Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes — regardless of party preference — move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

Superintendent of Public Instruction is a nonpartisan office. If a candidate for Superintendent of Public Instruction were to receive a majority of the vote (at least 50 percent +1) at the primary election, then that candidate would be elected, and no general election would be held. Additional information on nonpartisan offices can be found below.

California law requires the following information to be printed in this guide.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

HOW TO MARK YOUR PAPER BALLOT

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
42ND CONGRESSIONAL DISTRICT**

KEN CALVERT, Republican
OCCUPATION: U.S. Representative
EDUCATION AND QUALIFICATIONS:

AGE: 65

It's an honor to represent Riverside County in Congress.

As a former small business owner, I know what it's like to sign the front of a paycheck and how much those paychecks mean to hardworking families. I will continue to support policies that create jobs and grow wages.

I supported tax cuts because you deserve to keep more of your hard earned money. I also voted to eliminate job killing red tape so American businesses can better compete in the global economy. These votes resulted in a growing economy, higher wages, and investments to expand small businesses.

We need a healthcare system that gives families more options to find care that fits their needs. I voted for the 21st Century Cures Act to help accelerate medical product development and bring new innovations and advances to patients faster.

I oppose California's gas tax hike and voted to defund Jerry Brown's high-speed rail boondoggle. We need to prioritize transportation projects that actually reduce congestion.

I created E-Verify through legislation and I'm leading the effort in Congress to make its use mandatory nationwide. The only way to fix our broken immigration system is by restoring the rule of law and securing our border. I oppose California's dangerous sanctuary state law and the effort to abolish ICE.

I stand with law enforcement who does an extraordinary job. I am committed to providing for our military and honoring our promises to veterans.

I humbly ask for your vote.

JULIA C PEACOCK, Democratic
OCCUPATION: Public School Teacher
EDUCATION AND QUALIFICATIONS:

AGE: 49

There is room for everyone in the American Dream.

My name is Julia Peacock. I am here to be your voice for finding practical solutions to today's real problems without raising taxes on low- and middle-income families.

We must build an economy that goes beyond unemployment rates and the stock market to quality, well-paying jobs with sick time and benefits so working families can plan for the future and not just live paycheck to paycheck.

We must revisit the American spirit of discovery and embrace the future. Right now, our largest employer is a prison. We need our largest employers to be small businesses and green energy. We can do this by establishing a local economic council with industry leaders, economists, and business owners to help shift our economy from detention and retail to innovation.

We must rethink transportation and infrastructure. We must move beyond freeway-expansion dependency into public transportation. By working in coalition with state authorities to set an expanded local train and bus network, we can plan beyond the freeway with infrastructure funding from Washington because America is ready for a new New Deal. More buses, more trains, more opportunity; less traffic, less pollution, less cost.

We must invest in education and programs that train our students not only for the jobs available today, but for the jobs available tomorrow. From construction, to STEAM, to clean energy, our students must be ready to handle the challenges of the 21st century.

We can do this. Together.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
28TH SENATORIAL DISTRICT**

JEFF STONE, Republican

AGE: 62

OCCUPATION: State Senator / Pharmacist

EDUCATION AND QUALIFICATIONS:

It's an honor to represent you in the State Senate, and I'm proud to serve the men, women and families of Riverside County.

Public safety is our top priority, and that's why I've worked to change the law to once again put violent felons who prey upon and harm innocent victims behind bars. That's also why I've introduced legislation to make it easier for Riverside County's schools to protect our children by giving our schools the choice to put metal detectors in schools. I'm honored to have been endorsed by the Riverside Sheriff's Association.

Our taxes are too high, and that's why I've authored legislation to reduce the tax burden for working families and wounded veterans. That's also why I'm working to repeal the unfair Gas Tax hike that harms middle income families and small businesses. I'm proud to have received an "A" rating from the Howard Jarvis Taxpayers Association.

If California is going to continue to thrive we need good paying jobs. I've led the fight against special interests that file lawsuits against small businesses and make it harder for people to find work. We need to CREATE jobs, and I'm proud to have received a perfect score from the California Chamber of Commerce and the National Federation of Independent Businesses.

I look forward to the privilege of representing you in the Senate to work towards lower taxes, safer streets, and a better life for our families and our children. I'd be honored to receive your vote.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
28TH SENATORIAL DISTRICT**

JOY SILVER, Democratic

OCCUPATION: Businesswoman / Housing Advisor

EDUCATION AND QUALIFICATIONS:

"Joy Silver will bring a new perspective to Sacramento and deliver for our communities."

- Congressman Raul Ruiz

Joy Silver isn't a career politician. Joy is an outsider who will put her business experience to work on local priorities: protecting healthcare, helping seniors, tackling the homeless crisis, fixing the Salton Sea.

Joy Silver will bring change to the Capitol by reining in lobbyists so the needs of our community, not Sacramento special interests, come first.

Joy Silver's agenda for change:

- Reduce the cost of prescription drugs. Oppose harmful cuts to healthcare for seniors.
- Tackle the homeless crisis. Provide housing for homeless veterans.
- Fight for our fair share of state funding to fix the Salton Sea. We can't afford to wait.
- Crack down on corruption. Ban lobbyist gifts. More disclosure of who's funding campaigns.
- Stand up to the divisive policies from Washington when they hurt our people, our clean energy jobs, our farm communities.

Experience to Get Things Done

Daughter of a police detective, Joy Silver grew up in a working-class family and attended public schools. Joy worked her way up to become a top executive of a major medical center.

Joy worked to build senior living communities and became a certified elder care administrator to help seniors retire with dignity and security.

Joy knows how to get things done, because she's done it in the real world.

Supported by Trusted Leaders

Joy Silver is endorsed the California Teachers Association, Assemblyman Eduardo Garcia, Cathedral City Councilmember Shelley Kaplan, La Quinta Mayor Pro Tem Kathleen Fitzpatrick, County Supervisor Manny Perez & the League of Conservation Voters.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
67TH ASSEMBLY DISTRICT**

MELISSA MELENDEZ, Republican

AGE: 50

OCCUPATION: Business Owner

EDUCATION AND QUALIFICATIONS:

As your representative for the 67th Assembly District, I remain honored to represent you in the California State Assembly and I'm proud to have earned your trust.

When I served in the United States Navy, I made a commitment to defend the Constitution. As your State Assemblywoman, I have taken that commitment to Sacramento where I continue to defend the Constitution every single day.

I promised you during my first campaign, I'd be your champion in Sacramento. I promised to fight for lower taxes, relief for small businesses, and to support our veterans – and I keep my promises. I have authored and passed legislation to expand protections to our veterans, provide financial relief for small businesses, and cut taxes.

Unfortunately, California is one of the highest taxed states in the nation and it's time you the taxpayers have a say. I have introduced legislation to require that every single tax increase first be approved by YOU the voters – BEFORE it goes into effect.

Sacramento has a corruption and sexual harassment problem; I lead the effort to fix it. This year, I made it illegal for politicians to retaliate against those who report them for sexual harassment or corruption. Politicians should never be above the law.

I would be honored to earn your vote and continue being your champion in the Legislature. Together, we'll continue the fight to make our golden state a more affordable and prosperous place once again.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
67TH ASSEMBLY DISTRICT**

MICHELLE SINGLETON, Democratic

AGE: 34

OCCUPATION: American Government Teacher

EDUCATION AND QUALIFICATIONS:

As a teacher, I have served Riverside County for the past 12 years. I am confronted daily with the needs and concerns of my students and charged with the responsibility of seeking out solutions. My years of service have been dedicated to using limited resources to build innovative programs that provide opportunity and security for at-risk populations. Recent events have introduced new vulnerabilities to the community of children, parents and colleagues with whom I work with. These events have propelled me to run for office.

Once elected, I will work towards legislation that addresses the safety and well being of our district by:

- Ensuring every child in our state has access to preschool
- Working to make a college education obtainable and affordable
- Developing apprenticeship programs to build a skilled labor force that is ready to meet the needs of the 21st century
- Building sustainable community projects to improve local infrastructure and create good-paying jobs
- Securing state resources to expand services, education, and job-training to veterans in our district
- Making health care, housing, and transportation accessible and equitable for all

We must invest in our human capital if we hope to raise the standard of living for all Californians. It's time the 67th Assembly District had an advocate in Sacramento that represents our children and working families. I would be honored to earn your vote and to be your advocate.

JACQUELYN A. JOHANSEN

AGE: 40

OCCUPATION: Teacher / Parent / Environmental Researcher

EDUCATION AND QUALIFICATIONS:

I began my teaching career at Menifee Valley Middle School in the Fall of 2000. I am entering my 19th year as a science teacher earning master's degrees in both biology and educational technology. Although I left Menifee USD to teach high school, I have stayed involved in our local schools. I have five children (four of whom are school aged) and regularly volunteer in their classrooms. Additionally, my husband is a special education teacher in the district. While our schools are great in many ways, it has become increasingly clear that there are issues that need to be addressed. My priorities on school board are to address school safety plans and procedures (bullying, emotional-health, busing), district financial decisions (money follows the student), and special education concerns. As our city grows, we need to work hard to ensure our students are sheltered from the growing pains felt by the district. Decisions should be made with input and feedback from a variety of stakeholders including parents, teachers, and district personnel. My sole motivation is to protect the interests of our students, our teachers, and the community of Menifee. STAN SNIFF

OCCUPATION: Riverside County Sheriff

EDUCATION AND QUALIFICATIONS:

LAW ENFORCEMENT IS CHANGING

New challenges demand new technology and better education. We have modernized operations, combatting crime more effectively by improving communications, fielding 1,000 body worn cameras, and using high-tech tablets in patrol cars.

Despite years of budget constraints, we cracked down on drug and gang activity, and reduced violent crimes by 8.8% in 2017. Due to prudent fiscal management, we are hiring more deputies, decreasing response times, and expanding our jails.

ACCOUNTABILITY MATTERS

My approach to the office – that all who serve you must be accountable – has irked union leadership, which poured over \$1 million into a campaign to replace me. I believe union bosses hope to restore “the good old days” of rampant cronyism, where some are above the law.

TRAINED TO SERVE

Riverside County deserves the most qualified person to lead one of the largest law enforcement agencies in California. I bring over 40 years of law enforcement experience across all our operations, with half that experience in senior executive positions.

I graduated from UC Riverside, hold an M.A. in management, and graduated from the FBI National Executive Institute.

I am a Veteran and a retired Army colonel with 30 years of service.

I respectfully ask for your vote.

AGE: 50

OCCUPATION: Lieutenant Sheriffs Department

EDUCATION AND QUALIFICATIONS:

New leadership is needed at the Sheriff's office. In June, nearly seven out of ten voters voted for change. With your vote, you have the opportunity to complete the change.

As a Sheriff Deputy and Lieutenant Sheriff, I have spent my 25-year career keeping the people of Riverside County safe. That's why I'm proud to be law enforcement's choice for Sheriff.

I graduated from the Sheriff Academy at the top of my class and was hired by the Department. My experience includes Patrol, Corrections, Internal Affairs and Supervision. As Sheriff, I'll fight gangs and sex offenders and increase neighborhood patrols.

The Deputies and Officers who patrol our neighborhoods overwhelmingly endorse me for Sheriff, including: Riverside Sheriff's Association, Riverside Police Officers' Association, Southern California Alliance of Law Enforcement, representing over 37,000 officers in Southern California.

Here's what the RIVERSIDE SHERIFF'S ASSOCIATION SAYS: “Lt. Chad Bianco's unyielding commitment to Law Enforcement and Public Safety, respect for taxpayers and proven experience makes him the best choice to lead the department and protect the citizens of Riverside County.”

As Sheriff, I'll work to bring the public safety community together to make our county a safe place to live and work.

I am running to streamline the process for new businesses in the city, fight the rising crime, and to address the increased homeless population within our community.

I am a proud veteran who joined the military after 9/11 as a United States Marine Intelligence Analyst. During this time, I served in both Operations Desert Shield and Desert Storm. I am a small business owner, married and father to five wonderful children.

During my time as Mayor in Murrieta, I fought to balance the budget - without tapping into reserves, vehemently opposed raising fees and taxes, and Murrieta was one of the top ten safest cities in the nation throughout my time in office.

**CANDIDATE STATEMENT FOR
CITY COUNCIL MEMBER,
CITY OF MURRIETA, DISTRICT 2**

RYAN HAGGERTY

OCCUPATION: Business Owner / Producer

EDUCATION AND QUALIFICATIONS:

When presented the question of why the City of Murrieta should vote for me, I was thrilled to be given the opportunity to not only provide voters with how I've been looking ahead to the change I can potentially implement, but to speak on behalf of myself and all that I have done for the city that has been dubbed the future of Southern California. Over the course of the time I have spent being a small business owner in Murrieta, I have had some amazing chances to integrate myself not only into the community, but into the lives of the people and families that it consists of.

Over nine years of owning Ryan's Comics, we have managed to donate over a quarter of a million books to the community, sparking new interest in young minds and I'm hoping to use my influence to remind kids that just how important reading really is. Not only that, but Ryan's Comics has also donated comic books to the Murrieta Public Library, grabbing the interests of children and showing them that their imagination is our future. In the realm of cultivating creative energy and potential, I have also created a platform for over a hundred artists local to the Inland Empire, providing a venue to showcase their art.

I created monthly art shows, providing a place for artists to showcase their work and interact directly with those who were interested in commissioning them for special pieces, who wanted to buy their work, and simply fans who were interested in supporting them. It caused an influx amongst those in the community who had wanted to get involved in the art scene, but who didn't know how. From it stemmed the free art lessons offered at Ryan's Comics, encouraging kids to stop by and learn how to draw and paint from those same professional artists.

Why should you vote for me? Not only have I provided the community with a place for them to expand and cultivate their creative potential, I have created a group within that community that recognizes the importance of change and innovation. Murrieta is the future of Southern California-- and if you vote for me, I can be the future of Murrieta.

**CANDIDATE STATEMENT FOR
CITY COUNCIL MEMBER,
CITY OF MURRIETA, DISTRICT 2**

JOSH KNIGHT

AGE: 41

OCCUPATION: County of Riverside Deputy Public Defender

EDUCATION AND QUALIFICATIONS:

My name is Josh Knight and I am running for Murrieta City Council. Murrieta has been my home for 10 years.

I have always been interested in local politics, giving back to the community and making Murrieta enjoyable for residents and attractive to businesses. Over the past decade, I have attended several council meetings and have successfully advocated on behalf of my neighbors and family. As a coach for Murrieta Youth Soccer League and the father of three girls, I have become familiar with Murrieta's children and parents. Each day I try to make Murrieta a better place to call home and model the way I want my children to treat our community by picking up trash in the neighborhood, and doing little things to make sure our hiking trails and beautiful parks can be enjoyed by everyone. I want to share my love for Murrieta by serving the community at large.

I believe I have what it takes to represent our district successfully. I have devoted my career to public service and advocacy, serving as a Deputy Public Defender since 2005, first in Kern County and currently, in Riverside County. While in law school at the University of Oregon, I was Co-Director of the Native American Law Students Association and worked with student government to bring the Navajo Supreme Court to our school. My fondness and appreciation of local politics continued to develop when I worked for the Santa Cruz County Elections Department, where I had the privilege of overseeing voting precincts. I also have expertise on what attracts businesses to a region, from my experience with the United States Embassy in Berlin helping American businesses get a foothold in the German economy.

Based on my experience, I am confident that I can serve the people of District 2 with honor. Every day, whether at work, walking my dog, or on the soccer field, I interact with members of our community to address their concerns, evaluating situations to provide solutions for pressing problems. MEASURE "T" - CITY OF MURRIETA

ORDINANCE NO. ____-18

AN ORDINANCE OF THE CITY OF MURRIETA, CALIFORNIA IMPOSING A TRANSACTIONS AND USE TAX TO BE ADMINISTERED BY THE CALIFORNIA DEPARTMENT OF TAX AND FEE ADMINISTRATION AND ADDING CHAPTER 3.22, TRANSACTIONS AND USE TAX, TO THE MURRIETA MUNICIPAL CODE

WHEREAS, the City of Murrieta ("City") has grown to become the largest city in Southern Riverside County with approximately 115,000 residents; and
WHEREAS, funding for public safety services like police, fire, 9-1-1 emergency response and other essential City services has not expanded at the same rate; and

WHEREAS, over the last twenty-seven years, despite proactive efforts by the City such as reducing staff and streamlining city services to maintain the level of service our growing community has come to expect, the City faces a structural deficit of several million dollars in the coming fiscal years and, in addition, local streets, sidewalks and community facilities require ongoing maintenance that is beyond currently available resources; and

WHEREAS, in order to address these issues as soon as possible, the City Council desires to enact a one-cent transactions and use tax ordinance (the "Ordinance") with approval of the voters at the statewide general election on November 6, 2018; and

WHEREAS, if enacted, the Ordinance would provide a local revenue source and would increase the General Fund to provide services including, but not limited to, police services such as neighborhood police patrols and crime prevention programs to help prevent gang activity and drug-related crimes; improved fire protection and paramedic services and reduced response times to 911 emergencies; repairing potholes, local streets, public buildings and keeping public areas clean, well-maintained and free of graffiti; and

WHEREAS, the Ordinance will give the City local control over funds for local needs and no funds from this measure can be taken by the State; and

WHEREAS, Section 7285.9 of the California Revenue and Taxation Code authorizes any city to levy, increase or extend a transactions and use tax for general purposes at a rate of 0.125 percent, or a multiple thereof, subject to approval by a two-third vote of all members of the City Council and by a majority of the qualified voters of the City voting in an election on the issue; and

WHEREAS, if approved, the Ordinance would impose a tax on retail transactions involving sale and use of personal property. The tax rate would be one percent (1%) of the sales price of the property. The tax revenue would be collected by the California Department of Tax and Fee Administration and remitted to the City.

BE IT ORDAINED BY THE VOTERS OF the City of Murrieta, California, as follows:

Section 1. Chapter 3.22 "Transactions and Use Tax" shall be added to the Murrieta Municipal Code and shall read as follows:

Section 3.22.010 TITLE. This ordinance shall be known as the City of Murrieta Transactions and Use Tax Ordinance. The City of Murrieta hereinafter shall be called "City." This ordinance shall be applicable in the incorporated territory of the City.

Section 3.22.020 OPERATIVE DATE. "Operative Date" means the first day of the first calendar quarter commencing more than 110 days after the adoption of this ordinance, the date of such adoption being as set forth below.

Section 3.22.030 PURPOSE. This ordinance is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

A. To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.9 of Part 1.7 of Division 2 which authorizes the City to adopt this tax ordinance which shall be operative if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.

B. To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.

C. To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefore that can be administered and collected by the California Department of Tax and Fee Administration in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the California Department of Tax and Fee Administration in administering and collecting the California State Sales and Use Taxes.

D. To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this ordinance.

Section 3.22.040 CONTRACT WITH STATE. Prior to the operative date, the City shall contract with the California Department of Tax and Fee Administration to perform all functions incident to the administration and operation of this transactions and use tax ordinance; provided, that if the City shall not have contracted with the California Department of Tax and Fee Administration prior to the operative date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract.

Section 3.22.050 TRANSACTIONS TAX RATE. For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated territory of the City at the rate of 1% of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the operative date of this ordinance.

Section 3.22.060 PLACE OF SALE. For the purposes of this ordinance, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the State Board of Equalization.

Section 3.22.070 USE TAX RATE. An excise tax is hereby imposed on the storage, use or other consumption in the City of tangible personal property purchased from any retailer on and after the operative date of this ordinance for storage, use or other consumption in said territory at the rate of 1% of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.

Section 3.22.080 ADOPTION OF PROVISIONS OF STATE LAW. Except as otherwise provided in this ordinance and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this ordinance as though fully set forth herein.

A. Wherever the State of California is named or referred to as the taxing agency, the name of this City shall be substituted therefor. However, the substitution shall not be made when:

2. The result of that substitution would require action to be taken by or against this City or any agency, officer, or employee thereof rather than by or against the State Board of Equalization, in performing the functions incident to the administration or operation of this Ordinance.

3. In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:

a. Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, or;

b. Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the state under the said provision of that code.

4. In Sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797 or 6828 of the Revenue and Taxation Code.

Section 3.22.100 PERMIT NOT REQUIRED. If a seller's permit has been issued to a retailer under Section 6067 of the Revenue and Taxation Code, an additional transactor's permit shall not be required by this ordinance.

D. Any person subject to use tax under this ordinance may credit against that tax any transactions tax or reimbursement for transactions tax paid to a district imposing, or retailer liable for a transactions tax pursuant to Part 1.6 of Division 2 of the Revenue and Taxation Code with respect to the sale to the person of the property the storage, use or other consumption of which is subject to the use tax.

Section 3.22.112 AMENDMENTS. Mayor

ATTEST:

Stephanie D. Smith, MMC, City Clerk

IMPARTIAL ANALYSIS OF MEASURE “T”

Measure T is a transactions and use tax within the City of Murrieta that, if adopted, taxes retail sales at a rate of one percent (1%) of the retail sales price, i.e., one cent for an item costing one dollar. Measure T is estimated to generate approximately \$14 million of revenue annually to provide general city funding for, among other things, emergency services such as police, fire, and paramedics; street maintenance and improvements; parks and recreation; maintenance of public facilities, such as graffiti removal, etc. All revenues generated by Measure T would remain with the City, as opposed to going to the state, county, etc.

The current sales tax rate in Murrieta is 7.75%, of which the City receives 1%, with the balance going to state and county funds. Measure T would authorize an additional local one percent (1%) “transactions and use tax,” resulting in a combined rate of eight and three-quarters percent (8.75%).

A transactions and use tax is collected in the same manner as a traditional sales tax with minor exceptions, and is subject to the same general exemptions as sales taxes. Like a traditional sales tax, the tax will be paid by anyone, including residents of Murrieta, who purchase goods at retail establishments within Murrieta. In addition, Murrieta residents will pay the tax when they purchase an automobile, boat or aircraft anywhere in California and register it to an address in Murrieta, subject to certain statutory use exemptions. Funds collected pursuant to Measure T would be deposited into the City’s general fund and could be used for any purpose for which general fund revenues may be used.

Measure T requires oversight by a citizens committee. Reports by the citizens committee are public records available for inspection by any member of the public.

The Murrieta City Council approved Measure T at its meeting of July 17, 2018 and requested that Riverside County place Measure T on the ballot at the November 6, 2018 general election. A “Yes” vote is a vote in favor of the tax. A “No” vote is a vote against the tax. Measure T will be approved if it receives a simple majority of “Yes” votes.

ARGUMENT IN FAVOR OF MEASURE “T”

Vote Yes on Measure T to maintain our exceptional quality of life here in Murrieta.

The City of Murrieta is one of the safest cities in the entire nation thanks to our local Police and Fire Departments. Having local first responders mean police and firefighters are available when you need them most. Fast emergency response times for 911 calls are critical for saving lives.

However, Murrieta is facing a growing budget deficit, \$10 million less per year, due to State mandates and Sacramento money grabs threatening our safety and quality of life. The City has been fiscally responsible by laying off staff, deferring maintenance and reducing costs. Simply put, there is no more room to cut without impacting public safety and recreation programs, the library and other core services.

Measure T will help Murrieta maintain high quality public safety services, streets and local parks — which are essential to protecting strong local property values.

Vote Yes on T: Keep Murrieta Safe and Strong

- Maintain quick responses to 911 emergencies
- Provide fire protection/ paramedic services
- Support neighborhood police patrols, crime prevention and investigations to prevent gang activity/ drug- related crimes
- Maintain streets and repair potholes
- Keep public areas clean and free of graffiti

A Clear System of Accountability Keeps Every Penny In Murrieta

- All funds must support Murrieta services; the State cannot touch Measure T
- Independent citizen oversight/ annual reports to the community ensure the money is spent properly
- Essentials like groceries and prescription medicine are exempt

Unfunded mandates by Sacramento mean our options are limited and we have tough choices to make. One penny is worth protecting the police, firefighters, parks, recreation programs and clean streets that make Murrieta a special place to live.

Please join local business, public safety leaders and lifelong community members in voting Yes on T.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “T”

True North Research was hired by the City of Murrieta in August of 2017 to find out what a potential voter needed to hear to vote for this tax hike.

According to True North Research, it's almost as critical to emphasize “pot hole repair” as “public safety.” “A clear system of accountability” in the ballot measure, like “requiring citizen oversight” is also important. Evidently, some voters have a sense of distrust and by including accountability in the tax hike measure, it offers re-assurance to that skeptical voter.

True North Research has a reputation of success, just follow the playbook. In addition to the ballot measure itself, several of the statements included in the Argument in Favor of Measure T and signed by our City leaders were taken verbatim from the True North Research script. Cut and paste!

In January of 2018, Dr. Timothy McClarney from True North Research wrote, “The City is facing a structural deficit that is projected to reach nearly \$3 million per year in Fiscal Year 2018-2019.” In August of 2018 our City Leaders claim, “Murrieta is facing a growing budget deficit of \$10 million less per year....”

Is the budget deficit 3 million or 10 million?

Actually, Murrieta has a balanced budget for FY 2018/19 and likely no structural deficit because of much stronger than forecasted revenue numbers! So why is there a need to tax Murrieta families \$17 million more, every year?

Vote NO!

By: Bob Landwehr (Beyond Skeptical)

ARGUMENT AGAINST MEASURE “T”

The economy has been *ROARING* but our City claims it can't pay its future bills to sustain services? Our City claims it has to double the City's sales tax rate on Murrieta families to raise the \$14 million in new tax money. Our City claims that a one percent tax hike in sales tax equals that \$14 million shortfall. **Not True**

On February 20, 2018, our City Council was informed that the sales tax revenue jumped by almost 17% and would total **\$17 million dollars in FY 2017/2018**.

Previous years' revenue numbers also appear robust:

- “Sales Tax revenues increased 5.4% and program revenues increased 8.5% from the previous year.” CAFR FY 2016/2017
- “Sales Tax has surpassed pre-recession levels...General Fund revenue ended up 8.3% higher than previous year.” CAFR F/Y 2015/2016
- “General Fund revenue ended up 8.2% higher than previous year.” CAFR F/Y 2014/2015

During the *July 24, 2018 State of the City*, Murrieta declared, “The City has observed a steady recovery since the 2007 Recession!” “The future of Murrieta is going to be absolutely amazing to watch!” said our Mayor Jonathan Ingram.

There was no mention of a pending budget crisis.

In August of 2017, our City spent **\$26,550** with True North Research to survey a sampling of 400 Murrieta voters. The survey was designed to find out what a potential voter needed to hear to vote for a tax hike. In March of 2018, our City Council agreed to contract with a San Francisco consultant for **\$60,000** to market this ballot initiative based on the results of that survey data.

This tax scam is based on that *taxpayer-funded* \$86,550 scheme!

Does our City have a “structural budget deficit”? How much is our “structural budget deficit”? Murrieta families deserve to know the truth. Vote NO.

REBUTTAL TO ARGUMENT AGAINST MEASURE “T”

Murrieta's police, firefighters, families, businesspeople and community leaders are all coming together to vote YES on Measure T.

Murrieta has provided an exceptional quality of life to our residents since 1991. We are consistently one of safest cities in the nation. 51 Parks serve over 22,000 children and families. A fiscally responsible City Council has put a priority on attracting new businesses and keeping taxes low despite these facts:

FACT: Between the State and the Great Recession, Murrieta has lost almost \$100,000,000 in the last 10 years. This is crippling the City's ability to provide essential services, including police, fire, parks and library.

FACT: Significant cuts have been made. For example, the city laid off 58 employees, furloughing and reducing paid hours by 5%, deferred maintenance on vehicles, put off needed purchases of new police and fire vehicles and more.

FACT: Though revenues have decreased, the cost of providing excellent service to our community continues to significantly increase.

FACT: Fast emergency response times save lives. Murrieta is one of the few cities in the region with its own local police and fire departments. We need Measure T to keep it that way, with local control, ensuring firefighters and paramedics can respond quickly to calls.

FACT: Murrieta is a special place to live. Measure T will repair streets and roads, upgrade parks and support youth, library, and senior programs to maintain our excellent quality of life.

Join us in voting YES on T to keep Murrieta a great place to live.

MEASURE "W" - PERRIS UNION HIGH SCHOOL DISTRICT

FULL TEXT BALLOT PROPOSITION OF THE PERRIS UNION HIGH SCHOOL DISTRICT BOND MEASURE ELECTION NOVEMBER 6, 2018

The following is the full proposition presented to the voters by the Perris Union High School District.

"To construct a high school for Menifee, additional classrooms at high schools serving Perris, Romoland, and Nuevo, relieve severe overcrowding, improve our schools, student safety, college readiness, access to math, science, engineering, technology, skilled trades, repair, acquire, construct classrooms/labs/equipment/facilities, shall this Perris Union High School District measure authorizing \$148,000,000 in bonds at legal rates, levying approximately 3¢/\$100 assessed value (averaging \$10,000,000 annually) while bonds are outstanding, be approved, with citizen oversight/ all money locally controlled?"

PROJECT LIST

The Board of Trustees of the Perris Union High School District is committed to improving the quality of education in local schools by providing safe, secure, upgraded classrooms, facilities and technology needed to support high quality instruction in core subjects like math, science, and technology. To that end, the Board evaluated the District's urgent and critical facility needs, including safety issues, class size, computer and information technology, and prepared a Long-Range Facilities Master Plan, accepted by the Board on July 25, 2017, which is incorporated herein in its entirety, in developing the scope of projects to be funded. The District conducted a facilities evaluation and received public input in developing this Project List. Teachers, staff, community members and the Board have prioritized the key health and safety needs so that the most critical facility needs are addressed. **The Board concluded that reducing overcrowding, upgrading science labs, engineering labs, and career technical education facilities so students are prepared for college and in-demand careers and protecting the quality of our schools, the quality of life in our community, and the value of our homes are wise investments.** Therefore, in approving this Project List, the Board of Trustees determines that the District **must**:

- (i) **Improve access to modern classrooms, labs and career training facilities needed to support high quality instruction in math, science, engineering, technology, and skilled trades; and**
- (ii) **Create flexible, multi-use classrooms to support hands-on science instruction and learning-by-doing; and**
- (iii) **Provide classrooms, science and engineering labs, career and technical education facilities so students are prepared for college and in-demand careers; and**
- (iv) **Repair or replace deteriorating roofs, aging plumbing, and electrical systems where needed; and**
- (v) **Improve student safety and campus security; and**
- (vi) **Adhere to specific fiscal accountability safeguards:**
 - (a) **All expenditures subject to annual independent financial audits.**
 - (b) **No funds used for administrators' salaries and pensions.**
 - (c) **No money taken by the State; all funds stay local.**
 - (d) **All expenditures reviewed by an independent taxpayer oversight committee to ensure that funds are spent only as authorized.**

The Project List includes the following types of upgrades and improvements at District schools, facilities and sites:

CONSTRUCT, REPAIR AND IMPROVE SCHOOLS/RELIEVE OVERCROWDING

Basic School Construction, Repair and Upgrade Projects Funded By Money That Cannot Be Taken By the State

Goals and Purposes: Rapid growth in the District has resulted in overcrowded high schools. For example, Paloma Valley High School was built for 2,200 students, currently accommodates approximately 3,200 students, and is expected to reach 4,000 students within five years. Crowded schools limit educational opportunities for our students. This measure will relieve severe classroom overcrowding, provide for a new high school, and allow the District to ensure all students have access to modern educational facilities.

- Construct a new, comprehensive high school to serve Menifee and reduce overcrowding at other high schools, including but not limited to classrooms, laboratories, career training facilities, administrative spaces, athletic facilities, parking and traffic facilities, and all related site improvements, landscaping, furnishings and equipment.
- Complete the final phase of construction at Perris High School, including additional career technology classrooms and related facilities, a performing arts center, and creating a single point of entry to improve student safety.
- Construct, upgrade and modernize classrooms, science labs, career technical education facilities, computer systems and instructional technology needed throughout District schools to support instruction in science, technology, engineering, math and skilled trades so students are prepared for college and in-demand careers.
- Upgrade career training facilities and equipment needed to prepare students throughout the District for careers in healthcare, biomedical science, computer science, and agriculture.
- Create flexible, multi-use classrooms throughout District schools to support hands-on instruction and learning-by-doing.
- Repair or replace deteriorating roofs, aging plumbing and electrical systems where needed.
- Construct new middle school facilities and renovate, expand and improve middle schools as needed to reduce overcrowding and accommodate growth.

- Renovate, modernize, and improve aging non-classroom school facilities throughout District schools, including multi-purpose rooms, libraries, arts facilities, cafeterias, and restrooms.
- Improve heating, ventilation, and air-conditioning systems, insulation, doors, and windows to increase energy efficiency and save money.

STUDENT HEALTH AND SAFETY

Student Safety, Health and Campus Security Projects

Goal and Purpose: Whether or not you have school-age children, providing for safe and secure schools, protecting the quality of life in our community, and preserving the value of our homes is a wise investment. This measure will upgrade and implement student health and safety systems, including security lighting, fencing, provisions for single point of entry, smoke detectors, fire alarms, sprinklers, and campus security systems for improved student safety.

Schools will benefit from a variety of safety projects throughout District schools, such as:

- Improve student safety and campus security systems, including security lighting, fences, gates, other access control systems, security cameras, emergency communications systems, and classroom door locks.
- Modernize and improve facility safety systems such as smoke detectors, fire alarms and sprinklers.

MEASURE "W" - PERRIS UNION HIGH SCHOOL DISTRICT

**TAX RATE STATEMENT
PERRIS UNION HIGH SCHOOL DISTRICT
BOND PROPOSITION
NOVEMBER 6, 2018 ELECTION**

An election will be held in the Perris Union High School District (the "District") on November 6, 2018, to authorize the sale of up to \$148,000,000 in bonds of the District to finance improvements to educational facilities as described in the proposition. If such bonds are authorized and sold, principal and interest on the bonds will be payable only from the proceeds of *ad valorem* tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400-9404 of the Elections Code of the State of California.

Based upon the foregoing and projections of the District's assessed valuation, the following information is provided:

1. The best estimate of the average annual tax rate which would be required to be levied to fund this bond issue over the entire duration of the bond debt service, based on a projection of assessed valuations available at the time of filing of this statement, is three cents per \$100 of assessed valuation (or \$30.00 per \$100,000 of assessed valuation). The final fiscal year in which it is anticipated that the tax will be collected is 2047-48.
2. The best estimate of the highest tax rate which would be required to be levied to fund this bond issue, based on a projection of assessed valuations available at the time of filing of this statement, is three cents per \$100 of assessed valuation (or \$30.00 per \$100,000 of assessed valuation). It is estimated that such rate would be levied in fiscal year 2019-20.
3. The best estimate of the total debt service, including the principal and interest that would be required to be repaid if all the bonds are issued and sold, is approximately \$297 million.

Voters should note the estimated tax rate is based on the assessed value (not market value) of taxable property on the County's official tax rolls. In accordance with Education Code Section 15100 subparagraph (c), the Board has obtained reasonable and informed projections of assessed property valuations that take into consideration projections (if any) of assessed property valuations made by the County Assessor. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions.

The attention of all voters is directed to the fact that the foregoing information is based upon projections and estimates only. The actual tax rates and the years in which they will apply may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The date of sale and the amount of bonds sold at any given time will be determined by the District based on its need for construction funds and other factors. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of sale. Actual future assessed valuations will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process. Accordingly, the actual tax rates and the years in which such rates are applicable may vary from those presently estimated as above stated.

Perris Union High School District

IMPARTIAL ANALYSIS OF MEASURE “W”

The Board of Trustees (“Board”) of the Perris Union High School District (“District”) by adopting Resolution No. 1:18-19 (“Resolution”), elected to call an election pursuant to Section 18 of Article XVI and Section 1 of Article XIII A of the California Constitution and Section 15100 and 15264 *et seq.* of the California Education Code to obtain authorization to issue and sell general obligation Bonds (“Bonds”) in the aggregate amount principal amount of one hundred forty-eight million dollars (\$148,000,000).

This Measure was placed on the ballot by the Board of the District.

The Bonds would be used by the District to construct a new high school, construct, upgrade and renovate classrooms, labs, equipment and facilities, and to improve student safety. The Bonds may be used for school facilities projects such as modernizing classrooms, labs and career-training facilities and to support instruction in math, science, engineering, technology and skilled trade. The Bonds would not be used to fund the salaries, pensions or benefits of any board members, administrator, and/or teachers or for other school operating expenses.

If Measure W is approved, the Board of the District will appoint a citizens’ oversight committee, and conduct annual independent financial and performance audits to ensure that bond funds are spent only on the construction, modernization, rehabilitation, or replacement of school facilities, furnishings and/or equipment, or the acquisition or lease of property for school facilities, and for no other purposes.

An ad valorem tax would be levied and collected on property within the boundaries of the District to pay the principal and interest on the Bonds. The best estimate of the average annual tax rate at this time is \$0.03 per \$100 per assessment (or \$30 per \$100,000) of assessed value.

The Resolution provides that the maximum interest rate on the Bonds will not exceed the maximum statutory interest and the maximum term of the Bonds, or any series thereof, will not exceed the maximum statutory term. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all of the bonds are issued and sold is \$297,000,000.

Approval of Measure W does not guarantee that the proposed project or projects in the District, that are the subject of the Bonds under Measure W, will be funded beyond the local revenues generated by Measure W. The District’s proposal for the project or projects may assume the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

For this Measure to be approved fifty-five percent (55%) of qualified voters who vote on the Measure must vote yes.

A “YES” vote on Measure “W” is a vote to allow the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

A “NO” vote on Measure “W” is a vote against allowing the District to sell the Bonds and levy the necessary taxes to pay for the Bonds.

ARGUMENT IN FAVOR OF MEASURE “W”

Voting Yes on Measure W will relieve significant school overcrowding, keeping our students safe and on the path to success in college and competitive careers.

Our area is growing rapidly. For example, Paloma Valley High School was built for 2,200 students, currently educates 3,200 and will reach 4,000 within five years: nearly double the intended capacity.

Crowded schools are unsafe and limit educational opportunities. Menifee desperately needs an additional high school – it’s the only way to solve the overcrowding problem.

That’s why we need Measure W. It provides a dedicated, locally controlled source of funding that can only be spent on local secondary schools. The State can’t take one penny.

Measure W gives every student a chance at 21st-century success. Currently, there is not enough lab space to meet student demand for science, technology and engineering classes. By expanding local schools and upgrading them to modern standards, Measure W will open the door for educational opportunities.

Vote Yes on W: Relieve Overcrowding, Support Student Success

- Build a new high school in Menifee to relieve classroom overcrowding at all schools
- Protect student safety and campus security by establishing a single point of entry
- Improve access to modern classrooms, labs and career training facilities to support quality instruction in math, science, engineering, technology and skilled trades
- Increase access to career training facilities that prepare students for careers in healthcare, biomedical science, computer science, agriculture and skilled trades

A Clear System of Fiscal Accountability

- Independent citizens’ oversight and annual public audits are mandatory
- A detailed project list outlining exactly how Measure W will be spent is included in your voter pamphlet
- Measure W cannot fund administrator salaries

Strong schools protect strong property values, even if you don’t have kids.

Join us in voting Yes on W: protect student safety and academic opportunities.

California Motor Voter

The California Motor Voter program is making registering to vote at the California Department of Motor Vehicles (DMV) more convenient and secure. All eligible individuals completing driver license or ID card or change of address transactions at the DMV will be registered to vote with the California Secretary of State unless they "opt out" of automatic voter registration.

The California Motor Voter program applies to Californians who are 18 years or older and meet the following criteria:

- A United States citizen and a resident of California.
- Not currently in state or federal prison or on parole for the conviction of a felony.
- Not currently found mentally incompetent to vote by a court.

Note: Voter pre-registration is available for those 16 and 17 years of age. Their voter registration will become active automatically when they turn 18.

Before visiting a DMV field office, we recommend making an appointment. Visit <https://www.dmv.ca.gov/portal/dmv/detail/portal/foa/welcome> to get started. You can also use DMV online services (<https://www.dmv.ca.gov/portal/dmv/dmv/online/vcs>) to renew your driver license or ID card or change your address.

If you indicate you're eligible to vote, once you complete your driver license or state ID renewal form transaction online, by mail or in person at the DMV, your voter information is then transmitted securely and electronically to the California Secretary of State.

Please note that drivers with an AB 60 driver's license are not eligible to participate in the California Motor Voter program and are not eligible to vote.
