IMPORTANT NOTICE TO VOTERS

In an effort to maintain current voter rolls and reduce waste, the Riverside County Registrar of Voters will be mailing an alternate residency confirmation notice after the November 4, 2008 Consolidated General Election, pursuant to California Elections Code § 2224 that permits removal from the active voter roll the names of those registered voters who have **NOT** voted in any election nor had their registration updated in the preceding four years.

The pre-addressed return postage-paid card **MUST BE RETURNED** to the registrar of voters if he or she wish to remain on the active voter roll. However, if you receive a card for someone who has moved or does not live at the address shown return the card so that we can maintain a current voter file.

Voters who return the notice with an affirmative response will remain on the active list of registered voters.

Voters who do **NOT** respond affirmatively will be placed on an inactive voter list, and they will no longer receive election materials. If they fail to vote in any election between the time they receive the notice and the next two federal general elections, they may be canceled from the voter file.

**CANDIDATE STATEMENT FOR
GOVERNING BOARD MEMBER,
RIVERSIDE COMMUNITY COLLEGE DISTRICT**

MARY FIGUEROA

AGE: 52

EDUCATION AND QUALIFICATIONS:

As RCC prepares for important changes and expansion amid challenging economic times, the Board needs experienced leaders equipped to make the right decisions.

In my role as Board President, I've seen firsthand how well we've served our communities by providing our diverse student population with accessible educational and occupational opportunities. Now more than ever, helping produce a skilled work force is vital to the health of our local economy.

A Riverside native, UC Riverside graduate and board member since 1995, I've long been proud of RCC's contributions. Others are taking note; *Community College Week* recently ranked us among the top 25 community colleges in the nation in four categories.

We are seeing evidence of our unlimited potential: Moreno Valley and Norco campuses will be accredited as independent colleges next year; we're erecting an \$85 million Nursing/Sciences Building, paid for by Measure C and state funds; and we're strengthening public-private partnerships.

My priorities will continue to be fiscal responsibility, and student access and opportunity, while bolstering RCC's regional role in economic and workforce development.

It's been my honor to work for our students and their future. Please support my efforts to make RCC the college system our community deserves.

RCC is in good hands.

The District enters the current economic slow down with a strong financial position. While other districts must cut positions, RCC will serve students and workers who need classes and retraining. As the financial situation brightens, hiring more full-time will be a priority.

As the Board's senior member with 18 years experience, I will guide RCC towards implementing important projects such as the Riverside School for the Arts, Allied Health Sciences programs and the Ben Clark Academy in Moreno Valley, Phase II construction at Norco College, and a Hospitality and Culinary Academy in South Corona.

RCC's affordable programs in Nursing and Physician Assistance continue to provide high paying career opportunities. See www.marktakano.com for a link to an independent analysis of RCC's excellent U.S. Education Department rankings.

RCC will need experienced trustees as Norco and Moreno Valley Colleges apply for full independent accreditation and as the search continues for a permanent chancellor. I led the national search 17 years ago for the previous successful chancellor. I have the judgment and experience to guide the selection of the next one.

Ever honored to serve you, I ask for your vote again.

RICK SAYRE AGE: 56
OCCUPATION: Retired Undersheriff / Incumbent
EDUCATION AND QUALIFICATIONS:

Children and better schools are our greatest hope for the future.

The demands of a technology-driven 21st century create a need for an updated education system and leadership that will help ALL students achieve the education they deserve. I will continue to work in partnership with parents, teachers, and all district employees to provide the schools with the necessary tools for student success. This means safe, healthy classrooms with the technology needed for modern teaching. It means students who know there will be zero tolerance for unacceptable behavior. It means supporting intervention programs that help kids stay on the right track.

My record proves my leadership regarding fiscal accountability. During my two terms, we have had to make difficult fiscal choices, and yet, test scores have improved and the District's financial bond rating is A+.

I have lived in Moreno Valley for 45 years and recently retired as Riverside County Undersheriff. My children and I attended and someday my grandchildren will attend MVUSD schools. I believe in Moreno Valley and its schools. I am the teachers' choice.

Moreno Valley teachers and classified employees voted to support me. Re-electing RICK SAYRE is a vote for better schools and a better community.

FRANCISCO SANCHEZ
OCCUPATION: Benefits Counselor
EDUCATION AND QUALIFICATIONS:

Growing up in a family of four children, my parents taught us the importance of pursuing the American Dream by obtaining a quality education, having an honest work ethic and strong family values.

That is why my wife Margarita and I have strived to teach these same family values to our three children, Salvador, Marcos, and Perla.

As a benefits counselor for Riverside County, I have made sure that our agency promotes excellent customer service and treats our clients with a high level of professionalism, respect and integrity.

My plan is to implement these same values and ethical standards to the position of Moreno Valley Unified School District Trustee, which I feel are presently missing. I will work diligently to get the district out of Program Improvement status, and have the State remove the sanctions against the school district.

My customer service and advocacy background combined with my desire to improve the MVUSD and the openness and transparency I bring, make me uniquely qualified for the position.

I am humbled to have the diverse support of Mayor William Batey, School Board Member Victoria Baca and teacher Paul Clay, along with many community leaders.

CANDIDATE STATEMENT FOR CITY COUNCIL MEMBER, CITY OF MORENO VALLEY, COUNCILMANIC DISTRICT 1 JESSE MOLINA AGE: 55 OCCUPATION: Businessman EDUCATION AND QUALIFICATIONS: I am running for City Council because I am concerned that our quality of life is falling, opportunities are disappearing, and our city is being divided. I have a plan to change that and bring Moreno Valley back together as one city. • Ensure that our police force works hard to keep our neighborhoods and families safe from crime and gangs. • Partner with our schools to ensure they are safe so our children are prepared for the future. • Bring jobs to Moreno Valley allowing more people to work here so they don't have to pay so much for gas commuting to Orange County and Los Angeles. American has truly been the land of opportunity for me and my family. I came here as a young child and earned my citizenship by serving six years in the United States Marine Corps. My wife and I have lived in Moreno Valley for 20 years. Our four children are all graduates of our public schools. Moreno Valley is our home and we love it. I want to guarantee that the opportunities and the blessings we have had are available for every person who calls Moreno Valley home. I would be truly honored to have your vote.	CANDIDATE STATEMENT FOR CITY COUNCIL MEMBER, CITY OF MORENO VALLEY, COUNCILMANIC DISTRICT 1 CHARLES R. WHITE AGE: 80 OCCUPATION: Retired USAF / Banker EDUCATION AND QUALIFICATIONS: After retiring in 1967 as CMS USAF (22 years), I retired in 1985 from SPNB (now BofA) as Branch Manager. I have an AA from RCC in Business Administration. I served five years on various committees, including Traffic Safety; four years as Planning Commissioner; and am completing 12 years as MV Councilman. A member since 1997 of March Joint Powers Commission, I served twice as Chairman, and have been a member (ten years) of both Southern California, and Riverside County Associations of Governments. I am currently alternate (prior member for 6 years) on the Riverside Transit Agency; and, in addition, an alternate member of the Riverside County Transportation Committee. I am gratified that the revitalization of Sunnymead Boulevard is nearing completion, and street widening, sidewalks, curbs and gutters will enhance Ironwood Avenue. These are giant steps toward improving our city image. A big plus for our youth is revamping the soccer fields (Fredrick/Dracaesa) with artificial grass. This turf should last 15-20 years and will provide year-round playability. Much work is yet to be accomplished in our district and city. It takes time and money; but nothing is impossible - difficult maybe, but not impossible. Your vote is appreciated.

IMPARTIAL ANALYSIS OF MEASURE "P"

LEGAL IMPACT

Background. The City has imposed a Utility Users Tax ("UUT") since 1991. The voters approved the UUT at a maximum rate of 6% in November of 1996. There are cross-references in the existing UUT to certain federal laws. Because of recent changes in those federal laws, some cellular telephone companies are challenging in court similar UUT ordinances in other cities. They claim that these federal changes should, in effect, remove the local UUT on most telephone calls. Also, new technologies for telephone and video services are evolving. These technologies didn't exist at the time the UUT was adopted and therefore were not included in the existing ordinance. As users move to the new technology, UUT revenue from telecommunications and video services will decline. Users who cannot, or do not choose to use the new technology will be taxed while others receiving the same service through newer technology will not.

Effect. In substance, Measure "P" would do the following:

- replace the existing telephone and video provisions of the UUT with new ones that would not be affected by changes in federal law and would apply equally to all telecommunication and video services regardless of the technology used.
- reduce the maximum rate of the tax from 6% to 5.75% on all taxed utility services (water, gas, electricity, telephone, cellular telephone, sewer, cable television and wireless pay television).
- clarify the City's UUT collection and appeals procedures.
- require annual outside expert audits to assure that the UUT has been properly collected and accounted for.

The existing exemption for low income residents would continue. Like the existing tax, the new tax would be a general tax, with all proceeds deposited into the City's General Fund. It requires a simple majority vote to pass.

A "**YES**" vote is a vote to adopt the new UUT ordinance to replace the existing UUT.

A "**NO**" vote is a vote to reject the new UUT ordinance and keep the existing UUT.

FISCAL IMPACT

The legal and technology issues could reduce the City's projected General Fund revenues by as much as \$5 Million per year. The General Fund pays for most of the City's police, fire, animal control, public works, community and economic development, financial and administrative services, and some library and parks and recreation services. Some or all of these services could be affected by the lost revenue. Measure "P" would prevent the loss of those revenues.

Measure "P's" decrease in the tax rate from 6% to 5.75% is designed to offset any increase in tax revenue from recapturing the revenue already lost because of new technologies that are not currently taxed. It is projected to result in a decrease of approximately \$170,000 in total UUT revenue to the City in the first year.

Respectfully submitted,

Robert D. Herrick
City Attorney

The above statement is an impartial analysis of Measure "P." If you desire a copy of the ordinance or measure, please call the City Clerk's office at (951) 413-3001 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE "P"

Measure "P" will not increase taxes. It will:

- Lower the current utility user's tax (UUT) on all utility services by one-quarter percent (1/4%) from 6% to 5.75%;
- Modernize the City's UUT ordinance to treat all taxpayers who use telecommunications services fairly and equitably; and
- Remove the risk of the City losing nearly \$5 million in revenue that provides funding for vital City services.

In 2006 the IRS repealed the FET and directed all telephone companies to discontinue collecting the FET on long distance calls, including wired and wireless phones, voice over internet protocol (VoIP) and prepaid cards. The IRS ruling has now resulted in lawsuits against some city UUT ordinances claiming that the local taxes on those calls are no longer valid.

In addition to legal challenges to UUT ordinances, there are technological ones as well. Since 1996 when Moreno Valley voters approved the UUT ordinance, telecommunications services have changed dramatically. There is a vast array of telecommunications services being provided. Some are using private communications systems and the Internet protocol with high speed, broadband services, none of which are covered in the City's current UUT ordinance. As more people use new technology, UUT revenue will decline. Worse, people who can afford the new technology escape the UUT while those who must use the older technology are taxed. That's not fair.

The City cannot afford to lose \$5 million in tax revenue that is used for funding public safety and other vital services. Like many other California cities that have placed similar measures on the ballot and received overwhelming approval, it's time to fix our City's outdated UUT ordinance and treat all taxpayers equitably.

We urge your "YES" vote on Measure "P."

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE "P"

Utility Taxes (UUT) are regressive taxes because they fall on life's necessities such as water, cooling, heating, lights, communication, etc.).

The UUT:

Adopted in 1991 a temporary tax with a 3-year sunset clause.

Special Election June 1996 to make tax permanent, Voters voted **NO**.

The utility tax was voted into law November 1996 after the City Council put it back onto the ballot this time with additional items to be taxed: cell phones, wireless pay television.

UUT revenues the city collects have grown over 100% since the 1991 inception.

The Council can **cut** this tax **any time** with **NO** ballot measure.

Under Proposition 218, Right to Vote on Taxes Act, a ballot measure **is necessary for tax increases**. Measure "P" is a tax increase on previously untaxed telecommunication services.

Our Council has budgeted **up to \$90,000** of our tax money to convince us to raise our taxes.

With fewer jobs being created, home foreclosures, mounting bills, higher gas prices, higher health care costs, climbing food costs, raising utility costs, residents falling behind on paying utilities, and skyrocketing debt, Moreno Valley taxpaying families need less taxation not more.

TO PREVENT A TAX INCREASE, VOTE NO ON MEASURE "P."

By: Marcia Amino, Homeowner

Ted T. Amino, Ret. Homeowner

ARGUMENT AGAINST MEASURE "P"

Measure "P" is misleading to Moreno Valley Taxpayers. If the Utility User's Tax was only being reduced a ballot measure is unnecessary. The City Council wants to impose the UUT on heretofore-untaxed telecommunication services. Because Proposition 218 says no government may increase any general tax unless that tax is submitted to the voters and approved by a majority vote, Moreno Valley must put this measure on the ballot.

With the economic difficulties faced by families, at the very least, there should have been more than a token cut in this regressive tax. Using the carrot and stick method on we taxpayers is disingenuous and to disguise a tax increase on heretofore untaxed services.

The Utility User's Tax is a general tax and goes directly into Moreno Valley's General Fund. In 2006 the UUT collected \$13,812,000 and in 2007 \$15,463,000 was collected (City CAFR 2007). This City Council could have, without spending for a ballot measure, cut the UUT at any time during these past few years of unprecedented revenue growth, but they didn't.

Moreno Valley, like the rest of California governments is now in a revenue downturn. Unfortunately, the taxpayers and families of our City are also experiencing an economic squeeze: stagnant wages, fewer jobs, higher food prices, declining home values, higher gas prices, and higher utility rates.

Let's bring fiscal sanity to our local government, VOTE NO ON MEASURE "P."

Real tax reduction to reduce the tax burdens on our families and businesses is the way to bring economic growth and Measure "P" is not that.

By: Marcia Amino, Homeowner

Ted T. Amino, (Ret.)

REBUTTAL TO ARGUMENT AGAINST MEASURE "P"

Measure "P" reduces the Utility Users Tax from 6% to 5.75%. The City Council can reduce the Utility Users Tax; however, a ballot measure locks the reduction in and prevents the City Council from increasing it. In addition, Measure "P" will modernize the language to make the tax fairer to all those using similar services and utilities.

A **YES** vote for Measure "P" will reduce the Utility Users Tax. The argument against states a ballot measure is unnecessary. In order to make the reduction permanent and fair to all, Measure "P" is necessary. Once Measure "P" reduces the Utility Users Tax, the City Council cannot raise it without a vote of the people.

Vote YES on Measure "P."
