Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes — regardless of party preference — move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

Superintendent of Public Instruction is a nonpartisan office. If a candidate for Superintendent of Public Instruction were to receive a majority of the vote (at least 50 percent +1) at the primary election, then that candidate would be elected, and no general election would be held. Additional information on nonpartisan offices can be found below.

California law requires the following information to be printed in this guide.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

RAUL RUIZ, Democratic **AGE: 45**
OCCUPATION: Congressman / Emergency Physician
EDUCATION AND QUALIFICATIONS:

Washington is a disaster, filled with career politicians focused on petty partisan politics and their own perks and privileges.

I'm not a career politician, and I never will be. I'm an emergency physician who grew up here and ran for office to serve people in our communities. That's what I've done my entire adult life.

As a doctor, I'm trained to put people first. That's why I'm working across party lines to find solutions to tough problems:

STANDING UP FOR MEDICARE AND SOCIAL SECURITY: I promised that I would never vote to cut Medicare or Social Security, and I've kept my promise. I will continue to do so. And, I passed a bipartisan bill to help protect Medicare.

STANDING UP FOR VETERANS: I sponsor an annual "Veterans University" to help local vets get health care and assistance, and to connect them with local employers. And, I've helped hundreds of veterans cut through red tape to get the benefits they deserve.

OPPOSING PERKS FOR POLITICIANS: I oppose any pay raises for Congress, and I am fighting for legislation prohibiting Congressmembers from using taxpayer money to fly first class.

FIGHTING TO ENSURE FAMILIES HAVE ACCESS TO AFFORDABLE HEALTH CARE: As a physician, I understand the importance of health care. That's why I voted to prevent insurance companies from denying coverage to people with pre-existing conditions. And, I'm working to make premiums and prescription drugs more affordable.

Let's fight back against partisan gridlock in Washington. I'd be honored to have your support.

KIMBERLIN BROWN PELZER, Republican **AGE: 57**
OCCUPATION: Small Business Owner
EDUCATION AND QUALIFICATIONS:

Small Business Owner – Honorary Co-Chair of the Gas Tax Repeal Campaign – Supporter of Term Limits & No Budget, No Pay for Congress

Politicians love to tell us all the great things they'll do for us when elected. They hope we'll forget their promises because they never follow through. We need new, principled leaders who are not afraid to say what they mean and stick with it.

That's why I'm running for Congress. I have firm, conservative principles. I'm not afraid to be "politically incorrect" and stand up for the Constitution, conservatism, and American exceptionalism.

My principles:

I. Put defense first. Congress must keep Americans safe at home and abroad.

II. Build sound finances. Washington must be held fiscally accountable: start to pay off the national debt and no new taxes.

III. Protect the vulnerable. People paid into Social Security and Medicare – we must make sure they are solvent, effective, and efficient programs.

IV. Grow the Middle Class. Congress needs to stop working for Special Interests and Lobbyists and start working for us.

I'm a proud wife, mother, and successful entrepreneur. I've been blessed with a daytime television career. My husband and I have built several successful businesses, including a sports fishing and marina rental business and a design company. We employ over 100 Californians.

Congress should live by the same rules they place on the rest of us, have term limits, and not get paid if they don't pass a budget. I would be honored to have your vote.

MEMBER OF THE STATE ASSEMBLY,

MELISSA MELENDEZ, Republican
OCCUPATION: Business Owner
EDUCATION AND QUALIFICATIONS:

AGE: 50

As your representative for the 67th Assembly District, I remain honored to represent you in the California State Assembly and I'm proud to have earned your trust.

When I served in the United States Navy, I made a commitment to defend the Constitution. As your State Assemblywoman, I have taken that commitment to Sacramento where I continue to defend the Constitution every single day.

I promised you during my first campaign, I'd be your champion in Sacramento. I promised to fight for lower taxes, relief for small businesses, and to support our veterans – and I keep my promises. I have authored and passed legislation to expand protections to our veterans, provide financial relief for small businesses, and cut taxes.

Unfortunately, California is one of the highest taxed states in the nation and it's time you the taxpayers have a say. I have introduced legislation to require that every single tax increase first be approved by YOU the voters – BEFORE it goes into effect.

Sacramento has a corruption and sexual harassment problem; I lead the effort to fix it. This year, I made it illegal for politicians to retaliate against those who report them for sexual harassment or corruption. Politicians should never be above the law.

I would be honored to earn your vote and continue being your champion in the Legislature. Together, we'll continue the fight to make our golden state a more affordable and prosperous place once again.

MICHELLE SINGLETON, Democratic
OCCUPATION: American Government Teacher
EDUCATION AND QUALIFICATIONS:

AGE: 34

As a teacher, I have served Riverside County for the past 12 years. I am confronted daily with the needs and concerns of my students and charged with the responsibility of seeking out solutions. My years of service have been dedicated to using limited resources to build innovative programs that provide opportunity and security for at-risk populations. Recent events have introduced new vulnerabilities to the community of children, parents and colleagues with whom I work with. These events have propelled me to run for office.

Once elected, I will work towards legislation that addresses the safety and well being of our district by:

- Ensuring every child in our state has access to preschool
- Working to make a college education obtainable and affordable
- Developing apprenticeship programs to build a skilled labor force that is ready to meet the needs of the 21st century
- Building sustainable community projects to improve local infrastructure and create good-paying jobs
- Securing state resources to expand services, education, and job-training to veterans in our district
- Making health care, housing, and transportation accessible and equitable for all

We must invest in our human capital if we hope to raise the standard of living for all Californians. It's time the 67th Assembly District had an advocate in Sacramento that represents our children and working families. I would be honored to earn your vote and to be your advocate.

EDUCATION AND QUALIFICATIONS:

LAW ENFORCEMENT IS CHANGING

New challenges demand new technology and better education. We have modernized operations, combatting crime more effectively by improving communications, fielding 1,000 body worn cameras, and using high-tech tablets in patrol cars.

Despite years of budget constraints, we cracked down on drug and gang activity, and reduced violent crimes by 8.8% in 2017. Due to prudent fiscal management, we are hiring more deputies, decreasing response times, and expanding our jails.

ACCOUNTABILITY MATTERS

My approach to the office – that all who serve you must be accountable – has irked union leadership, which poured over \$1 million into a campaign to replace me. I believe union bosses hope to restore “the good old days” of rampant cronyism, where some are above the law.

TRAINED TO SERVE

Riverside County deserves the most qualified person to lead one of the largest law enforcement agencies in California. I bring over 40 years of law enforcement experience across all our operations, with half that experience in senior executive positions.

I graduated from UC Riverside, hold an M.A. in management, and graduated from the FBI National Executive Institute.

I am a Veteran and a retired Army colonel with 30 years of service.

I respectfully ask for your vote.

AGE: 50

OCCUPATION: Lieutenant Sheriffs Department

EDUCATION AND QUALIFICATIONS:

New leadership is needed at the Sheriff's office. In June, nearly seven out of ten voters voted for change. With your vote, you have the opportunity to complete the change.

As a Sheriff Deputy and Lieutenant Sheriff, I have spent my 25-year career keeping the people of Riverside County safe. That's why I'm proud to be law enforcement's choice for Sheriff.

I graduated from the Sheriff Academy at the top of my class and was hired by the Department. My experience includes Patrol, Corrections, Internal Affairs and Supervision. As Sheriff, I'll fight gangs and sex offenders and increase neighborhood patrols.

The Deputies and Officers who patrol our neighborhoods overwhelmingly endorse me for Sheriff, including: Riverside Sheriff's Association, Riverside Police Officers' Association, Southern California Alliance of Law Enforcement, representing over 37,000 officers in Southern California.

Here's what the RIVERSIDE SHERIFF'S ASSOCIATION SAYS: “Lt. Chad Bianco's unyielding commitment to Law Enforcement and Public Safety, respect for taxpayers and proven experience makes him the best choice to lead the department and protect the citizens of Riverside County.”

As Sheriff, I'll work to bring the public safety community together to make our county a safe place to live and work.

LINDA KRUPA
OCCUPATION: Retired Business Owner
EDUCATION AND QUALIFICATIONS:

This election is about Public Safety and Hemet's Survival. I was part of the majority vote of the Hemet City Council to maintain strong, locally controlled Public Safety Services. With the passage of Measure U it is critical that the promise of the Council to use Measure U funds only for Police and Fire be kept.

We must continue to build on what we have achieved - 22% reduction in violent crime, 16 additional police personnel, paramedic staffing at all fire stations and the provision of important safety services demanded by the public.

I am a retired business owner and Financial Manager who understands the importance of a vibrant economic development plan to provide jobs and shopping opportunities. I will continue to recruit companies like Forest River, Hobby Lobby, Tractor Supply, Les Schwab Tire, Horizon Solar Power, Sizzler Restaurant, Jimmy John's, Circle K, and Tommy's Carwash.

We must take control and ownership of Florida Avenue and not allow Caltrans to install a median divider which will seriously harm our business community.

Promises Made MUST be Promises Kept. With your vote I will continue to do just that.

I ask for your vote November 6 to preserve our great city.

MEASURE “X” - HEMET UNIFIED SCHOOL DISTRICT

FULL TEXT OF BOND PROPOSITION

HEMET UNIFIED SCHOOL DISTRICT SAFETY, REPAIR, AND UPGRADE MEASURE

This proposition may be known and referred to as the “Hemet Unified School District Safety, Repair, and Upgrade Measure” or as “Measure X”.

BOND AUTHORIZATION

By approval of this proposition by at least 55% of the voters of the Hemet Unified School District (the “District”) voting on the proposition, the District shall be authorized to issue and sell bonds of up to \$150,000,000 in aggregate principal amount to provide financing for the specific school facilities projects listed under the heading entitled “BOND PROJECT LIST” below (the “Bond Project List”), and qualify to receive State of California matching grant funds, subject to all of the accountability safeguards specified below.

ACCOUNTABILITY SAFEGUARDS

The provisions in this section are specifically included in this proposition in order that the voters and taxpayers of the District may be assured that their money will be spent to address specific school facilities needs of the District, all in compliance with the requirements of Article XIII A, Section 1(b)(3) of the California Constitution, and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Sections 15264 and following of the California Education Code (the “Education Code”)).

Evaluation of Needs. The Governing Board of the District (the “Board”) has prepared a facilities master plan in order to evaluate and address all of the facilities needs of the District at each campus and facility, and to determine which projects to finance from a local bond at this time. The Board hereby certifies that it has evaluated safety, class size reduction and information technology needs in developing the Bond Project List.

Limitations on Use of Bonds. Proceeds from the sale of bonds authorized by this proposition shall be used only for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities, including, to the extent permitted by law, the acquisition or lease of real property in connection with an existing or future financing of the specific school facilities projects listed in the Bond Project List, including the prepayment of existing or future interim lease, certificate of participation or lease revenue bond financings, and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

Independent Citizens’ Oversight Committee. The Board shall establish an independent citizens’ oversight committee (pursuant to Education Code Section 15278 and following), to ensure bond proceeds are expended only for the school facilities projects listed in the Bond Project List. The committee shall be established within 60 days of the date that the Board enters the election results on its minutes pursuant to Section 15274 of the Education Code. In accordance with Section 15282 of the Education Code, the citizens’ oversight committee shall consist of at least seven members and shall include a member active in a business organization representing the business community located within the District, a member active in a senior citizens’ organization, a member active in a bona fide taxpayers’ organization, a member that is a parent or guardian of a child enrolled in the District, and a member that is both a parent or guardian of a child enrolled in the District and active in a parent-teacher organization. No employee or official of the District and no vendor, contractor or consultant of the District shall be appointed to the citizens’ oversight committee.

Annual Performance Audits. The Board shall conduct an annual, independent performance audit to ensure that the bond proceeds have been expended only on the school facilities projects listed in the Bond Project List. These audits shall be conducted in accordance with the Government Auditing Standards issued by the Comptroller General of the United States for performance audits. The results of these audits shall be made publicly available and shall be submitted to the citizens’ oversight committee in accordance with Section 15286 of the Education Code.

Annual Financial Audits. The Board shall conduct an annual, independent financial audit of the bond proceeds until all of those proceeds have been spent for the school facilities projects listed in the Bond Project List. These audits shall be conducted in accordance with the Government Auditing Standards issued by the Comptroller General of the United States for financial audits. The results of these audits shall be made publicly available and shall be submitted to the citizens’ oversight committee in accordance with Section 15286 of the Education Code.

Special Bond Proceeds Account; Annual Report to Board. Upon approval of this proposition and the sale of any bonds approved, the Board shall take actions necessary to establish an account in which proceeds of the sale of bonds will be deposited. As long as any proceeds of the bonds remain unexpended, the Superintendent of the District shall cause a report to be filed with the Board no later than January 1 of each year, commencing on the first January 1 after the sale of the first series of bonds, stating (a) the amount of bond proceeds received and expended in that year, and (b) the status of any project funded or to be funded from bond proceeds. The report may relate to the calendar year, fiscal year, or other appropriate annual period as the Superintendent of the District shall determine, and may be incorporated into the annual budget, audit, or other appropriate routine report to the Board.

FURTHER SPECIFICATIONS

Joint-Use Projects. The District may enter into agreements with other public agencies or nonprofit organizations for joint use of school facilities financed with the proceeds of the bonds in accordance with Education Code Section 17077.42 (or any successor provision). The District may seek State grant funds for eligible joint-use projects as permitted by law, and this proposition hereby specifies and acknowledges that bond funds will or may be used to fund all or a portion of the local share for any eligible joint-use projects identified in the Bond Project List or as otherwise permitted

by California State regulations, as the Board shall determine.

Single Purpose. All of the purposes enumerated in this proposition shall be united and voted upon as one single proposition, pursuant to Education Code Section 15100, and all the enumerated purposes shall constitute the specific single purpose of the bonds, and proceeds of the bonds shall be spent only for such purpose, pursuant to California Government Code Section 53410.

Other Terms of the Bonds. When sold, the bonds shall bear interest at an annual rate not exceeding the statutory maximum, and that interest shall be made payable at the time or times permitted by law. The bonds may be issued and sold in several series, and no bond shall be made to mature more than the statutory maximum number of years from the date borne by that bond.

NO-TAX-RATE-INCREASE FINANCING PLAN

The District is required by law to make its best estimates of the *ad valorem* property tax rate required to be levied on all taxable property in the District to pay debt service on the proposed bonds. These estimates and the factors that might cause the tax rate to vary from these estimates in the future are described in the Tax Information Statement that the County Registrar of Voters is required to print in the Voter Information Pamphlet to be distributed to voters in connection with the election. It is the District's current plan to structure the proposed bonds so that the tax rate necessary to pay debt service on those bonds, when combined with the tax rate necessary to pay debt service on currently outstanding bonds in each year, will not exceed the rate levied in fiscal year 2016-17 to pay debt service on the currently outstanding bonds alone.

ESTIMATED BALLOT INFORMATION

The District is required by law to include in the statement of the measure to be voted on estimates of the amount of money to be raised annually to repay the bonds and the rate and duration of the tax to be levied for the bonds. As of the time this proposition was placed on the ballot, the District estimated that amounts to be raised annually would average \$10 million for the repayment of the authorized bonds while bonds are outstanding at projected tax rates averaging 4.9 cents per \$100 of assessed valuation. Attention of all voters is directed to the fact that such information is based upon the District's projections and estimates only, which are not binding upon the District. The amount of money to be raised annually and the rate and duration of the tax to be levied for the bonds may vary from those presently estimated due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The dates of sale and the amount of bonds sold at any given time will be determined by the District based on need for construction funds and other factors. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

BOND PROJECT LIST

The Bond Project List below lists the specific projects the District proposes to finance with proceeds of the bonds. The Bond Project List shall be considered a part of the bond proposition and shall be reproduced in any official document required to contain the full statement of the bond proposition. Listed projects will be completed as needed at a particular school or facility site according to Board-established priorities, and the order in which such projects appear on the Bond Project List is not an indication of priority for funding or completion. Any authorized repairs shall be capital expenditures. The Bond Project List does not authorize non-capital expenditures. Each project is assumed to include its share of costs of the election and bond issuance, construction-related costs, such as project and construction management, architectural, engineering, inspection and similar planning and testing costs, demolition and interim housing costs, legal, accounting and similar fees, costs related to the independent annual financial and performance audits, a contingency for unforeseen design and construction costs, and other costs incidental to or necessary for completion of the listed projects (whether the related work is performed by the District or third parties). The final cost of each project will be determined as plans are finalized, construction bids are awarded, and projects are completed. In addition, certain construction funds expected from non-bond sources, including State of California grant funds for eligible projects, have not yet been secured. Therefore, the Board cannot guarantee that the bonds will provide sufficient funds to allow completion of all listed projects. Alternatively, if the District obtains unexpected funds from non-bond sources with respect to listed projects, such projects may be enhanced, supplemented or expanded to the extent of such funds. Some projects may be subject to further government approvals, including by State officials and boards and/or local environmental or agency approval. Inclusion of a project on the Bond Project List is not a guarantee that the project will be completed (regardless of whether bond funds are available).

The specific projects authorized to be financed with proceeds of the bonds under this proposition are as follows:

SAFETY, REPAIR, AND UPGRADE PROJECTS

The following projects are authorized to be financed District wide:

STUDENT SAFETY & SECURITY

- Upgrade, replace, acquire and/or install drinking fountains, water bottle filling stations and related water dispensing equipment to provide clean drinking water to students.
- Upgrade, expand and/or acquire and install metal detectors, fencing, gates, locks (including keyless entry devices), security lighting, security alarm, security cameras and related security devices and equipment.
- The inspection, sampling and analysis of grounds, buildings and building materials to determine the presence of hazardous materials or substances, including asbestos, lead, etc., and the encapsulation, removal, disposal and other remediation or control of such hazardous materials and substances.

MEASURE "X" - HEMET UNIFIED SCHOOL DISTRICT

TAX INFORMATION STATEMENT

An election will be held in the Hemet Unified School District (the "District") on November 6, 2018, to authorize the sale of up to \$150,000,000 in bonds of the District to finance school facilities as described in the proposition. If the bonds are approved, the District expects to issue the bonds in multiple series over time. Principal and interest on the bonds will be payable from the proceeds of tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400 through 9405 of the California Elections Code.

1. The best estimate of the average annual tax rate that would be required to be levied to fund this bond issue over the entire duration of the bond debt service, based on assessed valuations available at the time of filing of this statement, is 4.9 cents per \$100 (\$49 per \$100,000) of assessed valuation. The final fiscal year in which the tax to be levied to fund this bond issue is anticipated to be collected is fiscal year 2047-48.
2. The best estimate of the highest tax rate that would be required to be levied to fund this bond issue, based on estimated assessed valuations available at the time of filing of this statement, is 6 cents per \$100 (\$60 per \$100,000) of assessed valuation in fiscal year 2029-30.
3. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all of the bonds are issued and sold is approximately \$290,594,839.

Voters should note that estimated tax rates are based on the *ASSESSED VALUE* of taxable property on the County's official tax rolls, *not* on the property's market value, which could be more or less than the assessed value. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Certain taxpayers may also be eligible to postpone payment of taxes. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that the foregoing information is based upon the District's projections and estimates only, which are not binding upon the District. The average annual tax rate, the highest tax rate and the year or years in which they will apply, and the actual total debt service, may vary from those presently estimated due to variations in the timing of bond sales, the amount of bonds sold, market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The dates of sale and the amount of bonds sold at any given time will be determined by the District based on need for construction funds and other factors, including the legal limitations on bonds approved by a 55% affirmative vote. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

Dated: July 31, 2018.

IMPARTIAL ANALYSIS OF MEASURE “X”

The Board of Education (“Board”) of the Hemet Unified School District (“District”) by adopting Resolution No. 2575 (“Resolution”), elected to call an election pursuant to Section 18 of Article XVI and Section 1 of Article XIII A of the California Constitution and Section 15100 and 15264 *et seq.* of the California Education Code to obtain authorization to issue and sell general obligation Bonds (“Bonds”) in the aggregate amount principal amount of one hundred fifty million dollars (\$150,000,000).

This Measure was placed on the ballot by the Board of the District.

The Bonds would be used by the District to improve neighborhood school safety and security, modernize and upgrade academic, science, technology, engineering, math, vocational classrooms and labs; repair deteriorating plumbing, roofs, and electrical systems, and remove asbestos/lead paint. The Bonds would not be used to fund the salaries, pensions or benefits of any board members, administrator, and/or teachers or for other school operating expenses.

If Measure W is approved, the Board of the District will appoint a citizens’ oversight committee, and conduct annual independent financial and performance audits to ensure that bond funds are spent only on the construction, modernization, rehabilitation, or replacement of school facilities, furnishings and/or equipment, or the acquisition or lease of property for school facilities, and for no other purposes.

An ad valorem tax would be levied and collected on property within the boundaries of the District to pay the principal and interest on the Bonds. The best estimate of the average annual tax rate at this time is \$0.049 per \$100 per assessment (or \$49 per \$100,000) of assessed value.

The Resolution provides that the maximum interest rate on the Bonds will not exceed the maximum statutory interest and the maximum term of the Bonds, or any series thereof, will not exceed the maximum statutory term. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all of the bonds are issued and sold is \$290,594,839.

Approval of Measure X does not guarantee that the proposed project or projects in the District, that are the subject of the Bonds under Measure X, will be funded beyond the local revenues generated by Measure X. The District’s proposal for the project or projects assumes the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

For this Measure to be approved fifty-five percent (55%) of qualified voters who vote on the Measure must vote yes.

A “YES” vote on Measure “X” is a vote to allow the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

A “NO” vote on Measure “X” is a vote against allowing the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

By: Ronak N. Patel, Deputy County Counsel

State Matching Funds information is provided at the request of the Hemet Unified School District pursuant to California Education Code Section 15122.5. Approval of Measure X does not guarantee that the proposed project or projects in the Hemet Unified School District that are the subject of bonds under Measure X will be funded beyond the local revenues generated by Measure X. The District’s proposal for the project or projects may assume the receipt of matching State funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

ARGUMENT IN FAVOR OF MEASURE “X”

WITHOUT raising your tax rate, VOTE YES on Measure X to continue repairing, renovating and improving Hemet USD schools. Our kids are worth it, and the need is great.

Our community has generously supported Hemet Unified schools in the past. But over time and with constant use, once again Hemet schools need attention. Several built in the 1950’s are now deteriorated and outdated. All need ongoing repairs, upgrades and technology improvements.

Meanwhile, as the concern for **student safety** grows, a recent Northern California school shooting was thwarted and no children were killed because the school had security cameras, an emergency communication system, and door locks. **We need these upgrades in Hemet** to increase our built-in protections for students and teachers in the unlikely event of an outside threat.

Measure X authorizes a prudent plan to address these essentials.

VOTING YES will:

- **Improve** campus safety and security
- **Renovate** career-training facilities for science, technology, engineering, math and skilled trades
- **Repair** deteriorated infrastructure - roofs, plumbing, electrical and HVAC systems
- **Modernize** classrooms and labs to meet rising college admissions requirements
- **Construct** school facilities to accommodate enrollment growth.

Taxpayer safeguards are MANDATORY. ALL funds STAY LOCAL. The State CANNOT take this funding away. Independent Citizens’ Oversight and annual audits ensure funds are spent properly. NO funds are allowed for administrators’ salaries or pensions.

Best of all, your tax rate WON’T increase. Measure X simply extends WITHOUT increasing the bond authorization voters approved in 2012. VOTING YES continues this locally controlled funding for Hemet USD schools, keeping your tax rate flat.

Whether or not you have school-age children, Measure X is a wise investment. That’s why parents, teachers, community leaders, and residents throughout Hemet, Idyllwild, Anza and surrounding communities are VOTING YES.

Please - make your vote count, for **our** children and **our** community.

VOTE YES on Measure X.

IMPARTIAL ANALYSIS OF MEASURE “Y”

Measure Y will allow indoor cannabis cultivation, manufacturing, distribution, and testing laboratories to operate in the City’s manufacturing zoning districts by right and without a discretionary permit from the City or City-conducted background checks. Retail sales of cannabis and outdoor cultivation would remain prohibited.

A proposed cannabis business may not locate on a lot that is within 1,000 feet of three or more lots where cannabis businesses have already been approved to locate. Measure Y does not include separation requirements from residential zones, schools, parks or other sensitive uses.

Prior to opening, the City Clerk must first verify that a proposed cannabis business is in a permissible location. The City Clerk must start accepting applications from proposed cannabis businesses 31 days after Measure Y takes effect. From that date until 99 days after Measure Y takes effect, only businesses that filed an “official business entity formation document” with the Secretary of State on or before October 6, 2017 containing the exact phrase “Medicinal and Adult-Use Cannabis Regulation and Safety Act” may submit an application with the City Clerk. Thereafter, any proposed cannabis business may submit an application to the City Clerk. The City Clerk has 10 days to provide the verification after receipt of a complete application.

Measure Y was placed on the ballot by private proponents. It creates the opportunity for those businesses that are eligible to submit an application to the City Clerk between the 31st and 99th day after Measure Y takes effect to establish a monopoly on the cannabis industry in the City. Those businesses may strategically site their proposed facilities to block competitors from being able to locate a permissible site.

Cannabis businesses would be required to obtain a State license and operate in accordance with applicable state laws and regulations. Measure Y includes limited additional operational requirements on cannabis businesses, including a prohibition on holding more than \$200 in cash overnight. Signage is limited to one wall sign.

Measure Y would impose an annual general tax of \$10 per square foot on each cannabis business. Square footage used “continuously and exclusively” for clerical / office space, restrooms, visitor / waiting areas, lunch / break rooms, and storage of items other than cannabis are not subject to the tax.

A “yes” vote is a vote to allow non-retail cannabis businesses to operate in the City without a discretionary permit from the City and taxing those businesses at \$10 per square foot annually. A “no” vote is a vote to maintain the City Council’s authority to adopt regulations permitting or prohibiting cannabis businesses. Measure Y conflicts with Measure Z and both measures cannot be approved. Measure Y will be approved if it receives a simple majority of “yes” votes and Measure Z does not. If both measures receive a simple majority of “yes” votes, the measure with the most “yes” votes will be approved.

City Attorney, City of Hemet

ARGUMENT AGAINST MEASURE “Y”

Don’t be fooled by the title of this measure! “Y” is not truly a “citizen” driven measure. In reality, it allows commercial cannabis cultivation and processing facilities to operate in Hemet without any discretionary approval from the City and with only minimal operational regulations.

Here are just a few reasons why “Y” would be bad for Hemet:

- This measure would essentially exempt these businesses from the City’s current prohibition on commercial cannabis activity.
- Noticeably absent from Measure Y is any requirement to conduct background investigations on employees. Criminals could run these businesses!
- Profits above community safety; there is no mention of security safeguards at proposed facilities, and they are often targets for armed robbery!
- Federal law classifies cannabis as a schedule 1 drug, the same category as heroin because of its “high potential for abuse.” Even though California law legalized cannabis use for those over 21, the conflict between State and Federal laws has yet to be resolved.
- Once a commercial cannabis operation has been “exempted” it may later move to another site, potentially too close to your child.
- They could be growing and processing POT too close to schools, churches and parks.
- Cannabis facilities would be allowed to exist immediately adjacent to residential areas.
- It creates a monopoly for one business! Does that sound like open markets and fairness?
- The proposed \$10 per square foot tax rate will not generate sufficient revenue to cover City permit costs or offset City expenses related to enforcement of illegal retail cannabis distribution.
- Voter approval would be required before the City could increase the tax rate.

This is simply bad law that favors the monopolistic cannabis businesses and won’t adequately help Hemet combat illegal cannabis operations.

NO ARGUMENT FILED IN FAVOR OF MEASURE “Y”

IMPARTIAL ANALYSIS OF MEASURE “Z”

Measure Z was placed on the ballot by the Hemet City Council as an alternative to Measure Y, which was placed on the ballot by private proponents. Measure Z would impose a general tax on all cannabis businesses operating within the City of Hemet. Measure Z establishes the following maximum tax rates:

- \$30 per square foot of each cultivation business (excluding square footage not used for cultivation activities), which increases annually based on the Consumer Price Index;
- 25% of the gross receipts of each manufacturing business; and
- 15% of the gross receipts of each dispensary or other cannabis business that is not cultivation or manufacturing, such as testing laboratories and distribution centers.

The tax revenues received from the tax proposed by Measure Z would be deposited into the City's General Fund and could be spent for any lawful municipal purposes, including police and fire protection, road improvements, and parks and recreation.

The City Council may impose the tax at lower rates, and may establish exemptions, incentives or other reductions in the tax.

Measure Z keeps in place the City's current prohibition on cannabis businesses and requires the current prohibition to remain in place through December 31, 2020. Thereafter, the City Council may exercise its regulatory authority to determine whether and to what extent cannabis businesses should be allowed to operate within the City.

The general tax established by Measure Z applies to all cannabis businesses, regardless of whether they are operating legally. The City may assess a penalty on illegally operating cannabis businesses in an amount equal to the tax the business should have paid to the City.

State law requires a City-proposed general tax to be voted upon at the same time as the City's general municipal election, with certain exceptions. If Measure Z is not approved, the City likely could not propose another cannabis business tax, or an increase in the cannabis business tax proposed by Measure Y if it is approved, until the next general municipal election in November 2020.

A “yes” vote is a vote to establish the tax on cannabis businesses described above and keep the City's current prohibition on cannabis businesses in place through the end of the year 2020. A “no” vote is a vote to not establish a tax on cannabis businesses and to maintain the City Council's authority to adopt regulations permitting or prohibiting cannabis businesses. Measure Z conflicts with Measure Y and both measures cannot be approved. Measure Z will be approved if it receives a simple majority of “yes” votes and Measure Y does not. If both measures receive a simple majority of “yes” votes, the measure with the most “yes” votes will be approved.

ARGUMENT IN FAVOR OF MEASURE “Z”

A monopolistic entity from outside Hemet has pushed a self-serving, minimally regulated cannabis initiative onto the ballot. Their measure is misleading because it implies Hemet is not regulating cannabis. The truth is, HEMET DOES NOT CURRENTLY ALLOW ANY FORM OF MARIJUANA BUSINESS.

Cannabis is illegal under Federal Law. California law allows both medical and recreational use of Cannabis subject to the rules and regulations of each city and county. But, State regulations and guidelines are still being developed and modified. We need time to appropriately develop regulations.

To protect our citizens, the City created Measure Z as a more practical and reasonable alternative to regulate any and all future cannabis business operations. There are many reasons why the City's Measure Z is unquestionably the better option for Hemet because it:

- Enables us to maintain LOCAL CONTROL of any and all cannabis businesses.
- Establishes a 2-year time frame enabling the City to receive community input while developing a comprehensive set of guide lines to regulate cannabis in Hemet.
- Contains substantial provisions to regulate, monitor and tax cannabis operations.
- Will generate tax revenue to help fund enforcement, needed street and sidewalk repairs, expand library hours and enhance public safety.
- Is responsive to a recent survey that indicates two-thirds of voters perceive the City has a need for additional revenue.
- Provides regulations to ensure adequate security, employee background checks.
- Ensures environmental concerns are addressed, such as; odor control and utility usage.
- Provides local control to keep cannabis businesses away from schools, parks and your residential neighborhoods.

HEMET RESIDENTS MUST BE INVOLVED IN THESE DECISIONS! Help guarantee YOUR INPUT will be included in how Hemet determines what cannabis business can be established and how they will be regulated!

This measure is, by far, “Z BEST!” PLEASE...VOTE YES ON MEASURE Z!!!

Makakatulong ito sa iyo upang malaman kung mayroong nakasalin na halimbawang balota sa iyong gustong wika sa iyong lugar ng botohan.

Maaari kang humiling kung gusto mong makita ang isa sa mga nakasalin na halimbawang balota bago ang Araw ng Halalan. Maaari itong hilingin sa pamamagitan ng pagtawag sa (800) 773-VOTE (8683) o pagbisita sa www.voteinfo.net. Mangyaring intindihin na ang mga botante na nakatira sa mga partikular na lugar lamang ang maaaring makatanggap ng mga nakasalin na halimbawang balota. Kailangan matanggap ang mga hiling nang hindi hihigit sa 7 araw bago ang halalan.

Bukod dito, kung kailangan mo ng tulong, maaari kang magsama ng hanggang dalawang tao para tulungan ka sa pagboto, hangga't hindi sila mga kinatawan ng iyong employer o unyon (kung mayroon ka). Magsama ng kapamilya o kaibigan!

Conditional Voter Registration

Did you forget to register? No problem! Did you know that during the period of 14 days prior to Election Day through and including Election Day, you can go to the office of the Riverside County Registrar of Voters to conditionally register to vote and vote? This process is called Conditional Voter Registration (CVR). Here's how it works:

1. Visit the Registrar of Voters office located at 2724 Gateway Drive, Riverside, CA 92507
2. Complete a voter registration card or register online at RegisterToVote.ca.gov
3. Vote your CVR provisional ballot. **CVR ballots will only be issued at the office of the Registrar of Voters.**

Once the county elections official processes the affidavit of registration, determines that you're eligible to register, and validates your information, the registration becomes permanent and your CVR provisional ballot will be counted.

If you have questions regarding Conditional Voter Registration, please call (951) 486-7200 or toll free (800) 773-VOTE (8683)

You may check the status of your voter registration at www.voteinfo.net/AmlRegistered

California Motor Voter

The California Motor Voter program is making registering to vote at the California Department of Motor Vehicles (DMV) more convenient and secure. All eligible individuals completing driver license or ID card or change of address transactions at the DMV will be registered to vote with the California Secretary of State unless they "opt out" of automatic voter registration.

The California Motor Voter program applies to Californians who are 18 years or older and meet the following criteria:

- A United States citizen and a resident of California.
- Not currently in state or federal prison or on parole for the conviction of a felony.
- Not currently found mentally incompetent to vote by a court.

Note: Voter pre-registration is available for those 16 and 17 years of age. Their voter registration will become active automatically when they turn 18.

Before visiting a DMV field office, we recommend making an appointment. Visit <https://www.dmv.ca.gov/portal/dmv/detail/portal/foa/welcome> to get started. You can also use DMV online services (<https://www.dmv.ca.gov/portal/dmv/dmv/online/vcs>) to renew your driver license or ID card or change your address.

If you indicate you're eligible to vote, once you complete your driver license or state ID renewal form transaction online, by mail or in person at the DMV, your voter information is then transmitted securely and electronically to the California Secretary of State.

Please note that drivers with an AB 60 driver's license are not eligible to participate in the California Motor Voter program and are not eligible to vote.

For more information, visit MotorVoter.sos.ca.gov.

To register to vote online, visit RegisterToVote.ca.gov.
