have served continuously since 1996 as Treasurer of The Desert Healthcare District. During that time the District has gone from a cash deficit to a surplus of over \$50 million, most of which is earmarked for facility improvements.

In addition, approximately \$20 million has been given to healthcare charities within the valley and a medical building mortgage of over \$5 million has been paid off.

I have also served on the Governing Board of Desert Regional Medical Center since 1994 and value my relationship with the medical staff and administration. I currently serve as secretary to the Board.

My background includes a Bachelor's Degree in Accounting from UCLA and over forty years in healthcare related positions including CEO and CFO positions with hospitals in Orange County, California.

EDUCATION AND QUALIFICATIONS:

My wife, Colleen and I have lived in Palm Springs since 1977. This has been a good place to live and raise our family. I am deeply committed to our community and to improving the quality of life for our desert residents.

OCCUPATION: Attorney

EDUCATION AND QUALIFICATIONS:

The Coachella Valley Water District has taken giant strides in proactive measures to ensure a safe and adequate water supply at reasonable rates. I am pleased to have been a team member of that progress these last few years.

IMPARTIAL ANALYSIS OF MEASURE “L”

If approved by more than fifty percent (50%) of the voters voting in the election, Measure “L” would authorize the City of Cathedral City to impose a utility users’ tax at the rate of three percent (3%) on telecommunication services (including telephone service), video services (including cable television), electricity, gas and solid waste removal.

In general, utility companies would collect the tax from consumers as part of their regular utility bills and would remit the paid taxes to the City. Low-income seniors would be exempt from the tax, provided they are 65 years and older and are enrolled in Southern California Edison’s California Alternate Rates for Energy (CARE) program. For the period June 1, 2008, to May 31, 2009, a household of one to two people qualifies for the CARE program if they have a combined income no higher than \$30,500. The income threshold for the CARE program increases with the number of people in the household, to a high of \$58,000 for a household of six people.

The utility users’ tax is a general tax that is intended to alleviate the City’s ongoing general operating budget deficit. Revenue generated by the tax would go into the City’s General Fund. The City Council spends General Fund monies according to its adopted budget for the support of the essential public services, including: police, fire and paramedic services; the development and operation of crime, gang and drug prevention programs; emergency response improvement programs; street repairs and maintenance; street sweeping; street medium maintenance; graffiti removal; code enforcement; and youth and senior programs. The tax includes a requirement for an annual financial audit performed by a qualified, independent third party. The results of these audits would be available to the public.

A “Yes” vote on Measure “L” means the voter is in favor of authorizing the City to collect a utility users’ tax. A “No” vote on Measure “L” means the voter is not in favor of the City collecting a utility users’ tax.

The above statement is an impartial analysis of Measure “L”. If you desire a copy of the utility tax ordinance that implements the utility users’ tax and provides a more detailed description of the utilities to be taxed and the manner in which the tax is to be calculated and collected, please contact the City Clerk’s Office at (760) 770-0385 and a copy will be mailed to you at no charge. Free copies of the utility tax ordinance are available at the City Clerk’s Office at 68-700 Avenida Lalo Guerrero, Cathedral City, California 92234.

ARGUMENT IN FAVOR OF MEASURE “L”

Maintain Cathedral City’s essential city and public safety services — Vote **YES on “L”**.

Cathedral City’s population has grown by 20% since 2000- to more than 50,000. Demands for services have increased, including a 33% increase in 9-1-1 emergency calls.

With a multi-billion dollar State budget deficit and an economic slowdown, Cathedral City is running out of money to meet the needs of a growing population. Unless we pass **Measure “L”**, deep cuts will be necessary.

YES on “L” maintains the City’s ability to respond quickly and effectively to a natural disaster like an earthquake or flash flood.

YES on “L” maintains 911 emergency response times, retains emergency dispatch operators, paramedics, police and firefighters, and purchases communications equipment such as radios and computers.

YES on “L” maintains funding for police traffic safety, and youth anti-gang and anti-drug programs.

The average 9-1-1 response time in Cathedral City is almost 7 minutes - the slowest in Coachella Valley. **YES on “L”** prevents our City from having to make cuts to 9-1-1 emergency response services that could risk lives.

YES on “L” ensures local control. By law, all funds raised will stay in Cathedral City, providing a guaranteed source of revenue that can’t be taken by Sacramento. Citizens Finance Committee review and annual financial audits are legally required to ensure that funds are spent efficiently, effectively and as promised. Low-income seniors are exempt from “L”.

Cathedral City is rated one of the safest in Riverside County - we must keep it that way. By keeping our City safe and maintaining our services, Yes on “L” protects our property values and the local economy.

Join Police Officers, Firefighters, Paramedics and residents from all walks of life - Vote YES on “L”.
