Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices include state legislative offices, United States congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

Write-in candidates for voter-nominated offices may still run in the primary election. However, a write-in candidate may only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California's open primary system does not apply to candidates running for United States President, county central committee, or local offices.

California law requires the following information to be printed in this guide.

Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
39TH CONGRESSIONAL DISTRICT**

MARK TAKANO, Democratic
OCCUPATION: U.S. Congressman
EDUCATION AND QUALIFICATIONS:

Dear Neighbor,

It has been a great honor to serve the people of Riverside, Moreno Valley, Jurupa Valley and Perris in the United States Congress.

I have been fighting for the American people in Congress — working to lower the cost of prescription drugs, deliver groundbreaking overtime pay for workers, and stave off Republican attempts to slash Social Security, Medicare, and veterans benefits. I've taken action to address air quality issues in our regions. I continued working in the service of our veterans, enacting historic legislation to support those suffering from medical challenges connected to their service.

Since taking office, I have worked to pass laws to support students, protect small businesses, defend our immigrant communities, and create high-paying jobs in the Inland Empire. My office has returned more than \$15 million in federal funds that were owed to members of our community and has secured more than \$37 million in community project funding to support childcare, fight homelessness, and build vital infrastructure.

As a lifelong resident of the Inland Empire, and former public school teacher, I'm proud to have the support of leaders from throughout the region.

If re-elected, I will continue to stand up for the values of our democracy, fight for a more equitable economy, and oppose the Republicans' radical Project 2025 agenda that would take essential rights away from women, undermine our economy, and reduce opportunities for young Americans.

I respectfully ask for your vote,

Mark Takano

UNITED STATES REPRESENTATIVE,
39TH CONGRESSIONAL DISTRICT**

DAVID SERPA, Republican
OCCUPATION: Businessman / Author / Entrepreneur
EDUCATION AND QUALIFICATIONS:

AGE: 39

I'm a Marine Corps veteran, businessman, and author of "Common Sense for California; A Guide to the New Revolution." I know our neighbors are not our enemies. It's time to unite around common-sense and save our country.

Water is the cornerstone of every great society. For a fraction of what we spend on war, we could line the coast with desalination plants, funnel fresh water inland, grow the food we eat here, and reduce grocery costs.

America is energy rich behaving like we are energy poor. We have uranium, lithium, natural gas, and oil. Drill, stop decommissioning nuclear facilities, build a bridge to a nuclear future, and reduce gas costs now.

We don't have a country if we can't defend it. The DOD failed its 6th consecutive audit, unable to account for 61% of trillions of dollars worldwide. America needs to stop engaging in foreign wars while falling apart on the Homefront.

Americans have some of the highest healthcare costs in the world, yet we aren't covered. Annually, nearly 650,000 people declare bankruptcy due to medical bills, accounting for more than 60% of all bankruptcies. President Trump pledged to repeal and replace Obama Care. It's time.

There needs to be value in education for every child. We need trades, apprenticeships, licensing, and certificate programs in High Schools. Let's revitalize public universities to create more doctors, teachers, nurses, and engineers and not burden them with debt. Ultimately, creating more taxpayers, homeowners, and business owners. An investment in people would yield dividends.

ZENDA YVETTE LEWIS

OCCUPATION: Retired Physician Assistant

EDUCATION AND QUALIFICATIONS:

I am running for city council because I believe in the potential of our neighborhood. Our community is burdened by WAREHOUSES, open land, and a lack of essential amenities. We have only one restaurant, an abundance of fast food chains, and no safe walking paths. These issues contribute to the illegal dumping of trash and the disruption caused by SEMI-TRUCKS illegally driving through our streets.

I am committed to addressing these problems head-on. As a resident, I understand the frustration of not having safe and clean spaces for our families to enjoy. I will work tirelessly to develop walking paths, improve infrastructure, and create green spaces that promote a healthy lifestyle. My goal is to attract diverse businesses, including more dining options and local shops, to enhance our community's vibrancy.

I will collaborate with local authorities to enforce regulations against illegal dumping and unauthorized SEMI-TRUCKS traffic, ensuring our streets are safe and clean. Together, we can transform our neighborhood into a thriving, welcoming community where everyone feels proud to live. Your support is crucial in making this vision a reality. Let's work together to build a better future for our neighborhood.

MEASURE “C” - SAN JACINTO UNIFIED SCHOOL DISTRICT

FULL TEXT OF BOND MEASURE

KEY FINDINGS

San Jacinto Unified School District (the “District”) aims to provide safe and supportive learning environments to over 10,000 students across our 13 school sites. Our high-quality staff and academic programs help ensure that local students are prepared for success in high school, college and the workforce. Our graduation rate is among the highest in Riverside County and significantly exceeds the State average.

However, many local school facilities are aging and in need of repair. We have more than 50 portable classrooms that are at least 20 years old, some with deteriorating foundations in need of constant repair, and plumbing and electrical systems are outdated.

Additionally, our area is growing and local schools have experienced student enrollment growth. Most of our schools are over their original constructed capacity and some have 50% more students than they were designed to handle.

The District completed an extensive facilities master planning process that included gathering community input to identify needed repairs, updates and address overcrowding at our school sites. Facility improvements of this magnitude are beyond the scope of the District’s projected operating budget.

BOND AUTHORIZATION

By approval of this measure by at least 55% of the registered voters voting on the measure, the District will be authorized to issue and sell bonds of up to \$78,000,000 in aggregate principal amount at interest rates not to exceed legal limits and to provide financing for the specific types of school facilities projects listed in the Bond Project List included below, subject to all the accountability requirements specified below.

ACCOUNTABILITY REQUIREMENTS

The provisions in this section are specifically included in this measure in order that the voters and taxpayers in the District may be assured that their money will be spent wisely. Expenditures to address specific facilities needs of the District will be in compliance with the requirements of Article XIII A, Section 1(b)(3), of the State Constitution and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Education Code Sections 15264 and following.)

The Bonds may be issued under the provisions of the California Education Code (starting at Section 15100), under the provisions of the California Government Code (starting at Section 53506), or under any other provision of law authorizing the issuance of general obligation bonds by school districts. The Bonds may be issued in series by the District, from time to time, and each series of Bonds shall mature within the legal limitations set forth in the applicable law under which the Bonds are issued.

Evaluation of Needs. The Board of Trustees of the District has identified detailed facilities needs of the District, and has determined which projects to finance from a local bond. The Board of Trustees hereby certifies that it has evaluated safety, class size, enrollment growth, and information technology needs in developing the Bond Project List described below.

Independent Citizens’ Oversight Committee. Following approval of this measure, the Board of Trustees will establish an independent citizens’ oversight committee, under Education Code Sections 15278 and following, to ensure bond proceeds are expended only on the types of school facilities projects listed below. The committee will be established within 60 days of the date when the results of the election appear in the minutes of the Board of Trustees.

Performance Audits. The Board of Trustees will conduct annual, independent performance audits to ensure that the bond proceeds have been expended only on the school facilities projects listed below.

Financial Audits. The Board of Trustees will conduct annual, independent financial audits of the bond proceeds until all of those proceeds have been spent for the school facilities projects listed below.

Government Code Accountability Requirements. As required by Section 53410 of the Government Code, (1) the specific purpose of the bonds is set forth in this Full Text of the Measure, (2) the proceeds from the sale of the bonds will be used only for the purposes specified in this measure, and not for any other purpose, (3) the proceeds of the bonds, when and if issued, will be deposited into a building fund to be held by the Riverside County Treasurer, as required by the Education Code, and (4) the Superintendent of the District shall cause an annual report to be filed each year with the Board of Trustees of the District, which report shall contain pertinent information regarding the amount of funds collected and expended, as well as the status of the projects listed in this measure, as required by Sections 53410 and 53411 of the Government Code.

Bonding Capacity. Issuance of each series of bonds authorized by this measure is required to conform with all applicable legal requirements. This includes issuance within applicable bonding capacity limitations, which may include a waiver of bonding capacity granted by the State Board of Education, if sought and granted.

NO TEACHER OR ADMINISTRATOR SALARIES

Proceeds from the sale of bonds authorized by this measure shall be used only for the purposes specified in Article XIII A, Section 1(b)(3), specifically the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, and the acquisition or lease of school facilities, and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

STATE MATCHING FUNDS

The following statement is included in this measure pursuant to Education Code Section 15122.5: Approval of this measure does not guarantee that the proposed projects that are the subject of bonds under this measure will be funded beyond the local revenues generated by this measure. The District's proposal for the projects described below may assume the receipt of matching state funds, which, if available, could be subject to appropriation by the Legislature or approval of a statewide bond measure.

INFORMATION ABOUT ESTIMATES AND PROJECTIONS INCLUDED IN BALLOT

Voters are informed that any estimates or projections in the bond measure or ballot materials, including relating to estimated tax rates, the duration of issued bonds and related tax levies and collections are provided as informational only. Such amounts are estimates and are not maximum amounts or limitations on the terms of the bonds, the tax rate or duration of the tax supporting repayment of issued bonds. Such estimates depend on numerous variables which are subject to variation and change over the term of the District's overall facilities and bond financing plan, including but not limited to the amount of bonds issued and outstanding at any one time, the interest rates applicable to issued bonds, market conditions at the time of sale of the bonds, when bonds mature, timing of project needs and changes in assessed valuations in the District. As such, while such estimates and approximations are provided based on information currently available to the District and its current expectations, such estimates and approximations are not limitations and are not binding upon the District. In addition, the abbreviated and condensed statement of the bond measure presented to voters which is subject to a word count limitation imposed by State law does not limit the scope and complete meaning of the measure provided in this Full Text of Bond Measure and related ballot materials.

BOND PROJECT LIST

Examples of incidental costs include, but are not limited to: costs of design, engineering, architect and other professional services, facilities assessments, inspections, site preparation, utilities, landscaping, painting, bond project construction management, administration and other planning and permitting, legal, accounting and similar costs; independent annual financial and performance audits; a customary construction contingency; demolition and disposal of existing structures; the costs of interim housing and storage during construction including relocation and construction costs incurred relating to interim facilities; the preparation or restoration of construction, renovation or remodeling; rental or construction of storage facilities and other space on an interim basis for materials and other equipment and furnishings displaced during construction; costs of relocating facilities and equipment as needed in connection with the projects; interim classrooms and facilities for students, administrators, and school functions, including modular facilities; federal and state-mandated safety upgrades; addressing unforeseen conditions revealed by construction/modernization and other necessary improvements required to comply with existing building codes, including the Field Act; access requirements of the Americans with Disabilities Act; and costs of the election; bond issuance costs; and project administration during the duration of such projects, as permitted by law.

Furnishing and Equipping. Each project is assumed to include its share of furniture, fixtures, equipment, architectural, engineering, and similar planning costs, program/project management, staff training expenses and a customary contingency for unforeseen design and construction costs. In addition to the listed projects stated above, the list also includes the acquisition of a variety of instructional, maintenance and operational equipment, including the reduction or retirement of outstanding lease obligations and interim funding incurred to advance fund projects from the list; installation of signage and fencing; payment of the costs of preparation of all facility planning, facility studies, assessment reviews, facility master plan preparation and updates, environmental studies (including environmental investigation, remediation and monitoring), design and construction documentation, and temporary housing of dislocated District activities caused by construction projects. The upgrading of technology infrastructure includes, but is not limited to, computers, projectors, portable interface devices, servers, switches, routers, modules, sound projection systems, printers, digital white boards and monitors, document cameras, telephone system, network security/firewall, wireless technology systems and other miscellaneous equipment and software.

Alterations to Scope; New Construction. The scope and nature of any of the specific projects described above may be altered by the District as required by conditions that may arise during the course of design and construction. In the event that a modernization or renovation project is more economical for or otherwise determined by the Board to be in the best interests of the District to be undertaken as new construction, this bond measure authorizes said new construction including land acquisition, relocation and construction at a new or alternative site, and/or demolition and reconstruction and/or repurposing on the original site, including an expanded site, and all costs relating thereto. In addition, this measure authorizes the acquisition of real property, including necessary rights of ways or other real property interests, required to expand District facilities, to provide access to school or other District facilities, or to provide additional school or related facilities. For any project involving rehabilitation or renovation of a building or the major portion of a building, the District shall be authorized to proceed with new construction instead, if the Board of Trustees determines that replacement and new construction is more economically practical than rehabilitation and renovation, considering the building's age, condition, expected remaining life, and other relevant factors.

Interim Financing Included; Joint Use Projects Authorized. Authorized projects include paying and/or prepaying interim or previously obtained financing for the types of projects included on the Bond Project List, such as bond anticipation notes, and includes prepayment of lease payments to acquire title to facilities and/or equipment previously financed. Projects may also be undertaken on a joint use basis with other public entities.

Bond Project List Not in Order of Priority; Board Determines Prioritization. Approval of this bond measure does not guarantee that the proposed projects will be funded beyond the local revenues generated by the measure. The District's capital needs currently exceed the amount of bonds the voters are being asked to authorize. The order in which particular projects are listed is not intended to suggest priority for funding or completion, and itemization of projects in the list above does not guarantee that all such projects will be undertaken. Project priorities will be determined by the Board of Trustees. The ability of the District to undertake and complete the listed projects is subject to numerous variables including the adequacy and availability of sufficient funding sources. The District is unable to anticipate all unforeseen circumstances which may prevent some of the projects listed above from being undertaken or completed.

Interpretation. The terms of this bond measure and the words used in the Bond Project List shall be interpreted broadly to effect the purpose of providing broad and clear authority for the officers and employees of the District to provide for the school facilities projects the District proposes to finance with the proceeds of the sale of bonds authorized by this proposition within the authority provided by law, including Article XIII A, Section 1(b)(3) of the California Constitution, Education Code Section 15000 *et seq.* and the Strict Accountability in Local School Construction Bonds Act of 2000. Words used in the Bond Project List such as repair, improve, upgrade, expand, modernize, renovate, and reconfigure are used to describe school facilities projects in plain English but are not intended to expand the nature of such projects beyond what is authorized by law. As such, in accordance with legal requirements, the Bond Project List does not authorize, and shall not be interpreted to authorize, expending proceeds of the sale of bonds authorized by this proposition for current maintenance, operation or repairs.

Severability. The District Board hereby declares, and the voters by approving this Bond Measure concur, that every section and part of this bond proposition has independent value, and the District Board and the voters would have adopted each provision hereof regardless of every other provision hereof. Upon approval of this measure by the voters, should any part be found by a court of competent jurisdiction to be invalid for any reason, all remaining parts hereof shall remain in full force and effect to the fullest extent allowed by law, and to this end the provisions of this bond measure are severable.

MEASURE "C"- SAN JACINTO UNIFIED SCHOOL DISTRICT

TAX RATE STATEMENT

An election will be held in the San Jacinto Unified School District (the "District") on November 5, 2024, to authorize the sale of up to \$78,000,000 in general obligation bonds. The following information is submitted in compliance with Sections 9400-9404 of the Elections Code of the State of California. Such information is based upon the best estimates and projections presently available from official sources, upon experience within the District, and other demonstrable factors.

Based upon the foregoing and projections of the District's assessed valuation, the following information is provided:

1. The best estimate of the average annual tax rate that would be required to fund this bond issue over the entire duration of the bond debt service, based on estimated assessed valuations available at the time of filing of this statement, is \$59 per \$100,000 (5.9¢ per \$100) of assessed valuation. It is currently expected that the tax will be collected until fiscal year 2054-55.
2. The best estimate of the highest tax rate that would be required to fund this bond issue, based on estimated assessed valuations available at the time of filing this statement, is \$59 per \$100,000 (5.9¢ per \$100) of assessed valuation. This rate is projected to apply starting in fiscal year 2025-26 and continuing until 2054-55.
3. The best estimate of total debt service, including principal and interest, that would be required to be repaid if all the bonds are issued and sold will be approximately \$151,188,237.

These estimates are based on projections derived from information obtained from official sources, and are based on the assessed value (not market value) of taxable property on the County's official tax rolls. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions. The attention of all voters is directed to the fact that the foregoing information is based upon projections and estimates only, which amounts are not maximum amounts and durations and are not binding upon the District. The actual debt service, tax rates and the years in which they will apply may vary depending on the timing of bond sales, the par amount of bonds sold at each sale and actual increases in assessed valuations. The timing of the bond sales and the amount of bonds sold at any given time will be determined by the District based on the need for project funds and other considerations. Actual assessed valuations will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

IMPARTIAL ANALYSIS OF MEASURE "C"

State law authorizes school districts to sell bonds to finance improvements of student safety/security; build new classrooms/schools to relieve overcrowding; fix roofs and plumbing/electrical/ventilation systems; and repair/upgrade classrooms, science labs, and school facilities that support instruction in science, technology, engineering, arts, and math. Monies generated by the sale of such bonds may only be spent for these specified purposes. Bond proceeds cannot be expended to finance teacher and administrator salaries or other school operating expenses.

The San Jacinto Unified School District ("District") has called for an election on the question of whether bonds should be issued and sold by the District. Such bonds can only be issued and sold if at least 55% of the persons who actually vote approve Measure "C." The bonds would be repaid through an increase in property taxes based upon the assessed value of taxable property in the District in each year of repayment. The Tax Rate Statement, which appears following the full text of Measure "C" in this voter information pamphlet, reflects the District's current best estimate of the property tax rate increases that will be required to service the bonds at various points during the life of the bonds. At the time of issuance, the projected annual tax to be levied to meet debt service requirements for the proposed bonds is 5.9¢ per \$100 (or \$59 per \$100,000) of assessed value.

If Measure "C" is approved, bonds may be issued in series and must be repaid within a maximum statutory term of twenty-five (25) years. The maximum interest rate chargeable on the bonds is regulated by state law. The actual interest rates at which the bonds are sold will depend on the bond market at the time of each sale.

The District proposes to issue and sell bonds in an aggregate principal amount of seventy-eight million dollars (\$78,000,000). Money raised by the sale of the bonds must be used exclusively to finance the list of projects described in the full text of Measure "C," which is included in this voter information pamphlet ("Bond Project List"). When developing the Bond Project List, the District was required by state law to evaluate safety, class size reduction, and information technology needs. Inclusion of a particular project on the Bond Project List, however, is not a guarantee that the project will actually be funded or completed.

If Measure C is approved and the bonds are sold, the District will appoint a citizens oversight committee, and conduct annual independent financial and performance audits to ensure that bond funds are spent only on the construction, reconstruction, rehabilitation, or replacement of school facilities, including furnishing and equipping of school facilities, and the acquisition or leasing of school facilities and for no other purposes.

Approval of Measure "C" will have no effect on existing law but will allow for the issuance and sale of bonds in accordance with the terms of existing law and Measure "C".

A "YES" VOTE MEANS the District will be authorized to issue and sell the Bonds.

A "NO" VOTE MEANS the District will not be authorized to issue and sell the Bonds.

ARGUMENT IN FAVOR OF MEASURE "C"

Vote Yes on C to provide safe, supportive learning environments for our students!

San Jacinto schools are the heart of our community and provide a quality education for local children. However, new families are moving to our area and local schools struggle to keep up.

Aging portable classrooms have deteriorating foundations in need of constant repair. Many of our elementary schools are over-capacity, for example, Park Hill Elementary School was originally built for 525 students and now has almost 900.

We need Measure C to replace old portable classrooms, fix roofs, and update electrical systems to meet current safety, disability, and health standards. Every student deserves a quality education in a safe, modern learning environment.

Vote YES on C:

- **Safety and Security:** Improve safety and campus security systems at all schools for the benefit of students and staff.
- **Reduce Overcrowding:** Construct new schools to serve all students in our growing community.
- **Modern Classrooms for Better Learning:** Replace old portable classrooms with modern permanent learning environments supporting all students.
- **Enhance Science and Technology Education:** Upgrade older classrooms and science labs to keep pace with educational standards and support student achievement in science, technology, engineering, arts and math.

Fiscal Accountability Keeps Measure C Local:

- **Every penny of Measure C will stay in San Jacinto schools.** No funds can be taken by the State, ensuring tax dollars directly benefit local schools.
- **Oversight and Transparency:** Citizens' oversight, public spending disclosures, a detailed project list and annual audits ensure funds are used as promised. No funds can be used for administrator salaries or benefits.

Join parents, educators, and community leaders who are voting YES on C to support quality education for San Jacinto students! Together, we can build a brighter future for our children and our community.

THE PEOPLE OF THE CITY OF MORENO VALLEY ORDAIN AS FOLLOWS:

Section 1. ELECTIONS CODE SECTION 13119 STATEMENT

Section 2. LOCAL USE OF PROCEEDS

That the revenue produced by the 1% transactions and use tax may be used for any local general municipal purpose including, but not limited to, maintain 9-1-1 emergency response times, robbery/burglary prevention, neighborhood police patrols/fire engine service levels; address homelessness, traffic; repair potholes/streets; keep public areas safe/clean; help retain local businesses; maintain senior services, youth/after-school programs, until ended by voters, with independent financial audits, public review, all funds used locally.

Section 3. ANNUAL INDEPENDENT AUDITS

That the financial records, accounting practices and internal controls related to the collection, deposit and expenditure of the revenue produced by the one percent transactions and use tax shall be examined by means of an annual audit conducted by an independent auditor whose services shall be retained by the City through a contract for services as an independent contractor and available to the public for review.

Section 4. ONE PERCENT TRANSACTIONS AND USE TAX

That Title 3 (Revenue and Finance) of the Moreno Valley Municipal Code is hereby amended to repeal and replace the current Chapter 3.37 in its entirety with the following provisions:

Chapter 3.37

TRANSACTIONS AND USE TAX

3.37.010 Short title.

This chapter shall be known as the "Moreno Valley Transactions and Use Tax Ordinance."

3.37.020 Rate.

The rate of the transactions and use tax imposed by this chapter shall be one percent.

3.37.030 Purpose.

The City Council declares that the ordinance codified in this chapter is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

A. To impose a retail transaction and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.9 of Part 1.7 of Division 2 which authorizes the City to adopt this tax ordinance which shall be operative if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose;

B. To adopt a transactions and use tax ordinance which incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code;

C. To adopt a transactions and use tax ordinance which imposes a tax and provides a measure therefor that can be administered and collected by the California Department of Tax and Fee Administration in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from the existing statutory and administrative procedures followed by the California Department of Tax and Fee Administration in administering and collecting the California State Sales and Use Taxes;

D. To adopt a transactions and use tax ordinance which can be administered in a manner that will, to the degree possible consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting city transactions and use taxes and at the same time minimize the burden of record keeping upon persons subject to taxation under the provisions of this chapter.

E. To provide transactions and use tax revenue to the City to be used for the general governmental purposes of the City and with any transactions and use tax revenue received being placed into the City's general fund.

3.37.040 Contract with State.

Prior to the operative date the City shall contract with the California Department of Tax and Fee Administration to perform all functions incident to the administration and operation of this transactions and use tax ordinance; provided, that if the City shall not have contracted with the California Department of Tax and Fee Administration prior to the operative date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract rather than the first day of the first calendar quarter following the adoption of the ordinance codified in this chapter.

3.37.050 Transactions tax.

For the privilege of selling tangible personal property at retail a tax is hereby imposed upon all retailers in the City at the rate stated in Section 3.37.020 of the gross receipts of the retailer from the sale of all tangible personal property sold at retail in this City on and after the operative date.

3.37.060 Place of sale.

For the purposes of this chapter, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-State destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the State sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the California Department of Tax and Fee Administration.

3.37.070 Use tax.

An excise tax is imposed on the storage, use or other consumption in this City of tangible personal property purchased from any retailer on and after the operative date for storage, use or other consumption in this City at the rate stated in Section 3.37.020 of the sales price of the property. The sales price shall include delivery charges when such charges are subject to State sales or use tax regardless of the place to which delivery is made.

3.37.080 Adoption of provisions of State law.

Except as otherwise provided in this chapter and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 of Division 2 of the Revenue and Taxation Code are adopted and made a part of this chapter as though fully set forth herein.

3.37.090 Limitations on adoption of State law.

In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

A. Wherever the State of California is named or referred to as the taxing agency, the name of the City shall be substituted therefor. The substitution prescribed by subsection (a), however, shall not be made:

1. When the word "State" is used as part of the title of the State Controller, the State Treasurer, the State Board of Control, the State Board of Equalization, the State Treasury, or the Constitution of the State of California;
2. When the result of that substitution would require action to be taken by or against the City, or any agency thereof rather than by or against the California Department of Tax and Fee Administration, in performing the functions incident to the administration or operation of this chapter;
3. In those sections, including, but not necessarily limited to, sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to
 - a. Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code; or to
 - b. Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the State under the provisions of that Code;
4. In Sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797 or 6828 of the Revenue and Taxation Code.

B. The word "City" shall be substituted for the word "State" in the phrase "retailer engaged in business in this State" in Section 6203 and in the definition of that phrase in Section 6203.

3.37.100 Permit not required.

If a seller's permit has been issued to a retailer under Section 6067 of the Revenue and Taxation Code, an additional seller's permit shall not be required by this chapter.

3.37.110 Exclusions and exemptions.

The following exclusions and exemptions shall apply:

A. There shall be excluded from the measure of the transactions and sales tax and the use tax the amount of any sales tax or use tax imposed by the State of California or by any city, city and county, or county pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law or the amount of any state-administered transactions or use tax.

B. There are exempted from the computation of the amount of transactions tax the gross receipts from:

1. Sales of tangible personal property, other than fuel or petroleum products, to operators of aircraft to be used or consumed principally outside the county in which the sale is made and directly and exclusively in the use of such aircraft as common carriers of persons or property under the authority of the laws of this State, the United States, or any foreign government.

2. Sales of property to be used outside the City, which is shipped to a point outside the City, pursuant to the contract of sale, by delivery to such point by the retailer or his or her agent, or by delivery by the retailer to a carrier for shipment to a consignee at such point. For the purposes of this paragraph, delivery to a point outside the City shall be satisfied:

a. With respect to vehicles (other than commercial vehicles) subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, and undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code by registration to an out-of-City address and by a declaration under penalty of perjury, signed by the buyer, stating that such address is, in fact, his or her principal place of residence; and

b. With respect to commercial vehicles, by registration to a place of business out-of-City and declaration under penalty of perjury, signed by the buyer, that the vehicle will be operated from that address.

3. The sale of tangible personal property if the seller is obligated to furnish the property for a fixed price pursuant to a contract entered into prior to the operative date of the ordinance codified in this chapter.

4. A lease of tangible personal property which is a continuing sale of such property, for any period of time for which the lessor is obligated to lease the property for an amount fixed by the lease prior to the operative date of the ordinance codified in this chapter.

5. For the purposes of subsections B.3 and B.4 of this section, the sale or lease of tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

C. There are exempted from the use tax imposed by this chapter, the storage, use or other consumption in this City of tangible personal property:

1. The gross receipts from the sale of which have been subject to a transactions tax under any state-administered transactions and use tax ordinance.

2. Other than fuel or petroleum products purchased by operators of aircraft and used or consumed by such operators directly and exclusively in the use of such aircraft as common carriers of persons or property for hire or compensation under a certificate of public convenience and necessity issued pursuant to the laws of this state, the United States, or any foreign government. This exemption is in addition to the exemptions provided in Sections 6366 and 6366.1 of the Revenue and Taxation Code of the State of California.

3. If the purchaser is obligated to purchase the property for a fixed price pursuant to a contract entered into prior to the operative date of this chapter.

4. If the possession of, or the exercise of any right or power over, the tangible personal property arises under a lease which is a continuing purchase of such property for any period of time for which the lessee is obligated to lease the property for an amount fixed by a lease prior to the operative date of this chapter.

5. For the purposes of subsections C.3 and C.4 of this section, storage, use, or other consumption, or possession of, or exercise of any right or power over, tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

6. Except as provided in subsection C.7 of this section, a retailer engaged in business in the City shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the property into the City or participates within the City in making the sale of the property, including, but not limited to, soliciting or receiving the order, either directly or indirectly, at a place of business of the retailer in the City or through any representative, agent, canvasser, solicitor, subsidiary, or person in the City under the authority of the retailer.

7. "A retailer engaged in business in the City" shall also include any retailer of any of the following: vehicles subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, or undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code. That retailer shall be required to collect use tax from any purchaser who registers or licenses the vehicle, vessel, or aircraft at an address in the City.

D. Any person subject to use tax under this chapter may credit against that tax any transactions tax or reimbursement for transactions tax paid to a district imposing, or retailer liable for a transactions tax pursuant to Part 1.6 of Division 2 of the Revenue and Taxation Code with respect to the sale to the person of the property the storage, use or other consumption of which is subject to the use tax.

E. Nothing in this chapter shall be construed as imposing a tax upon any person or service when the imposition of such tax upon such person or service would be in violation of a federal or state statute, the Constitution of the United States, or the Constitution of the State of California.

3.37.120 Amendments.

All subsequent amendments of the Revenue and Taxation Code which relate to sales and use taxes and which are not inconsistent with Part 1.6 and 1.7 of Division 2 of the Revenue and Taxation Code, and all amendments to Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, shall automatically become a part of this chapter, provided however, that no such amendment shall operate so as to affect the rate of tax imposed by this ordinance.

3.37.130 Enjoining collection forbidden.

No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action or proceeding in any court against the State or this City, or against any officer of the State or the City, to prevent or enjoin the collection under this chapter, or Part 1.6 of Division 2 of the Revenue and Taxation Code, of any tax or any amount of tax required to be collected.

3.37.140 Violations—Penalties.

Any person violating any of the provisions of this chapter shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punishable by a fine of not more than five hundred dollars (\$500.00) or by imprisonment for a period of not more than six months, or by both such fine and imprisonment.

Section 5. SEVERABILITY

That should any provision, section, paragraph, sentence, or word of this ordinance be rendered or declared invalid by any final court action in a court of competent jurisdiction or by reason of any preemptive legislation, the remaining provisions, sections, paragraphs, sentences or words of this ordinance as hereby adopted shall remain in full force and effect.

Section 6. REPEAL OF CONFLICTING PROVISIONS

That all the provisions of the Municipal Code as heretofore adopted by the City of Moreno Valley that conflict with the provisions of this ordinance are hereby repealed.

Section 7. AMENDMENTS

That Section 3.37.020 (Rate) of Chapter 3.37 (Transactions and Use Tax) of Title 3 (Revenue and Finance) of the Moreno Valley Municipal Code shall not be subsequently amended unless approved by the voters, but the remaining provisions of Chapter 3.37 (Transactions and Use Tax) may be amended by the City Council unless otherwise provided by applicable law.

Section 8. CERTIFICATION

That the City Clerk shall certify to the passage of this ordinance and shall cause the same to be published according to law.

Section 9. OPERATIVE DATE OF ONE PERCENT TRANSACTIONS AND USE TAX

That the operative date of the one percent transactions and use tax shall be April 1, 2025, which is the first day of the first calendar quarter commencing more than 110 days after adoption of this ordinance by the voters on November 5, 2024, or as soon thereafter as permitted by law.

PASSED AND ADOPTED by the People of the City of Moreno Valley at a special municipal election held and conducted with the consolidated general election held on November 5, 2024.

IMPARTIAL ANALYSIS OF MEASURE “U”

On August 6, 2024, the City Council of the City of Moreno Valley adopted a resolution placing the Moreno Valley Essential Services Reauthorization Measure, a proposed one-cent (1¢) Transaction and Use Tax ordinance on the ballot for voter consideration at the November 5, 2024, General Municipal Election,

Although the tax is called a “Transactions and Use Tax,” it is commonly referred to as a sales tax. The tax would be assessed on the sale of tangible personal property and the storage, use, or other consumption of such property, unless and until repealed by the voters of the City. The ordinance would amend Title 3 (Revenue and Finance) of the Moreno Valley Municipal Code by replacing the current text of Chapter 3.37 (Transactions and Use Tax).

Currently, the sales tax rate on retail sales within the City is 7.75%. Measure U would authorize an additional 1.0%, increasing the total sales tax rate within the City to 8.75%. The City estimates the increase would result in approximately \$30 million of additional annual revenue to the City. The California Department of Tax and Fee Administration would administer the tax. City residents and visitors would pay this tax on retail sales. Certain necessary purchases, such as groceries or medicine, would be exempt from the tax. The proposed tax is a “general tax,” meaning that proceeds would be deposited into the City’s general fund. The proceeds of the one-cent (1¢) Transaction and Use Tax may be used for any local general municipal purpose including, but not limited to, maintaining 9-1-1 emergency response times, robbery/burglary prevention, and neighborhood police patrols/fire engine service levels; addressing homelessness and traffic issues; repairing potholes/streets; keeping public areas safe/clean; helping retain local businesses; and maintaining senior services and youth/ afterschool programs.

Approval of Measure U will require a vote of at least 50% plus 1 of the voters voting in the election.

In summary, if approved by the voters, Measure U would enact a one-cent tax to the price of an item that costs a dollar or one percent on gross receipts of any retailer from the sale of tangible personal property sold at retail on and after April 1, 2025, which shall be subject to independent final audits and remain in effect unless the voters repeal it.

A “Yes” vote is to approve the one-cent Transaction and Use Tax Ordinance.

A “No” vote is to reject the one-cent Transaction and Use Tax Ordinance.

The above statement is an impartial analysis of Measure U. If you desire a copy of the one-cent Transaction and Use Tax Ordinance, please call the City Clerk’s office at (951) 413-3010 and a copy will be mailed to you at no cost. You may also request a copy of the one-cent Transaction and Use Tax Ordinance, at no cost, via email at PattyR@moval.org.

ARGUMENT IN FAVOR OF MEASURE “U”

Don't allow Sacramento Bureaucrats and State Judges to overturn what we – the Moreno Valley voters --decided! YES ON U: Keep Moreno Valley Safe.

YES on U keeps our taxpayer dollars LOCAL by reauthorizing a measure adopted overwhelmingly by Moreno Valley voters in 2021 to maintain our critical 911, emergency, fire, police and quality of life services with locally controlled funding.

Safe neighborhoods and parks; libraries; programs for children, youth, and seniors; and well-maintained roads maintain our quality of life.

YES on U protects that quality of Life. It ends devastating budget cuts resulting from a ridiculous decision by out-of-town judges and bureaucrats to overturn our local 2021 vote. Restore decision-making power to Moreno Valley voters—YES on U!

Unless WE act again, Moreno Valley won't have access to local funds we previously approved to maintain fire service levels, 911 emergency response times, and critical robbery and burglary prevention programs; address homelessness; repair local streets and potholes; and keep our public areas safe and clean.

YES on U Keeps Moreno Valley SAFE.

Over 77% of our Fire Department calls are for medical emergencies. Your Yes on U vote ensures local paramedics, firefighters, and emergency medical workers have the staffing and equipment they need to respond quickly and save lives.

YES on U keeps our kids PROTECTED.

It maintains supervised afterschool park, recreation, and library programs to keep our children safe, off the streets and out of trouble.

Measure U remains FISCALLY ACCOUNTABLE by maintaining previous voter-approved fiscal accountability requirements, public disclosure of ALL spending, and annual independent financial audits.

ALL Measure U funds are required by law to REMAIN LOCAL.

PROTECT OUR SAFETY! Join Moreno Valley Public Safety, Local Small Business, and Neighborhood Leaders, and a unanimous City Council in voting YES ON U!

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “U”

The TAX RAISERS make the same false and misleading argument that the GOVERNMENT needs more of your money! The City of Moreno Valley has a balanced budget for a dozen years. The TAX RAISERS claimed over 30 years ago the Utility tax would fund Public Safety, then the Hotel Tax would cure the problem, that failed! Now they want to try the same failed solution a third time with a sales TAX INCREASE! Oh the insanity...

Moreno Valley has plenty of money to provide Police & Fire protection! Police and Fire have had substantial increases in the last 3 years, with NO TAX INCREASE!! Yet the City Council has spent over \$250,000 on Murals, talk about waste of public funds, still they crave more of your \$\$\$!

The #1 job of the City is to provide public safety per the California Constitution! If they violate that they are derelict in their duty and NOT upholding their oath of office, when swore to protect you!

Police and Fire have had substantial increases in the last 3 years, with NO TAX INCREASE!

Do NOT buy the scare tactics used to fleece you out of more of your money, in these inflationary times, when we the people have had to do more with less!

Sales taxes in Moreno Valley our lower than Riverside, the proponents of this tax want you to pay more for most products like the failed policy of our neighbors!

Ask yourself if the quality of life in Moreno Valley improved under the broken promises of previous tax increases will fix this? If the answer is NO then VOTE No on Measure U & start to work on real solutions to provide better services at less cost, which has been rejected by this and previous councils!

Working together we can provide for a better Moreno Valley without burdening the citizens with more taxes than they can afford in these inflationary times

NO on Measure U for a Better & Safer Moreno Valley!

By: Louise Palomarez

REBUTTAL TO ARGUMENT AGAINST MEASURE “U”

Moreno Valley voters already enacted the basis for Measure U in 2021. Your continued “Yes” simply prevents out-of-town judges from ending what Moreno Valley voters already agreed to!

Local safety advocates, local small business owners, and community organizations are concerned about our safety. That is why we support Measure U!

We want our 911 fire and emergency medical calls answered quickly-when seconds count. We need to know our kids are safe and away from drugs and gangs after school. We need our roads repaired and our neighborhoods and business corridors safe for everyone.

Moreno Valley is at a crossroads. As emergency federal funding ends and the cost of basic services rise, we can choose to reauthorize a measure that keeps our local tax dollars local, or prepare for devastating cuts to the basic services our communities and families need most.

YES on U was developed with community input! The city invested in mail, phone, and in-person meetings to gather feedback from hundreds of Moreno Valley residents - where over 79% of residents agreed that the city needs funds for our basic services.

Here's what Measure U does NOT do:

- Measure U is not a tax on your home or property.
- Measure U does not apply to food purchased as groceries or prescription medication.

Join your neighbors, local firefighters, and local small business owners and say YES on U. Thank you for voting in this important local election.
