IMPORTANT NOTICE TO VOTERS

In an effort to maintain current voter rolls and reduce waste, the Riverside County Registrar of Voters will be mailing an alternate residency confirmation notice after the November 4, 2008 Consolidated General Election, pursuant to California Elections Code § 2224 that permits removal from the active voter roll the names of those registered voters who have **NOT** voted in any election nor had their registration updated in the preceding four years.

The pre-addressed return postage-paid card **MUST BE RETURNED** to the registrar of voters if he or she wish to remain on the active voter roll. However, if you receive a card for someone who has moved or does not live at the address shown return the card so that we can maintain a current voter file.

Voters who return the notice with an affirmative response will remain on the active list of registered voters.

Voters who do **NOT** respond affirmatively will be placed on an inactive voter list, and they will no longer receive election materials. If they fail to vote in any election between the time they receive the notice and the next two federal general elections, they may be canceled from the voter file.

Paul Cook: Respected Assemblyman. Decorated US Marine. Trusted Leader.

As your Assemblyman, I've listened to your concerns and taken real action to oppose higher taxes, defend family values and secure our border. I'll support efforts to eliminate pay for the Governor and every Legislator when they fail to pass a balanced budget on time.

That's why I introduced legislation to eliminate special benefits for illegal immigrants, keep sexual predators away from children, enforce the death penalty, and provide help to injured veterans. And, I have stood up to lobbyists and special interests who are waging war on our wallets and our values.

I've put my PRINCIPLES and my experience as an Assemblyman, Mayor and Combat Leader to work solving real problems.

The California Taxpayers Association has given me a 100% rating and I'm proud to have earned the support of every leading tax-fighter and law enforcement organization in San Bernardino County - including - including Riverside County Sheriff Stanley Sniff and DA Rod Pacheco.

But more importantly, I'd appreciate your support - and your vote.

I've spent my lifetime defending America and the values that make us strong - a fight I will continue in the State Assembly. To learn more or to join my campaign, visit my website:

MARY FIGUEROA

AGE: 52

EDUCATION AND QUALIFICATIONS:

As RCC prepares for important changes and expansion amid challenging economic times, the Board needs experienced leaders equipped to make the right decisions.

In my role as Board President, I've seen firsthand how well we've served our communities by providing our diverse student population with accessible educational and occupational opportunities. Now more than ever, helping produce a skilled work force is vital to the health of our local economy.

A Riverside native, UC Riverside graduate and board member since 1995, I've long been proud of RCC's contributions. Others are taking note; *Community College Week* recently ranked us among the top 25 community colleges in the nation in four categories.

We are seeing evidence of our unlimited potential: Moreno Valley and Norco campuses will be accredited as independent colleges next year; we're erecting an \$85 million Nursing/Sciences Building, paid for by Measure C and state funds; and we're strengthening public-private partnerships.

My priorities will continue to be fiscal responsibility, and student access and opportunity, while bolstering RCC's regional role in economic and workforce development.

It's been my honor to work for our students and their future. Please support my efforts to make RCC the college system our community deserves.

MARK A. TAKANO

AGE: 47

OCCUPATION: Teacher and Riverside Community College Trustee

EDUCATION AND QUALIFICATIONS:

Education: Harvard College, Bachelors in Government.

RCC is in good hands.

The District enters the current economic slow down with a strong financial position. While other districts must cut positions, RCC will serve students and workers who need classes and retraining. As the financial situation brightens, hiring more full-time will be a priority.

As the Board's senior member with 18 years experience, I will guide RCC towards implementing important projects such as the Riverside School for the Arts, Allied Health Sciences programs and the Ben Clark Academy in Moreno Valley, Phase II construction at Norco College, and a Hospitality and Culinary Academy in South Corona.

RCC's affordable programs in Nursing and Physician Assistance continue to provide high paying career opportunities. See www.marktakano.com for a link to an independent analysis of RCC's excellent U.S. Education Department rankings.

RCC will need experienced trustees as Norco and Moreno Valley Colleges apply for full independent accreditation and as the search continues for a permanent chancellor. I led the national search 17 years ago for the previous successful chancellor. I have the judgment and experience to guide the selection of the next one.

Ever honored to serve you, I ask for your vote again.

RICK SAYRE AGE: 56
OCCUPATION: Retired Undersheriff / Incumbent
EDUCATION AND QUALIFICATIONS:

Children and better schools are our greatest hope for the future.

The demands of a technology-driven 21st century create a need for an updated education system and leadership that will help ALL students achieve the education they deserve. I will continue to work in partnership with parents, teachers, and all district employees to provide the schools with the necessary tools for student success. This means safe, healthy classrooms with the technology needed for modern teaching. It means students who know there will be zero tolerance for unacceptable behavior. It means supporting intervention programs that help kids stay on the right track.

My record proves my leadership regarding fiscal accountability. During my two terms, we have had to make difficult fiscal choices, and yet, test scores have improved and the District's financial bond rating is A+.

I have lived in Moreno Valley for 45 years and recently retired as Riverside County Undersheriff. My children and I attended and someday my grandchildren will attend MVUSD schools. I believe in Moreno Valley and its schools. I am the teachers' choice.

Growing up in a family of four children, my parents taught us the importance of pursuing the American Dream by obtaining a quality education, having an honest work ethic and strong family values.

As a benefits counselor for Riverside County, I have made sure that our agency promotes excellent customer service and treats our clients with a high level of professionalism, respect and integrity.

My plan is to implement these same values and ethical standards to the position of Moreno Valley Unified School District Trustee, which I feel are presently missing. RANDY RECORD

EDUCATION AND QUALIFICATIONS:

Water customers deserve and should expect that their dollars are spent in the most economically prudent fashion. Water use efficiency must improve, and local government must partner with water agencies to guarantee the uninterrupted supply of water into the future. I have led the effort to make sure that those partnerships are formed, and I will work hard to ensure that they remain effective.

The water delivery system from Northern California is antiquated and extremely fragile -- one earthquake or major storm will create a Katrina-style disaster that will paralyze our economy and severely impact our lives. Regional water leaders must demand that the system be fixed now.

As a life-long resident and a farmer of the San Jacinto Valley, it has been an honor to serve you as director of Division (3) of the Eastern Municipal Water District (EMWD). As EMWD's appointed representative to the Metropolitan Water District, I will continue to advocate on behalf of our local citizens for safe and reliable water at the lowest possible cost.

I have sincerely appreciated your support in the past, and I ask for your vote on November 4th to continue the fight for our water in the future.

Thank You

**CANDIDATE STATEMENT FOR
DIRECTOR,
EASTERN MUNICIPAL WATER DISTRICT, DIVISION 3**

GWENDOLYN M. CROSS

EDUCATION AND QUALIFICATIONS:

Our growing community demands an ample supply of quality water. Water Board members must do their homework; they must read and understand all reports brought before them, and they must make additional efforts to research issues themselves.

The only chance we have to ensure a clean water supply is through timely, open disclosure of all pertinent information. It is then the Board's burden to make well-researched, well-reasoned decisions for the benefit of all - taking into account today's water issues, as well as the tomorrows.

I am seeking election to the Eastern Municipal Water Board because I believe I have the passion, the ability, and the experience to meet these demands.

My 37 years working for the Los Angeles School District, plus my community involvement has taught me how to evaluate contracts with due diligence and make careful and balanced decisions. We must act to address our water crisis to safeguard our environment, economy and quality of life.

WE MUST ACT NOW

- .Improve water supply
- .Water quality improvements
- .Water conservation and recycling
- .Safeguard our Environment, Economy and quality of life
- .Fix the delta

I will work tirelessly to guarantee the supply and quality of water for our community.

RUSS UTZ

AGE: 38

OCCUPATION: Small Business Owner

EDUCATION AND QUALIFICATIONS:

EMWD is not doing enough to guarantee a fairly priced, adequate water supply for our future. They raise rates and do little to encourage conservation or recycling. Rates have skyrocketed, water supplies have dwindled; If elected I promise I will reverse that trend. If these issues concern you and your children, vote for me so that I can represent you.

I bring a diverse base of experience to the water board. I have years of business and leadership experience. Small business owner, former non-profit organization director, grant writer, and experience in making government work for people. San Jacinto Unified School District Measure "V" Citizens' Oversight Committee Member, proud PTA Dad and volunteer with many community service organizations.

I will foster a collaboration between EMWD, local government and our business community to encourage prosperity in these difficult and uncertain times.

I will not increase your water rates. I will enact senior discounts and more changes to reward conservation. I will be the people's representative. I am not interested in politics as a career. I will address past excessive rate and fee hikes, unscheduled road closures, and jobs not completed on time.

Please give me your vote.

IMPARTIAL ANALYSIS OF MEASURE "P"

LEGAL IMPACT

Background. The City has imposed a Utility Users Tax ("UUT") since 1991. The voters approved the UUT at a maximum rate of 6% in November of 1996. There are cross-references in the existing UUT to certain federal laws. Because of recent changes in those federal laws, some cellular telephone companies are challenging in court similar UUT ordinances in other cities. They claim that these federal changes should, in effect, remove the local UUT on most telephone calls. Also, new technologies for telephone and video services are evolving. These technologies didn't exist at the time the UUT was adopted and therefore were not included in the existing ordinance. As users move to the new technology, UUT revenue from telecommunications and video services will decline. Users who cannot, or do not choose to use the new technology will be taxed while others receiving the same service through newer technology will not.

Effect. In substance, Measure "P" would do the following:

- replace the existing telephone and video provisions of the UUT with new ones that would not be affected by changes in federal law and would apply equally to all telecommunication and video services regardless of the technology used.
- reduce the maximum rate of the tax from 6% to 5.75% on all taxed utility services (water, gas, electricity, telephone, cellular telephone, sewer, cable television and wireless pay television).
- clarify the City's UUT collection and appeals procedures.
- require annual outside expert audits to assure that the UUT has been properly collected and accounted for.

The existing exemption for low income residents would continue. Like the existing tax, the new tax would be a general tax, with all proceeds deposited into the City's General Fund. It requires a simple majority vote to pass.

A "**YES**" vote is a vote to adopt the new UUT ordinance to replace the existing UUT.

A "**NO**" vote is a vote to reject the new UUT ordinance and keep the existing UUT.

FISCAL IMPACT

The legal and technology issues could reduce the City's projected General Fund revenues by as much as \$5 Million per year. The General Fund pays for most of the City's police, fire, animal control, public works, community and economic development, financial and administrative services, and some library and parks and recreation services. Some or all of these services could be affected by the lost revenue. Measure "P" would prevent the loss of those revenues.

Measure "P's" decrease in the tax rate from 6% to 5.75% is designed to offset any increase in tax revenue from recapturing the revenue already lost because of new technologies that are not currently taxed. It is projected to result in a decrease of approximately \$170,000 in total UUT revenue to the City in the first year.

Respectfully submitted,

Robert D. Herrick
City Attorney

The above statement is an impartial analysis of Measure "P." If you desire a copy of the ordinance or measure, please call the City Clerk's office at (951) 413-3001 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE "P"

Measure "P" will not increase taxes. It will:

- Lower the current utility user's tax (UUT) on all utility services by one-quarter percent (1/4%) from 6% to 5.75%;
- Modernize the City's UUT ordinance to treat all taxpayers who use telecommunications services fairly and equitably; and
- Remove the risk of the City losing nearly \$5 million in revenue that provides funding for vital City services.

In 2006 the IRS repealed the FET and directed all telephone companies to discontinue collecting the FET on long distance calls, including wired and wireless phones, voice over internet protocol (VoIP) and prepaid cards. The IRS ruling has now resulted in lawsuits against some city UUT ordinances claiming that the local taxes on those calls are no longer valid.

In addition to legal challenges to UUT ordinances, there are technological ones as well. Since 1996 when Moreno Valley voters approved the UUT ordinance, telecommunications services have changed dramatically. There is a vast array of telecommunications services being provided. Some are using private communications systems and the Internet protocol with high speed, broadband services, none of which are covered in the City's current UUT ordinance. As more people use new technology, UUT revenue will decline. Worse, people who can afford the new technology escape the UUT while those who must use the older technology are taxed. That's not fair.

The City cannot afford to lose \$5 million in tax revenue that is used for funding public safety and other vital services. Like many other California cities that have placed similar measures on the ballot and received overwhelming approval, it's time to fix our City's outdated UUT ordinance and treat all taxpayers equitably.

We urge your "YES" vote on Measure "P."

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE "P"

Utility Taxes (UUT) are regressive taxes because they fall on life's necessities such as water, cooling, heating, lights, communication, etc.).

The UUT:

Adopted in 1991 a temporary tax with a 3-year sunset clause.

Special Election June 1996 to make tax permanent, Voters voted **NO**.

The utility tax was voted into law November 1996 after the City Council put it back onto the ballot this time with additional items to be taxed: cell phones, wireless pay television.

UUT revenues the city collects have grown over 100% since the 1991 inception.

The Council can **cut** this tax **any time** with **NO** ballot measure.

Under Proposition 218, Right to Vote on Taxes Act, a ballot measure **is necessary for tax increases**. Measure "P" is a tax increase on previously untaxed telecommunication services.

Our Council has budgeted **up to \$90,000** of our tax money to convince us to raise our taxes.

With fewer jobs being created, home foreclosures, mounting bills, higher gas prices, higher health care costs, climbing food costs, raising utility costs, residents falling behind on paying utilities, and skyrocketing debt, Moreno Valley taxpaying families need less taxation not more.

TO PREVENT A TAX INCREASE, VOTE NO ON MEASURE "P."

By: Marcia Amino, Homeowner

Ted T. Amino, Ret. Homeowner

ARGUMENT AGAINST MEASURE "P"

Measure "P" is misleading to Moreno Valley Taxpayers. If the Utility User's Tax was only being reduced a ballot measure is unnecessary. The City Council wants to impose the UUT on heretofore-untaxed telecommunication services. Because Proposition 218 says no government may increase any general tax unless that tax is submitted to the voters and approved by a majority vote, Moreno Valley must put this measure on the ballot.

With the economic difficulties faced by families, at the very least, there should have been more than a token cut in this regressive tax. Using the carrot and stick method on we taxpayers is disingenuous and to disguise a tax increase on heretofore untaxed services.

The Utility User's Tax is a general tax and goes directly into Moreno Valley's General Fund. In 2006 the UUT collected \$13,812,000 and in 2007 \$15,463,000 was collected (City CAFR 2007). This City Council could have, without spending for a ballot measure, cut the UUT at any time during these past few years of unprecedented revenue growth, but they didn't.

Moreno Valley, like the rest of California governments is now in a revenue downturn. Unfortunately, the taxpayers and families of our City are also experiencing an economic squeeze: stagnant wages, fewer jobs, higher food prices, declining home values, higher gas prices, and higher utility rates.

Let's bring fiscal sanity to our local government, VOTE NO ON MEASURE "P."

Real tax reduction to reduce the tax burdens on our families and businesses is the way to bring economic growth and Measure "P" is not that.

By: Marcia Amino, Homeowner

Ted T. Amino, (Ret.)

REBUTTAL TO ARGUMENT AGAINST MEASURE "P"

Measure "P" reduces the Utility Users Tax from 6% to 5.75%. The City Council can reduce the Utility Users Tax; however, a ballot measure locks the reduction in and prevents the City Council from increasing it. In addition, Measure "P" will modernize the language to make the tax fairer to all those using similar services and utilities.

A **YES** vote for Measure "P" will reduce the Utility Users Tax. The argument against states a ballot measure is unnecessary. In order to make the reduction permanent and fair to all, Measure "P" is necessary. Once Measure "P" reduces the Utility Users Tax, the City Council cannot raise it without a vote of the people.

Vote YES on Measure "P."
