IMPORTANT NOTICE TO VOTERS

In an effort to maintain current voter rolls and reduce waste, the Riverside County Registrar of Voters will be mailing an alternate residency confirmation notice after the November 4, 2008 Consolidated General Election, pursuant to California Elections Code § 2224 that permits removal from the active voter roll the names of those registered voters who have **NOT** voted in any election nor had their registration updated in the preceding four years.

The pre-addressed return postage-paid card **MUST BE RETURNED** to the registrar of voters if he or she wish to remain on the active voter roll. However, if you receive a card for someone who has moved or does not live at the address shown return the card so that we can maintain a current voter file.

Voters who return the notice with an affirmative response will remain on the active list of registered voters.

Voters who do **NOT** respond affirmatively will be placed on an inactive voter list, and they will no longer receive election materials. If they fail to vote in any election between the time they receive the notice and the next two federal general elections, they may be canceled from the voter file.

College of the Desert is a unique and vitally important institution, serving multiple communities and a diverse student base. The College prepares students for professions, to qualify for admission to four year colleges and universities and to exercise their duties as citizens.

EDUCATION AND QUALIFICATIONS:

Educating our children successfully is a necessary and critical element in their becoming productive citizens. Children must be provided the tools needed to excel in reading, writing, mathematics, science and computer technology. This goal can be accomplished by hiring the most qualified and competent teachers, support staff and administrators. Input from teachers, staff, parents, seniors and retired educators must be included in the curriculum decision-making process. This district-wide cooperative effort will result in higher test scores, higher graduation rates and the knowledge needed to pursue college or professional careers.

The district must be responsible and accountable for all expenditures. Afterall, the district operates as a direct result of taxes paid by district residents.

I am a Marine Corps veteran with a BA and MA degree and Life Credentials in Teaching and Counseling. I have served as an administrator, counselor and instructor at College of the Desert for 33 years. I have served on the Desert Sands Board of Education for 22 years.

When first elected to the school board, I promised to promote a rigorous curriculum, offer greater school choice, and provide a safe and effective learning environment.

Desert Sands continues to be recognized by the US Department of Education as a model for school choice programs. During my tenure on the school board I have worked to: develop magnet schools which focus on communication, law, and medicine; add a new charter school for middle school students; enhance independent study and distance learning programs; and, expand the highly rigorous International Baccalaureate Program to additional schools. I support vocational educational programs as an option for those pursuing careers in construction, culinary arts, public service, and computer technology.

I will continue to work to modernize classrooms with state-of-the-art technology, enhance programs in music, art, and the performing arts, and improve facilities for athletic programs.

CITY OF INDIAN WELLS**

EILEEN D. HALL

OCCUPATION: Retired Healthcare Executive

EDUCATION AND QUALIFICATIONS:

Born in Michigan, I moved west to the Inland Empire at age nine. Graduate of CSU Fullerton School of Communications. Indian Wells has been home for 16 years.

For 28 years, I was employed in healthcare with various clinical, management and consulting positions. Working with cancer patients led me to develop Riverside County's first Hospice program.

As a four decade community volunteer and leader, I have served on Boards for the United Way, Lung Association, March of Dimes, Hospice and the American Business Women's Association - which honored me as Woman of the Year. Current involvements include Board of Trustees Big Brothers/Big Sisters (also a Big Sister). I am a McCallum Muse Board Member, Education Ambassador and committee chairwoman; also a weekly volunteer at Saul Martinez Elementary in Mecca for years. Other memberships; World Affairs Council of the Desert; Loma Linda Children's Hospital Desert Guild, and Women Leaders Forum. I support ACT for MS and Hidden Harvest.

I currently serve on the Indian Wells Grants-In-Aid Committee, which oversees the generous contributions of the City to Valley schools, non-profits and cultural programs.

. My platform issues: Update disaster preparedness and emergency response plans on public safety communications. Such plans require constant fine tuning, and this City, its residents, businesses and guests deserve the most well prepared and executed plan. A "greener" Indian Wells will incorporate a multitude of issues surrounding conservation efforts and environmentally friendly concepts. I envision alternative energy sources for all municipal buildings, a fuel efficient city vehicle fleet, and landscaping and lighting plans that incorporate water and energy conservation. It requires coming together as a community---which includes residents, hotels, country clubs, Golf Resort, Tennis Garden and all commercial businesses to behave in an environmentally responsible way. It is the City Council's responsibility to lead by example. We must continue to strengthen our support for existing and future hotels, as the Transient Occupancy Tax accounts for 35% of General Fund Revenue, driving our economy.

My family: husband of 35 years Stanley, M.D., retired Eisenhower Emergency Department Director; Northern California daughter Cathy, schoolteacher, and son-in-law Daryl, dentist; La Quinta son Stanton, R.N. and daughter-in-law Lisa, special education teacher. We have three terrific granddaughters. I have no business or real estate interests other than our home.

Our 41 year old City has come a long way. I ask for your vote to continue moving this great community forward.

**CANDIDATE STATEMENT FOR
CITY COUNCIL MEMBER,
CITY OF INDIAN WELLS**

DOUGLAS H. HANSON

AGE: 64

OCCUPATION: Businessman

EDUCATION AND QUALIFICATIONS:

My campaign pledge is quite simple: 1. *Residents always comes first.* 2. *Public Safety is of the utmost importance.* 3. *Transparency and accountability are a must at all levels of our City Government.* 4. *I will insist on Fiscal Responsibility.* 5. *Land Development should be the Highest and Best Use for all the residents, not just a few, or for the sole benefit of the developers.* 6. *Obtain resident input before undertaking any major projects.* 7. *Ensure that all Resident Amenities remain in tack to protect our property values.* 8. *Create an open and friendly atmosphere between the City and our Residents.*

As a business leader, I understand business, whether it be a large corporation or the business of the City of Indian Wells. I understand that Fiscal Responsibility is the beacon by which every Councilmember should be guided.

As your representative on the City Council, my position will be to have budgets before we have projects. We will set up procedures to track our projects to ensure they are on time and on budget. We will keep the residents informed of our project progress. I will work for Transparency and Accountability throughout City Government. I will work to ensure that our business and developer partners have the financial resources necessary to complete their projects, even in a down economy.

I believe some of the most important aspects to consider of any candidate are his or her qualifications and the amount of work he or she has the ability of doing if elected to the City Council. Ask yourself; does the person you are voting for have *the time, the energy, the enthusiasm, the knowledge* and most of all, the interest of *every resident in Indian Wells*? Will they work for each of the residents equally? Let me assure you I do, and I will.

When elected, I will work to implement my pledges and I will also work to minimize closed door sessions, I will work to see that all Council and Committee Agenda's are published in the newspaper in advance of the meeting. I will work to put more information on the City's cable channel and to broadcast the Council meetings live for those who cannot attend the meetings in person. Furthermore and most important I will be open to suggestions, I will not make up my mind on an issue until after it has been thoroughly discussed.

BILL POWERS

AGE: 68

A 22 year resident of Indian Wells, I have witnessed the growth of our city and have been predominately impressed with the leadership of the various councils. As a candidate for the open seat on the city council I pledge to work with the other council members in continuing the mission of preserving the exceptional quality of life that the residents of Indian Wells have grown accustomed.

My background as President and CEO of Pacific Western Bank in Indian Wells combined with my vast experience in leading many of the most notable charities and business associations in our valley has prepared me to competently fulfill the task of City Councilman for Indian Wells.

A small list of some of the associations & charities that I have served in a leadership role:

- College of the Desert Foundation - President
- United Way of the Desert - President
- Palm Desert Chamber of Commerce - President
- Coachella Valley Economic Partnership - Chairman
- JFK Healthy Family Foundation - President / Chairman
- Desert Town Hall of Indian Wells - President
- Bob Hope Chrysler Classic - President/Tournament Chair
- McCallum Theatre - Tournament Chair
- Convention & Visitors Authority / Hospitality Industry Business Council

In addition to the above leadership experience my financial expertise will assist the city in ensuring that its development projects are financially sound and reasonably within projected budgets. As I see it, some of the projects on the horizon are:

- The widening of Highway 111: mitigating noise pollution for residents affected by the widening.
- Parking for our Resort Hotels: including the new club house and the newly redesigned Championship Golf Courses.
- Energy & Water Conservation: develop sustainable energy & water conservation programs for all residents and businesses.

It is imperative that these projects and other developments currently underway be closely monitored to ensure that the world class ambiance of our city is undisturbed.

I ask for your support in allowing me to bring to the City Council the same integrity, common sense and fairness that I have always practiced in all areas of my life. I very much appreciate your vote to elect me to the open seat on the Indian Wells City Council.

**CANDIDATE STATEMENT FOR
CITY COUNCIL MEMBER,
CITY OF INDIAN WELLS**

ROBERT A. BERNHEIMER

OCCUPATION: Attorney
EDUCATION AND QUALIFICATIONS:

For the last eight years, I have had the privilege of serving as your Mayor and Councilmember. In that time, I have spent countless hours with staff, my fellow elected officials, community leaders and local residents working toward solutions that meet our City's needs - to protect our quality of life, keep our City safe and foster our City's prosperity.

Despite the challenges our economy faces now, I have worked diligently to maintain fiscal responsibility in Indian Wells. Our budget is not only balanced, but healthy, and we continue to build yearly surpluses and have accumulated tens of millions in reserves. I have continued my commitment to public safety and have led the way to increase the City's police force with additional community patrols and traffic enforcement. The future of Indian Wells is extremely bright.

Our superior quality of life in Indian Wells relies heavily on a thriving tourism economy. My philosophy has been to advance only those projects that will further enhance our financial success and continue to set Indian Wells apart as the desert's premiere resort destination. I have had a personal commitment to expanding the hospitality industry in Indian Wells and pursuing the events, attractions and developments that will continue to provide us with our unique level of distinction. As part of enhancing our City for residents and tourists alike, I have been intimately involved with the transformation of our golf resort, which was completed this summer. The IW Club, an upscale gathering place for dining, shopping and entertainment, is now complete. The two golf courses have received national acclaim, already ranking 3rd & 7th in the top 100 public courses across the country. The Indian Wells Golf Resort offers an attractive, accessible amenity for residents and serves as the cornerstone of our tourism economy. The Clubhouse will also serve as the City's emergency shelter.

Developing and nurturing an open dialogue between City staff, elected leaders and residents remains a top priority for me. Community events and socials, resident benefit programs and civic service opportunities have given residents the chance to share in the City's decision making process and celebrate its successes.

I am committed to continuing my service as your Councilmember and ask for your support on November 4th.

**CANDIDATE STATEMENT FOR
CITY COUNCIL MEMBER,
CITY OF INDIAN WELLS**

DENNY JAMES BOOTH

EDUCATION AND QUALIFICATIONS:

I have been married sixteen years to my wife Marvel-Jean, who I met as a widower. Ten years ago we became Indian Wells residents.

During these ten years, I have attended many city council meetings. Met and talked to a number of our residents. My observations are as follows:

Resort Hotels and The Tennis Garden

City councils have done an excellent job supporting our resort hotels. And a superb job of keeping the Indian Wells Tennis Garden in our city, when it very easily could have been moved to Las Vegas and even China.

Reason For Running

However, during this same period, I have become more and more concerned regarding the lack of controls relating to fiscal matters. Talking to and meeting with residents, I have concluded that the city has done little to meet their needs.

Donations

There is no ordinance limiting how much money city council members can donate. Millions of dollars have been given to support worthy causes.

As a council member I would support an ordinance requiring a vote by residents to approve donations over one million dollars.

City Council Members Salaries and Benefits

There is no limit to the salaries and benefits council members can pay themselves.

During the past six years annual salaries increased from \$3,600 to \$30,000. Without controls, hypothetically, with the same percent increase in the next six years, the annual city council salary would be \$250,000.

As a council member, I would support an ordinance to limit the amount of annual salary increases.

Further, I would support a city ordinance to pay hospitalization cost for the council members while they are active. And terminate the current lifetime benefits once they leave the council.

The Needs of Residents

As a city council member I would propose making a survey of our residents to determine their needs. These needs might include a community center, a lending library, sidewalks, enforced speed limits on Highway 111, Etc.

Work Career

I started my work career as a ten year old in the family business. During the interim, managed an operation 140 employees. Retired from a billion dollar regional business in a dual responsibility, as regional budget manager and administrative assistant to the vice-president.

Dr. Michael R. Solomon, M.D. is a graduate of the UCLA School of Medicine, and one of the co-founders of the highly acclaimed UCLA Center for East-West Medicine. He believes that integrating both traditional (allopathic) and non-traditional (complimentary) forms of medicine offers patients the benefit of the cutting-edge tools available to physicians as well as the ancient hands-on approaches used in the healing arts for thousands of years. His goals include getting patients healthy and off unnecessary medications, promoting quality of life and vitality, increasing the awareness and level of responsibility the patient can assume in their own wellness, and educating patients about how to best take care of their bodies.

Dr. Solomon has dedicated the past ten years establishing a successful private practice here in the Desert. During that time he has witnessed the difficulties and frustrations of patients and their families in having their medical needs met within the current model of our healthcare system. He knows that there must be changes made in how funding is allocated towards patient resources in order to better service our community and promote good health for the districts residents.
