Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes — regardless of party preference — move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

Superintendent of Public Instruction is a nonpartisan office. If a candidate for Superintendent of Public Instruction were to receive a majority of the vote (at least 50 percent +1) at the primary election, then that candidate would be elected, and no general election would be held. Additional information on nonpartisan offices can be found below.

California law requires the following information to be printed in this guide.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

HOW TO MARK YOUR PAPER BALLOT

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

RAUL RUIZ, Democratic **AGE: 45**
OCCUPATION: Congressman / Emergency Physician
EDUCATION AND QUALIFICATIONS:

Washington is a disaster, filled with career politicians focused on petty partisan politics and their own perks and privileges.

I'm not a career politician, and I never will be. I'm an emergency physician who grew up here and ran for office to serve people in our communities. That's what I've done my entire adult life.

As a doctor, I'm trained to put people first. That's why I'm working across party lines to find solutions to tough problems:

STANDING UP FOR MEDICARE AND SOCIAL SECURITY: I promised that I would never vote to cut Medicare or Social Security, and I've kept my promise. I will continue to do so. And, I passed a bipartisan bill to help protect Medicare.

STANDING UP FOR VETERANS: I sponsor an annual "Veterans University" to help local vets get health care and assistance, and to connect them with local employers. And, I've helped hundreds of veterans cut through red tape to get the benefits they deserve.

OPPOSING PERKS FOR POLITICIANS: I oppose any pay raises for Congress, and I am fighting for legislation prohibiting Congressmembers from using taxpayer money to fly first class.

FIGHTING TO ENSURE FAMILIES HAVE ACCESS TO AFFORDABLE HEALTH CARE: As a physician, I understand the importance of health care. That's why I voted to prevent insurance companies from denying coverage to people with pre-existing conditions. And, I'm working to make premiums and prescription drugs more affordable.

Let's fight back against partisan gridlock in Washington. I'd be honored to have your support.

**CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
36TH CONGRESSIONAL DISTRICT**

KIMBERLIN BROWN PELZER, Republican **AGE: 57**
OCCUPATION: Small Business Owner
EDUCATION AND QUALIFICATIONS:

Small Business Owner – Honorary Co-Chair of the Gas Tax Repeal Campaign – Supporter of Term Limits & No Budget, No Pay for Congress

Politicians love to tell us all the great things they'll do for us when elected. They hope we'll forget their promises because they never follow through. We need new, principled leaders who are not afraid to say what they mean and stick with it.

That's why I'm running for Congress. I have firm, conservative principles. I'm not afraid to be "politically incorrect" and stand up for the Constitution, conservatism, and American exceptionalism.

My principles:

I. Put defense first. Congress must keep Americans safe at home and abroad.

II. Build sound finances. Washington must be held fiscally accountable: start to pay off the national debt and no new taxes.

III. Protect the vulnerable. People paid into Social Security and Medicare – we must make sure they are solvent, effective, and efficient programs.

IV. Grow the Middle Class. Congress needs to stop working for Special Interests and Lobbyists and start working for us.

I'm a proud wife, mother, and successful entrepreneur. I've been blessed with a daytime television career. My husband and I have built several successful businesses, including a sports fishing and marina rental business and a design company. We employ over 100 Californians.

Congress should live by the same rules they place on the rest of us, have term limits, and not get paid if they don't pass a budget. I would be honored to have your vote.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
28TH SENATORIAL DISTRICT**

JEFF STONE, Republican

AGE: 62

OCCUPATION: State Senator / Pharmacist

EDUCATION AND QUALIFICATIONS:

It's an honor to represent you in the State Senate, and I'm proud to serve the men, women and families of Riverside County.

Public safety is our top priority, and that's why I've worked to change the law to once again put violent felons who prey upon and harm innocent victims behind bars. That's also why I've introduced legislation to make it easier for Riverside County's schools to protect our children by giving our schools the choice to put metal detectors in schools. I'm honored to have been endorsed by the Riverside Sheriff's Association.

Our taxes are too high, and that's why I've authored legislation to reduce the tax burden for working families and wounded veterans. That's also why I'm working to repeal the unfair Gas Tax hike that harms middle income families and small businesses. I'm proud to have received an "A" rating from the Howard Jarvis Taxpayers Association.

If California is going to continue to thrive we need good paying jobs. I've led the fight against special interests that file lawsuits against small businesses and make it harder for people to find work. We need to CREATE jobs, and I'm proud to have received a perfect score from the California Chamber of Commerce and the National Federation of Independent Businesses.

I look forward to the privilege of representing you in the Senate to work towards lower taxes, safer streets, and a better life for our families and our children. I'd be honored to receive your vote.

**CANDIDATE STATEMENT FOR
STATE SENATOR,
28TH SENATORIAL DISTRICT**

JOY SILVER, Democratic

OCCUPATION: Businesswoman / Housing Advisor

EDUCATION AND QUALIFICATIONS:

"Joy Silver will bring a new perspective to Sacramento and deliver for our communities."

- Congressman Raul Ruiz

Joy Silver isn't a career politician. Joy is an outsider who will put her business experience to work on local priorities: protecting healthcare, helping seniors, tackling the homeless crisis, fixing the Salton Sea.

Joy Silver will bring change to the Capitol by reining in lobbyists so the needs of our community, not Sacramento special interests, come first.

Joy Silver's agenda for change:

- Reduce the cost of prescription drugs. Oppose harmful cuts to healthcare for seniors.
- Tackle the homeless crisis. Provide housing for homeless veterans.
- Fight for our fair share of state funding to fix the Salton Sea. We can't afford to wait.
- Crack down on corruption. Ban lobbyist gifts. More disclosure of who's funding campaigns.
- Stand up to the divisive policies from Washington when they hurt our people, our clean energy jobs, our farm communities.

Experience to Get Things Done

Daughter of a police detective, Joy Silver grew up in a working-class family and attended public schools. Joy worked her way up to become a top executive of a major medical center.

Joy worked to build senior living communities and became a certified elder care administrator to help seniors retire with dignity and security.

Joy knows how to get things done, because she's done it in the real world.

Supported by Trusted Leaders

Joy Silver is endorsed the California Teachers Association, Assemblyman Eduardo Garcia, Cathedral City Councilmember Shelley Kaplan, La Quinta Mayor Pro Tem Kathleen Fitzpatrick, County Supervisor Manny Perez & the League of Conservation Voters.

MEMBER OF THE STATE ASSEMBLY,
56TH ASSEMBLY DISTRICT**

EDUARDO GARCIA, Democratic

OCCUPATION: State Assemblymember

EDUCATION AND QUALIFICATIONS:

As your Assemblymember, I am homegrown and proud to be serving you in the State Legislature.

For the past decade as Mayor and now in the State Assembly, I have devoted myself to fighting for good paying jobs, quality schools, safe neighborhoods, access to health care, and a better future for the families and residents of the Coachella Valley.

As your State Assemblymember, I have built upon my experience of fiscal responsibility from when I balanced the City budget during the recession, while delivering high quality services. In the Assembly, I helped balance the state budget each year, strengthened California's finances, and saved taxpayers billions of dollars in budget reserves.

Governor Brown has signed dozens of my bills into law — expanding workforce training, small business loan programs and job creation; making college more affordable and accessible; improving air and water quality in our region; advancing the restoration of the Salton Sea; and ensuring that our communities receive their fair share of state funding for the environment, education, and health care.

The Desert Sun reported that I am “energetic,” “thoughtful,” and “one of the most prolific lawmakers in Sacramento.”

We have made great progress, but there's more work to be done. With your support, I can continue fighting in the State Assembly to address the issues that matter most to Coachella Valley families, children, seniors, and residents.

Please join teachers, nurses, police and firefighters, business and labor, and the Democratic Party in supporting my re-election.

**CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
56TH ASSEMBLY DISTRICT**

JEFF GONZALEZ, Republican

OCCUPATION: Retired U.S. Marine

EDUCATION AND QUALIFICATIONS:

USMC Jeff Gonzalez (ret.) is the leader we need in the State Assembly. As a Marine, Jeff Gonzalez held Top Secret Clearance and is the recipient of numerous medals, including the Navy and Marine Corps Commendation Medal for thwarting attacks in a combat zone, the Operation Iraqi Freedom Medal and the Operation Enduring Freedom Medal.

After retiring from the U.S. Marine Corps, Jeff was called to the ministry as a volunteer at Saddleback Church and later as the Outreach Pastor at Southwest Church. In 2017, Jeff began work with the Integrated Recovery Foundation, a nonprofit focusing on recovery programs for women veterans who suffer from Military Sexual Trauma (MST) and Post Traumatic Stress Disorder (PTSD).

As our Assemblyman, Jeff Gonzalez will work to repeal the unfair gas tax increase, which hurts local families and small businesses. He will fight for policies that help workers, seniors and students. Jeff Gonzalez will stand up for the people of our community against the Sacramento special interests who take our money and forget about us.

Here are Jeff's own words: “We need to demand better from our representatives. As a result of some of terrible votes in the legislature we have higher gas prices and our local economy continues to struggle. There is no reason why our district has triple the state average unemployment rate. This is simply unacceptable.”

Marine. Pastor. Family man. Jeff Gonzalez has the experience, priorities and compassion we need in our representative. Please visit www.GonzalezforAssembly.com to learn more. Thank you.

**CANDIDATE STATEMENT FOR
RIVERSIDE COUNTY
SHERIFF / CORONER / PUBLIC ADMINISTRATOR**

STAN SNIFF

OCCUPATION: Riverside County Sheriff

EDUCATION AND QUALIFICATIONS:

LAW ENFORCEMENT IS CHANGING

New challenges demand new technology and better education. We have modernized operations, combatting crime more effectively by improving communications, fielding 1,000 body worn cameras, and using high-tech tablets in patrol cars.

Despite years of budget constraints, we cracked down on drug and gang activity, and reduced violent crimes by 8.8% in 2017. Due to prudent fiscal management, we are hiring more deputies, decreasing response times, and expanding our jails.

ACCOUNTABILITY MATTERS

My approach to the office – that all who serve you must be accountable – has irked union leadership, which poured over \$1 million into a campaign to replace me. I believe union bosses hope to restore “the good old days” of rampant cronyism, where some are above the law.

TRAINED TO SERVE

Riverside County deserves the most qualified person to lead one of the largest law enforcement agencies in California. I bring over 40 years of law enforcement experience across all our operations, with half that experience in senior executive positions.

I graduated from UC Riverside, hold an M.A. in management, and graduated from the FBI National Executive Institute.

I am a Veteran and a retired Army colonel with 30 years of service.

I respectfully ask for your vote.

AGE: 50

OCCUPATION: Lieutenant Sheriffs Department

EDUCATION AND QUALIFICATIONS:

New leadership is needed at the Sheriff's office. In June, nearly seven out of ten voters voted for change. With your vote, you have the opportunity to complete the change.

As a Sheriff Deputy and Lieutenant Sheriff, I have spent my 25-year career keeping the people of Riverside County safe. That's why I'm proud to be law enforcement's choice for Sheriff.

I graduated from the Sheriff Academy at the top of my class and was hired by the Department. My experience includes Patrol, Corrections, Internal Affairs and Supervision. As Sheriff, I'll fight gangs and sex offenders and increase neighborhood patrols.

The Deputies and Officers who patrol our neighborhoods overwhelmingly endorse me for Sheriff, including: Riverside Sheriff's Association, Riverside Police Officers' Association, Southern California Alliance of Law Enforcement, representing over 37,000 officers in Southern California.

Here's what the RIVERSIDE SHERIFF'S ASSOCIATION SAYS: “Lt. Chad Bianco's unyielding commitment to Law Enforcement and Public Safety, respect for taxpayers and proven experience makes him the best choice to lead the department and protect the citizens of Riverside County.”

As Sheriff, I'll work to bring the public safety community together to make our county a safe place to live and work.

OCCUPATION: District Retail Manager
EDUCATION AND QUALIFICATIONS:

Communities surrounding Desert Hot Springs enjoy fantastic retail options. When it comes to retail in Desert Hot Springs, its like time stood still. I'm running to fix that.

My career involves 35 years as a retail chain manager locating new retail stores. I see *tremendous new retail opportunity in our city. Someone has not been working this issue.* As your new council member, I will.

Vibrant retail shopping options are needed. Retail funds our police and fire departments without raising taxes. It relieves the need for property taxes. Retail gives us a place to buy what we want in our city. It creates jobs.

I'm aware Desert Hot Springs has a history of council conflict. Team is critical to success. It's how I grew my retail district. You can count on me as your council member *to work with other council members and the mayor.*

We have the foundation of a retail vibrant city. I want to do for our city what I have done successfully in my career. We will bring abundant retail shopping to this city. I need your vote to get that job started.

Let's keep it that way. I am committed to protecting the quality, safety and availability of our local water under a stable rate structure that is equitable and affordable. As the Valley continues to grow, I will continue to work hard to insure all water users have a voice, working together to insure a reliable supply of high quality water to serve our needs. Over the years we have made a significant impact with aggressive water conservation measures - removing 1.6 million square feet of non-water friendly landscaping, saving an estimated 200 million gallons of water. In addition, more than 2800 smart water controllers have been installed and 1200 water hog toilets replaced. A good start, but there is much more to do. I am committed to increasing results oriented conservation as well as aggressive replacement of leaky pipes, some of the best water conservation you never see. I was born and raised in our valley and have witnessed the dramatic growth as more people discover the advantages of our desert living. Our way of life depends on the importation of water to augment our limited seasonal rainfall. DWA has some of the lowest rates in California. I believe in keeping our rates as <u>low</u> as possible for as <u>long</u> as possible through careful management of our resources. I have used my financial/accounting expertise gained over four decades for the benefit of the DWA customers in setting policies that enhance our efficiency of operations while meeting our fiscal responsibilities. I am dedicated to ensuring DWA remains a partner of the community by providing safe, reliable and affordable water in a <u>sustainable</u> way both now and in the future. OCCUPATION: Retired EDUCATION AND QUALIFICATIONS: Education: B.A. - Political Science M.A.- Education Administration M.P.A. - Water Policy Emphasis Since moving to the Palm Springs area in 1990 I have been a customer of the Desert Water Agency in one capacity or another - primarily as a residential water user but in the 1990's as the owner of Rock's Bar and Grill - a gay bar - in Cathedral City. Currently, I live in Desert Hot Springs - a City and area that buys water from the DWA and has never had a representative on DWA Board of Directors - although legally entitled. In the past, I have been a member of The DHS City Council, the Coachella Valley Mosquito and Vector Control District Board of Trustees and various other community service clubs and boards. The preservation of clean water and quality service to customers at the lowest possible cost is a primary goal. However, it is worrisome that the District is engaging in litigation at a substantial legal cost and finding itself on the losing end - for what useful purpose? It is also a significant concern that the District has an unfunded negative retirement liability in excess of \$26,000,000.00. I would appreciate your vote. (Baker4DWA2018@gmail.com)

I have been your elected "watchdog" since 2009, keeping the lowest possible rates while protecting your clean reliable water. Water is my life! As the owner of a mineral-water resort in DHS for 15 years, I am seasoned, knowledgeable and passionate about our water.

As a fiscal conservative I have always insisted that the district implement cost saving measures and best business practices.

Some of the critical measures to keep your rates low include:

- District staff reorganization for greater efficiency.
- Installing (via \$3.3M AQMD grant) a 1 mw solar field, saving us \$1,000,000 over the next decade!
- Obtaining \$10M in grants to assist customers to move from septic to sewers to protect our precious award-winning groundwater.
- Acquiring grants for a future and much needed Water Reclamation Facility to recycle our wastewater.

I love our community, volunteering as: former Commissioner and Chair of the DHS Public Safety Commission (11 yrs); President of the DHS Hotelier Association; member and past President DHS Historical Society; former Commissioner on the PS Airport Commission (4 yrs); and a member of the Business Council for the Greater Palm Springs Convention and Visitors Bureau (5 yrs).

IMPARTIAL ANALYSIS OF MEASURE “U”

The City Council of the City of Desert Hot Springs placed Measure U on the November 6, 2018, ballot asking whether the City should have an annual rotating mayor position commencing in 2020 pursuant to the terms set forth in a future ordinance, instead of maintaining the current process wherein the mayor is elected every two years for a two-year term by the registered voters of the City of Desert Hot Springs.

Desert Hot Springs is governed by a five member city council, which includes the mayor. Each council member, including the mayor, are directly elected by the registered voters of the City of Desert Hot Springs. Currently, the mayor's term of office is two-years, while the term of office for the council members is four-years.

If passed, Measure U would enact a new ordinance to change the process for designating the mayor, from a directly-elected mayor for a two-year term, to a rotating mayor, serving on a rotating basis for a one-year term. If passed, Measure U would also require the city council to enact an ordinance to change the process for appointing the mayor, from a directly-elected mayor for a two-year term to an annual rotating mayor appointed by the city council for a one-year term. Measure U would take effect in 2020 for the November 2020 regular municipal election. Measure U further proposes that commencing in 2020, all city council seats, including the mayor's seat, would be a four-year term.

A “Yes” vote on Measure U is in favor of adopting an ordinance that would require the city council to enact an ordinance to change the process for appointing the mayor, from a directly-elected mayor for a two-year term to an annual rotating mayor appointed by the city council for a one-year term, commencing in 2020 for the November 2020 regular municipal election.

A “No” vote on Measure U is in favor of maintaining the current process of having the mayor directly elected by the voters for a two-year term.

Measure U and Measure V are competing measures. This means that if both measures are passed by a majority vote, the measure with the greatest number of votes will take effect. However, if both measures fail, then the current process of having the mayor directly-elected by the voters for a two-year term, without term limits, will remain in effect.

The above statement is an impartial analysis of Measure U. If you desire a copy of the measure, call the City Clerk's office at 760-329-6411 and a copy will be mailed to you at no cost.

ARGUMENT IN FAVOR OF MEASURE “U”

Why Measure U? The answer to this question is simple. While the City of Desert Hot Springs has enjoyed political calm in the past few years, too often in the past and most certainly at some point in the future, this has been and will be the exception rather than the rule. Whether the mayor's term is two or four years, the office of mayor is subject to the distractions of endless political pressure and attacks by those who would replace him or her in the next election. Conversely with each council member taking a turn as Mayor, and appreciation of the position takes place, and supportive relationships develop.

Serving council members can run for mayor from a safe seat and will remain as a council members even if they lose their bid for the Mayor's office. This creates a city council operating in continuous campaign mode, consumed with needling and bombast. The mayor has no choice but to respond, the city's business takes a back seat to these shenanigans, and circus atmosphere replaces good governance.

While it is true that the Mayor represents the town, all council members have attended meetings and events in his place when the Mayor cannot. People value voting for mayor, but it should be remembered that voters directly elect all council members.

Some might wisely argue that we should not be the first to try this. Be assured we are not. A majority of the cities in the valley have rotating mayors, and none would consider going back to a directly elected mayor. That is the strongest argument for changing to a rotating mayor. Please vote yes on Measure U. Future residents of our city will be grateful for your decision.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “U”

If the mayor is subject to “political pressure and attacks” from people running for office, then so too are council members. Saying this will save the city from a contentious and continuous mayoral campaign is not a good argument in favor. There really is no good argument for giving the job of mayor to someone who doesn't deserve it simply because it's their “turn” on the city council. The proponents say “other cities” have done this and it works there. Just because they have doesn't mean we should. The biggest danger in a rotating mayor is that someone who would otherwise not ever be elected as mayor would automatically get a “turn” at being mayor just because they happen to be on the council. The job of mayor should go a person who truly wants to be mayor and makes the case directly to the voters that they should be mayor and that the voters then choose to be their mayor. A person who runs for city council does so because they want to be on the city council. A person who wants the job and responsibilities of mayor should run for mayor and be chosen by the voters – not given the job when it's their “turn”.

Don't give up your right to vote for your mayor so someone on the city council – someone you may not approve of or would vote for mayor -- can have a “turn” at being mayor. Vote NO on Measure U.

ARGUMENT AGAINST MEASURE “U”

The position of mayor is one that is not only substantive but is also symbolic. As such it should be a directly-elected position, not one that rotates among council members each year. The mayor not only has additional responsibilities beyond those of a council member but they are also the public and official head of the city. Because of both the job requirements, and the public responsibilities that come with the position, the person who leads our city should be chosen directly by us, the citizens of Desert Hot Springs, and not a position that is assumed on an arbitrary rotation schedule. A person should want to run for mayor by making the case to the voters why they should be elected mayor. Voters should choose who the mayor is, based on whatever qualifications and standards voters determine there should be for our mayor. The position of mayor is one that should be earned, not given when it is someone's "turn." The job also entails duties that require a level of knowledge and skills that take time to learn. Under this proposal, as soon as a mayor becomes familiar with the responsibilities of their position, they will soon have their turn end, and someone else will have to learn the job all over again. This creates the probability of a dysfunctional and ineffectual mayoral office. Finally, if the citizens, had desired such a drastic change in our city's governance structure, they would bring forth a ballot initiative. Instead we have a self-serving council action that could give someone a "turn" at being mayor who otherwise wouldn't have earned the support of the citizens of the city if they chose to run for a directly elected position. For those reasons, we strongly urge you to vote NO on Measure U.

REBUTTAL TO ARGUMENT AGAINST MEASURE “U”

It is not surprising that the opposition to this ballot measure has said nothing to refute our initial statement. Instead, they focus on points that are easily dismissed. First, the mayors powers are really not much more than a councilmember. The two major ones are running the meeting and being able to put items on the meeting agenda by themselves. The council members can and do put items on the agenda by enlisting another member to support them. All councilmembers have run meetings in the mayors absence. All councilmembers also represent the city in events and on regional committees. As far as the idea that the position must be earned, unfortunately many mayors have been elected with no experience. Under this plan a councilmember will have spent at least a year on council before being made mayor. The most interesting objection asks why the council brought this to the voters. Not because we are self serving, but to fix a problem that has and will exist in the future if we keep the present system. Only two years ago the council was in continuous bickering mode. We had an elected mayor and it was a mess. Other cities are experiencing this problem now with a elected mayor. In many ways the general public does not equate the elected mayor with this issue. The council sees this every meeting. Part of our job is to fix problems. We know this will improve governance. Please vote yes on U.

IMPARTIAL ANALYSIS OF MEASURE "V"

The City Council of the City of Desert Hot Springs placed Measure V on the November 6, 2018, ballot asking whether the City should have a directly elected mayor for a four-year term, with a maximum of two terms as mayor, commencing in 2020, instead of maintaining the current process wherein the mayor is elected for a two-year term, with no term limits, by the registered voters of the City of Desert Hot Springs.

Desert Hot Springs is governed by a five member city council, which includes the mayor. Each council member, including the mayor, are directly elected by the registered voters of the City of Desert Hot Springs. Currently, the mayor's term of office is two years, while the term of office for the council members is four years, both without term limits.

ARGUMENT IN FAVOR OF MEASURE "V"

The term of office for our city council members is four years. The term of the mayor of Desert Hot Springs should also be four years, with limit of two terms. Requiring a mayor to run every two years is burdensome on the office holder and is a poor way to elect the person who leads our city. We elect our Governor and our President for four-year terms so that we have a continuity of government, and they will have time to govern and work for the citizens free from the distraction and burden of running for election every two years. It is difficult to accomplish anything in only two years. Running for election every two years opens the door for special interest influence with on-going fundraising and electioneering. A mayor now must begin campaigning for re-election a year after assuming office, taking time away from the role we elected them for, reducing the time they have to focus on governing and serving the citizens of the city. A two-year term for a mayor is not a safety valve to remove a bad mayor. We as citizens have the ability to recall or force the resignation of a bad or ineffectual mayor already, and a two-year term is not truly a "safety valve." Moving to a four-year term with a two-term limit would not only require we the citizens to more thoughtfully and carefully choose our elected mayor, just as we do our elected city council members, it would bring forth a higher quality of candidate who would be more dedicated and could make a case for a four-year term in order to be elected. A four-year term with a two-term limit is a better way to elect our mayor -- we strongly urge you to vote YES on Measure V.

California Motor Voter

The California Motor Voter program is making registering to vote at the California Department of Motor Vehicles (DMV) more convenient and secure. All eligible individuals completing driver license or ID card or change of address transactions at the DMV will be registered to vote with the California Secretary of State unless they "opt out" of automatic voter registration.

The California Motor Voter program applies to Californians who are 18 years or older and meet the following criteria:

- A United States citizen and a resident of California.
- Not currently in state or federal prison or on parole for the conviction of a felony.
- Not currently found mentally incompetent to vote by a court.

Note: Voter pre-registration is available for those 16 and 17 years of age. Their voter registration will become active automatically when they turn 18.

Before visiting a DMV field office, we recommend making an appointment. Visit <https://www.dmv.ca.gov/portal/dmv/detail/portal/foa/welcome> to get started. You can also use DMV online services (<https://www.dmv.ca.gov/portal/dmv/dmv/online/vcs>) to renew your driver license or ID card or change your address.

If you indicate you're eligible to vote, once you complete your driver license or state ID renewal form transaction online, by mail or in person at the DMV, your voter information is then transmitted securely and electronically to the California Secretary of State.

Please note that drivers with an AB 60 driver's license are not eligible to participate in the California Motor Voter program and are not eligible to vote.

For more information, visit MotorVoter.sos.ca.gov.
