IMPORTANT NOTICE TO VOTERS

In an effort to maintain current voter rolls and reduce waste, the Riverside County Registrar of Voters will be mailing an alternate residency confirmation notice after the November 4, 2008 Consolidated General Election, pursuant to California Elections Code § 2224 that permits removal from the active voter roll the names of those registered voters who have **NOT** voted in any election nor had their registration updated in the preceding four years.

The pre-addressed return postage-paid card **MUST BE RETURNED** to the registrar of voters if he or she wish to remain on the active voter roll. However, if you receive a card for someone who has moved or does not live at the address shown return the card so that we can maintain a current voter file.

Voters who return the notice with an affirmative response will remain on the active list of registered voters.

Voters who do **NOT** respond affirmatively will be placed on an inactive voter list, and they will no longer receive election materials. If they fail to vote in any election between the time they receive the notice and the next two federal general elections, they may be canceled from the voter file.

CANDIDATE STATEMENT FOR MEMBER OF THE STATE ASSEMBLY, 80TH ASSEMBLY DISTRICT

MANUEL PEREZ, Democratic EDUCATION AND QUALIFICATIONS:

My name is Manuel Perez, I am the Democratic Nominee for the State Assembly and I would be honored to have your support.

I grew up in Riverside County and I understand the struggles of working families. My parents were farm workers who taught me the importance of a good education and the value of hard work.

After graduating from U.C. Riverside I came home to teach and coach before earning my Masters in Education from Harvard University.

Now I live in Coachella with my wife Gladis and our two sons. As a School Board Member and Healthcare Director I've worked hard to deliver:

- \$250 million to modernize classrooms and build new schools
- New jobs and economic development
- Healthcare for children and seniors
- Fiscal leadership by balancing a multi-million dollar budget

As your Assemblymember, I will bring new leadership and fresh ideas to solve the challenges we face: creating new jobs, improving schools, and expanding healthcare.

I'll take on the Sacramento bureaucrats and fight for our fair share. We've been underrepresented for too long. Now is time for positive change.

MERLE C. MILLER

OCCUPATION: Retired College Professor

EDUCATION AND QUALIFICATIONS:

College of the Desert is a unique and vitally important institution, serving multiple communities and a diverse student base. The College prepares students for professions, to qualify for admission to four year colleges and universities and to exercise their duties as citizens.

As a retired professor from the California State University system, I have a deep commitment and understanding of the district's obligation to operate in a fiscally responsible way, while providing an excellent education. Ways must be found to continue the recruitment of the most qualified faculty and provide them with the tools necessary to fulfill their educational mission.

The College serves a diverse population and the student body reflects that diversity. This presents the district with the exciting challenge of providing for students at different levels of accomplishment, with the goal of making them able to step into the next phase of their education.

The administrative and support staff need to be treated as valued employees who have invested in productive and satisfying careers.

I intend to work diligently to cooperate in an enlightened leadership to insure that the College meets its state mandated goals and serves our Valley as a credit to the taxpayers and citizens.

MATT MONICA

AGE: 63

EDUCATION AND QUALIFICATIONS:

Educating our children successfully is a necessary and critical element in their becoming productive citizens. Children must be provided the tools needed to excel in reading, writing, mathematics, science and computer technology. This goal can be accomplished by hiring the most qualified and competent teachers, support staff and administrators. Input from teachers, staff, parents, seniors and retired educators must be included in the curriculum decision-making process. This district-wide cooperative effort will result in higher test scores, higher graduation rates and the knowledge needed to pursue college or professional careers.

The district must be responsible and accountable for all expenditures. Afterall, the district operates as a direct result of taxes paid by district residents.

I am a Marine Corps veteran with a BA and MA degree and Life Credentials in Teaching and Counseling. I have served as an administrator, counselor and instructor at College of the Desert for 33 years. I have served on the Desert Sands Board of Education for 22 years.

I will continue to bring your voice and concerns into the decision-making process. Together we can make a difference on behalf of all our children.

Vote for Matt Monica on November 4th.

GARY TOMAK

AGE: 54

OCCUPATION: Incumbent Board Member

EDUCATION AND QUALIFICATIONS:

Bachelor's Degree - Finance; MBA - Human Resource Management

When first elected to the school board, I promised to promote a rigorous curriculum, offer greater school choice, and provide a safe and effective learning environment.

Academic achievement has improved dramatically across the district. More students are taking college entrance exams and scoring higher. More students are studying calculus, chemistry, and physics. Many are now learning Latin and performing in Shakespearean plays.

Desert Sands continues to be recognized by the US Department of Education as a model for school choice programs. During my tenure on the school board I have worked to: develop magnet schools which focus on communication, law, and medicine; add a new charter school for middle school students; enhance independent study and distance learning programs; and, expand the highly rigorous International Baccalaureate Program to additional schools. I support vocational educational programs as an option for those pursuing careers in construction, culinary arts, public service, and computer technology.

I will continue to work to modernize classrooms with state-of-the-art technology, enhance programs in music, art, and the performing arts, and improve facilities for athletic programs.

With your continued support, my priority will always be KIDS: Keep Improving Desert Sands.

DONALD BRYSON GRIFFITH

AGE: 48

EDUCATION AND QUALIFICATIONS:

I was appointed to fill a vacancy on the DSUSD School Board in June 2008. I was a teacher from 1984 to 1993. I served on the Washington Charter School Governing Board and have been a volunteer at Washington Charter, Palm Desert Middle School and Palm Desert High School. I will be President of the Desert Bar Association (DBA) for the 2008-09 term and have been on the Board of Trustees of the DBA since 2001. I volunteer as a judge with the Odyssey of the Mind academic competition. I am a member of the Professional Business Alliance.

I am in a unique position as a former teacher and small business owner. I understand the needs of a classroom teacher and the requirement to work within a budget. As a parent, I understand each parent wants a positive academic experience for their child. In addition to providing each child with fundamental skills, DSUSD needs to find ways to provide children with a variety of enrichment opportunities. I have always believed in giving back to the community. Being elected to fulfill the term I was appointed to on the School Board, will allow me the opportunity to continue serving our community.

**CANDIDATE STATEMENT FOR
MAYOR,
CITY OF LA QUINTA**

DON ADOLPH

OCCUPATION: Mayor

EDUCATION AND QUALIFICATIONS:

It has been my honor and privilege to serve the City of La Quinta as a planning commissioner, city council member, and as your Mayor these past years. As an eighteen year resident I have seen our city grow and develop substantially during this time into one of the premier cities of Riverside County.

Although very progressive and fiscally sound we cannot be complacent. With a sagging economy we need to continue to have strong city leadership to keep us healthy. Protection of our assets, safety of our citizens, and fulfilling the needs of all our citizens is mandatory.

I ask for your continued support. Look at where we have been, where we are, and our plans for the future. The eastern end of the valley is where the new growth is. We are a major part of the growth, and as growth is inevitable we need to have good proven leadership to direct La Quinta's vision for the future. Now is not the time to change.

All that we have accomplished wouldn't have been possible without a great city staff and council. My thanks to them and to my wife, Diane, for her support.

STANLEY SNIFF

**OCCUPATION: City Council Member
EDUCATION AND QUALIFICATIONS:**

Dear La Quinta Voter,

I have served as your councilman since November 1986, attending every meeting and voting on every issue! During this time, we, as a city, have made remarkable progress for which we can all be justifiably proud. La Quinta is a successful, vibrant and dynamic city.

I have a singular historical perspective of La Quinta and the Coachella Valley, having lived here all my life. I attended local schools and hold a Bachelor of Arts Degree majoring in History and Government.

I strongly support efficient and effective fire, police, and emergency disaster services, well planned and controlled city growth, traffic safety, community education resources, clean and safe neighborhoods and the protection of our environment and natural resources.

It is my firm conviction that our city government must be open-minded, informative, fiscally sound, fair, forward looking, responsive to the needs of the entire community, and that it encourage participation from its most important resource, its citizens!

As your Councilman, I will continue to make every effort to inform you, to solicit your opinions and to represent you in our city government.

Vote for experience, progress, vision, fiscal responsibility, dedication and responsive leadership. Let's keep La Quinta Number One!

Sincerely,

Stanley Sniff

ED ALDERSON

AGE: 72

**OCCUPATION: Retired Construction Manager
EDUCATION AND QUALIFICATIONS:**

My wife of 53 years and I have lived in La Quinta for 7 years and I think it's the greatest city on earth! I attended Orange Coast College, Santa Ana Junior College and COD. For the past 4 years I have served on the La Quinta Planning Commission, the last 2 as Chairman. Prior to retirement in 2006, I managed the design and construction of Point Happy Commercial Center and The Estates at Point Happy Ranch.

La Quinta is at a crossroads - we've come from a sleepy "cove" community to a progressive up-scale business friendly city with concerns of "where do we go from here?" Based on my experience on the Planning Commission, I will help guide our city to meet the challenges and keep the focus on La Quinta as a great place to live! In making decisions about our city's growth, we must also preserve what we already have; our parks, police and fire departments, our dynamic hillside and the ambience of Old Town La Quinta.

I support senior services and advocate for city sponsored youth programs. I am passionate about our environment, cautious annexation, traffic control, selective commercial growth and our city's financial well being.

I appreciate your vote!

KRISTY FRANKLIN

AGE: 64

**OCCUPATION: Business Woman
EDUCATION AND QUALIFICATIONS:**

My name is Kristy Franklin and I had the honor of serving as your City Councilwoman during the 1990's. Unfortunately I had to resign due to a battle with breast cancer. I am a survivor and ready to serve again.

La Quinta citizens have told me they are concerned that SilverRock is going in the wrong direction. As a former owner and manager of a public golf course, I have the experience to work with the City towards making SilverRock a productive product.

Citizens have told me that they are also worried about crime; anxious that La Quinta is growing too big; and hopeful that the very nature of what we love about our City will not be diminished.

If elected, I will continue to support the protection of our mountains and dark skies, will fight to lower our crime rate and will not support the proposed, massive annexation of land to our east.

La Quinta is at a crossroads. Let's grow better, not bigger.
