Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes — regardless of party preference — move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

Superintendent of Public Instruction is a nonpartisan office. If a candidate for Superintendent of Public Instruction were to receive a majority of the vote (at least 50 percent +1) at the primary election, then that candidate would be elected, and no general election would be held. Additional information on nonpartisan offices can be found below.

California law requires the following information to be printed in this guide.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

HOW TO MARK YOUR PAPER BALLOT

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

RAUL RUIZ, Democratic **AGE: 45**
OCCUPATION: Congressman / Emergency Physician
EDUCATION AND QUALIFICATIONS:

Washington is a disaster, filled with career politicians focused on petty partisan politics and their own perks and privileges.

I'm not a career politician, and I never will be. I'm an emergency physician who grew up here and ran for office to serve people in our communities. That's what I've done my entire adult life.

As a doctor, I'm trained to put people first. That's why I'm working across party lines to find solutions to tough problems:

STANDING UP FOR MEDICARE AND SOCIAL SECURITY: I promised that I would never vote to cut Medicare or Social Security, and I've kept my promise. I will continue to do so. And, I passed a bipartisan bill to help protect Medicare.

STANDING UP FOR VETERANS: I sponsor an annual "Veterans University" to help local vets get health care and assistance, and to connect them with local employers. And, I've helped hundreds of veterans cut through red tape to get the benefits they deserve.

OPPOSING PERKS FOR POLITICIANS: I oppose any pay raises for Congress, and I am fighting for legislation prohibiting Congressmembers from using taxpayer money to fly first class.

FIGHTING TO ENSURE FAMILIES HAVE ACCESS TO AFFORDABLE HEALTH CARE: As a physician, I understand the importance of health care. That's why I voted to prevent insurance companies from denying coverage to people with pre-existing conditions. And, I'm working to make premiums and prescription drugs more affordable.

Let's fight back against partisan gridlock in Washington. I'd be honored to have your support.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

KIMBERLIN BROWN PELZER, Republican **AGE: 57**
OCCUPATION: Small Business Owner
EDUCATION AND QUALIFICATIONS:

Small Business Owner – Honorary Co-Chair of the Gas Tax Repeal Campaign – Supporter of Term Limits & No Budget, No Pay for Congress

Politicians love to tell us all the great things they'll do for us when elected. They hope we'll forget their promises because they never follow through. We need new, principled leaders who are not afraid to say what they mean and stick with it.

That's why I'm running for Congress. I have firm, conservative principles. I'm not afraid to be "politically incorrect" and stand up for the Constitution, conservatism, and American exceptionalism.

My principles:

I. Put defense first. Congress must keep Americans safe at home and abroad.

II. Build sound finances. Washington must be held fiscally accountable: start to pay off the national debt and no new taxes.

III. Protect the vulnerable. People paid into Social Security and Medicare – we must make sure they are solvent, effective, and efficient programs.

IV. Grow the Middle Class. Congress needs to stop working for Special Interests and Lobbyists and start working for us.

I'm a proud wife, mother, and successful entrepreneur. I've been blessed with a daytime television career. My husband and I have built several successful businesses, including a sports fishing and marina rental business and a design company. We employ over 100 Californians.

Congress should live by the same rules they place on the rest of us, have term limits, and not get paid if they don't pass a budget. I would be honored to have your vote.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
42ND ASSEMBLY DISTRICT**

CHAD MAYES, Republican

OCCUPATION: Member of the State Assembly

EDUCATION AND QUALIFICATIONS:

As we approach November, our community will focus on selecting our elected representatives. As your Assemblyman, I am again seeking your trust to remain your voice in Sacramento.

When you first elected me, I was overflowing with optimism and believed that we could solve every major issue facing California if we just rolled up our sleeves and worked hard. Six years later - even while the hyper-partisan environment of Sacramento has certainly tested my temperament - I remain convinced that our best days are ahead of us.

My optimism is rooted in a strong and free economy, lower taxes, and providing equal opportunity for each of us. As I often say, my job is to work to provide people with more freedom, and not less.

That's why I'm thankful for the opportunity to shape real policies and to provide real solutions that put people first and improve their lives.

For example, we reformed education to provide economic incentives that encourage those on welfare to attain their high school and college education - to achieve financial independence.

To offset California's expensive gas prices, we helped deliver cost cutting measures that will guard against higher gas and energy prices.

Instead of just talking about reducing harmful regulations that kill jobs; we actually rolled back harmful regulations and protected Proposition 13.

I don't have all the answers, but I've honored my commitment to put people first.

I would be honored to have your continued trust and support.

**CANDIDATE STATEMENT FOR
RIVERSIDE COUNTY
SHERIFF / CORONER / PUBLIC ADMINISTRATOR**

STAN SNIFF

OCCUPATION: Riverside County Sheriff

EDUCATION AND QUALIFICATIONS:

LAW ENFORCEMENT IS CHANGING

New challenges demand new technology and better education. We have modernized operations, combatting crime more effectively by improving communications, fielding 1,000 body worn cameras, and using high-tech tablets in patrol cars.

Despite years of budget constraints, we cracked down on drug and gang activity, and reduced violent crimes by 8.8% in 2017. Due to prudent fiscal management, we are hiring more deputies, decreasing response times, and expanding our jails.

ACCOUNTABILITY MATTERS

My approach to the office – that all who serve you must be accountable – has irked union leadership, which poured over \$1 million into a campaign to replace me. I believe union bosses hope to restore “the good old days” of rampant cronyism, where some are above the law.

TRAINED TO SERVE

Riverside County deserves the most qualified person to lead one of the largest law enforcement agencies in California. I bring over 40 years of law enforcement experience across all our operations, with half that experience in senior executive positions.

I graduated from UC Riverside, hold an M.A. in management, and graduated from the FBI National Executive Institute.

I am a Veteran and a retired Army colonel with 30 years of service.

I respectfully ask for your vote.

**CANDIDATE STATEMENT FOR
RIVERSIDE COUNTY
SHERIFF / CORONER / PUBLIC ADMINISTRATOR**

CHAD BIANCO

AGE: 50

OCCUPATION: Lieutenant Sheriffs Department

EDUCATION AND QUALIFICATIONS:

New leadership is needed at the Sheriff's office. In June, nearly seven out of ten voters voted for change. With your vote, you have the opportunity to complete the change.

As a Sheriff Deputy and Lieutenant Sheriff, I have spent my 25-year career keeping the people of Riverside County safe. That's why I'm proud to be law enforcement's choice for Sheriff.

I graduated from the Sheriff Academy at the top of my class and was hired by the Department. My experience includes Patrol, Corrections, Internal Affairs and Supervision. As Sheriff, I'll fight gangs and sex offenders and increase neighborhood patrols.

The Deputies and Officers who patrol our neighborhoods overwhelmingly endorse me for Sheriff, including: Riverside Sheriff's Association, Riverside Police Officers' Association, Southern California Alliance of Law Enforcement, representing over 37,000 officers in Southern California.

Here's what the RIVERSIDE SHERIFF'S ASSOCIATION SAYS: “Lt. Chad Bianco's unyielding commitment to Law Enforcement and Public Safety, respect for taxpayers and proven experience makes him the best choice to lead the department and protect the citizens of Riverside County.”

As Sheriff, I'll work to bring the public safety community together to make our county a safe place to live and work.

IMPARTIAL ANALYSIS OF MEASURE “Y”

Measure Y will allow indoor cannabis cultivation, manufacturing, distribution, and testing laboratories to operate in the City’s manufacturing zoning districts by right and without a discretionary permit from the City or City-conducted background checks. Retail sales of cannabis and outdoor cultivation would remain prohibited.

A proposed cannabis business may not locate on a lot that is within 1,000 feet of three or more lots where cannabis businesses have already been approved to locate. Measure Y does not include separation requirements from residential zones, schools, parks or other sensitive uses.

Prior to opening, the City Clerk must first verify that a proposed cannabis business is in a permissible location. The City Clerk must start accepting applications from proposed cannabis businesses 31 days after Measure Y takes effect. From that date until 99 days after Measure Y takes effect, only businesses that filed an “official business entity formation document” with the Secretary of State on or before October 6, 2017 containing the exact phrase “Medicinal and Adult-Use Cannabis Regulation and Safety Act” may submit an application with the City Clerk. Thereafter, any proposed cannabis business may submit an application to the City Clerk. The City Clerk has 10 days to provide the verification after receipt of a complete application.

Measure Y was placed on the ballot by private proponents. It creates the opportunity for those businesses that are eligible to submit an application to the City Clerk between the 31st and 99th day after Measure Y takes effect to establish a monopoly on the cannabis industry in the City. Those businesses may strategically site their proposed facilities to block competitors from being able to locate a permissible site.

Cannabis businesses would be required to obtain a State license and operate in accordance with applicable state laws and regulations. Measure Y includes limited additional operational requirements on cannabis businesses, including a prohibition on holding more than \$200 in cash overnight. Signage is limited to one wall sign.

Measure Y would impose an annual general tax of \$10 per square foot on each cannabis business. Square footage used “continuously and exclusively” for clerical / office space, restrooms, visitor / waiting areas, lunch / break rooms, and storage of items other than cannabis are not subject to the tax.

A “yes” vote is a vote to allow non-retail cannabis businesses to operate in the City without a discretionary permit from the City and taxing those businesses at \$10 per square foot annually. A “no” vote is a vote to maintain the City Council’s authority to adopt regulations permitting or prohibiting cannabis businesses. Measure Y conflicts with Measure Z and both measures cannot be approved. Measure Y will be approved if it receives a simple majority of “yes” votes and Measure Z does not. If both measures receive a simple majority of “yes” votes, the measure with the most “yes” votes will be approved.

By: Eric S. Vail,
City Attorney, City of Hemet

The above statement is an impartial analysis of Measure Y. If you desire a copy of the measure, please call the elections official’s office at (951) 765-2395 and a copy will be mailed at no cost to you. You may also view the Full Text of Measure Y at www.cityofhemet.org.

ARGUMENT AGAINST MEASURE “Y”

Don’t be fooled by the title of this measure! “Y” is not truly a “citizen” driven measure. In reality, it allows commercial cannabis cultivation and processing facilities to operate in Hemet without any discretionary approval from the City and with only minimal operational regulations.

Here are just a few reasons why “Y” would be bad for Hemet:

- This measure would essentially exempt these businesses from the City’s current prohibition on commercial cannabis activity.
- Noticeably absent from Measure Y is any requirement to conduct background investigations on employees. Criminals could run these businesses!
- Profits above community safety; there is no mention of security safeguards at proposed facilities, and they are often targets for armed robbery!
- Federal law classifies cannabis as a schedule 1 drug, the same category as heroin because of its “high potential for abuse.” Even though California law legalized cannabis use for those over 21, the conflict between State and Federal laws has yet to be resolved.
- Once a commercial cannabis operation has been “exempted” it may later move to another site, potentially too close to your child.
- They could be growing and processing POT too close to schools, churches and parks.
- Cannabis facilities would be allowed to exist immediately adjacent to residential areas.
- It creates a monopoly for one business! Does that sound like open markets and fairness?
- The proposed \$10 per square foot tax rate will not generate sufficient revenue to cover City permit costs or offset City expenses related to enforcement of illegal retail cannabis distribution.
- Voter approval would be required before the City could increase the tax rate.

This is simply bad law that favors the monopolistic cannabis businesses and won’t adequately help Hemet combat illegal cannabis operations.
Vote NO on “Y”

NO ARGUMENT FILED IN FAVOR OF MEASURE “Y”

IMPARTIAL ANALYSIS OF MEASURE “Z”

Measure Z was placed on the ballot by the Hemet City Council as an alternative to Measure Y, which was placed on the ballot by private proponents. Measure Z would impose a general tax on all cannabis businesses operating within the City of Hemet. Measure Z establishes the following maximum tax rates:

- \$30 per square foot of each cultivation business (excluding square footage not used for cultivation activities), which increases annually based on the Consumer Price Index;
- 25% of the gross receipts of each manufacturing business; and
- 15% of the gross receipts of each dispensary or other cannabis business that is not cultivation or manufacturing, such as testing laboratories and distribution centers.

The tax revenues received from the tax proposed by Measure Z would be deposited into the City's General Fund and could be spent for any lawful municipal purposes, including police and fire protection, road improvements, and parks and recreation.

The City Council may impose the tax at lower rates, and may establish exemptions, incentives or other reductions in the tax.

Measure Z keeps in place the City's current prohibition on cannabis businesses and requires the current prohibition to remain in place through December 31, 2020. Thereafter, the City Council may exercise its regulatory authority to determine whether and to what extent cannabis businesses should be allowed to operate within the City.

The general tax established by Measure Z applies to all cannabis businesses, regardless of whether they are operating legally. The City may assess a penalty on illegally operating cannabis businesses in an amount equal to the tax the business should have paid to the City.

State law requires a City-proposed general tax to be voted upon at the same time as the City's general municipal election, with certain exceptions. If Measure Z is not approved, the City likely could not propose another cannabis business tax, or an increase in the cannabis business tax proposed by Measure Y if it is approved, until the next general municipal election in November 2020.

A “yes” vote is a vote to establish the tax on cannabis businesses described above and keep the City's current prohibition on cannabis businesses in place through the end of the year 2020. A “no” vote is a vote to not establish a tax on cannabis businesses and to maintain the City Council's authority to adopt regulations permitting or prohibiting cannabis businesses. Measure Z conflicts with Measure Y and both measures cannot be approved. Measure Z will be approved if it receives a simple majority of “yes” votes and Measure Y does not. If both measures receive a simple majority of “yes” votes, the measure with the most “yes” votes will be approved.

ARGUMENT IN FAVOR OF MEASURE “Z”

A monopolistic entity from outside Hemet has pushed a self-serving, minimally regulated cannabis initiative onto the ballot. Their measure is misleading because it implies Hemet is not regulating cannabis. The truth is, HEMET DOES NOT CURRENTLY ALLOW ANY FORM OF MARIJUANA BUSINESS.

Cannabis is illegal under Federal Law. California law allows both medical and recreational use of Cannabis subject to the rules and regulations of each city and county. But, State regulations and guidelines are still being developed and modified. We need time to appropriately develop regulations.

To protect our citizens, the City created Measure Z as a more practical and reasonable alternative to regulate any and all future cannabis business operations. There are many reasons why the City's Measure Z is unquestionably the better option for Hemet because it:

- Enables us to maintain LOCAL CONTROL of any and all cannabis businesses.
- Establishes a 2-year time frame enabling the City to receive community input while developing a comprehensive set of guide lines to regulate cannabis in Hemet.
- Contains substantial provisions to regulate, monitor and tax cannabis operations.
- Will generate tax revenue to help fund enforcement, needed street and sidewalk repairs, expand library hours and enhance public safety.
- Is responsive to a recent survey that indicates two-thirds of voters perceive the City has a need for additional revenue.
- Provides regulations to ensure adequate security, employee background checks.
- Ensures environmental concerns are addressed, such as; odor control and utility usage.
- Provides local control to keep cannabis businesses away from schools, parks and your residential neighborhoods.

HEMET RESIDENTS MUST BE INVOLVED IN THESE DECISIONS! Help guarantee YOUR INPUT will be included in how Hemet determines what cannabis business can be established and how they will be regulated!

This measure is, by far, “Z BEST!” PLEASE...VOTE YES ON MEASURE Z!!!

Mangyaring intindihin na ang mga botante na nakatira sa mga partikular na lugar lamang ang maaaring makatanggap ng mga nakasalin na halimbawang balota. Kailangan matanggap ang mga hiling nang hindi hihigit sa 7 araw bago ang halalan.

Bukod dito, kung kailangan mo ng tulong, maaari kang magsama ng hanggang dalawang tao para tulungan ka sa pagboto, hangga't hindi sila mga kinatawan ng iyong employer o unyon (kung mayroon ka). Magsama ng kapamilya o kaibigan!

Conditional Voter Registration

Did you forget to register? No problem! Did you know that during the period of 14 days prior to Election Day through and including Election Day, you can go to the office of the Riverside County Registrar of Voters to conditionally register to vote and vote? This process is called Conditional Voter Registration (CVR). Here's how it works:

1. Visit the Registrar of Voters office located at 2724 Gateway Drive, Riverside, CA 92507
2. Complete a voter registration card or register online at RegisterToVote.ca.gov
3. Vote your CVR provisional ballot. **CVR ballots will only be issued at the office of the Registrar of Voters.**

Once the county elections official processes the affidavit of registration, determines that you're eligible to register, and validates your information, the registration becomes permanent and your CVR provisional ballot will be counted.

If you have questions regarding Conditional Voter Registration, please call (951) 486-7200 or toll free (800) 773-VOTE (8683)

You may check the status of your voter registration at www.voteinfo.net/AmlRegistered

California Motor Voter

The California Motor Voter program is making registering to vote at the California Department of Motor Vehicles (DMV) more convenient and secure. All eligible individuals completing driver license or ID card or change of address transactions at the DMV will be registered to vote with the California Secretary of State unless they "opt out" of automatic voter registration.

The California Motor Voter program applies to Californians who are 18 years or older and meet the following criteria:

- A United States citizen and a resident of California.
- Not currently in state or federal prison or on parole for the conviction of a felony.
- Not currently found mentally incompetent to vote by a court.

Note: Voter pre-registration is available for those 16 and 17 years of age. Their voter registration will become active automatically when they turn 18.

Before visiting a DMV field office, we recommend making an appointment. Visit <https://www.dmv.ca.gov/portal/dmv/detail/portal/foa/welcome> to get started. You can also use DMV online services (<https://www.dmv.ca.gov/portal/dmv/dmv/online/vcs>) to renew your driver license or ID card or change your address.

If you indicate you're eligible to vote, once you complete your driver license or state ID renewal form transaction online, by mail or in person at the DMV, your voter information is then transmitted securely and electronically to the California Secretary of State.

Please note that drivers with an AB 60 driver's license are not eligible to participate in the California Motor Voter program and are not eligible to vote.

For more information, visit MotorVoter.sos.ca.gov.

To register to vote online, visit RegisterToVote.ca.gov.
