Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes — regardless of party preference — move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

Superintendent of Public Instruction is a nonpartisan office. If a candidate for Superintendent of Public Instruction were to receive a majority of the vote (at least 50 percent +1) at the primary election, then that candidate would be elected, and no general election would be held. Additional information on nonpartisan offices can be found below.

California law requires the following information to be printed in this guide.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

HOW TO MARK YOUR PAPER BALLOT

Please refer to the following instructions on how to properly complete your Official Ballot:

- Connect the head and tail of the arrow that points to your choice like the example provided.
- Check both front and back of ballot for voting contests.
- Use a black ball point pen. Do not use felt tip, red or gel ink.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
41ST CONGRESSIONAL DISTRICT**

MARK TAKANO, Democratic

OCCUPATION: United States Representative / Teacher
EDUCATION AND QUALIFICATIONS:

Dear Neighbor,

Since being elected to Congress, I've worked tirelessly to support the hard-working communities of Riverside County.

As your Representative, I have expanded access to healthcare for our veterans, stood up for the middle class, worked to create high-paying jobs in the Inland Empire, and kept my promise to protect Social Security and Medicare.

My office has secured more than \$2.5 million in benefits owed to veterans and held regular town hall meetings to understand local priorities. I introduced legislation to strengthen our schools, rein in the abuses of the for-profit college industry, make it easier for veterans to transition back into our community, and support the creation of advanced manufacturing jobs in our region.

I will continue to work for our community by promoting investments in local job creators, by supporting comprehensive immigration reform, and by opposing tax cuts for billionaires and corporations who want to ship American jobs overseas.

Prior to being elected to Congress, I dedicated my life to public service as a high school teacher and Riverside Community College Trustee. Those roles prepared me to be an effective advocate for local schools, businesses, veterans, seniors, our military, and middle-class families.

I am proud to have the support of local leaders from throughout Riverside, Moreno Valley, Jurupa Valley, and Perris.

I respectfully ask for your vote so we can continue to grow our economy and move America forward.

Mark Takano

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
41ST CONGRESSIONAL DISTRICT**

AJA SMITH, Republican

AGE: 39

EDUCATION AND QUALIFICATIONS:

Aja Smith (Vet) has dedicated her life and career to serving her country. Following in the footsteps of her family, Aja decided at a young age that she wanted to help preserve the great freedoms that our country was founded upon by joining the United States Airforce Reserves in 2002. She served from 2002-2012. Aja grew up in Moreno Valley, California and was raised by both her mother and grandmother who worked long hours as nurses, providing for Aja and ensuring she had every opportunity that her peers had. Aja's Grandparents served in the U.S. Military. Her Grandfather was a veteran of WWII, Korea, and Vietnam. Her great uncle was a Tuskegee Airman pilot.

Aja Smith's top priorities are:

National Defense: As a Veteran who understands National Security, Aja will ensure our National defense and Homeland security has the resources it needs to confront future threats. In Congress she will work to give our defense the resources that they need to keep Americans safe.

Veterans: Aja fully understands the needs and sacrifices of our service members and their families. She understands the commitment to our military service members does cease when they retire/separate from service and caring for our veterans must remain a top priority in Congress.

Economic Recovery and Tax reform: Aja understands the impact of a stagnant job market and knows that small business are the backbone of job growth in our country. By advancing long-term, pro-growth policies will get our economy growing.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
60TH ASSEMBLY DISTRICT**

BILL ESSAYLI, Republican

OCCUPATION: Federal Prosecutor

EDUCATION AND QUALIFICATIONS:

I spent my career fighting for you in the courtroom, now I want to fight for you in Sacramento.

California taxes are simply too high. I am the only candidate running who opposes the \$52 billion gas and car tax hike, which costs the average family an extra \$800 per year. I support repealing it. I also oppose Jerry Brown's high-speed rail boondoggle.

I served as a Deputy District Attorney in Riverside County, and later as an Assistant United States Attorney prosecuting federal criminal violations.

The dangerous policies of AB 109, Proposition 47, and Proposition 57 are jeopardizing the safety of our community and we are seeing crime rates rise. Instead of fixing the problems, the legislature just passed a law making it easier for criminals to avoid jail. I will support policies that keep criminals in jail and off our streets.

I will defend Prop 13 protections and oppose new payroll taxes to pay for a government-run health care system.

I will work with job creators to enact policies to help them grow. I want to bring high paying jobs to Riverside County and address California's affordability crisis.

I was raised in Riverside County by parents who legally immigrated from Lebanon to escape a violent civil war. I graduated from Centennial High School and successfully completed the AVID program. I was the first in my family to graduate from college, and eventually law school.

The only way to change the direction of Sacramento is to send new leadership up there. I humbly ask for your vote!

EDUCATION AND QUALIFICATIONS:

I grew up and went to school here, graduating from Norco High. This is my family's home, where my children and grandchildren live. I opened my business here. I'm here to stay, and am running to keep this a great place to live.

As Supervisor, I'll hold Riverside County accountable for every dollar, and make sure they're spending it on our priorities: improving roads, increasing public safety, and helping get our homeless off the streets.

I'm committed to balancing the budget and improving services without raising taxes. That's why I helped start the Corona Taxpayer's Association. In the Assembly, I voted against new or higher taxes again and again.

SHERIFF / CORONER / PUBLIC ADMINISTRATOR**

STAN SNIFF

OCCUPATION: Riverside County Sheriff

EDUCATION AND QUALIFICATIONS:

LAW ENFORCEMENT IS CHANGING

New challenges demand new technology and better education. We have modernized operations, combatting crime more effectively by improving communications, fielding 1,000 body worn cameras, and using high-tech tablets in patrol cars.

Despite years of budget constraints, we cracked down on drug and gang activity, and reduced violent crimes by 8.8% in 2017. Due to prudent fiscal management, we are hiring more deputies, decreasing response times, and expanding our jails.

ACCOUNTABILITY MATTERS

My approach to the office – that all who serve you must be accountable – has irked union leadership, which poured over \$1 million into a campaign to replace me. I believe union bosses hope to restore “the good old days” of rampant cronyism, where some are above the law.

TRAINED TO SERVE

Riverside County deserves the most qualified person to lead one of the largest law enforcement agencies in California. I bring over 40 years of law enforcement experience across all our operations, with half that experience in senior executive positions.

I graduated from UC Riverside, hold an M.A. in management, and graduated from the FBI National Executive Institute.

I am a Veteran and a retired Army colonel with 30 years of service.

I respectfully ask for your vote.

I graduated from the Sheriff Academy at the top of my class and was hired by the Department. My experience includes Patrol, Corrections, Internal Affairs and Supervision. As Sheriff, I'll fight gangs and sex offenders and increase neighborhood patrols.

The Deputies and Officers who patrol our neighborhoods overwhelmingly endorse me for Sheriff, including: Riverside Sheriff's Association, Riverside Police Officers' Association, Southern California Alliance of Law Enforcement, representing over 37,000 officers in Southern California.

IMPARTIAL ANALYSIS OF MEASURE “L”

In June 2018, the voters approved Ordinance No. 18-06 prohibiting all “commercial cannabis activity” in the City, defined to include cultivation, possession, distribution, processing, storing, laboratory testing, packaging, labeling, transportation, delivery and sales of cannabis and cannabis goods.

Measure L, placed on the ballot by a petition signed by the requisite number of voters, would provide an exemption from enforcement to allow “commercial cannabis activity” in certain areas of the City:

- Retail cannabis businesses would only be allowed in the General Commercial (C-1/C-P) and Rubidoux Village Commercial (R-VC) zones;
- Other commercial cannabis businesses would be allowed in these zones and in the Manufacturing-Service Commercial (MS-C) and Business Park (B-P) zones.

Measure L provides for the following regulations of these businesses:

- seven cannabis retailers allowed in the City at this time based on one cannabis retailer may receive exempt status for every 15,000 residents;
- Only three commercial cannabis businesses can be located within a 1,000-foot radius of one another, but no set limit on the number of cannabis cultivation, manufacturing, distribution, or laboratory testing facilities that can obtain exempt status;
- Commercial cannabis businesses cannot be located within a 600-foot radius of a school providing instruction in kindergarten or any grades 1 through 12 existing at the time the application is filed;
- No radius restrictions may be imposed by the City on commercial cannabis business near day care or youth centers.
- Commercial cultivation is prohibited outdoors;
- Only \$200 in cash overnight and no one under 21 allowed in commercial cannabis businesses; and
- All commercial cannabis businesses would require a state license

No discretionary permit is required to be issued by the City before a cannabis business can operate in the City. “Priority” applicants can apply before “non-priority” applicants to obtain exempt status if they filed a Statement by Unincorporated Association with the California Secretary of State before September 1, 2016 that contains certain language. If the application is deemed complete and complies with the zoning and location restrictions set forth above, a cannabis business can operate in the City, subject to the provisions of the Measure.

Commercial cannabis businesses would be required to pay the City the following annual tax for general governmental purposes:

- A maximum of \$25 per square foot of space used for retail cannabis sales.
- A maximum of \$3 per square foot for space used in connection with all other commercial cannabis activity.

The annual tax to be collected is dependent on the size and number of cannabis businesses that operate in the City each year. The City Council is authorized to lower the tax rates but voter approval is required to increase the tax. This local tax is in addition to taxes imposed and collected by the State.

A “Yes” vote on Measure L allows cannabis businesses to operate in certain areas of Jurupa Valley, subject to regulation and tax. A “No” vote is against the operation of cannabis businesses in the City.

By: Peter M. Thorson, City Attorney, City of Jurupa Valley

The above statement is an impartial analysis of Measure L. If you desire a copy of the Measure, please call the elections official's office at (951) 332-6464 and it will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE “L”

Unlike the previous City of Jurupa Valley marijuana business ballot measure, **this Measure would impose a local sin tax on all marijuana businesses operating within our City.** The annual sin tax would allow our City to collect \$25 per square foot of space utilized for retail marijuana sales, and \$3 per square foot of space utilized for any other type of commercial marijuana activity, such as distribution, laboratory testing, and product manufacturing.

In spite of our City’s prohibition on state-licensed marijuana businesses, it **remains infested with illegal marijuana dispensaries.** City Hall authorized—at taxpayer expense—a private law firm to litigate over 50 lawsuits against local marijuana business operators, and yet illegal marijuana dispensaries continue to operate openly and notoriously across our City.

The local revenue generated by the sin tax would provide a source of revenue that could be used to **finally crack down on illegal marijuana dispensaries** and keep them out of our City for good. Any additional revenue generated by the sin tax could be used to make our City a cleaner and safer place.

In addition to generating revenue for our City, here are just a few ways **this Measure would be an improvement over the existing failed prohibition:**

- Requires all local marijuana businesses to be fully licensed, heavily regulated, and accountable to multiple State and local regulatory agencies;
- Restricts the total number of state-licensed dispensaries operating within the City to 1 per 15,000 City residents;
- Prevents marketing or sales to children, requiring purchasers to be over 21; and
- Keeps state-licensed marijuana businesses away from schools and out of neighborhoods.

Vote YES, it’s a commonsense solution.

By: Katelyn Garcia, Longtime City Resident

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “L”

Vote no on Measure “L”!

57% of Jurupa Valley voters approved Measure B in June 2018 in order to prohibit all marijuana dispensaries and marijuana businesses in the City. **Measure L would overturn this voter approved prohibition** and allow commercial marijuana businesses including seven marijuana dispensaries in the City.

No reason exists to overturn this decision of the voters and no reason exists to **force the City to accept marijuana dispensaries and marijuana businesses.**

Good reasons exist to continue the prohibition on marijuana businesses and prevent devastating problems for the City:

- Marijuana businesses have been known to **attract crime** and would **divert law enforcement resources** from other areas of the City;
- Measure L would **prohibit the City from imposing conditions** on the operation of marijuana businesses in order to protect the health and safety of the community including day care and youth centers;
- Measure L would require the City to hire additional staff and law enforcement at an **estimated cost of \$345,000 per year**; and
- Commercial marijuana businesses are illegal under federal law.

Cities that have legalized marijuana dispensaries **continue to struggle with closing illegal dispensaries.** Illegal dispensaries will not collect the 15% State tax and additional local taxes from customers and sell marijuana at substantially lower prices.

Jurupa Valley continues to **successfully close and shutter illegal dispensaries.** Measure L will do nothing to stop illegal dispensaries and will create many additional problems for the City.

Brian Berkson, Mayor Pro Tem
Anthony Kelly Jr., Council Member
Verne Lauritzen, Council Member
Laura Roughton, Council Member

ARGUMENT AGAINST MEASURE “L”

Vote **No** on Measure “L”

57% of Jurupa Valley voters voted **against Measure A to legalize commercial marijuana/cannabis businesses** in the City, including dispensaries, in one commercial zone in the June 2018 election.

57% of Jurupa Valley voters also voted in **favor of Measure B prohibiting all commercial marijuana/cannabis businesses** in the City in the June 2018 election with limited exceptions.

Measure L would **now exempt commercial marijuana/cannabis businesses** from this voter-approved prohibition on commercial marijuana/cannabis businesses in commercial areas and **force** the City to have:

- **Seven marijuana dispensaries** in the General Commercial and Rubidoux Village Commercial zones
- **Other marijuana businesses** such as indoor cultivation, manufacturing, distribution or testing in these zones as well as in the Manufacturing Service Commercial and Business Park zones.

Measure L would **impose a new Jurupa Valley tax** on these businesses that can only be increased by voter approval.

Marijuana businesses will create devastating problems for the City:

- Marijuana businesses have been known to **attract crime** and would **divert law enforcement resources** from other areas of the City;
- Measure L would **prohibit the City from imposing conditions** on the operation of marijuana businesses in order to protect the health and safety of the community including day care or youth centers;
- Measure L would likely require the City to hire additional staff and law enforcement at an **estimated cost of \$345,000 per year**; and
- Commercial marijuana businesses are illegal under federal law.

Brian Berkson, Mayor Pro Tem
Anthony Kelly, Jr., Council Member
Verne Lauritzen, Council Member
Laura Roughton, Council Member

REBUTTAL TO ARGUMENT AGAINST MEASURE “L”

Measure L's sin tax is capable of generating millions of dollars for our City over time. Under our existing failed prohibition on state licensed marijuana businesses illegal dispensaries operate with impunity all across our City, and our community gets nothing from it.

Stop the insanity! Let's use the revenue generated from Measure L to shutdown the dangerous and illegal dispensaries, which will be replaced with a few highly regulated and accountable businesses.

Measure L is capable of solving our City's longstanding problem with illegal dispensaries.

Vote YES on Measure L

Conditional Voter Registration

Did you forget to register? No problem! Did you know that during the period of 14 days prior to Election Day through and including Election Day, you can go to the office of the Riverside County Registrar of Voters to conditionally register to vote and vote? This process is called Conditional Voter Registration (CVR). Here's how it works:

1. Visit the Registrar of Voters office located at 2724 Gateway Drive, Riverside, CA 92507
2. Complete a voter registration card or register online at RegisterToVote.ca.gov
3. Vote your CVR provisional ballot. **CVR ballots will only be issued at the office of the Registrar of Voters.**

Once the county elections official processes the affidavit of registration, determines that you're eligible to register, and validates your information, the registration becomes permanent and your CVR provisional ballot will be counted.

If you have questions regarding Conditional Voter Registration, please call (951) 486-7200 or toll free (800) 773-VOTE (8683)

You may check the status of your voter registration at www.voteinfo.net/AmlRegistered

California Motor Voter

The California Motor Voter program is making registering to vote at the California Department of Motor Vehicles (DMV) more convenient and secure. All eligible individuals completing driver license or ID card or change of address transactions at the DMV will be registered to vote with the California Secretary of State unless they "opt out" of automatic voter registration.

The California Motor Voter program applies to Californians who are 18 years or older and meet the following criteria:

- A United States citizen and a resident of California.
- Not currently in state or federal prison or on parole for the conviction of a felony.
- Not currently found mentally incompetent to vote by a court.

Note: Voter pre-registration is available for those 16 and 17 years of age. Their voter registration will become active automatically when they turn 18.

Before visiting a DMV field office, we recommend making an appointment. Visit <https://www.dmv.ca.gov/portal/dmv/detail/portal/foa/welcome> to get started. You can also use DMV online services (<https://www.dmv.ca.gov/portal/dmv/dmv/online/vcs>) to renew your driver license or ID card or change your address.

If you indicate you're eligible to vote, once you complete your driver license or state ID renewal form transaction online, by mail or in person at the DMV, your voter information is then transmitted securely and electronically to the California Secretary of State.

Please note that drivers with an AB 60 driver's license are not eligible to participate in the California Motor Voter program and are not eligible to vote.

For more information, visit MotorVoter.sos.ca.gov.

To register to vote online, visit RegisterToVote.ca.gov.

Tips for California's Military and Overseas Voters

Taking part in elections is more convenient than ever for Californians serving in the military or living outside the United States. It begins when you register to vote as a military or overseas voter and receive election materials by mail, fax, or email.

- **Start early.** California's county elections officials begin sending ballots to military and overseas voters 60 days before Election Day. Fill out a voter registration application early at RegisterToVote.ca.gov to ensure that you receive your voting materials in time.
- **Know your options.** When registering to vote as a military or overseas voter, you can choose to have your ballot mailed, faxed, or emailed to you. You may return your voted ballot to your county elections official by mail or, in certain circumstances, by fax. If you meet the requirements to return your ballot by fax, you must also fax the Oath of Voter form (available from your county elections official) waiving your right to a confidential ballot.
- **Stay in touch.** Once you register as a military or overseas voter, you will continue to receive a ballot and election materials from your county elections official before each election. We encourage you to update your registration each year, if needed; however, you *must* re-register to vote if you change your address, your name, or your political party preference, or if you do not participate in four consecutive statewide general elections. Visit www.sos.ca.gov/elections/voter-registration/military-overseas-voters/ for more election resources designed especially for you.

Dates to remember:

October 22: last day to register to vote and request your ballot

October 30: last day to update or change how you want to receive your ballot

November 6: Election Day. Mailed ballots must be postmarked on or before Election Day **and** received by your county elections office no later than November 9. Faxed ballots must be delivered to your county elections office by close of polls, no later than 8:00 p.m. Pacific Standard Time, on Election Day.
